

For 36 hours ending 5 p.m. Saturday: Victoria and vicinity—Westerly winds, generally fair, stationary or higher temperature.

Princess—So Long Letty.
Royal Orpheum—Vaudeville.
Pantages—Vaudeville.
Dominion—His House in Order.
Columbia—All of a Sudden Peggy.
Variety—An Adventure in Hearts.

NOMINATIONS AT CHICAGO ARE NOISY

British Troops Are Sent Out to Punish Mesopotamia Tribes

Column Sent From Mosul to Nearby Region Where Tribesmen Killed Two British Officers, Government Officials, and a Number of Townspeople.

London, June 11.—Two British officers, all the government officials and a number of townspeople were killed in an attack by Shammar tribesmen on Telfar, near Mosul, Asiatic Turkey, according to Bagdad advices coming by way of Bombay. The Government building was seized in the attack, which was made on June 4. A punitive column is reported to have been sent from Mosul.

Paris, June 11.—At a session of the Foreign Affairs Committee of the Chamber of Deputies yesterday, Louis Barthou charged that former Premier Clemenceau had abandoned France's right in Mesopotamia.

The discussion grew acrimonious between M. Barthou and Captain Andre Tardieu when the latter defended M. Clemenceau. Captain Tardieu read a letter from Clemenceau in which the latter said: "Had I known the value of Mosul and Mesopotamia I would never have traded them off."

MINISTER OF FINANCE RETURNED FROM EAST

Found Money Market Touchy and Inclined to Be Ultra-Conservative

After a lengthy and exhaustive examination of the financial markets in Eastern Canada and the United States the Hon. John Hart, Minister of Finance, returned to his office at the Parliament Buildings this morning. When seen by the Times representative, however, he was not in a position to make a statement for publication.

It will be recalled that a telegraphic dispatch from Toronto a few days ago announced the placing of a loan for \$2,000,000 for capital expenditure in this province. "The Minister states that the money interests in Montreal and New York are feeling in a very conservative frame of mind at present, in view of the imposition of the luxury taxes and the efforts now being made to compress financial credits and stop speculation in commodities."

BOLSHEVIKI DRIVEN BY POLISH TROOPS

Thrown Beyond Beresina, Says Warsaw Official Report.

Warsaw, June 11.—(Associated Press).—The great battle along the River Beresina, which began May 14 and ended yesterday with a great success for the Poles, according to the Polish official communiqué to-day, "The enemy, however, was defeated, and the next day the Poles attacked and drove the bulk of the hostile forces beyond the Beresina, taking 800 prisoners and capturing numerous machine guns."

CHILD KILLED BY WINNIPEG MOTORIST

Winnipeg, June 11.—Another victim was added to the long list of automobile fatalities in Winnipeg in recent weeks, when George McCulloch, nine years old, died to-day from injuries received late yesterday when he was knocked down while playing on the street.

Conference Planned at Spa May Not Take Place

London, June 11.—Possibility of the abandonment of the Spa conference between representatives of the Allied Governments and Germany is being discussed in European capitals. The success of the Independent Socialists and the Conservatives in the German elections leads to the belief in France that Germany is less than ever inclined to carry out the treaty. This belief, with the prospect that Giovanni Giolitti, former Italian Premier, will form a new Ministry in that country, is said to have moved Premier Millerand of France to oppose any further yielding on the question of the German indemnity, such as might be expected to result from the Spa meeting. It is recalled that Signor Giolitti opposed Italy's entrance into the war, and it is said his foreign policy includes re-

ARE PREPARING TO ENTERTAIN EDITORS

Alberta Journalists Arrange Programme For Imperial Press Conference Party

Calgary, June 11.—Full flavored with Western hospitality, but absolutely informal, will be the entertainment of a bizarre nature will be provided for the Imperial Press Conference party on the occasion of its visit to Southern Alberta, the programme announced by J. H. Woods, chairman of the reception and entertainment committee of the Southern section of the province, intimates.

The two special trains will reach Gleichen early on the morning of August 19, and after breakfast the newspapermen will be greeted by a band of 500 Blackfoot Indians in their native costumes. At the conclusion of this ceremony, which will include introductions of chiefs to the editors, the visitors will make a tour of investigation of the irrigated and non-irrigated farming lands in the Gleichen district, and afterward a stampee lasting an hour will be staged for their benefit. Exhibitions of broncho busting and bucking and castle roping and branding will be given.

At Calgary. Reaching Calgary early in the afternoon, the editors may play golf or drive about the city. Their fancy, as the facilities for both recreations will be provided.

In the evening a typical Western entertainment of a bizarre nature will be presented, and on August 20 the visitors will be taken to Banff by motor, a journey of eighty-five miles through rugged mountain scenery and beautiful river valleys. A picnic lunch will be served en route at the Ghost River's confluence with the Bow.

ROUMANIA OFFERS TO SEND WHEAT TO MEET SPAIN'S NEEDS

Madrid, June 11.—Roumania has offered Spain 200,000 tons of wheat, according to an announcement here.

WANT ELECTION.

Vancouver, June 11.—Endorsement was given by the Vancouver G. W. V. A. last evening to the manifesto issued by R. B. Maxwell, Dominion president, calling for mass meetings of veterans to demand an early Dominion general election.

MRS. CHAPMAN CATT HEAD OF ALLIANCE

Geneva, June 11.—(Associated Press)—Mrs. Carrie Chapman Catt was unanimously re-elected president of the International Woman Suffrage Alliance at this morning's session of its congress here. She agreed to accept the office, it was announced, despite her declaration in a speech yesterday that she felt compelled to retire.

Newsprint Impasse Takes Publishers to Ottawa

Ottawa, June 11.—(Canadian Press)—While the stocks of Canadian newspaper companies are soaring as much as ten points in a day, reflecting the unprecedented prosperity of the Canadian newspaper publishing industry, several Canadian publishers are still in Ottawa struggling to prevent the extinction of their newspaper properties through inability to get newsprint supplies in a country that is exporting six times as much newsprint as is required by the domestic consumers.

The newsprint formerly supplied to these publishers has been diverted to the United States. It represents an addition of only one per cent. to the 650,000 tons now being exported annually to that country, but it is the lifeblood of the Canadian daily newspapers from which it has been taken.

FOUR ON TRANSPORT KILLED THEMSELVES

Ended Lives When U.S. Army Ship Broke Propeller Off Virginia Coast

Washington, June 11.—Four persons on board the army transport Mount Vernon committed suicide after one of the ship's propellers broke off the Virginia coast, according to a radio dispatch received here to-day. Their names or the circumstances were not given.

SEVENTEEN-DOLLAR COAL PREDICTED

Ottawa, June 11.—Seventeen dollars a ton is the high water mark which Fuel Controller Harrington predicts for coal in Ontario next winter. Freight rates, he says, probably will bring the price of coal up a dollar a ton, but he thinks it will be the top price. He does not think coal will go up to \$20, as has been stated in some quarters.

Fuel Controller Thinks It Will Not Go Above That in Ontario

Lethbridge, June 11.—Local coal operators advanced the price of coal to the retail trade 50 cents a ton on lump coal and 25 cents a ton on nut coal this morning following the signing of a new agreement between the miners and operators of District No. 12. This makes the price of lump coal \$6.50 per ton f.o.b. cars Lethbridge. Nut coal is advanced to \$3.25.

ONLY 200,000 MEN IN GERMAN ARMY

Berlin, June 10.—Via London, June 11.—It is announced that the reduction of the German army to 200,000 men has been accomplished.

CLAIMS RAILWAY CONTROL DISHONEST

Plumb Outlines His Plan For States to Labor Federation

Montreal, June 11.—Charges that the management of the American railroads are "dishonest" were made here to-day by Glenn Plumb, of Washington, originator of the Plumb plan for public ownership of the railroads. In addressing the annual convention of the American Federation of Labor, he declared that "There is every inducement to be dishonest at the present time," he added. "They can not be condemned. I would not trust my own integrity as a leader of a great railroad."

CONFERENCE PLANNED AT SPA MAY NOT TAKE PLACE

London, June 11.—Possibility of the abandonment of the Spa conference between representatives of the Allied Governments and Germany is being discussed in European capitals. The success of the Independent Socialists and the Conservatives in the German elections leads to the belief in France that Germany is less than ever inclined to carry out the treaty. This belief, with the prospect that Giovanni Giolitti, former Italian Premier, will form a new Ministry in that country, is said to have moved Premier Millerand of France to oppose any further yielding on the question of the German indemnity, such as might be expected to result from the Spa meeting. It is recalled that Signor Giolitti opposed Italy's entrance into the war, and it is said his foreign policy includes re-

RACETRACK BILL READ THIRD TIME

Commons Passes Measure Designed to Make Book-makers Disappear

Ottawa, June 11.—(Canadian Press)—Third reading was given without division this afternoon in the House of Commons on the racetrack bill, which seeks to eliminate bookmakers. All betting must be done on pari-mutuel machines.

Only Pari-Mutuels. Ottawa, June 11.—(Canadian Press)—With very little discussion, the amendment to the racetrack bill governing the operation of race meetings in Canada went through a slimly attended House shortly before midnight last night.

Hon. C. J. Doherty explained that the purpose of the amendment was to limit gambling on racetracks to the pari-mutuel machines and reduce the operators' percentages of the money wagered on each race. The Government hoped, by this means, to reduce the number of racetracks operating in Canada and keep undesirable gamblers out of the game.

SAYS BANKS CAN MEET SITUATION

Banker Tells Toronto Globe Canadian Credit Situation Can Be Handled

Toronto, June 11.—Under the caption "Banks Can Cope With Situation," The Globe's financial editor says: "A reassuring view of the situation in Canada was taken by the members of the executive of the Canadian Bankers' Association, who have been in session in Toronto this week. Looking over the field and appreciating the difficulties of the credit situation, the view, as expressed by a prominent banker yesterday, was that they will be able to cope with the situation."

COMMERCE BOARD TO NAME FIRMS

Ottawa, June 11.—The Board of Commerce proposes at an early date to issue a list of persons and firms liable to indictment for sugar profiteering.

AUSTRIAN CABINET GIVES RESIGNATION

Vienna, June 11.—(Associated Press)—The Austrian Cabinet headed by Dr. Karl Renner as Chancellor, which has held office most of the time since the armistice, has resigned. Dr. Renner presented the resignation shortly after midnight, following a meeting of the Cabinet with representatives of the Social Democrats.

CALL FOR DOMINION GENERAL ELECTION

Vernon Members of G.W.V.A. Demand Government Bring on Test

Vernon, June 11.—At a meeting held here last night under the auspices of the Vernon branch of the Great War Veterans' Association, a resolution was passed demanding that the Dominion Government cause a general election to be held within six months, so that the people may have an opportunity of sending to Ottawa representatives who will formulate a constructive policy for the development of Canada and the welfare of the people. The principal speaker was Captain Carmichael, of Vancouver. Addresses also were given by Lieut.-Colonel Edgett, of Vernon, and R. A. Copeland, president of the United Farmers of British Columbia.

WOMEN MARRIED TO AMERICANS

The Times, in view of many inquiries in connection with registration, is asked to state the law with regard to British subjects who have married aliens.

The Naturalization Act of Canada, enacted last year, says in Section 11: "The wife of a British subject shall be deemed to be a British subject, and the wife of an alien shall be deemed to be an alien."

IRISH LABORITES PLEDGE SUPPORT

Dublin, June 11.—A manifesto pleading support for the Dublin railwaymen and dockers in their refusal to handle munitions has been issued by the executives of the Irish Labor Party and the Irish Trades Union Congress.

Emigration. Montreal, June 11.—A cable to The Montreal Star from Dublin says: "The Sinn Fein has issued a ban on emigration on account of increasing number of young Irishmen leaving the country for the United States."

COMMERCIAL BOARD TO NAME FIRMS

Ottawa, June 11.—The Board of Commerce proposes at an early date to issue a list of persons and firms liable to indictment for sugar profiteering.

AUSTRIAN CABINET GIVES RESIGNATION

Vienna, June 11.—(Associated Press)—The Austrian Cabinet headed by Dr. Karl Renner as Chancellor, which has held office most of the time since the armistice, has resigned. Dr. Renner presented the resignation shortly after midnight, following a meeting of the Cabinet with representatives of the Social Democrats.

CALL FOR DOMINION GENERAL ELECTION

Vernon Members of G.W.V.A. Demand Government Bring on Test

Vernon, June 11.—At a meeting held here last night under the auspices of the Vernon branch of the Great War Veterans' Association, a resolution was passed demanding that the Dominion Government cause a general election to be held within six months, so that the people may have an opportunity of sending to Ottawa representatives who will formulate a constructive policy for the development of Canada and the welfare of the people. The principal speaker was Captain Carmichael, of Vancouver. Addresses also were given by Lieut.-Colonel Edgett, of Vernon, and R. A. Copeland, president of the United Farmers of British Columbia.

GIOLITTI ASKED TO FORM CABINET FOR THE ITALIANS

London, June 11.—King Victor Emmanuel, says an Exchange Telegraph dispatch from Rome, has asked former Premier Giolitti to form a new Ministry to replace Premier Nitti's Cabinet, which resigned Wednesday.

Lowden, Johnson and Wood in Contest at Chicago Convention

Names of Three Placed Before National Republican Gathering For Choice as Candidate for Presidency of United States; Usual Noisy Demonstrations.

Chicago, June 11.—The big three—Lowden, Johnson and Wood—were all placed in nomination before the Republican National Convention to-day during the first four hours of a sweltering session.

