Miss G. Majer,  
S. Lio 5785  
Venice, Italy,

My Dear Miss Majer,

Your letter of October 9th came to hand and we certainly are glad to hear from you and to know you survived the horrible War. We note what you say about articles you are in want of and in this connection beg to say we are sending with our compliments the following items contained in two boxes.

Coffee, sugar, tea, Wilbur chocolate buds, deviled ham and soap .

The boxes are being packed and expect to get them off in a day or so. Will drop you a card the day we send them.

Hoping they will reach you safely and that the contents will carry in good order, we are with every good wish for the future,

Yours very truly,

P. S. Mr. Chapman passed away in January  
1935 and Mrs. Chapman is carrying on.
