The Main Line subscribed a grand total of \$2,717,200 through the Main Line banks in the third Liberty Loan campaign, according to the final receipts at the headquarters of the Main Line Committee, Ardmore, Pa. THE WAR CHEST CAMPAIGN, MAY 20 TO 27, 1918

For the Counties of Philadelphia, Montgomery, Delaware Chester and Bucks

WHAT IS A WAR CHEST? WHO GETS THE MONEY?

What is a War Chest?
 A community fund—in this case a Five Counties fund—providing money for approved war relief.

For how long?
 For one year—it is expected. You give once to the War Chest, and you are probably through for that year.

What area will the War Chest represent?
 Five counties: Philadelphia, Montgomery, Delaware, Chester and Bucks.

What is its advantage?
 It takes the place of constant money-raising "drives" and "campaigns" for war relief purposes: they are concentrated in one War Chest campaign.

Will it include "Liberty Loan" and "War Saving Stamp" and "Thrift Stamp" campaigns?
 No. Those are investments: not gifts for war relief.

But other than those, will there be no "drives" for war-relief contributions?
 No. The War Chest will take their place.

What other advantages has it?
 It saves you from constant calls; it protects you from possible unworthy war relief schemes; it insures your money going where it is most needed for war relief.

Then it is like my bank account upon which I draw when I want money?
 Exactly. The war relief organizations draw upon the War Chest. When an approved war relief activity is in need of funds it does not conduct a "drive" or "campaign" as now; it will apply to the War Chest.

What activities, for example, will be entitled to share in the War Chest?
 Such war activities are endorsed by the President of the United States, the Secretary of War, the Secretary

of the Navy or are approved by the Board of Directors of the War Welfare Council. These activities include among others:

- The American Red Cross.
- The Y. M. C. A. War Work Council.
- The Y. W. C. A. War Work Council.
- The Knights of Columbus.
- The Young Men's Hebrew Association.
- The Commission on Training Camp

NARBERTH WAR CHEST FUND

CAMPAIGN IN FULL SWING

At a large and enthusiastic meeting held Monday evening in the lobby of the Y. M. C. A., arrangements were completed for the local War Chest campaign. Chairman Alexander C. Shand presided, assisted by Mrs. C. P. Fowler, president of the Woman's Community Club, a member of the Narberth Committee, and Messrs. Gara, secretary; Noel, treasurer, and Loos, vice-chairman. There was a full attendance of the ladies who took part so successfully in the drive for the sale of the third Liberty Loan Bonds.

Mr. Shand opened the meeting with a brief but very earnest and comprehensive explanation of the objects of the War Chest fund, to which the closest attention was given by his auditors. He expressed the utmost confidence that Narberth would rise to this occasion as nobly and patriotically as in all the preceding campaigns. Referring to the selection of the women as solicitors, he expressed the belief that they would secure better results than the men.

He then called on Mr. Loos, who briefly gave some statistics as to similar campaigns carried on elsewhere, and mentioned the objective point of the five counties campaign, namely, twenty million dollars. He stated that if Narberth did as well as Columbus, Ohio, we would contribute \$45,000, or the equivalent of \$12 per annum for every man, woman and child in the borough.

Mr. Gara followed, and in his usual thorough manner presented full and complete details as to the method of conducting the drive, and exhibited specimens of all the materials needed, including explanatory circulars and leaflets, 1 to 31 "stickers" and labels, subscription blanks, buttons, etc. He had on hand a full supply of all of these materials for distribution to the captains and their aides. He had also prepared an envelope for each captain, with the name of every householder in each district. There were thirty-four envelopes in all, covering each of the districts into which the borough had been divided, and totaling 788 houses, or an average of about twenty-three houses for each captain.

Acting Scoutmaster Patton then announced that the Boy Scouts were prepared to help the committee in every possible way, an announcement that was very highly appreciated. He was requested to have the Scouts report early Tuesday morning to distribute circulars explaining the War Chest to every home in Narberth, which he said would be done. The Boy Scouts are requested to report in uniform and be prepared to carry messages. By so doing they would easily be recognized by the solicitors on their rounds.

