Japanese Troops In Conflict With Forces of Chita

Neutral Zone Between Chita and Vladivostok Forces Scene of Clash, Says Tokio Dispatch; Chita Troops Forced As Far North As Shmakovka, 150 Miles From Vladivostok.

Tokio, April 13.—Japanese troops have driven the Chita Government forces out of the neutral zone between them and the Vladivostok Government troops, says a dispatch received in Tokio today from Vladivostok.

The Japanese have forced the Chita troops as far north as Shmakovka, about 150 miles from Vladivostok, and are approaching the Usuri Station, a few miles farther north, says the dispatch. The Vladivostok Government troops have occupied the town of Olga.

CHEAPER MONEY IN ENGLAND

Bank of England Reduces Discount Rate to Four Per Cent.

London, April 13.—The Bank of England today reduced its discount rate to four per cent. The last previous reduction was on February 18, when the rate dropped from five to four per cent.

The reduction coming on the eve of the Easter holidays was an entire surprise to the money market and financial interests. Business in Lombard Street had commenced this morning with the usual subject of "lower rate" which is usually postponed when there is a possibility of a reduction during the day and the belief is expressed that the action was prompted by the treasury which has been ruling the money market for some time past.

The reduction, however, was welcomed as another step in the restoration of more normal conditions and the loosening of money for trade purposes.

Lowest Bank Rate.

New York, April 13.—With the exception of Switzerland, Great Britain now has the lowest bank rate in the world. The result of the Bank of England reducing its discount rate today to four per cent. Switzerland has cut its four per cent rate to 3 1/2 per cent on March 2, on account of the excessive gold supply in that country.

The British rate compares with a high of ten per cent on August 1, 1914, and a low of three per cent on January 29, 1914.

CONTINUE WORK ON PACIFIC HIGHWAY

Government Calling Tenders Three Miles of Road-work

Vancouver, April 13.—Tenders will be called for in a few days for the construction of about three miles of the Pacific Highway, stated the Hon. Dr. W. H. Sutherland, Minister of Public Works, while in the city last evening. The section for which tenders are to be asked is from the end of concrete at the intersection of Johnson Road to Serpentine Hill. This distance was approximately three miles, he said.

Dr. Sutherland was in the city for only a few hours last evening, during which time he conferred with the Hon. Hewitt Bostock, Speaker of the Senate, who was in the city yesterday, and with J. A. Campbell, president of the Vancouver Liberal Association.

Visited Escondido.

The Hon. Dr. J. D. Maclean, Provincial Secretary, also spent yesterday on the mainland. He paid a visit to Escondido and stated last evening that he had seen the contractors on the new wing of the mental hospital turn the first sod towards beginning work on the \$580,000 contract.

Both Ministers declined to commit themselves as to the date of the Vancouver by-election.

Allies Regard Angola Proposals As Unacceptable

London, April 13.—The London Times says it understands the Allies regard as unacceptable the Angola Government's counter-proposals to the suggested armistice between the Turks and the Greeks, that Asia Minor should be evacuated.

The Turkish Nationalist Government at Ankara in replying to the Allied armistice proposals recently were reported to have accepted the Allied viewpoint with the reservation that Anatolia, including Smyrna must be evacuated within four months; that the Greeks should leave the Eskil, Shehr Afkin-Akaransur Kutula line within a fortnight and the remainder of Anatolia to be evacuated under the supervision of Allied officers.

NO AGREEMENT IS REACHED AT DUBLIN

Peace Conference Adjourned Until Next Wednesday

Dublin, April 13.—The Peace Conference summoned by Lord Mayor O'Neill, of Dublin, began its sessions in the Mansion House at 3 o'clock this afternoon, with leaders of all factions present.

The Conference adjourned late in the afternoon until Wednesday next without any agreement having been reached. It is reported the earnest wish was expressed by all the parties represented that there be no interference with public meetings.

Dublin, April 13.—An agreement whereby the Irish people at a free election can decide the dispute between the Free Staters and republicans was hoped for at the conference of leaders of opposing factions and others interested in peace, called for today.

It was recognized that the issue between the two parties was too sharply drawn to admit of a political accommodation, but efforts would be made to reach such an understanding as will discourage further disorders.

Those invited to the conference are: Arthur Griffith and Michael Collins for the provisional Free State Government; Eamon de Valera and Charles Burgess for the republicans; Archbishop Byrne, of Dublin, and Stephen O'Mara, Lord Mayor of Limerick. Lord Mayor O'Neill, of Dublin, who called the meeting, was expected to act as chairman.

Mr. de Valera has opposed an election on the existing register, which he contends would exclude many young men and women who have reached voting age since it was compiled, and Mr. Griffith has been against a new register on the ground that preparation would delay the elections, which he had planned for June.

But those seeking to bring about an adjustment believe an agreement can be reached whereby the elections could be held in August under a new register and thus avoid any interference at the polls by the dissident section of the Irish republican army, which upholds Mr. de Valera's views.

Canada Represented On Two Important Sub-Commissions

Genoa, April 13.—Canada is represented on two of the most important sub-commissions of the Economic Conference entrusted with the preparation of reports for the four main commissions. Professor Edmond Montford is a member of the sub-commission on Russian affairs and transport; and Sir Charles Gordon is on the economic and transport sub-commission.

SCULPTOR PASSES.

New York, April 13.—Henry Merwin Shrady, noted sculptor, who designed the Grant Memorial in Washington which is to be unveiled April 27, the 100th anniversary of the general's birth, died today at the age of 51.

He is blamed for "Mr. Bowser's poor leadership." He also referred to the demand for a new leader that was being made by Victoria and Kamloops Conservatives. Mr. Banton said there was a different story in the three recent provincial by-elections, when the Conservatives were completely "snowed under."

Mr. Bowser had "sidestepped the issue" of the special committee from the Young Conservatives interviewed him in regard to the leadership. After referring to the success of the Conservatives in Vancouver at the Federal election, Mr. Banton said there was a different story in the three recent provincial by-elections, when the Conservatives were completely "snowed under."

He blamed "Mr. Bowser's poor leadership." He also referred to the demand for a new leader that was being made by Victoria and Kamloops Conservatives. Mr. Banton said there was a different story in the three recent provincial by-elections, when the Conservatives were completely "snowed under."

STATUS OF B. C. ON LIQUOR IS RAISED

Ontario's Attorney-General Questioned on Seizure

Toronto, April 13.—Hon. W. E. Bonye, Attorney-General, replied last night in the Legislature to the charge made by Herbert Lennox North York, recently, that the Attorney-General's Department had offered to release liquor seized at Fort Francis if assured that it would be shipped out of Ontario to British Columbia or some other place.

Mr. Bonye read a statement from James Hales, chairman of the License Board, which said that the company was asked, if it would be willing if the proceedings were ended, to ship the liquor out of Ontario to some place to which it could be lawfully sent. Mr. Hales's communication said:

"I assume no responsibility for mentioning the province to which they should send their liquor and I never departed from the express stipulation that there should be no violation of the law of the country to which shipment might be made."

Mr. Bonye then compared that statement with what Mr. Lennox had said and declared he left the issue to the judgment of the House.

Answering Mr. Lennox, he admitted that British Columbia was not a lawful place to send liquor.

STOPPED OPERATIONS.

Sydney, N.S., April 13.—Because two boys were dismissed for refusing to obey the underground manager, the remainder of the boys went on strike at No. 12 colliery, New Waterford, yesterday, throwing about 250 men temporarily out of work.

GENERAL PERSHING IS HONORED BY MCGILL

Montreal, April 13.—General John Pershing, chief of staff of the United States army, will receive the honorary degree of Doctor of Laws at McGill University on May 12. It is announced here by General Sir Arthur Currie, vice-chancellor and principal of the University.

DRYDOCK PARTY STARTS FOR OTTAWA

Delegation Loaded With Arguments Ready for Action When Politicians Return

Victoria's delegation to make Ottawa realize the importance to Canadian shipping of the completion of the \$4,300,000 drydock at Esquimalt left for Ottawa last night.

At the head of the delegation went the Hon. John Hart, Minister of Finance, and one of the four members in the Legislature for this city. The others are: Henry C. Hall, K. C., a former member of the Legislature, a former member of the Liberal Association, and candidate in this city in the last Federal election.

Esquimalt is also sending a representative to aid in the fight. He is T. B. Booth, defeated Liberal candidate for Nanaimo in the last election. Esquimalt is in the Nanaimo riding. Mr. Booth was in Victoria yesterday consulting with the Victoria men on the plan of attack. He went to Nanaimo this morning, but will be in time to join the rest of the party when they start out for Vancouver on the C. P. R. train to-night.

Heavily Armed.

The party went from here armed with documents, statements, facts, figures and other material which will help them to bring back the order for the completion of the dock.

They will reach Ottawa by the middle of next week in time to get settled before activities commence on Parliament Hill after the Easter recess.

For the expenses of the drydock delegation, Victoria City Council is putting up \$1,000. Esquimalt \$350. Oak Bay \$200. Saanich council is expected to make its grant at its meeting to-night.

SEMENOFF MUST FURNISH NEW BOND

Alternative Said to Be Jail for Cossack Leader

New York, April 13.—General Grover Semenov, former Ataman of the Cossacks in Eastern Siberia, who was arrested on his arrival here last week, today faces the task of furnishing a new bond to-day. Officials of the surety company which furnished the bond the night after Semenov was arrested, gave notice yesterday of the firm's intention to cancel its responsibility in the case.

Considerable mystery developed as to the whereabouts of the Ataman last night. Two or three deputy sheriffs were hunting for him. It was declared that Semenov would be produced by his attorneys to-day. The referee in the bankruptcy proceedings of the Youraveta Home and Foreign Trading Company, the receiver for which causes Semenov's arrest, also intended to question the General relative to the looting of the company's goods at Chita. Claims arising from this alleged action on the part of Semenov and his subordinates were laid before a court at Harbin, Manchuria, last December and a judgment of about \$475,000 was awarded the company.

San Francisco, April 13.—The remaining manslaughter charge against Roscoe C. (Fatty) Arbuckle, who was acquitted last night by a jury after six minutes of trial, was dismissed today by the district attorney.

San Francisco, April 13.—A verdict of acquittal was returned by the jury last night in the third trial of Roscoe C. Arbuckle on the manslaughter charge growing out of the death of Miss Virginia Rappe, motion picture actress.

The jury was out six minutes. Edward Brown, whose presence on the jury was objected to by the prosecution, was foreman. There was a slight delay when the jury returned due to the absence of the district attorney.

The defendant was deeply affected. The verdict was received by him with a great sigh of relief. There was no demonstration, the court having warned against it.

Mrs. Minta Duffee Arbuckle, the defendant's wife, cried quietly. The defendant and Mrs. Arbuckle shook hands with the jurors.

The quick return of the jury was a surprise, the case taking nearly five weeks to try.

A number of spectators crowded around Arbuckle and his counsel and finally bore him off to the jury room to congratulate him further.

It will again be shown in one to be determined by the board of directors of the Famous Players-Lasky Corporation, whose headquarters are in New York. This was stated late today by Cecile B. DeMille, director-general of the corporation, upon being informed that Arbuckle had been acquitted.

LENINE WILL GO TO GENOA

Genoa, April 13.—Nikolai Lenin, Soviet Premier, will come to Genoa to replace George Tchitcherin as head of the Russian delegation, when the negotiations at the Economic Conference reach the preparatory stage, says the newspaper Secolo.

RUSSIANS OPPOSE TRIBUNAL CLAUSE

Prepared to Give Financial Guarantees Demanded

London, April 13.—The Russians at Genoa will give all the financial guarantees demanded in the programme of the Allied experts, but flatly refuse to accept the clause providing for mixed tribunals to fix responsibility, says a Genoa dispatch to the Associated Press.

The Russians consider the tribunal clause as an infringement of Russia's sovereignty.

Meet On Holiday. Genoa, April 13.—Even Good Friday will be a holiday for the delegates to the International Economic Conference, as at least three sub-commissions are to meet on that day. Meetings are also scheduled for Saturday and it is improbable that there will be sessions on Easter Sunday, so keen are the delegates to get the basis worked out for Europe's financial reconstruction.

People who came here to enjoy the lighter side of the Conference have been keenly disappointed, as there is no lighter side. The wife of one delegate remarked to-day that she had never attended any Conference which gave so little attention to social affairs.

At all hours of day and night the delegates are rushing through the streets in their way to group meetings and from 10 until six o'clock every day the sub-commissions are grinding away. Delegates who are members of more than one sub-commission have to appoint proxies, as three or four of these bodies of ten meet at the same time.

Mr. Lloyd George and the other British delegates were keenly disappointed at first at not finding a golf course within reach, but thus far they have had time for recreation other than that afforded by the sporting game of keeping the Conference from blowing up under the pressure of the Russian delegates' disarmament talk.

Wires Busy.

Genoa, April 13.—The telephone and telegraph lines reaching out from Genoa are swamped by business incident to the Economic Conference and many complaints of delay have been lodged with the Government.

The telegraph administration today pointed out that on April 10 there were dispatched from the city telegrams totaling 21,000 words.

On the same day the telephone calls to other Italian towns showed a total of 108 hours and to towns abroad twenty-two hours, the equivalent of 2,600 three-minute conversations.

ATMOSPHERE AT GENOA CLOUDED

Specific Action on Disarmament or Reparations Improbable

Genoa, April 13.—While rumors of a sensational nature were flying thickly about the Conference circles today, most of them being promptly disavowed the one fact that appeared to stand out in the somewhat clouded atmosphere was that neither the disarmament nor reparations questions would be brought up for specific action against the opposition of France.

The disarmament discussion had centred in the rumor that Prime Minister Lloyd George would propose a military holiday for a fixed time.

This was flatly disavowed this afternoon by members of the British Delegation, covered more than 400 miles by motor car. He was accompanied by Patrick Philip, public works engineer; Rev. Thomas Menzies, M. P. for Comox, and Kenneth Campbell, M. P. for Nelson. The Department already has road men out in every part of the Island Highway filling in the holes and ruts, preparing for the heavy travel this summer. The Minister found most of the roads good despite the bad winter weather they have had to endure. With seasonal patching most of them will be in good shape.

Dr. Sutherland went to Valdez Island where he examined the private road running through the Anderson property to Quahkiaki Cove. Mr. Menzies showed him that this was the only road by which settlers could get to the wharf and the only road for a number of residents around Gawnland Harbor. As a result of what he saw Dr. Sutherland this morning had the Anderson road gazetted a public road, so soon as he reached his office.

The Minister looked over the Nanaimo River bridge situation where the viaduct was washed away some time ago. Proposals for a new bridge are now being made that this should be replaced and the expense borne by Nanaimo city and the Government. The Nanaimo water supply pipe is carried across this viaduct.

As to the disarmament and reparations issues, it appeared clear that the Conference could not conceivably entertain any resolution relating directly to them, unless France consented to a change in the agenda.

It is impossible to prevent members of the Conference from discussing reparations and disarmament, but mere discussion is not regarded as a violation of the agenda, and the Conference are pledged not to move consideration of questions that have been barred.

Sir Ross Smith Killed While on Practice Flight

Famous Australian Aviator Who Was Planning Aerial Tour of the World Meets Tragic End at Brooklands; Aviator's Engineer Also Killed.

London, April 13.—Sir Ross Smith, the Australian aviator, who with his brother, Sir Keith, had planned to start from Croydon on April 25 for an attempted flight around the world, was killed when his plane crashed in a practise flight at Brooklands to-day.

Lieut. Bennett, an engineer, who was planning to accompany Sir Ross and his brother around the world, also was killed.

The machine which crashed was the one the Smiths intended to use in their flight. Captain Cockerill, of the Vickers Company, has previously flown it for a half-hour, then handing it over to Captain Smith.

As the machine was approaching the aerodrome to land it got into a spin and the fatal crash followed.

The accident occurred fifteen minutes after Captain Smith and Lieut. Bennett began their flight. Sir Keith Smith had intended to make the trial flight with them, but he arrived too late, and was among the crowd that witnessed the tragedy.

The machine had climbed gracefully to more than 3,000 feet when suddenly her nose dipped and she went into a spin. The spectators thought that the aviators were attempting a stunt for the purpose of testing the wings of her machine, but it soon became apparent that the plane was out of control.

It started to spin in a slow spin, which became faster and faster until the machine hit the ground with such a terrific crash that the plane was practically splintered.

Instantly killed. Sir Ross was instantly killed and Lieut. Bennett died a few minutes later.

Captain Smith yesterday entertained at Vickers Works in Weybridge a large party of friends who came to wish him luck on his attempted world flight. He had completed all of his arrangements, and he talked to his visitors with modesty of his chances for success.

Sir Ross was a pilot remarkable for his skill rather than for feats of the daredevil type. He never took unnecessary chances. "Safety" with due regard to the accomplishment of the task before him was his motto in the air.

Captain Sir Ross Smith sprang into prominence in the world of aviation in 1919, when, accompanied by his brother, Sir Keith, he made the flight from England to Australia, 11,500 miles, winning a prize of ten thousand pounds from the Australian Government as the first aviator to accomplish the Australian flight. Both aviators were knighted for their feat.

Distinguished Service.

Captain Smith was killed in to-day's crash saw distinguished service in the European war, first with the Australian Light Horse in Egypt and Gallipoli, and later as an aviator with the Australian flying corps in Egypt and Palestine. He was one of the British army aviators who in December, 1918, made the first flight from Cairo to Calcutta.

Sir Ross and Sir Keith had just completed plans for their attempted flight around the world which they expected to start April 25. The route was from London to France, Egypt, Asia Minor, India, China, Japan and Siberia, thence jumping to North America at Bering Straits, with landings at Anchorage, Alaska and at Unalaska, in Alaska, then across Canada to the Soo, swinging there to the Southeast to New York and continuing along the New England coast to Newfoundland for the jump across the Atlantic to Ireland.

The aviators expected to cover the 23,500 miles in 240 hours of actual flying, spread over a period of three months.

Their machine was of the hydro-aeroplane type, fitted with wheels for alighting on land and propelled by an engine of 450 horsepower.

REPAIR MEN BUSY ON ISLAND ROADS

Dr. Sutherland Back From Inspection Tour

Hon. W. H. Sutherland, Minister of Public Works, returned to the Parliament Buildings to-day from his first inspection tour of the roads of Vancouver Island.

In the last couple of days the Minister covered more than 400 miles by motor car. He was accompanied by Patrick Philip, public works engineer; Rev. Thomas Menzies, M. P. for Comox, and Kenneth Campbell, M. P. for Nelson. The Department already has road men out in every part of the Island Highway filling in the holes and ruts, preparing for the heavy travel this summer. The Minister found most of the roads good despite the bad winter weather they have had to endure. With seasonal patching most of them will be in good shape.

Dr. Sutherland went to Valdez Island where he examined the private road running through the Anderson property to Quahkiaki Cove. Mr. Menzies showed him that this was the only road by which settlers could get to the wharf and the only road for a number of residents around Gawnland Harbor. As a result of what he saw Dr. Sutherland this morning had the Anderson road gazetted a public road, so soon as he reached his office.

The Minister looked over the Nanaimo River bridge situation where the viaduct was washed away some time ago. Proposals for a new bridge are now being made that this should be replaced and the expense borne by Nanaimo city and the Government. The Nanaimo water supply pipe is carried across this viaduct.

