

## FRANCE SUPPORTS BELGIAN ATTITUDE TOWARD RUSSIA

### GENERAL WU IS REPORTED KILLED

**Defenders of Peking Say He Lost Life**

Foreign Legations Are Investigating Report

Peking, May 3.—It was announced at General Chang Tso Lin's headquarters to-day that General Wu Pei Fu, the Central Chinese leader, had been killed in action. The announcement has not been otherwise confirmed.

The foreign Legations here are investigating.

**Drive Stopped.**

Peking, May 3.—The Fengtian army under General Chang Tso Lin has for the moment at least, successfully withstood the drive on Chang Sin Tien and stopped General Wu Pei Fu's move toward Peking. The coast, however, has been heavy, and Chang Sin Tien is filled with wounded, many of whom are dying for lack of medical attention.

While Chang has been successful in this action, there has been no apparent advantage of consequence for either side in the general fighting along the hundred-mile front from here to Tientsin, and both commanders are rushing up reinforcements in preparation for a decisive action.

General Chang's communications are threatened both front and rear. Wu has thrown 40,000 troops against the right centre in an effort to cut the Peking-Tientsin railway.

At the eastern end of the battle-front, General Wu is marching 20,000 troops toward Machang, where heavy fighting has been in progress for three days.

**Southern China Forces Support Chang in Fight**

Shanghai, May 3.—Eugene Chen, secretary of Sun Yat Sen, President of the Southern or Canton Government, announces that Canton is allied with General Chang Tso Lin and is actively preparing to send forces northward to engage in the battle. He declares that Canton will be the determining factor in the war between Chang Tso Lin and Wu Pei Fu and will strike at the opportune moment. He asserts that the support of this Government has been thrown to Chang Tso Lin because that general has accepted the conditions to the resumption of China laid down by Sun Yat Sen.

Chen says that official dispatches confirm the previously reported seizure of warcraft in the south and that the remainder to be offered in favor of Wu Pei Fu move against Canton.

**Census Report for Parliament**

Robb Will Tell Commons When to Expect It

Members Discussed Population and Redistribution

Ottawa, May 3.—That he would secure definite information as to when the complete returns of the recent census of Canada would be reported to the House was a statement made by Hon. J. A. Robb, Minister of Trade and Commerce, to the Commons last evening.

A vote of \$415,000 for the Federal Bureau of Statistics brought on the discussion of the census and redistribution. B. R. Hanson, Conservative, York-Summary, N. B., asked when the complete details of the census would be brought down in the House.

Mr. Robb replied that the results by provinces had been made public and that a complete statement would be available before long.

Canadiana

John Millar, Progressive, Qu'Appelle, Sask., asked why it was that people born in Canada were not permitted during the census to register as Canadians.

"So much publicity has been given to this feature that I feel sure it will not occur again," Mr. Robb replied.

Mr. Robb said one reason for the delay in completing the returns was that irregularities had been discovered in several Western centres where the census had been padded. Several enumerators' returns had been brought before the courts for this offence.

Sir Henry Drayton said people were thinking the Government was in a hurry to bring in a redistribution bill.

"We heard that of the last Government," Mr. Robb replied.

Cost.

Replying to Sir Henry as to the cost of the census, Mr. Robb said that up until December 31, 1921, \$1,623,540.10 had been expended. Of this amount, \$97,143.58 had been spent for the bureau itself and the balance for the census.

"Barring unforeseen events, the census will be completed and brought down to the House before the end of the session."

### LLOYD GEORGE OPPOSED TO OIL PACT WITH RUSSIA

Genoa, May 3.—Premier Lloyd George was quoted last night as saying he knew nothing about the reported oil contracts between the Russian Soviet representatives here and the Shell interests, and if true, he would not approve of them.

### CALGARY CITY STREET RAILWAY MAKES PROFIT

Calgary, May 3.—The street railway department of the city of Calgary showed a profit of \$1,000 a month during the first three months of the year, according to figures announced to-day. Tickets sell at four for a quarter or eighteen for a dollar.

### SUPREME COURT LOSES A MEMBER

**Mr. Justice Clement Dies Suddenly**

Was Able Historian and Jurist

Vancouver, May 3.—Mr. Justice Clement of the Supreme Court of British Columbia, died suddenly here this morning. He sat in court yesterday.

Some years ago Mr. Justice Clement suffered a partial paralytic stroke, and a second one came this morning while he was dressing to attend court. It was accompanied by a hemorrhage of the brain and death was almost instantaneous.

The late Justice Clement was born in Vienna, Ontario, May 12, 1858. He was the son of Rev. Edwin and Mary C. (Pope) Clement. He was educated at the Toronto University, graduating B. A. and LL. B. In 1881 he won a gold medal at Osgoode Hall. He was called to the Bar in 1880 and practised at Toronto. He became legal adviser and member of the Yukon Council 1898-1900. He commenced practice in British Columbia in Grand Forks in 1901, and in 1905 was appointed Judge for Yale County. The following year he was elevated to the Supreme Court of British Columbia. He was an unsuccessful candidate for the House of Commons for West York in 1911 and for the British Columbia Legislature for Grand Forks in 1912. He was the author of "Law of the Canadian Constitution," which ran through several editions. His "History of Canada" was selected by a committee of the Provincial Government for use in public schools. In 1889 he married Elsie L. Main. Their son was killed in the war. Two daughters survive.

Mr. Justice Gregory, who is conducting court here now, when notified by the coroner's jury of Mr. Justice Clement's death, expressed his sincere regret at Mr. Justice Clement's sudden demise, paying a tribute to his splendid qualities.

### MEMBERS WELCOME NEW PASTOR TO-DAY; REV. A. K. McMINN

Members of the First Congregational Church went down to the Vancouver steamer this afternoon to welcome Rev. A. K. McMinn, the new pastor. Mr. McMinn has come to Victoria from Montreal, where he has done useful work for his church, during the period he completed his college graduation.

Mr. McMinn succeeds the Rev. W. D. Spence, who left for the East with Mrs. Spence on Monday, after a pastorate of three years' duration.

### DAIL EIREANN ORDERS A TRUCE

**Calls on Two Factions to Cease Firing**

Report Eighteen Men Killed in Kilkenny

Dublin, May 3.—On motion of Eamon de Valera, the Dail Eireann late to-day adopted a motion ordering the opposing sides in the "Irish Republican Army" conflict to cease firing immediately and arrange a truce.

Griffith pressed de Valera for a definite answer, and the latter said couriers should be sent to establish an immediate truce.

Griffith urged that de Valera should speak at the four Courts in Dublin, the headquarters of the dissident army faction.

