DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 115015

SUBJECT: Labour Dispute in Sakaroku Textile Co.
-Iyo Mainichi Shimbun-

TO : Lt. Mikkelsen

Employees met in Mikame Plant on Feb. 15 to make the preliminary arrangements for the creation of the local labour union in each plant.

Mr. Itou, director of Yawatahama Plant, refused the employees' proposal to allow them to utilize this plant for another meeting. Yashiro Plant director assumed the same attitude toward this problem. Employees having got indignant over the insincere attitude of the capital side, demanded Mr. Itou, and Mr. Inoue, chief of personal affairs section to retire from office. On March 10, 12, 13, the negotiations were held between the capital and labour with regard to how to bring this dispute to the peaceful end. But all these efforts ended in failure. On March 16, one of the labourers' demands was taken up. Mr. Inoue will retire from office within a month.

Following several points show why employees demanded Mr. Inoue's resignation:

1. He refused employees' proposal to permit them to meet in the Yashiro Plant.

2. He tried to win chief and leading staffs of the plant over to his side.

3. He fired a certain employee without any satisfiable reason.

TO : Commanding Officer, Ehime Military Govt Team

FROM : Ehime Ken Labour Disputes Adjustment Committee

The Central Labour Disputes Adjustment Committee is making efforts to bring this labour dispute to the mutual understanding.

However, Iyo-Tetsu Labourers' Union received the instructions from the Central Dispute Headquarters to the effect that should the mediation end in failure, the situation would necessarily dash into the worst stage, so the labourers should make arrangements for the strike after April 3rd.

On March 31, the Iyo-Tetsu Labourers held the meeting to discuss about how to carry out the strike, and concluded as follows:

1. As soon as they receive the instructions from the Central Dispute Headquarters, they will dash into the strike. But they will continue the traffic service to the Allied Powers.

2. Throughout the term of strike, labour union will take charge of buildings, cars, machinery and freight.

3. The labour union seeks the understanding with consigners about the strike.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175613

SUBJECT: Statement issued from Iyo-Tetsu (Railway Comapny) Labour Union

Our Labour Union has negotiated with the capital-side since this January concerning the wage system based upon the safeguard of the basic standard of livings. Neither of our sincere demands,--one was to organize the "negotiation body" with view to prevent the disordered situation, another to have "traffic rehabilitation council"--were taken into consideration.

They think of nothing but their profit. They don't appreciate the inseperable relation between the stabilization of labourers' livings and the traffic rehabilitation. In spite of the repeated negotiations for the peaceful settlement, none of our efforts bore fruit.

At length we submitted the dispute to the Central Committee of Labour Disputes Adjustment.

Its draft of arbitration was vague, and not necessarily satisfactory to us. Indeed we have an emergency weapon, however, if we calmly reflect upon our mission, it is necessary to ask again the Central Committee to give us more satisfactory and definite answer.

Should this final effort end in failure, we would resort to the emergency step. We wish that people would fully appreciate the situation.

The capital should assume the responsibility of failure of arbitration.

The operator of the corporation, Kanbei Saiki, refused to accept the proposed mediation terms in spite of the committeemen's suggestion to resume operation. He was confined to bed because of the high blood pressure, and no concrete answer was given as to employees' improved treatment and increased payment. The reason for his rejection is:

I) No preview available to determine the future of the business.

II) Hardly obtainable fund and meterial.

III) Discouraged operative intention due to the breakout of the dispute.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175813

The settlement was reached at last with the agreement of both parties based on the terms attached.

Subject : Grand meeting of the Ehime Ken Associated Union of the Japanese Federation of Labor Unions.

I take the liberty to report to you on the above meeting held at Niihama on Mar. 16, 1947.

