Uniform Cab Rates Provided In Proposed Borough Ordinance —Many Important Matters Discussed at Monthly Meeting of Council

The regular monthly meeting of the Borough Council was held last Monday, at which many matters of importance to the borough were presented and acted on. Councilmen Henderson and Keim were absent. Ordinances were introduced governing cab fares within the borough limits and also the depositing of building and other materials on the streets of the borough. It is proposed to es-

tablish uniform rates for cab service within the borough limits. The new ordinance outlines a charge of 15 cents to and from the railroad station during the daytime and a charge of 25 cents to and from any other points within the borough. The rates at nighttime will be higher. The ordinance also provides for a charge of 15 cents each for school children.

The revision of the present ordinance regarding the placing of building and other materials on the public highways will tend to give the streets a more presentable appearance. The proposed ordinance contains a restriction to the effect that this material will have to be confined to a space not more than 25 feet

WORKERS WANTED AT THE RED CROSS ROOM: WOMEN, ARE YOU DOING YOUR BIT?

Women's Auxiliary Notes Narberth King's Daughters

Mrs. Clarence L. Smith extends a cordial invitation to all members of the auxiliary and friends of the Y. M. C. A. to a silver tea in her home, 310 Essex avenue, on Friday, April 19, from 2 until 3 o'clock. As knitted sweaters and socks are still greatly needed in Red Cross, these teas afford us an excellent opportunity to accomplish a good afternoon's work in a most delightful and pleasant manner, while the silver resulting therefrom will help materially in enlarging next winter's coal fund. You will be welcome.

The auxiliary still have left from the sale in Lovey Mary's Garden a beautiful pink afghan for some sweet little baby in Narberth, and a gray sweater (summer weight), which they will be glad to dispose of at attractive prices. If you care to inspect either, will you kindly phone Mrs. D. D. Stickney, Narberth 647-M.

The regular monthly meeting of the Narberth King's Daughters was held Wednesday, April 3, in the lecture room of the Baptist Church. The morning was spent in sewing for the Red Cross and French refugees.

A delightful luncheon was served by the hostesses, Mrs. A. L. Jacoby and Mrs. William D. Smedley, after which the business session was called to order by the president, Mrs. Fred Derby.

It was decided to hold the opening of the Holiday House until the latter part of June or the first of July. At this time the usual luncheon will be served, the benefits of which are used for the house.

The ladies present reported that through the Red Cross and Emergency Aid the circle had knitted 64 sweaters, 13 helmets, 7 scarfs, 9 pairs socks.

The treasurer reported the collection of \$10.87 from the bowls distributed in the various Narberth stores.

UNIQUE USE OF W. S. S.

Church Mortgage Wiped Out

A final and effective drive was made on Easter Sunday for the complete elimination of the mortgage on the property of the Presbyterian Church. The original encumbrance was \$16,488. This has been reduced year by year until last Easter it was less than \$900. A unique and patriotic plan was devised to wipe this out. It was proposed to buy War Savings Stamps and present them to the church in payment of this debt. A prominent member of the church agreed to pay for one-fourth of the total amount raised. The plan appealed immensely to the patriotic spirit of the people, as well as to their loyalty to the church. The offering was made on Easter Sunday, and when the amounts paid and pledged were added up they totaled \$1161, with more to be heard from. This will make possible the complete payment of the mortgage and will leave a fund to be applied to the proposed new parish house.

COMMUNITY CLUB NOTES

The regular meeting of the club was held on April 2 in the community rooms and was filled with many things of interest.

The plans for the Third Liberty Loan were discussed, following which came a report by Mrs. A. Ross, chairman of Food Conservation and Production in the community gardens, which bids fair to spur the children to better activities along the lines of production. Prizes will be awarded and arrangements for a curb market for any surplus, also a corps of women will make weekly visits in an effort to keep up the enthusiasm. The club hopes soon to be able to present the local Red Cross organization with a Red Cross comfort.