Richard Mulcahy seconded de Valera's motion for the order to cease firing and arrange a truce and after its adoption the House at 4.30 adjourned until Friday.

De Valera said he would like to see the army executive, which had taken an independent position, issue a similar order and would do all he could to that end.

## Two Nations Want Better Terms With The Soviet Country

### French Government Decides to Support Belgian Ministry in Opposition to Plans For Private Property in Russia.

Paris, May 3.—The French Government has decided to stand by Belgium in her opposition to the terms of the Allies' memorandum to Russia on the private property question, it was officially announced after to-day's Cabinet meeting, attended by Vice-President Barthou, head of the French delegation at Genoa.

Paris, May 3.—Louis Barthou, head of the French delegation at the Genoa Conference, arrived in Paris at 10.30 o'clock this morning and went immediately to the Foreign Office to confer with Premier Poincare. He will attend a meeting of the Cabinet at 2 o'clock.

There was considerable agitation in political circles to-day resulting from the Premier's telegram to the French delegates at Genoa yesterday requesting that they ask the Allies to delay delivery of the Russian memorandum until the French Cabinet had been officially notified of its contents. The outcome of to-day's Cabinet meeting was awaited with keen interest.

## Cut in Estimates Means Fewer Men In Canadian Navy

Ottawa, May 3.—(Canadian Press)—A cut in the Canadian navy personnel was indicated here this morning when it was pointed out that the estimates of the Department of Naval Service were lower than those of last year by approximately \$1,000,000. Officials of the Department, however, would not comment on the morning dispatch from Halifax that naval men there were expecting a cut in the estimates.

Private Members' Days in the House of Commons are drawing to a close. The Prime Minister has given notice of his intention to move that on Wednesday, May 10, and Monday, May 15, and all subsequent Mondays and Wednesdays to the end of the session Government business have priority.

### ADD TWO MORE MILLS TO RATE

**Tax of 32 Mills on Land and Improvements Here**

Increase to Cover Last Year's Shortages

Victoria's tax rate this year will be thirty-two mills on land and improvements as a result of the City Council's determination to levy to cover last year's current deficit of \$75,000 and to insert in the annual budget a vote of \$100,000 for road work. Before the Council decided to levy to cover last year's shortages it was planned to fix the rate at thirty mills on land and improvements. The proposed increase of \$5,000 in the estimates, however, will raise this rate about two mills, it was explained by city finance officials to-day.

No formal decision to levy \$75,000 to make up last year's overdraft has been reached but leading aldermen, opposed on the whole taxation issue, have agreed to do this, following Dr. Adam Shortt's assertion that the previous year's deficiencies should be covered in current financing automatically.

### LAKE VESSEL WENT AGROUND; IS ABANDONED

Ogdensburg, N. Y., May 3.—The steamship Joyland, of the Canada Steamship Line, which went ashore near Clayton last week, has been abandoned here. Her cargo of corn has been lightered.

### PLENARY SESSION OF CONFERENCE

**Reports of Genoa Commissions Adopted**

Gratification Expressed by British Premier

Genoa, May 3.—The disarmament question bobbed up to-day at plenary session of the Genoa Conference.

Walter Rathenau, the German Foreign Minister, said the world's trade would be doubled before conditions could be bettered, but this could not be done while the nations were "jumping at each other's throats."

Foreign Minister Tschitcherine of Soviet Russia declared his plea for general disarmament, that only by a policy of peace could the nations balance their budgets.

He said Russia must insist upon disarmament and co-ordinate the disarmament Commission of the Conference, as it carried provisions concerning the League of Nations which Russia did not recognize. He added that Russia could not agree to renounce Government control over exchange operations.

Sir Laming Worthington-Evans, of Great Britain, presented the Financial Commission's report, which he termed as important to the world as was the Justinian Code. Stabilization of the purchasing power of gold could not be accomplished without American co-operation, he said.

The report, which was adopted, contains nineteen reservations, among which is a recommendation that the Bank of England call a meeting of the central banks of issue to regulate the flow of gold, which should be adopted as the standard for European currencies.

**Transport.**

The report of the Transport Commission was adopted and then the session was adjourned.

The report of the Transport Commission, which was presented by Foreign Minister Jaspars of Belgium, provides for the calling of a railway convention in Paris to discuss the improvement of European transportation. It urges the universal adoption of the Barcelona convention for railway regulation, agreed upon at a transportation conference of a year ago.

The disarmament question was not generally discussed, except by the Foreign Ministers of Russia and Germany.

The Russian question and other political subjects were not touched upon, but the necessity for American participation in any rehabilitation of Europe was repeatedly mentioned in the debate.

Pleased.

After the session, Premier Lloyd George declared the work of the two commissions as set forth in their reports adopted to-day represented a very material contribution toward the reconstruction of Europe. It was satisfactory to note, he remarked, the way in which all the powers had accepted, in such a rapid, businesslike fashion, the far-reaching resolutions of the two commissions.

### 1,000 SETTLERS COME WESTWARD

**Landed in Eastern Canada From Britain**

Some of Them Bound for This Province

Winnipeg, May 3.—During the next two days approximately 1,000 settlers for Western Canada will pass through Winnipeg. To-night 425 passengers from the steamships Montclair and Empress of Scotland will arrive here on special trains Thursday evening 182 settlers, also from the Montclair, will arrive, of whom 49 are for Manitoba, 41 for Saskatchewan, 18 for Alberta and 79 for British Columbia. Another party of 229 from the Metagama is due to-morrow morning, and a Salvation Army party is also on its way West.

### OKANAGAN PLAN CAUSES DOUBTS

**Ex-Officers Warn Young Officers in India**

Several Say Migration Might Be Mistake

London, May 3.—(Canadian Press Cable)—A letter from Victoria, B. C., signed by Vice-Admiral Pears, General Jocelyn Percy, Colonel Cecil, Colonel Simons, Colonel Gale, Captain Noble, Major Paget and Colonel Scott Moncrieff, appears in The Morning Post to-day with regard to the proposed visit of a representative of India to the Minister of Lands of British Columbia with a view to inducing young officers now being discharged from the army in India to take up lands in the Okanagan district. The signatories to the letter, while expressing the greatest confidence in the future of their country, declare that many men there are now accepting doles through lack of employment or failure in business. They say it is doubtful if the present is an auspicious time to add indiscriminately to those already existing on charity.

The letter to The Post refers to the heavy cost of the proposed journey to British Columbia, and suggests that brains should be pumped into the people on the spot before they under take the migration. The signatories add that the provincial system of education in British Columbia is not English, according to their lights.

