

RED CROSS MEETING

EXECUTIVE COMMITTEE TRANSACTS BUSINESS AT HOME OF CHAIRMAN J. H. BRALY

Members of the Executive Committee of the Glendale Chapter of the American Red Cross met at the home of the chairman, J. H. Braly, Tuesday evening, June 11th. An informal discussion of various activities of the chapter was indulged in and refreshments were served by the hospitable hostess, in accordance with her custom on such occasions.

Arrangements were made for a representation from the local chapter to be present at the Red Cross Garden Party which takes place next Saturday at Busch's gardens, Pasadena. The following ladies, dressed in appropriate Red Cross costumes, will drive over in the afternoon and remain for the concert: Mrs. H. V. Brown of the conservation department, Mrs. Jack Boettner of the Red Cross Shop, Mrs. Edna Sawyer and Miss Viola Yorba of the surgical dressing class and Mrs. H. S. Duffield, secretary.

An announcement was made of the organization of a large evening class in surgical dressings, composed of Glendale young women employed in Los Angeles during the day, and the chairman read the following congratulatory letter from John B. Miller, Pacific Division Chairman, 2nd War Fund Campaign:

Mr. John H. Braly, Chairman,
Second War Fund Campaign, Glendale Chapter, Glendale, Calif.
June 6, 1918.

My dear Mr. Braly:
The allotment for your Chapter was \$6,000.00. My latest figures show that you have raised 13,161.68. The allotment for the Division was \$3,730,000. Returns to date for the Division are as follows:

California	\$6,664,157.54
Arizona	459,195.92
Nevada	141,363.18
Total	\$7,264,716.64

In addition to this, as nearly as I can estimate, fully half of the total population in our three states, has subscribed. You will remember that in the preliminary organization meetings, I laid particular stress upon the desirability of securing as wide a distribution as possible, and I am tremendously pleased not only with the money raised, but with the number of subscribers.

It was the splendid efforts and magnificent co-operation of such devoted War Fund Chairmen as yourself which made possible these results of which we are all so justly proud, and I wish to extend to you and to the loyal men and women who assisted you, my heartiest thanks and congratulations.

Yours very truly,
JOHN B. MILLER,
Pacific Division Chairman, Second War Fund Campaign.

FIRST SHOT FIRED

BY SCHOOLS IN WAR SAVINGS CAMPAIGN—ALL ARE CO-OPERATING

Every school in Glendale has entered heartily into the War Savings Campaign. Through the efforts of Harry L. Howe in the High School and Richardson D. White in the grammar schools, every child in Glendale is provided with a pledge card. These cards have spaces for the record of all stamps bought up to date and also a place for a pledge for more stamps to be bought this year, the payments to be made each month until 1918. The cards are made in duplicate, one half being retained by the one making the pledge; the other half is turned over to the institution from which the purchases are to be made.

The High School has set aside Tuesday morning of each week in the summer for the sale of Thrift and War Savings Stamps. The days for the various grammar schools will be arranged through the co-operation of the teachers and the officers of the War Savings Societies of that school.

The schools expect to be lined up thoroughly by the end of the week and will then lend every possible effort to help the committee line up the "grown folks." If one can judge results by the enthusiastic Assembly held at the High School yesterday, the "grown folks" will have to find stronger arguments than have been advanced thus far why they should not become members of this great Thrift Organization of America.

There will be a meeting of all precinct chairmen at the High School tonight at eight o'clock to discuss campaign organization. It is important that every member be present.

BUSINESS AND PLEASURE

TUESDAY AFTERNOON CLUB CLEARS CALENDAR AND ENJOYS MUSICAL TREAT

What proved to be one of the most enjoyable musical programs of the club year featured yesterday's session of the Tuesday Afternoon Club, which met at the usual hour of 2:30 at the Masonic Temple, with Mrs. W. W. Ramsay, the president, in the chair.

The following numbers were exquisitely rendered by Miss Lois Lorraine Jones, harpist, Mrs. Seymour Thompson, violinist, a talented member of the club better known as Miss Martha Porter, and Mrs. Ralph E. Heath, a well-known soprano soloist of Los Angeles:

(a) "One Fine Day," Madame Butterfly (Puccini), (b) "Andante" (Lemare)—Lois Lorraine Jones.

(a) "Indian Love Song" (Lieurance), (b) "Sing, Smile, Slumber" (Gounod)—Mrs. Ralph E. Heath.

(a) "To a Water Lily" (McDowell), (b) "To a Wild Rose" (McDowell)—Lois Lorraine Jones.

(a) "The Swan," (b) "The Brook"—Mrs. Seymour Thompson and Miss Lois Lorraine Jones.

"Sextette from Lucia," Miss Jones, and "Joan of Arc They Are Calling You" by Mrs. Heath, Miss Jones and Mrs. Thompson, by request. This stirring patriotic number was followed by the unison singing of "The Star-Spangled Banner," led by Mrs. Frank Arnold, with Mrs. L. N. Hagood at the piano, after which adjournment was taken.

A feature of the business session was a short talk by Mrs. Elizabeth Mumford, Woman Director Federal Food Administration of Los Angeles county. Mrs. Mumford made an earnest plea for the club women to be "good soldiers" and obey courageously and pleasantly the instructions of the Food Administrator, to the end that our allies may be fed.

Another pleasing incident was the presentation to the club of handsome Belgian and Japanese flags by Mrs. E. F. Tholen, whose husband, Dr. Tholen, is enlisted in the service, and Mrs. C. M. Turck, respectively.