The Girl Scout movement is soon to take concrete form with Mrs. Raymond Bye as captain. The Community Club will act as sponsors for the above organization.

Arrangements are being made for an entertainment in the near future.

Liberty Loan speaker at the club, April 16, 2.30 P. M. at the community rooms; also talk by Mrs. A. B. Ross on bird conservation.

It would be well for Narberth to emulate the example set by one of the Philadelphia newspapers and have photographs taken of all unsightly spots in the borough, reproducing them in Our Town; this method might inspire the owners of these places to clean up and thereby improve the general appearance of Narberth. Criticisms of this method are solicited.

You owe it to yourself to hear Lieut. tenant Newsom, of the British Royal Field Artillery at the patriotic rally April 18.

MONTGOMERY COUNTY VOTERS ARE AROUSED

Republicans Show Big Increase in Party Enrollment Due to Sharp Contest

That there will be larger poll of votes at the primaries this year than ever before, due largely to the agitation on the prohibition issue, is indicated by the registry lists which have been returned to the office of the County Commissioners by the assessors who sat at the polling places last week.

The total Republican enrollment is 28,803 against 23,824 last year, or an increase of 4979.

This enrollment is made up in the four legislative districts as follows: First, 9648; Second, 3326; Third, 7056, and Fourth, 2873.

While the Republican enrollment has increased, the Democratic enrollment has fallen off to the extent of 791. This year's Democratic enrollment is 9416, as against 10,207 last year. The enrollment in the First Legislative district is 1998; in the Second, 1784; in the Third, 1951; in the Fourth, 3683.

Of the 791 fewer Democrats some are "dry" Democrats who see no chance of having a candidate of that party declare in favor of prohibition and therefore have enrolled as Republicans in order to vote for a candidate who has made a "dry" declaration.

Then there are Democrats who see better chances of "wet" success through the Republican party than in their own party, which is in the minority in the First, Second and Third Legislative districts. One who professes to have a knowledge of the situation credits 50 of the 791 as "wet" Democrats who intend to help the "wet" Republican candidates for the Legislature, and the other 291 are "dry" Democrats.

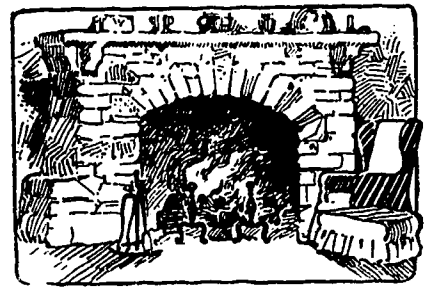

Of the nearly 5000 additional Republicans they can be credited largely to the "drys," because the "wet" organization faction have had their men, as a rule, enrolled.

Of the other parties enrolled there are 352 Socialists, 76 Prohibitionists and 245 Washington.

The interests of Henry W. Watson, for Congress; James S. Boyd, for State Senator, and the various candidates for Assembly—Harold Pike, in First; Jacob Hamilton, in Second, and Isajah Haldeman in the Third—are being pushed by the Penrose organization and members of the Manufacturers' Association of Bucks and Montgomery counties, the latter being especially interested in Mr. Watson's candidacy. Boyd, who has canvassed the county, is confident of winning.

Don't forget to bring your knitting bag to Mrs. Clarence L. Smith's Auxiliary Tea, on Friday, the 19th. She will be glad to see her home crowded with enthusiastic Y. M. C. A. and Red Cross workers.

EDITORIAL

NO APOLOGIES NECESSARY

When you start out to sell Liberty Bonds, you will get an intimate view of human nature. You may run across a woman who will stint her table to buy a bond, or one who is too poor because she has just invested in a dog, cut according to the latest fashion.

You will find a lot of kids that have cheerfully given up candy and other knickknacks to buy thrift stamps. And you will find big men who will spend the price of a bond in an evening too strapped to support their Government.

You will meet with politeness and with rudeness, with frankness and with evasion. Some few will even buy more bonds than they should, and many people will show a degree of caution that is out of keeping with the crisis we are facing.