### DEADWOOD GENE

While the new thirty-two mill rate on land and improvements is the highest levied in Victoria for many years, city officials do not expect that it will create any very large versions of land to the city. Most of the "deadwood" has been cut out of assessment now, they explain. That is, people who held large streets and so-called speculative purposes and who preferred to drop it rather than pay heavy taxes on it already have allowed the land to revert to the Corporation. People who now hold land are determined to continue their ownership, it is felt. For that reason it is hoped that tax collections this year, in spite of the high rate, will be more satisfactory than in 1921.

Dr. Shortt's statement that Victoria's financial position is not nearly so bad as he had expected to find has created new confidence among taxpayers, city officials declare. This year, they point out, will be the worst for the taxpayer as it is the policy of the Council to try to clean up some of its old indebtedness and start 1923 with a clean slate. Next year conditions will be easier, it is anticipated.

### GYROS READY FOR THREE-DAY MEET

**Seattle, Vancouver and New Westminster Members to Visit**

Full Programme for Meeting Planned

Gyros from Vancouver, Seattle and New Westminster will be here on Friday and Saturday for the three-day meet, which is to be held by the local Gyro Club.

The visitors will arrive here on Friday afternoon and will be taken for a drive around the city. That evening a dance will be held at the Cadboro Beach Hotel, and it is expected that it will prove one of the most brilliant of the Spring season.

The entertainment committee of the club, under George Pauline, has completed arrangements for the dance. The hotel has been converted into a fairy's paradise. Dancing will start at 9 o'clock, and continue until 11 o'clock. Dress will be optional. The supper is being given special attention.

On Saturday the Gyros will have a very busy day. There will be golf, basketball and baseball, with a banquet at the Empress Hotel in the evening.

At 3 o'clock in the morning the golf teams from the various clubs will stage a competition at the Colwood links, and at 11 o'clock the basketball teams will appear in a tournament.

On Sunday afternoon the visitors will be entertained to tea at the Brentwood Hotel. Dress will be optional. It is expected that the visiting delegation from the three cities will number over 100. Arrangements are being made for the executives of the various clubs to meet to consider many pertinent questions.

### LOS ANGELES CONSTABLE KILLS HOLDUP MAN

Los Angeles, May 3.—An unidentified alleged holdup man was shot and killed by Patrolman E. J. Hillman while the latter was walking his beat on Figueroa Street here early this morning, according to his report to police headquarters. Another man, who gave the name of Phil Boardman, said to have been an accomplice of the slain man, was taken into custody.

### FACTIONS FIGHT IN KILKENNY

Kilkenny, Ireland, May 3.—Sharp fighting with machine guns rattling in all directions, was in progress here to-day. Free State troops trying to recapture Ormeau Castle, still held by irregulars who yesterday were driven out of other places they had captured.

The castle is a strong fortress on the banks of the River Nore; and is considered impregnable except by artillery.

This morning, storming parties under command of Colonel Broude, of the Dail Eireann official forces, advanced on the castle by different routes, followed by an armored car. They were fired upon by snipers in the streets above and a Sarsfield corps, well directed fire being maintained against the castle from several angles.

### TARIFF FOR SOUTH AFRICA A NEW ISSUE

London, May 3.—(Canadian Press Cable)—A question of a protective tariff for South Africa, says a Reuter dispatch from Cape Town, is coming strongly to the front and is likely to carry some weight in view of the political differences in its wake, as both the South African and the Nationalist parties are divided on the question.

### TO KEEP ORDER IN MONTREAL

**Federal Aid If Longshoremen Unruly**

Strike Led to Wounding of Constables

Montreal, May 3.—(Canadian Press)—The aid of the Federal authorities will be asked by the Harbor Commissioners of Montreal if a renewal is threatened of rioting by striking longshoremen, who last night attacked the wharves in force and wounded a number of policemen. Rumors were current this morning that the uncontrolled section of the union strikers was contemplating an even larger raid than that of last night.

No arrests had been made up to noon to-day, the police pointing out that in the free-for-all that resulted during the raid, with both sides firing revolvers, it was difficult to take any particular man and hold him.

### NEW SOUTH WALES M.P.'S TO RECEIVE LOWER SALARIES

London, May 3.—(Canadian Press Cable)—The New South Wales Legislature yesterday reduced the salaries of the members of the Legislative Assembly from £375 to £300 per annum, despite Labor opposition to the measure, according to a Reuter dispatch from Sydney.

### TICKETS ALL SOLD

**Bellingham Excursion Proves Popular.**

Tickets for the Bellingham excursion, which will leave Victoria Friday morning, have all been sold. The C. P. R. office announces this means that Victoria will be well represented at the Tulip Festival.

A banquet will be tendered municipal representatives on Friday, and the excursionists will also witness the wonderful floral parade in which a feature will be the Victoria-Anacortes motor car ferry float. Several bands will entertain the visitors, and other attractions have been provided.

The Canadian Club of Bellingham will also entertain the visitors. The Police Band of Vancouver will take part in the opening ceremonies to-morrow. The festival will continue three days, May 4, 5 and 6.

### U. S. PROTEST AT GENOA NOW IS RUMORED

Genoa, May 3.—A report was circulated here to-day that the American State Department had instructed Richard Washburn Child, American Ambassador to Italy, to protest against the contents of Article 4 of the Economic Conference's memorandum to Russia as affecting American holders of property in Russia.

### AN AGREEMENT TO BE FULFILLED

**Borden Speaks of British Cattle Embargo Was Understood It Would Be Removed**

London, May 3.—The question of removal of the British embargo on the importation of Canadian cattle was now only a question of the redressing of a grievance by fulfilling an agreement, definitely made between two Governments, said Sir Robert Borden, former Prime Minister of Canada, in an interview with The London Times on the eve of his departure for Canada yesterday.

He said that at the Empire War Conference in April, 1917, he had been given to understand that a definite arrangement on the subject had been reached and that it was conceded that no valid reason for the maintenance of the embargo existed. He understood that the Minister of Agriculture had definitely arranged that the embargo would be lifted, although it was appreciated that effective action would have to be postponed until after the war, as no tonnage was available at the time.

No Difficulty.

Sir Robert added that under the circumstances, there ought to be no difficulty, and he was confident that the Governments of Canada and Great Britain would reach a wise and just conclusion for removal of the embargo.

### CANADA MEMBER OF CONSORTIUM TO SHARE IN NEW EUROPEAN TRADE

Genoa, May 3.—The proposed international corporation or consortium which the powers are organizing to help all distressed countries in Europe is now taking definite shape, the British delegation to the Economic Conference announced to-day. It has been strengthened, it was said, by the adoption of a number of smaller European states. Lord Inverforth, chairman of the organizing committee which has been developing the project, Genoa, has obtained subscriptions from Canada, Czechoslovakia, Holland, Japan, Norway, Sweden and Switzerland, each of which will contribute from £500,000 to £1,000,000.

