## LOWER MERION TOWNSHIP REPUBLICANS ENDORSE MR. STITES

At their meeting to consider candidates for the assembly in the first legislative district of Montgomery county, the Republican committee of Lower Merion township endorsed by a large majority the candidacy of Fletcher W. Stites, of Narberth, for that office.

The action of the committee makes it certain that the election districts of Lower Merion township and Narberth will roll up a heavy vote for Narberth's candidate at the primary election on Tuesday, May 16th.

## BOROUGH OF BRIDGEPORT, MONTGOMERY COUNTY, TO HAVE FREE DELIVERY MAIL SERVICE.

House to house mail delivery services will be established in the Borough of Bridgeport in the near future. Postmaster McCormick, of Bridgeport, has received word from Fourth Assistant Postmaster General Blakeslee to the effect that an inspector has been instructed to visit Bridgeport and install free delivery service. Residents are asked to erect boxes at their front doors, or to have slits cut in the doors in order to facilitate the delivery. While the service to be installed is not city delivery service. It will mean two delivery a day throughout the borough. The two carriers that will be appointed, when not delivering mail, will act as clerks on the office; these carrier clerks will be appointed by the postmaster and will not be under Civil Service rules.

Carrier service for Bala and Cynwyd is expected in the near future. Some of the energetic citizens in this section have taken the matter up in a systematic way and given the authorities at Washington to understand that this service was desired by the people of the community with the result that preliminary steps have been already taken for the establishment of the service.

The patrons of the Narberth Post Office were advised many months ago through the columns of Our Town that a petition from the people of Narberth, asking that carrier service be established in the borough, would receive due consideration, if sent to the Department at Washington, but there has never been any effort made to secure such petition. Narberth will soon be the only important borough in Montgomery county that will not have the advantages of Free Delivery Mail Service.

### SPECIAL NOTICE.

The next sewing meeting of the Narberth Needlework Guild will be at the Y. M. C. A. at 2.30 P. M. Wednesday, May 17. A full attendance is greatly desired in order to finish up the Red Cross work now on hand.  
Mrs. A. J. Loos, Secretary.

## GOLDEN WEDDING ANNIVERSARY.

Mr. and Mrs. Thomas Munroe, formerly of Hazleton, Pa., now residing in Narberth, Pa., celebrated their golden wedding anniversary on May 6, at the home of their daughter, Mrs. J. Frazier Purse, of 220 Forrest avenue, where an informal dinner was tendered them. The house was tastefully decorated in colors appropriate to the occasion, as was also the table with fifty yellow roses as a centerpiece, the color scheme being carried out even to the cake of golden and white layers trimmed with yellow candles. Many congratulatory letters and telegrams were received from friends and relatives including those from California and Texas.

Those present were Mrs. E. T. Boughner, daughter, of Hazleton, Pa.; Mr. Thomas Munroe, grandson, of Johnstown, Pa.; Mr. and Mrs. W. H. Cobic, son-in-law and daughter, of Narberth, Pa.; Mr. J. T. Purse and Mr. and Mrs. J. F. Purse.

They were also tendered a concluding dinner on Sunday at the residence of Mr. and Mrs. A. B. Clarke, of Lansdowne, Pa.

## FRANCIS R. TAYLOR, CANDIDATE.

Francis R. Taylor paid a visit to our town on Tuesday looking up some of his friends of former years. Mr. Taylor, who is now the candidate for the Assembly from the First District on the Democratic ticket, is no stranger along the Main Line. Having graduated from Haverford College in 1906 and from the Law Department of the University of Pennsylvania in 1909. He is now practising law in Philadelphia as a member of the firm of Taylor and Robey, in the Stephen Girard Building.

Mr. Taylor resides in Cheltenham and is treasurer the Cheltenham Hook and Ladder Co.

The Democrats of the district have in Mr. Taylor, a candidate of whom they may well be proud and for whom they may work and vote with the assurance that he has the ability to make good if elected.

One of His Friends.

Democratic Candidate for Assembly  
from First District, Montgomery  
County.

## WHY THE NEW SCHOOL SHOULD BE CENTRALLY LOCATED

To the Editor of Our Town:

The people of Narberth are asked to decide between three propositions by the school board of the borough of Narberth as follows:

1. A new eight-room building on present location.
2. A new eight-room building centrally located.
3. A new six-room building on the south side.

The third proposition should be eliminated from consideration at once, as it has never been considered desirable or necessary and would only result in befogging the true issue and dividing the vote.

