TOWN OF OLDS

(Revised August, 1968)

1. LOCATION

Section 32-32-1-W5 in Census Division No. 6. This location is on the Calgary-Edmonton line of the Canadian Pacific Railway and on Highway No. 2A, 55 miles north of Calgary and 37 miles south of Red Deer.

2. ALTITUDE

3,415 feet. Latitude - 51/47. Longitude - 144/06.

3. TEMPERATURE

Mean summer - 58 deg. F.
Mean winter - 14.7 deg. F.
Mean yearly - 37.1 deg. F.

4. RAINFALL

Average annual rainfall - 12.56 inches.
Average annual snowfall - 50 inches.
Average annual precipitation - 17.56 inches.

5. GEOLOGY

The underlying rocks in the Olds district are shales and sandstones which were deposited by streams in lakes and deltas. They are thus fresh water in origin and are several hundred feet thick in that area. The rocks are grouped together by geologists who call them the Paskapoo Formation, and who give them an early Tertiary Age, which began some fifty million years ago. Since these rocks were deposited, the North American Continent has been unlifted; consequently, the rocks have been eroded and only a fraction of their original thickness remains. During the Ice Age, glaciers moved over this area, depositing on the surface boulder clay and similar glacial deposits. Many of the hills and smaller elevations in this area consist of glacial deposits.

6. SOIL

Olds is in the black soil zone.

Vegetation

Grassland which has been partially invaded by woodlands (mainly deciduous trees), often referred to as parkland.

Soil Profile

The normal profile has a black to very dark brown surface horizon that averages between 12 to 14 inches in depth. The sub-surface is brown to dark brown and the lime horizon is usually found at a depth of 24 to 40 inches below the surface.

Fertility

Soils in this zone are the most fertile in the province and they have in the surface foot, 3 to 4 times as much nitrogen and organic matter as there is in the average brown or grey wooded soil. Every precaution should be taken to see that they are not allowed to deteriorate. The use of fertilizer to replenish the supply of available nitrogen and phosphorus, is usually a good investment.

Land Use

A high percentage of the district is arable. Wheat of fairly good quality can be grown but mixed farming, including the use of crop rotation and fertilizers, is desirable from the standpoint of both profit and permanence.

7. HISTORY

The Town of Olds derived its name from J. C. Olds, who was connected with the Calgary and Edmonton Railroad during its construction. In the early days before the railroad reached Olds, the district had the appearance of parkland. Wildlife was plentiful and bands of Indians would hunt and trade throughout the area while enroute from Morley to Hobbema. The virgin soil of heavy black loam and plenty of water attracted settlers to the area, who remained on the land until the township was surveyed in 1891.

The Canadian Pacific Railway reached Olds in 1891 and homesteads were rapidly acquired. Land was cleared chiefly by hand brush cutters, axes and plows. It was only in 1893 when a large party of settlers from Nebraska arrived with farm equipment that rapid progress was made towards cultivation. Industry came to the district with the Great West Lumber Company.

Mrs. James Marshall taught school in her home in 1891 and the following year the class was moved to the Immigration Building. In 1893

Long-time residents of the town and district enjoy the fine facilities of the Senior Citizens Lodge at Olds.

a building was purchased and converted into a school. By 1902 the community built a new brick school which was replaced in 1930.

Law and order came to the community in 1892 with the arrival of the North West Mounted Police. Dr. John Kay arrived a few years later to take care of the medical needs of the district.

The first church was of the Methodist faith which was soon followed by the Presbyterian and Baptist sects.

The first newspaper was the Olds Oracle, published by A. J. Samis in 1896. The newspaper became the Olds Gazette in 1912.

Olds was incorporated as a village in 1900 under the North West Territories Act, and a town in 1905 before the Province of Alberta was inaugurated.

8. LIVING CONDITIONS

Olds is a picturesque town with spruce and poplar trees lining most of the streets. The dwellings are modern and approximately 90% are owner occupied. The business section is separated from the industrial area by the Canadian Pacific Railway which runs north and south through the centre of town.

Recreational and religious facilities are numerous. The town operates a recreational building housing the library, recreation office and handicraft centre.

For the sportsman there is good fishing and hunting.

9. ADMINISTRATION

The town is governed by a mayor elected for a two-year term and six councillors, two elected each year for a three-year term. The secretary-treasurer administers the affairs of the town according to the policies set by the council.