Mrs. C. P. Fowler then addressed the ladies present, giving final instructions and distributing the envelopes to the various captains as follows:

District.	No. Houses.	Captains.
Chestnut avenue	41	Mrs. Harry A. Jacobs
Conway avenue	51	Mrs. Henry W. Derby
Dudley avenue	71	Mrs. A. Perry Redifer
Elm Terrace	14	Miss Maizie J. Simpson

Wynnewood avenue	10	W. Arthur Cole

Each captain will have a force of aides to assist in the work of soliciting contributions.

Suggestions

Residents are requested to be prepared to fill out the pledge cards promptly. It goes without saying that the collectors will be received with the courtesy that is their due, and that everybody will realize that they are not soliciting alms, but giving an opportunity to all to do something to hearten the boys who are offering their all for our sakes.

All captains are requested to report each evening at the committee room, Y. M. C. A. building, where Treasurer Charles V. Noel will receive and tabulate their returns.

If checks are offered, have them drawn to the order of "Narberth War Chest Fund."

Extra pledge cards and other supplies are obtainable at the committee room.

CIVIC ASSOCIATION MEETS

At a meeting of the Narberth Civic Association held last Friday evening, the new president, Mr. Joseph H. Nash, appointed several new committees out of which he expects the activities of the association to broaden considerably.

Mr. W. Arthur Cole, Mr. H. C. Gara and Mrs. L. W. Nickerson were ap-

pointed as a membership committee to devise ways and means to increase the number of active members. Mr. Cole suggested a change in the by-laws which will create a new class of members of the association, which is to be called the Home Owners' Membership. Come out to the next meeting to hear the final discussion and cast your vote.

Narberth boys and girls are bearing up with commendable fortitude under the strain of having schools closed for two weeks, owing to measles.

Speeding on Haverford avenue gets a rap in this issue. Now let's get after the rascallions who speed, and hale them before the Magistrate for a whacking big fine.

Columbus, Ohio, where the War Chest idea started, achieved an average of \$12.50 per annum for every man, woman and child in the district. On that basis, Narberth's quota would be about \$45,000 per annum. We ought to do at least as well as Columbus.

Mr. Durbin tells us it may be hard to make sacrifices for the War Chest, but it is not nearly as hard as a German bullet. Now is our opportunity to show our appreciation of the boys who are facing bullets and bayonets every day and night in the month. Giving one day's income per month is little enough. When the collectors call on you, open your heart and your purse, and do even better. Do not forget that your pledges go on record.

As we go to press, the indications are that Watson was elected over Stites for Congress in the Eighth district. Mr. Stites put up a gallant fight, but it did not prevail against the campaign of money and misrepresentation. It is a satisfaction to realize that our local candidate stands higher than ever in the estimation of his neighbors, who know him for his real worth. Had the battle been fought on the real merits of the candidates, and not on false issues, backed by unlimited money and lies, Mr. Stites would have been triumphantly elected.

WHEN PEACES COMES

Some day peace will come. Thousands—millions of men—will suddenly be thrown back again into civil life. Consider the vastness of the readjustment that will be necessary. Look back at the period of reconstruction

after our own Civil War. Prepare for this new period of reconstruction. The day of reckoning is bound to come. Begin to save now. Thrift is the need of the present, the hope of the future. Liberty Loan Bonds, War Savings, the safest securities in the world, are a wise provision for the day peace comes.

WAR CHEST PRAYER MEETINGS

The prayer meetings conducted Wednesday of last week were a great success. Messrs. Rahilly, Stevenson, Hausman and Durbin appeared on schedule time, each speaking for ten minutes at the Catholic, Methodist, Baptist and Presbyterian Church. The attendance was good. At the Catholic Church the lecture room was handsomely decorated with flags and bunting. Mr. F. A. Lanahan took charge of the speakers as they arrived. A member of the Baptist Church was so enthused by Mr. Rahilly's address, that he said he could have listened to him all night. All of the speakers were excellent, and those who attended obtained a clear idea of the War Chest and its objects.

To Every Man in Narberth:

The members of the Narberth Home Guard are of the opinion that the organization should disband unless the men of Narberth are willing to give up one hour each week for the purpose of drill and patriotic example as set by neighboring towns.