An invitation to the club to attend the Flag Day exercises of the Glendale Lodge, B. P. O. E., at their club house, the evening of June 14th, was read, as were several proposed amendments to the club's by-laws. Annual reports were also given by the chairman of civics, calling committee and curator of music, and the annual luncheon and final meeting of the year was announced for June 25th at the Methodist banquet room. Tickets for this event will be 50 cents a plate. These may be obtained from Mrs. Rowe, chairman of hospitality, and other ladies whose names will be announced later, and should be purchased in advance of the Saturday preceding the date mentioned. Other announcements of interest were those of a Red Cross benefit to be given under the auspices of the Art and Travel section of the Tuesday afternoon Club at the home of Mrs. C. M. Turck, the last week in July, and the American Tea given by the British Ambulance Society.

JOHN B. MILLER, Pacific Division Chairman, Second War Fund Campaign.

VIOLETS IN NO MAN'S LAND

Mrs. J. E. Rockhold of 1430 Burchett street states that letters she has recently received from her husband have advised her that for the first time he and his son Howard, who are both in the Engineering Corps, have been separated. Both men are exceptionally well and Howard has gained over 25 pounds since he left Los Angeles county. He writes that the work is very interesting and that in the evenings they have jolly times in their barracks. They are both right at the front and have been for some time. They speak of their present location as "a very beautiful place." Mr. Rockhold has been doing very close work which affected his eyes and which compelled him to go to the hospital for temporary treatment. He had a delightful surprise in a visit with Joseph Timms of Los Angeles, an old Stanford friend and now a war correspondent for the Examiner. He showed him through the trenches and not fully realizing where they were they wandered onto "No Man's Land," where they picked violets and forget-me-nots. Mr. Rockhold writes that the wild flowers are very lovely now.

RED CROSS TEA

Mrs. Lindsay, Mrs. Levinge and Mrs. Burton will serve tea at the old Verdugo Rancho, Selvas de Verdugo, on Sunday afternoon, June 16. A musical program will be provided. All are cordially invited. Proceeds are in aid of the Red Cross.

Stand behind the boys at the front—but not too far behind.

FRENCH COUNTER ON OISE FRONT

WITH AMERICANS THEY BREAK UP VIOLENT ENEMY ATTACKS AGAINST BOURESCHES AND BELLEAU WOOD

(Special Service to Glendale Evening News)

PARIS, June 13.—The French delivered their first counter blow on a wing of the new Oise front last night and threw the Germans back across the river. There were no German attacks on the center. On the Marne violent German attacks against Bouresches and Belleau Wood were broken up by French and Americans who firmly hold their newly consolidated positions. There is violent fighting between the Aisne River and Villiers-Cotterets forest where the Germans gained slightly at Couvres and St. Pierre-Aigles. On the right flank French counter attacks drove the Germans back east of Matz forest and occupy the Croix-Ricard heights.

MAY SEND TROOPS TO RUSSIA

GOVERNMENT IS STRIVING FOR ARRANGEMENT WHEREBY AMERICAN AID MAY BE GIVEN

(Special Service to Glendale Evening News)

WASHINGTON, June 13.—The American government is striving for an arrangement whereby aid and even troops can be sent to Russia under Russian and American leaders, the United Press is reliably informed. Russia does not approve of an expedition under Japanese leaders.

The government is planning to announce by July 4 that a million men have left for France. Thereafter the shipping of troops will be partially suspended so that supplies may go forward under convoy and the empty troop ships be used to convey some Americans to Russia. Loyal Russians, Chinese and Japanese will make up the remainder of this great international expedition.

MAY CHANGE DRAFT AGE LIMIT

DEPLETION OF CLASS ONE THIS YEAR AND RATIFICATION OF DRAFT TREATY WITH ENGLAND ARE CAUSES

(Special Service to Glendale Evening News)

WASHINGTON, June 13.—Well-informed Congressional leaders are predicting that the war department will ask changes in the draft law to include men ranging in age from 18 to 45 or 49 years, the same as Great Britain. It is expected this measure will be launched at the short session to be held in December. The possible depletion of Class 1 this year is given as one reason for the change. Another is the ratification of the draft treaty with England, which imposes a moral obligation to establish the same age limit.

AMERICANS REPEL GERMAN ATTACKS

WITH THE AMERICANS ON THE MARNE, June 13.—

Americans holding three miles of the front between Bouresches and Torcy repelled two German attacks, taking 50 prisoners and a number of machine guns. There were some American victims.

PRESIDENT INDORSES SUFFRAGE

WASHINGTON, June 13.—President Wilson today indorsed the National Woman's Suffrage Amendment and expressed the hope that the Senate will pass it this session. The suffragists believe this makes the amendment an Administration measure and predict that it will soon pass.

SUBMARINE HEADS FOR GERMANY

NEW YORK, June 13.—A big German submarine carrying two deck guns was sighted Tuesday 300 miles off the American coast headed for Germany, according to passengers arriving here on a Holland-American liner. The diver made no effort to halt the liner.

ASK GOVERNMENT TO TAKE TELEGRAPH COMPANIES

ST. PAUL, June 13.—Resolutions were adopted today by the American Federation of Labor asking the government to take over the Western Union and Postal Telegraph companies to avert a strike of operatives.

BATTLE RAGES ON FIFTY-MILE FRONT

LONDON, June 13.—The battle in France today rages on a 50-mile front between Montdidier and Villiers-Cotterets wood, which comprises the northwest part of the Marne front as well as all the new Oise front north of the Marne.

TODAY'S CASUALTY LIST

WASHINGTON, June 13.—Today's casualty list includes 19 killed in action, nine deaths from wounds, four deaths from disease, four accidental deaths, 137 severely wounded, eleven slightly wounded, four missing.