This brings us to the true issue:

Consider the first proposition: A new eight-room building is proposed on the present grounds at an aggregate cost of \$58,000, as follows:  
Cost of building.....\$40,000  
Heating and toilets..... 9,000  
Bonding of present floating indebtedness..... 9,000

This does not take into account the almost immediate necessity of purchasing additional ground, as the new building would occupy most of the present playgrounds.

The school board already suggests the probable purchase of adjoining grounds, which according to their previous estimate, could be secured for \$10,000 additional.

This would mean \$68,000, not \$58,000.

Consider the second proposition: A modern eight-room school can be erected with heating plant included for less than.....\$40,000 (according to authoritative advice.)

A central location can be secured at a cost not to exceed..... 14,500 (according to authoritative advice.)  
Add heating at old school.... 7,000  
Bonding of present floating indebtedness..... 9,000

\$70,500

This will not necessitate the purchase of additional ground adjoining the school and will secure to us now a central building which the State authorities suggest may in any event be required in three or four years.

The difference between improvements on the hill and centrally located school, based on the above figures, is about ninety cents per annum per house in the borough of Narberth.

Will you, or your landlord be willing to spend ninety cents additional taxes per annum per house to secure facilities now, and which will be permanent, or do you prefer to pay several dollars per annum more to support additional schools as outlined by the State authorities?

The school board circular of October 26th, 1914, says:

That the present location was not one of choice and in the course of years the time will no doubt come when such a building would naturally be located in another part of the borough.

### Remember.

The voters of Narberth have twice defeated a loan to build on the present site, and will probably do so again.

### We Need the School, Therefore

Do not waste your vote on the first or third proposition, but concentrate on the second proposition for a

for the elementary grades and we will get the school.

## DISTINCTIVE PROGRAMS BEING PLANNED BY WOMEN'S COMMUNITY CLUB

The recently elected Board of Managers of the Women's Community Club is planning to give the women of Narberth a series of meetings that will be distinctly interesting and instructive. The whole matter was talked over thoroughly at a board meeting and the following conclusions reached:

1st—The first and second Boards of Managers organized the club, furnished the Community Room, secured members and developed the late community spirit among the women of the borough.

2nd—It is now up to the present board, to follow up the very commendable work done by the previous boards and provide a program which will create a centre of thought and action for civic betterment and keep the people of Narberth abreast with the progressive movements of the times.

Plans are already under way for a series of meetings at which there will be talks by men and women competent to speak with authority on the important questions of the day, particularly as applied to communities such as our own.

The first and second Boards of Managers have successfully paved the way for future work. The present board has ambitious plans for the future. It is up to the women of Narberth to give their support to this organization.

## NARBERTH DEFEATS WAYNE EASILY BY THE SCORE OF 12 TO 4

Gibson Pitches Good Ball, Except In Sixth Inning, When Wayne Found Him For Three Runs

## HUMPHRIES AND DURBIN STAR

The champions of the Main Line League found themselves last Saturday and trimmed Wayne easily. Mayer, who pitched for Gulf Mills last year was in the box for Wayne, and while Narberth did hit him, yet he held them to nine hits, while Gibson was found for eight hits, and striking out thirteen, and Mayer struck out six.

Narberth scored the first two runs of the game in the first inning on Durbin's single, who stole second and third base; Stites was then given a free pass to first and stole second, and both scored on Humphries single. Wayne scored in the fourth inning on a double by Hazlett and Forbes.

In Wayne's half of the sixth inning, they found Gibson for three consecutive hits, which coupled with two errors, netted them three runs, this putting them in the lead. Narberth did not allow them to hold the lead long, for in their half of the sixth inning they put across two runs on a base on balls to Koons, who scored on Barker's triple, and Davis scored him with a single to right field.

It was in the seventh inning that Narberth put the game on ice, when ten men faced Mayer before they could retire the side. Three hits, two bases on balls, two errors, a stolen base and a wild pitch all mingled together was the result of the six hits, while in the eighth inning, Stites singled and was caught stealing, sorry to say, as Walter Humphries then clouted a triple which would easily have scored Stites. Humphries then scored himself on a wild pitch, which ended the scoring for Narberth.

The hitting of Walter Humphries with three hits to his credit, seems to impress the fellow members of the team that he is going to give them all a rub for the hitting honors of the year, while Durbin closely followed with two hits, he also having three stolen bases. For Wayne, Forbes led the hitting with three hits out of four times at bat, one being a double, while Barker had a triple just to keep in the limelight.