The powers which initiated the consortium were Britain, France, Belgium, Italy and Germany, each contributing £4,000,000, making a total capital of £20,000,000, but the inclusion of other states will reduce the proportion of the big powers to £3,000,000.

In reply to questions to-day, a British spokesman said that if the United States came in later, the total capital would be increased beyond £20,000,000. All subscriptions must be ratified within thirty days and every country subscribing at least £500,000 will be represented on the board.

### LOCKOUT IN BRITAIN GROWS

**750,000 Engineering Workers Are Idle**

Inquiry Held by Industrial Court

London, May 3.—Three-quarters of a million workers in England's engineering industry are now locked out, some 600,000 being affected by to-day's lockout, caused by the dispute largely on the right of management in workshops.

In accordance with a recent announcement, the employers opened their shops for the employment of men wishing to resume work on the employers' terms, but reports to-day showed that very few had availed themselves of this opportunity.

Meanwhile, the official inquiry into the trouble was opened to-day by Sir William Mackenzie, president of the Industrial Court. The unions appealed to the employers assembled there to lift the lockout pending the outcome of the inquiry, but Sir Allan Smith, chairman of the management committee of the Engineering Employers' Federation, replied that the court had no jurisdiction in the matter.

### THUGS WRECKED BANK AND GOT AWAY WITH \$12,000

#### TOURISTS VISIT SOOKE HARBOR

(Times Correspondence)  
Sooke Harbor—We were attracted to Sooke Harbor by an account of the district we read in the Calgary Herald from the pen of a Mr. Walter a short time ago. Well written as that account was, we were surprised at the wonderful beauty of this place. We have enjoyed our week-end visit so much that we have decided to spend several months here this summer. Such was the statement made to the management of the Sooke Harbor Hotel by Mr. and Mrs. C. R. Stanley, who with their son came to see what Sooke Inlet was really like after reading the article referred to.  
Last week-end was one of the busiest ever experienced at this tourist resort and many were the cars parked in the spacious circle used for that purpose. Among the new arrivals were Dr. and Mrs. Dickson, of Hungerford, England; Miss D. E. McCausland, of Seattle; Miss Marlon Miller, of Seattle; Mr. A. T. Pope, of Victoria, and Mr. and Mrs. C. R. Stanley and son from Calgary.  
Miss Edith Pennycook, daughter of the late Col. John Pennycook, has come on a visit to Sooke, the guest of Mrs. W. Miller Higgs.

**Fishing.**  
The Sooke Harbor Fishing and Packing Company is busily engaged driving the piles for the traps to be put in this season. At least one trap is already completed and lifting operations have commenced. Local boatmen have had some good catches of cod in the Straits.  
Henry Laakkonen, a fisherman, of Lund, B.C., recently entered Sooke Harbor for the first time, having no idea that such a harbor existed along the coast. He was so attracted by the district and its possibilities as a fishing port, with its fine little cannery as a home market for the fish, that he has purchased five acres of waterfront near the entrance to the

Inlet, where he intends to make his home in the near future.  
R. S. Campbell, of Sooke River, who some little while ago came to Sooke from Los Angeles, has had some splendid catches in the river. He has made a careful study of the fish and their habits and seldom goes out without bringing home a good meal.

#### DOGS HUNTED GAME BIRDS AND HAD TO BE SHOT

(Times Correspondence)  
Nanaimo—Two dog owners were charged before Magistrate Beevor-Ford on the charge of allowing dogs to run at large and hunt game birds. One owner of a thorough-bred Gordon Setter was discharged, as he had his dog and the other owner was fined \$10 and costs. He afterwards gave permission for the animal to be destroyed.  
Deputy Game Warden Marshall, who laid the charges, pointed out that considerable damage was being done by dogs running at large. He stated that last week he had found a nest of blue grouse with a large number of eggs and had gone on Saturday on purpose to take photographs of the bird and nest, and found all the eggs smashed and the bird killed.

While this city was not successful in securing the highest honors in the Vancouver Dog Show Saturday, the city did have the honor of being the birthplace of the dog which was judged to be the "best" in the show, namely the English Setter bitch "Peg O' My Heart," owned by Frank Turner, of Victoria. Nanaimo dog fanciers, however, were very successful at the show, and it was stated by several judges, that this city contains the best dogs in British Columbia.

#### EVENT TO AID HEALTH WORK

(Times Correspondence)  
Metehosin—A concert and dance will be held at Luxton Hall on Friday under the auspices of the Colwood, Luxton and Happy Valley Women's Institute, in aid of the nurse's work in the district, particularly child welfare and the dental work in connection with it. The Griffin concert party, of Victoria, has been secured by the convener, Mrs. Stockand, for the concert programme, and there will be home-made candy on sale. Refreshments will be provided and the Colwood orchestra will play for the dancing.  
It will be a dramatic evening at the Sooke Hall, on Friday, May 5. In addition to a play presented by the Sooke Dramatic Society, a sketch will be given by Mr. and Mrs. Ned Ashe, of Albert Head, and musical items by Metehosin artists.  
The first dinghy race of the season will be sailed on Saturday next, May 6, at 3 o'clock. It is hoped that all members will turn up to give the racers a good start for 1922.

### OPPOSES SMALLER MILITIA FORCE

#### Burrard M.P. Against Proposals for Reduction

Ottawa, May 3.—(Canadian Press) Brigadier-General John A. Clark, Conservative member for Burrard, said in the Commons yesterday afternoon, that he had heard many arguments advanced in the House in favor of dispensing with or cutting down the militia defence force in Canada. He wished to discuss the question of the value of the militia to the country, by giving the House some information which he had been in a position to obtain.