But remember that, in selling these bonds, you have to apologize to nobody, while whoever fails to respond generously to your appeal owes you an apology or a reason.

AN AMERICAN PEACE

There can be no peace with honor or safety to ourselves or to posterity except a just peace, and there can and will be no other peace. Work for peace accomplishes nothing but the hampering of our effort, the delay of the real peace, and a greater toll of death of America's fighting men. Our duty is to war for a just and righteous peace; to work or speak for any other peace is aid and comfort to Germany—injury and disloyalty to our boys in France.

THIRD LIBERTY LOAN BUTTON

The button which will be given to every subscriber to a Liberty Loan Bond of the third issue, whether of a

\$50 bond or a \$10,000 one, will have a border of brilliant red, and a blue field with a liberty bell, and the words "Third Liberty Loan" in white.

Sixteen million of these buttons are now ready for delivery and will be given out when the subscriptions are made.

GERMANY FURNISHES THE PROOF

Every development since our entry into the war has justified and proved the wisdom, the imperative necessity of America's participation. Every German success and every German failure have shown how necessary to our own welfare and peace, how necessary to the safety and peace of the world, the defeat of Germany is. Every foot of ground Germany has been forced to give up, every foot of land she has seized, have demonstrated the absolute necessity of defeating that sinister, intolerable thing called Germanism.

YOUR \$50 LIBERTY BOND

It will protect 1000 soldiers from smallpox and 666 from typhoid. It will assure the safety of 139 wounded soldiers from lockjaw, the germs of which swarm in Belgian soil.

It will render painless 400 operations, supply two miles of bandages—enough to bandage 555 wounds.

It will care for 160 injuries in the way of "first-aid packets."

It will furnish adhesive plaster and surgical gauze enough to benefit thousands of wounded soldiers.

Every purchaser of a Liberty Loan Bond performs a distinct individual service to his country and to our boys fighting in France.

WHAT YOUR LIBERTY BOND WILL ACCOMPLISH

\$18,000 invested in Liberty Bonds will equip an infantry battalion with rifles.

\$50,000 will construct a base hospital with 500 beds, or equip an infantry brigade with pistols.

\$100,000 will buy five combat airplanes, or pistols, rifles, and half a million rounds of ammunition for an infantry regiment.

SUFFRAGE NEWS

The April meeting of the Narberth Branch of the Woman Suffrage party will be held on Friday afternoon at 3 o'clock at the home of Mrs. W. J. Mulholland, 201 Chestnut avenue. Any one interested in suffrage is invited to be present.

Do not forget—

To write to Senator Knox and Senator Penrose.

To send in your \$1 for the Woman Citizen.

To subscribe to the Liberty Loan.

What Women Will Do With the Vote

Women in many States are voters. Many more are likely to become voters soon. No matter how slow or how rapid the intermediate steps, it is the duty of every woman to begin to think of what she will do with the vote when she gets it. What will she contribute toward a program to put up to the voters in her community? How can she help to make her home safer, to insure her children all that the community could give them, and to give herself a broader opportunity in life? The vote is not an end; it is only the means to an end. The vote will be the means of women's co-operating with men in providing for matters affecting women's every interest, which heretofore have been left entirely to men.

VERITAS WRITES FOR THE CUB

To the Editor Our Town:

The Cub being somewhat indisposed this week, due to an attack of spring fever and Liberty Loansomeness, has asked me to take his place for once at least and chronicle the important doings of the Year Round Home Town. As a gatherer of news, however, I am afraid you will not consider me a success. All I have been able to pick up are the following brief items:

The Borough Treasurer, not knowing of the daylight-saving arrangement, got into a lot of trouble because for several days he was an hour late in every engagement he made. He finally found that his clock was an hour slow, or at least he thought it was, and carted the old family time-piece to a repair shop in the city to be regulated. The clock man could find nothing wrong with Big Ben and asked our local guardian of the public funds why he hadn't pushed the hands forward an hour. "First I heard of it," said he. It's to be hoped that he will keep better posted on current events in the future, if only for the sake of the borough cash register.