William Nunn of San Francisco, John Stocker of Redlands and Henry Vierra of Marysville, Cal., are among the severely wounded.

"THE WILD ROSE"

INTERMEDIATE SCHOOL TO PRODUCE OPERETTA WITH SPECIAL SCENERY

A pretty benefit for the music and art departments of the Intermediate School will be staged Friday evening which is of special interest because it is a school product, i. e., the art department under the direction of Miss Edna A. Jones has provided the scenery and stage setting for the two acts of the operetta "The Wild Rose" by W. Rys-Herbert, and the children of the school, under the direction of Miss Wetherby, supervisor of music in the grammar schools, will render it. It will feature Mildred Stanford in the character of Rose McCloud, the heroine of the little musical drama, and the scenes will be staged in the drawing room of her city home and the garden of her country home.

Those who are familiar with the auditorium of the Intermediate will wonder how it is to be accomplished on its simple platform stage with no wings and no place for "behind the scenes," but it will be done effectively, thanks to the ingenuity of Miss Jones, who with simple materials has been able to effect beautifully harmonious and artistic settings for the choral work of the children.

Miss Mildred Mallory, assisted by Billy Justema, will be stage manager, and Miss Evelyn Apple will preside at the piano.

As before stated, Miss Mildred Stanford will be leading lady in the character of Rose McCloud. Others in the cast will be:

Mary Forsythe, Rose McCloud's secretary—Edytha Atkinson.

Mrs. Fussy, her housekeeper—Julia Robinson.

Lady Grey, an eccentric playwright—Louise Smart.

Miss Writemup, reporter—Louise Olmstead.

Miss Puttemdown, reporter—Margaret Morgan.

Debutantes—Helen Thompson, Kathleen Campbell, Eleanor Widney, Tilly Klein, Bertha Fell, Virginia Hunchberger.

Miss Talkalot, suffragette—Frances Wyman.

Mrs. Domgood, charity worker—Theo Payne.

Madame Sewseams, dressmaker—Gladys Peckham.

Madame Feathertop, milliner—Laura Brock.

Madame Smellsweet, perfumer—Alice Farrell.

Bobby, the Buttons—Charlotte Winsel.

The Maids—Dorothy Peart, Elizabeth Sternberg, Marjorie Yarrick, Orrell Hester, Florence Gower, Florence Pate, Frances Beatty, Ruth Head, Catherine Berry, Hazel Walters, Mary Young.

It is expected that every child in the city will want to attend and the tickets have been placed at a figure within the reach of all, viz., 10 cents, but there will be 180 reserved seats which can be secured by the purchase of one Thrift Stamp, the purchaser to keep the stamp and paste it on his or her card. This is part of the patriotic drive for War Savings Stamps and costs the purchasers nothing because the stamps are redeemable at their face value and if kept until maturity return a handsome interest profit. There are few children, or for that matter few parents, who are not investing in these government securities and it can safely be predicted that every reserved seat will be taken next Friday night. The proceeds will provide a fund for emergency needs of the two departments and to purchase bells for the school orchestra.

WRITES OF MORALE OF AMERICANS

Mrs. Levinge, who resides with her sister, Mrs. W. Lindsay, 142 Wabasso way, received a very cheering letter Wednesday from her husband, Capt. G. E. Levinge of the British army, who has been at the front in France since the early days of the war. He speaks especially of the wonderful morale of the American boys in France. He says it is marvelous how cheerful the boys are and that when they are wounded their one thought is to get back into the fight. Capt. Levinge says the boys are not discouraged nor downhearted over there and that we should not be here. Capt. Levinge has a son in the American army.

FLORENCE COLLINS PORTER HERE

Mrs. Florence Collins Porter, State Republican Chairman for Southern California, is addressing a number of prominent Glendale women at the home of Mrs. John Hyde Braly, 295 North Brand boulevard, this afternoon, preliminary to forming a Stephens for Governor club in this, the 61st, Assembly district.

NEW DRAFT ORDERS

REVIEWS OF CLASSIFICATIONS MAY CHANGE QUOTAS IN SOME DISTRICTS

The local Exemption Board is just in receipt of a circular letter from Brigadier General Borree at Sacramento, containing a telegram of instruction from Adjutant General Crowder in Washington, taking up the question of the proposed assignment of quotas under the new draft based on the strength of Class 1 men shown in the various districts in this State. The telegram states that objection has been made to this method of fixing the quotas because of the wide variations exhibited in the number of Class 1 men produced.

The telegram presents figures which show that the percentage of Class 1 men in a number of Boards fell below fifteen per cent. This was the case with Board No. 5 of Los Angeles county and with Boards 1, 4, 5, 6, 13, 15 and 16 in Los Angeles City.

In a number of other Boards the percentages were above 15 per cent but under 20 per cent. In this class were Boards 3, 7, 8, 9, 12, 14 and 18 of Los Angeles City, and Los Angeles County Boards Nos. 1, 2, 3, 4 and 6.

In the class for Boards with a percentage of Class 1 men above 20 per cent and under 28.7 per cent, were Los Angeles City Boards Nos. 10 and 11, and our own local organization, Los Angeles County Board No. 7. The next highest percentage in the county was attained by Los Angeles City Board No. 17, which is credited with a percentage of Class 1 men above 35.

In order to correct this inequality the Brigadier General is instructed by Adjutant General Crowder to arrange for the re-examination of Questionnaires by local Boards in cooperation with advisory Boards and appeal agents, with a view to reclassifying men, especially in Class 2, A and B, Class 3, A, B and C, and in Class 4A.