Unlikely Moratorium Question Will Be Discussed at Genoa

Paris, April 13.—Premier Poincare is opposed to a meeting of the Allied Supreme Council in Genoa to consider Germany's reply to the Reparations Commission's demand on the question of a partial moratorium. Moreover, it is regarded in French official circles that there is little likelihood of the question coming up before the Allied Governments until May 31, when the next German payment under the old schedule comes due.

There were persistent reports yesterday that a Council meeting might be held at Genoa before the end of April.

A high French official said to-day that if the question was brought up at Genoa the French delegation would quit the gathering.

By Foreign Loan.

Genoa, April 13.—Karl Bergman, German representative with the Reparations Commission at Paris, who arrived here to-day, reiterated that it would be impossible for Germany to make the further reparation payments requested except through a foreign loan, which would improve German exchange. Further taxation in Germany would be unbearable, he declared.

GENEA TALKS TO LONDON BY RADIO

Geneva, April 13.—Wireless service between Switzerland and England was inaugurated at noon yesterday with a message from the President of the Swiss Confederation to King George. One hundred words a minute were transmitted.

Why Grandpa is So Popular

GOOD health and good humor usually go hand-in-hand. The sufferer from torpid liver, indigestion or irritated nerves cannot easily maintain a happy countenance and a cheerful disposition, whether young or old.

The grandpa represented in this picture has succeeded in maintaining his good health and good spirits by the use of Dr. Chase's Nerve Food to keep his blood rich and his vitality at high water mark.

Men and women of advancing years are learning more and more the benefits to be obtained by the use of this great restorative. It seems to supply exactly what elderly people require in order to keep feeling well and happy.

Mr. D. F. Armstrong, R.R. No. 3, Mallorytown, Ont., writes:

"Through overwork and an extra amount of mental strain, I became very nervous and run-down. I began using Dr. Chase's Nerve Food, and they certainly seemed to touch the right spot. It almost seemed for a time as though I fairly lived on them, and I can recommend this treatment to anyone requiring a medicine of this kind. I am now over 61 years old."

("Sworn before me at Mallorytown, this 7th day of March, 1921."—D. F. Clow, J.P.)

Dr. Chase's Nerve Food, 50 cts. a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

EDUCATION TOO STANDARDIZED, EXPERT WARNS

Canadian System Should Be More Flexible, Says Principal Grant

Would Allow Teachers to Choose Books From Few Picked Works

Canadian education is not flexible enough—there is too much standardization in the text books used in the public schools, Major W. L. Grant, Principal of Upper Canada College and one of Canada's leading educationalists and historians, told the Rotary Club at its luncheon today.

"Under the present system teachers are forced often to use text books distasteful to them and the only way to get rid of such text books is to abolish them from a whole Province," Major Grant pointed out. "The only reason I can see for a strictly standardized text book is that it is cheapest, but we must remember that the cheapest way is not always the best way in education. Our American cousins have realized these facts more than we, and have given individual communities the right to choose the text books which shall be used in their schools, and would suggest a modification of that idea—a system modeled after that in force in England, where several books on a certain subject are prescribed for a course, and the teacher can pick the one which suits him best. As the three or four books are chosen by experts there is no possibility of unsuitable books being chosen. This system gives to the teacher a freedom which he does not at present possess."

His Own Case.

To illustrate his point Major Grant recalled the treatment accorded a text book on Canadian history which he himself had written for use in Canadian schools. Charges that the book had been written by "pro-Jesuit" and a "pro-Hut" had caused the book to be taken off the curriculum of public schools in some parts of Canada, including British Columbia. "The trouble is that, to satisfy those who complained about the book it was necessary to abolish it in a whole Province while it is still in use in other parts of the country where teachers who do not like it are forced to teach from it," he explained.

An Untried Experiment.

"Our civilization to-day is based on a new, untried experiment—state-controlled education," Major Grant asserted. "It is up to us and up to you to see that this system doesn't become simply the system of the next. The average man is a little doubtful about state-education and what he is chiefly doubtful about is the product of that system. I believe the answer to that is that there is nothing wrong with the great experiment but we must broaden and differentiate our system."

Three Supreme Motives.

"After all," Major Grant went on, "there are three motives which move men—love of truth, love of duty, love of goodness and some phases of our educational system are out of touch with these motives—boys and girls are often taught too subjects, mere monkey tricks and are then sent out into a competitive system which is very often the negation of citizenship."

"Education is a process beginning with birth and left incomplete at death. It must be as subtle, flexible and differentiated as life itself. Above all things, education must not be a thing just for high brows. Baden-Powell warns the Boys Scouts to beware of women, wine and high-brows. Whatever may be said about the first two certainly there can be no dispute about the last. Keep your eyes on the provincial system of education, for these systems have a tendency towards artificiality. The whole question is: 'What are you doing for the child?'"

Major Grant suggested that residential schools should be used as experimental laboratories to discover improvements in educational methods. "And when they have undertaken this work let the educational authorities watch them, reject what is found to be bad, and grasp what is found to be good," he urged.

Dominion Lodge, I. O. O. F.—At the usual weekly session of Dominion Lodge, No. 4, I. O. O. F., to be held this evening the first degree will be exemplified.

Firemen's Dance.—The firemen will hold their usual weekly dance this evening in the headquarters hall, dancing to commence at 8:30 o'clock. Invitations are necessary.

Cloverdale P.T.—At the regular meeting of the Cloverdale Parent-Teachers' Association, with President Jeanne in the chair, it was decided to ask the Saanich School Board to set aside, if possible, a piece of land central to the Tillicum-Tollmie, McKenzie Avenue, North Dairy and Cloverdale Schools, for use as a sports ground. H. T. Havenhill and Dr. T. Miller addressed the meeting on social hygiene, and answered questions put to them by interested listeners. It was decided to procure a baseball or lacrosse outfit for the boys of the school before the Summer holidays.

Social Evening.—The Young People's society of the Emmanuel Baptist Church held a most enjoyable social last Monday evening. It was known as a "Musical Character Social," and each guest represented a well-known song. George T. Francis as "My Old Kentucky Home" carried off first prize as the best representation of his song amongst the gentlemen, and Miss Lillian Parritt as "That Wonderful Mother o' Mine" won first prize, ladies, and Miss Eva Webster as "Red Wing," second prize. The evening was spent in music and games and much credit is due to Miss Dorothy Waites and her energetic committee for arranging the same and providing refreshments. During the evening Mr. Green delighted his audience with a concertina solo. The singing of Auld Lang Syne brought a pleasant evening to a close.

PROVINCIAL COMMAND.

Major Crehan, Dominion president of the Army and Navy Veterans' Association, will address a meeting of the local unit of the organization in the Hamley Block to-night at 8 o'clock on the "Progress of the Amalgamation Movement." A short talk will also be given by Provincial President Marsden, of Vancouver.

The Provincial Command met in the city this morning, the delegates later being taken for an automobile tour by members of the Victoria unit.

Corns? —just say Blue-jay to your druggist

Stops Pain Instantly

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in two forms—a colorless, clear liquid (one drop does it) and in extra thin plasters. Use whichever form you prefer, plasters or the liquid—the action is the same. Safe, gentle. Made in a world-famed laboratory. Sold by all druggists.

Free: Write Bauer & Black, Toronto, Dept. 185 for valuable book, "Correct Care of the Feet."

PIECE OF RUBBER USED IN EVIDENCE

Interesting Feature of Automobile Collision Case

A tiny piece of rubber less than four inches in length and three-quarters of an inch wide, picked up between the scene of the automobile crash at Colwood on the Island Highway Sunday and the telephone pole knocked down by the force of the Ford car thrown against it by the big car responsible for the accident, proved an interesting bit of evidence in the City Police Court this morning when Patrick Courtney owner of the Studebaker car number 12575 was charged with failing to stop and report his name to the persons in the injured car.

Constable Wilkie of the Provincial Police prosecuted and L. C. Lowe appeared for the accused.

A Providential Escape.

Evidence had already been put in relating to the accident, details of which have been published fully. C. Boustouff, with his wife, married daughter, son-in-law and two children, were struck in their car by a speeding motorist who kept right on going after driving the car through space a distance of 75 feet, hitting a telephone pole and knocking it down. Mr. Boustouff, in evidence this morning, said that had it not been that the pole fell the way it did they might all have been killed.

City Constable Allen said he found the car owned by Courtney in Jameson & Willis' garage early the morning of the accident.

BEAUTY OF THE SKIN

is the natural desire of every woman, and is obtainable by the use of Dr. Chase's Ointment. Pimples, blackheads, roughness, and redness of the skin, irritation and sunburn disappear, and the skin is left soft, smooth and velvety. All dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample free if you mention this paper.

Dr. Chase's Ointment

following morning. Robert McDowell, foreman, and John Watson, mechanic, testified that accused had been on hand first thing next morning and asked that the repairs to his car be made "right away." His right running board was smashed and right rear mudguard missing. It was stated.

Provincial Police Constable Irving of Luxton, gave the most interesting evidence. He identified the piece of running board metal and felting of the running board as being part of the broken board on the Studebaker car found in the garage next morning and owned by accused.

A Notable Clue.

Taking a small piece of rubber from his pocket the constable explained that he had picked it up between the point of collision, and the telephone pole knocked down by the car collided with. This piece of rubber, he explained he had taken down to the garage, and found that it fitted exactly the gouge in the rubber tire of the rear wheel of Courtney's car. The wheel was produced in Court, and witness showed His Worship that the rubber peeling picked up fitted the big tire.

Ernest Ware, a traveller for Ormond's, Limited, was called. He said that just before 7 o'clock Sunday evening a big car had passed him at the rate of twenty-five miles an hour on the city side of Colwood Hotel. One man was driving, he said, while another was leaning out trying to tear loose and get rid of a crumpled up mudguard. When witness arrived at the Colwood Hotel he found the Ford car piled up on the side of the road.

Owing to the inability of Magistrate Jay to sit this afternoon, and the fact that to-morrow is a public holiday, the case was adjourned until 10:30 o'clock Saturday morning.

Reduced Prices

On All New Models of The

Brunswick Phonographs

SATURDAY morning at 9 a.m. a general price reduction on all new models of Brunswick Phonographs will go into effect. These new prices represent actual savings of \$10.00 to \$100.00 from the prices of TO-DAY.

Although there has been an actual shortage of most models of the Brunswick for the past six months and the demand for some models still exceeds the supply, yet the Brunswick Company are making this big price reduction NOW for the sole purpose of maintaining the Brunswick as the—

Greatest Phonograph Value in Canada

We have just received, from the factory, our stock of the beautiful new Brunswick Models in order to acquaint the public with their unusual value, exclusive features, new designs, and call attention to the price reductions we have combined to feature this as "Brunswick Week" in our stores.

During this entire week we will present, in our stores, a—

Special Floor Exhibit

—at which will be revealed all the exclusive features of the Brunswick that have combined to make it "All Phonographs in One." Here will be explained to you, in detail the principles of Brunswick Reproducing methods, including the Ultona, All-Wood Oval Horn, Tone Control, Motor, Cabinet, Construction, etc. Don't fail to visit this exhibit and learn why the Brunswick is superior. Whether or not you wish to purchase, you are invited to attend and should find it very interesting

\$20.00 CASH

\$20 Will Place ANY Brunswick Phonograph in Your Home

To insure the success of Brunswick Week and make it the biggest in our history; to make the price reductions doubly effective and to spread the popularity of Brunswick ownership, we are going to make a remarkably liberal offer through which \$20.00 CASH will place any Brunswick Phonograph in your home.

The balance of the usual first payment need not be paid for 30 days and we will extend one entire year to complete payment. This will make it possible for any family—every family who wants real music in the home to take advantage of these price reductions and secure a beautiful new model Brunswick NOW. There are no strings or restrictions to this offer. It is genuine. But it is limited to this One Week Only.

Brand New Models

We have been waiting for some of the new Brunswick Models for months. They have just arrived from the factory spotlessly beautiful. Our supply is small. It will be difficult to secure additional stock for some time, as hundreds of merchants all over Canada are featuring the reduced prices. The only way to be absolutely sure of getting just the model you prefer in the right shade or finish to harmonize with your home is to—

Act At Once

Call early Saturday; be the first to secure the reduced prices. You will never forget the day a Brunswick is added to your home. Delay may mean disappointment.

See Our Window Display

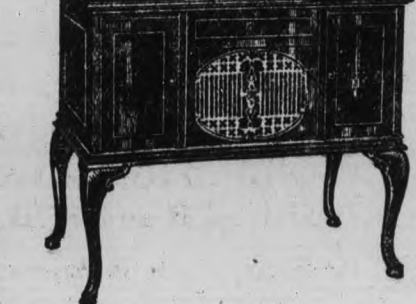

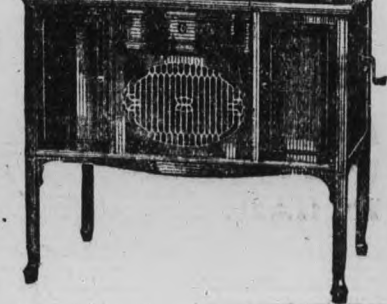

KENT'S PHONOGRAPH STORE, 1004 Government St.

"Ye Olde Firme" Heintzman & Co., Ltd., Opp. Post Office

CONSOLE MODELS

The period or console types of phonographs are the most popular to-day. The reduced prices on four Brunswick models, saving you \$25.00 to \$50.00, make them exceptional value.

CANADIAN PHASE OF STILLMAN SUIT IS NEARING END

Montreal, April 12.—Counsel representing Mrs. Anne U. Stillman in the divorce suit filed by James A. Stillman, New York banker, yesterday concluded the calling of Canadian witnesses to testify in her behalf.

To-day Mr. Stillman's lawyers will summon four witnesses, and the Canadian phase of the trial probably will end.

A Canadian attorney representing Mr. Stillman was named by four women witnesses as the man who had seen Mrs. Stillman and Beauvais

All Played Out at Quitting Time?
You need
TANLAC
The World's Greatest Tonic

sought to bribe one of them, by promises of pretty clothes and money to go to New York and testify she had seen Mrs. Stillman acting improperly with Fred Beauvais, Indian guide, named as co-respondent. Elizabeth Wilson, of Three Rivers, Que., said that she refused the lawyer's offer, and told him she had

misconducting themselves. He was corroborated by three others, who said they had overheard the conversation.

Joseph Blackburn testified that J. Albert Lafontaine, alleged agent for Mr. Stillman, had told him in 1920 that if he could say he had seen wrongful conduct by Mrs. Stillman and Beauvais, "it would surely be a great favor to Mrs. Stillman, because, if the divorce went through, she could marry Beauvais."

Louis Beauvais, the father of the guide, said that Lafontaine spoke to him in a similar way.

Other witnesses had testified that Lafontaine had offered large sums of money to induce persons along the St. Maurice Valley to testify against the banker's wife. The elder Beau-

Abbey's
EFFERVESCENT SALT
for Indigestion

vais said that his conversation with Lafontaine took place in September, 1920, two months after Mr. Stillman brought suit for divorce. Accompanying Lafontaine, he testified, were Harry Grennon and Ferdinand Page, both of whom later swore they had peeped through windows and wit-

nessed misconduct by the guide and Mrs. Stillman. Three other witnesses to-day gave testimony intended to prove it would have been impossible for Grennon and Page to have peeped at Mrs. Stillman in the manner and time they described.

PRESBYTERIAN BUDGET.
Toronto, April 12.—The budget statement issued Wednesday by Robt. Laird, treasurer, shows that the expenditures of the Presbyterian Church, Western section, for the year ended December 31 last, exceeded the receipts of \$182,937. When to this is added the net deficit for 1920 of \$81,813, the accumulated deficit on the whole budget at the end of 1921 is \$264,756.

WOMEN'S ACTIVITIES IN DUNCAN DISTRICT

Duncan, April 12.—The monthly meeting of the Cowichan Women's Institute was held on Tuesday afternoon, the president, Mrs. F. S. Leather, in the chair. General business was transacted, Mrs. Leather reported that the Vimy Institute had asked for permission to use the Cowichan W. I. Rest Room, and were willing to pay a small fee for this privilege. The directors of the C. W. I. have consented to give the Vimy Institute members free use of their rest room at any time, and asked the meeting to endorse their action, which they did unanimously.

The question of making a small charge for tea at the monthly meeting was brought up, but the feeling of the meeting was against this. A resolution by the Cowichan Children's Aid Society re Religious Instruction in Schools, was read and endorsed. Mrs. T. Pitt then introduced Miss Farrar, the new Health Centre nurse, who gave a short instructive talk, the "Expectant Mother" being the theme. She mentioned plain, wholesome diet, exercise by walking and hot baths as being necessary at this time. The care of the child should really begin before birth, not at birth, the speaker said. Seventy-five per cent. of the teeth of all school children in Ireland and Wales are defective, and this seems to be a world-wide trouble now, Miss Farrar said.

Health Habits.
Teaching proper health habits to children now is the only way to prevent disease in the future generation. A hearty vote of thanks was passed to Miss Farrar.

Talk On Seed.
R. M. Palmer, of Cowichan Bay, gave an interesting talk on seed and plant growing. He said that, of course, hardly two gardens were alike, the locations and soil differ, and aspects are a considerable factor in determining whether your garden is a success or not. He mentioned the very late Spring this year, planting that should be seed sowing, but they must be nursed until the night temperature is not low enough to injure them. He impressed upon his hearers not to plant seeds too deep, and the smaller the seed, the less the necessity for covering with soil.

Mrs. Whidden was appointed as delegate to the Health Centre Committee.

A delicious tea was served by Mesdames Holt, Wilson, R. Nelson, G. Kier, W. B. Buckmaster, C. Morrison and T. L. Dunkley. The Ladies' Aid of the Methodist Church held a delightful social last evening. Songs by Mrs. C. Stoney, Mrs. Lansell and Mrs. Gorton were much enjoyed. Some novel contests had been arranged. Mrs. Labron had advertisements to be guessed and this was won by Mrs. Earl Weismiller. Mrs. Butler had "Book Charades." Mrs. Stoney being the winner in this. Mrs. Harris had a number of parcels, the contents to be guessed from what was written on the outside. On drawing for the prize, Dennis Gorton was the winner. Delicious refreshments were served by the Ladies' Aid under the management of Mrs. Weismiller, assisted by Mrs. Earl Weismiller, Mrs. Nelsons, Mrs. Mottishaw and Mrs. Arthur Williams, with Mr. and Mrs. Butler supervising.

All arrangements are now well in hand for the dance which the Cowichan Cricket and Sports Club are giving on Easter Monday in the Agricultural Hall. Hector's orchestra will provide the music and a large crowd is expected.

DEATH NOT PAINFUL, SAYS CONAN DOYLE

New York, April 13.—Sir Arthur Conan Doyle last night described the sensations of the deceased as he said they had been communicated to him from beyond the Styx.

Listening to him was a vast audience, an audience that filled Carnegie Hall, an audience many of whose members soon will board Charon's craft for the voyage which all must take. Palsied heads shook with emotion as the earnest words fell from the lips of a man who has turned from medicine and letters to a search for the spiritual.

