1. The circumstances of my assumption of Directorship:

As Director Nebuatsu Nagatsuma of Dainichi Electric Wire and Cable Co.,Ltd. died in January 1941, there came out a Vacancy of directorship. Prior to that in accordance to the wishes of the employees, Takeo Imaizumi, who was in charge of business affairs had been elevated to the position of director from the status of employee, and now a demand for election of a director from the employees of manufacturing and technical side was becoming intensive among the employees, so that I, who was then in charge of manufacturing, technical and research affairs and highly paid among the employees, was recommended as the candidate to director and elected as a director in the general meeting of shareholders which was held in June of the year, which I agreed to assume. This assumption was not by the instructions of Furukawa Zaibatsu, Furukawa Mining Co.,Ltd., or Furukawa Electric Ind. Co.,Ltd.

As Director, I merely attends the officials meetings which were held every other month, and, as I was in the post of Chief of Production and Engineering Department, my work was confined to manufacturing, technical, and research affairs.

2. The circumstances of my assumption as Standing Director:

As president Tetsutaro Hasegawa resigned in July 1946, the officials' meeting held a conference on the election of the representative director to succeed him, and recommended Takeo Imaizumi to the post, which he agreed to assume. Further, in a view that for the postwar reconstruction of the company the smoothness of the relation between the firm and the employees was most necessary and business and manufacture must go together, the officials' meeting recommended me to the position of Standing

director as the assistant for the representative director, which I agreed to assume. As the Standing Director, I have been in charge of engineering and never as a representative director. (Certification No. 6)

I have never been assumed by recognition or instruction of Furukawa Zaibatsu, or Furukawa Mining Co.,Ltd. which is its direct Zaibatsu affiliate, or Furukawa Electric Ind. Co.,Ltd., which is its quasi Zaibatsu affiliate.

APPLICATION FOR RECOGNITION

February 4, 1948

Mr. Tetsu Katayama
Prime Minister,

Dear Sir:

I hereby apply for your recognition of my
not corresponding to an official related to Zaibatsu,
with a statement of application, a questionnaire and
attached documents, according to the requirement of the
Art. 7 and 2, Art. 6 of Law for Termination of the
Zaibatsu Family Control.

Faithfully yours

Seiichiro Hayashi

Statement of Application

I, who am now in the position of Standing Director in Dainichi Electric Wire and Cable Co.,Ltd., which is a Zaibatsu associate company of the lineage of Furukawa, hereby apply for recognition of my not being an official related to a Zaibatsu Company by the following reasons:

1. The reason for my not being an official of a Zaibatsu according to Art. 7 of the Law for Termination of the Zaibatsu Family Control:
 - a. I have no family or other similar relationship with Mr. Jujun Furukawa and Mr. Suekichi Nakagawa.
 - b. Since my assumption of the office of Director of Dainichi Electric Wire and Cable Co.,Ltd. in June 1941, I occupied the post of Standing Director in July 1946, which I occupy at present, and the circumstances which made me assume those positions were as stated below, were never being by the instructions of Furukawa Zaibatsu, or of Furukawa Mining Co., Ltd. which is its direct Zaibatsu affiliate or of Furukawa Electric Ind. Co.,Ltd., which is its quasi-Zaibatsu Affiliate. Namely, as Nobuatsu Nagatsuma, Director of Dainichi Electric wire and Cable Co.,Ltd. died in January 1941 there came out a vacancy of directorship. Prior to that, in accordance to the wishes of the employees, Takeo Imaizumi was elevated to the post of Director out of the employees who was in charge of business (sales) affairs, and a demand for election of a Director out of the employees in charge of manufacture and technical affairs becoming intense among the employees, so that I, who was then in charge of manufacturing, technical, and research affairs and highest paid among the employees, was recommended as a candidate to directorship and elected as the director by the general meeting of shareholders held in June of the same year which I agreed to assume.

However, I, as Director, only attends to the officials' meetings which were held every other month, and was wholly in charge of the practical business of manufacture, engineering and researches in the capacity of Chief of the Production and Engineering Department.

Then, as President Tetsutaro Hasegawa resigned in July 1946, the Officials' meeting held a conference on the election of the representative director to succeed him, and, recommended Takeo Imaizumi to the post, which he agreed to assume. Further, in a view that for the postwar reconstruction of the company the smoothness of the relation between the firm and the employees was mostly needed and business and manufacture must go together, the officials' meeting recommended me to the position of Standing Director as the assistant for the Representative Director, which I agreed to assume. As the Standing Director, I have been solely in charge of technical affairs and never as a Representative Director.