Built in 1930, this elementary school is of traditional style with modern classroom facilities.

10. LAWS AND REGULATIONS

One resident Police Magistrate.

The town and district is policed by the R.C.M.P., three constables for the town and ten for highway and rural point duty.

Building Regulations — The town has adopted the Short Form Building Code of Canada. All new buildings, repairs to buildings or removal of buildings, must be approved by the Building Inspector after which a permit is issued.

Electrical installations must conform to the requirements of the Alberta Electrical Protection Act.

Sanitary regulations conform to the Alberta Public Health Regulations.

Gas installations must conform to the Alberta Gas Protection Act.

11. FIRE PROTECTION

The fire brigade consists of a fire chief and 25 volunteer firemen.

Equipment

One 1954 500-GPM pumper with 500 gallon water tank, 1 booster pump, 1,250 feet of 2½ inch hose, 1,200 feet of 1½ inch hose, 20 feet of 4½ inch suction hose, 3 extension ladders, 1 roof ladder, 1 attic ladder, 2 applicators, 2 wyes, 2 fog nozzles, 2—20-lb. cans dry chemicals, 26 coats, 10 pairs boots, axes, masks, etc., plus 1966 500-gallon P.M. Pumper on a 4-ton truck.

Water Supply

Water is obtained from wells and is pumped into a 50,000 gallon elevated tower and a 500,000 gallon underground reservoir, with a total storage capacity of 600,000 gallons.

There are 57 fire hydrants conveniently located throughout the town.

The Olds post office is a recent addition to the community.

12. TAX STRUCTURE

	1962	1968
Land 100% of Value	\$ 515,600	\$1,026,110

A view of a portion of one of the business streets in Olds.

13. AREAS

Total area of town — approximately 916 acres.

Parks and playgrounds — approximately 32 acres.

Miles of roads, streets and lanes:	Bituminous	Gravel	Improved Earth	Total
Provincial Main	3.30			3.30
Roads and Streets		20.16	3.23	23.39
Lanes		7.51		7.51
			Total Miles	34.20

There are approximately 10½ miles of cement sidewalk.

14. SEWER AND WATER MAIN MILEAGE

Storm sewers - 15,000 feet.

Sanitary sewers - 11.37 miles.

Water main - 23.42 miles.

15. POWER

Three phase 60 cycle power is supplied to the town under a franchise by Calgary Power Limited.

Domestic Rates

A minimum monthly charge of \$2.60 Gross, \$2.30 Net. Including 20 KWHs.

Next 280 KWHs at 1½c net per month.

All over 300 KWHs at 1½c net per month.

Fine homes and attractive residential districts are a feature of the town.

Connection Charge

Connection charge \$1.00.

Reconnection charge twice the net minimum charge.

General Service Rate

Available for Commercial Establishments that do not qualify for Domestic Service.

Demand Charge \$1.00 per month of demand.

Energy Charge

For the first 40 KWHs per KW of Demand — 5c per KWH.

For the next 70 KWHs per KW of demand 3c (but not over 700 KWHs per month).

All additional energy used per month 1½c per KWH.

Minimum Charge \$2.30 net per month or demand if greater.

Consumer Deposit

Twice the Minimum charge applicable to the account or, at the company's option, twice the estimated amount of the consumer's bill.

16. WATER

Water is obtained from three wells and is pumped into a 50,000 gallon elevated tower and a 500,000 gallon reservoir and then into the water mains.

Water Rates

First 1,875 gallons or less used per month — \$4.00 minimum charge.

All over 1,875 gallons used per month — \$1.00 per M gallons.

Sewer Rates

Dwellings per family — \$2.00 per month.

Apartments per unit — \$2.00 per month.

Offices and stores — \$2.50 per month.

Hotels — \$35.00 per month.

Theatres — \$4.50 per month.

Garages, each — \$4.50 per month.

Restaurants — \$7.50 per month.

Schools, each — \$2.00 per classroom per month.

Creamery — \$35.00 per month.

Hospital — \$20.00 per month.

Railway Station — \$4.50 per month.

Armoury — \$10.00 per month.

Drive-In Theatre — \$9.00 per month.