"Death is not painful but a pleasant process," said Sir Arthur. As death approaches, the soul floats out from its earthly shell and hovers above the human clay, tethered only by the silver cord of which ecclesiastics speak. The only sensation is one of delicious languor. The first sight that greets the eyes is one of "delirium," the faces bending over the deceased, continued Sir Arthur.

"Proof?" he asked. "I have stood by the side of the dying, seen hands turning cold in death stretch out, heard words of endearment fall from lips that soon would move no more. Delirium, say materialists. No, it is not delirium." "Proof?" asked the preacher of spiritualism again. "The disengaging of the etheric body can be, has been, photographed. I am fortunate enough to have such a plate."

SUPREME COUNCIL MAY SOON CONFER

Paris, April 12.—The Allied Supreme Council may hold a meeting at Genoa before the end of the present month, it was reported here to-day. Official circles, however, refused to confirm the report.

The purpose of the council meeting is alleged to be the discussion of the present status of the reparations question, arising from the recent German note declining to accept some of the main Allied stipulations for a partial moratorium.

Premier Poincaré sent a long cipher dispatch yesterday to M. Barthou, the French Vice-Premier, at Genoa, where he heads the French delegation at the economic conference. This message is said to have dealt with the position created by Germany's refusal to accept the reparations commission's ruling regarding the German payment.

The reparations commission discussed the reply of Chancellor Wirth of Germany to the commission's recent reparations demands. It was decided to send a new note to Germany, the terms of which will be drafted to-morrow.

It appears certain that the commission will stand by its decision of

TRIAL OF DILLON ON MURDER CHARGE

Vancouver, April 13.—Trial of L. T. Dillon, charged with the murder of May Young in his room in the Strathcona Hotel on the morning of November 4, was begun in the Assize Court yesterday before Mr. Justice Murphy and a jury. The crown evidence is being presented by A. B. Macdonald, K. C., while W. R. Ross, K. C., is acting for the defence.

Witnesses were not in agreement as to the number of shots heard. Some said they heard two, others three. Mrs. Young was wounded once fatally in the breast, while Dillon had two wounds neither fatal. Dr. Eryle Telford, who attended to Dillon said the accused had told him he did not know what had happened.

Mrs. O'Fallon said she could not recognize the rifle as the same one, but she had observed a rifle case in Dillon's room, and presumed it contained a rifle.

Witnesses were not in agreement as to the number of shots heard. Some said they heard two, others three. Mrs. Young was wounded once fatally in the breast, while Dillon had two wounds neither fatal. Dr. Eryle Telford, who attended to Dillon said the accused had told him he did not know what had happened.

Watching Quality

Some folks might think we are too particular in the matter of maintaining Pacific Milk at the highest possible point of quality. We admit that many, in fact, most of our daily tests of the milk are unnecessary, but it is a very comfortable feeling to know absolutely that every can has the same high percentage of cream and that it reaches the ultimate consumer in perfect condition. It is this constant vigilance that has given Pacific Milk its good name.

A Business Statement that is a Great Human Record

HELPING 19,000,000 PEOPLE

About 19,000,000 people are insured in the Metropolitan—over 16,000,000 under weekly premium policies. The weekly calls of Agents at the policy-holders' homes provide a wonderful opportunity for health and welfare work.

The Company has accepted the opportunity and to-day is at the forefront of public health work in the United States and Canada.

14,000,000 VISITS BY TRAINED NURSES

Free nursing service is given to industrial policy-holders in 2,800 cities and towns. Trained nurses not only heal the sick but teach right living. About 14,000,000 visits have been made—2,116,875 in 1921. Numerous letters tell of lives saved.

In CANADA alone, Metropolitan nurses, largely in cooperation with the Victorian Order of Nurses, paid 201,888 visits free of charge in 1921.

DISCOVERING DISEASE IN TIME

Free medical examinations, often disclosing incipient disease in time to cure it, are granted to Ordinary (annual premium) policy-holders, subject to reasonable conditions.

HELPING THE EMPLOYER TO HELP

Employers insuring their employees under Group policies are advised regarding health conditions and accident prevention, while the employees receive the benefits of nursing service and welfare literature.

238,000,000 PIECES OF LITERATURE

Attractive booklets and pamphlets in great variety, dealing with the important phases of health and disease, and prepared by leading experts, are distributed broadcast. So far, 238,000,000 copies have been distributed—25,000,000 in 1921. The number distributed in CANADA in 1921 was nearly 3,500,000.

In addition, 18,000,000 copies of *The Metropolitan*, a health magazine, are issued annually—1,500,000 copies, in English and French, being distributed in Canada.

A CITY THAT IS WATCHED

In Framingham, Mass., the Metropolitan is leading the way in a great experiment, watched by health authorities everywhere, to demonstrate what proper municipal health regulation can do. Deaths per annum from tuberculosis have dropped from 121 per 100,000 to 40.

HOW WAS IT DONE?

Records kept by the Metropolitan Life Insurance Company show an extraordinary decrease in the death rate among its Industrial, or weekly premium, policy-holders. Comparing 1921 with 1911, for example, there were 55,000 less deaths in 1921 than there would have been if the 1911 death rate had prevailed.

What brought about the great saving of life?

The general public health movement—progress in medical science and sanitation—other causes, perhaps. But a very great factor has been the tremendous health campaign carried on by the Metropolitan itself. This page tells a part of the story.

FOR THE PUBLIC HEALTH

144 health exhibits and emergency hospitals at county fairs last year; 295 "Clean-up" campaigns; agitation by Agents for health legislation; widespread campaigns against special diseases; sickness and sanitary surveys; a study of municipal health departments; leadership of practically all American research work relating to influenza—these are some instances of the Metropolitan's activity in the interest of public health.

GREAT DECLINE IN DEATH RATES

The death rate among Industrial policy-holders reached its lowest point in 1921—31.9% lower than in 1911. The rate from typhoid decreased 71%; tuberculosis, 49%; Bright's disease, nearly 30%; infectious diseases of children nearly 37%. The "Expectation of Life" of white males (reckoned from age 10) increased 4 years.

PUBLIC APPRECIATION

The people of the United States and Canada have made the Metropolitan the greatest life insurance company in the world, with \$7,005,707,839 insurance in force.

It leads not only in Industrial but in Ordinary. More than half of its business in force is Ordinary—\$3,892,267,274—which is more than that of any company in the world.

About 58% of its Canadian business is Ordinary—\$258,524,270 at the end of 1921.

NO MONEY TAKEN OUT OF CANADA—A REAL CANADIAN COMPANY

The Metropolitan's total investment in Canada at the end of 1921 was nearly \$71,000,000. This amount added to the sum paid in death claims, matured endowments, dividends and other payments to policy-holders, and in addition thereto payments to Canadians for administration expenses and taxes since the Metropolitan commenced business in Canada, November 1885, exceeds by \$31,000,000 the amount received by the Company in premiums from Canadian policy-holders.

THE FUTURE

The Metropolitan will continue its endeavor to offer the best there is in life insurance, and to save human life. Continued growth will give the Company still greater opportunities for service in insurance protection and in the conservation of life and health.

THE DELEGATION'S TASK.

While recent communications from Ottawa have not been without hope it can be safely said that the delegation which left the city last night is fully alive to the necessity of pressing the case for continuing the drydock at Esquimalt to the full extent of its capacity. It is a fortunate circumstance that the Federal Minister of Public Works is a British Columbian who has been actively associated with Western development for many years. It can be said with equal certainty that Dr. King's desire to act in concert with his colleagues upon all matters of national significance will not limit his vision of important benefits that may be derived by a liberal participation in programmes whose economic necessity may not be overwhelmingly apparent at the moment. He will at least remain convinced that the Esquimalt drydock would represent a successful bid for maritime development on the Pacific. If he and the delegation are able to convert a majority of the Cabinet to a similar view the country and the Province should profit.

SWALLOWING HER PILLS.

It was not to be supposed that Russia would be ready to swallow all the various potions that the Genoa Conference has compounded for her. Neither Mr. Lloyd George nor the representatives of France expected that she would. None the less if the Soviet delegation is prepared to give the requisite financial guarantees in return for political recognition sufficient progress has been made to permit of a modification of the method proposed to arrive at responsibility. Viewed from the broadest possible angle it will have to be admitted that if the guarantees recognize Russia's old debts and include adequate protection for the rights of personal property and kindred liberties much of the old objection to recognition will have been removed. But matters naturally assume a different aspect in the face of a desire on the part of the Conference to change the form of government at Moscow.

Russia may advertise Communism; but she knows it has almost disappeared in its original stronghold. She will be compelled to institute other political reforms if she intends to win the ends she is seeking. If she breaks her undertakings in the economic sense nothing on earth can hold her on a new political path unless it be compulsion from within. After all the business of government is her own.

A COLONIZING EXPERT.

While his mission is described as one of investigation into the potentialities of traffic over the Pacific Great Eastern Railway it would be more correct to say that the appointment of such an eminent colonization expert as Colonel J. S. Dennis would imply that he will delve into the possibilities of profitable settlement—along the route of the completed and contemplated sections of the Provincial line. Colonel Dennis won his laurels in the service of the C. P. R. and rose to distinction through an efficient administration of its colonization department. The Government will have the satisfaction of knowing that such advice as he shall give will be constructed upon a practical understanding of local conditions and their relation to rural development in British Columbia and the country as a whole. His undertaking will not be hemmed in by unnecessary considerations; he will be able to let his experience run its full course and assist him to conclusions that should be highly valuable and instructive.

A GALLANT AVIATOR.

General regret throughout the Empire will be manifested in the death of Sir Ross Smith who met his end in an aeroplane crash at Brooklands to-day. This distinguished aviator had completed his arrangements to encircle the globe by the air route and he and his brother would have commenced their ambitious journey towards the end of this month. A flight from Great Britain to Australia already stands to the credit of the two Antipodeans. Whether the contemplated venture—which would have brought them across Canada—will be dropped is not determined. It would be in keeping with the spirit of the air if Sir Keith were to announce his intention of going ahead with the plans upon which his brother had built so much. In the meantime another name has been added to that long list of brave men who have made aerial travel what it is to-day.

TOO BUSY TO STRIKE.

While there is nothing to indicate that the dispute between the coal miners of this continent and their employers will be a protracted one there is something gratifying in the fact that in more than one of the affected areas the men are too busy to take the holiday ordered by Union officials. Seven hundred loyal miners at the Blue Diamond Mines in Alberta are "victims" of community spirit which takes the form of baseball clubs, town pride and thriftiness. In other words these men prefer to turn out black diamonds to the tune of two thousand tons a day, and draw their pay for doing it, rather than stand on the street corners twirling their thumbs because other people assume the right to do their thinking. There is no suggestion of taking sides in alluding to these facts as they are reported; they merely show that some sections of organized Labor recognize the adjusting process and are not disposed to hinder it.

A NATURAL OBJECTION.

Most decidedly The Morning Post wants the British Government to retain the embargo against the admission of Canadian cattle to the Motherland. Under no pretext whatever would it relinquish one of the very few examples of protection in a free trade country. It matters not to this bulwark of Toryism that thirty years or so have wiped out the reason for the arrangement which is causing such widespread interest on both sides of the Atlantic. It is even likely that The Post will not be disappointed with the vote that is promised in the House of Commons. The Government is doing nothing these days that will add to its troubles: Removing the embargo would alienate some very valuable rural support. But one never can tell what a non-party debate and vote may do.

NOTE AND COMMENT

Apparently that little slip of the earth off its axis a few weeks ago startled Winter so badly that it is afraid to leave the lap of Spring in which it took refuge.

De Valera likens political conditions in Ireland to those of Mexico. In this the President of Mexico, to our mind, has good ground for an action for criminal libel against the would-be President of Ireland.

Four years ago we predicted that notwithstanding the great efforts Uncle Sam was making to develop his shipbuilding John Bull eventually would resume his old position as the chief builder of ships in the world, for the simple, natural—and, therefore, infallible—reason that we had an inherently and instinctively maritime population while four-fifths of the population of the other were landmen whose problems and interests had no visible relation to the sea. The latest returns of the shipbuilding orders in hand by the various countries show that Great Britain has 2,235,998 tons, United States, 136,266 tons and all other countries 1,307,358. Hence, the United Kingdom is building a third more ships than all the other countries in the world combined.

JOINT SERVICE TO-MORROW

Divine service will be held in the Metropolitan Methodist Church on Good Friday at 10.30 a.m. All the Methodist churches of the city uniting. Rev. W. J. Sipprell, D.D., the pastor of the church, will be in charge of the service. Rev. Robert Wilkinson, pastor of Belmont Avenue Methodist Church, will preach the sermon. The public will be cordially welcomed to the service.

KING PRESSES FOR APPOINTMENT OF ANALYST IN CITY

Hon. J. H. King, Minister of Public Works in the Mackenzie Government, will press for the appointment of a Dominion Government analyst in Victoria. Information to this effect is contained in a letter which Mayor Marchant received from Dr. King to-day. "I am very hopeful that, as a result of Dr. King's efforts, we shall get the analyst appointed now and so achieve an object for which we have been fighting for a long time," the Mayor stated on making known the contents of Dr. King's letter.

HORSES EATEN BY FAMISHED RUSSIANS

Paris, April 13.—A number of American drivers of relief wagons in Russia have been killed in the streets by the famished populace who seized the horses for food, according to reports received to-day by American relief organizations in Paris from the Ufa, Bashkour and Tobolsk famine districts. Two drivers for the American relief administration were killed this week, the reports said.

PLAN TO RAISE FEES AT COLLEGE

Determined to cut down school costs to the limit for the sake of city taxpayers, the School Board has under consideration now the advisability of raising fees at the Victoria Arts College from \$50 a year to \$75. This increase would reduce the cost to the city of running the College considerably. The proposed increase in fees will be taken up at the next meeting of the board.

SUMAS SCHEME WILL GIVE 30,000 ACRES OF DRAINED LAND

Chilliwack, B. C., April 13.—Hon. D. Barrow, Minister of Agriculture, addressing a banquet here last night, tendered to W. L. Macken, of Chilliwack, newly-elected president of the Associated Boards of Trade of British Columbia, a statement of the Chilliwack Board, stating that 30,000 acres of land would be drained and made fit for farming by the Sumas Reclamation project. The total cost to the end of March was \$784,737, with which the Government, he said, was well satisfied. He estimated the total cost at \$1,800,000. Over 200 guests from various parts of the Province were present at the banquet.

ORDERS PAYMENT OF SUM WILLED TO SON OF HON. T. W. CROthers

Toronto, April 13.—Wilson Crothers, of Los Angeles, son of Hon. T. W. Crothers, of St. Thomas, Ont., who died last December, was yesterday given an order by Justice Orde for the immediate payment to him from his father's estate of the sum of \$40,000, which, according to the will was to be held in the estate funds for him for five years after the death of the testator.

GOVERNOR-GENERAL AT NIAGARA FALLS

Niagara Falls, Ont., April 13.—Governor-General and Lady Byng yesterday paid their first official visit to Niagara Falls. They were given an enthusiastic reception. Lord Byng reviewed the Guard of Honor composed of veterans of the Great War, attended a public reception and formally opened a new memorial school.

SAYS ORGAN MOTOR RESPONSIBLE FOR FIRE

Montreal, April 13.—That a small fire had started some days before the blaze that destroyed the Church of the Sacred Heart, causing a loss of \$500,000, was stated by Monsignor Cousineau, cure of the church, at the fire inquiry yesterday.

EMMANUEL BAPTIST.

The choir of Emmanuel Baptist Church, under the leadership of Mr. Fred Parfitt, with the assistance of the orchestra will give a performance of the popular cantata "Olivet to Calvary" by Maunder. Those who attended the performance of this cantata last year may be assured of a musical treat quite equal, if not surpassing last year's performance. Messrs. Guy and Mitchell are taking the tenor and baritone parts, respectively. These two gentlemen being so well known to Victoria audiences need no further recommendation, and Miss Violet Parfitt will take the soprano solos. Among the orchestra are some well known players, the first violin parts being taken by Mr. Vernon Smith, Mrs. Dr. Eilers and Miss Lilian Parfitt, while the cello parts are entrusted to Aaron and Mark Parfitt. Preceding the cantata the choir will open with the chorus from the Messiah, "Surge He Hath Borne Our Griefs," a violin solo, "Meditation," by Mr. Vernon Smith, and a ladies' chorus, "Lift Thine Eyes" Mendelssohn. A collection in aid of choir funds will be taken.

BANK WANTS FULL PARTICULARS ON CITY FINANCING

Ask Details Before Advancing Further Loan Now

Full particulars concerning the City's financial situation are demanded by the City's Bank before it will advance further money to carry on civic departments until the annual taxes are collected in the Fall. This was made known by Mayor Marchant when he returned from Vancouver to-day.

In reply to the request of the City for a further loan to pay running costs until the Autumn, officials of the City's Bank point out the City's account at the beginning of this year was \$295,000 overdrawn. This sum represents the amount of previous years' financing. In addition, it is observed the City has spent \$475,000 so far this year out of the annual bank loan of \$500,000 advanced in anticipation of the collection of taxes.

Mayor Wants Loan.
Under these circumstances, the Bank officials want to know exactly what the City intends to do this year to make its ledger balance and avoid a further deficit on current financing. Members of the Civic Finance Committee have assured the Bank that the City will not start to make up the deficits of the past. The Mayor has suggested that a loan be floated to raise \$395,000 bank overdraft. He proposes that this loan should be floated without the submission of a by-law to the voters but by special authority of the Provincial Legislature.

A Business Statement A Human Document

The business statement of the Metropolitan Life Insurance Company for 1921 contains interesting matter not generally found in the statement of financial corporations. It relates to the human side of a great business. The company's assets are more than one billion, one hundred and fifteen million dollars and its policies outstanding are more than twenty-five and a half millions. Over 1,700,000 policies are in force, and over 100,000 people hold more than one policy and the best estimate of the company is that this number of policies insures a total number, nineteen million individuals. As over twenty million of the policies are the so-called Industrial, on which premiums are collected weekly by agents who call at the policy-holders' homes, this gives to a company with the financial strength of the Metropolitan an opportunity for health and welfare work. The statement published shows how the company has accepted this opportunity.

While the year 1921 in the popular mind is put down as a year of dull business, life insurance has been an exception. The Metropolitan again held the record among all companies in the world in 1921 with \$1,564,788,607 new insurance placed on the books. In Canada it placed more than \$1,000,000. Its total investment in Canada amounting to nearly \$71,000,000. This amount, added to what has been paid in death claims, dividends and administration expenses, exceeds by \$31,000,000 the amount of premiums received by the company from Canadian policy-holders.

For many years the company's principal business was Industrial—small policies generally held by the working men of the United States and Canada and their families. But lately the so-called Ordinary insurance where the premiums are paid quarterly, semi-annually or annually, has become the main branch of business now exceeds the Industrial in amount.

In accepting the opportunity for health and welfare work, the company extended the free nursing service given to Industrial policy-holders so that last year it was effective in 2,800 cities and towns in the United States and Canada, and the nurses made more than 2,100,000 free visits. In Canada, largely in co-operation with the Victorian Order of Nurses, Metropolitan Nurses made 201,888 free visits. Arrangements have been completed by which employers, insuring their employees under group policies, receive the benefits of the nursing service and welfare literature.

