CHECK SLIP NUMBER: 5151

TO: Lt. Col. G. W. Sargent  
Kyushu Civil Affairs Region  
APO 24 Unit 5

1. With respect to basic letter dated 29 October 1949 from Kumamoto and your first endorsement thereto dated 1 November 1949, it is recommended that Kumamoto initiate a request through channels for an additional allocation of yen to support operations for the remainder of the Japanese Government fiscal year. This should be calculated on the basis of the experience developed heretofore on this procurement demand. Probably the ¥31,110.00 cited is not a correct figure in view of that experience.

2. If your request is marked for the attention of Major Kelley, Medical Section, Headquarters Eighth Army and mention made of the emergency conditions prevailing with respect to Eighth Army Circular #27-1949, it will receive prompt consideration.

3. This matter has been discussed in detail with Majors Kelley, and McFadden, and Dr. Baker.