Each of the nominations was accompanied with tumultuous demonstrations on the floor and in the galleries, in which the usual convention scenes of marching, shouting, sweating delegates prancing about the hall, carrying flags, banners and likenesses of their favorite candidate were witnessed.

FRENCH EVACUATE SOUTH ALBANIA

Province of Koritsa Turned Over to Albanian Government Forces

Washington, June 11.—Official cable advices to-day reported that the province of Koritsa, in Southern Albania, has been evacuated by the French troops and turned over to the forces of the Albanian Government. This is the first time the Albanians have been in control of their entire country since December, 1916, when the French army of the Orient occupied the southern portion in the campaign against Austria-Hungary. Italian troops still occupy the port of Valona.

Albanian Commissioner Chelrezi, in announcing the advice, said the stand taken by the United States in refusing to permit the cession of the southern provinces to Greece had been of the utmost importance in restoring to the Albanians this portion of their country.

NEW DEVELOPMENT IN BRIDGE QUESTION

Premier and Mayor Confer and Agree Grading Cannot Commence Yet

After a conference between Government and city officials this morning both the Provincial Railway and Municipal Engineers were obliged to agree that it would not be possible to commence the grading of Johnson Street until the work is properly laid out and the area fully staked.

DOCTORS CHARGE FOR TELEPHONED ADVICE

Montreal, June 11.—At a meeting last night of the Medico-Chirurgical Society here, it was decided that when a doctor receives a telephone call on a feeless basis, he should be entitled to make such charge as he usually makes, in the same way as a lawyer.

MANY ANARCHISTS ARRESTED IN ITALY; RESULT OF STRIKE

London, June 11.—The general strike called in sympathy with the strike of agricultural workers in the province of Bari, Italy, has been declared off, according to a Rome dispatch to The Central News. Hundreds of anarchists have been arrested.

FARMER CANDIDATE AGAINST HUGHES

Lindsay, Ont., June 11.—J. J. McNevin, of Reabro, Ont., was nominated here yesterday at a convention of United Farmers of Ontario to contest the united counties of Haliburton and Victoria in the next Federal election against Sir Sam Hughes, the present member, or any other candidates.

Predicts Breadlines. Vancouver, June 11.—The startling prediction that within ninety days there will be a bread line in every leading industrial centre of the United States was made by C. Lester Horn, a prominent New York banker, passing through Vancouver on his way to attend the bankers' convention at Portland.

100 Tailored Trimmed Toyo Panamas, special to-day and Saturday **\$1.00**

The South African Plume Shop
753 Yates Street Phone 2818

**CONSTABLE WAS
KILLED IN HOME**

G. Stanfield Shot at Grand Forks; Whisky Smuggler Blamed

Grand Forks, B. C., June 11.—George Stanfield, local Provincial constable, was murdered at midnight Wednesday night at his home here by some person unknown, but alleged to be someone active in illicit liquor dealing.

Stanfield had been out all evening, and had apparently just come home and was followed into the house by his assailant, or the latter had been waiting in the house for him. His wife, in bed, heard the shot, but her husband was unable to speak when she reached his side, having been shot through the head.

An inquest is being held.

Constable Stanfield had been active in endeavoring to check the illicit traffic of liquor by bootleggers, who smuggle it across the American boundary-line. The blacksmith shop of William Liddicoat, Police Commissioner, who had been personally active in illicit liquor prosecutions, was burned to the ground a fortnight ago by an incendiary, and the two incidents are believed closely related.

Stanfield was highly esteemed and respected by everybody. While most thorough and efficient, he worked quietly and was never in the limelight and was not officious in manner.

He was an ex-soldier, having seen service in India, the Sudan and South Africa. He was forty-one years of age, and leaves a widow and one daughter of eighteen years. He had been police constable at Grand Forks for about five years, coming from Phoenix.

TO SERVE SENTENCES.

Winnipeg, June 11.—One of the most remarkable appeals ever heard in Canada was heard yesterday, when the Manitoba Court of Appeal delivered judgment in which W. H. Elnick, Harold Burdick and Jack Clements were found guilty of murder in connection with the killing last October of W. J. DeForge.

The three accused were found guilty at the last assizes and sentenced to long terms in the penitentiary.

The Crown appealed the case. They did not, however, seek a new trial on the more serious charge, bringing up the appeal only for the purpose of deciding a fine point of law.

The decision will have no effect upon the men sentenced.

**Wash Day and
Backache**

WASH day is the least welcome day of the week in most homes, though sweeping day is not much better. Both days are most trying on the back.

The strain of washing, ironing and sweeping frequently deranges the kidneys. The system is poisoned and backaches, rheumatism, pains in the limbs result.

Kidney action must be aroused—the liver awakened to action and the bowels regulated by such treatment as Dr. Chase's Kidney-Liver Pills. This favorite prescription of the well-known Receipt Book author will not fail you in the hour of need.

One pill a dose, 25c a box at all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

**Dr. Chase's
Kidney-Liver Pills**

**\$6,025,000 FOR
LONDON COLLEGE**

Rockefeller Foundation to Aid University College and Its Hospital

London, June 11.—University College and its hospital and medical school have been offered £1,200,000 by the Rockefeller Foundation to be devoted to teaching and research work, according to The Daily Mail. This is not a charitable gift, it is understood, but involves conditions, including the construction of a new obstetrics unit, a bio-chemical laboratory, the rebuilding of some of the hospital buildings and the establishment of various endowments. In addition, a new institute of anatomy, which it is hoped will be the finest in the world, will be erected at a cost of £350,000, but the college must obtain the sanction of London University, in which it was incorporated in 1827, before accepting.

The Mail quotes hospital authorities as saying the donation was the result of a chance visit to the institution by Dr. Wickliff Rose and Dr. Pearce, of the Foundation, while they were in London en route to Belgium last year. They became interested in new educational developments at the hospital and school, and after their return to the United States made an offer of financial assistance.

**DOES NOT ATTRACT
GOMPER'S APPROVAL**

Labor Plank Adopted by American Republican Convention Is Condemned

Montreal, June 11.—The labor plank adopted by the Republican National Convention at Chicago was condemned here to-day by Samuel Gompers, president of the American Federation of Labor. He referred especially to the section of the plank providing for the settlement of public utilities, strikes by tribunals similar to those provided by the Esch-Cummings Transportation Act of 1920.

The plank, Mr. Gompers asserted, is directly contrary to what labor has demanded of the Republican Party.

"We asked the Convention to go on record in favor of the repeal of the compulsory arbitration sections of the Transportation Act," he added. "But the Republicans appear to have not only refused our suggestion, but would extend it to all utilities."

Mr. Gompers arrived here to-day from Chicago, where he presented labor's demands to the national Republican platform committee.

**A KOREAN PLOT
AGAINST LIVES OF
NOBLES UNEARTHED**

Honolulu, June 11.—The Japanese secret service has unearthed a plot by Koreans against the lives of Baron Saito, now in Tokio; Prince Li, of Korea, and Princess Masako, to whom he was recently married, according to a Tokio cable to The Nippon Jiji, a Japanese language newspaper here.

SENATE SESSION.
Ottawa, June 11.—The Senate held a brief session yesterday. The Committee on Banking and Commerce reported bills to incorporate the Bank of Saskatchewan and changing the name to the Great West Bank of Canada.

**SELL PORT-RENFREW
TIMBER LIMITS**

Sum of \$400,000 Paid For 13,000 Acres of Fir and Cedar on Stand

Some 13,000 acres of valuable timber in the Renfrew district have just been disposed of by the Rat Portage Company, headquartered in Vancouver, to Michigan interests headed by John Blodgett, of Grand Rapids, according to advices received from the Terminal City. The timber tract involved lies between Otter Point and Sherringham Point, and along Turwell Creek, in the Renfrew district. The price paid is said to have been in the neighborhood of \$400,000.

The initial plant when erected will consist of a logging railway and mill and cutting operations will be commenced as soon as the plant can be installed. The timber is mainly fir, with some cedar, and represents a portion of some five billion feet, owned formerly by the Rat Portage Company in B.C., much of which holdings are situated on the Island.

**NEWS AND NOTES
OF THE MINES**

Pioneer Dead
A familiar figure among the pioneer miners of the province passed away in the person of Reginald Heber Wood, who died at the General Hospital, Vancouver, on Sunday. He was born in 1838 and has been in British Columbia for some 25 years. The funeral took place at Ocean View Burial Park on Thursday.

Copper River Deposits
A letter was read at the Prince Rupert Board of Trade meeting by Alex. M. Manson, M.L.A., in regard to the Copper River iron deposits and the statement of J. D. Galloway, mining engineer in regard to fuel. Mr. Manson stated that in Mr. Galloway's stating that the south had the most iron he had meant that this was only temporary, the south fields already being opened up while this remained to be done at Copper River. The Minister of Mines had been communicated with, drawing attention to the fact that the Copper River iron areas are much more accessible than the Whitewater River deposits.

In High-grade Ore
Reports from Hartley Bay are to the effect that the tunnelling in the Drum Lummon mine is continuing in the high values encountered last January. A considerable amount of high-grade rock has been sacked ready for shipment, while the mill erected at this site is kept busy with the general run of the mine, which is in itself run of more than average value.

Samples from the high-grade vein in the Drum Lummon were brought to Vancouver on Saturday and are on exhibition in the window of a Granville Street jewelry house. The rock assays 71 per cent copper, sixty-six ounces in silver and \$45 in gold. It is described as being the most beautiful copper sample that has ever reached the city.

Alice Arm is Booming
Mr. John Pedersen, of Vancouver, who is interested in mining property at Alice Arm and the Portland Canal, is staying at the Castle Hotel. Speaking of the prospects for the summer, Mr. Pedersen said they were quite rosy. The railroad had been in operation for three days when he left, and 300 tons of ore had been shipped. There was a possibility of unsettled conditions on account of a strike, but it was settled satisfactorily, and as soon as the snow clears operations will be in full swing. All the accommodation has been taken up at Alice Arm and men are pouring in on every steamer.

General R. G. Edwards Leckie, former commanding officer of the eleventh military division, who returned to private life recently, is occupied with his mining interests, and recently visited Stewart. He was accompanied by Joe Fall, another of the pioneers of 1910. In 1910 General Leckie became interested in the Hercules group, on which a good showing of ore was developed. The property was Crown granted. No work was done for some years and none last season. It is reported development may proceed this season.

**One Great Essential
To a Woman's Health
Is Her Nerves.**

Nature intended women to be strong, hearty and happy as the day is long, instead of being sick and wretched. But how can any woman be healthy and happy when the whole nervous system is unstrung. The trouble is they pay more attention to their social and household duties than they do to their health. Is it any wonder then that they become irritable and nervous, have hot flushes, faint and dizzy spells, smothering and sinking spells, become weak and nervous, and everything in life becomes dark and gloomy?

Milburn's Heart and Nerve Pills are the very remedy that nervous, tired-out, weary women need to restore them to the blessings of good health.

Mrs. P. H. Ryan, Sand Point, N. S., writes: "I have been a great sufferer from nerve troubles. I was so weak and nervous I could not sleep at night any more. My appetite was very poor. I could not walk across the floor without trembling. I had hot flushes and fainting spells. When I was on my second box of Milburn's Heart and Nerve Pills I began to feel better and kept on until I had used six boxes when I felt like a different person. I am never without them in the house and recommend them to all who suffer with their nerves."

Price 50c, a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

THE SAVING PLANK

The plank which arises out of the conflict in the Republican ranks over the League of Nations is a compromise in its most innocuous form. It contains more rubber than the average political convention timber since it can be twisted to mean anything or nothing.

Incidentally, it is not like the Republican Party to be cryptic in regard to foreign policy. Indeed, it usually has been bold and unequivocal, whereas the Democrat Party platform on international relations has been non-committal.

ENCOURAGING FIGURES

In his address to the assembled representatives of the Canadian Manufacturers' Association in Vancouver the other day Mr. J. B. Thomson, the president of the British Columbia branch, stated that during the last five months no fewer than 564 new industries had been launched in this Province.

CITY POLICE WANT SUBSTANTIAL RAISE

Ask Vancouver Rate of \$157.50 For First Class Officer

The City Board of Police Commissioners were waited on yesterday afternoon by a deputation from the salary committee of the city police, and the pensions committee, with the request that the commissioners reconsider their decision in the matter of police salaries and pensions.

'WEAK LEGISLATION?'

When a delegation appeared before the Police Commissioners yesterday to voice a complaint about the manner in which the British Columbia Prohibition Act is enforced in this community, it was politely informed in effect that the weakness of the law prevented the police from doing many things which would be possible were it permitted to add more elasticity to the prohibiting Act.

RUDYARD KIPLING'S MISTAKE

To the reading public Mr. Rudyard Kipling has just given "Letters of Travel," an entirely new book, in part, as untimely as it is unfortunate. He deals, for instance, with a phase of Canadian sentiment which belongs to the early seventies, a state of mind as strange to the people of this day and generation as the spectacle of a noble red man in full war paint.

Fifty years ago the Englishman found in some overseas sections a certain prejudice, and his services in the various commercial and industrial establishments of that period in some quarters were neither invited nor even impolitely encouraged.

The pop is a fop wherever he may be found and whatever his nativity. As such he very naturally gets short shrift. This country always will welcome the Englishman just as it will welcome the settler from any other part of the Empire.

OTHER NEWSPAPERS' VIEWS

ONE ADVANTAGE OF LATE SPRING

Oh, well, continued cool weather postpones the evil day of buying a \$1.50 straw hat for \$4.

THE RIGHT USE OF SUNDAY

In most localities the industrial output on Monday is below that of any other day in the week. For many people Sunday is a day, not of recreation, but of dissipation. One test of a people is their use of leisure, and this is the test that Sunday brings.

benefits, and inclusive of a good portion of 25 cents a day. The Vancouver Board granted the increase to the Terminal City men, amounting to 17 1/2 per cent on salaries already much higher than given the Victoria city police.