In the borough there are over 600 men, members of the guard now number thirty-one, should number over 100. Narberth is in the front in every movement. What is the cause for such a poor showing in the guards?
(Signed)

E. P. DOLD,
First Lieutenant.

NARBERTH FINANCES

To the Editor of Our Town:

I am informed that the borough is "up against it" financially. On investigation, it appears that this is due to two causes, one being that there are delinquencies amounting to nearly \$10,000, and the other, that assessments are not high enough to produce revenue sufficient to meet expenses.

I am no fonder of paying taxes than the average citizen, but I realize that the expenses of running a borough have very materially increased during the past four years. There has also been some increase of taxable property, but not enough to keep pace with increased expenses.

In view of this condition, the time has come for a thorough revision of assessments. Our tax rate is high enough, but properties could stand a considerable increase, as they are assessed considerably below their real value in most instances. In Philadelphia I have a piece of property that was assessed \$500 above its cost; this was appealed, and the assessment reduced to just about cost.

We positively must have enough income to maintain our streets, schools and other public services. To neglect their proper upkeep would be the worst kind of economy. It would pay well to have a commission of impartial experts appointed to reassess all properties on the basis of a larger percentage of their actual value than is now the case. At the same time care should be taken to treat all alike, leaving no ground for complaints of inequalities.

Mr. Albert S. Cliff was mentioned among a list of capable business men noted in a recent issue of the Ladies' Home Journal as "doing his bit" with the Red Triangle in France.

There will be a bazaar given by the T. C. Club girls at the home of Ella Dothard, Wynnewood avenue, for the benefit of the Narberth Red Cross. Saturday, June 1, 1.30 P. M.

In buying Stamps to fill pledges it is not required that the Stamps be bought in the months specified. They may all be purchased at one time if more convenient to the purchaser.

Measles are spreading with alarming rapidity throughout the town, the Sunday and weekday schools being closed to prevent an epidemic.

A SCRAP OF PAPER

A scrap of paper, blowing about the street, was the cause of the formation of the Merion Civic Association. Who is it, in these enlightened days, that throws old newspapers and other odds and ends of paper into the streets, or within their own grounds? There is nothing more untidy nor unsightly than paper blowing about. Its presence is not due to accident; it must be deliberate. Whoever throws out paper, or does anything else to offend his neighbors and mar the beauty of a neighborhood, commits a social crime, worthy of the severest reprimand. Mr. Bok told us that in Germany it is an infraction of law to throw even a "dead" match into the street. If people cannot be shamed into an observance of the ordinary requirements of tidiness, there should be an ordinance drawn making it an offense punishable by fine to throw paper or any other rubbish into public highways.

In these days, when the public conscience is being awakened as it never was awakened before, a proper respect for the opinion of others should prompt everybody to be careful about such matters. In some cases, residents of Narberth think they have done their full duty when they have cleaned up their own premises and dumped the rubbish on the premises of some other property owner—some vacant lot whose owner is not a resident. This is illegal, thoughtless and contemptible. Members of the Civic Association should carefully note such acts and report them to the authorities.

SPEEDING ON HAVERFORD AVENUE

Fatalities Probable If Not Checked

The fine concrete roadway on Haverford avenue, from Montgomery avenue to Narberth avenue, about half a mile in length, affords a fine opportunity for speed fiends. A rate of from 40 to 50 miles an hour is often attained by automobiles and motorcycles.

There are many small children residing along this speedway, and parents are in a continual state of alarm, fearing that their little ones will be maimed or killed. Every resident along the avenue should be a member of an informal vigilance committee, take down the numbers of the offending autos, and have the drivers arrested and fined, the more the better, and the sooner will the danger be remedied.

Signs should be placed at each end of the avenue, announcing the speed limit; in fact, at every entrance to the borough, such signs should be conspicuously placed. Immediate action is necessary, as an accident is due to happen any day. There are doubtless ordinances in effect regarding the speed of vehicles within the borough limits. Our officials should take steps to have them rigorously enforced.

In Philadelphia there is at present a corps of plain-clothes officers whose duties include the arrest of anyone

violating the city and State laws governing traffic. These are in addition to the regular officers. In Narberth an effective method of putting a stop to speeding would be for every citizen to become a plain-clothes officer, take down the numbers, and cause the arrest and fining of the offender.