The circular declares that thousands of registrants are now in Class 4 who should be in Class 2 or Class 1, and that Government appeal agents must present all of the facts obtained to the local Board for the purpose of obtaining quick action, but that they should be instructed to appeal every case where reclassification is not convincingly correct.

The local Boards it is declared should be instructed to set aside a special week in June to be called "Class 1 Week" to conduct examinations of doubtful cases, and if the number of such cases is large, the local Boards should divide themselves into committees of one to conduct examinations and hold hearings and then report to the full Board. The Brigadier General is instructed to give special attention to the Boards showing the lowest percentage of Class 1 men, but is told that it is important also that corrective procedure should be applied where necessary in the case of Boards showing an unusually high percentage.

He is also told to instruct all local Boards to re-examine under the new standard of physical examination now being issued, all doubtful cases which have fallen in Group B, Group C or Group D, under the original examination by the Boards or upon rejection at camp, with the special purpose of finding men physically fit for general military service.

As has been heretofore stated in this paper, on account of the high average of Class 1 men produced by the local Board in comparison with the majority of the city and county boards, it is not likely that many reclassifications will be made here, but some general review of the Questionnaires will probably be made for the purpose of verifying previous classifications.

JUNIOR WORK

SHIPMENT NEARLY READY OF GARMENTS MADE BY THIRD STREET SCHOOL CHILDREN

Next week a shipment will be sent to San Francisco of garments which have been made by the Junior Red Cross Auxiliary of the Third street school, together with articles completed by the Conservation Department on Broadway.

The contribution by the school, which is all the work of girls in the 5th, 6th, 7th and 8th grades, is most interesting and creditable both to the pupils and their efficient instructor, Miss Wooldridge, whose work this year by reason of the Red Cross service, has been greatly increased.

Mothers who have seen them, lingered in appreciation over the seven complete layettes for babies which (Continued on Page Four)

WAR SAVINGS STAMP QUESTIONS ANSWERED

Q. What is a War Savings Stamp? A. It is a stamp for which the Government will pay you \$5 on January 1, 1923.
Q. What does it cost? A. Between \$4.17 and \$4.23 during 1918, depending upon the month in which it is purchased.
Q. Do I have to buy 16 Thrift Stamps first before I can buy a War Savings Stamp? A. No, a War Savings Stamp may be bought outright.
Q. Do War Savings Stamps earn interest? A. Yes, the stamps increase in value at the rate of one cent a month. Thrift Stamps, however, do not bear interest. They must be converted into War Savings Stamps.
Q. What is a War Savings Certificate? A. It is a pocket-sized folder containing 20 spaces upon which to affix War Savings Stamps.
Q. Can I get a Certificate without buying a stamp? A. No.
Q. Does the War Savings Certificate cost anything? A. No, the agent from whom you purchase the stamps will write your name and address on the certificate.
Q. What is the use of the Certificate? A. It is a Government obligation with the same security as Liberty Bonds, to repay the War Savings Stamps affixed to it with interest on January 1, 1923.
Q. Can I sell or transfer my War Savings Certificate to anyone? A. No. The Certificate is not transferable and is of value to the owner only, except in the case of death or disability. (This is a protection against theft).
Q. Can I get money for my Certificate anywhere before 1923? A. Yes. If it is not registered take it to any money-order postoffice and it will be redeemed, after 10 days' written demand. If registered, take it to the postoffice where registered.
Q. How do I register my War Savings Stamps? A. The postoffice where you buy the stamp will register the stamp. Each stamp must be registered separately.
Q. Of what use is registration? A. It insures payment in case of loss of the certificate to which the stamps are attached.
Q. If a registered War Savings Certificate is lost or destroyed, how would I get my money back? A. By applying to the postoffice where you had the Certificate registered.
Q. Is an unattached War Savings Stamp of value to anyone who finds it? A. Yes. For this reason you should attach it to your War Savings Certificate the time of purchase. You may write across the face of the stamp your name and the number of your Certificate.

VILLA BANDITS ROB TRAIN

(Special Service to Glendale Evening News)
EL PASO, June 13.—Reports have reached here that bandits led by Villa in person robbed a train near Santiago Pastiero, Durango, killed 50 Carranzista soldiers and took eleven women passengers into the mountains.

WILL ASK BIG APPROPRIATION FOR POWER

(Special Service to Glendale Evening News)
WASHINGTON, June 13.—An appropriation of \$200,000,000 to increase power supplies in overloaded industrial centers will be asked of Congress by President Wilson at the request of the War Industries board. This follows overwhelmingly big war orders from Gen. Pershing that make necessary extensive enlargements everywhere in industrial centers.

LA CANADA

The regular meeting of the Missionary Society of the Congregational Church will be held at the church Wednesday of next week. Mrs. Stultz has charge of the program for the afternoon.

Sol Williams was taken to Thornycroft Hospital at Glendale last Sunday by Max Green and J. P. Anderson. Mr. Williams has had serious eye trouble for some time and Dr. Ketchum removed the diseased eye at 2 o'clock Sunday. Mr. Williams will probably be well enough to come home this week. An artificial eye will replace the one removed.

O. L. Green is home from a visit to Fullerton.

Mrs. I. Nyby with her children will join Mr. Nyby at San Pedro when school closes. They make their home there for the present.

The regular Farm Bureau meeting was held Thursday evening at the school house.

Leigh Green is working for Mr. Cornwell, having charge of the milk route.

Some people of very flexible morals camouflage as automobilists. A couple of them waked up a house at 1:30 in the morning to make inquiries. To repay the people for being roused from slumber and for the information given, they made way with the family's next day's milk supply and didn't even say "Thank you."