LIEUT.-GOVERNOR PRIOR TO PRESIDE AT SUNDAY'S MEETING

Jewish Relief Association Meeting is Backed by Clergy of City. Promptly at 9 o'clock Lieut.-Governor Prior will take the chair at a meeting called on Sunday evening at the Royal Victoria Theatre to promote the cause of the Canadian Jewish Relief Committee.

INSTITUTE MEMBER MADE PRESENTATION

The monthly meeting of the Garden City Women's Institute was held at the home of Mrs. Dewar on Thursday. Mrs. Fryatt, the late president, on behalf of the institute members presented Mrs. M. Hall with a little token of esteem in the form of a vanity bag.

PASS THROUGH-CITY ON ISLAND TOUR

Party of Vancouver Wholesale Men Arrived Here This Afternoon

About forty members of the Wholesale Bureau of the Vancouver Board of Trade arrived from the Mainland this afternoon, to commence a motor tour of Vancouver Island. Among those in the party were: T. E. Dixon, G. D. Hoyland, J. Duns-muir, J. P. D. Malikin, J. B. Thomson, J. J. Thomson, A. Marshall, Charles Joy, T. D. Stark, W. A. Allan, A. Perry, Elada, P. F. Wilson, R. D. Dinning, W. F. Beveridge, G. A. Robinson, C. T. McTattie, K. A. McLennan, F. K. DeWolf, H. A. Jones, F. A. Richardson, J. G. Glashan, N. Thompson, G. G. McGeer, M. P. P. W. J. Blake Wilson, Ray McFarland, Edwin Beppoorren and Earl McNair.

WILL ERECT A NEW KING'S ROAD SCHOOL

School Board Getting Plans Ready For Four-room Structure

Construction of a new school building to replace the present structure on King's Road will proceed in the near future, as a result of arrangements which are being made by the School Board. A new building of the district will be under consideration for several years.

**FAMOUS AIRCRAFT
CHOSEN FOR B. C.**

Jericho Beach Government Air Station Will Be First in Province

Details of the new Air Board flying station at Jericho Beach have been received by members who have been appointed to the personnel. Twelve machines are on the way out to Vancouver, all of them old country seaplanes and flying boats of the highest quality. These twelve will consist of six Avro seaplanes, and six flying boats. In the flying boats there are two each of three different varieties, including two of the famous Porte machines. The Portes are capable of taking six passengers each, and are equipped with two 250 Rolls-Royce engines each. Small tractors are also being obtained to move the larger machines.

The site selected is Jericho Beach, at Point Grey, where foreshore rights have been secured and ample land leased from the Provincial Government, and the County Golf Club, respectively. Two main hangars are to be erected, and a Bessoneau in addition, to house the machine, only a few of which will be on service at any one time.

The personnel is due to arrive on July 1, and will include 25 officers and men—or rather flying men and mechanics, for there are no ranks in the civil service employment under which the station is to be managed. Government flying will commence this Summer, and a variety of useful works have been proposed for the seaplanes and flying boats. The flying men of the Province are very pleased with the choice of machines, stating them to be eminently suitable for the work on the Pacific Coast. From preliminary arrangements it appears likely that the first Government Air Station in this Province will be of such greater importance and magnitude than was even hoped by the greatest enthusiast of aeronautical development.

**INNOCENT VICTIMS
OF WAR'S AFTERMATH**

Britain Has Identical Fund With That of Jewish Relief Committee

A glance at the advertising columns of The London Weekly Times will disclose a headline stating that "Thousands of Children Under Three Years of Age are Condemned to Death" in the famine areas of Europe, and an agonizing appeal for funds follows.

The notice goes on to say that news has just come to hand that only those children between three and five can be helped, that the mites under three must be abandoned to starvation, for there will not be enough food to go round if these are included.

The movement in Britain is called the "Save the Children Fund," and is identical in its objects with the Canadian Jewish Relief Association which is making an appeal for funds in Victoria at this moment.

It is within the power of the citizens of Victoria to save life. The goods are ready to ship, both clothing and food. Only the generosity of Victorians is required to release it for the relief of those innocent victims of the aftermath of war.

**MRS. GREENALL NOW
WELL AND HAPPY**

Tanlac Restored Her Health a Year Ago and She Has Had No Return of Troubles Since

"Tanlac ended my suffering nearly a year ago, and to this good day I have been enjoying just splendid health," was the statement made recently by Mrs. J. Greenall, of 1306 Cariboo Street, Westminster, British Columbia.

"A little more than a year ago I had a spell of the influenza, and after I was able to get up I found myself in a badly run-down condition with a poor appetite, and my stomach all upset. Nothing at all tasted good, and at times just the smell of things cooking nauseated me. After I did eat anything I had pains and burnings all through my chest and around my heart and whenever I coughed the pain almost took my breath away. My heart would also palpitate dreadfully, and sometimes I became awful dizzy and faint. Nearly every day I had a terrible headache, and my nerves were so shattered I could hardly bear little noises like the rustling of a newspaper. A good night's sleep was something I could never enjoy, and I became so weak I was barely able to attend to my housework.

"But now, I am thankful that I'm enjoying good health once more, and I give Tanlac the credit for it all. My appetite is splendid, and I don't have to worry over what I can eat for everything digests perfectly, and I have no fear of suffering afterwards. My nerves are so steady that nothing ever disturbs me, and I sleep soundly every night. I haven't had a headache or dizzy spell since I stopped taking Tanlac, and that was nearly a year ago, as I said. I am in as good health as I could ask, and I simply couldn't be better pleased with a medicine than I have been with Tanlac."

Tanlac is sold in Victoria by D. E. Campbell, corner Fort and Douglas, and Lang's Drug Store, Esquimalt Road.

Women at Home

Social News

The wedding took place quietly last Tuesday at the home of the bride, Mrs. Edna Robinson, second daughter of the late Mr. and Mrs. G. W. Robinson, to Gerald George Green, son of Mr. and Mrs. F. Green, 399 Moss Street. The ceremony was performed at 2.30 p.m. by Rev. William Elliott, of Sardinia.

A wedding of interest to many friends, and especially to members of the Y.M.C.A., took place last Wednesday at Chemainus when W. A. Aldritt, the popular physical director of the Victoria Y. M. C. A., was married to Miss Agnes Kennedy, of Winnipeg. Rev. E. M. Cooke, an old friend of the bridegroom, officiated at the ceremony at 7 o'clock in the evening.

Miss Thelma Gowen, whose marriage to Mr. W. J. McKelvie will take place to-morrow, was the guest of honor at the Empress Hotel on Thursday afternoon, when the hosts were Miss Charlotte Betterton, of Seattle, who with Mrs. L. E. Woolf, is in the city to attend the marriage. The table was delightfully appointed with decorations of sweet peas in shades of pink and white.

The St. Andrew's Tennis Club is planning to hold another tennis social at 633 Michigan Street, James Bay, on Saturday afternoon. An opportunity will be given for all of the young people of the church to play. Refreshments will be served.

The marriage of Mr. William W. Harris and Miss Charlotte Milling, took place very quietly on Wednesday evening at the home of the officiating minister, Dr. Leslie Clay, Linden Avenue.

Among the up-island visitors who registered at the Dominion Hotel yesterday are Miss Hadwen, of Duncan, W. A. Oliver, of Cumberland, and H. Vogel and Mrs. Vogel of Otter Point.

Fred Maurice, of the Boys' Naval Brigade, is the proud possessor of a huge Union Jack, which was among the flags which draped the walls of the Armory during the Navy League fete.

Mr. and Mrs. Fulton, Miss L. Brown and J. N. Whitman, of Astoria, are motoring over the Georgian circuit, and making the Dominion their headquarters while in Victoria.

Dr. and Mrs. R. Grant Lawrence, of Swanson Bay, are the guests of the former's parents, Mr. and Mrs. W. M. Lawrence, Island Road.

M. McCaig, Mrs. McCaig and Miss McCaig, of Fort Langley, are visiting Victoria and stopping at the Dominion Hotel.

Mrs. Percival, of New York, is the guest of her sister, Mrs. R. Baird, 1045 Belmont Avenue.

Mr. and Mrs. Frank H. Stewart, of Philadelphia, have arrived at the Empress Hotel.

SWISS WEDDING FOR JUNE BRIDE

Pretty Ceremony Marks Nuptials of Deputy-Minister's Daughter

A large congregation of friends assembled at the First Presbyterian Church last night to witness the wedding of Miss Edna Vera McMillan, only daughter of James D. McMillan, Deputy Minister of Labor, and Mrs. McMillan, of 601 Cook Street, to James Alexander McMillan, son of the late James McMillan, B.A., and Mrs. McMillan, of Vancouver.

Miss Lillian Clark, of Vancouver, as maid of honor, wore Nile green pussy willow taffeta with over-drapes of silk net with touches of pink and silver. Miss Lillian Revel and Miss Irene Gardner, also of Vancouver, were the bridesmaids.

The bride went away in a becoming suit of navy blue tulle with white gold embroidery in Seattle and Portland. Later they will motor to Seattle, where they will make their home.

The bride went away in a becoming suit of navy blue tulle with white gold embroidery in Seattle and Portland. Later they will motor to Seattle, where they will make their home.

PRETTY WEDDING UNITES COUPLE

Many Witness Marriage of Young People at St. James's Church

A pretty wedding took place last Wednesday evening at St. James Church, Rev. H. T. Archbold officiating, of Doris, eldest daughter of Mr. and Mrs. W. H. Crighton, St. Lawrence Street, to Percival Wilfred, eldest son of Mr. and Mrs. A. Gilson, 740 Hillside Avenue.

There were many handsome presents in token of the esteem in which the young people are held, including a handsome silver tea set from the bridegroom's fellow-employees at the Customs House, and a community set from the David Spencer, Ltd., staff.

CLOSE OBSERVATIONS.

"Mr and Mrs. Slocum seem to be an ideal couple. Last night I noticed how their thoughts always coincided."
"Yes," but did you observe also that it was always the lady who thought first?"

Dobbins: "When Elford went West he told me that as soon as he settled down and pulled himself together he would write to me, but I have never heard from him."
Hoggins: "Elford was blown up in an explosion three months ago. He may have settled down, but I don't believe he has pulled himself together yet."

Blouses of Individuality

Morning Blouses correct yet piquant, Afternoon Blouses Frenchly coquettish—whatever the hour that brings them forth Taylor's Blouses are this Summer more feminine, more youthful and more beguiling than ever.

The style you want in the size you want is always available. Values are excellent.

736 Yates Street

Phone 4019

which offered greater possibilities in an industrial way than Victoria.

"I want you people to get it into your heads that Victoria is on Vancouver Island, the capital of British Columbia," remarked Rotary President Clifford Denham, who presided. "I want to point out to you," he observed humorously, "a few reasons why you should not start factories on this island. In the first place there is the lack of raw materials. We only have 124 billion feet of timber, which would only make a few tooth picks for a crowd like this. You wouldn't be justified in opening factories either on account of the climate, which makes fuel bills so light and allows your employees to work all year, which would not suit them at all. Then the shortage of fuel—Vancouver Island only produces one and one-half million tons of coal a year, and that only supplies Victoria," he went on in a humorous vein. "Besides you only have the C. P. R. and the C. N. R. to take your goods all over Canada and the United States. Then, too, about water transportation. We only have two government docks and three private ones capable of handling twenty vessels. Victoria, too, is unfortunate in being the last point of call for Australia, New Zealand, China and a few other jerk-water places like that. As for water we only have fifteen millions of gallons going to waste in our system every day. There are only 200 factory sites available, too. We're a little shy on power, also. We only have a 12,000 horse power surplus a day from a \$3,000,000 power plant! In conclusion, remember Victoria is on Vancouver Island—we're glad to see you here—we're sorry to see you go—and come again!"

Prophecies Development.

"On Vancouver Island we have not progressed as far, I think, as we should in manufacturing, chiefly because of the fact that we are far from the seat of government and on account of transportation facilities during the war," Mayor Porter remarked, after welcoming the visitors. "But I can assure you that before long Victoria will be known as well all over this continent industrially as it is a residential city. I am sure that the visiting manufacturers will be impressed by the climate and the conditions of this city and this island."

"However, Victoria is well able to speak for herself—she needs no boosting. We are very proud of our city—our parks, our streets, our water-works, our boulevards, and if any of our guests should decide to locate out here I can assure them a hearty welcome and everything Victoria has to offer."

The President.

"The City of Victoria has won our hearts and completely captivated the Canadian Manufacturers' Association," J. F. McKinnon, the new president of the Manufacturers' Association, declared. "Your hospitality has been unsurpassed—and the masterly address delivered to us in Vancouver by the Premier of your Province—was worthy of a Province so great."

"As a Rotarian Mr. McKinnon affirmed, for the benefit of his associates, that Rotary was one of the liveliest organizations in the civilized world. He would not say that all good men were Rotarians, but he was confident that all Rotarians were good men. Rotary aimed at the advancement of all the best things in character, and all the best things in international relations.

"Rotary is international," he asserted, and he felt that Rotary would be a big factor in maintaining the peace that had existed for a hundred years between Canada and the United States.

Trade Changes.