As stated above, I have never been assumed any of those positions by the instructions of Furukawa Zaibatsu, Furukawa mining Co.,Ltd., or Furukawa Electric Ind Co.,Ltd. *

- c. As stated in the preceding clause, both at the time when I was Director and at present when I am Standing Director, I have been and am, chiefly in Charge of technical affairs, and never enjoying a right or an influence equal or more than equal with the highest representative official. (The certification, No.6)
- d. I have never held any official position in any of the Zaibatsu Company of the Furukawa lineage (Refer to Questionair 10, page 4, chronological record of profession and employment.)

* (Certifications No. 1,2,3,4,5)

II The reason for my not being an official of the Zaibatsu according to 2, Item 1, 6 of the Law for Termination of the Zaibatsu Family Control.

a. The circumstances of my assumption of the Official Position:

As stated in detail in (b.) in " The reason for my not being an official of the Zaibatsu according to Art. 7 of the Law for Termination of the Zaibatsu Family Control.", the circumstances of my assumption of the official position were as follows:

My assumption of Directorship in June 1941 was due to the earnest opinion of all the employees that it must be most proper that an official should be elected from the employees

Then, my promotion to Standing Director in July 1946, too, was effected in view of the importance of technicians in the postwar reconstruction of the firm, and I assumed the post to be an assistant for Representative Director.

As may be clearly seen from the above statement, I never assumed those posts by the instruction of Jujun Furukawa and Suekichi Nakagawa who are designated as related to Furukawa Zaibatsu, or Furukawa Mining Co., Ltd. that is a direct Zaibatsu affiliate, or Furukawa Electric Ind. Co., Ltd. that is the quasi-Zaibatsu affiliate.

(cf. Related Certification Nos 1, 2, 3, 4 & 5)

bb The Actual circumstances of my performance of duties while I was in the Official Positions:

As stated in detail in (8.) in " The reason for my not being an official of Zaibatsu according to Art. 7 of the Law for Termination of the Zaibatsu Family Control", these circumstances were as follow:

1. While I was Director, I only attended to the officials' meetings which were held every other month, and was wholly in charge of manufacturing, technical, and research affairs, managing the business related to them.
2. Even after I was elected as Standing Director, my work was chiefly confined to manufacturing, technical, and research affairs, as in the preceding item.

From the above statement of the circumstances of my assumption of official position and of my performance of duties while I was holding the post, it is considered that to regard me as a Zaibatsu official is clearly unjust.

1. The circumstances of my assumption of Directorship:

In July 1938, Masakatsu Matsumoto resigned from the post of auditor in Dainichi Electric Wire & Cable Co., Ltd. and Kenzo Masuda, Director, succeeded the auditorship resigning his directorship, there came out a vacancy of Director.

As no employee had been promoted to the position of official in Dainichi Electric Wire & Cable Co., Ltd. until that time and a cry was high for promotion from the employees, President Hasegawa, conferring with the late General Managing Director Nagatsuma, and the late Director & Manager Hiraoka, decided to appoint a director from among the employees by changing the old custom, and I, who had a long experience in the business and had been most highly paid among the employees, was selected as the candidate and elected in a general meeting of the shareholders, which result I agreed to accept, and I never assumed the position by the instructions of Furukawa Zaibatsu, or of Furukawa Mining Co., Ltd., which is its direct Zaibatsu affiliate or of Furukawa Electric Ind. Co., Ltd., which is its quasi-Zaibatsu affiliate.

(Refer to attached certifications)

I, as Director, only attended to the official's meetings, which were held every other month, and was wholly in charge of sales business as chief of the Business Department.

2. The circumstances of my assumption of Managership:

Kanmei Hiraoka resigned his posts of Director & Manager and Nobuatsu Nagatsuma, General Managing Director, became unable to attend to the company for illness,

Que. 11. (Page 5)

2. Con't:

President Hasegawa appointed me to Director & Manager, in December 1939.

This assumption also was decided by the conference of President Hasegawa and General Managing Director Nagatsuma, and not by instructions of Furukawa Zaibatsu, or the Direct Zaibatsu Affiliate, or the Quasi-direct Zaibatsu Affiliate.

As Manager I had wholly been in charge of sales business assisting President and General Managing Director.

3. The circumstances of my assumption of Standing Directorship:

In January 1941, General Managing Director Nobuatsu Nagatsuma resigned and since then the post of General Managing Director was kept in vacancy for lack of proper person, so that I was assisting President in the capacity of Director & Manager

However, as employees in general was of the opinion that I would be diplomatically more proper, in dealing with our customers and men of same industry, in the capacity of standing director, then in that of mere manager, I assumed the post of Standing Director in Dec. 1941 by their recommendation.

This assumption was not by the instruction of the Zaibatsu or the Direct Affiliate Company. At that time the post of general managing director was still in vacancy and my actual work as Standing Director was quite the same with that at the time I was Director & Manager.

