FRUIT and ORNAMENTAL
 NURSERY STOCK

TERMS ON WHICH WE SELL NURSERY STOCK

Read the following carefully before you order

Bank draft or money order, payable to The Barnes Brothers Nursery Company, must accompany all orders amounting to \$25 or less, a cash discount of 5 per cent being allowed on the total amount.

WE WILL SHIP LARGER ORDERS C. O. D., providing 25 per cent of the total amount of your order is sent in cash. If the order is shipped by **EXPRESS** you pay the balance to your **EXPRESS AGENT** upon delivery of goods.

If the order goes by **FREIGHT**, you pay the balance at your **BANK**, where you will also find the bill of lading, which you present to your freight agent, who will deliver shipment to you.

NOTE—WE ALLOW A CASH DISCOUNT OF 5 PER CENT ON ALL ORDERS, large or small, for which the total amount with order is remitted.

TRANSPORTATION RULES

Our goods are sold F. O. B. Cars at the point of shipment and travel at the purchaser's risk and expense. We do not guarantee safe delivery. The ownership of all goods sold by us passes to the purchaser after delivery by us to the carrier, and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent of the transportation company at the point of delivery.

CLAIMS, if any, must be made upon receipt of goods, when they will be carefully and cheerfully examined, and, if just, satisfactory adjustments will be made with purchaser. Claims made after five days from receipt of goods will not be entertained.

NON-WARRANTY. (1). If any nursery stock shall prove untrue to the label under which it is sold, provided notice and proper proof thereof are furnished by the purchaser, to the seller, the seller shall at the option of the purchaser, either refill that portion of the order which was mis-labeled, by another delivery of stock, or refund the purchase price; but in any case, we are not to be held responsible for a sum greater than the original selling price of such stock. (2). All sales or agreements of sale are made subject to shortage of nursery stock, fire, frost, floods, drought, or other causes beyond the control of the seller.

INSPECTION. Our Nurseries have been thoroughly inspected and found free from San Jose Scale and other injurious insects or diseases. Certificate accompanies.

WE CANNOT REPLACE STOCK GRATIS. These prices do not include any guarantee of growth. We will guarantee our stock to be in first-class condition when delivered to our railroad station, but as we have no control of the stock after it leaves our hands, we cannot be responsible for it. Remember a tree, shrub, or plant is a living organism, as much as a cow, horse or man. It breathes, drinks and feeds, and is liable to attacks of diseases and insects.

PARCEL POST. We cannot ship by parcel post any trees larger than 3 to 4 ft. in height. We recommend that strawberries be ordered shipped by parcel post, large orders by express. Be sure to include postage in your remittance which can be estimated as follows in 1st and 2nd zones:

NO CHARGE LESS THAN .05

Asparagus, 2 yr.,	.20 per 100
Asparagus, 3 yr.,	.30 per 100

Roses, perennials, berry bushes, except strawberries: 1st plant, .05; each additional plant, .01.

Strawberries (Before May 1), .08 per 100 or fraction thereof. (After May 1), .10 per 100 or fraction thereof.

Shrubs and small trees not exceeding 3 to 4 ft. in height, .05 for first specimen; .01 for each additional specimen.

APPLICATION OF RATES. Customers may select six of any particular variety at dozen rates; fifty at hundred rates or five hundred at thousand rates; such as six Baldwin or fifty Baldwin.

SIZE OF ORDERS. Owing to high costs incident to the handling of orders, we cannot accept orders amounting to less than \$2.50.

GRADES. We grade primarily by caliper, height being only approximate, and this places many of our trees in the second grade, which might be sold as first grade by those who grade only by height. We consider that good stock, well graded by caliper, will give more general satisfaction year after year than when graded by height.
