THIS FORM TO BE FILLED OUT IN DUPLICATE

May 19, 1946

To the Prison Cammander:

I trust that the Cammander is in the best of health. Please excuse me for barging in at this time, but I would like to extend my heart-felt gratitude for all that you have done for us.

I am the wife of Kodaira, Yoshio, who was confined in Sugamo Prison on Dec. 14, 1945. And for the first time on May 13th of this year, I was permitted to see my husband who never looked better in all his life. I wish to express my gratefulness for his well-being as well as the fact that I was allowed to see him.

I am anxiously waiting the rippening of my apples so that I can send you some. I regret the fact that all the kindness that you have given me can only be returned by such medicre gifts. However, at this time, I wish to express my personal feelings of following the good and righteous laws of America and to endeavor to restore this freedom that the Allied Forces have brought with them.

I am confident that my husband will be released and returned to me after the just American Prosecuting Dept. have investigated his case. I am sure that my husband has done nothing wrong.

In conclusion, I would like to pray for the Cammander's well being at all times.

Yours truly,

Kodaira, Kiyoko