That new apartment house on Forrest avenue reminds one of those places down along the Jersey boardwalks and has put an idea into Charley Noel's head. He intends to place chairs in front of the fire house the coming summer evenings, for the benefit of the usual sojourners at that resort, and will start the engine chugging to resemble the roar of the breakers. He thinks this will make the illusion complete.

John says he is going to erect a high building on his lot, not as an investment, but to hide the dilapidated appearance of his neighbors' houses from the gaze of passersby. He is doing this, he says, for the sake of all the property owners on the south side. He promises, however, that should any improvement in the appearance of adjacent properties be apparent in the near future, he'll abandon his plan for a skyscraper and lay out a botanical garden instead.

Hank Gara sez: "Some men who are mighty hard to please in most things act as if they were highly pleased with themselves."

According to Flick Stites, "The big question today is: Are you in the way, or on the way?"

One of our enterprising storekeepers sez that collection are poor. He thinks that maybe it's because the old pioneers settled down when they came here that their descendants don't like to settle up.

MAY TAKE CIVIL SERVICE EXAMINATIONS WHEREVER GIVEN

Washington, D. C., April 16.—The United States Civil Service Commission announces that on March 27, 1918, the President approved a joint resolution of Congress suspending, during the period of the present war, the operation of the provision of law which required applicants for civil service examinations to be examined in the State or territory in which they reside. During the period of the war, therefore, applicants for any examination held by the commission may be examined at any place at which the examination is held, regardless of their place of residence.

An Act of July 2, 1909, required examinations to be taken in the State of residence. While this provision is suspended for the period of the war, it is still required that only those who have been actually domiciled in the State or territory in which they reside for at least one year previous to the examination may become eligible for permanent appointment to the apportioned departmental service in Washington, D. C.

The commission expects this change to make it easier to obtain applicants for positions in Washington. Competent stenographers, typists and bookkeepers are in great demand. Examinations for these positions are held weekly throughout the country. Representatives of the Civil Service Commission at the postoffices in all cities are furnishing detailed information and application blanks.

A DAY WITH THE KAISER

Here's some inside stuff from the Ought Nine War News which strikes us as too good to be kept exclusively for the entertainment of members of that class:

"We print below an extract from the Kaiser's diary, obtained from Potsdam by our Intelligence Corps, and translated for the War News by Professor Hoskins.

"Monday—Arose at eight and breakfasted on prunes, oatmeal, ham and eggs, corn muffins, griddle cakes and coffee. These war meals are getting on my nerves. Worked all morning on the speech I am preparing to deliver to our victorious Home Guard. Went for a walk in the afternoon, and met the Crown Prince on the Friedrichstrasse. He cut me. Damn that boy.

"Tuesday—Made arrangements with the Deutsch Bank to have my securities removed to Sweden. Of course, we shall win the war, but if anything happens, it will be just as well to have my property in some neutral country. Some people like to take chances, but I believe in being conservative in personal matters. Nick Romanoff got his and—well—you know me, Al

"Wednesday—We have sunk another hospital ship. I shall declare a holiday next week.

"Thursday—Hindenburg told me this morning that those dod-busted English keep shooting at his men all day and all night. What is their army doing in France anyway? When I make my speech I shall say that England is beaten, and then perhaps they will go home. Went to the theatre this evening and saw "Cleopatra." Some kid, Cleo. I hope the Crown Prince doesn't see her. Damn that boy.

"Friday—Fish day, but no fish. That is, my people had none, but, of course, I was supplied. A fish diet produces brains, so naturally I had to have some. You know what I mean. Changed my uniform eight times today, and I looked better with each change. My photographer told me so. I must order him an iron cross.