Dwight Cooper is a member of the State Engineering Department. Mrs. Cooper has gone with him and does the cooking for the five men who make up the camp of which Mr. Cooper is a member.

Everyone who attended P.-T. A. last week had much to say of the compelling interest of all that the speaker of the afternoon, Mrs. Claire Hosler Coombs, a Red Star lecturer and organizer, had to say. Mrs. Coombs spoke first to the children and later to the parents. Mrs. Coombs has such an unusual personality that coupled with the thrilling matter of her talk delighted all who listened. The P.-T. A. have much satisfaction in announcing that the rest of the community will soon have the privilege of hearing Mrs. Coombs, as they have her promise to speak again of the "four-footed soldiers" whom she knows so much about. She will bring films and slides with her that you may see as well as hear. The other parts of the program were of unusual interest also. The retiring P.-T. A. president, Mrs. J. T. Penfield, made a few remarks in her accustomed happy manner and turned over the conduct of affairs for the ensuing year to the new president, Mrs. N. Maynard. Pearl Slutman in behalf of the Junior Red Cross, to show its appreciation of Mrs. Penfield's work with it, thanked her and presented a gorgeous bouquet of American Beauties. The Afghan knitted by Junior Red Cross and friends was put on exhibition and elicited much praise. Roma Penfield had a very creditable program from the school children which was then given, made up of patriotic songs and verses. At the close a "war bite" was served in the shape of Hoover cookies and a fruit drink, while offering a chance to meet Mrs. Coombs socially.

Dr. and Mrs. Scott went on Tuesday to make a few days' visit to Mr. and Mrs. Jesse Knight of Hill street, Pasadena.

Mrs. Miller of La Canada boulevard sold one of her pet dogs, a full-blooded French poodle, for the benefit of the Red Cross.

Willard Barnum enlisted in the navy last week at Ventura. Unable to pass the physical examination, he then volunteered for the army. He is at Fillmore at present.

Mr. Metcalf makes a non-stop run to Capistrano next Sunday. Mrs. Metcalf, Mrs. Marx, Mrs. Peet will be in the party, which will number eleven.

Walter M. Murphy of Hillside Farm has an annual stag party and barbecue which occurs in June. The same takes place in Hay Canyon on the farm. Judging by the busy way in which machines traveled up and down the boulevard, the one last Saturday was of the usual interest.

Mr. and Mrs. Malcolm McNaghten of La Canada Hills attended the Lasky benefit ball in Hollywood.

One of the great attractions for the Pasadena Red Cross benefit at Busch's Gardens is Madame Schumann-Heink, whose glorious voice is now devoted solely to the Red Cross service. This benefit is given Saturday, June 15.

The babies attending the Better Babies Convention at Pasadena from La Canada on Tuesday were Patricia Geren, Mary Elizabeth Hayman, Baby John Metzger, Elizabeth Johnson, Kenneth Metcalf and two of Mr. and Mrs. Busick's children. Tommy Knight was to have been among the number, but was slightly indisposed and had to remain at home. Mr. and Mrs. Kirst's baby went at an earlier date.

Mrs. P. H. Johnson of Haskell street, with her son Aldrige, left on Sunday for a three months' stay in the East.

A very pretty little film, "Up the

Road with Sally," is the next one to be shown at the school house, and while it is a good comedy, it undoubtedly has some features which cover many embarrassing situations. But you'll see it.

Mrs. Hamilton was proudly exhibiting a large pitcher of engraved glass, a gift from Miss Hausam and Miss Horne to show their appreciation of the little extra thoughtfulness shown them by the janitress of the school building.

School closed Friday with commencement exercises in the evening. Miss Horne's room had exercises in the afternoon, marking the close of the year.

A party of eight got spilled out when their Ford ran over a bank on the Arroyo road beyond the Slutman's place at eleven o'clock Monday night. It took three of their party two hours to get to a telephone and it was 3:30 a. m. before they started home in the two machines sent out from Pasadena. Most of the party were from Los Angeles. The Ford was rescued and towed away later on Tuesday.

The recent recital of the Harmony Class of Glendale High, under the tuition of Mrs. Gibson, was very enjoyable and entirely original. Of the eleven students, two are from La Canada. Dr. Roy Lanterman's son Frank played his own composition on the piano. J. P. Anderson's daughter Elsa played her own accompaniment to the musical setting which she wrote to some verse. Elizabeth Mottern sang the song. La Canada may well be proud of her musical fledglings.

There will be an encampment of Home Economics Teachers at the State Normal Training School, Los Angeles, for intensive training, June 24 to 29 inclusive. Tuition free, rooms free, meals at nominal cost. Lack of teachers to supplement the work of Mrs. Jessica Hazard is the reason for this opportunity.

U. S. Food Administration says, "Spread the knowledge among mothers that milk is our best food." A quart a day for every child, if possible; a pint without fail. Buy more milk and less meat and your family will be better fed. Do not give the children even a taste of coffee and tea. (Form leaflets of U. S. Food Administration.)

James T. Penfield reached home Wednesday after a long stay in the East.

HISTORIC LESSON IN FOOD CONSERVATION

The Hotel Monthly recently carried the following:

"Four thousand years ago Food Commissioner Joseph, in the land of Egypt, commanded one-fifth of the wheat crop of Egypt each year, for seven years, and stored it in the cities nearest the wheat fields. His drastic action at that time saved the world from starvation.

"Two thousand five hundred years ago Nebuchadnezzar, King of Babylon, instructed that certain men whom he wished to have attached to his court be fed on King's food and wine to give them a well-nourished look. One of these men, named Daniel, persuaded his caterer that himself and friends could be better nourished on pulse and water, and requested that he make a test covering a sufficient length of time; the others to be fed on King's food and wine. The test showed that those who lived on pulse (lentils) and water were better nourished than those fed on King's food (luxuries) and wine.