Water Analysis	Parts per Million
Total Solids	- 1242
Ignition Loss	- 116
Hardness	- 85
Sulphates	- 392
Chlorides	- 36
Alkalinity	- 500
Nature of Alkalinity – Bicarbonate of Soda, Lime and Magnesium.	
Nitrites	- nil
Nitrates	- nil
Iron	- .40
Fluoride	- 1.21

Remarks: This water contains 17 grains per gallon of soda. Chemically it is suitable but the soda content will corrode aluminum and harm plants.

17. GAS

Natural gas is supplied to the town under a franchise by Canadian Western Natural Gas Company Limited.

Rate No. 1 - General

Available to all customers

First 2 MCF or less - \$3.00 per month.

All additional MCF - .51 per MCF

Rate No. 2 - Optional Rates

(a) Available to all customers whose annual consumption is more than 2,830 MCF.

Fixed Charge - \$35.00 per month

Plus Commodity Charge - .37 per MCF.

The schools of the town are expanding to meet population growth.
This is the Olds High School.

(b) Available to all customers whose annual consumption is more than 159,000 MCF.

Fixed Charge - \$300.00 per month.
Plus Commodity Charge - .35 per MCF.

Rate No. 3 - Optional High Load Factor Rate

Available to customers whose annual consumption is more than 10,000 MCF, and whose total consumption during the six meter reading periods ending in May, June, July, August, September and October, is not less than 40 per cent of their total consumption for the year.

Fixed Charge: \$20.00 per month plus \$2.20 per month per MCF of maximum 12-hour demand.

Plus Commodity Charge - 19c per MFC.

The above rates are subject to regulation from time to time by the Public Utilities Board of the Province of Alberta.

Further information regarding these rates may be obtained by contacting the Company.

18. L.P. GAS

Heat value - 2,521 b.t.u. per cu. ft. at 60 deg. F.

100 lb. cylinders - \$5.50.

Bulk - 15c per gallon.

Storage capacity - 5,000 gallons.

19. DIESEL FUEL

Heat value - 135,000 to 140,000 b.t.u. per gallon at 60 deg. F.

Winter grade 22½c per gallon.

Summer grade - 22½c per gallon.

Storage capacity - 32,000 gallons.

20. COAL

Coal is obtained from mines at Drumheller.

	Lump	Egg	Stoker	Nut
Rates per ton delivered	\$16.70	\$15.70	\$10.75	\$10.75

Very little coal is used by the town residents.

21. LOCAL RESOURCES

Wheat and coarse grains, rape, clay, hay, sand and gravel, gas, grass seed, poultry products, dairy products, horses, cattle, sheep, hogs, peat moss, honey.

22. GOVERNMENT OFFICES AND SERVICES

Federal — Post Office with rural delivery, Department of Veterans' Affairs (V.L.A.), Department of National Defence (Unit of the Calgary Tanks), New Armoury, Royal Canadian Mounted Police, Target Area Headquarters.

Provincial — Treasury Branch, Alberta Government Telephones, Liquor Vendor, Agricultural & Vocational College, District Agriculturist and Home Economist, Mountain View Health Unit.

Municipal — Town Hall housing (Secretary-Treasurer, Council Chamber, Town Engineer and Foreman, Civil Defence), Fire Hall. The R.C.M.P. have their own Building and Jail.

23. HEALTH SERVICES

The Olds Municipal Hospital has 50 beds and 10 bassinets. It is equipped with X-ray, Monohan respirator and a fully modern operating room. The staff consists of a matron, 12 graduate nurses and 11 nurses' aides.

Public Ward Rates, Alberta Residents: \$5.00 first day, then \$2.50 per day; Non-Residents: \$20.00 per day.

Other Health Facilities: The Mountain View Health Unit maintains an office in the town. The unit office is open monthly for the examination of pre-school and school children.

Four doctors, one medical clinic, two dentists, one physiotherapist, two chiropractors, one naturopathist, two veterinarians, one optometrist calling weekly, two drug stores, one funeral parlor.

24. PROFESSIONAL AND SKILLED PERSONAL SERVICES

(Excluding Health Services)

Type of Service	No. of Establishments
Accountants	- 4 (plus 1 calling)
Lawyers	- 1 (plus 1 calling)
Barbers	- 5
Beauty Parlors	- 8
Beauty College	- 1
Watch Repairs	- 2

25. TRANSPORTATION

Canadian Pacific Railway — three trains daily each way between Edmonton and Calgary.