"Older countries export to newer countries which buy their goods—goods manufactured from the materials of the small nations," Mr. McKinnon went on. "In the old days the Eastern States manufactured the goods for the West, while Old England made the goods consumed by her colonies. But now the Western States have become so industrialized that they are making goods of every description in almost as great quantities as is the East. And the West of Canada is becoming industrialized, too, to an extent we hardly realize. Last year \$400,000 worth of goods were manufactured west of the Great Lakes, or one-sixth of the total output of Canadian factories. In 1900, twenty years ago, there was hardly any manufacturing west of the Great Lakes at all, and in 1904 the Canadian Manufacturing Association had not a single member in that vast territory. Now we have 700. And the manufactures of the West are ever growing greater.

The Brightest Jewel.

"We must congratulate you, Mr. Mayor, on being at the head of such a wonderful city, and we congratulate you on the wonderful strides your city has made since it was founded by Sir James Douglas. But, while mentioning your city and other cities I believe, Sir, that we are not provincial—that wherever we come from—whether from the Great West or the Great East, the first demand that we will rise again—the brightest jewel in the British Empire!"

"The whole of this country owes this city a deep debt of gratitude. We know what our boys did in France and Flanders, and here, publicly, I wish to pay a tribute to the great Victorians who led them—General Sir Arthur Currie!"

Not as Bad as Painted.

"We manufacturers are considered in some portions of Canada as a grasping, greedy lot," J. R. Shaw, second vice-president of the Association, admitted. "but I can assure you we are not as bad as we seem. We have found, however, that as we travelled West away from Winnipeg, our welcome has become a little warmer till we now are quite at home in an industrial Province, and I think that even the agrarians of the prairie, having seen us, don't think of badly of us as they did."

"The East and West are no longer two—they are one now," asserted J. B. Thomson, president of the B. C. division of the Association.

In all their meetings and all their endeavors members of the Manufacturers' Association, R. W. Mathies, Vice-President of the Victoria Branch, declared, had shown that they were manufacturers not only of material things but of policies and ideals. Their work, he felt, had been of a constructive nature and it had been their constant purpose to live up to the laws of the country and the highest ideals of business.

Colonel Smashem was dining with some friends at a restaurant.

When dessert was served, the lady sitting next to the Colonel inquired: "Do you like bananas?"

The Colonel, unfortunately, was rather deaf, and coldly replied, "Madam, I do not. I prefer the old-fashioned night-shirt."

Burberry Coats

DIFFERENCE OF OPINION

Failure of Meter Registration on Sooko Pressure Line Leads to Breeze.

Relations between Reeve Watson and Engineer Milne do not appear to be happy, to judge by an outburst last evening at the Saanich Council.

The City Water Commissioner notified the Council that the meters on the Sooko pressure main from Humpback were not properly registering, and he asked for new ones to be installed.

Clerk Cowper said when the meters were installed, the type was approved by Mr. Preston and Mr. Macdonald, the city waterworks foreman. That type was approved after

another recommendation from Saanich had been rejected, Mr. Cowper explained.

The Reeve wanted to know why the subject had been brought up after nine months. Someone had put a flea in the Victoria engineer's ear he declared.

Mr. Milne retorted that the Reeve should come out and say what he thought, "It is not fair, not just, nor reasonable," he said to the Reeve.

Mr. Watson did not reply, but passed on to the next business, after the Council decided that an investigation into the complaint should be made.

Mr. Milne previously observed that he had examined the meters, and found Mr. Preston's remark was true.

Mr. Cowper said neither municipality had lost in the water agreement, responsible estimates having been submitted to the city water department to judge consumption by Saanich consumers.

A small boy came hurriedly down the street, and halted breathlessly in front of a stranger going in the same direction.

"Have you lost half a crown?" he asked, with his hand in his pocket.

"Y-eh, yes, I believe I have," said the stranger, feeling in his pockets.

"Oh, no," said the small boy. "I just want to see how many have been lost to-day. Yours makes fifty-four!"

PERMANENT ROAD TO SAANICH HILL

Policy of Government and Saanich to Extend Paving North Continues

The public who travel by car or bicycle to the Dominion Observatory at Saanich Hill will shortly be able to go to the foot of the hill on a hard surface road if plans which were outlined to the Saanich Council last evening are carried out.

It is proposed to extend the paving with an extension 4,270 feet long, 16 feet wide, with an asphalt penetration. The cost, which it is proposed to divide between the Government grant and the municipality, will be about \$10,000.

Burnside Road Link.

Councillors found themselves forced to defer action on another important hard surface work, to link up the city paving on Burnside road, and the Saanich paving, where there is a gap. The two Councils had agreed last year to divide the cost, and now it transpired that 17 sewer connections to the northwest sewer have to be made. While this extra cost will be about \$500, there is no authority to charge the sum up to the Council funds until the by-law for sewers is passed. Therefore, the Council decided to defer laying asphalt paving over the area where the sewers would pass until the by-law has been adopted, which will be submitted next month.

Hagan Bridge.

On the motion of Councillor Brooks the Council decided to ask the Reeve, with the mover, to wait on the Hon. J. H. King, Minister of Public Works, to endeavor to secure a grant in aid of the new bridge, proposed to be erected of reinforced concrete at Hagan, which the Engineer estimated would cost \$500. An application is to be made to the Department because it is on a trunk road (the West Road), over which a great weight of traffic passes.

No Hope Yet.

There is apparently no hope of a settlement with regard to the impasse between the city and Saanich Councils regarding the administration of the funds of the Victoria-Saanich Beaches and Parks Committee.

Clerk Cowper, as treasurer of the committee, reported that there were funds required to pay bills, and to do necessary work this season, but in view of the Victoria members having withdrawn, and the Saanich members demanding an apology which has never been forthcoming, no meeting could be held, nor could anyone sign the cheques.

Reeve Watson at once dissolved any expectation of improvement in the relations by saying, "It looks hopeless to me." He stated there was no reconciliation, nor prospect of it. No progress was made, therefore.

WILL TAX BY-LAW SURVIVE STORM?

Mayor Wants an End of "Pussyfooting" on Taxation Projects

With its future surrounded by uncertainty, the ill-fated Underground Area By-Law will be brought before the City Council for final consideration Monday night.

This measure, which provides for a tax on all city basements extending under the streets, was brought before the Council first at the beginning of the year and has been playing the role of an aldermanic football ever since.

As soon as its provisions became known strong opposition to it was launched by numerous business and property owners. As a result, it lay on the City Council file for months, being tabled for a week each time the Council met.

Then it was revived a few weeks ago and was about to be put through its final reading when a delegation of business men appeared before the Council and declared that it was unfair and would tax non-revenue producing property.

The plea of this delegation was so strong that, when the By-Law came up for discussion on the following Monday, some of its most enthusiastic backers turned around and admitted that they had changed their minds. In order that all might have an opportunity to digest its provisions more thoroughly it was laid over until next Monday.

Some of the aldermen are completely opposed to the By-Law, while others are just as determined that it shall be passed. Whether it can secure a majority is extremely doubtful.

Mayor Will Support Mayor Porter is expected to lead the attack for the By-Law. "We have tried to get revenue from various directions," he remarked when discussing the measure recently, "and then, just as we are about to impose a tax, opposition is raised to it—very naturally—and we 'pussy-foot' and decide to seek funds in some other way. That has happened several times, and, as a result, the overburdened land is still bearing almost the total weight of the city's costs. Its about time we made up our minds on a tax and then stood by it to the last ditch. As a matter of fact, there will be strong opposition to any tax we propose. Anyone whom we propose to tax will say the tax is unfair and that he cannot afford to pay it. The fact remains that we have got to have more money. I consider that this tax on basements is perfectly fair and I don't propose to be swayed from it."

Another By-Law which provides for a tax on signs, balconies, awnings and other appliances installed on and over the streets is being prepared by City Solicitor H. S. Pringle, at present, in accordance with the Council's instructions. It is expected to raise a storm of protest, and it is freely prophesied by the City Hall that it will suffer the same fate that seems to be overhanging the Underground Area By-Law.

That's Saving Money

- Women's \$10 to \$15 Shoes Selling at \$7.30
- Women's \$9 to \$12 Oxfords and Pumps at \$6.30
- Women's \$12 to \$16 Boots are Selling at \$8.30
- Men's \$12 to \$14 Shoes Going at \$8.70

When you can buy **Good Shoes**, such as are sold in this store, for \$3.00 to \$6.00 or \$7.00 a pair less than their real value, I say **"THAT'S SAVING MONEY,"** that's the kind of buying you can have confidence in, because whatever this house tells you as to the amount you save, you know it's just that many dollars or cents.

Since this Sale started we had not found time to take note of the many broken lots left from the selling, but now we've gone over the entire stock again and assembled all such merchandise into lower priced groups for the next two or three days' selling. Don't fail to look them over at once. Sales like this don't occur often—it's usually years between—so watch every day's offerings: You can always use good shoes—a year's supply won't come amiss.

COURT OF APPEAL

The Court of Appeal late yesterday reserved judgment on the case of Gillespie re the Municipal Act, in which F. A. McDiarmid has been seeking to have revoked the judgment of the Supreme Court giving ratepayers the right to step in and look over at any time certain of the books of the Municipality of South Vancouver.

A. H. MacNeill, K. C., fought for the right of ratepayers to see the books at any time. Mr. McDiarmid asserted that as F. J. Gillespie had been placed in charge of South Vancouver by the Provincial Government, when South Vancouver fell down in its municipal system of Government, Administrator Gillespie is responsible to no ratepayer or ratepayers' association but only to the Government.

The Court of Appeal to-day commenced the appeal of the Buscombe securities in the case of the Buscombe Securities vs. Windebanke, E. C. Mayers and C. Darling are representing the defendant-appellant and E. P. Davis, K. C., the securities company.

The next cases to be heard by the court are: Gladstone Local Union vs. Dragon; and Sharron vs. Volsey.

Suffered With Boils Last 5 Years.

Boils are simply a breaking out of bad blood, and anyone who has suffered from them, knows how sick and miserable they make you feel. Just when you think you are cured of one, another seems ready to take its place and prolong your misery. All the poulticing and lancing you can do will not get rid of them.

While the skin appears to be the cause of the irritation the real disease is rooted in the blood, and to get rid of these painful pests it is necessary to get right at the seat of the trouble.

When the blood is purified, cleansed and vitalized, by Burdock Blood Bitters, the boils will quickly disappear, your misery is at an end, and health and strength come back again.

Mr. Robt Johnson, Barkway, Ont., writes: "I have suffered very much, during the last five years from boils, having as many as five at once. I tried different remedies without any relief. I was advised to try Burdock Blood Bitters, which I did, and after taking just one bottle I had had no more boils."

B. B. has been on the market for over 40 years and is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

LETTERS

WHO IS TO BLAME?

To the Editor.—The editor of The Colonist newspaper states that "there are without too inharmonious relations between the Federal and Provincial Governments, and we fear the latter are to blame." The reasons for the overwhelming fear which has caused this lamentation are the parliament of Canada, without the knowledge of the Government of the Province, passed legislation removing the B. C. E. Railway Company from under the jurisdiction of Provincial law and placed the railway company under Dominion law; and more recently the Railway Committee of the Dominion House of Commons (acting without the knowledge of this Province) make a ruling that the railway company shall be entitled to collect a six-cent fare.

The editor of the Colonist admits that "it is not at all clear what the Railway Committee of the House of Commons has to do with six-cent fares on the street cars in this Province," and also admits "Ottawa should be better informed of legislation enacted by this Province." The logic of this reasoning is not any more "clear" than are the dolines of the Railway Committee at Ottawa, but it is quite right and proper that the people of the Province should be assured of the fear of The Colonist that the Provincial Government is to blame.

MINERAL SURVEY WILL BE RESUMED

Dr. Dolmage, of Geological Survey, to Continue Investigations on West Coast

To resume his investigations of the mineral deposits on the west coast of Vancouver Island, Dr. Victor Dolmage, of the Dominion Geological Survey, will sail by the gas launch Shelleena next week for Barkley Sound. As announced in The Times, May 4, Dr. Dolmage will continue his geological work interrupted by the war, and the field of his present programme will extend from the north shores of Barkley Sound to Kyquot Sound.

An accurate and detailed map of the shore line will be made, the small islands off the West Coast will be surveyed from the geologist's point of view, the peninsulas intersecting the numerous bays and inlets also, and, in addition, Dr. Dolmage plans to penetrate a mile or two inland. In all, a strip of territory ten to fifteen miles along the western slope of the Island will be covered.

It was in 1897 that the first attempt was made to examine the rock formation of Vancouver Island. In 1910, C. H. Clapp, of the department, did some geological work on the south shore of Barkley Sound. Dr. Dolmage hopes to finish the West Coast this year. He will be away about three months.

The geological survey is directly attributed to the discoveries of copper deposits, important magnetite deposits, and promising gold deposits, on the West Coast. The gold deposits were found in the vicinity of Kennedy Lake. At Sidney Inlet copper deposits have been worked for some years by the Tidewater Copper Company, of Victoria. With the discovery of large ore bodies on their property this year the mine has renewed its activities.

Dr. Dolmage will take along with him on the Shelleena an assistant and a crew of three men. The Shelleena is a 60-foot craft, built at Hongkong, and owned by William Farrell, of Vancouver. She has been chartered for three months by the Geological Survey Department.

A man can get used to everything—except the fool actions of his relatives.

OBITUARY RECORD

The remains of the late Norman Hedley were laid to rest in Ross Bay Cemetery yesterday afternoon, service being held at the B.C. Funeral Chapel at 2:30 o'clock. Rev. Canon Hinchliffe officiated. Two hymns were sung, "Safe in the Arms of Jesus" and "Lead, Kindly Light." A large floral offering covered the casket, over which was draped the Union Jack. The funeral was military, and a firing party from Work Point Barracks fired three volleys over the grave, and the bugler sounded "Last Post." The pallbearers, all old comrades of the deceased in the 13th Field Ambulance Corps, were: G. S. Blackburn, W. Stubbs, G. S. Hartley, H. Fryer, T. Barclay and W. R. Large.