Several arguments were generally advanced by the advocates of reduced defence forces. The first was that there was no country likely to attack Canada. The second was that Canada now had plenty of trained men who were ready to meet an emergency. Thirdly, it was stated the world was sick of war, and finally, that disputes in future would be settled by conference and not by force of arms.  
With regard to the first argument, General Clark reminded the House of the assurance by the Prime Minister of Great Britain before the recent war that war with Germany was out of the question. He referred to other wars which had broken out in the world in the last hundred years and stated that tremendous armies were mobilized by European nations.  
To each of the other arguments, the second argument was evidently put forward by those who believed that the men who fought the last war should be called upon again in the event of another war. The men who fought in the last war would be useful in teaching the younger generation the lessons learned in the last great struggle, but they could not or should not be expected to shoulder the actual fighting in the event of another war.  
As far as those who argued that they were sick of war was concerned, General Clark expressed the view that many of these had failed to do their duty in the last struggle. The great majority of returned soldiers would be found ready to do their part again if the honor of Canada was at stake.  
Finally, the best way to prevent war was to be reasonably prepared for war. He asked what force Premier Lloyd George would carry with him in conference with other nations if it were not well known that Great Britain was a great power.  
The forces that were lining up to oppose training in Canada consisted of those who were uninformed. He thought the Prime Minister was included in that class.  
Secondly, there were those who would profit by disruption in the country.  
Hon. Charles Martell, Liberal member for Bonaventure, here declared Gen. Clark was not in order, but was overruled by Speaker Lemieux.  
Continuing, Gen. Clark declared that a break of one year would do irreparable damage—officers and non-commissioned officers of the Canadian Corps had been persuaded by great pressure to remain with the militia, but many of them were leaving in disgust because they felt that the militia was not receiving sufficient support.  
Should war come there must be a nucleus of trained men in getting into shape.

**Caucous.**  
Gen. Clark added that he raised the question in view of the Liberal caucous a day hence.  
"As to the caucus," said Hon. George P. Graham, "I am afraid that my honorable friend cannot get in (laughter), and if he did, he might not want to stay. The Liberal Party is here to do what it thinks is in the interest of the country and it will emerge from all criticism with credit to itself and the nation. It is no matter what their individual views may be. I do not want to make any unkind remarks to my honorable friend or to my right reverend friend who was standing side by side with the men who did not want to do anything for the British Empire."

### CANADIANS AIDED BY EXPERIENCE

#### Commons Hears Canada-U.S. War Comparison

#### Striking Figures Given by Burrard Member

Ottawa, May 3.—White military defence was under discussion in the House of Commons yesterday afternoon Brigadier-General J. A. Clark, Conservative, Burrard, B.C., compared the work accomplished by the Canadian and United States forces in the last 100 days of the Great War to show how the Canadian forces had benefitted by actual war experience.  
The United States, said the general, entered the war nearly three years after Canada, and therefore United States troops were engaged for 27 days and Canadian troops for 100 days. United States battle casualties numbered approximately 450,000 and Canada's approximately 45,000 during the period. United States troops captured 16,000 prisoners and Canadian troops 35,500. United States troops captured 486 guns as compared with 523 by the Canadians, 2,864 machine guns as compared with 2,842 by the Canadians, 177 trench mortars as compared with 236. During the last 100 days, United States troops freed 610 square miles and Canadian troops 500 square miles. Americans advanced 34 miles as compared with 93 miles achieved by the Canadians. General Clark drew the comparison to show how the Canadian forces had learned from experience.

### EX-SERVICE MEN STILL NEED BRANCH OF GOVERNMENT

#### Ottawa, May 3.—A request for information as to when it might be found possible either to wipe out the Department of Soldiers' Civil Re-establishment or amalgamate with it some other government department was made by Hon. K. G. B. Gordon, former Minister of Militia, when the estimates of the Department were before the House yesterday afternoon.

Mr. Guthrie thought the work of the Department should have now dwindled to the stage where such amalgamation could be effected, and instanced the amalgamation of the naval service and militia. The Pension Board, he agreed, would have to go on for a long time, but vocational training was pretty well done.  
Hon. H. S. Beland, Minister of Soldiers' Civil Re-establishment, said it was impossible to give even an approximate time when such wiping away of the Department, or even amalgamation, could take place. Names of patients were disappearing very slowly from the lists, and some of them, such as mental cases, were likely to be in the care of the Department some time to come.  
Several items were passed without discussion.

### \$120,000 FOR RESEARCH WORK

#### Commons Provides for Council for Industrial Research

Ottawa, May 3.—On a vote of \$120,000 for the Honorary Advisory Council for Industrial Research, Hon. H. H. Stevens asked in the House last night if it was the intention of the Government to bring in a bill for the establishment of a bureau of standards. The work already performed by the Council indicated the need for the establishment of this bureau, he said.  
Hon. J. A. Robb, Minister of Trade and Commerce, replied that the Government proposed to carry on the work of the Council along the lines laid down, but that it did not intend to bring in a bill such as suggested by Mr. Stevens.  
Estimates of the Department of Customs and Excise totalling \$5,474,304 were carried without discussion.

### COMOX M.P. TALKED AGAINST CLOCK AND WON

Ottawa, May 3.—An amused House watched last night while A. W. Neil, Independent member for Comox-Alberni, talked against the clock—and won. Again and again Mr. Neil had fought against the Esquimalt & Nanaimo Railway Bill, and again and again he had lost. Last night, in the sixty minutes for private bills, he renewed his fight. He moved that the railway extension should be commenced within one year, instead of two years, as in the bill. The "Louse," which was in committee of the whole at the time, divided on an even break of seventy on either side. The division was across party lines, the Progressives who supported the amendment, and the accompanying musical numbers given by the Comox-Alberni M.P. were heartily applauded.  
Deputy Speaker Gordon gave his casting vote against the amendment, and it was lost.  
Mr. Neil returned to the charge with a second amendment. He wished to have the bill so amended that the company would be required to finish the proposed line within three years instead of five, as provided in the bill. This amendment the chairman declared lost.  
Mr. Neil moved that the chairman should leave the chair. This would have had the effect of killing the bill.

DR. SHORTT'S SUGGESTIONS

Taxation of improvements and a levy to cover last year's overdraft are two of Dr. Adam Shortt's interim recommendations that the City Council has decided to adopt forthwith.

Two further suggestions made by Dr. Shortt are those which countenance the extension of the period in which arrears may be paid from ten to fifteen years, and the imposition of a municipal income tax.

MR. MANSON'S PLAN

In view of the fact that the Liquor Control Act is experimental legislation at the best every fair-minded individual will agree that its operation has been successful in a general sense.

Prior to the assembling of the Legislature and long before the present Act had been prepared we took occasion to point out that the whole question should be lifted completely clear of party atmosphere through the medium of conferences at which every shade of political and public thought might be represented.

Judged by the tenor of his public statement issued yesterday the newly-appointed first law officer is fully alive to the difficulties of the task which confronts him.

The hands of a Board that would interpret its duty as an obligation to carry out the instructions of the people upon a principle dictated by business from start to finish. No Government should be linked with liquor selling.

The authorities across the Bay can turn this thing over to the Board and instruct it to conform to the terms of the plebiscite. It need have no more active association with its functions than it does with the operations of the Workmen's Compensation Act.