1. Number of unions represented at the meeting : 53 unions including Shikoku Mechanic Labor Union.

2. Number of participants : about 9 representatives and union men of the above unions.

3. Order of the meeting : Opening address; Speeches of welcome by chairman and vice-chairmen; appointment of clerks and committee-men; congratulatory messages of friendly associations; congratulatory speeches of guests; report of screening committee; report of proceeings committee; report on activities of headquarters; report on accounts; proceedings (deliberation on (a) revision of statute (b) establishment of labor and farmers' hall (c) organization of labor unions (d) economic reconstruction movemnt (e) unification of labor front (f) changes in staff of officers (g) proposals made by affiliated Unions) ; speeches of new officers ; closing address.

4. Summary of the proceeigs :

(a) Revision of statute: They deliberated on a revision in the Ehime Ken associated Unions' statute.

(b) Establishment of labor and farmers' hall: During the past one year of labor movemsnt they have keenly felt the need of conference halls, non-commercial lodging and eating houses. They will try to solve this question by the joint financing of labor unions, farmer's assn's and other democratic organizations.

(c) Organization of labor unions : They will manage to adapt it to the present state of affairs.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175813

(d) Economic reconstruction movement : Reconstruction of a peaceful Japan will begin with the stabilization and improvement of people's living. Democratic operators and labor should cooperate for the economic reconstruction through the due recognition of their respective duties. They are going to start a great national movement for it by calling on small and medium business men and industrialists, scientists, technicians, farmers, fisher-men and great masses in general to cooperate for the purpose.

(e) Unification of labor front : They had to reluctantly admit that the labor front of to-day is disrupted among several organizations such as Japanese Federation of Labor Unions, Congress of Industrial Organizations etc. The existence of such neutral unions as are mere tools of capitalists should be ascribed to this plight of the labor front. They concluded that it was absolutely necessary to unify the front by overthrowing such neutral unions, if they were to undertake the reconstruction of a democratic Japan through the democratization of industries.

(f) Changes in the staff of officers: They deliberated on articles 16 and 30 of the Ehime Ken Associated Union's statute.

(g) Proposals brought forward by affiliated unions:
As the contents of these proposals are covered by what has been stated above, they may be omitted.

Subject : Report on the Iyo Railway Co., Labor dispute.

I take the liberty to report to you on the development of the above labor dispute whose outbreak was communicated to you by a despatch dated Mar. 12. It was submitted to the local labor relations committee, which drew up a note of advice. But the advice was rejected by both of the parties concerned on the ground described below. Judging from the influence it will produce on other private railway companies, the labor dispute will probably be submitted to the Central Labor Relations Committee.

The president of the Iyo Railway Co. replied to the advice in substance as follows:

" We cannot make any further increase in employees' wages without going into bankruptcy unless the passenger and freight rates are revised. We must point out that the present pay rates were worked out on Feb. 6 after due consultation with the labor union. And it was understood that the present pay rates would be effective until a revision was made in the passenger and freight rates".

The chief of the Iyo Railway Co. Labor Union answered the advice in substance as follows:

" Though an average monthly pay of ¥ 1,300 is proposed as a provisional plan, it will continue to be in force endlessly instead of being a tentative plan. We are most uneasy about this point when we take into consideration the development of freight rates boosting now under consideration. There is another unsatisfactory point in the lack of the specified enforcement date of the proposed plan".

RESOLUTION

TO: Yoshida Shigeru, Premier.

It is due to the inflexibility and incompetency of the Yoshida Government that the masses are suffering from the vicious inflation and aggravating living conditions. The more Yoshida cabinet clings to the political power, the slower will be the industrial recovery.

We hereby demand the resignation of the Yoshida Cabinet who is by no means trustworthy, to surmount the crisis of Japan as well as the protection of our livelihood.

We are against the appearance of a coalition cabinet so far as it contains in itself the two major parties, Liberal and Progressive, both of which are the core of the Yoshida Cabinet and the greatest obstacle to the democratic rehabilitation of Japan.

Subject: National Move For "Down-With Yoshida Cabinet"

As a measure to forestall the strike of the government employees scheduled for February 1, the Government has offered a five point proposal, the nucleus of which is the increase of the wages from 30 to 40 per cent on the average for employees of the lower bracket.