"Two thousand years ago Bible history records the miracle of feeding five thousand with a few barley loaves and fishes. The people were commanded to sit in rows of fifty to the row, and the servers passed before each and gave to everyone his portion so that all were served. It was an instance where a little food went a long way, and the fragments that remained were gathered up so that no food was wasted."

FOUR HUNDRED MILLIONS NEED FOOD

By Herbert Hoover

If you could stand in the middle of Europe today and survey the land to its borders, you would discover its whole population of 400,000,000 human beings short of food. Millions of people in Poland, Finland, Serbia, Armenia and Russia are dying of starvation and other millions are suffering from too little food. Our Allies and the neutrals are living on the barest margins that will support life and strength.

This, the most appalling and dreadful thing that has come to humanity since the dawn of civilization, is to me the outstanding creation of German militarism. The Germans themselves are not the worst sufferers. They are extorting at the cannon's mouth the harvests and cattle of the people they have overrun, leaving them in desolation. If the war were to cease tomorrow, the toll of actual dead from starvation and its attendant diseases within the German lines would double or treble the 5,000,000 or 6,000,000 of men who have been actually killed by Germany and her allies in arms. The 10,000,000 people in occupied Belgium and Northern France would have died of starvation had it not been for us and the Allies. We must build our food resources to stand ready for any demands upon

us by the Allies. It is of no purpose to us to send millions of our best to France if we fail to maintain the strength of their men, women and children on our lines of communication. This United States is the last reservoir of men, the last reservoir of ships, the last reservoir of munitions and the last reservoir of food upon which the Allied world must depend if Germany is to be defeated and if we are to be free men.

Wheat saving for the next three months is a greater need than it has been for the last three months, yet at the same time it is easier. With the vast supply of vegetables and fruits which will shortly be available, no one should suffer because of the lack of wheat in the diet. The Food Administration again urges everyone to cut wheat entirely from his or her diet until the next harvest.

Miss Florence Heacock will go to Sylomar, Calif., this week to spend the summer.

J. H. Braly, 205 North Brand, went to Ocean Park Wednesday, where he was a guest of his daughter until Thursday morning.

A meeting of the Public Library Board which was to have been held Tuesday evening was postponed until Thursday evening, June 13th.

Master Roland Davis has been confined to his home, 315 Everett street, for the past few days by an attack of the measles.

The old Van Vorce house at 1571 Vine street has been purchased by an employe of the Fox Studio, who is doing some needed repairing.

Miss Nellie Sharp, who has been living with Mrs. Anna L. Smith on Riverdale drive, is visiting in San Diego.

Mrs. W. E. Hewitt, 728 North Louise street, left Thursday for Asheville, N. C., where she was called on account of the illness of her sister, Mrs. W. N. Reid.

James C. Barnett of 1421 Riverdale drive, who has recovered from his recent illness, has been appointed as Yardmaster for the A. F. S. F. at Camp Kearny. He left Monday to assume his duties there.

Mr. and Mrs. Merton E. Hyde, who recently sold their place at 1561 Vine street to Joseph Walker, have gone to Los Angeles to spend the summer. They expect to go back to their New England home in the fall.

Mrs. Sarah Muir Galloway of Pacific Grove, California, is visiting the family of her niece, Mrs. Joseph Guidinger, 238 South Maryland. Mrs. Galloway is a sister of the late John Muir, California's noted naturalist.

Mrs. Dietrich of 1542 Patterson street will be hostess at a tea which will be given at her home Friday afternoon at 2:30 o'clock to ladies of the West Glendale Methodist Church. It will be a strictly informal affair and all friends of the church are invited.

Miss Louisa A. Mansfield has returned from the middle west, where she has been visiting her daughter at Junction City, Kansas. She has been gone since last September and her daughter here, Mrs. J. E. Colvin of 235 East First street, is delighted to welcome her home.

Leon Owen, who formerly drove a Ford for Kilborn's grocery, later going to Elizabeth Lake to work for his father, then to Bakersfield to work for an electric company, afterward returning to Elizabeth Lake, is again a resident of Glendale, driving a truck for the L. A. Express-Tribune Company.

Rev. Clifford A. Cole, pastor of the Central Christian Church of this city, has been asked to make the address at the graduating exercises of the La Crescenta School, which will take place tonight (Thursday). His theme will be "The Democracy of Service," and these students who are graduating will be members of the Junior Class of Union High next year.

Joseph Walker, formerly of Braintree, Mass., 10 miles from Boston, who came out to Los Angeles with his family three months ago, has bought Merton E. Hyde's place at 1561 Vine street and moved in a few days ago. His family consists of a wife and three charming daughters, Misses Thelma, Adele and Carita. Mr. Walker is a laundry worker.

S. Houdyshel of 211 South Maryland has a victory garden in his back yard that would make Hoover smile could he see it. Mr. Houdyshel was ashamed of his potatoes until he began to dig them, the stalks were so small and straggly, but he began to smile when the large smooth white tubers were turned up with the soil. His potatoes are of the White Rose variety, they are very large, of excellent quality and he has six or seven sacks as the yield from his small home patch.

Percy R. Davis, who has been teacher of mathematics in Glendale Union High School the past year, has just received an appointment as principal of the Riverview Union High School in San Diego county. The school includes five districts and is located in an agricultural community about four miles from the Davis ranch. Both Mr. and Mrs. Davis are interested in agricultural subjects and Mr. Davis is planning to make agriculture a feature of the school work, especially with reference to the government's food production and conservation policy. Mr. Davis as a member of the High School faculty and Mrs. Davis as reporter for the Glendale Evening News and later correspondent and feature writer for the Times have become widely known and have innumerable friends here who will be sorry that they are to leave this section.

