

Waterloo 3 Dec. 1824

Dear Sir

I herewith enclose Mr. Brown's
note for \$10 which I wish you to collect
for me. I have repeated by sent the note to
Mr. Brown but he has not paid a farthing
on it. I am out of patience with him and
wish you would collect it as soon as
possible —

If you collect this you will please to keep
your frs. in the case of Hunt vs. Ireland —
out of it and send me the balance by the
first opportunity. I depended on Clark &
Birdsall to pay you but they informed me
to day that they had not paid it. I was absent
to New York at the time your letter came to
hand. or I should have sent it at the time

Respectfully Yours

R. J. Hunt