How Much Shall I Give to the War Chest?

Here is the scale of giving that the War Chest Directors suggest to the people of the five counties:

**For Men and Women Earning \$2,000 a Year or Less
One Day's Pay Each Month**

To those earning—

\$ 2,000 to \$ 3,000 a year	4 per cent.
3,100 to 5,000 "	5 " "
5,100 to 10,000 "	6 " "
11,000 to 25,000 "	7 " "
26,000 to 40,000 "	8 " "
41,000 to 50,000 "	9 " "
51,000 to 99,000 "	10 " "
100,000 and above "	12 " "

Which means that a man or woman with an income of—

\$ 2,000 a year should give.....	\$ 6.66 per month	\$ 26,000 a year should give....	\$ 173.34 per month
3,000 " " " " " " " "	10.00 " " " "	40,000 " " " " " " " "	266.67 " " " "
3,100 " " " " " " " "	12.91 " " " "	41,000 " " " " " " " "	300.75 " " " "

5,100 " " " " " " " "	25.50 " " " "	51,000 " " " " " " " "	425.00 " " " "
10,000 " " " " " " " "	50.00 " " " "	99,000 " " " " " " " "	825.00 " " " "
11,000 " " " " " " " "	64.16 " " " "	100,000 " " " " " " " "	1000.00 " " " "
25,000 " " " " " " " "	145.83 " " " "		

These suggestions of giving are below those which were so successful in filling the War Chests in other cities. In Columbus, Ohio, the percentages ran up to 15 per cent. and above. In other cities the percentages ran not only higher but the pledges were made for the duration of the war. Residents of the five counties—Philadelphia, Montgomery, Delaware, Chester, and Bucks—are only asked to pledge for one year. Think how little it is suggested you give compared to what our soldiers and sailors are giving.

Mr. Van Ness, who is in attendance upon the General Assembly meetings in Columbus, Ohio, expects to return home on May 28. He will give an account of the assembly at the prayer meeting on the following evening. Plans are being made for a patriotic meeting in the church on June 2.

NOTICE OF IMPORTANCE

To the Women's Auxiliary, Y. M. C. A.

The regular meeting of the Women's Auxiliary will be held on Tuesday, May 28, at 2 P. M., promptly. This departure from the usual mode of procedure is occasioned by the fact that Memorial Day falls on Thursday, the 30th.

The May meeting should prove one of unusual interest and importance, for during the business hour plans incident to the preparation of the coal fund for next winter will be discussed, and it is hoped that the members will come prepared to submit a host of original ideas and suggestions.

During the social hour the Rev. Frank M. Gray, pastor of the Narberth M. E. Church, will be the guest of honor. Mr. Gray possesses a most pleasing personality that has already won for him a great multitude of friends in our home town, and the members of the auxiliary are delighted with the opportunity of having him at their meeting, and believe they will be greatly benefited with the message he will bring.

Please do not forget the date, Tuesday, May 28, at 2 o'clock promptly.

CIVIC ASSOCIATION MEETS

(Continued from First Page)

Messrs H. R. Hillegas and S. A. Rudolph and Mrs. Richard O. Gifford. If Mr. Hillegas starts talking to you about garden improvements, don't turn a deaf ear, but listen attentively and probably at the end of the season, you will get one of the new awards that are being contemplated.

Mr. Bok in his recent address before the association gave special emphasis to clean streets as a requisite for the town beautiful.

As a committee to look after this phase of the work, the Vacant Lots and Streets Committee was appointed consisting of Mr. A. E. Wohlert, Mrs. Ross and Mr. W. E. Smedley.

There is a movement on foot to cooperate for a definite removal of rubbish, garbage, etc., by incinerator or otherwise. Those in charge of this movement are Mrs. Cameron, Mr. Nicholson and Mr. Gara.

The association plans to have frequent meetings of a social nature and the following committee has been appointed to entertain us from time to time: Mr. Muschamp, Mr. Jacobs and Mr. Loos.

A Finance Committee composed of Mr. Jacobs, Mr. Muschamp and Mr. Haws has been formed to supervise all work that will come under that head.

