C, GUESNARD, H. H. ALPUENTE,

PLUTED AND PUBLISHED DAILY BY JEROME BAYON. TUESDAY MORNING, MAY 8, 1832.

> GOVERNOR. J B. DAWSON.

The northern mail arrived last evening at a late hou bringing regular dates. The New York papers furnish Liverpool dates to the 28th rnd London to the 27th March, from which we have made a few hasty extracts.

The following gentlemen have been appointed by his xcellency, governor ROMAN, directors of the Union Bank, for the term of one year. Martin Duralde, E. Forstall. N. W. Oukey, M. Morgan, J. Barrett, H. Johnson, Nat. Car, H. S. Helisberg, I'. F. Burthe. J. P. Frerct,

It is currently reported that a high city functionary who has lately received a very flattering proof of the public favor, has privately intimated his intention of resigning, in order to accept a more profitable situation in a recently created public institution. Not knowing upon what precise authority to ground this report, we by no means give im-plicit credit to it, but merely report it in vague terms, so MARY AND SUSAN, Capt. Pirror, plicit credit to it, but merely report it in vague terms, so having a pertion of her cargo engaged, will that the individual to whom it alkales may give it contradiction if it be a fabrication. Nothing could be more injurious to his popularity than to let it pass without doing so, and now we are called upon t record the marriage of as the statement gives reom to suspect that he undertook a revolutionary worthy. The epithalamium is always to re-fulfill the functions of the office which he at present more welcome to us than the epicedeum. The difference of the control of the

> Late from Buenos Ayres -The brig Monticello at New Late from Buenos Agres — The brig Monticello at New Matrimonial consummation, matters too troublesome to be voluntarily encountered. We trust the lady with a solution of the lady with the 22d ult., as also despatches for our government. It is excuse the liberty taken in referedce to this subject. fixted in one of these papers that a note had been addressed We de not vouch for the accuracy of the statement, beto Mr. Slocum, our consul, informing him that his 'exequecause witty dandies affirm that ladies' ages are always tor' was anaulled, and requesting him to name a successor dubious and uncertain. Our approbation is due to the whom the government would recognise—he had refused, it is added, to comply with this request.

The breaking up of Vudet's establishment had caused considerable excitement at Buenos Ayres; and it was in consequence of this that the government had thus surpended the functions of our consul. The government schooner Sanaudi had been dispatched to Washington on the subject. The U.S. armed vessel Lexington had proceeded Falkland islands.

ceived London papers to March 27th, and Liverpool o the 28th, both inclusive.

The coners is extending in London. It has also made its appearance in Belfast and Dublin. New cases in London on the 18th, 73, deaths 44; 19th, new cases 86, deaths 38; 20th and 21st, new cases 120, deaths 73; 2°d, new cases, 63, deaths 37; 23d, new cases 47, deaths 33; 24th and 25th, new cases 105, deaths 62.

A Berlin paper states that our fellow citizen Dr. Howe, when arrested in that capital, had a letter of credit for 100. 00 francs, upon Dantzic and Ething, for Mr. Van Buren had audience of leave of his majes by on the 22d. On the 24th he arrived at Windsor, and in company with some other personages, was to

dine with the king.

The reform bill having passed the Heuse of Com nous by a majority of 118, it was brought up to the House of Lords on the 26th March, and read a third time. From the observations made by the principal Several of the by-standers were reduced to tears, an

Passage of the Reform Bill. Liverpool, March 24. We have at length the satisfaction of congratulating the country on the passage of the reform bill once more through the house of commons. The majority on the third reading was 116, there being 355 for, and 239 against the third reading. This event took place on Thursday evening March 22d,

In the Lords, ministers had also a triumph. On a

people's representatives, have now discharged the great duty undertaken by them, and expected from them. The bill, clear of all damage or deterioration, has pass-

the stern spirit of the other house of parliament. What end awaits it there? Paris. March 24. (Private Correspondence)-The mission of Count Orioff at the Hague is now re-The ship ATTICUS, Capt. Martin.

Leisure Hours,... In what way can hours be filled ing? Young men do you know how much is depending on the manner in which you spend your leisure hours? Ask the confirmed inebriate, where he first

Marriage extruordinary.-In Orwigsburg, on Salur day last, by Honey Singer, eaq., a marriage was solem-nized between Mr. Frederick Hosser, a revolutionary soldier, and Mrs. Catharine Millot, the former aged 70 and the latter 40 years. The lady was divorced from her former husband during the last court term. manter of little inconvenien e as it seems. In our las we were under the necessity of recording the death. occupies, not for the advantage of the city, but merely the ence is as between a gross and a grin. The ages the parties above mentioned would, in ordinary case nave rendered the forms of courtship and a subsequer w ather-beaten hero, the snow upon whose head has been unable to extinguish the fire that glows in his veins, and who is striving to devote the remnant of hi existence to the benefit of himself and posterny-to the burning shame of all old bachelors! Unmarried reader, 20 thou and do likewise .- Miner's Journal.

> MURDER OF AN ELEPHANT. The journal of an overland traveller in India, sup

for Rio Janeiro with four of the prisoners taken at the plies the following affecting incident:

"An old and sagacious servant of the company, NEW YORK, April 23,
SEVEN DAYS LATER FROM EUROPE

By the packet ship Hibernia, Capt. Allen, we have company of the Mahrutta War, in which he had been the orders of his superiors; age and the infirmities of disease rendered it desirable in the opinion of his medical attendants that he should die-he was an old Ekphant. We prolong the lives of old men offer even to torture, are we justified in sacrificing these half reasoned animals? It would probably, he relying too much on humanity to say that we are not; the of ficers of the garrison and many of his friends and acquaintances were assembled to see this faithful servant put to death. A large grave was dag, and he was directed by his keeper to walk into it; he uttered a low groan and obeyed The executioners office was badly done, and his head was only mangled without any ball penetrating the brain; in a state of agony, he sprang out of the grave, without attempting any violence, but walked calmly round the circle of officers, holding ou and showing to them his trunk covered with his blood declared that the death of a human being could not have been more painfully afficing."