In making their weekly calls to collect premiums, the 16,000 agents distributed booklets and pamphlets dealing with health and disease, telling in simple language how to avoid preventable diseases and what to do if the policy-holders are sick. More than twenty-five millions of these pamphlets were distributed in this way last year. The Metropolitan distributed in Canada was 3,500,000.

In 1921 the death rate among Industrial policy-holders reached its lowest point—31 per cent. lower than it was ten years previous. The rate from typhoid fever decreased 71 per cent.; from tuberculosis, 49 per cent.; from Bright's disease, nearly 80 per cent.; from infectious diseases, and children nearly 37 per cent. The records kept by the company show that compared with 1911 there were, in 1921, 55,000 fewer deaths than there would have been if the 1911 death rate had prevailed. While there has been a general public health movement and notable progress in medical science and sanitation, which contributed in part there is evidence that a considerable factor in reducing the death rate among policy-holders of the company has been the widespread health campaign carried on by the company.

The Metropolitan announces it will continue its best efforts for the improvement of health and the consequent saving of life, recognizing that the confidence which the people have

in the company gives it still greater opportunity to serve them, not only in insurance protection, but in the prolongation of life. Those who have the management of its finances believe that great opportunity brings great responsibility.

WANT NO MONEY SPENT JUST NOW

Ward Four, Saanich, Meeting Against Special Road Levy

Believing that the time is inopportune for any public expenditures which may be deferred, a well attended meeting of ratepayers of Ward Four, Saanich, last night at the Strawberry Vale School went on record, by a 24-18 vote, of the fifty-five present, as opposed to imposition of a four mill road improvement tax in the ward.

President C. H. Williams, of the Ratepayers' Association, was in the chair, though the meeting was open to all ratepayers of the ward. Councillor George McWilliam spoke warmly in favor of the proposal to levy a special four mill rate over a term of years, being supported by Reeve Watson and Clerk H. S. Cowper, who both briefly gave relevant facts as to the benefits which would accrue from the additional expenditure.

Dr. Francis and J. Gillies lead the opposition to the scheme, the vote dividing on sharp lines between those from the districts lacking roadways, who favored the scheme, and those already benefiting from reasonable access, who in general objected to payment of further taxation for purposes not directly to the advancement of their own interests.

The long pending improvement of the Colquitz Creek drainage area, and the proposal to install street lights were brought up, but were lightly dealt with after it was suggested that submission of only one by-law at a time was advisable, to secure its passage.

After the voting on the road improvement scheme, Councillor McWilliam stated that the cost of submitting the opinions as expressed, he was not decided as to whether he would ask for submission of a by-law or abandon the plan. He reminded the meeting that the cost of submitting a by-law at the same time as the sewer by-law would be negligible.

MAYOR SATISFIED WITH BRIDGE PLANT

But Has Formed No Opinion on Contract; Wants Camp For Jobless

Rested after his two-day vacation in Vancouver, Mayor Marchant returned to his desk at the City Hall to-day and announced that he was well satisfied, from investigations on the mainland, that John Coughlan & Sons, of Vancouver, possessed a plant capable of turning out the remaining steel work of the new Johnson Street bridge here.

EVENING CONCERT WAS MUCH ENJOYED

Ladies' Musical Club Programme Produces Interesting "Finds"

An appreciative audience enjoyed the excellent programme of modern and classical numbers presented at the Empress Hotel last evening under the auspices of the Ladies' Musical Club. The assisting artists included a number of well-known favorites as well as several newcomers to the local concert platform, the latter including Frank Arundell, whose fine baritone and artistic interpretation won for him warm applause, and Miss Margaret Campbell, a young pianist of unusual promise and ability.

Miss Marian Heming contributed Beethoven and Bach numbers and a Scarlotti gavotte in masterly style. Mr. Drury Pryce again proved his artistry with a Mozart number, supported at the piano with consummate skill and sympathy by Mrs. A. J. Gibson, and a Percy Fletcher suite for violin, cello and piano was rendered by Mrs. Waram and Misses Mead-Robins. Vocal solos were pleasingly sung by Mrs. Gertrude Hollinrake Brick, the well-known contralto and J. Gillan, tenor. Mrs. Gibson accompanied at the piano with her usual artistry.

Dr. Francis and J. Gillies lead the opposition to the scheme, the vote dividing on sharp lines between those from the districts lacking roadways, who favored the scheme, and those already benefiting from reasonable access, who in general objected to payment of further taxation for purposes not directly to the advancement of their own interests.

The long pending improvement of the Colquitz Creek drainage area, and the proposal to install street lights were brought up, but were lightly dealt with after it was suggested that submission of only one by-law at a time was advisable, to secure its passage.

After the voting on the road improvement scheme, Councillor McWilliam stated that the cost of submitting the opinions as expressed, he was not decided as to whether he would ask for submission of a by-law or abandon the plan. He reminded the meeting that the cost of submitting a by-law at the same time as the sewer by-law would be negligible.

WAGE QUESTION TO FEATURE SESSION

Saanich Council Will Be Urged to Agree to Conciliation Board

At the session this evening of the Saanich Council, Councillor Macnicol will endeavor to secure agreement to submit the municipal wage scale to arbitration. If not ruled out of order Councillor Macnicol will move the following resolution: "Whereas the Saanich Municipal Council is at the present time in dispute with its Municipal Employees employed under the Works Department, concerning recent reduction in wages; and whereas at least four of the members of the Council are agreeable to action being taken to end the dispute; Therefore be it resolved that this Council go on record as favoring the appointment of a Conciliation Board, to be composed as follows: One member appointed by the Council, one member to be appointed by the Municipal Employees, and the third member who will act as Chairman, to be decided upon by the other two members of the Board." The four members of the Council referred to in the above resolution as being in favor of arbitration are said to be Councillors Horner, Macnicol, Pim and Dooley. Councillor Pim is at present in hospital, but his views will probably be laid before the Council in writing. The Gordon Head waterworks extension construction is also expected to come under criticism this evening, on lines made public by Councillors Macnicol and Dooley in a letter to The Times last Saturday.

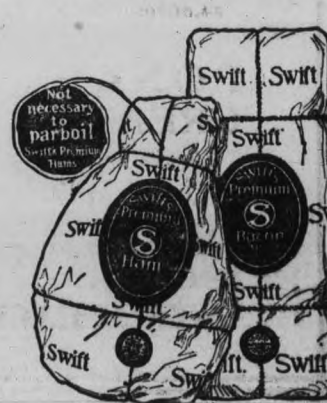

The Easter Breakfast—Premium Bacon and Eggs

BROOKFIELD Eggs served with tender slices of Premium Bacon—fried slowly, so that not a bit of its wonderful flavor is lost! Of all the delicacies that make Easter breakfast especially delightful in all parts of the world, nothing is more appetizing, more satisfying, than this distinctively Canadian dish. Each slice of Premium Bacon is a masterpiece of delicate flavor. Evenly-streaked meat from correctly-fed, tender young pigs—sugar-cured, and given a delightful tang by hanging over the smoke of hardwood fires—such is

IN WOMAN'S DOMAIN

ROYAL BETROTHALS MAY BE ANNOUNCED

Predicted Prince of Wales to Wed Lady Mary Cambridge

Duke of York and Lady Rachael Cavendish

Toronto, April 13.—A London cable to The Mail and Empire says: "Soon after the return of the Prince of Wales from his visit to India and Japan, his betrothal to Lady Mary Cambridge will be officially announced, according to reliable information to-day. About the same time announcement also will be made of the engagement of the Duke of York to Lady Rachael Cavendish.

"In view of the fact that the Royal Family never publicly discusses reports referring to it, it is impossible to obtain confirmation of the news from them.

"Lady Mary Cambridge is a first cousin of the Prince. She is the eldest daughter of the Marquis of Cambridge, who is Queen Mary's brother. She was born in 1897.

"Lady Rachael Cavendish is the fourth daughter of the Duke of Devonshire, former Governor-General of Canada. She is a close friend of Princess Mary."

GOOD WORK IS DONE BY SAANICH BRANCH OF V.O.N.

The first monthly meeting of the Saanich branch of the Victoria Order of Nurses since the re-organization of the Board of Management was held last evening at the Royal Oak.

During the month of March there were 1,006 nursing visits, 227 of these being made free of charge. Seventy new patients were taken under care, including fifty-seven requiring medical attention and advice and thirteen infants. Among these were nineteen cases of influenza and fourteen cases of mumps. Five cases of conjunctivitis and twelve prenatal cases were attended.

The chest clinic was held at the Health Centre on March 8. Dr. Baile being in attendance. Out of ten people examined, six were discovered to be active tuberculosis cases, four being children and two adults. All these cases are now being cared for by the V. O. N. nurses.

The monthly baby clinic was held on the second Friday in the month under the charge of Dr. Barty. Miss Carter, in charge, reported that three babies were doing an immense amount of good.

School Children Examined.

During March 884 school children were examined by the nurse and doctor, and fourteen cases of suspected mumps and nineteen cases of influenza were found, besides several cases of minor illness. These cases are now being followed up by the school nurse and where operations are necessary, the children are conveyed to the Health Centre if the home is not suitable.

Dental Clinic.

The dental clinic is now in full operation. During the month of March 152 fillings were completed, 136 extractions made, 112 anaesthetics given, and the dental work on 63 children completed.

The resignation of Miss J. B. Murray, nurse, was received. The Board expressed regret at her action and instructed the secretary to write Miss Murray expressing appreciation of her services and asking her to reconsider her decision.

PRIMORSE DANCE.

A fancy dress carnival will be held in Royal Oak Hall on April 19, at 8 p.m. The Royal Oak Women's Institute is responsible for the event and will donate several prizes for the best costumes. Dr. Warnock Superintendent of Institutions and Mrs. Warnock will act as judges. Games will be provided for the very little folks and dancing will commence for young people and grown-ups at 10.30. Mrs. Watkins and Mr. Robinson will provide the music.

"THE DARKEST HOUR"

"The Darkest Hour" will be presented at the First Congregational Church this evening by the choir. The cantata is arranged by Harold Moore in four parts. The soloists for the occasion will be Mrs. W. D. Spence (narrator), Mrs. Patterson, soprano; Mrs. L. T. Thomas (alto), tenor, and E. R. Lock (Jesus), baritone. Miss Winifred Scowcroft will assist at the organ. Frederick King will conduct.

TINT GRAY HAIR

Brownatone is sold and recommended in Victoria by Victoria Owl Drug Co., Dean & Hiscocks, Vancouver Drug Co. and other leading dealers.

New Chairman of Institute Advisory Board

Mr. Jack Clay and Mr. William Ellis are spending the Easter holidays at their summer cottage on Shawanigan Lake.

MRS. G. HENDERSON of Duncan, was elected chairman of the Advisory Board of Women's Institutes of British Columbia, in succession to Mrs. Alfred Watt, at the meeting of that body yesterday.

Witnessed Picturesque Ceremonies in Orient

Mrs. J. W. Troup Treasures Vivid Impressions Gained In Eventful Trip.

Vivid impressions of the life and color of the Orient were assimilated by Mrs. Troup, wife of Capt. J. W. Troup, who returned on the Empress of Asia a few days ago after a three months holiday in Japan, China, Java, Korea and the Philippines. They were accompanied on their outward journey by Mr. and Mrs. R. B. Butchart, who remained a little longer in the Orient and will return home shortly on one of the Admiral Line boats.

Festival of Taipusam.

Out of the kaleidoscopic background of magnificent scenery, strange sights and customs, teeming millions of natives and quaint costumes, one experience stands out pre-eminently in the memory of Mrs. Troup. This festival occurred in Singapore during the travelers' stay in the Straits Settlements, and followed shortly after the celebration of the Chinese New Year.

The festival of Taipusam celebrates the appearance in the dim and distant past of the God Subramaniam to his devotees, and it is observed every year by the Chetty community with feasting and a lavish display of hospitality. Processions are formed and proceed from temple to temple, the participants carrying baskets of flowers and reeds on their heads, with priests and incense-burners in elaborate ceremonial garb, and there is general rejoicing.

Mortify the Flesh.

But in common with many of the Oriental religious cults, a number of its devotees proclaim their devotion to mortifying the flesh. To observe in the procession a number of Malays stripped to the waist and with their backs and arms lacerated with needles, from which were pendant what appeared to be large silver spangles. These needles were threaded through the flesh, not curious enough, says Mrs. Troup, as blood was visible. Others had small spear-like wedges thrust through the upper lip and tongue or diagonally through the cheek and upper lip.

Silver Car Procession.

Another harrowing sight accompanied the ceremony called the procession of the Little Silver Car. This beautiful little car, which as its name implies is elaborately fashioned of silver, is drawn by silver chains attached to a hook which is imbedded in the muscles of the back of the devotee to whom falls the honor of this sacred duty. The ceremonies lasted several days, finally terminating with a rite in which a number of fanatical devotees walked barefooted over live, glowing coals. As far as the travelers could ascertain, the undergoing of these ordeals entitles the devotee to a silver band on his forehead, to show to the world that he has proved his devotion.

At Javanese Wedding.

Of a different nature but equally interesting was an experience which the travelers met in Java at the town of Garoet when they were invited to attend a Javanese wedding. The ceremony took place in the house of the bride's parents, lasting three days. The bridal party was seated on a dais-like structure, the bride and bridesmaids being elaborately costumed in bright colors but with their faces entirely painted with white, giving a grotesque, mask-like appearance. Two girls decked with flowers act as attendants on the bridal couple and the wedding guests squatted around on the floor, each with his or her bowl of native sweet-

Social Personal

Miss Elizabeth Stoddart has left for Vancouver to spend the Easter holidays there.

Miss Laddie Watkis left yesterday afternoon for Vancouver to spend the Easter holidays with her uncle and aunt, Mr. and Mrs. C. N. Gowen, Davis Street.

Mr. and Mrs. Gibbons and Mrs. Reade, of Cowichan, have been guests in town for a few days.

Mrs. A. J. Gibson has been engaged by Madame de la Roche to be the accompanist for her Western engagements in Victoria, Vancouver and Tacoma.

Mr. Jack Clay and Mr. William Ellis are spending the Easter holidays at their summer cottage on Shawanigan Lake.

Mr. and Mrs. S. A. Pearce, of Metochin, are receiving congratulations upon the birth of a daughter last evening.

Mrs. W. J. Bowser, "Bunera," Terrace Avenue, has her guest for a few days Mrs. William Sowerby, of Vancouver.

Mrs. Babington, who has been spending some time with her sister Mrs. A. E. McPhillips, left this afternoon for San Francisco where she will make an extended visit to Mrs. Anderson.

Mr. Hartley Holmes, of Kingston Ontario, son of Colonel and Mrs. J. H. Holmes, of Victoria, is to spend the Easter holidays in Ottawa as the guest of Senator and Mrs. R. F. Green, of Victoria.

Mr. and Mrs. A. T. Goward have gone over to Vancouver for the Easter holidays when Mr. Goward is playing in the British Columbia Golf championship tournament at Burquitlam.

Cadets Tom Patton and Lambert Ralph who are attending the University Military School are to be the guests of their grandparents, Mr. and Mrs. C. N. Gowen, Wilmot Place, for the Easter holidays.

Mrs. Dennis Penneck, of 1172 Oxford Street, entertained at an attractive tea yesterday afternoon. A profusion of wild flowers and daffodils gave a Spring-like air to the reception rooms.

The Dr. O. M. Jones Chapter Progressive Bridge Club met last evening at the home of Miss Irene Adams, when five aces were in progress. The fortunate prize winners were Mrs. Colgate and Miss Inez Conyngne. Miss Evans, a member of the Chapter and organizer of the Bridge Club is leaving shortly to take a three-year course in chiropodics at Pittsburg, and the occasion was seized by the members to present her with a handsome resplendent table set, their appreciation of her devoted services to the Chapter.

The Bridge Club held its final meeting of the season on Monday afternoon at the home of Mrs. J. F. Scott, Howe Street. The reception rooms were artistically arranged with antirrhinums and greenery, while daffodils formed the decoration of the tea-table in the dining room. The players included Mrs. A. McKeown, Mrs. Manley, Mrs. R. L. Miller, Mrs. E. H. Griffiths, Mrs. B. C. Richards, Mrs. A. E. McMilling, Mrs. Bryant, Mrs. Geo. Brown, Mrs. E. J. Fossas, Mrs. J. O. Cameron, Mrs. James Hunter and Mrs. Leroy Burkes.

Marriage Bonds Light.

A feature of the ceremonial is a scarf which is passed by the bridegroom to a member of the company who is then expected to dance. At the conclusion of the dance, the scarf is again handed on to the recipient again dances. In the event of the recipient being unable or unwilling to perform the dance, a donation of money to the bridegroom to assist in paying for the entertainment.

Wonderful Temple.

Mrs. Troup was much impressed by the wonderful temple at Djocja in Java which the party made a special trip to see. Built in the eleventh or twelfth century and restored from decay, it covers of lava about one hundred years ago, the temple is one of the wonders of the Orient. Wonderfully carved stone frescoes depicted the life of Buddha, and the ceiling all around the roof of the temples are a series of fifty-two huge bell-like erections called stupas, each containing a wonderfully carved image of Buddha.

Hotel Arrivals.

O. K. Stanley, Mrs. J. E. T. Golborne, and J. J. Platis in California; R. C. Merrill and S. Milson, of San Francisco; W. E. Wilson and Mrs. Wilson, of Plainfield, Conn.; Carl All, of Long Beach, California; G. J. Arsonia and J. R. Falconer, of Everett; W. Robertson, of Rock Creek; M. S. Green and Mrs. Green, of Dunsmuir; W. Milliken, of Shiloh; Thomas Morrison and family, of Nanaimo; are guests at the Dominion Hotel.

A. S. Jack, Walter Bird, H. F. Bird, F. E. Maquire, T. D. Thompson, M. Jones, G. Reid, C. W. Abbott, J. McKen, A. Kingston, G. McTaggart and Mrs. McTaggart, Mr. and Mrs. Adams of Vancouver, are new arrivals at the Dominion Hotel.

Registered at the Strathcona Hotel are Mr. H. F. Fogg and Mr. F. C. Jones, of Vancouver; Mr. W. P. Wylie, Shawanigan; Mrs. Hanham, Duncan; Mr. H. Williams, Fraser Mills; Mr. A. Barber, Mr. J. E. Barber, Mr. C. L. McFadyen and Mr. A. P. Burdett, of Seattle.

DOMINION

William D. Taylor, director, James Van Trees, cameraman, Betty Compson, star, and all the members of the staff, had an intricate and difficult day during the filming of "The Green Temptation," a new Paramount picture, showing at the Dominion Theatre, all this week.

The scenes filmed on that particular day included several complex double exposures with dissolves. The scenes show Miss Compson in the various styles of dress she wears in the picture, but what the audience will see are her reflections in a big cheval mirror while she herself stands apparently unchanged before it. The idea is that she sees her reflection in the glass in a review, as it were, of the different characters—Genevieve, the Apache; Coralyne, the danseuse; Columbine, the Red-Cross nurse, and so on.

The difficulty in making these exactly to match and give the proper effect was a trial for director, cameraman and star. Miss Compson had to change costumes over and over, again several times during the day.

VARIETY

Pearl White's philosophy teaches that one should never be afraid to try to do things. The noted William Fox star cites a particular instance in her life that brought her success.