THE AMERICAN TEA

PRESENTATION OF UNION JACK BY THIRD STREET SCHOOL CHILDREN A FEATURE

The American Tea given yesterday afternoon by the tea committee of the Glendale British Ambulance Society was a notable event, highly successful and enjoyable.

The patriotic color scheme was well carried out in decorations and program. The special hostesses for the affair were Mrs. A. W. Beach and Mrs. Guitard, who were assisted by Mrs. C. O. Pulliam, Mrs. V. Price Brown, Mrs. McClellan, Mrs. Albert Pearce, Mrs. Helen Campbell, the Misses Alice and Grace Beach and the chairman of the tea committee, Miss Ina Whitaker.

The program opened with the singing of "The Star-Spangled Banner," which was followed by a spirited part-song, from the Treble Clef of the Tuesday Afternoon Club, directed and accompanied by Mrs. Calvin Whiting. These ladies, seven in number, showed their excellent training and ability and sang with sweetness and precision, their selections being: "We're One for Uncle Sam," written by Dr. Freeman of Pasadena, encore, "Little Orphan Annie," "Dance We Merrily."

The presentation of the handsome Union Jack made by children of the Intermediate school was an interesting feature. This flag was made by forty children (pupils of Miss Clara Midcalf) in response to an appeal from the chairman of the tea committee, and is to be hung outside the British Ambulance Headquarters with the Stars and Stripes beside it. Herman Nelson has promised the American flag as a donation from the Bank of Glendale. As it was not ready yesterday, the official presentation of the two flags to the British Ambulance Society could not take place, but the school children's committee of seven made their presentation through a miniature "Uncle Sam," represented by little Robert Lehman, who afterwards sang "Just Leave It to Your Uncle Sam," written by Julius Kranz of Glendale.

Mrs. E. W. Pack, the president of the Glendale British Ambulance Society, made a graceful and appropriate little speech on receiving the Union Jack and spoke of the wonderful linking together of the two great English-speaking nations and the strong ties of sympathy and understanding now existing.

A very pretty patriotic dance in costume of the Stars and Stripes was given by Miss Mia Marvin after tea was served and with the singing of the national anthems of America and England the program closed.

A special vote of thanks is extended by the management to the hostesses and their helpers and all those who took part.

The next tea will be given on Wednesday, June 26th, and is featured as a "Land Army and Club Tea." Mrs. Alma Whitaker of Los Angeles, with several members of the Friday Morning Club in their picturesque and serviceable land army uniforms, will be there. A special invitation is extended to all club women in Glendale and it is hoped that all who can will avail themselves of this opportunity to hear one of the most brilliant women in Los Angeles.

COURT NOTES

The second case against William I. Blanchard of 405 West Ninth street, brought on complaint of A. E. Nelson, which was to have been heard before Judge Lowe Wednesday morning, has been transferred to the court of Judge Harry Miller, Justice of the Peace for Burbank Township, who has not yet set a time for the hearing.

Judge Miller reports that June 11th W. T. Campbell of Los Angeles was brought before him and fined \$50 for breaking camp in Big Tejuca Canyon without putting out a camp fire, an infringement of the law which is a great menace to the safety of this region at this time of year. The defendant pleaded guilty and paid the fine. The arrest was made by Fire Warden E. B. Hamilton of Sunland.

CERRITOS SCHOOL NOTES

Prof. R. R. Dickerson, principal of the Cerritos School, reports that Thrift Stamp sales at that school in April totalled \$441, and that in May there was a fifty per cent increase, the sales totalling \$665.

The B5 and B6 girls in Miss Hamill's room gave a little party in her honor at the school Tuesday afternoon at which a general social good time was enjoyed and lemonade, nuts, cake and candy were served. It lasted about half an hour and with the lemonade which was left the eighth grade ball players, who had won in a game with the seventh grade team, were treated as a reward for their prowess.

ATTENTION KNIGHTS TEMPLAR

You are urged to meet at the Asylum at 7:30 p. m. Friday, June 14th, to attend in full uniform and participate in Flag Day ceremonial at Elks' Lodge at 8 p. m. Be there without fail.
 CHARLES L. PECKHAM,
 Commander.

WEATHER FORECAST—Fair tonight and Friday. Foggy in the morning near the coast. Cooler in the interior. Moderate westerly winds.

P.-T. A. LUNCHEON

Mrs. E. E. East of 310 North Kenwood street is the first to take advantage of the opportunity which Mrs. Jack Boettner is giving Glendale ladies to entertain with a private luncheon at the Red Cross Shop, 318 Brand boulevard. Everybody knows Mrs. Boettner's genius as a caterer and this is one of the means she is adopting to add to the revenues of this shop, which is contributing so much to Red Cross funds.

This departure is going to be quite a boon to ladies who would like to meet their social obligations and yet who hesitate for patriotic reasons to spend time or money on social affairs. By patronizing the Shop they can feel that they are substantially helping the Red Cross and at the same time are realizing their desires with the minimum of effort.

Mrs. East, the newly elected president of the Doran street Parent-Teacher Association, will entertain the officers and executive board of the Association at a one o'clock luncheon today (Thursday) at which matters of immediate interest and plans for the future will be discussed over the teacups. It will be a simple, war-time affair but nevertheless dainty and attractive in its appointments, and ferns and Shasta daisies will be employed in decoration. The list of guests will include Mesdames Castle, Richardson, Diedrich, Myton, Steck, Barnett, Lockwood, Finley and Wintersgill, and Miss Lois Hatch, principal of the Doran street school.

