(120 of prophet Mohammed sayings)

__ **About the author** : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (30) , in the author's series books in arabic .

(الكامل في أحاديث لا تُوفِّي المرأة حق زوجها وإن سال جسمه دما وصديدا فلحسته
بلسانها ولا تُقبل لها حسنة إن باتت وزوجها عليها غاضب)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

_ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

In this book , I collect prophet Mohammed sayings about virtues of husbands over their wives .

_ As his sayings that if husband order his wife to do something and she refuse , Allah and all angels will curse her until she obey her husband .

_ And his sayings that women will never fulfill their duties toward their husbands , even if the husband is oozing blood and pus then she sucked and cleaned this by her mouth . Woman will remain forever in debt to her husband

_ And his sayings that the best thing women can do is to obey their husbands .

_ And his sayings that if the woman goes out of home without permission of her husband . Allah and his angels will curse her .

_ And his sayings that if women know the virtues of husbands over them , they will remain standing up while every time their husbands eating lunch and dinner .

_ And his sayings that if it's allowed for someone to prostrate to another , it will be the wives . Wives would prostrate to their husbands because Allah gave men a lot of virtues over wives and made a lot of duties on wives toward their husbands .

_ And his sayings that women are foolish except who obey her husband . And describing women by foolish was said by a lot of prophet Mohammed companions and greatest Islamic Imams , as Ibn Abbas, Al-Hasal Al-Basri, Sa'id Ibn Gobair, Al-Dahhak Ibn Mozahim,

Mogahid Ibn Gabr, Abu-Malik, Al-Hakam Ibn Otaibaih, Qatadah Ibn Do'amah , and many others . But in this book I will just mention sayings of prophet Mohammed , but I just wanted to inform you that this description is said by many companions and Imams .

_ And his sayings that if a husband is good to his wife and she wanted to get divorce , she is a hypocrite . (In Islam , hypocrisy is a very bad place and hypocrites are threatened by punishing in Hell in many Quran verses and prophet Mohammed sayings)

_ And his sayings that most of people in Hell are women , because they are not doing their duties toward their husbands .

_ And his sayings that if a man order his wife to move the dirt and dust from a mountain to another , she must obey him .

_ And his sayings that Allah will not accept any of woman's good works if she does not obey her husband .

_ And his sayings that women should never quarrel or disobey her husband even if he was bad and unjust with her .

__ That what made some people talk about these rules :

__ Some asked what made men have all these virtues and high places over women , to even the degree of not accepting any good work from women if they do not obey their husbands . And in some prophet's sayings that this is even if the husband was bad and unjust with her .

__ Some said that sayings of prostrating of women to their husbands mean that the relation of marriage is sacred . But others said that this did not come in even one saying .

Also all sayings said that she prostrate to him , not he prostrate to her , because Allah made a lot of duties on women for their husbands . And if it means that marriage is sacred , he would say that they prostrate to each other , not just she prostrate to him .

__ Some asked why women are considered as prisoners under men . And women are even considered foolish except those who obey their husbands . What are the advantages men have that give them all these virtues .

Or just been created a man is an enough excuse and justification for this as in some religious rules . These all are considerable questions .

__ There might be more research in this matter to find the best possible solution , but the book is only for collection sayings of prophet Mohammed about this matter .

1_ Imam Al-Hakim tell in his book Al-Mustadrak (2 / 189) about Abu Hurairah that prophet Mohammed said , women will never fulfill their duties toward their husbands , even if the husband is oozing a lot of blood and pus then she sucked and cleaned this by her mouth and tongue .