She walked into the office of a theatrical manager in Chicago dur-

ing her early stage career. The manager asked:
"Can you play Jane Eyre?"
"Right in my line," Miss White replied.
"All right. Be ready for rehearsal tomorrow."
Miss White admits that the only thing she knew about Jane Eyre was what she read in the novel. She had no idea of the requirements of Jane Eyre as a stage character. But all afternoon and all night she studied the part—and she made good.

"Now," declares Miss White, "if I had hesitated, if I had been uncertain about myself, he would have been uncertain about my work. Then even if I made good, his idea of me would not have been half so good. Most of us can do better than we believe we can do, or we are too timid." Miss White, who has abandoned serials for dramatic features, will again appear in "The Thief" at the Variety Theatre to-day.

ROYAL VICTORIA

It is a pity that Mark Twain died before the admirable screen versions of his immortal Huckleberry Finn, Tom Sawyer and "A Connecticut Yankee in King Arthur's Court" were given to the public. The famous writer's comments upon the film adaptations of these three celebrated novels of his which will be well worth hearing. "A Connecticut Yankee in King Arthur's Court," which is the attraction again to-day at the Royal Victoria Theatre, the latest of the Mark Twain stories to reach the screen, has been given a sumptuous production by William Fox and will be known as one of the most diverting pictures of this or any other season.

One thing should be made clear: The picture is one huge laugh and the human being who can resist its colossal humor and light-hearted satire should immediately consult a doctor as to the state of his health. Its rollicking fun and its good natured drive at the once highly respected trade of knight-hood are the best kind of medicine for a sluggish liver.

On its pictorial side "A Connecticut Yankee in King Arthur's Court" is a succession of early English exteriors and interiors which will compare favorably with the most ambitious settings of the screen. There are long shots of English landscapes with fifth century castles in the distance that are beautifully impressive. The director has kept the entire production at a fine artistic level.

PANTAGES

Peggy's Follies continues its success at Pantages Theatre and will be repeated to-night at 7 and 9, at a special holiday matinee to-morrow at 2.30, and the closing performances will be given Saturday afternoon and night. Miss Lewis's clever company gives a bright, snappy show which is well worth going to see. It is full of

Sun and Wind Bring Out Ugly Spots. How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable concern that it will not cost you a penny unless it removes the freckles; while it does give you a clear complexion the expense is trifling.

Simply get an ounce of Othine—double strength—from any drugist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case. Be sure to ask the drugist for the double strength Othine as this strength is sold under guarantee of money back if it fails to remove freckles. (Adv't.)

YOLANDO MERO

From the beginning of her career Yolando Mero, the pianist, who is to give a recital here at the Empress Hotel Ballroom, on April 21, has been famous as an interpreter of the music of Liszt, Beethoven and Wagner, and filled with the fiery temperament of that race, she finds in this more than music, she finds in it the feelings and emotions of her own people. Karlenton Hackett brought this point out in the Chicago Post after hearing her play some Liszt. He said that she "had the Magyar fire that made the Liszt music shout out its meaning in no uncertain tones. It was for her not so much a series of notes arranged in orderly sequence as an expression of racial feeling, and she had both the spirit and the strength to bring it out."

The box office is at Fletcher's Music Store.

How Absorption Method Brings Girlish Skin

The complexion may acquire that girlish flush, the real essence of physical beauty, only by means of the capillary circulation. In advancing age and in any condition where the circulation is faulty, the complexion is pale, faded or sallow. If, however, the lifeless, scaly skin is removed, the skin beneath, being that much nearer the capillaries, exhibits a healthier, rosier bloom; the new complexion is young in fact as well as in appearance.

It will be a welcome news to many that such a complexion easily may be obtained—the offensive outer cuticle harmlessly removed by the use of ordinary mercurized wax. The wax, procurable at any drug store, is used at night like cold cream and washed off in the morning. It completely absorbs the scum, saliva, muddy or blotchy surface skin—fine, almost invisible particles coming off day by day. Then the exquisitely beautiful, girlish complexion is in evidence—a result which astonishes all who try this simple method. An ounce of mercurized wax usually suffices. Adv't.

50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives, Limited, Ottawa.

"MATCHMAKER" IS AN UNUSUAL PLAY

Different in one respect, but similar in another, to "The Rosary," "The Matchmaker" was produced before a full house in its premiere presentation at the Princess Theatre last night.

Harry Leland again excelled himself as the kindly old minister, displaying an excellent piece of character playing. A pretty love scene was that which Jack Phipps and Violet Neitz filled, carrying this role with an appealing effect. Howard Foster made an excellent portrayal. Sparkling comedy of the absent-minded variety from Earl Moore, with Lily Dooley's ever charming manner was another feature, while William Campbell and Vivian Moore were certainly laughter producing machines.

CAPITOL

Bebé Daniels had a distinguished visitor during the filming of "The Speed Girl," the Reartel picture which is now showing at the Capitol Theatre.

Fannie Heaslip Lea, whose fiction appears in the Saturday Evening Post, Collier's, Woman's Home Companion and Good Housekeeping spent nearly a day at the studio with the delightful young actress, seeing how the movies are made.

Miss Daniels is now wondering if she will "come out" soon in one of Miss Lea's stories.

"PAY DAY" SOON AT ROYAL VICTORIA

"Pay Day" will come. It's due next Monday at the Royal Victoria Theatre for thousands of motion picture fans who have been waiting for a good laugh.

"Pay Day" is a First National attraction, being the title of the latest Charlie Chaplin comedy and the first one that the superlative star of fun has given the screen in many months. It will be pay day for the fans who have been waiting to cash in on a good laugh, for advance reports have it that the picture is one of the biggest humorsities that have ever come from the Chaplin studios.

THE LOVE PETAL

Another Big, Gripping Story by the Author of "A Gamble in Beauty," Which Recently Created Such a Sensation
By NANCIBELLE HALE

Slightly leaning as he walked, he approached the table at which Neata and Emory sat. He made a deep bow. His unshaved face lighted as he looked on Neata.

He took one of the packets from his basket and, holding it out to her, said, "Impressively."

"I have made for you some 'inspiration candy.' Don't miss the opportunity which I afford you to partake of this rare delicacy. Into this candy I have put love, inspiration and soul. After eating it you will be given a new lease on life—success will be yours—its precious elixir will flow through your veins and you will find freedom from the troubles of mundane existence. Take advantage of this chance for having your dearest wish—sketches of requeaters of the gods—and their instrument exquisite, inspiration divine. For the marvelous privilege which I offer you of sharing in the consumption of this gift-bearing concoction I ask the paltry sum—the infinitesimal charge of 35 cents."

"How extraordinary!" exclaimed Neata, charmed by the man's solemn harangue. "What is the candy made of?" she asked, intrigued.

"Of the singing of the birds, the whispering of the flowers, the buzzing of bees and the sighing of the winds—of all things and of nothing" was the illuminating reply. "The power to manufacture it is a gift bequeathed me by the gods—and their instrument to bring joy to others."

Pinnell was amused at the appeal which "Tiny Tim" made to Neata. He bought two bags of the candy and the giant left them to go into the rear room, which was reserved for chess players, its walls also decorated with an appealing effect. Howard Foster made an excellent portrayal. Sparkling comedy of the absent-minded variety from Earl Moore, with Lily Dooley's ever charming manner was another feature, while William Campbell and Vivian Moore were certainly laughter producing machines.

ECZEMA ON FACE AND HEAD FOR FIVE YEARS

ECZEMA or salt rheum, as it is so often called, manifests itself in the round pimples which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed, and the intense burning, itching and smarting, especially at night or when the part is exposed to a strong heat, is almost unbearable and relief is gladly welcomed.

There is only one way to get relief and no remedy like

BURDOCK BLOOD BITTERS

Take it internally and it gets at the seat of the disease in the blood and drives it out of the system. Apply it externally and it takes out the itching, stinging and burning, and promotes healthy healing.

Mr. J. Sage, 215 Princess Ave., Vancouver, B. C., writes:—"Having suffered with eczema on the face and head, for the last five years, I consulted several doctors, and tried various kinds of salves and lotions, but I derived no benefit from any of them. I did not know what to do until a friend advised me to try Burdock Blood Bitters, and after I used two bottles I began to get better and now after taking eight bottles I have not even a blotch on my face. I feel like a new man. B. B. is too highly. I hope you will make full use of this recommendation for the benefit of those who are suffering from this terrible complaint, eczema."

B. B. B. put up only by The T. M. Burn Co., Limited, Toronto, Ont.

"I doubt that you could get a unanimous vote on the subject," said Neata, looking around at the other guests. "Every man in the place seems to be telling the woman he is in love with her. It is a little strange how little we know of what is transpiring right under our eyes? The heart of the little girl in the fawn-colored suit may be icy cold with fear of what the man is proposing she should do."

Neata prevented one asking the trouble or offering her aid.—And yet this is supposed to be the most unconventional spot in the world. So I'll not attempt it, and I suppose it really would not want to be changed after all, do you think?"

Emory left her question unanswered.

"The month is nearly up, Neata, sweetheart," he said. "Are you ready to give me my answer? Don't keep me in suspense."

"But the month is not quite passed," corrected Neata. She was troubled. Could she, in all honesty, marry Pinnell? She believed she had steeled her heart against Colin to such hardness that an encounter with him would not pain her. Her love for him, she thought—and prayed for power to keep it so—if not dead, was numbed.

Wisdom dictated that she accede

FOR CHILDREN THE SANDMAN STORY FOR TO-NIGHT

THE FIRST OF APRIL IN THE WOODS

Mr. Dog put the idea into Mr. Fox's mind when he called out, "April fool, Mr. Fox." Just as he had crept up to a wooden duck in a puddle of water behind the barn.

Of course, Mr. Fox did not know that it was left there by the farmer and that Mr. Dog did not play the trick on him, and as he was running away Mr. Dog, rolling over on the ground laughing, called after him: "This is the first of April Reynard. Look out you don't get fooled again."

"This must be a day you can play tricks on your friends," thought Mr. Fox as he ran home. "I believe I will give a party to-night and invite Mr. Badger, Mr. Squirrel, Mr. Rabbit, Mr. Possum and Mr. Coon. It will be great fun to play an April fool joke on them."

All day he was busy inside his house, and just at dark Mr. Fox ran around and invited the guests.

They were all glad to come, for Mr. Fox owed them all a return invitation, and it was not long before they were waiting outside Mr. Fox's house for the lamp to be lighted when the party would begin.

Mr. Fox had hardly blown out the match with which he lighted the lamp when they all tumbled in at the door. Of course, they had to be polite and not seem too anxious about the refreshments, but it was very hard for them not to cast anxious eyes toward the pantry door, for there was no sign of a supper to be seen in the kitchen.

Mr. Fox was feeling in a very jolly mood and told all the funny stories he knew, but for all that his guests kept casting their eyes where they knew the refreshments must be.

And by Mr. Fox got up from his chair and said, "I have a special dish prepared for each of you, the thing I feel sure you best like."

The guests sat around the table and with wide-open eyes and mouths, they watched for Mr. Fox to return.

"Now you all must wait until every one has been served," said Mr. Fox.

The efficient man and woman today must consult the classified advertisements to get the best results.

Emory," she said, "the month is up Monday. That night we will go somewhere and enjoy ourselves and when we are coming home I will give you my answer. And earnestly she added, "I will do my best to answer as you wish."

the size, but he did not explain that the chicken was filled with red pepper.

For Mr. Coon he had oysters in the shell, which had been cleverly opened, the oysters removed, the shells filled with red pepper and glued carefully together.

"Now," said Mr. Fox, "the party can begin," and he began to eat a small chicken he had for himself, without red pepper, you may be sure. Everybody took the first bite about the same second, and then such a howl and such sneezing were never heard in the woods, while Mr. Fox jumped up and cried, "April fool! April fool! This is the first of April. Didn't you know it?"

Of course everyone laughed when he explained about it but for all that

Convalescence Requires Wincarnis

In a state of convalescence, while the crisis is over, the danger of relapse may not be over. It is then that strength and vitality should be restored as quickly as possible.

Fresh air, sleep and such nutritious articles of food as can be easily digested are required to restore the lost vitality and repair the wasted tissues. But as the system is too weak to absorb the mineral elements that compose the body—it is here that WINCARNIS is so wonderful. For it contains Iron and Manganese for enriching the blood; Phosphorus for Brain and Nerves; Calcium, Sodium and Potassium—Phosphates essential for Bone and Tissue-Building—in a form that promotes their ready absorption into the system.

Everyone recovering from illness should take WINCARNIS. If you would quickly restore rosy cheeks and the glow of health to friends or loved ones who have been ill, take them a bottle of WINCARNIS.

The LATEST NEWS of SPORT

NEWS of SPORT

Inter-City Soccer Match To-morrow

Victoria and Vancouver "Rep." Squads Will Meet In Afternoon at Royal Athletic Park; Metropolitan and Wests Will Play Island League Game In Morning; Both Games Should Be Very Keenly Contested.

Soccer fans will have two good games served up to them to-morrow, so they can pack the family picnic basket and spend the day at the Royal Athletic Park. The games will be as follows: 10.30 a.m.—Metropolis First vs. Victoria West, at Royal Athletic Park. Referee, P. Shrimpton. 3 p.m.—"Rep." game, Victoria vs. Vancouver, at Royal Athletic Park. Referee, C. Faulkner.

The Morning Game.

The struggle between the Mets and Wests will no doubt attract a big crowd. These teams always play to a "full house," being regarded as the best two elevens in the city and usually the finalists in all series.

This game will bring these clubs together for the first time this season. Their meeting is being arranged by the Island League.

The Wests are particularly anxious to win to-morrow as they want to wind up their season with a win over the Mets. In the last meeting between these clubs the Mets were victorious, winning the Jackson Cup.

Jack Youson, manager of the Wests, will have Tommy Heyland, the fleet inside right, on the field. The team will line up as follows: Shandley; Whyte and Copas; Thomas, S. Sherratt and Baker; J. Sherratt, Heyland, Peden, Muir and G. Allen.

The Mets team will be picked from the following: Leeming, Church, Taylor, McKenize, Wale, Brynjolfsson, Brown, Totty, Merfield, Petticrew, J. Cummings and Fairall.

The Victoria and District Football League has picked a fairly strong team to uphold its colors. A change will have to be made in the fullbacks, as Rickison has gone to the Cariboo and will not be able to play. Either Edwards or Tuckwell will be inserted into the lineup.

Some Good Players.—A number of very fine players are embodied in the lineup. Although it may not be thoroughly representative of the city's soccer talent, it should give a good account of itself. A meeting of the V. D. F. A. was held last night and the team to play to-morrow was picked. It was also announced that the challenge issued to the Wests and Mets for a game on Saturday of this week had not been accepted.

The teams will be as follows: Victoria—Shrimpton (S. O. E.); Burton (Thistles); A. N. Other (Thistles); J. Allan (C. P. R.); Connell and Potter (Thistles); Cummings (Garrison); Bloom (Thistles); Smith (C. P. R.); Speak (S. O. E.); and Hayward (Mets). Reserves, Small, Edwards, Roe and Tuckwell. Vancouver—Turner; Campbell and Main; Dryborough (capt.); Owens and Crawford; Munro, Bradshaw, Cox, Gennell and Finlayson. Reserve, Husband.

SCOTTY MACKAY WILL REPRESENT VICTORIA

Scotty MacKay will represent the V. I. A. in the B. C. Boxing Championships which are to be held at Vancouver on Friday and Saturday evening. Scotty is entered in the 145 and 158-pound class. Ted Beales the V. I. husky light heavyweight boxer also entered in the light heavy and heavy class, but his entry had to be cancelled owing to his work having called him away from the coast.

PARIS WILL HAVE BASEBALL LEAGUE

Paris, April 13.—Paris is to have league baseball this summer. The opening of the season was set for May 20 at a meeting held last night. The league is composed of four teams, the American Legion, Veterans of Foreign Wars, French Baseball Club and the Independent. The games will be played on the beautiful Bagatelle grounds in the Bois de Boulogne.

FRANK BARRIEAU MAY MEET JOHNNY KLESCH

Toronto, April 13.—Frank Barrieau, the Canadian welterweight champion, arrived from Winnipeg last night. Matchmaker Eddie Rudd, of the Army and Navy Veterans' Association, is anxious to have him meet Johnny Klesch, of Cleveland. Barrieau said he would meet Klesch if the latter made 155 pounds and providing the purse was satisfactory.

Soldier Jones, Canadian Battler, Challenges Beckett For Title

London, April 13.—(Canadian Press Cable)—Soldier Jones, of Quebec, the Canadian heavyweight boxer, through his manager, Pat Hooley, of Montreal, has challenged Joe Beckett, heavyweight champion of the British Empire, to a fight for the Empire championship for £500 a side. Soldier Jones on March 30 was defeated in a 20-round bout with Albert Lloyd, the Australian, on a foul in the tenth round, just as Jones had the Australian practically out after a strenuous fight.

Joe Beckett, heavyweight champion of England, won the Empire championship on April 10 when in a 20-round bout with George Cook, Australian, Cook was disqualified in the sixth round and Beckett was declared the winner. In this round Cook, who was groggy from several hard rights to the jaw, hung so tightly to Beckett that the latter could not shake him off, hence the fight was awarded to Beckett on a foul.

Twelve Runners to Start In the Ten-Mile Road Race

Twelve runners will await the crack of the starter's pistol in the annual G. W. V. A. road race which is to be held to-morrow morning. The entrants are as follows: Baptist Thomas, V. I. A. A. E. J. Harwood, G. W. V. A. A. Chris Thompson, First Presbyterians. F. Tooby, First Presbyterians. J. Buckett, Crusaders. T. Powden, Crusaders. N. Youngs, Crusaders. L. Everett, Crusaders. Ernie, Cull, Crusaders. Lieut. Corporal Hayden, P. C. C. L. I. Pte. R. Baker, P. C. C. L. I. Pte. J. Schwartz, P. C. C. L. I. The race will start at 10.30 o'clock from the G. W. V. A. headquarters, Bastion Square, opposite the Court-house, Joe Food, president of the association, will act as starter in place of Don Martyn, who has been called to Vancouver.

Difficult To Pick Winner.—It is difficult to pick just who will lead the field home. The ability of several of the runners is known. Jamie Buckett won the race last year by a scant margin, while Ernie Cull is a lively stepper and Harwood has more than one victory to his credit over the distances.

There is a lot of talk about Thomas, the V. I. A. entrant, being the dark pony. He is said to have a great record and all the runners are determined to keep on his heels provided he should show early speed.

The course will take the runners about ten miles and they should reach the finishing point, Bastion Square, about an hour after the start. All the athletes are in good shape and are prepared for a hard run.

The course will be from the G. W. V. A. quarters on Bastion Street, proceeding along Fort Street, under the Uplands, to Cadboro Bay, where a turn to the left will be made, continuing along to Hillside, to Douglas Street, to Fort Street, and a final spurt to headquarters.

The Ladies' Auxiliary of the G. W. V. A. will supply light refreshment to the runners at the finish.

LEWIS WILL DEFEND HIS TITLE TO-NIGHT

Earl Caddock Will Try and Win Back the Heavyweight Wrestling Title

Wichita, Kas., April 13.—Earl Caddock, world's heavyweight wrestling champion, will defend his title to-night, when he will meet Stanislaus Zbyszko here six weeks ago.