COMMUNISM IN PARIS

Parisian Communists have been in the habit of taking themselves seriously ever since they began to emulate the gentlemen who are responsible for such government as Russia possesses.

THE DEFEATED BILL

One of the reasons, and no doubt the chief reason, why the British Columbia Electric Railway Company desired to be taken under the wing of the Board of Railway Commissioners was due to the fact that its relations with the various municipalities in this Province are just about as unsatisfactory as they could be.

The rejection of the company's application yesterday is a matter of small importance now that the Government of this Province has given notice of its intention to revive the Public Utilities Commission in some form which should assist the street railway concern to accomplish the purpose it had hoped to achieve under the jurisdiction of the Railway Board.

It is much more to the point that this particular utility should be subject to a controlling body that is familiar with local conditions. The Railway Board could not hope to serve either the people or the company as both have a right to be served.

STICKING TO HIM

Even if the Conservative sentiment in his own constituency is not as warm as might have been expected towards its own chief, the Central Executive Committee of the Opposition forces in this City is by no means in the mood to adopt the Kamloops demand for Mr. Bowser's political headpiece.

place for him to meet his critics and abide by their decision is at the Convention that will be held a few weeks hence. But the whole agitation is a display of bad taste on the part of some of the Conservatives who seem to forget that their leader has displayed a brand of energy and industry that would be difficult to discover in a successor.

NOTE AND COMMENT

Valera's rebels are reported to be almost at the end of their tether. But what will be the favorite occupation in Ireland when fighting ceases to be the popular pastime?

The Principal of a Mainland school would undertake an aggressive campaign for the Canadianizing of foreigners who settle and make good in this country, but whose inclinations and sympathies remain rooted to their own land even after they have become naturalized.

### S. S. TYNDAREUS IN PORT FROM ORIENT

Capt. Wilson Will Leave Ship This Trip and Return to England

Will Be Succeeded by Capt. Madgwick, Well-known in Pacific Trade

Capt. G. Madgwick, well known in the North Pacific service of the Blue Funnel Line, will be the commander of the liner Tyndareus when she puts to sea on her next outward voyage to the Far East.

The Tyndareus arrived in port this morning from Hongkong and Yokohama, completing a fast run across the Pacific. Capt. C. A. Wilson, her master, is leaving his command this trip at Seattle, having served a year on the Pacific, and will return to Liverpool to take over another ship. He will be succeeded on the Tyndareus by Capt. Madgwick.

**Official on Board.**  
The Tyndareus brought five cabin passengers, all of whom disembarked here, and 293 steerage passengers.

J. Johnson, superintendent engineer with the Alfred Holt Company, who has been on a tour of inspection of the company's interests in the Orient, was a passenger by the Tyndareus.

Capt. Wilson reported good weather and the ship was able to make good time under favorable conditions. After disembarking passengers and landing freights and mails here the Tyndareus left at 11.30 a.m. for Seattle.

### COMMODORE MADE LONG PASSAGE

Sailer Reaches San Francisco 129 Days Out From Newcastle, N.S.W.

Seattle, May 2.—Considerable satisfaction was expressed in marine circles here when news was received of the arrival of the schooner Commodore, a Seattle-built ship, in San Francisco, after having been out 129 days from Newcastle, Australia.

The steamship Kentuckian in the European service of the United American Line is due here Thursday. A big cargo awaits her here.

The Royal Mail Steam Packet Company has authorized Colonel E. J. M. Nash, Pacific Coast manager of the company, to open a passenger department in San Francisco, which will be under the supervision of the Seattle office. The new department in San Francisco will be located in the Flatiron Building at Sutter and Market Streets.

The steamship Victoria arrived here yesterday from Seward and way points.

The steamship Mongolian Prince of the Empress-Princess Line, managed here by Frank Waterhouse, sailed for Moili and Far Eastern points yesterday via Tacoma.

The freighter Edmore sailed for Gray's Harbor yesterday to load for the Far East.

The steamship Admiral Evans, after a year on the California-Portland run, sailed last night for Alaskan ports under command of Captain Charles MacGregor.

### SHIDZUOKA COMING HERE FROM JAPAN

N.Y.K. Liner Formerly in This Service; Returning; Expected May 12

S. S. Shidzuoka Maru, for many years a regular visitor to this port, is again on her way to North Pacific ports, having sailed from Yokohama, April 26, for Victoria and Seattle.

Word of the departure of the Shidzuoka Maru from Japan was received today by W. R. Dale, local agent for the Great Northern Railway.

The Shidzuoka has one hundred passengers, made up of 11 steerage for Victoria and 36 first cabin and 52 steerage for Seattle. It is scheduled to arrive here on May 12.

Before the advent of the big passenger ships—of the Pushimi Maru class, the Shidzuoka Maru was regularly engaged in the North Pacific service, operating in conjunction with the Yokohama Maru, Inaba Maru,

**Byo Maru to Sail.**

The N. Y. K. liner Byo Maru is expected to sail from Seattle, about 6 o'clock (standard time) tonight for ports of the Orient. She will have among her passengers Mr. Watanabe, retiring Seattle manager for the company, who is returning to Japan, having been succeeded at Seattle by Tamie Ichizawa.

Mr. Watanabe was the guest of honor at a luncheon given here on Monday night by the foreign trade bureau of the Seattle Chamber of Commerce.

#### MONTEAGLE'S CREW IS RECOGNIZED BY FRANCE FOR RESCUE

London, May 2.—The British Board of Trade has received eight silver medals and two bronze medals with diplomas which were awarded by President Millerand of France to certain members of the crew of the C. P. S. S. steamship Monteaigle, in recognition of the service they rendered to the crew of the French steamship Hsin Tien, which was wrecked on April 8, 1921. The medals and diplomas will be forwarded.

The liner Monteaigle sailed from Shanghai April 24 en route to Victoria and Vancouver via Kobe and Yokohama. The French medals will be presented following the arrival of the ship on this coast.

Capt. A. J. Hosken, who was master of the liner Empress of Russia, due here on Monday.

Medals allocated to the Monteaigle's men in recognition of the rescue work, were presented by Lieutenant-Governor W. C. Nichol, some weeks ago at Vancouver.

#### WATERFRONT AT MONTREAL LIKE AN ARMED CAMP

##### Two Policemen Wounded in Clash With Striking Longshoremen

Montreal, May 2.—Reports from the hospitals early today state that the two policemen seriously wounded in last night's clash between striking longshoremen and guards in the harbor front here still in a critical condition. This morning the harbor front looked like an armed camp, heavy guards of police being stationed at all the sheds.