One's Health Breaks Down Like the Old One-Horse Chaise

You can get along in life far better by building up your strength than by throwing it away through carelessness and neglect. Strength comes from the blood, and strong blood comes only when it is not neglected. The best and safest way to be strong and well is to take Dr. Pierce's Golden Medical Discovery Tablets. These readily overcome anemia, or thin blood. They put a feeling of vim, vigor, strength and renewed ambition into those who take them. Most people would feel better, stronger and happier if they took a few of these Tablets. You can't afford to be sick when it costs so little to get well. Men "with a wallop," men with vim, vigor, are those who take Dr. Pierce's Golden Medical Discovery, composed of herbal extracts, without alcohol, and found to be a wonderful tonic for the manufacture of red blood within the body. For sale by druggists in tablet or liquid form; or send ten cents to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., or branch Laboratory in Bridgeburg, Ont.

BRAMPTON, ONT.—"A couple of years ago I was in a nervous and run-down condition, and felt greatly in need of a tonic. A friend who was being helped by Dr. Pierce's Golden Medical Discovery advised me to try it, too. It helped me from the very start, and eventually restored me to perfect health. I feel in a position to praise the 'Golden Medical Discovery' very highly, and take pleasure in recommending it to all those who are at all nervous, weak or run-down."—MRS. ESTHER PEATSON.

The Perfected Blend of Ceylon's Finest Tea

Here is a new tea—the best value the world produces. Lanka—the perfected blend of the finest tea that grows in the hill gardens of Ceylon. It is blended with supreme skill—the flavor is incomparable. The rich sparkling color, the delicious bouquet, proclaim the perfection of Lanka.

But, although this superlatively fine tea hasn't an equal, it costs no more than other good tea. The price of Lanka is but 75 cents a pound. Practically every grocer can fill your order for Lanka Tea. They have seized the opportunity to supply their customers with a tea which surpasses all expectations, that can't be equaled. Because it is imported direct with a saving of freight charges and duty we are able to offer it at a popular price.

Lanka Tea is imported and packed by **WM. BRAID & COMPANY** Vancouver, Canada

LANKA TEA

BRIEF LOCALS

Bank Clearings.—Clearings at the Victoria Clearing House for the week ending yesterday were \$3,109,143 as compared with \$2,585,376 in the corresponding week of 1919.

To Lecture To-night.—Mrs. Hele Ash will lecture at her residence, 4051 Fort Street, this evening at 8 o'clock. Subject, "Psychology and Divine Healing."

To Present Flag.—A flag will be presented by the Gonzales Chapter, I. O. O. F., to the Oak Bay Gonzales Boy Scouts at the home of Mrs. Shallcross on Saturday afternoon at 3:30 p. m. Rev. G. H. Andrews will speak. On Sunday the colors will be consecrated in St. Mary's Church after evensong. It is hoped that as many as possible will be present at the ceremony.

Case Began To-day.—Sam Rainey, before Mr. Justice Macdonald in the Supreme Court to-day, commenced his action against Contractor Lawless in connection with the alleged failures of builders to complete Mr. Rainey's house after they undertook the contract. Mr. Rainey was W. J. Taylor, K.C., and W. Alexander Brethour pressing the case for him. Frank Higgins, K.C., is defending Mr. Lawless.

Photo Survey Popular.—Wednesday afternoon the Capital City Baseball Company's playing fields were photographed from the air, with the object of obtaining a mosaic of the grounds. The Curtiss machine of the V. I. Aerial Service, Ltd., performed the survey, piloted by W. H. Brown. The next photo survey that is contemplated is one for the Uplands, Ltd., taking in the entire holdings of that concern in the Willows section. Photo mosaics from aerial views are being used more and more extensively by the real estate men in this city, following on the initiative of Mr. Musgrave, who originated the idea as applied to realty operators. The Uplands survey will be made to-day if the weather continues clear.

"HOE MAID"

Seven Years Old—Christened This Week—the

Everything that is good has its imitators. Seven years ago Mr. Stevenson conceived the idea of making chocolates and candies just as you would make them at home if you knew how. He called them "Homade" sweets, and the idea "caught on." Thousands of candy lovers bought them, for the freshness, quality and originality of flavors proved immensely popular.

Unfortunately the word "Homade" cannot be registered. It is now generally used to denote confections of unusual purity. To make Mr. Stevenson's original "Homade" sweets distinctive the "Hoe Maid" has been born. You will find her on every box of Stevenson's confections.

Genin's Prize Bonehead Play Gave Game to Caps

Spokane Right-Fielder Had Chance to Stop Victoria's Batting Rally in Fifth; Crespi Only Lasted Five Innings When Seven Hits Chased Him to Cover.

Victoria, 10; Spokane, 6.

It was probably a very fortunate thing for Cliff Blankenship, the rather talkative manager of the Indians, that he was banished from the Stadium in the fourth inning of last evening's game, for had he been allowed to witness the prize bonehead play of young Genin in the following inning he would probably have taken unto himself a tomahawk and advanced to play the tattoo on the lad's headpiece.

Genin was a stranger in right field. By choice he is a catcher, but when Downey abd Blankenship were told by Umpire Held to pack their baggage and move out he was sent to fill up the hole in the field made by Shoots, who took Downey's post at second. Genin only had one chance to do himself honor. From a Victoria point of view he simply covered himself with jaurels, but the latest advices say that he has not heard the last of it from either Blankenship or Crespi.

What Happened. It happened that when the Capitals came to the bat in their half of the fifth Spokane was leading by four runs and by the way Morton was shifting along it looked as though the Indians would romp off with the pie. But that's just the way with baseball: when things are darkest they suddenly turn inside out and show the silver lining.

Leard drove out a hit that landed him on first and he took second on Brown's out. Carman singled to left and Leard scored. Dempsey hit safely, but Zienke popped out. Kelley caught one of Crespi's shots on the nose and it dropped fair in short right field. Genin made a quick recovery and had lots of time to cut off Kelley at first, for Jack is about the slowest fliwer in this league. Instead Genin decided to play for the plate, but Carman did not try to score. That gave the Caps the chance they had been looking for all evening. Morton cracked one to left field and Carman and Dempsey scored. Elliott got a double and Kelley and Morton scored. Church singled between third and short and Elliott, by fast running, scored.

With his team in the lead Morton went smoothly through the last four innings, yielding neither hit nor run. Crespi did not come back for any more punishment after the fifth. Lambert, who relieved him, was touched

VICTORIA IN SECOND PLACE IN P. I. LEAGUE

By trimming Spokane last evening Victoria jumped into a tie with Yakima for second place in the Pacific International League. The Capitals are but one and a half games behind Spokane, the league leaders. Should Victoria win tonight's game, to-morrow will see both teams fighting for the top berth.

Seattle will be here all next week, so the Capitals should have a fairly soft time, and no doubt will be on to, before the next week-end.

runs, 5 hits off Lambert in 3 innings. Time of game—2.05. Umpire—Held.

Batters on the Top.

Yakima, Wash., June 11.—Vancouver took the third straight game from Yakima yesterday by a score of 6 to 3. Yakima staged a batting rally in the ninth inning, securing four hits and one run. Lafayette was caught off first base with the bases filled, ending the rally. Score: R. H. E. Vancouver..... 6 6 2 Yakima..... 3 8 1 Batteries—Rapp and Patterson; Hill and Cadman.

Jup. Pivius Wins.

Tacoma, June 11.—Seattle-Tacoma game postponed, rain.

Summary: Home runs—Dempsey.

Three-base hits—Shoots. Two-base hits—Murphy, Dempsey, Fisher, Elliott.

Stolen bases—Gatewood, Brown, Mitchell, Hodges, Leard, Genin, Dempsey.

Carman. Struck out—By Crespi, 2; by Lambert, 4; by Morton, 5. Bases on balls—Off Crespi, 3; off Morton, 5. Wild pitch—Crespi. Passed ball—Kelley. Hit by pitcher—Glingardi, by Morton. Eight runs, 12 hits off Crespi in 5 innings; 2

TOLLEY WON BRITISH GOLF CHAMPIONSHIP

Oxford Man Beat Gardner, of Chicago, by One Hole in Finals in Muirfield

Muirfield, Scotland, June 11.—Cyril Tolley, of the Oxford University team, won the British amateur golf championship at Muirfield, Scotland, today, defeating Robert A. Gardner, of Chicago, by one hole.

Entertain Americans.

London, June 11.—American golfers competing in the British amateur championship at Muirfield, Scotland, will be tendered a complimentary banquet in London after the close of that contest and then will visit the Rye golf course to play friendly four-somes.

Draws For Open Title.

London, June 11.—The draws for the open golf championship at Deal were made here last night. There are 168 professional and 22 amateur entries, which is only four less than for the open championship in 1914. The qualifying competitions will be played at Walton and Weybridge on June 23 and 24, and the championship games on the Deal links on June 30 and July 1.

Seattle Championship.

Seattle, June 11.—The cream of Seattle got under way this morning in the first day's play of the annual city championship, which is being held over the course of the Seattle Golf Club. The tournament is for 72 holes of medal play, with 36 holes being played to-day and the remaining 36 Saturday. The low sixteen medal scores of to-day's results will be drawn for the finals to-morrow, with to-day's scores counting with Saturday in the final reckoning.

Three municipal links players, Bon E. Stein, Lee Steel and Theron Rongrud; Clara Griswold, of Earlington, and H. A. Fleager, Jack Ballinger, George Tilden, Roy Campbell and William McMicken, of the Seattle Golf Club, are expected to put up the fight for the title. Stein is present city champion and with Griswold, Steel and Fleager, are given the inside track by the dopesters.

American Pros. Win.

Croydon, Eng., June 11.—Walter Hagen and Jim Barnes, the American professionals, defeated the English players, George Duncan and Abe Mitchell, in a golf match on the Eddington course yesterday by three up and two to players. The match was for a stake of £200, 36 holes being played.

TO PLAY WITH OAKLAND.

Oakland, Cal., June 11.—Tom Fitzsimmons has been signed by the Oakland Club, of the Pacific Coast League to play shortstop. He was signed by the Brooklyn Dodgers, but failed to report. Oakland purchased his release.

SASKATOON MAN WINS.

Saskatoon, June 11.—Frank Lamarque, of Saskatoon, threw Dr. John Berg, of Spokane, in two straight falls here last night. The first came in 37 minutes and the second in 24 minutes.

Backward Season Holds Up Swimmers' Training

V. A. S. C. Will Not Hold Gala on July 1 As Intended Owing to Few of Swimmers Being in Condition; Other Clubs Holding Off Until Warmer Days.

Owing to the backward season swimmers in British Columbia and the coast states have been unable to get down to hard training and as a result the various clubs have been forced to postpone their galas until the warmer weather sets in. The air and water have been too chilly to entice the aquatic marvels to train seriously and steadily and as a result none of them are in condition to stand the sprints or distances.

The Victoria Amateur Swimming Club was anxious to stage a gala at the Gorge on July 1, but at a meeting last night decided to postpone it for the time being. All the other clubs have been waiting for the appearance of warm days when their swimmers might take an interest in their training. Some of the swimmers have been in the water for short workouts, but the cold has prevented them from keeping in constant practice.

Apply For Dates.

The Vancouver Amateur Swimming Club has applied for sanction to hold a gala on July 10 and another one on August 28, and the Jericho Club, of Vancouver, is hoping that conditions will be favorable for a swimming gathering on July 25.

At this season in former years the swimmers were in championship form.

Life-Saving Club.

The V. A. S. C. has organized a life-saving class for ladies under the direction of Mrs. Marshall. The class, which is open to any ladies, had its first lesson on Saturday afternoon. Mrs. Marshall hopes that all ladies who would like to learn the art of saving life from drowning, will join the class.

Winnipeg Eliminations.

The western elimination for Canadian Olympic swimmers will be held in Winnipeg on June 26, according to information just received in this city. At present it is not known whether or not any of the local swimmers will journey East. Owing to the lack of training it is not thought likely that many will go. The final trials for the Olympic team will be held in Montreal.

San Francisco, June 11.—The Benny Leonard-Jimmy Duffy fight scheduled to be held here next Wednesday, has been postponed, it was announced in a wire received here from James Coffroth, promoter.

Coffroth said Leonard has a sore leg, suffered in an automobile accident, three weeks ago.

A bout Leonard was to have at Portland June 21 also has been cancelled.

NO SPANISH ATHLETES.

Madrid, June 11.—Doubt whether Spain will send a team to the coming Olympic games at Antwerp is expressed by the newspaper A. B. C.

INCOGS AND CONGOS IN CRUCIAL MATCH

League Leaders Will Have Hard Test To-morrow; Other Cricket Games

By Veritas.
The Army and Navy Veterans will entertain Victoria at Work Point Barracks to-morrow afternoon, and are hoping that this match will prove the turning point for them in the long road that leads to victory. However, come what may, Victoria, keen as they are, will find the Veterans all out for the full points to-morrow.

Garrison are having a rest this Saturday.
The Albions and Five C's play at Jubilee Hospital and a good game should result. In spite of the fact that the Albions are not so well equipped with bowling talent this season as their opponents of this week, they may be depended upon to make a big bid for victory. With the Five C's possessing such a good bowling and batting side, however, it does not seem likely that the Albions will lower their colors. Still, it is the uncertainty of cricket that makes the game as interesting as it undoubtedly is, and there is no telling what may happen.