"Saturday—woke up with a headache this morning. I haven't been sleeping well lately, and think I must have something on my mind. The Empress suggests it may be my hat, but I don't think that is it. The beer was good last evening, too, and it puzzles me. Perhaps it comes from reading the American newspapers. Those impudent upstarts really act as though they mean business. Maybe I'd better engage passage for somewhere. Had luncheon today with Ludendorff; he says the French keep shooting at us

the way the English do. We must put a few more prisoners and Belgians in the trenches. Also, I must get a more powerful telescope when I inspect the front lines next time. When guns are too close their nose makes me nervous. Some one asked the Crown Prince today who he thought was the biggest stiff in the world, and he said, 'Ask dad, he knows.' D. t. b.

Sunday—In church today the minister preached on the sacred duty of all Germans to kill as many women and children of other nations as possible. His reasoning was magnificent and unanswerable. I must order him an iron cross. I love church, and I love Gott, and I don't mind if he is almost equal to me (in church of course.) Anyway my sympathies have always been with the under dog."—From the Princeton Alumni Weekly.

THE FIRESIDE

(Continued from First Page)

Miss Anna Prater, of Wilker-Barre, Pa., is the guest of Mrs. Carroll Downes, of Woodside avenue.

Mrs. Harriet L. Gregg and family have returned to Narberth from their winter sojourn in Atlantic City.

Mr. William J. Henderson, of Chestnut avenue, is at Old Point Comfort, where he has gone to improve his health.

Mr. and Mrs. M. D. Leonard, of Waterbury, Conn., have been visiting Mr. and Mrs. Clement Booth, of Merion avenue.

Miss Ida Buckman, of Wynnewood road, entertained the Narberth Fortnightly Club at her home on Friday afternoon.

M. and Mrs. Hale have moved into their new home on North Narberth avenue, recently purchased from Mr. W. D. Smedley.

Remember when you buy a Liberty Bond you are giving nothing, merely loaning your money to your Government at a substantial interest.

All persons desiring to join the confirmation class of All Saints' Church are invited to be present on Sunday afternoon at 3 o'clock in the church.

While not one of Fred Walzer's employees is a resident of Narberth, yet every one of them subscribed to a Liberty Bond through the Narberth Branch.

Mr. and Mrs. Rowland Nickerson and Miss Lucy Gurney, who have been visiting Mr. and Mrs. Lester Nickerson, of Elmwood avenue, are returning to Cotuit, Mass.

Lieut. Newsom is right from the fighting front. Hear him April 18 at Y. M. C. A. You will also want to hear our townsman, Hon. Fletcher W. Stites. Better come.

Mrs. Clement V. Fletcher and her daughter, Mrs. Charles V. Noel, have returned to their home on Narberth avenue, after having spent the winter in St. Petersburg, Fla.

Remember April 18, 6.30 P. M., "Hoover" dinner and patriotic rally for all Narberth folks at the Y. M. C. A. Proceeds for the Narberth Branch, American Red Cross.

Mr. and Mrs. F. Richard Gifford, of Dudley avenue, have been entertaining Mrs. Gifford's brother, Mr. George W. Jacobs, of New York, and Miss Rose Thompson, of Glendale, L. I.

The Misses Elinor and Lylian Diamond entertained at dinner during the past week, when they celebrated their thirteenth birthday. The table was artistically decorated in violet and buff.

Dr. Arthur Hartley, brother of Dr. Harry Hartley, Narberth's popular dentist and bowler, has been promoted to a major in the Medical Reserve Corps. Major Hartley is now stationed at Fort Oglethorpe.

Many friends of Nelly Noly Cloud, of Carlisle, will be delighted to know that she has returned again to Miss Diamond, of Woodside avenue, after an absence of a year and a half at Carlisle Indian School.

Mr. Benjamin T. White and Postmaster Haws assisted in the reviewing of the troops in Baltimore Saturday. A number of our Narberth boys were observed in the line. They looked good and full of enthusiasm.