Chief Belanger is taking no chances of a recurrence of last night's events, when reinforcements saved the situation, and has emergency police in reserve for a moment's call to action.

On the ships unloading operations are proceeding as usual today. Non-union workmen turned up this morning for work and knots of unemployed non-union men awaiting a chance for work clustered at various points along the docks, indicating that the men were not being frightened away by the demonstration last night.

At the offices of the Harbor Commission this morning it was stated that no damage to property had resulted from the riots.

**First Clash.**

The first clash occurred last week when longshoremen threatened men who were unloading the steamship Blister, and forced them to cease work. Since then the docks have been strongly patrolled by constables, and there was no sign of further trouble until last night.

Yesterday, six ships came into port, rendering urgent the work of unloading, and this, has led to the clash.

The police state that following a meeting of the Longshoremen's Union convention, the men proceeded to Shed No. 8 near the Bonsecours Market. The harbor police, on sighting the men, who were in considerable numbers, called upon the city force for aid, and eight patrol wagons were rushed to the wharf. It was on alighting from these patrol wagons that the two constables were shot.

Immediately afterwards, and following shots from the harbor and city police, the crowd broke and fled, and with the exception of one colored man who was clubbed by the police, and is now in hospital, it is not thought that any were wounded.

Charles Bujold, secretary of the Longshoremen's Union, interviewed in connection with the affair, disclaimed all responsibility on the part of his organization. He declared that no orders had been sent to the men to proceed to the wharf, and that the shooting was not the work of members of the union.

### Empress of Canada To Leave Falmouth Friday For Coast

New Addition to Canadian Pacific Fleet Has Completed Satisfactory Trials; Will Arrive at Hongkong June 1 and Cross Pacific to This Port.

On her maiden voyage to this port the Canadian Pacific liner Empress of Canada, Commander A. J. Hailey, R. N. R., will sail from Falmouth, Eng., on Friday, May 5, to enter the trans-Pacific trade. Information to this effect was received at noon today by L. D. Chetham, local passenger agent, Canadian Pacific Railway.

The Empress of Canada, the information states, has arrived at Falmouth yesterday after completing most satisfactory full speed and sea trials. The new speed queen designed for the trans-Pacific service will leave Falmouth on Friday for Hongkong, steaming via the Mediterranean and Suez.

Due Hongkong June 1.

bound trans-Atlantic passenger service from the port of Montreal.

#### ADMIRAL LINER HAS GOOD LIST FOR THIS PORT

SS. Bay State Will Disembark Here Five First-class and Seventy-four Steerage

Carrying five first class passengers and seventy-four steerage passengers for Victoria, the Admiral liner Bay State sailed from Yokohama at noon last Saturday for this port and Seattle, according to details received in a cablegram to-day by Wm. M. Allan, local agent for the Pacific Steamship Company. It is believed that Mr. and Mrs. R. P. Butchart, of Victoria, who have been touring the Orient, are passengers returning by the Admiral boat.

The Bay State has aboard 130 passengers in the saloon and 293 Asiatics in the steerage.

She has 1,000 bags of mail, including 32 bags for Victoria.

Her total cargo amounts to 4,000 tons, including 120 tons for discharge at this port.

The Bay State is expected to arrive in port early next Tuesday.

**Sailed With Empress.**  
The Admiral steamship sailed from Yokohama about the same time as the Canadian Pacific liner Empress of Russia, which is due at this port on Monday morning.

Although the steaming time of both vessels will be of considerable interest to the shipping world, it is not anticipated that there will be anything in any way of a speed contest between the two vessels, as the commanders of the Canadian Pacific and Admiral Line ships have been instructed, it is reported, to eliminate any attempts at record breaking. In any event the Empress of Russia will make a port a day ahead of the Bay State.

#### MEN CLUNG TO TOP OF CABIN

Master and Crew of Schooner Josephine Rescued After Masts Carried Away

Jacksonville, Fla., May 2.—Captain George McDonald and the crew of eight members of the schooner Josephine were brought here today after being rescued Saturday by the schooner Camelia May Fair, seven-five miles northeast of Charleston, S.C. The foremast of the Josephine went by the board in a Franco and was carried away by the top of the cabin, the only part of the craft not submerged, until sighted by the Camelia May Fair. After considerable manoeuvring McDonald and his crew put off in boats to the rescuing craft.

The Josephine, a craft of 842 tons, was bound from Jacksonville for New York with lumber. McDonald's home is in Somerville, Mass.

#### CAPE ORTEGAL IS TAKEN FOR WHEAT LOADS ON COLUMBIA

Portland, May 3.—The British steamship Cape Ortegal has been chartered to load a cargo of wheat here, according to a report on the waterfront. The vessel is now en route from Honolulu to Osaka and will come here from the Japanese port. The name of her charterer was not given. Another vessel coming here for grain is the Largo Lear, which has just arrived at Limerick. She will load a return cargo here, and will load grain after arrival here.

#### THREE JAPANESE SHIPS CHARTERED BY DOLLAR LINE

San Francisco, May 2.—The steamship Hakushika Maru has been chartered for lumber from Gray's Harbor and Puget Sound to Japan and the Kureha Maru and the Somenodo Maru for lumber from Puget Sound to Japan, all by the Dollar Line Company. Although the charters were closed at private terms, it is said the rate does not exceed \$8.50 a thousand feet.

#### FRENCH VISES NO LONGER NECESSARY ON LEAVING CANADA

Reciprocity Agreement Affects British and Other Nationals

Under a reciprocity agreement, according to advices received by the Canadian Pacific Railway, French visas for persons entering France are no longer necessary for citizens of Great Britain, Switzerland, Belgium, Holland, Luxembourg, Siam, Costa Rica, Cuba, Honduras, Cuba, Uruguay, Salvador and Ecuador.

The term "citizens of Great Britain" applies to all British subjects, whether of English birth or from overseas dominions and colonies, holding British passports.

No visa nor passport is required by French citizens if they are bearers of identity card with photographs.

Citizens of all other countries than those named must have their passports issued by a French consular officer before departure from Canada.

It is also announced that Belgian visas on passports is no longer necessary, as it can now be obtained on arrival in Antwerp by passengers sailing direct from Canada en route to any country beyond Belgium.

#### FAILED TO SURVIVE OPERATION AT SEA

A cable from England to the Canadian Pacific announces the sudden death of Captain Henry Leonard Waite, commander of the S.S. Melita. Captain Waite became ill after the Melita left St. John, N.B. He was operated on for appendicitis on Thursday and died on Saturday.