While the game was loosely played, the teams having nine errors between them, yet some good plays were made by both teams.

The Telegraph, of Friday, May 5th, contained the following article concerning Narberth, and we are reprinting the same by their permission:

The town of Narberth is a striking illustration of the truth that the best asset of a community is the personality of its people. As I recall the Narberth of twenty years ago it was a rather characterless, nondescript agglomeration of residences. Then a good many of its people moved away and there seemed a slump in Narberth's popularity. Of late years, however, the suburb has flourished like the Scriptural green bay tree. It has its own local paper, one of the snappiest to be found; its own Young Men's Christian Association and town functions galore. The name of Narberth is synonymous with community spirit. All the churches—Catholic, Episcopal, Presbyterian, Baptist and Methodist—pull together as a team. Even the pupils in the public school have the Narberth spirit. If I were asked the reason for this I would point to a group of men who may be found almost daily about the tables of the Poor Richard Club—Durbin, Gara, Cole et al.

Public-spirited personalities are a possession beyond price for any community.

The latest Narberth wrinkle is the adoption of the Japanese cherry as the town tree. Hundreds of these trees which have made Japan famous have been planted by residents, who believe that "beauty is its own excuse for being," and so do not care that the lovely blossoms are not followed by fruit.

Everybody can teach anybody something.

So Narberth has borrowed from Japan the cherry blossom cult. It is hoped that Narberth will become renowned for trees laden with pink blossoms in the springtime, and that Philadelphia will make pilgrimage to the enterprising and beauty-loving suburb.

In this issue of "Our Town," there is an article entitled "Parents, Why Send Your Boy to Camp?" This is an unusually timely and interesting article and will doubtless give the much needed advice to many a parent who is restless, to say the least, concerning the boys' welfare.

**WANTED—A NEW POST OFFICE FLAG.**

To the Editor Our Town:

Cosmopolite, who writes interesting and entertaining articles daily on "The Evening Telegraph's" editorial page, in last Friday's issue compared the Borough of Narberth twenty years ago, then a rather characterless nondescript agglomeration of residences, with its present up-to-date progressiveness, and attributes it to the influence of a group of latter day residents well-known in the community.

He also describes the borough's latest fad in the adoption of the Japanese cherry blossom cult and hopes that "Narberth will become renowned for trees laden with pink blossoms in the springtime and that Philadelphians will make pilgrimages

to the enterprising and beauty loving suburb."

The article is very flattering to Narberth and is worthy of our residents' perusal, but it is fervently hoped by the time the trees are in full maturity several years hence that the weather stained, tattered and torn flag that listlessly and dejectedly hangs over the cramped, inadequate, insignificant little building misnamed post office will be replaced by a new flag, so that when the expected influx of sight-seeing pilgrims comes to admire the beauties of the borough they will not be confronted by such a ragged emblem of American patriotism. Apparently the most patriotic American citizen in the borough is one who was born in the Fatherland, who pertinently observed the other day: "It's about time the post office gets a new flag! The condition of the present flag is a disgrace to the town. Why not write to Our Town concerning it?" We have.

"Up with a new flag!" so say we all.  
**Public Welfare.**

To the Editor Our Town:

Dear Sir:—This morning I received a circular letter from Isaac A. Pennypacker, Esq., candidate for the Republican nomination for State Assembly for the First Legislative District of Montgomery county, asking for my personal support and vote at the coming primary, May 16.

As a friend and fellow-townsmen of Mr. Stites, I am unable to comply with this request, having already pledged my support to him. For the same reasons, I immediately referred to Mr. Stites a statement made in Mr. Pennypacker's circular letter, copies of which doubtless have been received by all Republican voters in our borough, which I cannot but think was made under a misapprehension by Mr. Pennypacker. It is as follows:

"If you, although a resident of Narberth, do not agree with the position of Mr. Fletcher W. Stites as a supporter of the election of National delegates instructed for Governor Brumbaugh, you will have sufficient reason for voting for me, as a resident of Lower Merion Township, which is fairly entitled to the nomination at the present time."

In reply to my inquiries, Mr. Stites stated from the beginning of his candidacy, he has steadily maintained the position that he would not enter into any factional fight between Governor Brumbaugh and Senator Penrose, and that he had plainly expressed himself as opposed to delegates to the National Convention receiving instructions for any candidate. He added that his candidacy was solely actuated by a desire to assist in procuring good legislation.

