Subject: Destruction of Wrecked and Inoperable Ex-Japanese Destroyers and Escorts

Reference: (a) CNFE Serial 1978 dated 2 September 1947

1. By reference (a) the Ministry of Transportation was authorized to use the hulls of ex-Japanese Navy Destroyers and Escorts for breakwaters in various localities in the Japanese Empire, and was directed to submit a schedule of operations showing a completion date not later than 2 September 1948.

2. The breakwater schedule as submitted by the Ministry of Transportation does not comply with the directive of reference (a), because it shows completion in 1949 and 1950.

3. The Ministry of Transportation is directed to submit a new breakwater schedule in compliance with paragraph 3 of reference (a).

4. Such vessels that are not sunk in place prior to 2 September 1948 as required by reference (a) will be withdrawn from the program and ordered sunk immediately.

Enclosure: (A) Plan for use of Destroyers and Escorts as breakwaters.

1. By reference (a), the Commander Naval Forces, Far East authorized the use of twenty two (22) Ex-Japanese Destroyers and Escorts as breakwaters. Because the breakwater schedule submitted by the Ministry of Transportation did not comply with the completion dates of reference (a), reference (b) directed the re-submission of a breakwater schedule. By reference (c), the Ministry of Transportation submitted a revised schedule employing fourteen (14) Destroyers and two (2) Escorts, giving a completion date within the limits established by reference (a).

2. The revised breakwater schedule as shown in enclosure (A) is approved.

3. The remaining six (6) vessels as listed below, originally authorized as breakwaters by reference (a), will be scrapped prior to August 15, 1948.

December 16, 1947

TO: Mr. Ten Eyke,
Yamaguchi Military Government Team.

SUBJECT: Regarding the Takasago Maru No. 12

Sir:

We hereby beg leave to apprise you of the results of investigation made by one of our clerks into the case of the Takasago Maru No. 12 at Maritime Affairs Section, Kyushu Bureau of Merchant Shipping, as follows;

1. The ship in question belonged to the former Horai Tanker Co., Ltd., being a privately-owned ship and having no connection whatever with the Japanese forces.

2. The ship sank to the bottom of the bay of Yuya, Otsu-gun, after touching a mine during the war.

3. A permit to take the ship to pieces dated November 19, 1947, was issued by the director of the Bureau of Merchant Shipping, the Ministry of Transportation, to Kawanami Kogyo Co., Ltd. (4 Umegasaki-cho, Nagasaki City).

4. A copy of the permit is attached herein. According to the permit, the operation ~~on~~ to take the ship to pieces should be completed by the end of December, 1947, but such operation has not yet undertaken, only necessary investigation carried out so far.

Yours respectfully,

Shinji Kanatsu

SHINJI KANATSU,

d. Letter from Hq. Aichi Military Government Team, to C.O. Tokai-Hokuriku Military Government Region, 23 September 1947, subject: Apparent Violation of SCAPIN 1148, with three indorsements.

e. Staff Memorandum No. 76 from General Headquarters, Supreme Commander for the Allied Powers and Far East Command, AG 010.5 (30 Aug 47) GC-O, 7 September 1947, subject: Procedures for insuring Enforcement of Directives to the Japanese Government.

f. SCAPIN 1745, 14 July 1947, subject: Construction Plan of Steel Fishing Vessels.

2. Reference a., b., c. and d. reports the unauthorized construction and change in construction of fishing vessels.

3. Reference f. authorized the Japanese Government to construct certain fishing vessels as listed on the inclosure to that SCAPIN.

4. Reference e. indicates the procedure to be followed regarding action initiated by the respective staff section to insure the enforcement of the Supreme Commander's directives and instructions to the Japanese Government.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. [illegible]

5. The violations reported by references a., b., c. and d. are only a portion of the total violations. There are at least twelve (12) yards concerned, according to our latest information. They are as follows:

	NAME OF SHIPYARD	LOCATION
(1)	Hayashikane Shipyard	Shimonoseki
(2)	Hitachi Innoshima Shipyard	Innoshima
(3)	Kawaminami Koyakijima Shipyard	Nagasaki
(4)	Kumagayagumi I. Shipyard	Onomichi
(5)	Mitsubishi Hiroshima Shipyard	Hiroshima
(6)	Nagoya Shipyard	Nagoya
(7)	Kamura Shipyard	Osaka
(8)	Nippon Kokan Tsurumi Shipyard	Yokohama
(9)	Onomichi Shipyard	Onomichi
(10)	Ujina Shipyard	Hiroshima
(11)	Arata Shipyard	Kobe
(12)	Nippon Kokan	Shimizu

6. The violations indicated in paragraph 5 above, are the unauthorized construction of vessels which were listed in Plan 4 (c), submitted by the Japanese Government for approval. Reference f., SCAPIN 1745 approved, for construction, only twenty-two (22) carrier vessels out of Plant 4(C).

7. In accordance with reference e., the violation of the fishing vessel construction has been brought to the attention of the Japanese Government, Ministry of Transportion and the Ministry of Justice by a conference held on 3 October 1947, at which representatives of the respective Ministries and representatives of the Economic and Scientific Section, Industrial Division, and Legal Section were present. Responsible officials of each shipyard wherein violations have occurred will be prosecuted in Japanese court for violation of Imperial Ordnance Number 311. The maximum penalty for unauthorized shipbuilding is up to seventy-five thousand (75,000) yen and not over ten (10) years penal servitude at hard labor. The Japanese Government has been instructed to report within thirty (30) days from the date of the conference mentioned in this paragraph /the action taken. As soon as complete reports have been received on this matter, the information will be forwarded.

8. Due to the scarcity of materials for the construction of vessels, the ships in question will be disposed of in such a manner that the overall tonnages of the various categories will not exceed that which has been previously authorized. This will be accomplished by the substitution of the vessels indicated in paragraph 6 above, for authorized vessels, the construction of which has not yet commenced. Instructions pertaining to this revision will be issued by separate letter.