When you get down this far, dear reader, don't think that all we do is appoint committees. These committees only presage the extent of our activities and we invite you to our next meeting to hear and possibly take part in an organized effort to make Our Home Town the more beautiful and desirable to live in.

SUFFRAGE NEWS

Have you ever dropped in for luncheon at the Woman Suffrage shop and lunch room, at 1721 Chestnut street? If not, there is a treat in store for you and the prices are a great surprise. Here is a sample of a 30 cent luncheon. Of course the menu varies each day: Roast lamb, creamed macaroni, lettuce salad, corn bread and butter, tea or coffee. For 25 cents the following is offered: Puree of pea, corn bread and butter, tea or coffee, tapioca pudding or baked apple. Sandwiches may be had for 10 and 15 cents. Soup, milk, hot chocolate and cereals and milk for 10 cents. Desserts: Ice cream, 10 cents; war cake or chocolate cake, 5 cents; tapioca pudding, 5 cents; baked apple, 5 cents. These prices are really remarkable in these days of high prices and the food is excellent. You are not only asked to come in for luncheon, but as the waitresses are not paid, the committee would like volunteers to serve any day in the lunch room from 12 to 2.30. Luncheon is served free at the end of the lunch hour to every one in attendance. If you have a few hours to spare any day notify Mrs. Charles W. Young.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

Jealous of the reputation so honestly earned by the dahlia king, "Intense Jim" Donnelly has gotten together a vast collection of rose bushes of rather indifferent value and now poses as an authority on roses. (No rhyme intended.) This motley collection has been catalogued with name and number. When you talk to him be sure to have an excuse handy so that you can break away after the lapse of an hour. He is waiting for some one to dub him the "Rose King," but let's wait until we see some of his product.

The dahlia king is going in for vegetables this year, but that's another case of misplaced energy, as he doesn't know beans about them.

That was some racket given by Arthur Cole last Saturday night. It was the anniversary of something or other and he took the lid right off. His party went to the movies and sat in the front row, and, as though that weren't dissipation enough for one evening, the whole party repaired to a nearby hostelry after the show was over and gorged itself on ice cream comes. Arthur footed all the bills and

Narberth High School won its sixth straight game last Friday, easily defeating Haverford School Reserves by the one-sided score of 10-1. Narberth knocked out eleven hits on the Haverford twirlers, Burns leading with a single and two doubles.

Narberth High School defeated Haverford H. S. Tuesday of this week (May 21) at Oakmont in a close game by the score of 5-4. The hitting of Dickie and Yowell featured.

thereupon his guests voted the celebration a grand success. It was a wild night, but Officer Hill was lenient and said he didn't believe in being too fussy with the young folks.

The papers report that the Presbyterian Assembly at Columbus has condemned knitting for soldiers on Sunday. Now if they will only arrange to keep the armies from fighting on Sunday, thus saving the knitted things from wearing out, stop all troop and supply trains from running and ships from sailing on Sunday, perhaps we won't fall behind in our knitting.

The measles are all over Narberth. Soon we will be able to say: "Narberth is all over measles."

When in need of a little relaxation all Chief Noel does is to take a joy ride on the fire engine.

A small man's idea of greatness is to have other men point him out and say: "There he goes."

WHAT THE WAR CHEST DOES

- ☞ It systematizes war-relief giving.
- ☞ It saves the people from the bother and annoyance of incessant "drives" and appeals for war relief.
- ☞ It groups all approved war relief, local and national, in one big community fund.
- ☞ It puts that money into the hands of a carefully selected group of trained business men.
- ☞ It assort the worthy war relief from the unworthy.
- ☞ It simplifies giving by a pledge system of once a year and by paying once a month.
- ☞ It enables every man and woman to say to all war-relief appeals: "Go to the War Chest. I gave to that."

BURGESS DOWNES

SOUNDS WARNING

If the auto-owners do not know the automobile laws of Pennsylvania, it will be a good business investment to write to the State Department and get this law. If you know the law and don't obey it, you cannot expect visitors with machines to obey the laws. We have ordinances we must live up to in our borough if we want to live in a town of which we are proud, or a town in which we expect outsiders to invest. The following letter has come to my attention. The Chief of Police has been instructed to arrest all offenders.