The match will be to a finish, two falls in three, for a purse of \$20,000. Caddock and Lewis have met four times, both winning titles. Lewis, presenting 220 pounds, will have a thirty-pound advantage over the challenger.

Excellent Reports Read at Annual Meeting; J. A. Sayward Again President

In spite of a winter season that passed all records for anti-golf activities the annual balance sheet of the Colwood Golf and Country Club, presented to the yearly gathering of its members last night, revealed an excellent twelve months' trading.

COLWOOD GOLF CLUB HAS SPLENDID YEAR

Well on the way to eight thousand dollars were expended, and in using golfing enthusiasts during the fiscal year which ended on March 31. This is not quite such a large amount as last year; but when it is considered that for two months at the height of the golfing season the Colwood road from the hotel to a point beyond the entrance to the links was under repair and, more especially because three months of frost and snow virtually closed the links to visitors, the figures are regarded as highly satisfactory.

CANADIAN SCOTTISH SHOOT TO-MORROW

The Canadian Scottish Regimental Rifle Association will hold a shoot at Clover Point Rifle Range, at 9.30 a. m. on Friday. As this part of Regimental activity is of the utmost importance, the Commanding Officer hopes all ranks will be present and at future shoots during the season.

Huskies, Firsts and "Y" Survive Games

Three Thrilling Games in Basketball Tournament Last Night; Jordan River, St. Andrew's and Crusaders Eliminated; Tom Nute the Hero With 26 Points; Saints Scored Twelve Points In Three Minutes.

Three more teams were eliminated last night from the Victoria and District Basketball tournament, which is being staged under the auspices of the Y. M. C. A. at the "Y" gymnasium. One outside team, Jordan River, went under. The other teams which took the count were the Crusaders and St. Andrew's.

The First Presbyterians, British Columbia open champions, made their first appearance in the series and won out. The other victors were the Y. M. C. A. Business Men, reinforced by Ted Hopkins, and the Huskies. Both the latter-teams registered their second wins.

B.C. GOLF TOURNEY OPENS TO-MORROW

Forty-eight Players Seek Provincial Championship on Vancouver Links

"Big" Wilson and Bob Bone Paired in Classic for Tomorrow's Play

Vancouver, B. C., April 13.—To-morrow morning the qualifying round for the British Columbia amateur golf championship will be played at the Berquitlam links. The draw was made last night and the first players will drive off at 9.30 o'clock in the morning.

Forty-eight players have entered all with handicaps under 12. Seven Victorians are coming in quest of the championship.

Much interest is being taken in the play to-morrow between Biggerstaff, Wilson, of Victoria, and Bob Bone, of Vancouver. They have been paired to start last and no doubt will have quite a gallery following them.

Two Probabilities.—Done is looked upon as one of the local certainties for the championship while Wilson is probably the best man coming over from Victoria. They are both top-notch golfers and there should be some very interesting play.

The draw is as follows: 9.30—G. F. Donaldson and P. Taylor. 9.32—H. A. Jones and G. L. Fraser. 9.36—P. Powell and T. Moorehead. 9.39—A. K. Robertson and W. E. Burns. 9.42—Nigel Bourke and E. W. Humber. 9.45—W. Given and J. G. Fleck. 9.48—M. A. Varogren and B. S. Watson. 9.51—G. H. Davis and H. Rendell. 9.54—A. E. Jukes and C. A. M. Cady. 9.57—N. J. Millie and J. Dawson. 10.00—C. Coville and J. D. Fraser. 10.03—R. Gettelley and A. E. Mountfield. 10.06—W. M. Bone and R. Symes. 10.09—F. Thomas and F. Bull. 10.12—H. P. Hodges and H. Sherwood. 10.15—A. G. Beasley and A. G. Stewart. 10.18—E. M. C. McLog and R. Bell-Vincent. 10.21—R. Trail and C. A. L. Payne. 10.24—R. Knox, Walkem and J. A. Elowes. 10.27—J. S. Hargrave and R. P. Baker. 10.30—J. A. Richard and J. Wilson. 10.33—A. T. Goward and A. T. Gardner. 10.36—J. A. Rithet and A. E. Griffin. 10.39—B. Wilson and R. Bone.

Here's News, Golfers; Pull Your Teeth and Improve Your Game

New York, April 13.—Abe Mitchell, when he went back to England last year, had all his teeth pulled and is confident that his game has been improved 20 per cent thereby. This bit of news is offered to American golfers and American dentists for what it is worth. It is hard to tell which will profit the more by it. But how if, when a man has had his teeth pulled, if he still continues to hook and slice. Will he have to have a set of golf teeth as well as a set for the table? It will be tough on Mitchell when he and Duncan come over here this Summer if he has to explain a defeat by saying he left his golf teeth behind him at his hotel.

Regina Boxer Going After National Title

Regina, April 13.—Edison Fraser, featherweight amateur boxing champion of Saskatchewan, will attend the Dominion boxing championships in Calgary this month. He knocked out two opponents each in one round last Saturday when he won the title.

There is Only One Way to Select Golf Clubs Try Them on the "Golfmeter" Sometimes you think that a golf club will suit you, only to be disappointed later when you take it out and play a game. The Golfmeter at this store allows you to actually use a club before you buy it. Come in and drive a few balls on the Golfmeter to-day.

Peden Bros BICYCLES, SPORTING GOODS, TOYS PHONE 817 718 YATES STREET

safe for the Firsts, but St. Andrew's still had enough speed left to make another hard try to tie up the score.

A Great Rally.—The last three minutes showed St. Andrew's travelling fast. Wiloughby being the speediest man on the floor, while Cobley proved remarkably successful at shooting, netting 10 points in that style. Ernie and Sid Squire also added to the score, while Barclay performed well at guard. St. Andrew's scored 17 points in the second period, while the Firsts only secured 15.

Bob Whyte and Forbes were the outstanding players for the Firsts, while Wiloughby, Cobley and Squire were the stars for St. Andrew's. Reg Graves refereed.

BREAK DEADLOCK IN FRANCE OVER GAMES

French Olympic Committee Decided to "Go It Alone;" Olympiad at Colombes

Paris, April 13.—The deadlock of 10 months which had existed over the choosing a site for the Olympic games in 1924 was broken last evening when the French Olympic committee decided to "go it alone" and formally accepted the offer of the Racing Club of France of their Colombes Grounds.

The offer of the racing club was for a 500 metre track, inside which there will be rugby and association football fields; the building of stadium will accommodate 60,000 spectators and dressing rooms for 1,500 athletes.

Financial Terms.—The track is to be ready for training purposes in October, 1922. The club will ask for 50 per cent of the receipts of the Olympic games, with a guarantee of three million francs. A swimming pool of the regulation size, 50 metres in length, with stands for 10,000 spectators and four tennis courts also will be built by July, 1923 provided the guarantee to the club is raised to four million francs.

V.I. BASKETBALLERS WIN THREE MATCHES

Intermediates, Ladies and Seniors Defeated Keatings Teams Last Night

Three V. I. A. basketball teams made the trip to Keatings last night and were successful in winning all of the games from the Keatings players.

The first game was between the V. I. 150-pound team and the Keatings intermediates. At half time, the Keatings team held the lead by two points but at the completion of play a better combination game and finished with a margin of 10 points in their favor, the final score being V. I. 23, Keatings 13.

The ladies' game between the two clubs proved to be most interesting, both teams being made up of husky players who played a close checking game with the result that there was not much chance for scoring points.

The combination and shooting of the V. I. girls, however, was slightly superior to that of the Keatings girls and they emerged victorious. The score was V. I. 18, Keatings 9.

The senior game of the first period of play was stubbornly contested and due to the small hall and slippery floor the game was of the rough order although both teams displayed a good sporting spirit and took their hard knocks in good part. The Keatings team was handicapped by having to play with only two of their regular team who were on the injured list. At half time the V. I. boys lead by one point. In the second half the V. I. played a much better game and was successful in winning the game by a big margin of points, the final score being V. I. 32, Keatings 12.

After the game the V. I. A. players sat down to a tasty supper which was served by the Keatings ladies.

MARITIME PROVINCES REQUIRE AFFIDAVITS

St. John, N.B., April 12.—The policy of requiring every athlete in the maritime provinces to make an affidavit attesting to his simon pure amateur status was endorsed at a special meeting of the board of governors of the maritime provinces branch of the Amateur Athletic Union of Canada, held here this afternoon.

OLD COUNTRY FOOTBALL London, April 13.—The Guss Hospital rugby team was beaten 3 to 6 at Cardiff yesterday by a team of international players selected by Dr. Wallace, Scotch international. The game was a charity match in aid of the Welsh school of medicine.

Scottish First Division.—Motherwell, 3; Aberdeen, 0. Northern Rugby Union.—Hunslet, 0; Hull, 10.

TENDLER SUSPENDED BY NEW YORK STATE

Fouled Australian Lightweight on Monday and Is Banned by Commission

New York, April 13.—Lew Tendler, Philadelphia lightweight and his manager Philip Glassman, were suspended yesterday by the New York State Athletic Commission pending a hearing on the fighter's disqualification during a bout in Brooklyn Monday night.

Tendler was disqualified in the seventh round of a match with Charlie Pitts, of Australia, who had taken a severe beating. The Philadelphia swept into a rapid fire body attack in the seventh round in the midst of which Pitts fell to the canvas shouting "foul." The referee sustained the claim and ended the match.

New Yorker Wins.—Seattle, April 13.—Bobby Michaels, N. Y. City, light welter, knocked out Joe Harrahan, of Seattle, in the third round of a four-round main event at a boxing show here last night. The blow was a left hook to the body, which Harrahan claimed was low, but Referee Charles Givens ruled the blow a fair one. In the semi-windup Young Gardner, of Boise Idaho, was given the decision over Boy McCaslin, welterweight, of Bremerton.

Roper Wins on Foul.—Tulsa, Okla., April 13.—Captain Bob Roper, of Chicago, won the referee's decision last night over Carl Morris, of Staphula, in the third round of a scheduled 12-round bout when Roper's claim, of a foul was upheld by the referee.

VON ELM AND SEAVER TURN IN NICE CARDS

Los Angeles, April 13.—George Von Elm, of Los Angeles, and E. H. Seaver, of Los Angeles, were tied at the close of the second half of the qualifying round of the Southern California championship tournament over the Pasadena Golf course yesterday with 148 strokes each.

Brilliant play by Von Elm was the feature of the day. He made the round yesterday in 74, the same score he turned in on Tuesday over the shorter Inbridge course. Seaver's score yesterday was 76, his card Tuesday being 72.

The senior leading players for the two days include Laurence Upson, Sacramento, 155; Jack Neville, San Francisco, 151; Hugh Halsell, Los Angeles, 151.

PIRATES CATCHER IS STILL HOLDING OUT

Modesto, Cal., April 13.—Walter Schmidt, premier catcher of the National League, was still busy with private business here to-day, with no intention of returning to the Pittsburgh club this season. Marney Dreyfus, owner of the Pirates, recently announced that Schmidt would be suspended if he failed to accept a 1922 contract at \$3,000 a year on opening day. Schmidt is holding out for a salary of \$10,000. It looks as though the Pirates will have to fight for the National League pennant with a serious handicap, as Schmidt was considered about half the Pittsburgh Club last year.

THE WEATHER REPORT.

Meteorological Office, Victoria, B. C. 5 a.m. April 13.—The barometer is falling over Northern B.C. and unsettled milder weather is expected over the Pacific slope. Cold weather continues in Southern Alberta.

NEWS IN BRIEF

Appoint Teacher.—Miss Ethel Clark was appointed to the staff of the Girls' Central School by the School Board last night.

Gordon Head Women's Institute.—A banquet will be given by the Institute on Easter Monday commencing at 8 o'clock. Refreshments will be served.

Easter Monday Closing.—Wholesale grocers, the hardware trade and ship chandlers have announced that they will close at noon on Easter Monday.

To Give Sermon.—Services will be held at the Grace English Lutheran Church to-morrow evening, at 8 o'clock, when the Rev. P. E. Baisler will preach on the topic "Wards From the Cross."

Youths Arrested.—Five youths have been arrested by Detectives Phipp & McLennan following the recent burglaries in James Bay. Their cases will be dealt with by Magistrate Jay Saturday morning.

Fined for Speeding.—In the City Police Court this morning Magistrate Jay imposed a fine of \$10 on John E. Ferris, who was charged with exceeding the speed limit in a motor car.

Swifts Plan Alterations.—Building permits covering alterations to cost \$6,200 were issued at the City Hall to-day to the Swift Canadian Company, which intends to make extensive changes in its plant on Store Street.

Esquimalt Social Club.—The election of officers will take place at the meeting of the Esquimalt Social Club to-night at the home of Geo. J. Cook, Royal Villa, Constance Avenue, Esquimalt. At 8 o'clock refreshments will be served. Those desirous of joining the club are requested to get in touch with the secretary, Mrs. J. Bosney, 523 Constance Avenue.

Friendly Help.—The Friendly Help Society is appealing for donations of buns, fruit, eggs and jam for distribution among poor kiddies for Easter. An appeal is also made for a cook-stove for a poor woman who is working and is afraid to leave her children at home with her present stove in a dangerously worn condition.

Lake Hill.—A meeting will be held on Monday next at 8 p.m., at the North Dairy School, in the interests of the Community Centre. It is intended to have Community Singing and several artists will render solos. The President will report progress and any information desired with regard to the Community Centre will be given.

Balloting Proceeds.—The primary ballot for directors in the Chamber of Commerce having been completed, the office staff to-day sent out the ballots for the final choice. Thirteen new directors are to be elected, five having another year to run on their two-year term. The ballots must all be returned by 5 o'clock April 20.

Royal Review.—Royal Review No. 18, of the Women's Benefit Association of the Macabees, held their regular meeting at Harmony Hall on Monday evening last. Commander Mrs. Stephen, presiding. Several visiting members attended. Arrangements were made to hold a whist

drive at above hall on Wednesday evening, April 19, also after the next regular meeting on April 23 to hold a box social, to which all are welcome.

Easter Bazaar.—The Ladies' Aid of the First Congregational Church will hold an Easter sale of work and home cooking Saturday afternoon in the Ascade Building, opposite Spencer's Broad Street.

Postponed.—Owing to the Easter holidays the supper for business girls conducted under the management of the Girls' Central Club will be postponed. The Club will be re-opened Thursday after the holidays.

Easter Communion Services.—On Easter Day, five services of Holy Communion will be held in Christ Church Cathedral, the first service at 8.15 a. m., 8 a. m., 9.15 a. m., and after shortened matins at 11 a. m.

Motorists Fined.—Seven motorists were fined by Magistrate Jay yesterday afternoon in the Saanich Police Court. The following were assessed \$15 each for exceeding the speed limit: Ames Holden Company, J. Murphy, R. Veness, F. M. McNaughton, I. Carruthers, A. C. Brownlee and E. W. White.

Saanich Liberals.—At a meeting of the Saanich Liberal Association held last evening it was decided that nomination of delegates to the Nelson convention in June should not be made until about May 16 on account of the inability of the members at this time to state definitely whether they could manage to get away if elected to attend.

To Produce Revue.—The newly-formed Actors' Club is recruiting for its ranks some of the best musical and dramatic talent in the city for its first big production, a revue which is to be produced in about five weeks' time. The opening number of the production will be a big musical act and a few of the members are already invited. The party will meet at 8.30 at Esquimalt Station, take the train for Goldstream, and return about 5.30 o'clock.

Alpine Club.—The postponed outing of the Alpine Club of Canada which was to have been held last Saturday at Goldstream, will be held on Monday, April 17. All members intending to be present will notify the secretary. All members of the National History Society are invited. They must provide themselves with old clothes, food and hob nail shoes. All friends of the Alpine Club are also invited. The party will meet at 8.30 at Esquimalt Station, take the train for Goldstream, and return about 5.30 o'clock.

Welsh Entertainment.—A well attended meeting of the Welsh Society was held last evening. President J. O. Jones presiding. Matters of interest to the members were discussed. A feature of the evening's proceedings was the presentation to Mr. Alfred Petch, the former president with a life membership in the society. An excellent musical programme was provided, including the following: Miss H. E. Bird, A. R. C. M.; Mrs. J. C. Williams, Miss Morfudd Lewis, Messrs. Arthur Gore, W. Vaughan Jones, J. M. Thomas and E. W. Young. Prizes for impromptu speeches were won by Mrs. Mason and W. Vaughan Jones.

Esquimalt Methodist Y.P.S.—The Young People's Society of the Esquimalt Methodist Church will assemble at the Church to-morrow afternoon, at 2 p.m. sharp. The afternoon will be spent in taking a hike into the country roads adjacent, arriving back in time for supper. At

DAYLIGHT SAVING TO START HERE END OF APRIL

Daylight saving will commence in Victoria on Sunday, April 30, and run until September 30.

Premier Oliver to-day put through the necessary order authorizing the decision of the City Council be given legal effect.

SPECIAL SERVICES AT CITY CHURCHES

Appropriate Music for Good Friday Services

Special services appropriate to the occasion will be held in a number of the city churches to-morrow and on Easter Sunday with special music by choirs and congregations.

Morning prayer will be held at 11 o'clock at St. John's Church, to be followed by an address by the rector, Rev. P. A. P. Chadwick. In the evening at 8 o'clock the choir will present Harold Moore's sacred cantata, "The Darkest Hour."

The Rev. A. de B. Owen will preach at the special service at the Church of Our Lord, Reformed Episcopal Church, to-morrow morning at 10.30.

At St. Mark's Church, Cloverdale, there will be two services on Good Friday. At 11 a. m. the Rev. Canon Barry, L.L.D., will preach, and at 8 p. m. Rev. H. V. Hitchcox.

MEMBER'S WIFE HERE

Mrs. Kenneth Campbell, wife of the new member for Nelson, has accompanied her husband to Victoria. Mr. Campbell accompanied the Hon. W. H. Sutherland, Minister of Public Works, on his tour of the highways of the Island. This afternoon Mrs. Campbell is being shown over the Parliament Buildings for the first time.

Gordon Cameron Young Notary.—Gordon A. Cameron, young lawyer of this city who was called to the bar last week, was to-day made a notary public. Premier Oliver made the announcement of the appointment this afternoon.

Social Gathering.—A very enjoyable time was spent last evening at the home of Miss I. Richards, 2039 Goldsmith Street, when a gathering of friends met to congratulate her on her birthday. Five hundred were played during the early part of the evening, after which supper was served, followed later by dancing.

St. Andrew's Tennis Club.—A meeting of the St. Andrew's Tennis Club will be held in the lecture room of the St. Andrew's Presbyterian Church this evening at 7 o'clock prompt. Business will be that of arrangements for the coming season and the election of officers. All members are requested to attend this meeting as promptly as possible. An invitation is extended to any persons interested or who are intending to become members.

NERVOUS BREAKDOWN COULDN'T SLEEP NIGHTS

To those on the verge of a nervous breakdown the following symptoms present themselves: nervous headaches, a feeling of depression, fitful, disturbed, restless and unrefreshing sleep, often troubled with frightful dreams, avoidance of crowded places, dread of being alone, horror of society, etc.

When the nerves become affected in this way the heart generally becomes affected, too, and on the first signs of any weakness of the heart or nerves, flagging energy or physical breakdown do not wait until your case becomes hopeless, but get a remedy that will at once quieten the nerves, strengthen the heart and build up the entire system.