> House or Louds .- The following singular remarks were made by a light cha in the house of lords, on the occasion of a personal alternation between the marquis of Londonderry and laid Plunkett, the lord chancellor of Ireland.
> "Will your lordships allow me for a moment? I an

sold it is not proper that the speaker of this hopse should interfere in the order of your proceedings, and what I offer is only in the shape of a suggestion. The I have seen in the course of the last session, as well as in this, more breaches of order, and more irregularity, than I ever witnessed in any house of parliament, erhaps, in any public assembly whatsoever, (hear. That arises from the constitution of the house, and it may be wise that it is so; but your Lordships are all aware that, from time to time, it is productive of the greatest inconvenience, (liear.) I say this, my Lords, b. excuse enyself for presuming to interfere on this occasion, and I beg of you to think I only do so as any other member of the house, (hear.)"

NAPLES. The Paris papers state, under the head of Naples, 10th February," that four American ships of war had arrived at Syracuse, and that Mr. John Ne son, the recently arrived charge des fisires of the United States, had delivered his credentials in the king on the 29th January. That proble of the president's message relating to our claims on it. Nespolitin gevernment had caused, it is added, great sentation at Naples .- . V. T. Con. of Enq.

One of the English journals lately received mentions the discovery of another overwhelmed city near the base of Vesuvius, and between that mountain and Pompeii, at a place called Busco-tre-Case. Here Professor Zahn has caused several excavations to be mad, which scarcely leave a doubt that a cuy was buried there, supposed by the discoverer to have been called Teso, and which with Pompeii, Herculaneum, and Stabia, makes the fourth of the cities submerged

Witness dying in court .-- A question arose in report below, from Dublin paper, which is of a novel character. It stribbs to that the accused ought fint to have been convicted, unless the other testimony was sufficient to establish up, so as to turn to greater account than profitable read- their guilt, rejecting altogether that of the dying wit-TWO WHITE FEET CONVICTED.

KILEBRHY, March 10 .- Yesterday Laurence Dooturned aside from the paths of sobriety, and, if his lan was convicted of a burglary and attempt to possess memory, be not gone with his reason, he will dwell himself, with others of the White Feet faction, of two memory, be not gone with his reason, he will dwell himself, with others of the White Feet faction, of two with painful recollections upon the hours of leisure he pistols, and also with administering unlawful eaths a once enjoyed. Ask the victim of crime when he took John Manning, his wife, and daughter in January last, his first step in his reckless career, and you will proonce enjoyed. Ask the victim of crime when he took his first step in his reckless career, and you will probably remind him of the leisure hours he enjoyed in his youth. On the other hand, do you see a man who was once in the humble walks of life, now moving in a sphere of extensive usefulness? He husbanded his leisure hours. Multitudes who look bright in the constellation, as worthies, owe their elevation to the assiduity with which they improved the intervals of leisure they enjoyed from the pursuits of the plough, the awl or the anvil. The substitute of the study of useful hooks, for those trifling amusements which insididragged him down into the fire, which he partly seatful books, for those trifling amusements which insidi-ously lead the unwary into the paths of profligacy and ered about the house, by which his feet were injured. The prisoner's counsel proceeded to cross-examine him, with a view of impeaching the validity of his tes-timony. He was asked if had not formerly called himself by another name; he denied it; the quea tions were pressed: he began to sink, although supplie with wine; he fell back in the chair; his limbs became antirely powerless; his pulse consedities eyes we saked; medical gentlemen were called; aurgeon Peile and a nether medical practitioner were sent for.

The wife and daughter of the dying man fully sus

ained the case for the crown. On the arrival of the professional gentlemen, they swore that old Manning was literally dying; that he may not live two hours; while on the table the large of death spread over him. He was removed almost life-

ess, and expired in a very short time afterwards. Prisoner's counsel claime, an acquittal, on the ground of having been thus, by the interputition of Proridence, denied, for their client, the advantage of his

Mr. Scott, R. C., agned on the other aide, citing procedents; particularly a case ruled by Sir Anthony Harte.

The judge charged the jury observing that if a verdict were found, the decision of the 12 judges may be had on this point. The jury immediately found a verdict of guilty.

MANEPPA. The dreadful punishment inflicted upen the hero of Lord Byron's poem, has a demoniacal example in a newspaper called 'Mercurius Politicon,' printed in 1655. The sarrative is dated from Hamburg. "This last week a veral wagoners coming from Bresland to Silesia, on their way into the duke of Saxony's country, perceived a stag with a man upon his back running with all his might; coming near the wagcampaign of the Mahrutta War, in which he has been been been founded, had been remarkable for his endurance of goins, he suddenly fell down; the poor man sitting when taigue, and for the ready obedience which he gave to his back made a pitiful con plaint, how that the day hefore he was, by the deke of Saxony, for killing a deer, condemned to be bound with chains upon that sing, his feet bound fast under the stag's belly with an iron cha'n soldered, and his bands so chained to the horns. The miserable man begged earnessly that they would shoot him, to put him out of his pain; but they durat not, fearing the duke. Whilet they were talking with him, the stag got up again, and renaway with all his might. The waggeners computed that he had run is sixteen hours, not less than twenty six Dutch miles in the least, which makes near one headred of our Eng-