Que. 11. (Page 5)

- b.
3. The circumstances of my assumption of General Managing Directorship:

In July 1946, President Tetsutaro Hasegawa expressed his intention to resign and the officials meeting held a conference on the election of the succeeding representative director. The conclusion of the conference was that the postwar reconstruction of the relation necessitated par excellence the smoothness of the relation between the firm and the employees, and for that purpose, I, who had been elevated from the status of employees, was best capacitated, and so, they proposed to me to assume the position necessarily, which proposal I accepted, and I have been holding the office until today. At the same time Ex-president Tetsutaro Hasegawa assumed to Chairman of Board of Director.

At that time, Mr. Jujun Furukawa had already resigned the President of Furukawa Mining Co., Ltd. and Suekichi Nakagawa that of the President of Furukawa Electric Ind. Co., Ltd. and it is a matter of course that I have not assumed the position by the instruction of the Zaibatsu and Direct Zaibatsu affiliate.

APPLICATION FOR RECOGNITION

February 4, 1948

Mr. Tetsu Katayama
Prime Minister,

Dear Sir:

I hereby apply for your recognition of my not corresponding to an official related to Zaibatsu, with a statement of application, a questionnaire and attached documents, according to the requirement of the Art. 7 and 2, Art. 6 of the Law for Termination of the Zaibatsu Family Control.

Faithfully yours

T Imaizumi
Takeo Imaizumi

75, Matsunouchi-cho, Ashiya
-shi, Hyogo-ken.

Statement of Application

I, who am now in the position of General Managing Director in Dainichi Electric Wire And Cable Co.,Ltd. which is a Zaibatsu associate company of the lineage of Furukawa, hereby apply for recognition of my not being an official related to a Zaibatsu Company by the following reasons:

1. The reasons for my not being an official of a Zaibatsu according to Art. 7 of the Law for Termination of the Zaibatsu Family Control:
 - a. I have no family or other similar relationship with Mr. Jujun Furukawa and Mr. Suekichi Nakagawa.
 - b. Since my assumption of the office of Director of Dainichi Electric Wire and Cable Co.,Ltd. in July 1938, I occupied the post of Director and Manager in December 1939 standing Director in December 1941, and General Managing Director in July 1946 which I occupy at present, and the circumstances which made me assume those positions were as stated below, were never being the instructions of Furukawa Zaibatsu, or of Furukawa Mining Co.,Ltd. which is its direct Zaibatsu affiliate or of Furukawa Electric Ind.Co., Ltd., which is its quasi-Zaibatsu Affiliate.

Namely, as in July, 1938, Masakatsu Matsumoto resigned from the post of auditor in Dainichi Electric Wire and Cable Co.,Ltd. and Kenzo Masuda, director, succeeded the auditorship resigning his directorship, there came out a Vacaney of Director.

As no employee had been promoted to the position of official in Dainichi Electric Wire and Cable Co.,Ltd., until that time and a cry was high for promotion from the employees, President Hasegawa, conferring with the late General Managing Director Nagatsuma and the late Director and Manager Hiraoka, decided to appoint a director from among the employees by changing the old custom, and I, who had a

a long experience in the business and had been most highly paid among the employees, was selected as the candidate and elected in a general meeting of the shareholders, which result I agreed to accept. However, I, as Director, only attended to the officials' meetings, which were held every other month, and was wholly in Charge of sales business as Chief of the Business Department.

Then, as Kanmai Hiraoka resigned his post of Director and Manager and Nobuatsu Nagatsuma, General Managing Director, became unable to attend to the company for illness, President Hasegawa appointed me to Director and Manager in December 1939. And as Manager I had wholly been in charge of sales business assisting President and General Managing Director.

Then, in January 1940, General Managing Director Nobuatsu Nagatsuma resigned and since then the post of General Managing Director was kept in vacancy for lack of proper person, so that I was assisting President in the capacity of Director and Manager.

However, as employees in general was of the opinion that I would be diplomatically more proper, in dealing with our customers and men of the same industry, in the capacity of standing director, then in that of mere manager, I assumed the post of Standing Director in Dec. 1941 by their recommendation

At that time the post of General Managing Director was still in vacancy and my actual work as Standing Director was quite the same with that at the time I was Director and Manager.

In July 1941 President Tetsutaro Hasegawa expressed his intention to resign and the officials' meeting held a conference on the election of the succeeding representative director.

The conclusion of the Conference was that the postular reconstruction of the firm necessitated (Par excellence) the smoothness of the relation between the firm and the employees, and for that purpose I, who had been elevated from the status of employee, was best capacitated, and so they proposed to me to assume the position necessarily, which proposal I accepted, and I have been holding the office until today. At the same time Ex-president Tetsutaro Hasegawa assumed to chairman of Board of Directors.