This you will find in

MILBURN'S HEART AND NERVE PILLS

Mrs. M. Damgard, Young's Cove Road, N. B., writes: "I was bothered very much with my heart and nerves, had nervous headaches and dizziness, could not sleep at nights, and my appetite was all gone. I was on a nervous breakdown when a faithful neighbor told me to try Milburn's Heart and Nerve Pills. This I did, and before I had the second box used I was better and would advise anyone who has nerve trouble to take them."

Price, 50c. a box, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

CANADIAN CARDINAL HAS STRANGE VIEWS
Expresses Apprehension Regarding Women in Quebec Politics

Quebec, April 13.—The entry of women into politics, even by the vote alone, would be a misfortune for our province," states Cardinal Bégin, Archbishop of Quebec, in a letter written by him from Rome in March last to Monsignor Roy, Auxiliary Bishop of Quebec, and made public today.

"It is not justified by anything, neither by natural right, nor by social interest," the letter continues. "The Roman authorities approve our views which are shared by our episcopals. Our professors in their teachings should be mindful of this direction."

NEW JUDGES IN QUEBEC.
Quebec, April 13.—Premier Taschereau announced at the meeting of the Provincial Cabinet yesterday that three new judges of the Sessions of the Peace had been appointed as follows: Victor Cusson, Amédée B. Monet, M.L.A. for Napierville, and Gussay Perrault.

The Premier said a fourth appointment of an English Protestant judge probably would be made next Wednesday to fill the vacancy caused by the retirement of Judge Leat.

Wholesale Market
Revised April 12

Despite the fact that this is the season of the year when quotations in beef are expected to advance, the meat product varied on the whole side row to-day, and took a drop bringing it down a cent on the pound for steers No. 1 and cows No. 1.

The embargo on Canadian beef into England, and the high tariff on beef from the United States is evidently the cause of the fluctuation which promises to continue downward. Not being able to find a favorable market for the product farmers turn to home for marketing their meat thus occasioning a larger supply and a lower rate of buying.

Very few changes were registered in the fruit, vegetables and dairy products to-day. The initial appearance of Easter week vegetables on the market yesterday. A big demand will doubtless be inaugurated. It was announced this afternoon that there would be credit on Los Angeles Klondike strawberries on the market, this berry not due on the track until April 14-15 when it will be too late for the Easter season. Opening prices are expected to be high, but the quality of the berry is exceptionally fine. A consignment of Louisiana strawberries is expected to arrive Saturday, in time for Easter Sunday consumption. This will be the third arrival of these berries.

Cantaloupes will be on the market sometime this week, the fruit having already arrived in Seattle, wholesalers having declared the quality of the fruit. The new arrival smashed all previous records for early marketing of this fruit, which from Mexico, upon after seeing the quality of the product ever travels so far North as Seattle and Victoria.

An interesting item which again gives credit to Victoria growers is the fact that Cobble Hill producers of early tomatoes got ahead of the Mainland in shipping, early local produce. Last time it was cucumbers, this time it is tomatoes and Vancouver jobbers found a popular market for them on Water Street.

BETTER BALANCE IN POPULATION
Necessary to Remedy Existing Conditions, Says Premier Oliver

Brighouse, B. C., April 13.—"The greatest good any human being can give either himself, his family or his country, is faithful service to his fellow man."

Premier Oliver thus concluded an address to the electors of Richmond on Wednesday night. He had been discussing future problems, and referred to unemployment as one of the most important. He pointed out that the majority of the population was centered in a small area.

"Your natural wealth has not been developed in proportion to the growth of the cities," he continued. "Until you get a better balance in the population there is no remedy for the present conditions of affairs. Today we have people who claim that they are in need of the necessities of life. They say they are going to have an eight-hour day and standard union wages. Heavens only knows where they are going to get them. Our Government can not provide them. The only way we can provide them, and the nation can not provide them."

Untilled Acres.
"We have millions of acres of untilled land, yet we are bringing in millions of dollars' worth of produce every year. There are just as good openings on the land in British Columbia as there are in the past, yet we find men by hundreds living on the charity of the people."

"Until our people have a different mental attitude, I cannot see much hope for a better future. If we are not wise enough to learn by the lessons of the past and change our mental attitude, then nature will remove us and put in our place men with a truer perception of the blessings of life."

The Premier opened his address by referring to the statements made by Mr. Bowser on Monday night in regard to railroads, and reviewed the whole question from the time of the Conservative administration.

The Premier strenuously denied that the Government had refused to allow any enquiries in regard to charges brought forward by the Opposition.

COMMISSION TAKES GERMANY TO TASK

Paris, April 13.—The Reparations Commission to-night adopted the text of a note to Germany informing her that the Commission's decisions of March 21, 1921, are hereby being put into effect, and that if Germany does not take necessary measures to put her finances in order the commission will be obliged on May 31 to exact penalties.

THREE K'S TO VISIT
Fulford Harbor, April 13.—The Fulford Harbor Athletic Club and the 3 K's Vaudeville Party, of Victoria, have completed arrangements for several events to be held at Fulford Harbor on Easter Monday. The 3 K's football team, champions of the island and the present holders of the McPhillips cup, with a kick off at 3 p.m. Both teams met last May, and after a hard struggle the Fulford team defeated the visitors by one goal, but since their string of victories this season over the Ganges and the Fulford second eleven the Fulford champions expect to meet a stiffer contest with the Victoria boys on Monday. On the other hand the 3 K's intend to make the Islanders served out every minute of the game. Following the game supper will be served at the Institute Hall. At 8 o'clock the members of the 3 K's Vaudeville Party will stage their concert which consists of comic and popular songs, ventriloquism, comic sketches, conjuring, etc. Dancing will follow the entertainment in the gym. Following the game the 3 K's three-piece orchestra.

"MOST UN-AMERICAN BILL EVER FRAMED"

Washington, April 13.—The Administration Tariff Bill pending in the Senate was assailed to-day by Senator Hiram Bingham, of Connecticut, who is a member of the Senate Finance Committee, as the "most un-American bill ever framed."

BANK CLEARINGS.
Clearings for the week ending today were \$1,628,711, as compared with \$2,760,921 in the corresponding week of 1921.

JERSEY BREEDERS MEET.
Metuchen, April 13.—A meeting of the directors of the Jersey Head Jersey Breeders' Association, was held on Monday night at The Grange, the home of the Secretary, W. J. Griffiths. After the usual business had been disposed of, the record of the Jersey Bull recently procured by the association, was read by the President, F. C. Blake. The animal, which is a fine specimen, is known as Blossom King Averil, four years old, whose dam has a record of 14,683 lbs. of milk and 774 lbs. of butter fat, one of the highest tests in Canada.

It was found necessary to de-horn the bull, the operation being performed by Dr. Hamilton.

The headquarters of the animal and the corral, which is in the president's farm, Albert Head, was inspected by the directors and pronounced satisfactory.

The dance held at Colwood on Friday, April 7, was an unqualified success, and it is the intention of the committee to make a dance on the same lines a fortnightly event.

TO-DAY'S TRADING IN WINNIPEG MARKETS

Winnipeg, April 13.—After showing an easier tendency for many days past, the local wheat market reacted today and substantial advances were recorded in wheat futures, with a very strong tone throughout the session.

Following the opening, which was 3c to 1c higher for May, prices all worked higher, May reaching a high for the day of 135 and July 12 1/2. May closed 3 1/2c higher and July 30c up.

The forward reported exporters to be good buyers of futures, and it was understood that the United States Government from London may be buying about 400,000 bushels of wheat. Crop market reports also helped create a bullish feeling. The coarse grains were generally in sympathy with the advance in wheat.

Cash coarse grains were in better demand but the business worked was of a limited character. Spreads were unchanged.

Inspections totalled 290 cars, of which 137 cars were wheat. High Low Close

TALITHYBIUS FINDS
STRONG EAST WIND
DELAYS DOCKING
Strong Wind Causes Trouble;
Officers to Be Relieved

Thirteen days out from Yokohama the Blue Funnel liner Talithybus made port to-day, arriving at William Head at 10 a.m. Capt. H. W. Wilkinson reported a fine crossing with nothing eventful to mar the voyage. The Talithybus docked at the Outer Wharf finally at 12.30, after one unsuccessful attempt to get alongside.
A high east wind was blowing, which made a landing difficult. The pilot brought the liner up to the wharf, but when about to go ahead and dock, she was carried out by the wind and had to go around again. The landing was effected finally by placing her beam on to the end of the pier and wharfing her around to the leeward side by cables. Though its execution took the greater part of an hour, the landing was accomplished in excellent shape.
The landing operations were watched with keen interest, as the liner used the end of the wharf as a pivot point upon which to turn, prior to being warped into the dock. On other occasions an anchor has been put out to take the strain off the wharf, but this formality was dispensed with this time. Notwithstanding some splintering of the outer piles, and a prodigious creaking of the wharf head, having been specially buttressed after the recent onslaught of the Pine Tree State when the entire end was carved into matchwood.
En Route to West Indies.
Several hundred Chinese were on board, some 44 for debarkation at this port. Of this party some 40 are for Jamaica and the others for Vancouver and South ports.
The Cargo.
The Talithybus carries a full cargo of general wares, mostly the lighter freights of the Orient, with a light cargo for local discharge. Three gangs were put to work on the local cargo, and the ship will clear as soon as this can be removed. Rice, silks, and chinaware form the main article for this port. For Sound ports the Talithybus has a fine cargo, with the usual proportion of silk goods.
Officers to Be Relieved.
The Blue Funnel carrier was met at the wharf by Mr. Davidson, of Dodwell & Company, local agents for the Holt Line. Mr. Davidson had welcome intelligence for at least three officers. The master, second officer and third mates, with the chief engineer, are to be relieved this time at Seattle, after the usual twelve months' service on this run. Captain Wilkinson has made four trans-Pacific runs with his present ship, and will go on furlough at Seattle this time. The name of the new master has not yet been announced.

BAY CHIMO EXPECTED
THIS AFTERNOON
Hudson's Bay Co. Steamer
Now on Way Up From
Columbia River

The Bay Chimo, inbound from the United Kingdom, to enter the service of the Hudson's Bay Company as a carrier to the fur posts in the North, passed Columbia River yesterday afternoon, and is expected to reach William Head this afternoon. Her speed is not known here, and some doubt exists as to the time of her arrival.
The Bay Chimo was formerly a German steamer and was acquired by the Hudson's Bay Company to aid the work of the Lady Kindersley in northern carriage of supplies, and in the collection of furs. The first trip North of the Bay Chimo will be in May it is expected, after outfitting at Vancouver for her work. The Lady Kindersley, the new schooner of the Hudson's Bay Company, is now outfitting at Vancouver and will shortly be ready for her annual trip to the Arctic Ocean. She will get away in the early part of the Summer for Coronation Gulf, and must complete her rounds before the ice blocks the passage home, in the late Summer.

WILLPOLO DROPPED
PROPELLOR OFF SHORE
Tugs Gone to Assistance;
Ship Drifting One Mile an
hour, Northward

San Francisco, April 13.—The Panama Canal tug has been despatched to the assistance of the Willpolo, the freighter Willpolo, according to advices received here today at the line office. The Willpolo dropped her propeller off the Central American coast, while en route from New York to San Francisco, and in to-day's message was reported as drifting north, on her course, at the rate of a mile an hour. There was no indication that she would be damaged.
Brought Sugar.
The Dutch steamer Arakan arrived here to-day from Batavia and Manila, with 5,700 tons of Java sugar, 850 tons of coconut oil, 270 tons of merchandise and 400 bags of mail. The sugar shipment is the heaviest from Java to San Francisco in many months. It is being discharged at the Western Sugar Refinery plant.
Pontoon for Dock.
The Steamer Sea Ranger and the Black Hawk tug Storm King leave here to-morrow morning with two pontoons of the 12,000 ton floating drydock of the Bethlehem Shipbuilding Corporation for San Pedro, where the dock will be installed for the Southwestern Shipbuilding Corporation. Two sections of the dock have already been sent there. Hats, golf clubs, suitcases have been wagered on the outcome of the race between the rival tugs.

Albany, at Queenstown, from New York.
Empress of Russia, at Shanghai, from Vancouver.

CAPTAIN HARBORD
RESIGNS FROM BOARD
President of Victoria Ship-
owners Ltd. Vacates Chair;
Private Reasons

Pressure of private affairs and a discouraging lack of tangible success in his efforts to right the tangled affairs of the Victoria Shipowners Ltd., is given as the reason for the resignation yesterday of Capt. M. D. Harbord from the office of president.
Capt. Harbord was appointed chairman of the board of directors of that body last Summer, and since that date has been an indefatigable worker in the interests of the organization. His main efforts were devoted to an endeavor to secure a resumption of work at the Cholberg yards on the wooden ship programme, the hulls of several uncompleted ships still remaining on stocks there.
The Victoria Shipowners Ltd. were to build four wooden ships, of the S. F. Tolmie class. The S. F. Tolmie was the only vessel completed when the organization went short of funds and the Government took over the assets of the company, under prior agreements. Since that time local shareholders, under Capt. Harbord, have been trying to wind up the venture, either by pushing the building programme ahead to completion, or in some other manner that will protect the small shareholders.
Capt. Harbord is still satisfied that the wooden ship will come again into her day, and advocates the completion of the programme.
SEATTLE NOTES.
Seattle, April 13.—Capt. John Griffiths to-day took command of the line Silver State, relieving Capt. E. P. Bartlett, who will take command of the steamship H. F. Alexander.
Completing her first round trip voyage to Australia in the service of the Yamashita Kaisha Kaisha, the steamer Yehime Maru, arrived here today.
Two Alaska Steamship Company steamships, the Jefferson and the Redonda, sailed for the North today. They carried cannery hands and cannery supplies.

Along the Waterfront
SHIPPING NEWS FROM DAY TO DAY

H. M. C. S. SHEARWATER TO BE SCRAPPED

H. M. S. Shearwater is being offered for sale by tender by the Naval Service Department, as she lies at Halifax, N. S., for breaking up only, says The Canadian Railway and Marine World. She is built of steel, wood sheathed, and equipped with a single screw, two bladed propeller, triple expansion, inverted, surface condensing, reciprocating engines. Her dimensions are: length 200 feet, beam 33 feet, draft 12 feet 5 inches. She has a displacement of 950 tons.
The H. M. C. S. Shearwater was well known in these waters, being based on Esquimalt for many years, during her operation by the authorities when the harbor of Esquimalt was a naval base.

May Banish Seasickness
as Malady of Travel
Automatic Stabilizer on Gyroscopic Principle to Be
Tried Out To-day; Will Steady Ocean Liner; Gear
Is Electrical and May Also Be Used to "Rock the
Boat" Off Shoals.

Philadelphia, Pa., April 13.—A large gyro-stabilizer, designed to eliminate seasickness by preventing the rolling of ships, is to be tested late to-day at the Westinghouse Electric and Manufacturing Company. Similar devices have been used on yachts and small ships but the stabilizer at the Westinghouse plant, which weighs 120 tons, is designed for use in the largest ocean-going vessels.
For Hawkeye State.
The stabilizer, which will be installed in the Shipping Board steamer Hawkeye State operates on the principle of the common toy gyroscope. The theory of its operation is that when the ship rolls, the gyro-stabilizer exerts force in the opposite direction, equalizing the motion.
Friction Small.
The wheel of the stabilizer, which furnishes the power equalizing the roll of the ship, has a revolution of 300 turns a minute and the force is such that it is said to spin for 18 hours after the power is shut off.
Will Reverse.
It is said the stabilizer also can be used to roll a ship, thus being effective in moving stranded vessels from shoals. The action is controlled by small gyroscopes along the sides of the vessel.
Action Automatic.
They register the direction of the roll and automatically start the large stabilizer wheel revolving in the direction necessary to counteract the motion of the ship.

EXTRADITED ON
CHARGE OF MURDER
Pistol Shots on High Seas Kill
Captain of British
Schooner

Key West, Fla., April 13.—The British Consul-General at New Orleans has instructed the local consuls to send V. Brackelhurst, charged with the murder of Captain H. Chute, of the British schooner Lewis Brothers, and members of the crew, to Nassau, Friday, on the British schooner Beatrice.
Chute died of pistol wounds aboard his ship on the high seas and the state department in Washington several days ago granted the request of the British government for the extradition of Brackelhurst to British territory for trial. Brackelhurst was first mate on the vessel. The other members of the crew are held as witnesses.
Oil Leaking to Cargo.
Cristobal, April 13.—With oil from fuel tanks leaking into one of the holds and threatening to damage her cargo, the British steamer Gothic Star returned here yesterday. She is bound from San Francisco for London.
TRANSPORTER LOADING.
Outbound from Vancouver for the Antipodes, the C. G. M. freighter Canadian Transporter tied up at the Ogden Point docks to-day, picking up a light cargo for points in New Zealand. The Canadian Transporter will put to sea directly from this port having completed her main loading at the terminal port, Vancouver.

CANADIANS WILL
AID SCIENTISTS IN
TIDAL RESEARCH
Conference to Be Held at
Rome; Canadian Scientists
to Make Trip

Ottawa, April 13.—A number of Canadian representatives will attend the international scientific conference to be held in Rome next month, while a special effort will be made to establish a uniform system of arriving at tidal data throughout the world. Dr. W. Bell Dawson, of the Tidal and Current Survey branch Naval Department, one of the Canadian representatives, will leave Ottawa for Rome to-day.

INGREDIENTS FOR A
COMBINATION SPRAY
What should a good all round spray, effective both in the orchard and garden, contain? The man with an orchard, the woman with her garden, the rosarian, are alike asking the question.
No better answer can be given than giving the formula for Kero-Spray a spray which, while very inexpensive, has been doing most effective work. This contains in proper proportions Black Leaf Party, a genuine leaf-eater, Lead, Kerosene, Whale Oil Soap and emulsifying ingredients. A spray of such composition means sure death to all forms of insect life, especially if applied just after the egg hatches and the larvae feed voraciously. The spray has the additional qualification that (while it is poisonous) it will not injure the tree, plant, leaf or bloom.
The formula for Kero-Spray was outlined after careful study of the enemies of tree and plant and the spray is attracting wide attention. The manufacturers have placed it within the reach of all. For small gardens a large bottle making 5 gallons of spray costs only 40 cents while for orchards a 1/2 gallon tin (making 25 gallons) costs \$1.25 while a gallon runs at \$2.00.
Kero-Spray can be purchased at any Vancouver Drug Co. store, Vancouver, Victoria and New Westminster.