The Incogs will meet the present leaders of the League, the Congos, at Beacon Hill Park, in what should prove one of the most interesting games of the day. It is somewhat unfortunate for the Congos that they should have to take the field to-morrow minus the services of two of the best batsmen—Jack Collett and Gordon Leeming. The first named was injured in the game at Vancouver and the latter has undergone an operation this week, which is likely to keep him out of the team for some time. Under the circumstances, the strong batting of the Incogs team, coupled with Sparks' bowling, is likely to give the Incogs a win this week. Should this happen, and the Five C's beat Albions, a three-cornered tie for the league leadership will be created. Cricketers all over the city are hoping for better weather this week than has so far prevailed.

The Teams.

The teams will be as follows:
Victoria—H. Letaby, captain; J. R. Matson, W. A. McAdam, G. G. Morris, F. Smith, T. M. Matson, E. P. Gillespie, W. M. Ivel, E. Downs, and F. J. Munn.
Incogs—Wentman, Sparks, Tunnard, Tracey, Allen, Lifton, Major Taylor, Kinch, Hewitt, Sealey and Verrall.
Congos—R. J. Ferris, W. Tucker, G. Wells, S. J. Charman, A. H. Adams, H. Lock, E. R. Lock, H. Gardner, W. Erickson, G. Austin and A. Lea.
Five C's—Edwards, Sutton, Gibson, E. Quainton, Dean Quainton, Winslow, Wilkinson, Knapman, Rough, Booth and Birch-Jones. Reserves, Sheppard, Capt. Sharpe and Payne.
Albions—H. A. Ismay, G. H. Walton, E. D. Freeman, D. M. Grant, E. Parsons, N. Lowdon, A. Attwell, T. Hogarth, F. Bossum, J. C. Lowe and J. W. Barclay.
Army and Navy Vets.—T. Darke, C. Preston, W. F. Frost, H. Warburton, F. Bowley-Turner, P. King, J. T. Rogers, H. J. Young, Geo. Leem-

DRAW FOR LADIES' GOLF CHAMPIONSHIP

The draw for the qualifying round in the B. C. Ladies' Golf Championship to be played on June 15 from the men's tees at the Oak Bay links is announced as follows:
Mrs. Philbrick and Mrs. Sayward; Mrs. A. R. Green and Miss Archer; Mrs. Patterson and Mrs. Goward; Miss Pitts and Mrs. Sweeney; Mrs. Burton and Miss Bruce; Miss I. Wilson and Mrs. D. Wilson; Miss C. Peters and Mrs. Pocock; Miss Noonan and Mrs. Fairbairn; Mrs. Heisterman and Mrs. Hodgins.
Cards must be returned by 8 o'clock.
Entrants in the competition will be given the privilege of playing over the Oak Bay links on Monday in order that they may familiarize themselves with the grounds.

CONCLUDE FIRST ROUND IN BILLIARD HANDICAP

With a very close game between Breth and Livesey, which was won by the former by one point, the first round in the Two Jacks' handicap billiard tournament was concluded last night.
The draw for the second round is as follows:
Lamb v. 50 v. Hinde o. 225.
Blackmore v. 25 v. Hurd r. 125.
Spencer v. 100 v. Hick r. 100.

FOUL TIPS

No ball game is ever won by trying to rag an umpire. Blankenship is old enough to have learned that lesson long ago. He and Downey were taken out of the game in the fifth by Held and their removal lost the Indians the game.
By the way, this fellow "Red" Held is the best arbitrator that has ever found his way into this league. He believes in but one boss on the diamond, and he's it. His decisions are good.
Ginghardt must have a concrete head. One of Morton's fast shoots beamed him in the sixth and he dropped. He, however, pluckily resumed the game after he was able to find the path to first.
Morton looked better on the mound last night than he has for some time. His pitching was not marred by useless talking and actions.
Dempsay and Elliott seem to be trying to hit their way into higher company. They each got four safeties in five trips to the plate last night. Dempsay is away on his home-run stride again.
Zienke is having trouble in putting his drives in safe territory. He was

(the only Capital who did not gather a hit last night.)
It's a good job Fisher and Kelly did not own the Stadium or the base-runners would have stolen it on them. Four players on each team pilfered sacks during the game.

MAN BELIEVED DEAD WRITES HIS FAMILY
Herbert Whitbread, for whom the Provincial Police and all the returned soldier organizations have been searching for nearly three months, has been located in Toronto, according to advices just received by Inspector Murray.
It will be remembered that the man was seen last when he left his home at 25-Mile Point to go to the hotel at Shawanigan Lake on March 20.
His wife and three children have been anxiously awaiting for news of Whitbread for months now, and feared the man had committed suicide or been lost in the woods.
The Provincial Police circulated the entire Province and the returned soldier organizations helped, as the man was a returned soldier and had been wounded overseas.
Whitbread has just written to his family from Toronto, but offered no explanation of his curious disappearance.
EXPANDING HIS PROPERTY.
"What do you mean by saying that Rogers is on the home street?" "He's trying to get a ten-room family into a five-room house."
Mr. McManestain: "Come and dine with us to-night; we're having Rabbi to dinner."
The Professor (absent-mindedly): "Delighted!" "Do you know, I've never tasted one!"

The Price-Smashing Money-Raising Drive Continues

The Greatest Sale of high-grade clothing for men ever conducted in Victoria continues this week-end. When the first announcement of this extraordinary clothing sale appeared, hundreds of men were interested. They came—they saw—they bought—they told their friends that here at last is a real opportunity to save substantially on clothing of the highest quality.
Think what it means to have an unrestricted choice of a \$65,000 stock of apparel at practically cost prices! Remember, please, wholesale prices do not show a downward trend. It is the absolute necessity of raising \$20,000 that compels us to smash prices as we do.

Preparing for Launch of First Large Steel Ship Constructed Here

Start Made To-day at Harbor Marine Yard in Laying Sliding Ways For Launching of Canadian Winner on June 29; Ceremony Will Be Notable Event.

The building of the cradle for the launching of the Canadian Winner, first of the 8,100-ton steel steamships built at the local plant of the Harbor Marine Company, Ltd., to the order of the Dominion Government, was commenced to-day preparatory to the launching event, which is scheduled to take place June 29.

While the date announced for the launching is a tentative one, it will be adhered to unless unlooked for delay intervenes, according to James Clark, naval architect in charge of construction, who predicts that the ship will be ready to take to the water in line with the programme.

Sponsor Dark Horse.

The sponsor has not yet been selected, but it is understood that the lady will be the wife of one of the members of the yard organization. It was originally suggested that Mrs. C. J. V. Spratt, wife of the president of the company, be asked to christen the vessel, but while appreciating the spirit in which the suggestion was made it was vetoed by both Mr. and Mrs. Spratt.

The vessel, as she stands on the ways at present is practically ready to slip into the harbor. The first coat of composition is on the plates and the bridge housework is almost complete. The woodwork on the vessel is also well advanced.

Machinery Installation.

The decision to launch the Canadian Winner this month was reached when it was found that delivery of the engines from the Toronto firm of John Inglis & Co. could not be secured for several weeks.

These engines are about due to be shipped from the East and the various units should begin to arrive about the time of the launching date.

After the ship is sent down the ways she will be beamed at the wharf in the inner harbor for the installation of boilers and machinery. It is probable that this will be accomplished by means of the shear legs at the Victoria Machinery Depot, which plant is controlled by the same organization.

The builders anticipate that the ship will be ready for her official trials within a few weeks after she has been launched. The trials will take place over the summer course between Albert and William Heads.

First Large Ship.

The Canadian Winner will be the first steel ship of her size built in Victoria. Returned veterans, almost exclusively, have been engaged on her construction, and also that of her sister ship, the Canadian Traveller. Shipbuilding experts say the vessel is of the finest type of construction.

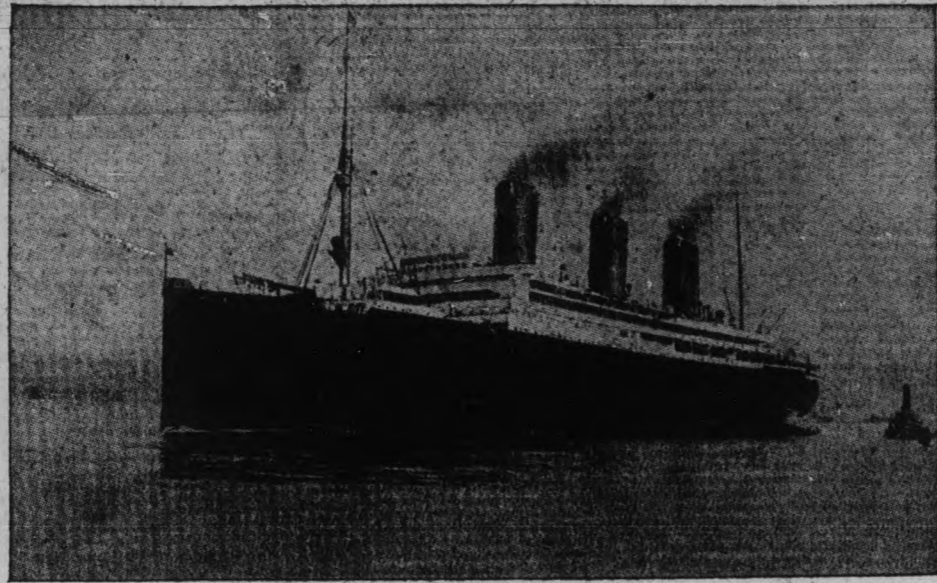

The Canadian Traveller will be ready for launching, it is now expected, about two months after the first ship has been sent afloat.

New Contract.

As soon as No. 1 ways is vacant the Harbor Marine Company will commence construction of the steel car-ferry ordered by the C. P. R.

Prompt delivery of steel has been guaranteed, and under the terms of the contract the steel car-ferry will be delivered to the owners by the Fall.

OFFERED FOR SALE TO HIGHEST BIDDER

S.S. LEVIATHAN

Washington, June 11.—Bids for the sale of the Leviathan, former Hamburg-America liner, and the largest ship in the United States merchant marine, will be received June 30 by the Shipping Board.

JAPAN WILL CLAIM FOR SHIP LOSSES

Figures Covering Indemnities Will Be Submitted to Foreign Office in July

Japanese shipowners are demanding full reparation from Germany for ships destroyed by the enemy during the war. According to Japanese advices the shipowners will submit to the Japanese Foreign Office, by July 10, full particulars regarding the shipping indemnities to be claimed from Germany and her allies.

An association was formed at Kobe, shortly after the conclusion of the armistice by all the Japanese shipping companies, with the exception of the Nippon Yusen Kaisha, who had ships destroyed by the enemy, to make arrangements for claiming indemnity for losses sustained.

Before the Japanese Peace delegation left for Paris, Japanese shipowners hastily investigated particulars of their claims and submitted them to the delegates. It has been necessary, however, for the shipowners to make closer investigation, and the results of the latest investigations will be submitted to the Japanese Government next month. At the time of the Peace Conference, the claims of the Japanese shipowners were placed at \$68,500,000, but, since further investigations have been made, the amount will in all probability be considerably increased, as the charter money which

MEMBERS OF MERCHANT SERVICE GUILD MEET

The Canadian Merchant Service Guild will meet at 8 o'clock to-night at the Guild headquarters, Union Bank Building. Capt. Gilchrist, president of the Guild, will attend.

could have been obtained between November, 1918, when the armistice was signed, and last January, when the ratifications of the Peace Treaty were exchanged, if the ships had not been destroyed by the enemy, will, it is understood, be included in the claims.

TAHITI NEARS PORT

The liner Tahiti, bound from San Francisco to Vancouver, at 12.30 o'clock this morning was reported in lat. 45.10 N., long. 124.50 W. The Tahiti is to replace the liner Makura in the Canadian-Australasian service while she is outfitted as an oil-burner at the Golden Gate. The Tahiti will sail from Victoria for Sydney, N.S.W., June 16.

ALICE STARTS OUT IN ALASKA SERVICE

Double Service to Skagway Inaugurated To-day by C. P. R.

Inaugurating the double Summer service to Alaska the Canadian Pacific steamship Princess Alice will get away from the Belleville Street wharves at 11 o'clock to-night for Vancouver, resplendent in new paint applied during her overhaul at Esquimalt. All the accommodation of the Princess Alice has been booked for the first trip of the season to the Land of the Midnight Sun. When she clears from Vancouver to-morrow night for Skagway she will have a full complement of holiday seekers and others heading for the great Northland.

The Princess Alice will make five round trips to Alaska as provided for in the schedule issued by the C.P.R., making the last sailing of the season August 6. It is more than probable, however, that the schedule will be extended to encroach into the Fall season.

For a number of years the C.P.R. have been operating the Princess Alice in the Alaska tourist service and each year the steamer has become more popular with the travelling public.

Most of her space for the season has been booked through the Eastern offices of the company and from the present indications the ship will carry capacity lists each sailing.

The coming tourist season to Alaska is expected to prove a banner one, and as the Princess Alice is the finest tourist craft operating in the Alaska trade, the demand for space on her will be heavy.

The Princess Mary is scheduled to sail from Victoria June 18 and will sail from Vancouver the following night.

The ports to be touched at by both steamers will be Alert Bay, Prince Rupert, Ketchikan, Wrangell and Juneau, terminating at Skagway.

SIR THOMAS LIPTON CROSSES THE POND

Sir Thomas Lipton, tea magnate and British sportsman, who confidently expects to lift the American Cup this year, was a passenger by the White Star liner Celtic sailing from Queenstown June 2.

The Scenic Sea Route

\$77 SEVEN-DAY CRUISE to ALASKA \$77

The Family Smoke

"OLD CHUM" is a family friend. Grandfathers, Fathers and Sons have been smoking it for years and years.