Carroll Downes,
Burgess.

May 13, 1918.

Hon. Carroll Downes, Chief Burgess, Borough of Narberth.

Dear Sir:

The Council of the Borough of Narberth respectfully calls to your attention the fact that a number of laws of the Commonwealth as well as ordinances of the borough are being violated by the citizens of the borough. Your Council believes that, for the most part, these violations are due to ignorance on the part of the citizens and that, on due warning, either through the public press or by proclamation of Your Honor, the violations complained of would be abated. Failing to accomplish this result by means of this course, your Council further respectfully suggests that you

order the police force of the borough to make arrests of the offenders.

The offenses of which complaint has been made include the following:
Running autos with muffler cut-outs open.

Running autos after dark without lights.

Parking autos on borough streets without lights.

Running autos at a speed in excess of the legal requirements, to the danger of life and limb to pedestrians.

Failure to sound horn on autos at cross streets.

Riding bicycles on the sidewalks.

Riding motorcycles with muffler cut-outs open.

Dumping yard sweepings and rubbish in the gutters and on the streets and burning same without having proper receptacle.

Throwing papers and other rubbish in the streets.

Dumping building materials on the streets without having obtained permit.

Opening streets without having obtained permit.

Operation of automobiles by persons under proper age limit.

And the Council of the Borough of Narberth do further respectfully suggest that prompt measures as aforesaid be taken to correct and remedy these violations of the law.

Very truly yours,

W. R. D. Hall,

President.

THE FIRESIDE

(Continued from Second Page)

Narberth's representatives in the Red Triangle Service could be added to, for 1200 additional men are needed each month until July. Information may be had at the local Y. M. C. A.

Rev. John Van Ness writes from Columbus, Ohio, as follows: "Am having a delightful time in attendance upon the sessions of our General Assembly now being held in Columbus."

It's a mistake to think you are helping the Government if you leave your Liberty Bond coupons reposing in the depository. If you want your Government to have the use of that money invest in War Stamps. Pledge now.

Regular meeting of the Ladies' Aid Society of the Presbyterian Church will be held on the first Tuesday of June instead of the fourth Tuesday of this month. The ladies are urged to be present at 10 A. M. in order to get the garments in good order for the Relief Chest.

The last words of John Lauder, Harry Lauder's son, as he died on the battlefields of France, were "Carry on." He meant them for his men, but let us take them as an appeal to us to help our boys "carry on" by gladly giving at least our assigned portion to the War Chest.

With such a live wire at the head of our Civic Association this year, it looks as if we might all be made to sit up and take notice. Mr. Harold Nash has the right idea how things should be done in a town, and only asks the support of each resident to help him keep things up.

All Saints' Episcopal Church now has a service flag with seven stars. The honor members are: Major Spackman, Captain Harding, Lieutenant Brock, Lieutenant Foulkrod, Lieutenant McKaig, Private Earl Smith, of the Aviation Corps, and Robert Coleman, 3d, of Ordnance Department.

The Boy Scouts will be on the job to help put Narberth over the top in the sale of War Stamps, by continuing to call for orders and delivering Stamps to our citizens. No one is obliged to purchase from the Scouts, but their assistance is a great convenience to many folks, and they get credit for the sales they make.

Reports of pledges, so far received, for the purchase of War Stamps during the remainder of the year amount to over \$21,000, and they are still coming in. The Women's Committee did fine work in canvassing the community, and the results indicate that Narberth will surely succeed in disposing of the required amount of War Stamps before December 31.

Mail via aeroplane to New York and Washington will leave Narberth at 9 A. M., connecting at Philadelphia with aeroplane for Washington which leaves at 12.30 P. M. and for New York at 1.30 P. M. The time given is that on which the planes are scheduled to leave Bustleton field. Special delivery service is included in the cost of stamp, twenty-four cents.

Mr. George W. Braden's work as physical director of the Administrative Staff in Italy was highly commended by Dr. Luther H. Gulick upon his return from a tour of the battle fronts of Europe. Mr. Braden supervises the physical recreation of the entire Italian army. Mrs. Braden is supplementing his "big bit" at home by her faithful service in the Narberth Red Cross Unit.