WORLD TONNAGE
SHOWS DECREASE
Lloyd's Register of Shipping reports during 1921, the total output of shipping throughout the world, aggregated 4,341,679 tons, a decrease of 1,520,000 tons from 1920, but over 1,900,000 tons greater than for 1912, when the pre-war record output was reached, says Canadian Railway and Marine Magazine. The percentage of this output pertaining to the United Kingdom was practically the same as in 1920, viz., 35%, compared with 58% in 1912. Steam turbines were applied to 167 ships, having a total of 1,195,000 tons, and internal combustion engines were applied to 306,000 tons of shipping, compared with 156,000 in 1919. The total tonnage launched during the four years, 1918-1921, was nearly 22,000,000 tons, considerably higher than the total output for the nine years, 1905-1913. During 1921, the United Kingdom launched 371 steamships, with a total of 1,429,757 tons, 28 motorships, with a total of 102,356 tons, and 27 barges with a total of 5,939 tons. All of these ships were of steel, with the exception of 3 wood ships of 1,273 tons, and 1 of reinforced concrete of 300 tons. No sailing ships were launched in the U. K. during the year. The 1921 figures were 517,512

Lochkatrine, Royal Mail Line
Motorship, Much Admired
at Seattle

Seattle, April 13.—Moving majestically into the harbor, the Royal Mail Line's new motorship Lochkatrine, the largest vessel of her type in the world, docked at the Port Commission's Hanford Street Pier shortly before 11 o'clock yesterday morning. She brought general cargo from Great Britain and Europe for Seattle discharge and will load large shipments of Northwest products here for the return voyage to the other side of the Atlantic. She is operating in the joint service of the Royal Mail and the Holland-America Line via the Panama Canal. This is her maiden voyage.
The Lochkatrine has palatial quarters for twelve cabin passengers and will have six wayfarers from Seattle for England when she sails. Crowds admired the huge motorship as she entered the Bay.
We secured the rights to manufacture ice cream under the carbonated process. It is an expensive method, but it adds a maximum of safety to ice cream and, incidentally, it makes a much more delicious ice cream, richer, more flavorful.
When you buy our Royal Dairy Carbonated Ice Cream for the kiddies YOU KNOW IT IS SUPER-PURE.
Insist that your dealer provide it. He can get it if he hasn't it already.

tons lower than for 1920, which constituted a record, and were about 35.5% of the world's output for 1921, compared with 58% for 1912.
Of the U. K. output, 946,182 tons were for registration in the U. K. and 591,870 tons were for owners abroad, this representing about 35.5%, which, while lower than for 1920, compared with 22.2% for the five years immediately preceding the war. Of the U. K. foreign tonnage, 134,551 tons were for Norwegian owners, 127,854 for French owners, 125,311 for Dutch owners and 65,373 tons for owners in the British Dominions. Twenty-four ships of 10,000 tons and over were launched, among which was the Canadian Pacific Railway steamship Montclare, 16,400 tons, which was one of the 10 largest launched.
The total tonnage launched in British Dominions during 1921 was 22,875 tons, about 74,000 less than in 1920. Of this total, 78,420 tons were launched in Canada, less than half the output of the previous year.
The U. S. launched 1,068,413 tons, or 1,469,848 tons less than in 1920, and over 3,000,000 tons less than in 1919.

THE CAUSE OF BACKACHE
Many People Think it is Due to
Kidney Trouble.
Every muscle in the body needs constantly a supply of rich, red blood in proportion to the work it does. The muscles of the back are under a heavy strain and have but little rest. When the blood is thin they lack nourishment, and the result is a sensation of pain in those muscles. Some people think pain in the back means kidney trouble, but the best medical authorities agree that backache seldom has anything to do with the kidneys. Organic kidney disease may have progressed to a critical point without developing a pain in the back. This being the case, pain in the back should always lead the sufferer to look to the condition of his blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the sensation of pain in ill-nourished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give away to alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest, or tell you the worst. But in any event you should keep the blood in good condition and for this purpose Dr. Williams' Pink Pills are highly recommended.
You can get these pills through any dealer in medicine or by mail, postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont. (Adv't.)

IF YOU ARE LOOKING FOR A HOME

"JUST A LITTLE DIFFERENT"

HERE ARE TWO YOU CAN'T BEAT FOR ATTRACTIVENESS AND VALUE.

LARGE living room (18 1/2 x 14 ft.), two cozy bedrooms, Dutch kitchen, scullery, fully equipped bathroom and large sunny room, make up one of the most charming and attractive little bungalows in the city. The living room has a six-foot pressed brick fireplace, handsome built-in buffet, leaded glass windows, oil painted walls and ceiling, etc. The bedrooms are beautifully dressed and fitted and contain closets (one of which is a linen closet). The kitchen, which is finished in several coats of white enamel, scullery with stationary wash tub, well laid floors, all highly polished. Large, well built garage for two cars. Cement sidewalks and run-down to garage. Picturesque lawn and garden. This is really a lovely little home and guaranteed to be in perfect condition. A look at this property will convince you that it is one of the best buys on the market at \$2,150, on SUITABLE TERMS.

FOR \$4,200, on terms, we can offer one of the choicest new view properties of its class in the city to-day. The house consists of a very large living room with large open fireplace, a wonderful view of the sea and mountains, finished in imitation leather burial. Spacious hall and a most comfortable little den, nicely paneled and with large open fireplace. The big kitchen, with a fully equipped pass pantry, has a lovely little portion of the house (with exception of the kitchen) has well laid HARDWOOD FLOORS. The upstairs consists of three good bedrooms, with clothes closets. One bedroom leads out to a small balcony. There is a full sized cement basement, extra toilet in the basement and there is an almost NEW hot air furnace, stationary tubs, etc. Nice, clear, level lot, facing south-west, and without a doubt is one of the choicest residential parts of the city. We know you cannot beat this wherever you go. PRICE ONLY \$4,200.

BOARD REFUSES TO CUT SALARIES OF SCHOOL TEACHERS

Trustees Stand Pat on Budget in Face of Council's Request

Vigorously defending its financial policies and asserting that it had reduced expenditures this year in all directions except teachers' salaries, the City School Board last night stood pat on its budget, and refused to make the cuts asked by the City Council.

"The only thing we could reduce is salaries, but in doing that we would be playing a lone hand," Trustee Mrs. Spofford warned. "Some people think we could get new teachers if the present ones don't wish to accept reductions, but we know that

this is wrong. We would be most unwise to attempt such a thing."

"There is an impression abroad that the School Board is spending money recklessly, but this is not so," said Trustee J. L. Beckwith. "Our general expenses have been cut down considerably this year."

"I just want to put myself on record as believing that reductions can be made by cutting out some of the higher education not ratified by the electors," said Trustee Mrs. Andrews.

Between Two Fires.

"We're evidently between two fires—one section of the community which is crying out against our expenditure and another that wants us to make more expenditures," exclaimed Trustee J. L. Beckwith when the Board took up a request from the Local Council of Women that an investigation be made into the physical condition of school children. "I don't see how we can carry out this request."

Trustee Mrs. Spofford said that a health inspection of the school children was contemplated, so that the Board did not grant the request of the Local Council.

Men ought to study the advertisements—women MUST.

TO PROBE CHARGE THAT HISTORY IS UNDERMINING FAITH

Trustees Hear Text Book Makes Students Waver in Religion

May Ask Change in Curriculum as Result of Enquiry

To find out the truth of assertions that the history taught at the Victoria High School destroys the religious faith of the students, the City School Board last night ordered a thorough investigation into the history text book used in the matriculation classes. A committee of the Board, Municipal Inspector Deane and T. W. Cornett, teacher of matriculation history, will conduct the inquiry.

The Board's decision got to the bottom of the "heresy" question was provoked by a letter from Rev. Norman Smith who said that he knew of High School students who had abandoned their religious beliefs as a result of their history studies.

"Before taking the course the beliefs held were: Man's need of redemption; the incarnation of God to be our Savior; the Atonement; the Resurrection and the Ascension of Christ," Mr. Smith wrote. "As a result of the course these were given up and the following religious beliefs arrived at:

(1) There was no special revelation of God to the Hebrew Prophets.
(2) Christ was only an ordinary man.
(3) The Incarnation, Atonement and Resurrection unnecessary and untrue.

(4) Christ was a philosopher only in the same sense as other ancient and modern philosophers.
(5) Christ's moral and ethical standards necessarily any more true, final, or binding than any other moral code.

(6) Christ was the founder of a religion, not a teacher of truth. Of course anything we don't like is 'subversive' of our conceptions, but if there is anything taught in the High School which is subversive of truth I will do everything to see that the course is altered."

According to Text Book.

"I think enquiry will show that Mr. Cornett is adhering to the text book," said Trustee Mrs. Spofford.

"I understand you looked into the matter before and absolved Mr. Cornett of all blame, finding that he taught only what was in the book," observed Trustee Brown. "It seems unfair to ask him to commit himself further. I cannot see that any good would come of it."

"This doesn't bear on Mr. Cornett at all—it merely is an effort to find out what is in this book, and what it is doing to our young people," said Mrs. Andrews.

When an inquiry is planned into what books Mr. Cornett is recommending to his students it is a reflection upon him," advised Municipal Inspector Deane. "He can only recommend books authorized by the Department of Education, so it is a reflection also upon the Department."

"If this is so then I want a full investigation," said Mr. Spofford. "The teacher is departing from the simple path of his duty we should know it and if he is not he should be re-elected." Mr. Spofford pointed out that a school of geographers in the United States now believed that world was flat while W. J. Bryan was fighting the evolutionary theory.

"I am in no position," he adds, "to say whether or not Mr. Cornett is giving interpretations or quiding the thought and study of his pupils along lines that would necessarily lead to

The Liver Is the Road to Health

If the liver is right the whole system is better off. Carter's Little Liver Pills awaken your sluggish, clogged-up liver and relieve constipation, stomach trouble, inactive bowels, loss of appetite, sick headache and dizziness. Purely vegetable. You need them.

Small Pill—Small Dose—Small Price

the conclusions enumerated above, but the greatest care should be taken as to the interpretation given. While bringing no charge against Mr. Cornett, may I ask for a thorough inquiry into just what he is teaching; along what lines he recommends study, and to what books he refers students for reading?"

"Are Wavering?"

"I have heard that in many schools children grounded in the simple faith are now wavering," said Trustee Mrs. Bertha P. Andrews, "college students are banding together to see if they can restore that faith. The study of history in certain ways undermines this faith. We should have this book investigated, and act with the Department of Education to see what we can do about this book. It's a very vital matter."

"We can't side-step a definite request for an investigation," Trustee Sivertz asserted. "This is a gradual evolutionary force affecting the relation between religion and advanced science." He quoted an article from a leading Methodist magazine, which declared that modern scientific discoveries necessitated changes in present religious conceptions. "I rather value the research in science which is disclosing many truths of creation and giving man a broader horizon."

"Therefore, I favor the fullest enquiry into the text book. Of course anything we don't like is 'subversive' of our conceptions, but if there is anything taught in the High School which is subversive of truth I will do everything to see that the course is altered."

Unemployment.

The report of the unemployment committee disclosed that a few men are still employed in various works. It was reported that in connection with this year's cruise of the C.S.S. Lillooet on hydrographic survey work, 22 of the 23 men employed will be ex-service men.

The committee was of the opinion that there was a hopeful outlook in the matter of reduction in unemployment this season. A letter was read from Alderman Dewar regarding the system adopted by the B. C. Electric Railway in releasing some of the junior employees as a result of the introduction of the one-man car. It being stated that no men have been released who were in the service prior to 1915.

Nearly Eight Hundred.

The membership of the association continues to increase, eight new members having been accepted since the last meeting. The total membership is now 734. The matter of election of officers for the Victoria unit of the Canadian Legion, with which the Amalgamated Veterans is being affiliated, was stood over until April 29.

Appreciates Honor.

Colonel Winsby expressed his appreciation of his appointment as a member of the executive council of the association. Comrade F. E. Edwards, who was a member of the executive, has been appointed organizer for Canada for the Toc H. movement. Comrades Allen and Coles were added to the executive committee.

The claim of Roger Berry in connection with a pension was referred to, and it was reported that owing to the illness of Colonel Margeson no progress had been made in the negotiations, in which the association has interested itself on behalf of Comrade Berry.

SAYS ORIENTAL QUESTION SHOULD BE SETTLED NOW

Amalgamated Veterans Want Ultimate Total Exclusion

In the interests of posterity, and before the situation becomes still more aggravated, the Oriental immigration question must be settled now, according to the consensus of opinion expressed at last night's meeting of the Amalgamated Veterans' Association, at which Colonel Winsby presided.

It was again pointed out that it was impossible for Canada to assimilate the Oriental, whose standard of living and methods of doing business made it utterly impossible for the white man to compete with the visitors, who were creeping into every line of business.

By an overwhelming majority, the following resolution dealing with the matter was passed:

"Whereas the unrestricted immigration of Orientals into the Dominion of Canada, particularly in the Province of British Columbia, constitutes one of the gravest problems before the public to-day, and

"Whereas the authorities view the matter with the importance the subject warrants, the problem being one continually brought up in Provincial and Federal Parliaments as a matter of extreme urgency;

"Be it resolved that this association considers that the Oriental immigration is detrimental to the general well-being of the Province of British Columbia, and that every precaution is necessary to preserve to the people of the Province and the children the heritage which is rightfully theirs, and

"Be it resolved that this association use every effort to insist that such laws as are passed by the Dominion Government to enforce restrictions be continued, and that more rigorous restrictions be enacted with a view to the ultimate total cessation of all Oriental immigration into the Dominion of Canada."

Unemployment.

The report of the unemployment committee disclosed that a few men are still employed in various works. It was reported that in connection with this year's cruise of the C.S.S. Lillooet on hydrographic survey work, 22 of the 23 men employed will be ex-service men.

The committee was of the opinion that there was a hopeful outlook in the matter of reduction in unemployment this season. A letter was read from Alderman Dewar regarding the system adopted by the B. C. Electric Railway in releasing some of the junior employees as a result of the introduction of the one-man car. It being stated that no men have been released who were in the service prior to 1915.

Nearly Eight Hundred.

The membership of the association continues to increase, eight new members having been accepted since the last meeting. The total membership is now 734. The matter of election of officers for the Victoria unit of the Canadian Legion, with which the Amalgamated Veterans is being affiliated, was stood over until April 29.

Appreciates Honor.

Colonel Winsby expressed his appreciation of his appointment as a member of the executive council of the association. Comrade F. E. Edwards, who was a member of the executive, has been appointed organizer for Canada for the Toc H. movement. Comrades Allen and Coles were added to the executive committee.

The claim of Roger Berry in connection with a pension was referred to, and it was reported that owing to the illness of Colonel Margeson no progress had been made in the negotiations, in which the association has interested itself on behalf of Comrade Berry.

PEACE ARCH IS SYMBOL OF AMITY

Blaine Memorial to Cement Union of Two Peoples

Children of United States and Canada Lead Movement

By MAJOR PERCY WARD

"Indeed, I who at first hand saw the ruin, the horrors and the devastation of the war, am in full agreement with those who wish to see all nations living in friendship and peace with one another, and those who are working to that aim, which is also my own, can always rely on my co-operation to that end."

These words were spoken by the famous French General, Marshal Joffre, as he stood on the platform addressing the crowds who attended the International Peace Memorial on March 30 last.

Recent events will recall to the minds of everyone that, for a time there was a doubt as to which points he would be able to visit while on the Pacific Coast; but, never for a moment was there any doubt as to whether or not he would inspect the Peace Arch at the International Boundary, for that was one of the principal purposes of his visit.

The Peace Portal, situated on the most westerly point of the International Boundary to the South, has attracted the attention of men of affairs in Canada, in the United States and in Europe. The attention and interest of the rest of the world will continue increasingly to be attracted by it because it symbolizes the hundreds years of peace and because of its strategic position and its strong influence for further cementing the splendid ties of friendship between Canada and the United States of America.

Marshal Joffre also inspected the piece of land set aside by our American cousins as their half of the Peace Park. He did not, however, inspect the Canadian half of the Peace Park for the reason that it does not exist. Right in front of, and cutting off the Canadian approach to the Arch is a garden fence enclosing some houses.

This fenced-in piece of land corresponds in location to the

How Many Pounds Will You Gain On Your First Package of IRONIZED YEAST?

Do you need more flesh? Are you pale, lacking in energy—or is your complexion blenished by humiliating pimples, blackheads, or boils? If so, simply go to your druggist's and get a package of IRONIZED YEAST tablets. Take these remarkably effective tablets—two with each meal. Then watch the results! Very likely you will be actually astonished at the improvement shown in you even after the first 48 hours. For IRONIZED YEAST embodies a remarkable new scientific process—a process which enables yeast to bring its splendid results often in just half the usual time!

Movie Beauty Gains 10 1/2 Pounds in 22 Days

In an IRONIZED YEAST test, conducted under the supervision of a registered physician, Miss Dorothy Byrne, pretty movie actress and artist's model, gains 10 1/2 pounds in 22 days.

	Nov. 10	Dec. 2
Weight	105	115 1/2
Bust	28	31 1/2
Calf	13	13
Arm	9 1/2	10
Neck	12 1/2	12 3/4

How the Process of Ironization Makes Yeast Doubly Effective

While Science admits that yeast is of wonderful value in building flesh, clearing the skin, and increasing energy, it is found that yeast alone is not enough to bring 100 per cent results. For while yeast contains certain vital elements—lacking in diet, yet essential to health—experiments prove that some other agent is needed in order to quickly CONVERT these important yeast elements into new firm tissue, energy and health.

Everyone knows the great value of iron in changing our food into living cells. So working on this problem, our scientists finally discovered the amazing process of ironization—the scientific process which enables you to derive from yeast ALL of the wonderful benefits it holds for you.

The Only Yeast that is Genuinely Ironized

This remarkable process of ironization is embodied ONLY in IRONIZED YEAST, the one scientifically correct yeast treatment. IRONIZED YEAST is superior, therefore it is widely limited. You are cautioned against accepting cheap inferior imitations, which in most cases are merely mixtures of ordinary yeast and iron. Always insist upon the genuine IRONIZED YEAST. It is the only way you can be sure of getting the best.

Money Back Guarantee

IRONIZED YEAST is sold at all dealers on our positive guarantee of satisfactory results from the first package—or your money instantly refunded. Get IRONIZED YEAST today. \$1.00 a package.

"Gains 7 Pounds"

"Before taking IRONIZED YEAST I weighed myself. Then I weighed myself and weighed to my surprise I have gained 7 pounds."—Miss M. G. W.

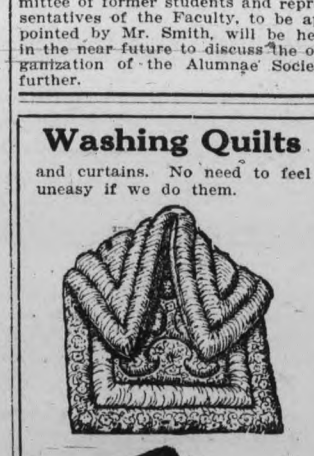

TEACHERS SUPPORT ORGANIZATION OF FORMER STUDENTS

Formation of an Alumnae Society, to include in its membership as many former High School students as possible, was unanimously endorsed by the teachers of the High School at a special meeting yesterday afternoon. Having heard an outline of the plan to form a society of former students to support the present work of the School, the teachers agreed to co-operate fully in the activities of the organization. Two members of the Faculty will be named by Principal L. H. Smith to assist the former students in getting the Alumnae Society under way immediately.

A delegation of former High School students, who discussed the formation of an Alumnae Society with the Faculty members yesterday, pointed out that an organization of this kind not only would serve to renew the friendships and associations formed at the school in past years, but in addition would be able to assist materially the School's present work and promote its interests generally.

A meeting of a provisional committee of former students and representatives of the Faculty, to be appointed by Mr. Smith, will be held in the near future to discuss the organization of the Alumnae Society further.
