(b) ComFltAct L11-3/JJ40 3777 Aug, 12 1950

Sir,

The authorized use of the undermentioned machine was approved by reference (a) and (b) and the machine is now being used on board "Nor-Easter" by the 3rd Maritime Safety Headquarters.

Inv. No.	Name of Machine
19N-32F-101	Pump (with 10 HP Motor)

But the headquarters reported to this office that the "Nor-Easter" would in near future be transferred to Moji, Fukuoka Prefecture, Kyushu, under administration of the 7th Maritime Safety Headquarters.

Such being the case it is Cordially requested that your esteemed Command would be good enough to grant a permit for transferring the administration of the machine from Finance Ministry to the Maritime Safety Agency of the above mentioned from reparation.

Yours respectfully,