This proposal, however, was refused by the labour union. On the 28 January, the "Down-With Yoshida Cabinet Demonstration" was carried out throughout Japan. In Matsuyama, labour unions of "railway", "electric industry", "communication office", "transportation business", etc. took part in the demonstration.

Representatives of each organization made a short address to the labourers there at the front-door of the Prefectural Building.

The following shows the summary of their speeches:

"The only way is to unite and fight against the Yoshida Cabinet. Now all the labourers must brace up and fight it out. This Cabinet is always on the side of the capitalists, big landowners and privileged class. The Premier Yoshida is now resorting to every strategy to organize the coalition Cabinet with the Liberal-Progressives as the nucleus. However, should the coalition Cabinet with the Socialists as comrades be established, the labourers would fight against the new Cabinet until the Government by and for the people be created. The labourers are now standing on the crossroad of "life or death". The only way is fighting!"

DEMONSTRATION

28 January 1947

About 50 Korean people participated in the "Down-With Yoshida Cabinet" demonstration.

Mr. Boku, representing the Koreans' organization explained the reason of their participation in the demonstration as follows:

"The Yoshida Cabinet is not friendly to the Koreans living in Japan. For instance, the Koreans have not yet been given the right to vote. They wish the Cabinet which tries to make efforts to bring the international friendship between the two countries will be established."

STATEMENT

28 January 1947

We ask your help Major, whom we have the honour to esteem as the messenger of Peace, Liberty, and Justice. We, the Government Railway workers Union, are rendering our level best to have the national democratization materialized as early as possible. Whereas the present government, being much of a militaristic and feaudalistic character, is still on the side of some privileged class and is allowing their illegality. The government authorities are very unkind to us, labourers, and have no symphathy with those who work honestly. Such being the case, we are at last driven to go on a strike. Here we show you a diagram on which the transportation service will be carried on after we go on a strike on Feb. 1. We ask your good understanding.

SUBJECT: Communication Workers Strike

TO : Captain Briscoe

FROM : Kaoru Katagori, Head of Communication Bureau, Matsuyama

Japan Communication Workers' Union announced on January 18 of its decision to strike on 00 hours February 1 1947, after rejecting the answer of the government on its wage demand (minimum wage etc.). Though efforts are being continued at Communication Ministry for peaceful settlement of the dispute, worst consequence may be expected if the negotiation fails.

On such occassion, the strikers will, it seems, endeavour to continue works that maintain mail and telephone services that are related with occupation forces. On the urged workers to maintain, besides above, such communication as will maintain functioning of state affairs or will affect safety of lives etc.. But provision of such exceptions on the part of strikers when they get into a wholesale strike appeared very difficult.

I hereby report the present state of things and hope that you are informed of the fact that inconveniences may be caused though indirectly to you in case our effort of peaceful settlement fails.

Neutral Committeemen.....Ushinosuke Yamanaka.

3) Mediation:

The operator of the corporation, Kanbei Saiki, refused to accept the proposed mediation terms in spite of the committeemen's suggestion to resume operation. He was confined to bed because of the high blood pressure, and no concrete answer was given as to employees' improved treatment and increased payment. The reason for his rejection is:

I) No preview available to determine the future of the business.

II) Hardly obtainable fund and material.

III) Discouraged operative intention due to the breakout of the dispute.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 175013

b) Mar. 19-20-21.

As the operator regained his health, he showed rather positive attitude toward the resumed operation and offered his terms of settlement. Taking his terms and other data into consideration, the committeemen made every effort to reach a settlement. The settlement was reached at last with the agreement of both parties based on the terms attached.

