Field Time Report

1. 11 Sept. Chief, PW Deputy  
1950 Chief

1. Attached is the analysis of staff time for August.

2. The reasons for the relatively small percentage of time in the field are as follows:

a. Office orientation of persons newly assigned, Hoshino and Stemple.

b. Lack of competent interpreters, which requires one interpreter to work with and for more than one DAC.

c. Callow affected by b above and is concluding office work prior to departure for Z.I.