Greyhound Bus Line — six times daily between Edmonton and Calgary.

Sundre Bus Lines — daily Olds to Sundre.

One Taxi Company - 2 cabs.

Transport — daily service to Calgary, Red Deer and Edmonton, 2 north and 2 south daily.

26. NEWSPAPERS

The Olds Gazette — weekly.

27. COMMUNICATIONS

Alberta Government Telephones, Canadian Pacific Telegraphs, Post Office, telephone radio service to Sundre.

Nearest radio stations — Red Deer (CKRD), Calgary (CFAC, CFCN, CKXL, CHQR).

Nearest television stations — Red Deer (CKRD), Calgary (CFCN), CHCT).

28. FINANCIAL FACILITIES

Bank of Montreal, Bank of Nova Scotia, Provincial Treasury Branch.

29. HOTELS

	No. of Rooms	Rates	Beer License
Geneva -----	26	\$3.50-\$5.50	Yes
Victoria -----	32	\$2.75-\$6.50	Yes

30. TOURIST CAMPS

Olds Cabins — trailers and tents.

Mountain View Trailer Park — fully modern.

1 Motel — ‘Siesta’.

Many churches, of a variety of faiths, serve the town and district.

31. CHURCHES

United, Presbyterian, Anglican, Baptist, Nazarene, Roman Catholic, Danish Lutheran, Seventh Day Adventist, Pentecostal, Mormon.

32. LODGES AND SERVICE CLUBS

Masonic Lodge, B.P.O.E. (Elks), Eastern Star, Royal Purple, I.O.D.E., Chamber of Commerce, Kiwanis, A.O.T.S., Canadian Legion, Ladies' Auxiliary Canadian Legion, Lions' Club, Optimist Club

33. SOCIETIES AND ASSOCIATIONS

Red Cross Society, Fish and Game Association, Handicraft Guild, Home and School Association, Old Timers Association, Olds Agricultural Society, Olds Beekeepers Association, Olds Hockey Association, Olds Community Association, Olds Recreation Association, Teen Town Club, Oil Wives Club, Curling Association.

34. EDUCATION

The Olds School District No. 235, is a unit of the County of Mountain View No. 17. Grades 1 to 12 are taught along with the following optional subjects: Commercial, Art, French, Drama, Home Economics and Shop. The school population is made up as follows:

Grades	No. of Teachers	No. of Pupils
Elementary 1-6	24	615
Junior High 7-9	17	312
Senior High 10-12	20	310
	-----	-----
	61	1,237

The Olds Agricultural and Vocational School opened this year new facilities for the growing enrolment.

Olds Agricultural and Vocational College

The Olds Agricultural and Vocational College has operated under the direction of the Alberta Department of Agriculture since 1913. From 1913 until 1963, when the name was changed, it was known as the Olds School of Agriculture and Home Economics.

Paralleling the change of name in 1963 has been the adoption of a trimester system, up-grading of courses to a technology level and the development of a number of new courses. Courses now offered are Agricultural Technology with a general program and majors in Animal Science, Plant Science, Farm Management and Farm Mechanics; Agribusiness Technology; Soil Technology, Horticultural Technology; Irrigation Technology; Fashion and Design Technology and Business Education. Grade XII subjects are also offered.

The entire campus is being redeveloped. A new 500 student residence was officially opened on June 28th, 1968. An Administration Building and a Mechanics Building are expected to be completed by 1970 which will mean that overall facilities for about 500 students will be provided.

A two section farm with herds and flocks of all major kinds of livestock provides excellent facilities and materials for instructional purposes.

35. THEATRES AND HALLS

	Capacity	Stage	Piano
Mayfair Theatre	300	Yes	No
Olds Drive-In Theatre			
Elks Hall	200	No	Yes
Masonic Hall	100	No	Yes
New Legion Hall	500	Yes	Yes
Arena Hall	600	No	Yes
Three School Auditoriums		Yes	Yes

The Provincial Building was recently opened, providing headquarters for many public services to the people of town and district.