During this half century, "OLD CHUM" has grown steadily in popularity and favour.

Every pipe smoker appreciates "OLD CHUM" quality—the choice Virginia Flake Cut tobacco—chosen by experts—stored away until the perfect tobacco taste and mellow flavour are fully developed.

It is this dependable, constant quality, maintained for years, which has made "OLD CHUM" the chum of all pipe smokers in Canada.

PLANS FOR GARDEN FETE.

Plans for the garden fete to take place at the home of Mrs. W. J. Bower, Terrace Avenue, on Saturday, June 19, were completed at a special meeting of the Margaret Rooke Robertson Chapter, I. O. D. E., on Thursday. Mrs. Curtis Sampson, regent of

the Municipal Chapter, will open the fete at 8 o'clock. The following conveners were appointed to the various stalls and attractions: Miss Belle Hastie, candy; Miss Johnston, fancy work; Miss Cochrane, home cooking; Miss Sehl, baby stall; Miss Fox, flowers and vegetables; Miss Curry, fortune-telling; Miss Hinds, touch-and-take; Miss Straith, ice cream.

CASTORIA For Infants and Children. In Use For Over 30 Years

Bears the Signature of *Dr. J. C. Watson*

THREE OF THE CAST AT ROYAL

Orpheum presents to-day and to-morrow, at Royal Victoria Theatre, big musical act, "Kiss Me."

at the Theatre

DOMINION

Elsie Ferguson's new Paramount Artcraft picture, entitled, "His House in Order," is another artistic triumph of Hugh Ford, who has made an enviable reputation as stage director of "Joseph and His Brethren" and "The Bird of Paradise." This picture, starring the above-named famous actress, will be shown at the Dominion Theatre all week. Among some of the pictures that have made Mr. Ford famous as a director are "The Eternal City," "Secret Service," "The Woman Thou Gavest Me," "In Mizoura." He was recently appointed to take charge of the production of pictures for the Famous Players-Lasky Corporation abroad. In the cast of "His House in Order" are such well-known names as Holmes E. Herbert, Vernon Steel, Marie Burke, Margaret Linden and Lawrence Johnson. Arthur Miller was the cameraman.

VARIETY

Rousing one's self out of a sound slumber is unpleasant enough at the best. How would you like to be awakened by feeling the cold nose of a revolver pressed against your left ear? In "An Adventure in Hearts," the motion picture starring Robert Warwick at the Variety Theatre this week, the hero is a secret agent who escapes from the clutches of Government officials and spends his first night of freedom in a hay-mow. His pursuer's gun is his alarm clock in the morning. Some idea of the speed with which this entertaining screen romance moves may be gleaned from the fact that the next night Warwick spends in the exquisitely decorated guest chamber of an Italian nobleman. The mewing of a cat outside his room at midnight starts a delightful love affair and plunges the soldier-star into a fine melange of black-mailers, estranged husbands and wives, and scheming villains.

COLUMBIA

You've heard of scheming mothers whose ambition is to match the daughters to lords or dukes or other titled persons. In "All-of-a-Sudden Peggy," the picture featuring Marguerite Clark which is coming to the Columbia Theatre during the latter part of the week, the process is reversed. Peggy, the daughter, is seeking to marry her widow mother off to an English nobleman, whose chief hobby is collecting spiders. Since Peggy's mother is also passionately fond of the insects, being the widow of a noted scientist, the girl thinks the match would be an ideal one. Of course, she had no way of knowing that her match-making efforts would result in a mass of complications and her own tempestuous love affair. Miss Clark is supported by an excellent company, headed by Jack Mulhall. It is a Paramount Artcraft picture directed by Walter Edwards.

PRINCESS

The offering of the Mildred Page Players for their third week, "After Office Hours," promises to be the biggest so far offered. "After Office Hours" has packed every theatre in Eastern Canada to the doors, and in a number of the larger cities has been forced to play return dates and did capacity business. "After Office Hours" has not only been endorsed by the public, but by the press and pulpit as one of the greatest stage sermons of the season; in fact some of the leading ministers of Canada have proclaimed it as a play that every mother, father, daughter and marriageable girl and boy should see. The author has written a play dealing with the "unvarnished truth," designed to teach the public of to-day a moral lesson, and while told in a straightforward way, does not border on the sensational, but endeavors to teach a lesson that will inspire a loftier motherhood. Every man and woman in Victoria should make it their sacred duty to see "After Office Hours" as it is an instructive education. There will be no advance in prices.

PANTAGES

Langdon McCormack has made remarkable stage history with his combinations of staccato and drama which have stirred audiences for the past three or four years. They have attracted special attention for being rich in human appeal as well as presenting the heights of

MUSICAL FARCE TO HEADLINE BILL

"Kiss Me" Is Feature of the Orpheum This Week-end

An up-to-date musical farce will be the headline offering at the Orpheum, at the Royal Victoria Theatre, to-night, Saturday matinee and night, entitled "Kiss Me," with Dorothy Sadler, Isabelle Winlock and Harry Meyer, and a dozen or so pretty girls. The music and lyrics are written by William B. Friedlander, in itself a guarantee of spiciness and interest. There is just enough plot and not too much to spoil this clever musical production and the farcical situations are upheld with bright, crisp dialogue, catchy musical numbers that are well staged. Both the principals and chorus are handsome. It may be safely said that this is one of the best of the season's output in this line of entertainment.

Eddie Kane and Jay Herman come billed as "Midnight Sons" in a ragtime cocktail. They are not serenaders but they are uncommonly good singers of comedy songs. They have mixed their voices and their songs with their humor into an amusement draft which is considered an excellent theatrical beverage.

Vaudeville vagaries will be exemplified by John Gardner and Marie Hartman, who have done their bits in musical comedy these many seasons. In their act Mr. Gardner and Miss Hartman include a skit which they call "Before and After Marriage" and a fine assortment of songs and dances.

Pretty, dainty, little "Resista" weighing but ninety-five pounds will defy anyone to lift her from the floor. She has proved the superiority of mind over matter and has proved to be the Twentieth Century Resista. Resista offers an entertainment scientific and humorous to a high degree with just enough of the spice of mystery to induce persons to see her over and over again. Resista's act is a masterpiece of attraction of superior merit as one of the excellent features of this week's bill, which appeals to young and old alike. Fifty tropical birds, with all the plumage reflected in the rain-bows have been brought to a remarkable degree of training. Somewhere away in the jungles there must be an undeveloped sense of humor among these birds for they do expected and unexpected mirth-provoking stunts.

Two youngsters of pleasing personality are Merle Downey and Charlotte Whiting, who will be seen in "Just Kids." The boy and the girl are "Just Kids" and for fifteen

spectacle production, "Thunder Mountain," at the Pantages Theatre this week, is no exception to the rule, being better, if anything, from the human standpoint than its predecessors. The story is simple and vivid and is ably presented by Charles Bartling and Ann Hamilton in the principal roles.

SETS UP BULLETIN ON HIS TYPEWRITER

Pantages Road Show No. 151 Has Its Own Organ

"Extra! Extra! All about the Picnic," read the headlines of to-day's issue of the Daily News-sense as it was posted in the Green Room at the Pantages Theatre this morning. The members of Pantages Road Show No. 151 jostled good naturedly for a place in the reading line, for here was an instance where the readers laughed with, and not at, the press.

The Daily News-sense is the official news sheet of Road Show 151. It is published in bulletin form and posted in the Green Room at the theatre twice daily—noon and night editions. It is a big feature of the company life of the Pantages artists and probably accounts for the fact that "Here is one happy family," in the words of Miss Mabel Harper, who is a merry factor in the daily routine. The News-sense establishment is carried right with the show throughout the circuit, which takes it twice across the continent, and is remarkable for condensed efficiency. It is vested in one Carona typewriter and an exceedingly active mind to operate it. The said mind is the personal property of one Walter Winchell who, with pretty Rita Green, pretends to know something about "Puppy Love" on the current bill of Pantages Vaudeville.

"I am a firm believer in the power of the press," said Walter this morning. "It has been a remarkable factor in propagating community unity with Road Show 151. I really don't wish to give the impression of being egotistical about the Daily News-sense, but it has given me the great editorial satisfaction of commanding the attention of the whole body of its readers at all times. If they see it in The News-sense, they know it is right; and they are mortally afraid they are going to see it there. That is the psychology of the News-sense. Just to give you an idea as to its standing with the show, Walt Ngaland, the villain in "Thunder Mountain," undertook to cut into my field with an opposition sheet the other day. I am pleased to say that the old established paper has maintained its position, though, of course, the result was to have been expected."

NO PUSSYFOOT.

before purchasing a baking powder that may possibly contain injurious ingredients. Many food scientists claim that baking powder containing alum is unsafe for use in food. The mere fact that some brands of baking powder have the words "No Alum" on the label is not sufficient proof that they are what they are represented to be. Our chemists find a good many have "No Alum" on the outside but large quantities of it inside.

REFERENDUM ON SPECIAL SUBJECTS DECLARED ILLEGAL

There exists no power to submit a referendum on the proposed plebiscite desired by the Central Ratepayers' Association of Saanich to determine whether manual training, domestic science, and school gardening will be continued in the Saanich schools. The Council last evening so decided, when the question came up, to notify the Association accordingly. If the business is not a School Board concern, then it is impossible to secure the necessary one-fifth of the electors, according to statements made at the meeting, in order to force the submission of the plebiscite.

"A ROMANCE OF VICTORIA" NOW C. WAY

Word has been received by the Royal Victoria Theatre that the local moving picture "A Romance of Victoria" is finished and is on its way to Victoria. While no great or wonderful picture can be expected of amateurs, yet the praise of the Hurdis Film Company who filmed the picture must be taken into account, for their reputation is such that we are bound to accept their approval as a sincere compliment and given in a spirit of fairness rather than just to be kind. The young folks are said to have registered in their work second to no

amateur cast that ever attempted to love, die and whatnot in the films. There surely must be some funny scenes. It could not be otherwise. We take it for granted that real conversations are in store for us. Who doesn't remember the amateur nights when singers that couldn't sing and actors that couldn't act were helped off the stage by the "hook." We know that this film is a far superior product to such attempts of amateurs on the speaking stage, and yet—it's going to be funny, and everyone in Victoria will be at the Royal Victoria Theatre to see this film, next Monday, June 14.

TO REVIEW CADET CORPS HERE AT ANNUAL INSPECTIONS

The various companies of Victoria public school cadets will be put through their annual inspections as follows:
Monday, June 14—"C" Co., Victoria West School, 9 a. m.; "I" Co., Burnside School, 10.30 a. m.; "H" Co., Quadra School, 1 p. m.; "D" Co., North Ward School, 2.15 p. m.; Tuesday, June 15—"J" Co., Margaret Jenkins School, 9 a. m.; "F" Co., St. James Douglas School, 10.30 a. m.; "C" Co., Oaklands School, 1 p. m.; "E" Co., George Jay School, 2.15 p. m.
Wednesday, June 16—"B" Co., South Park School, 10.30 a. m.; "A" Co., Boys' Central School, 1.15 p. m.

VANCOUVER MEN GREET HEAD OF KIWANIS CLUB

Henry J. Elliott, K. C., of Montreal, international president of Kiwanis Clubs, was welcomed yesterday by the Vancouver Kiwanis Club at a luncheon given in his honor at the Hotel Vancouver. The gathering was very largely attended, the 250 members of the club being present almost to a man. Members' wives were also in attendance. The dining-room was decorated in the colors of the Kiwanis Club, blue and white, and blue and white flowers were on all the tables. President G. Roy Long presided and a musical programme was given in which contest singing by sections of the club occupied the principal part. A contest in singing was also held between sections of the women present and prizes were awarded to all the woman contestants. In an address at once humorous and serious, Mr. Elliott spoke of the opportunity and progress of Kiwanis. Speaking as a Canadian, he declared that one of the first things required to make Canada a greater country was a truer conception of the magnitude of the Dominion. He defined Kiwanism, not as something to teach men to be good, but as an opportunity to put into practice principles of honesty that members always had. In interesting manner he referred to some of the achievements of Kiwanism in local clubs, and in a national way.

NEW FILMS SHOW LIFE IN B. C.

Canadian Manufacturers Applaud First Showing of Provincial Movies

Canadian manufacturers last night learned of the industrial activities of British Columbia when they saw the new Provincial Government films at the Royal Victoria Theatre, showing seine and trap fishing, copper smelting at Anox, whaling, lumbering, paper making, and fish curing. By the aid of the film they were also taken for a trip over the Pacific Great Eastern Railway.

It was the first showing for most of the films. The crowd applauded them enthusiastically as they not only showed the features of life in this Province that are typical and different from other parts of Canada, but also some of the tremendous industrial plants there are in B. C. in towns hidden off the beaten tracks. Dr. Baker, chairman of the Provincial Game Conservation Board, lectured on the whaling film, which showed the whole thing from shooting the harpoon into the mammal to the cutting of choice whale steaks. Eastern members of the Manufacturers' party were interested in some of the mountain scenes, particularly the moving pictures of a bear hunt.

Dr. Baker edited and wrote the heads for most of the films. Madame Winifred Logrin-Fahey, accompanied by Mrs. Gibson, sang "Down 'Aurial Way," "Homing," "There is No Death," "The Last Hour," "At the Well" and a couple of encores. The Arion Club, under Herbert Kent, with Professor E. Howard Russell as accompanist, gave a number of selections. George Bushby, with four sailors, made an appeal during the evening for support of the Navy League fete at the New Drill Hall. Many of the party went out there afterwards and danced until 2 o'clock.