Mrs. Harry Bradley, of Avon road, Anthwyn Farms, entertained at luncheon and bridge Friday, when her guests were Miss Esther Buck, Mrs. William Claghorn, Mrs. H. G. Polhemus, Mrs. Herbert Buchanan, Mrs. William G. Ehn, Mrs. William B. Goodall and Mrs. William S. Maddox.

George Sheldon, who is now fighting for Uncle Sam "somewhere in France," wishes to thank his Narberth friends for the many letters he has received while in the service, and, also, on account of some special work that he is now engaged in he will be unable to answer any communications for several weeks. George is especially anxious that his friends "keep the good work up" by writing often, as any news from home is exceedingly welcome. Therefore, let every fellow who is acquainted with George get busy, because he is not only fighting for his country, but he is fighting for you.

on either side of the property to be improved. It will not be permissible to occupy any street beyond the center line, and ample provision must be made for the proper passage of water in the gutter.

The numbering of the houses on some of the streets in the borough was the subject of an investigation by the Highway Committee and several places were found where the numbers had been placed without due regard to the established practice. This matter will be pursued and as soon as practicable the numbers will be changed so as to eliminate any confusion.

Attention was drawn to the apparent negligence on the part of property owners and tenants in the matter of keeping their sidewalks in proper repair. This is a matter which will be followed up very actively during the summer months with a view to having all the sidewalks of the borough put in good condition before next winter.

The work of completing the paving of Dudley avenue, north of Windsor avenue, will be started again this month. Contractor Martin has assured the borough authorities that he will push the work to an early completion. The severity of the weather last winter caused this work to be entirely suspended.

A resolution requiring the property owners and tenants to remove snow from the sidewalks adjoining their properties within twenty-four hours after the cessation of the snow was presented. After a brief discussion it was decided to "table" the resolution, with the thought that the residents of the borough should be otherwise approached in the matter.

The Highway Commissioner was ordered to approve the construction of all crossings of sidewalks before the actual work is started. This was done with a view to preventing the placing in the sidewalks of any crossings which, when covered with snow or ice, would be dangerous to pedestrians.

The report of the Highway Committee indicated that ash collections had been suspended during the week of March 18 in order to allow time for a general cleaning of the streets of the borough. During the month 262 cubic yards of ashes were removed from the 800 odd dwellings of the borough.

The advisability of placing attractive signs at the four entrances to the borough was discussed. While the various members of Council thought this a very good idea, in view of the financial burdens under which the borough is laboring it was decided to hold the matter in abeyance for the time being, without, however, losing sight of it.

WELCOME TO OUR PASTOR (METHODIST)

A welcome to our pastor Who comes divinely sealed; A servant of the Master, To this appointed field; We give him cordial greeting, With open hands and free, Our hearts the words repeating, "We welcome, welcome thee."

We need his kindly counsel, His pastoral love and prayer; He needs our kind remembrance In sympathy and prayer. And thus together sowing, We'll wait, and pray and toil, And leave the harvest's growing To Him who knows the soil.

New Gymnasium Schedule

New Gymnasium Schedule

Mr. A. V. Emmett, the Y. M. C. A. physical director, having found the previously announced schedule of classes unsuited to the majority of the membership, announces the following revised schedule.

Monday, 4.00 to 5.00 P. M.—Boys, 12 to 16 years.

Monday, 8.00 to 9.00 P. M.—Business men.

Tuesday, 4.00 to 5.00 P. M.—Girls, under 12 years.

Tuesday, 8.00 to 9.00 P. M.—Women.

Wednesday, 4.00 to 5.00 P. M.—Girls, 12 to 16 years.

Thursday, 4.00 to 5.00 P. M.—Boys, under 12 years.

Thursday, 8.00 to 9.00 P. M.—Business men.

Friday, 4.00 to 5.00 P. M.—Boys, 12 to 16 years.

Saturday, 9.30 to 10.30 A. M.—Boys, under 12 years.

Saturday, 10.45 to 11.45 A. M.—Girls, under 12 years.

Unless the doctor says "No," every member of the family should be a member of some "gym" class.