ゼネスト決行に當りて

全組合員諸君

遂にわれ〳〵はゼネストを決行しなければならぬ事態に直面した。

昨年來「生活權獲得」を掲げて當局と闘爭を展開したのであるが交渉に交渉を重ねて今日に至るも頑迷なる當局は毫も誠意をみせずわれ〳〵を「不逞の輩」と呼ばはり、國鐵を復興し再建日本の基盤たらんとするわれ等勤勞階級の正當なる要求を全面的に拒否してゐる。

われ〳〵はゼネストを以て立上らねばならぬ、もとよりわれ〳〵はゼネストの爲のゼネストを行ふのではない。

諸君は當局の如何なる謀略にも彈壓にも屈することなく一丸となつて團結の力を以て闘はれん事を切望する。

私は旺盛なる諸君の闘志と鞏固なる團結の力を信ずる。

諸君は躊躇することなく本部の指令を嚴守し一糸亂れず整然と最後迄闘はれん事を。

不肖闘爭委員長は常に諸君の先頭に立つて諸君と生死を共にし最後迄敢闘することをこゝに宣言する。

昭和二十二年一月十八日

國鐵四國勞働組合本部斗爭委員長

津山一男

昨年末「ゼネスト運行司令」として「ゼネストダイヤ」に關する事項を謄寫版刷りにて配布しましたが其の後の列車削減進駐軍指定列車の變更、震災による不通ケ所の發生等の狀勢の變化に依り全面的に「ダイヤ」の變更を余儀なくされたので改めて本日達を發付するのであるが、先に配布したものは「ゼネスト運行司令」として最初に「大綱其の他一般注意事項云々」とあるもののみは有効とし「一、ゼネスト突入の場合の移り變り方」以下は全部無効とするから取扱方に遺憾なきを期せられたし。

（註）本達は一月下旬一部通勤列車の復活せられるものは認め之を基準として作成してゐる。

之以後の列車復活は斷乎認めない方針である。

一、運行停止の範圍

次の輸送を確保するに必要な列車、汽船又は自動車以外はこれを全部停止する。

1、第一案

（イ）專用の列車、汽船又は自動車による進駐軍の兵員及荷物の輸送。

（ロ）進駐軍の關係機關と豫め協約されてゐる指定列車に混結（一般營業用列車に專用車を增結するもの）した專用車による進駐軍の兵員及荷物郵便物の輸送。

この場合運轉させる列車は建前としてその專用車と所要の隔離車などのみで編成するものとする。

しかし客車收容、其の他の關係で其の分解作業が困難なものは他の客車を連結して運轉するも止むを得ない。

（ハ）第三國人（沖繩縣人を含む）の輸送で計畫輸送として既に手配されてゐるもの〻輸送、しかしスト中に新に輸送方の申出あつた場合は關係地聯のスト委員會で打合の上處理するものとする。

（ニ）復員及引揚者の輸送は臨時列車により計畫輸送として既に手配された ものであつて其の列車、汽船又は自動車などの運行線區間の停車場に下車するもの（乘繼ぎを要するものは含まない。しかし乘繼ぐべき線區に進駐軍專用客車の混結列車であつた爲、運轉確保列車として殘されて居りこれを利用して輸送出來ると思はれるものは輸送してもよい）のみの輸送。

しかしスト中新に輸送方の指示されたものは建前として諒解を得た上同一線區內の停車場に下車するものを比較的多數集約輸送出來るもの〻みを輸送するやう關係地聯スト運行委員會で打合せの上處理するものとする。

（ホ）進駐軍專用車の混結電車を運轉してゐる線區は二時間に一本程度專用車のみ運轉輸送する。

しかし此の場合編成替その他の事由で實際上專用車（白帶車）のみで輸送が困難の時は適當な車輛を整備しこれに充當することも出來る。

（ヘ）主要食糧の輸送

（註）主要食糧とは米、麥、小麥粉、及甘藷をいふ。しかし北海道では馬鈴薯を含む。

（ト）貨物運送指令書に依る貨物の輸送

（チ）省用石炭の輸送

（リ）（ハ）號輸送に附帶する貨物の輸送

（ヌ）前各號の貨物を輸送するに必要な空車の廻送輸送

（ル）連絡線に對する前各號貨物輸送の爲の迎車の輸送