36. RECREATION AND CULTURAL ACTIVITIES

The Olds Municipal Library is sponsored by the Town, Provincial Government grant and membership fees. The Library is open on the following days:

Monday - - - - 7-9 p.m.	Thursday - - - 2-5 p.m.
Tuesday - - - - 2-5 p.m.	Friday - - - - 7-9 p.m.
Wednesday - - - 7-9 p.m.	Saturday - - - - 1-5 p.m.

Closed on Statutory Holidays

The Olds School of Agriculture also maintains a Library which is for the use of the students.

Olds hires a full-time recreation Superintendent, and there is also a Recreation Board and Department.

- (a) There are at present two Playgrounds in Town, one in the East Section and one in the West Section — a third one is being considered in the Northwest residential section. These are staffed by trained part-time Playground leaders who have attended a Government Course for this purpose.

The Recreation Superintendent carries out policy as set out by the Recreation Board, and Council, and is responsible for the operation, maintenance, and scheduling of the Olds Arena and Swimming Pool, along with other facilities as available.

Both are responsible also for co-ordinating programs for the Town in all activities, and working with all organizations, clubs, and groups to see that duplication does not take place.

It is the Recreation Board's responsibility to look into a request for a certain program that is not available to the public already — and it is reasonable with sufficient numbers to organize and start such a program.

The Board does not deal only with sports or sport bodies, but they also work with all facets of a recreation program.

Programs of activity available to the Town of Olds and surrounding area are:

Sports and Athletic—

Baseball — for boys 16 years and under.

Fastball — Girls 17 years and under and Ladies and Men.

Hockey — Minor Hockey—18 years and under, and Senior Team.

Track & Field — In the schools at present.

Curling

Gymnastics — Boys and Girls — schools. Fall of 1968 will see this activity in the Town Recreation Program.

Badminton — For anyone wanting to play (in the Arena Hall).

Table Tennis — In Arena Hall for anyone.

Swimming — May 15th to September (Labor Day) with a complete program for all kinds of lessons. Schedules for May, June, July and August are made available for people to pick up.

Skating — Public Skating

Hockey Games

Ice Shows and Carnivals

Figure Skating

Golf — Olds Golf Club

Men's and Ladies' Keep Fit programs for those who wish to participate.

For those who wish other kinds of activities besides sports and athletics there are:

Music Clubs — Community Band

Community Choir

Art Club — Painting, Sketching

Drama —

Music — Teachers are available.

Handicrafts — Ceramics, leatherwork, rug making, basketry, weaving, painting embroidery, Coppercraft.

Dancing — Tap, acrobatic, ballet, (in Schools), Square Dancing Club — Senior Club, Teens and Junior beginners lessons this fall if sufficient register.

In other words, there is a program offered, or could be offered for all ages, male or female if the requests are made to your Recreation Department or Board.

37. YOUTH ACTIVITIES

Boys — Air Cadets, Scouts, Cubs, Tuxis, Trail Rangers, 4-H Clubs, Teen Town, Swim Club, Hockey, Baseball, Hobby and Crafts.

Girls — C.G.I.T., Brownies, Guides, Explorers, Hobbies and Crafts, 4-H Club, Rangers, Fastball, Teen Town, Swim Club.

The Olds Arena is the centre of sports activity during the winter months.

38. SPORTS FACILITIES

Covered Arena with artificial ice
One outdoor rink
Covered Curling Rink, artificial ice, five sheets
Five good baseball diamonds — two town, three school
Nine hole golf course (sand greens)
Two Children's supervised playgrounds (supervised in July and August)
Two school gymnasiums, school grounds
Fair grounds, grandstand
Hall in Arena — 130' x 33', good for dances, banquets, exhibitions, displays, sales, badminton, volleyball, etc.
Scout and golf club building
Centennial park — Picnic shelters, washrooms, wading pool

39. FAIRS

Olds Agricultural Fair (Class B), 3-day event.

40. HISTORIC SITES

Nil.

Olds is well served by transportation, including rail. The Dayliner here passes a few of the grain elevators at trackside.

41. CO-OPERATIVES

Alberta Wheat Pool, United Grain Growers, Alberta Wholesale Co-operative Association, Co-op Livestock Marketing Association, Co-op Shopping Centre.

43. SITES

Residential and industrial sites with all utilities, trackage and highway facilities can be purchased from private owners at reasonable prices.