The Ladies' Aid Society of the Presbyterian Church are very anxious to do relief work for our Philadelphia hospitals and orphanages. This work, as everyone knows, is desperately needed and the society would be very grateful if they could obtain sewing machines for this purpose. Anyone willing to lend or donate a used machine kindly communicate with Mrs. W. J. Peebles, 109 Iona avenue.

The most romantic story in American history, that of the feud between Alexander Hamilton and Aaron Burr, is told in "The Beautiful Mrs. Reynolds," to be shown on Wednesday afternoon and evening at the Palace Theatre, Ardmore. The cast is one of the largest and most brilliant ever selected for a motion picture, and the story, needless to say, is historically accurate and is not only an education but a splendid entertainment.

Y. M. C. A. HONOR ROLL

As noted in the last issue of Our Town, those members who are serving in the U. S. army or navy at the time of their membership expirations have been continued as members for the ensuing year. This will be a continuing policy and will work automatically, providing the secretary is notified when a member enters the service.

The names of those members to whom this courtesy has now been extended follow:

- J. R. Bracken
- Newton Compton
- William Durbin
- Charles Ensinger
- Edward Ensinger
- George Fleck
- Fred Harsch
- Allan Kirk
- George P. McCaig
- Walter Mieses
- Louis Nicholson
- Earl Russell Price
- Perry Redifer
- Harry Simpson
- Charles Stretch.

The secretary will welcome any information that will permit him to add to this list.

By June, 1800, a sufficient number of pipes had been laid to supply four hundred houses in Manhattan with water.

(Continued from First Page)

Activities of the War and Navy Departments.

The Salvation Army.

National Jewish War Relief.

The Boy Scouts of America.

The Community Recreation Service, together with similar national and local approved war relief activities. Will this not require careful decision?

It certainly will. Each war relief activity will be carefully investigated before any money is given from the War Chest.

Regardless of race, creed or color? Absolutely. The only point recognized will be the worthiness of the object and its application to war relief. Who decides on this?

The Board of Directors of the War Welfare Council.

Who comprise this board?

The officers are: E. T. Stotesbury, president; Joseph R. Grundy, vice-president, Bucks county; H. A. Beale, Jr., vice-president, Chester county; Percival Roberts, Jr., vice-president, Montgomery county; William C. Sproul, vice-president, Delaware county; Drexel & Company, treasurer.

What is the War Welfare Council? An organization for which a charter has been applied under the laws of the Commonwealth of Pennsylvania.

Who are the members of the Council?

Every contributor to the War Chest. Each member will be entitled to one vote at all meetings of the Council.

How can I contribute to the War Chest?

By giving a definite sum each month for one year.

How much should I give?

All you possibly can. Give until it hurts.

Why should I give?

Because our boys are giving their lives for you.

YOU

You stay at home, have your regular meals; your bed; your pleasures; you keep your position; your loved ones are around you. All that you love you have at your hand.

LOST AND FOUND

If there is one boy in Narberth who is known to have never misplaced or lost his hat, he should be awarded a front seat at the "movies" for a term of at least a year! He would, however, be a "peculiar" boy.

Ten "regular fellows" have during the past winter season "lost" their "hats" at the Y. M. C. A. Building. Parents, if your boy has blamed you for misplacing his hat, "somewhere around the house," tell him that he might find one just like it "down at the Y."

A rummage sale will soon be a possibility, as even neckties are included in the collection.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

ADVANTAGES of the WAR CHEST

It reduces to a minimum all waste of time and effort by eliminating all "drives" for war relief except one each year for the War Chest.

It conserves the man-power of Philadelphia and vicinity by asking them to leave their business affairs only once a year to take part in a drive instead of five or six or more.

It protects the public from constant appeals.

It does away with unworthy causes, for each is carefully looked into by a Board of the best business men in the five counties.

It puts the whole question of giving to war relief on a systematic business basis.

It asks a man or woman to pledge once a year and pay once a month and enables either to say justifiably to all war-relief appeals: "Go to the War Chest. I gave to that."

It is a case of "letting George do it"; "George" being the War Chest.