REGISTRATION IS PROCEEDING SLOWLY

Public Is Not Yet Alive to Necessity For Personal Registration

There appears to be a great deal of misunderstanding with regard to registration for the provincial voters' list. One point which is emphasized by registration officials is the limitation to register in a district where the voter is domiciled is limited to the commissioner appointed for the specific purpose of the statute, and that deputy registrars can receive registrations for any electoral district. It is further pointed out that notaries public must accept applications without fee, and forward them to the proper quarters. Emphasis is laid on the fact that the registration must be made by every qualified voter, and that no previous registration will be of any value. The Liberal rooms here are well organized for receiving registration, and many names have been obtained by the commissioners. Every effort should be made to secure early registration, as there is certain to be congestion next month. In Saanich riding the registrations are coming in well, and it is expected that 7,000 names will be obtained in the two municipalities of Saanich and Oak Bay, which form the constituency, by July 15.

SAANICH HEALTH CENTRE

Reeve Watson, Councillors Clark, Dooley and Pim were appointed by the registration committee to consider the plans for making a start on the Saanich Health Centre building, corner of Saanich Road and Glanford Avenue.

DEPRECATE EFFORT TO MOVE OFFICES

Returned Professional and Business Men's Association Meets

The Returned Professional and Business Men's Association of Victoria met on Wednesday in the rooms of the British Campaigners' Association. Ten new members were admitted on the report of the Membership Committee. It was decided to issue a small folder containing the names of all the members, to be distributed to the householders in and around Victoria. Interested members are requested to get in touch with the Secretary, H. W. R. Moore, of Langley & Moore, Pemberton Building, or the Assistant Secretary, D. Fyvie, of Fyvie Bros., Hamley Building, as early as possible, in order that their names may be included. The following resolution was unanimously adopted: "Whereas it is rumored that it is intended to remove the Soldiers' Settlement Board from Victoria; and whereas it is in the interests of returned members already settled, and expecting to be settled, on Vancouver Island farms, that the Victoria office should not be closed; therefore be it resolved that the Returned Professional and Business Men's Association of Victoria go on record as opposing the change." It was decided that the monthly luncheon of the Association be held on the last Wednesday of each month.

THE GORGE BRIDGE

When the Gorge Bridge is reopened the Saanich and Esquimalt Councils have agreed to pass identical resolutions declaring the maximum weight on the bridge to be two and a half tons, and a three miles per hour maximum speed limit. Saanich passed its resolution at the council meeting last evening.

CITY FOR ONCE HAS SURPLUS OF MONEY

Has About \$7,000 It Does Not Know What to Do With

The civic authorities to-day find themselves in a position unprecedented in the last few years—they have several thousands of dollars which they do not know what to do with. And apparently they have not recovered sufficiently yet from the shock of having this sum to be able to decide how to use it. The money in question—approximately \$7,000—was placed in the annual estimates to pay one installment on a municipal golf links—a project which recently was turned down by the ratepayers. Though the ratepayers have rejected the golf links plan, the money is still in the estimates and will remain there until the Mayor and aldermen decide what to do with it.

It would not be difficult, of course, to spend the money in a number of different ways, because all civic departments have been sailing close to the wind for years now. Mayor Porter thinks that the sum might well be expended on street improvements—improvements which, he declares, are badly needed in many districts of the city. He is opposed to devoting the money to any new project or scheme. Some other members of the Council, though, have different ideas on the subject. It is probable that the matter will be given attention in the near future.

The WEATHER

Victoria, June 11.—5 a. m.—The barometer is rising on the coast and fair moderately warm weather will become general in B. C. Local rains have occurred in Saskatchewan and Manitoba. Reports: Victoria—Barometer, 29.87; temperature, maximum yesterday, 51; minimum, 47; wind, 16 miles W.; weather, clear. Vancouver—Barometer, 29.86; temperature, maximum yesterday, 68; minimum, 44; calm; cloudy. Kamloops—Barometer, 29.72; temperature, maximum yesterday, 70; minimum, 48; wind, 4 miles S.; weather, fair. Barkerville—Barometer, 29.68; temperature, maximum yesterday, 80; minimum, 32; calm; weather, fair. Prince Rupert—Barometer, 29.84; temperature, maximum yesterday, 52; minimum, 42; calm; weather, cloudy. Temperature: Max. Min. Portland, Ore. 64 52 Seattle 55 43 San Francisco 64 52 Penton 65 . . Grand Forks 71 . . Nelson 72 . . Kailash 66 44 Calgary 70 48 Edmonton 70 69 Qu'Appelle 66 48 Winnipeg 74 48 St. Paul 73 43 Ottawa 84 . . Montreal 78 . . St. John 68 . . Halifax 60 . .

NEARLY FORTY THOUSAND HAVE QUALIFIED FOR LAND

Up to April 30 the Agricultural Branch of the Soldiers' Settlement Board received 51,877 applications for qualification certificates and of these 35,157 were approved from the following Provinces: British Columbia 4,667 Alberta 10,453 Saskatchewan 9,610 Manitoba 6,639 Ontario 3,525 Quebec 1,063 New Brunswick 979 Nova Scotia 779 P. E. I. 442 38,157 The Board also reports a total of 6,886 soldier grant entries up to May 29. This means an acreage of approximately 1,500,000.

TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas On Stomach, Etc. Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things. Either they can eat on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little bisulphated Magnesia at their meals. There is probably no better, safer or more reliable remedy than Bisulphated Magnesia and it is widely used for this purpose. It has no direct action on the stomach, and is not a digestant. But a teaspoonful of the powder or a couple of five-grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the sole cause of the trouble and the meal digests naturally and healthfully without need of pepsin pills or artificial digestants. Get a few ounces of Bisulphated Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate, and in the bisulphated form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had as to what to eat.

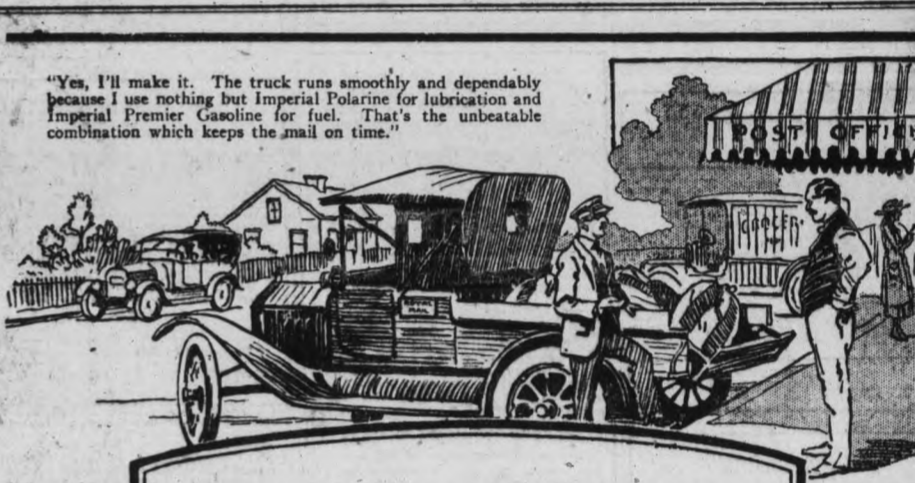

Never a corn on millions of feet nowadays

Do you know that millions of people who use Blue-jay keep entirely free from corns? If a corn appears it is ended by a touch. A Blue-jay plaster or a drop of liquid Blue-jay is applied. The corn pain stops. Soon the whole corn loosens and comes out. Themethod is scientific. It is gentle, easy, sure. Old-time harsh treatments are supplanted by it with everyone who knows it.

It is made by a world-famed laboratory, which every physician respects. It is now applied to some 20 million corns a year. You can see that corn troubles are fast disappearing. Then why pare corns and keep them? Why use methods which are out-of-date? Try this new-day method. See what it does to one corn. You will never forget its quick and gentle action. Your druggist sells Blue-jay.

Accurate Thorough Lubrication

IMPERIAL Polarine gives thorough lubrication under every operating condition. Cars and trucks give longer, cheaper service when lubricated with Imperial Polarine. Imperial Polarine will not break up or run thin under continued operation. It reduces friction to a minimum by maintaining a coating of oil on every wearing surface. It seals all the power behind the piston by establishing a perfect piston-to-cylinder seal. Learn which of the three grades described below is best suited for your car from the Imperial Polarine Chart of Recommendations, which is on display wherever Imperial Polarine is sold. Sold in one-gallon and four-gallon sealed cans, half-barrels and barrels, also in 12½-gallon steel kegs, by dealers everywhere.

VERDICT FOR PLAINTIFF

Dan W. Campbell Gets Damages From W. M. Shaw, of Gabriola.

Dan W. Campbell, who has been suing W. M. Shaw, of Gabriola Island for \$20,000 for a letter Shaw wrote about him, alleged to be libelous, was awarded \$200 damages late yesterday afternoon by Mr. Justice Macdonald in the Supreme Court. The case has been before the court for three days with John R. Green pressing it for Mr. Campbell and H. B. Robertson defending Mr. Shaw. Mr. Justice Macdonald said there had been friction between Campbell and Shaw when Campbell was on the Island as manager for the plant of the Gabriola Shale Products, Ltd. The two had been in a controversy over the location of the proposed wharf, and had carried on the discussion at public meetings. There was also trouble about foreshore rights. The court declared that the Shaw letter was "an unwarranted attack upon a man in a position of trust, and altogether unnecessary, intended to effect the plaintiff's position as manager of the company." The judge said the letter had tended to convey the impression that Campbell was unworthy of the confidence of his employers, the Cameron Investment Co. He said Shaw was not entitled to write such letters. Because it was not shown that Mr. Campbell had suffered special damages and the letter was not as damaging as if it had been published in a newspaper, Mr. Justice Macdonald cut the damages award to \$200. Mr. Shaw will also have to pay all the heavy costs of the trial. Chief Justice—Why don't you stop talking when I look at you? Ever-Cheerful—Lady, I ain't no clock.—Scalper.

Letter-Carriers Will Not Be Re-instated If They Strike

Ottawa, June 11.—(Canadian Press).—"If the letter-carriers go on strike," declared Hon. N. W. Rowell, President of the Privy Council, in the House this afternoon, that will be treated as their resignation.

Mr. Rowell replied that while the Government had not received any direct communication from the letter-carriers, communications had been received from public bodies in Toronto, in which there was a complaint about the bill before Parliament. Mr. Rowell commented that he could not understand why such a complaint should be made.

DEPUTATION FROM M'KENZIE AVENUE DISTRICT HEARD

Saanich Council Says Board Has Made No Effort For Appropriation

WANT MORE ROOM FOR YOUNGER PUPILS

"This Council is not a court of last resort," Reeve Watson last evening told one of the most representative gatherings which has occupied the council chamber at Royal Oak Municipal Hall. Headed by President W. Stubbs, of the McKenzie Avenue School Parent-Teachers' Association, in deputation, which included a majority of ladies, desirous the Council to find funds for extra accommodation of pupils at that school, which on all hands was admitted to be very over-crowded.

No Funds.
Mr. Stubbs stated the case clearly. He said: "We went to the School Board, and were told that there were no funds, and that therefore we must apply to the Council. The district is growing rapidly, and I understand there are some twenty children waiting who cannot get into the school under present circumstances. Unfortunately the children who are awaiting accommodation are mostly very small children, who cannot go far. Another room would look after the needs of the children of the district four or five more years. We were told that the basement might be fitted up, but that is used for a playground in wet weather, and the situation would not be satisfactory.

Reeve Watson: Did the Board tell you that money had been refused for McKenzie Avenue School by this Council?
Mr. Stubbs replied that they had been referred to the Board to the Council. Nothing was said about a money by-law.

Reeve Watson remarked that it was surprising such a statement should be made, in view of the fact that no official application had ever been made by the Board to the Council regarding inadequate accommodation at that school.

Statements were then made to the Council with regard to the overcrowding at the school by Miss Drennan, a teacher, who said that a large number were expected to join the school in September. She did not think the idea to use the basement as a classroom would be satisfactory, as it was not available in winter, now being in use for a playground.

Mr. Stubbs observed that he had been told some of the pupils had to sit at the teachers' desks, some classes being so overcrowded.
Miss Drennan observed that the District School Inspector had described the conditions as greatly overcrowded.

There was a chorus of protest at this time from parents who objected to have children educated in basements.
Basements Not Ideal.
The Reeve: I can well agree that basements are not the best for teaching, but we have used one for a long time elsewhere.

Reeve Watson indicated that the School Board had a number of school extensions which might entail a sum of \$20,000 or so concerned for which they might have called for a by-law, but the Board had not asked for it.
Mr. Stubbs: We are not here to blame anyone, but to get some information.
Councillor Terrell believed that if the Parent-Teachers' Association would use the same energy in educating the people to pass a school by-law as they did in getting up the deputations they would secure the passage of a by-law for school extension.

Councillor Dooley hoped the deputation would use its influence to induce the Government to take over complete control of the schools.
Pending that decision Councillor Clark thought the deputation might induce the ratepayers at large to support a school by-law, but the Council had to go carefully in that matter because of the threat of a session which had come from Ward VI earlier in the year.

Reeve Watson declared that the deputation must not go away with the idea that he was hostile to the schools, he was just as strong for good schools as ever. As a matter of fact, said the Reeve, the School Board was spending more money in current expenditure in Saanich than the Council.

Power of Associations.
The majority of the delegation was astonished, but some of the women declared it was the right policy. In indicating that the deputation would go back to the Board, Mr. Stubbs observed: "These Parent-Teachers' Associations are going to be a power in the district. I may say that most of us have got children, and we are going to look after those children."