44. INDUSTRIAL DEVELOPMENT

The Olds district is proclaimed by many to be one of the richest mixed farming areas in Alberta. The top known grain yields recorded to date are: oats, 130 bushels; barley, 82 bushels, and wheat, 60 bushel to the acre. The average yields being 60 bushels of oats, 30 bushels of barley, and 25 bushels of wheat per acre. One of the more important grasses grown in the area is Creeping Red Fescue and a ready market has always been found for this seed.

Purebred beef cattle are raised in the district, the main breeds are Hereford, Shorthorn and Aberdeen Angus. Dairy cattle breeds are Holstein, Ayrshire, Jersey and Guernsey. All these are registered herds. Quality hogs and sheep are raised.

Building permits issued since 1961 total \$6,326,213.00.

45. TRADING AREA

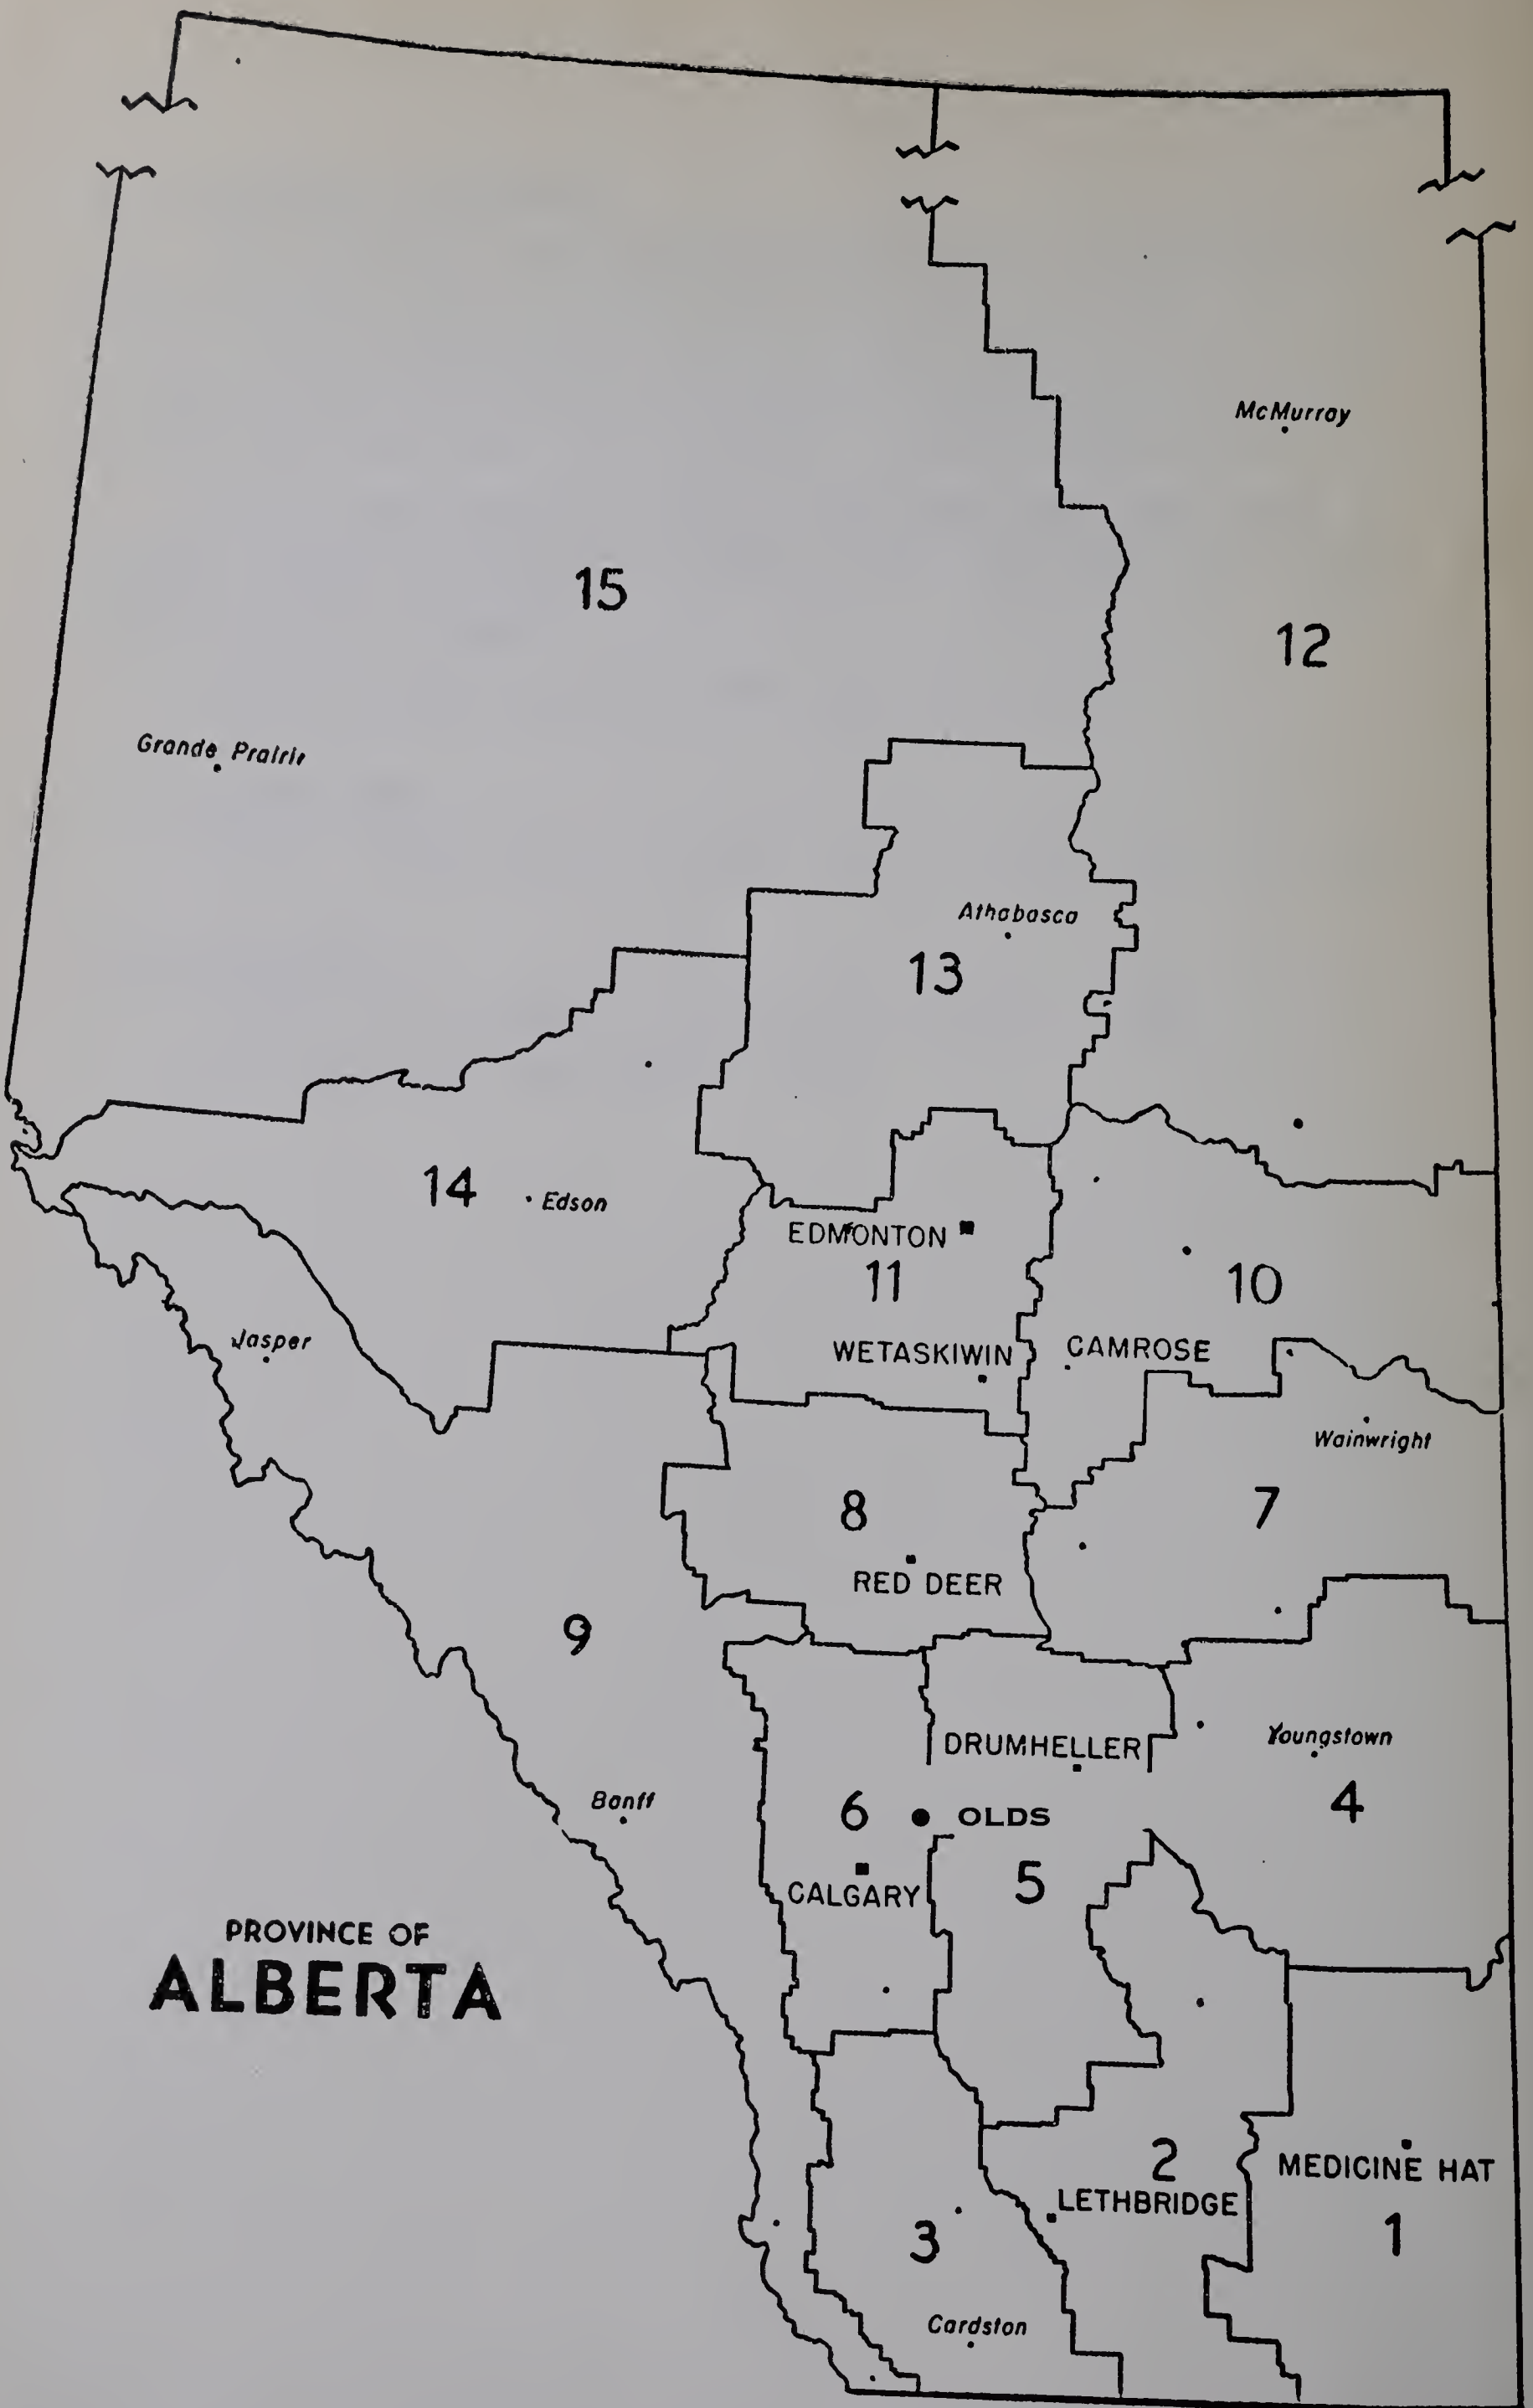

North — 7 miles; West — 45 miles; South — 6 miles; East — 20 miles.

46. POPULATION

Trading area population, 1961 Dominion Census — 8,161.

Town population, 1968 Census — 3,240.