At that time, Mr. Jujun Furukawa had already resigned the presidency of Furukawa Mining Co.,Ltd. and Mr. Suekichi Nakagawa, that of Furukawa Electric Ind.Co.,Ltd. and, as may be clearly seen from the above statement, I have not assumed those positions by the instructions of Furuka Zaibatsu Furukawa Mining Co.,Ltd. or Furukawa Electric Ind. Co.,Ltd. (The certification, No.1-No.5)

- c. As stated in the preceding clause while I was acting as Director and Standing Director, I was conducting business under President Hasegawa, obeying his directions, and I never enjoyed a right or influence equal or more than equal with the highest representative official.

After my assumption of the post of General Managing Director, too, Mr. Hasegawa, formerly President and at that time, Chairman of the Board of Directors, was always attending to the firm, and I was disposing of all the important affairs always receiving the recognition of Chairman of the Board. (The certificate of Chairman Hasegawa attached.)

- d. I have never held any official position in any other Zaibatsu Company of the Furukawa lineage. (Refer to Questionair 10, (page 4) chronological record of profession and employment.)

II The reason for my not being an official of the Zaibatsu according to 2, Item 1, Art. 6 of the Law for Termination of the Zaibatsu Family Control:

a. The circumstances of my Assumption of the Official position:

As stated in detail in (b.) in " The reasons for my not being an official of the Zaibatsu according to Art. 7 of the Law for Termination of the Zaibatsu Family Control." the circumstances of my assumption of the official position are as follows:

In July 1938 I was for the first time promoted to Director from a status of employee, and this promotion was effected by the earnest desire of the whole employees that an official should be elected out of them.

Then, my assumption of the positions of Director and Manager in December 1939 and of Standing Director in December 1941 was effected by natural orderly promotion according to the view that, as I had been wholly in charge of sales business and well acquainted with the work in that direction, those promotions would be diplomatically better for my dealing with our customers and men of the same industry, and so I have never assumed those posts by the instructions of Jujun Furukawa and Suekichi Nakagawa who are designated as related to Furukawa Zaibatsu, or Furukawa Mining Co., Ltd., that is a direct Zaibatsu affiliate, or Furukawa Electric Ind. Co., Ltd. that is the Quasi-Zaibatsu affiliate.

My promotion to General Managing Director in July 1946, too, was due to the recommendation based on the reason that the Co-operation of the whole employees was necessary for the postwar reconstruction of the firm. It is a matter of course that I never assumed the position as in the preceding Clause,

by the instructions of Jujun Furukawa and Suekichi Nakagawa who are designated as related to Furukawa Zaibatsu or Furukawa Mining Co.,Ltd. that is a direct Zaibatsu Affiliate, or Furukawa Electric Ind Co.,Ltd. that is the Quasi-Zaibatsu affiliate. (Refer to Related Certificates Nos. 1,2,3,4,and5)

- b. The Actual Circumstances of my Performance of Duties While I was in the Official Positions.
1. As stated in detail in (b.) in " The Reasons for my not Being an Official of the Zaibatsu According to Art. 7 of the Law for Termination of the Zaibatsu Family Control. " throughout the period when I was Director and Manager and Standing Director, I was merely acting according to the instructions of Tetsutaro Hasegawa, Director and President, and was wholly in charge of sales affairs, managing common business. So my directorship was only nominal and I was not performing the functions proper to a director.

I became General Managing Director in July 1946, when however, the disorganization of the Zabatsu system had already been decided and what should be called the control of so - called Zaiba-tsu Companies and had disappeared, and so Dainich Electric Wire and Co.,Ltd. was performing its management independently. (of See Related Certificates.)

2. Furukawa Mining Co.,Ltd., which is a direct Zaibatsu affiliate Company, is not a share-holder of Dainichi Electric Wire and Cable Co. Ltd., and so it has no affiliate relations with the latter. And, although Furukawa Electric Ind. Co. Ltd., which is the Quasi-Zaibatsu affiliate company, is a big share-holder of Dainichi Electric Wire and Cable Co.Ltd.,

the articles it is manufacturing are of the same kind with those of Dainichi Electric Wire and Cable Co.,Ltd. and so they have been mutually in competitive position, and I have been performing my duties only for the benefit of Dainichi Electric Wire and Cable Co.,Ltd.

3. Besides, Tetsutaro Hasegawa, then President and afterwards Chairman of the Board of Directors, is not of course, a family member of Jujun Furukawa or Suekichi Nakagawa, who are designated as related to the Furukawa Zaibatsu.

From the above statement of the circumstances of my assumption of the official positions and of my performance of duties while I was occupying them, it is believed that to regard me as a Zaibatsu official is unjust.