MUSIC SECTION

The Music Section of the Tuesday Afternoon Club will meet with Mrs. L. N. Hagood, 1454 Salem street, Friday, June 14, at 2:30 p. m. A large attendance is desired as important business matters will be discussed. Reports of committees will be heard.

Mrs. A. R. Gates of Hollywood, a prominent musical leader of Southern California, will give a talk on altruistic work in the district federation. There will be vocal solos and duets by Mrs. Gates and her daughter, selections from Cadman's opera which has recently been such a success in New York.

The Treble Clef will give "The Peasant's Wedding March." Miss Mildred Pray will play. Guests will be welcome.

P.-T. A. OFFICIALS ENTERTAINED

Tuesday afternoon Mrs. Edna Sawyer, the newly elected president of the Pacific Avenue Parent-Teacher Association, entertained at her home at 1615 Oak street in honor of the retiring president, Mrs. Minnette Sherman, the executive board of the past year and the new officers elected for the ensuing year. Music and games furnished the afternoon's entertainment, Mrs. George Herald winning the prize in a contest of wit, which did not surprise those familiar with the success she has achieved as chairman of the ways and means committee. Mrs. George Moode, the new first vice-president, contributed two beautiful vocal selections, playing her own accompaniment, and Miss Henrietta Summers gave several delightful piano numbers. Delicious refreshments were served by the hostess, and an exceedingly pleasant afternoon was spent by the ladies participating. In addition to the ladies mentioned, there were present Mrs. Frank Ayars, Mrs. W. C. Alvord, Mrs. H. S. Perkins, Mrs. Jack Hearnshaw, Mrs. James Begg, Mrs. Leslie Tronsler, Mrs. F. H. Waller, Mrs. O. E. Van Oven, Mrs. M. A. Heasley.

JUNIOR WORK

(Continued from Page One)
 include everything a normal infant should need and all of the most serviceable materials, though the beautiful has not been ignored and they have been adorned with dainty feather-stitching, button-holed edges, and other beautifying needlework which could consistently be employed.

Besides the layettes the little girls have made about fifty cotton and wool dresses of sizes to fit children from six to fourteen years of age. With them are going many petticoats and night dresses, six boys' shirts. The work has also included hospital supplies. About fifty hospital shirts, fifty bandages, and twenty hot water bottle covers have been made.

In addition to the needlework, considerable knitting has been done. Twelve blankets composed of the knitted squares have been put together, twelve mufflers, and a good many caps have been knitted.

This Auxiliary was not organized until last January and the children have developed wonderful proficiency in the few months which have intervened.

AIRCRAFT GUN

Loyal Americans are so greatly interested in the perfection of the American aeroplane for war use that the following statement authorized by the War Department relative to the Browning gun for use on aircraft, will be read with attention.

The Browning machine gun has successfully undergone a test to determine its value for use with aircraft. This is one of three types of machine guns with which the rate of fire can be so synchronized with the revolutions of the propeller of a tractor airplane that the gun can be fired by the pilot of a combat plane through the revolving blades. Firing in that fashion, it is necessary to aim the machine gun by steering the plane directly at the target. The direction of the plane gives direction to the fire and the pilot can fire the machine gun while controlling the plane.

Airplane propellers revolve at from 800 to 2,000 revolutions per minute. The machine gun is connected with the airplane engine by a mechanical or hydraulic device, and impulses from the crank shaft are transmitted to the machine gun. The rate of fire of the machine gun is constant and its fire is synchronized with the revolving propeller blades by "wasting" a certain percentage of the impulses it receives from the airplane engine and by having the remaining impulses trip or pull the trigger so that the gun fires just at the fraction of the second when the propeller blades are clear of the line of fire.

The pilot operates the gun by means of a lever which controls the circuit and allows the impulses to trip the trigger.

The test given the Browning gun was severe. A gun was mounted on the frame of an American combat plane and connected with the airplane engine. The test was conducted on the ground and in place of the propeller a metal disk was attached to the crank shaft. The Browning gun was then required to register hits on the metal disk as it revolved at varying speeds from 400 to 2,000 revolutions per minute. The slightest "hang fire" or delay in action on the part of the gun would have been shown by the failure of the bullets to hit precisely on the spot on the disk representing the center of the zone of fire. The gun functioned perfectly.

The Browning gun to be used with aircraft is the heavy type with the water jacket removed. Besides the Browning, the United States will also employ the Marlin aircraft gun as a synchronized weapon. Several thousand of these have been manufactured and the gun is in quantity production.

The British and French use the Vickers as a synchronized machine gun.

The Lewis aircraft machine gun is used by the British, French, and American forces, but for a different purpose. In a two-seated combat plane, fixed machine guns are mounted forward to be operated by the pilot and flexible guns are mounted to be operated by the observer in the

rear seat of the plane. The observer operates Lewis guns on flexible mounts, firing to right or left of the plane.

HUN MERCHANTS ARE PREPARING FOR PEACE

(By United Press)
 WASHINGTON, June 12.—Germany is feverishly preparing for peace, and her industrial forces are being mobilized to dominate the markets of the world according to official diplomatic dispatches here.

The great banking houses, industrial establishments, manufacturers and chemists are uniting. Recently woolen merchants met in Bremen and formed an association with European commercial organizations for the purpose of centralizing purchases in Russia, Rumania and adjacent countries. All merchants who imported 10,000 bales of wool a year before the war were admitted to the association, which is the first trust formed in territories under the economic influence of Germany.