I am sure that the many friends of Mr. Stites, of all parties, will take him at his word; we know him too well to believe he is actuated by any ulterior motives. Lower Merion Township is entitled to the nomination, and there is no candidate who would more satisfactorily represent it, than Mr. Stites.

A. J. Loos.

To the Editor of Our Town:

Narberth people are ordinarily not slow to respond when they are confronted with any question affecting their civic pride and self-respect. It is often remarked by outsiders that Narberth is bubbling over with town spirit.

Right now there is an opportunity for the Republican voters of Narberth to make that statement good. Fletcher W. Stites, of our town, is asking the Republican voters of the First Legislative District of Montgomery county to nominate him as their candidate for the office of Assemblyman.

The primary election will be held on May 16, and the Republican vote to the last man should be cast for Mr. Stites on that day. It would be idle to comment on his fitness for the position, his character and ability are alike well-known to all of us. A striking fact in his favor is that the Republicans of Lower Merion Township think so well of him that their committee has given him their endorsement. If outsiders feel that way certainly it ill behooves any Republican of Narberth to lag behind.

Mr. Stites has announced that if the people send him to Harrisburg he will go there prepared to support all good legislation in the interest of the people, and unhampered by any alliance with any leader or faction.

For the good of his party and as a matter of town pride, every Republican ought to go to Elm Hall on Tuesday, May 16, and put in a ballot for our own candidate. Everybody out.

Very truly yours,  
Frederick L. Rose.

**COMMUNITY CLUB.**

It is earnestly requested that all members be present on Tuesday, May 23, promptly at three o'clock in the club room of the Y. M. C. A. It being the last meeting of the Community Club until fall, there will be business of importance brought before the members at three o'clock sharp.

Mrs. W. M. Cameron will preside, assisted by Mrs. I. S. Hepler and Mrs. C. T. Moore.

**PAUL HANNA WAS INTERESTING**

The discourse on the primaries as given by Mr. Paul Hanna to the members of the Narberth Branch of the Women's Suffrage Association held last Friday at the home of Mrs. A. W. Cole, proved intensely interesting and edifying to all members present.

The many questions asked following his talk, assisted materially to enlighten them on points that were heretofore quite vague.

It is hoped that sometime in the future the association may again have the pleasure of listening to Mr. Hanna.

After having dispensed with the business of the day, the current events were read by Mrs. H. C. Gara, Mrs. Charles Verna, Mrs. A. Haight and Miss Anna McKeag. Needless to say, these readings always command the undivided attention of the listeners.

We are pleased to extend our congratulations to Mr. and Mrs. Thomas Munroe, who on May 6th celebrated their golden wedding anniversary. Mr. and Mrs. Munroe have resided in Narberth almost ten years and are well known to many of our people. Our Town wishes them many more happy years.

Miss Mary Becker, of Lansdowne, spent the week-end as the guest of Miss Carrie Yowell, of Windsor avenue.

The singing by the large chorus choir of the Methodist Church is being very well rendered here of late. The choir is now rendering anthems both morning and evenings, and several solos by the members of the choir add very much to the service. Last Sunday evening Earl Smith sang "Beautiful Isle of Somewhere," which was exceptionally well rendered and enjoyed by a large congregation.

It will be remembered that this piece was sung by the Euterpean Quartet at the funeral of William McKinley.

The choir has something in store for the people in the future and the choir is prospering very well under the careful guidance of Miss Ruth Prescott.

**ELM A. C. LOSES FIRST GAME**

Captain Ludovici and his veterans suffered the pangs of defeat at the hands of the strong Narberth Bowlers' base ball team last Saturday at Rockland Park. The bowlers applied the calmsome brush with telling effect. Score 10 to 0.

Notes.  
Ensinger and Compton featured with phenomenal catches, which prevented Elm from scoring.

The Bowlers' \$100,000 infield pulled off several fast double plays.

Bob Savill's catching is deserving of comment. He was there with a fine display of the old pep all through the game.

John Dickie and Young Bill Humphries pulled off some fast fielding stunts for Elm.

Captain Ward pitched a very steady game for the winners. Elm fought hard to score, but Ward held them in check, holding the losers down to two hits.

Next Saturday the Bowlers play the strong Alpha team on the Narberth grounds.