Business man, did you ever hear of Skinner? If you have you will want to read his latest, and if you have not, you should start your acquaintance with "Skinner's Big Idea." You can secure a copy from Mr. Bowen, the new Y. M. C. A. secretary.

Mothers and fathers should always keep in mind the fact that Mr. Emmett, who guides the physical development of the boys and girls at school, is ably supplementing his school work by the direction of the recreational physical activities of the pupils who hold memberships in the Y. M. C. A. His group games and special apparatus work in out of school hours have a value not only in physical education but mental and moral development, training the participants to think and act quickly, and cultivating loyalty and fair play. Your opportunity as parents, to put your sons and daughters under the training of a physical director who will not duplicate school work because of his personal knowledge of that work, is not paralleled in many towns. If you do not fully understand the advantages of Y. M. C. A. membership, Mr. Bowen would be glad to talk with you any time you can stop in his office.

Automobile Commuters are urgently requested to heed the call of our boys at the front and vol-

unteer to carry books deposited at the Y. M. C. A. to the War Emergency Unit, Philadelphia.

As this issue of Our Town goes to press there are 264 books, filling more than eight small boxes, that should be on their way to the camp distributing agencies. Every little bit of service helps these days. Make arrangements with Mr. Bowen to take a box or two of these books in town with you on your next trip.

The Good Old Summer Time is close at hand, and with it comes the vacation days for schoolboys and girls.

After having a large part of each day of the school year taken up with school duties, this relaxation becomes tiresome in a week or two and the vacationists proceed to look around for something to occupy their time. They want something different, and will find it, too. If this search for things new and different is unguided, the chances are that trouble will follow, not intentionally but as a result of thoughtlessness.

Mr. Emmett is commencing to outline a series of out-of-doors activities for the Y. M. C. A. physical department and with Mr. Bowen's assistance will exert a large influence in leading the boys and girls into enjoyable and helpful pleasures.

Parents will surely want to put their boys and girls in line with this summer program, and should see to it that they are provided with Y. M. C. A. memberships. It is the desire and expectation of the Board of Directors that the activities of the association will not decrease, but increase during the warm weather.

Track and field athletics, gardening, swimming, baseball, scout and other activities are on the program.

Community Patriotic Rally Plans About Complete

A Hoover Dinner—Music—Good Speakers

All Narberth folks are interested in the Hoover dinner and patriotic rally, to be given April 18, 6.30 P. M., at the Y. M. C. A. While under the auspices of the Baptist ushers and given by them instead of their annual banquet, the entire community is expected to participate.

Lieut. J. D. Newsom, of the British Royal Field Artillery, direct from the front and with a wonderfully impressive story, will speak, as will also our own Hon. Fletcher W. Stites.

Tickets can be had from any of the ushers, or at Davis', Fiedler's or Howard's stores.

The entire net proceeds of the affair will go to the Narberth Branch, American Red Cross.

A rousing meeting is expected; besides the speaking there will be good music. Better get your ticket early for the dinner.

CONTINUE DR. DIXON'S WORK

Assistants Have Records of His Infantile Paralysis Research

Scientific experiments, aimed at discovering the cause and cure of infantile paralysis, for years the special interest of Dr. Samuel G. Dixon, former State Health Commissioner, will not be stopped by his death.

This was announced on Tuesday by E. R. Simpson, who served as Dr. Dixon's secretary. "The results of Dr. Dixon's research work and all the knowledge he gained," said Mr. Simpson, "are in the possession of faithful co-workers of the late scientist and they are going ahead with the investigation."

"Dr. Dixon was one of the leading bacteriologists of the world, and of course the loss of an investigator of his calibre is not to be lightly considered, but the general result will not be affected in any way."

FOOD WILL WIN THE WAR

Idle ground in Narberth this summer will be a stain on our patriotism.

Do your bit now. Notify the Food Committee of the Community Club what lot you want and we will do our best to get it for you. Landlords have been most cordial in co-operating.

Let us all raise food.