**PRIZES FOR BEST KEPT PREMISES**

At a recent committee meeting of the directors of the Civic Association, it was proposed by one of the members to offer a series of prizes for the best kept premises in Narberth. Realizing the difficulty in covering the whole field at such a late day, the conclusion reached was to leave the matter with Mr. Wohlert, to make a start with district No. 6 to induce friendly rivalry and to encourage those interested in gardening. Consequently prizes were offered. It may be possible that these will be changed slightly, but not in any material way. It is proposed to give a trophy cup as a first prize and a bronze trophy cup as a second prize for each street; that is, a trophy cup for the south side of Montgomery avenue as a first prize, and as a second prize a bronzed finish trophy cup; Narberth avenue, East Side, first prize, a silver trophy cup; second prize, bronze trophy cup. For yards with fronts of less than twenty feet, it is proposed to give the following prizes: First prize, \$5; second prize, \$3, and third prize, \$2. These prizes are offered for the best kept lots on Iona avenue in district No. 6, for Hampden avenue in district No. 6, and for the north side of Woodbine avenue between Montgomery and Hampden avenues for lots twenty feet or less wide.

A special prize of a trophy cup is also offered for the best kept corner lot with the most effective planting; in other words, the most attractive corner lot in district No. 6, all corner lots competing.

A special grand prize is also being offered for the most attractive and best kept premises in all Narberth. This will be a valuable solid silver cup and has to be won twice in succession.

The cups will be displayed in the window of the Merion Title & Trust Co., on Haverford avenue near the post office in Narberth.

The vice-presidents of the Narberth Civic Association, Messrs. A. C. Shand, John B. Williams and James Artman, offer the following prizes to the boys of our town: To boys not over 12 years of age for the best designed and built birdhouse, first prize \$5, second prize \$3 and third prize \$1; for boys over 12 years and on to 16 years, prizes as follows: First prize \$5, second prize \$3 and third prize \$1.

**BOYS'—CAMP—BOYS'**

"Did you ever watch the camp fire  
 When the wood has fallen low,  
 And the ashes start to whiten  
 'Round the embers' crimson glow?  
 With the night sounds all around you  
 Making silence doubly sweet,  
 And a full moon high above you  
 That the spell may be complete;  
 Tell me, were you ever nearer  
 To the land of heart's desire  
 Than when you sat there thinking  
 With your feet before the fire?"  
 (Parents) Why Send Your Boy to Camp (Parents)?

"There are two traits that exist in the heart of every normal boy: First, his desire to get away from the conventionalities of his usual mode of living, and second, his intense desire to be with fellows of his own kind. This is boy nature in the early teens and demands gratification. The problem confronting parents is how to satisfy these desires and make them serve in the all 'round development of the boy's character, for when once satisfied, the appreciation of home grows upon him and the regard for parents increases."

"With the approach of spring, the call of the outdoor life comes with irresistible force and appeal. He wants to live in the open with his chums. Surely the town lots, nearby woods, artificial parks or even summer hotels cannot give him the best type of outdoor life. The summer camp well planned and carefully supervised, where boys can have this natural inherited desire gratified and be with the right kind of companions solves the vacation problem for both parent and boy."

The Narberth Young Men's Christian Association is intimately connected with just such a camp or camps. Last season we sent about twenty boys to Camp Tohickon, on the Delaware, which is under the immediate supervision of the Philadelphia Central Y. M. C. A. We are also in a position to give information concerning the State Y. M. C. A. Camp at Inglenook on the Susquehanna and the Scout Camp on the Delaware. All these camps have splendid facilities offered for fun and training, and the cost per week is within the reach of all.

The boys are put on their honor. They live in the great out-of-doors amid ideal surroundings. They have as their leaders choice Christian men—high-minded, big-souled leaders who count their life experience a stewardship to be passed on to their younger comrades. Certainly you are interested. Phone Secretary Hampton, Narberth 694-W, and he will be pleased to call and explain all details.

There will be a meeting at the Y. M. C. A. Thursday evening, May 11, of all members of the Camp Club. Boys who attended Camp Tohickon last year, be sure to be on hand.

**Men! Men!! Men!!!**  
 While your boy is away at camp you will probably want to get a sample of the same type of recreation. We can give it to you and you'll have the time of your life. Where? Why at the Country Club of the Young Men's Christian Association of Philadelphia, at Dwight Farms, Downingtown, Pa. This is a well equipped resort with the attractions of a Country Club and the best features of camp life. Secretary Hampton will be glad to confer with any one who is contemplating such a vacation. Details will be published later.