Captain Waite was born in October, 1872. He joined the service of the Canadian Pacific in 1904. He was well known to the many Canadians who traveled on the Empress of Britain, Empress of Victoria, Empress of France and Empress of Canada. Captain Waite commanded the Empress of Victoria recently when he assumed command of the Melita.

## JUDICIAL COURTS TO SETTLE INTERNATIONAL ISSUES

**Dr. Bissett, of Seattle, Advances Suggestions for Avoidance of Wars**

The establishment of international tribunals where competent judges would pass on the rights of countries in the same way that courts of justice now adjudicate upon the rights of individuals was advanced as the most logical method of preventing future wars by Dr. Bissett, Professor of Law at the University of Washington, in the course of an academic and interesting address before the Women's Canadian Club yesterday afternoon.

Character, Not Force.

Ultimately the basis of human relations will rest upon character, not force, and nations will conduct themselves so that others will beware of them and respect them, he said. The world had undergone a transition since the days when invasion into an enemy country was really a form of "personally-conducted" tours, with visits to the chief points of interest, where invasions were looked upon as a form of sport and accompanied by comparatively little bloodshed. Today warfare was a complicated mechanism in which man seldom had the opportunity of seeing eye to eye with the enemy, and the very mechanism was throttling war, claimed Dr. Bissett.

**Causes of War.**

The causes of war he ascribed to real differences between nations as to respecting rights, matters of policy, or to bitter feelings or race antagonism. The first two causes could be dealt with by logical and logical means, but the third cause, he claimed.

In elaborating on his suggestion for judicial tribunals, Dr. Bissett enumerated some of the difficulties attending arbitration by an international tribunal as had been advocated in the League of Nations. One of the greatest difficulties was that in the minds of a nation as to the possibility of obtaining an impartial decision. Another difficulty was that international law was somewhat vague and capable of many interpretations, and it was always questionable as to the angle from which the tribunal would approach the issue at stake.

Mrs. F. E. Pemberton is kindly entertained at the home of Mrs. "Mouney" to-morrow afternoon for a daffodil tea in aid of the Church Debt fund of St. Matthias Mission, Fowl Bay. Tea will be served in a caterer's style. Weather permitting, the affair should draw a large crowd as the gardens are very lovely with daffodils, polyanthus and a profusion of Spring flowers.

A marriage has been arranged to take place shortly between Captain the Hon. Arthur J. Howard, younger son of Lady Strathcona, and Mount Royal and the late Dr. Howard, F. R. C. S., and Lorna, second daughter of the Right Hon. Stanley Baldwin, M. P., and Mrs. Baldwin. The Hon. Arthur Howard spent some time in Canada last year, touring the West with Lady Strathcona. He is a brother of Lady Constance of McTavish Street, Montreal, and a nephew of Mrs. C. Howard, recently resident in Vancouver, and sister of Mrs. F. W. Peters and Mrs. Langford of Vancouver.

**Empire Ball Plans Discussed**  
**I. O. D. E. Committee in Session To-day**

Preliminary plans for the gala Empire Day ball to be held under the auspices of the I. O. D. E. with the band of H. M. Scots Guards furnishing the music for dancing, were discussed at a meeting of the ball committee held in the I. O. D. E. headquarters this morning. Lady Barnard presided and the members present included Mrs. Curtis Sampson, Mrs. Lamson, secretary; Mrs. L. G. Garrett, Mrs. Dugald Gillespie, Mrs. Chas. E. Wilson, Mrs. C. E. Thomas, Mrs. J. A. Riber, Mrs. J. D. Hunter, Mrs. J. L. Lennox, Mrs. Riza Green, Mrs. E. Codville, Mrs. H. F. Crowe, Mrs. W. O. Brentzen, Mrs. B. P. Hodges, Mrs. Lampman, Mrs. B. S. Heisterman, Mrs. Nixon, Mrs. Anderson and Miss Pooley.

The ball is to be held in the Armories, Bay Street, on the evening of May 23, and will be in the nature of a gala finale to the two days' visit of the band.

The various committees struck were as follows: Reception committee, the regent and officers of the Municipal Chapter; treasurer, Mrs. Lamson; secretary, Mrs. "Genge" tickets, Mrs. Gailher, Mrs. Wilson, Mrs. Crowe; supper, Mrs. J. A. Riber, Mrs. Thomas, Mrs. Garrett, Mrs. Hunter, Mrs. Lennox, Mrs. F. C. O'Brien, Mrs. B. S. Heisterman, Mrs. R. Green, Mrs. D. Macdonald, Mrs. D. Gillespie, Mrs. Codville, Mrs. Nixon and Mrs. Anderson; publicity, Mrs. Breiten, Mrs. Hodges; advertising, Miss Pooley.

The tickets for sale for the ball will be available to members of the committee at Fletcher's Music Store in a few days' time. The headquarters for the sale of tickets to the public will be announced shortly.

The ball committee will meet again at I. O. D. E. headquarters on Wednesday next at 11 o'clock.

## CONZALES CHAPTER DIVERTS "COT FUND" TO NEW UNDERTAKING

Under the auspices of Gonzales Chapter, I. O. D. E., a flower show will be held on June 23 and 25 and preliminary arrangements for the event were made at yesterday's regular meeting of the Chapter, held in the headquarters. A special meeting of the committee in charge of the affair will be held on Tuesday next at 2.30 p.m.

The members decided to donate \$2 monthly to the Girl Guides and voted \$2.50 for the annual allowance for the maintenance of soldiers' graves. Mrs. E. G. Lamson was appointed to represent the Chapter on the Maternity Bags Committee under the convener-ship of Mrs. Southbrook Young. It was decided that the original "cot fund" of the Chapter should be diverted to the furnishing and maintenance of the soldiers' graves in the Jubilee Hospital, this to be the Chapter's main undertaking for the year.

An excellent report of the proceedings at the Provincial annual meeting was given by the delegate, and a brief report was also given of the progress made by the committee in charge of the plans for the Scots Guards concerts. Two new members were elected to the roster.

## V.O. NURSES FOUND APRIL BUSY MONTH

**Urgent Appeal for Clothing for Infants and One-Year-Olds**

Mrs. Ross Sutherland presided at the monthly meeting of the Victoria Order of Nurses, held at 1145 Rockland Avenue, yesterday afternoon. The report given by Miss Corbett, the head-nurse, showed that 124 cases had been dealt with in April, with \$22 visits paid, 213 child welfare visits, 75 pre-natal and 70 social service, 363 free visits and 136 for the Metropolitan Insurance Company.

The mothers' meetings held every Thursday from 2 until 4 p.m. are proving a success, members of the committee taking charge of the proceedings. An urgent appeal was made for babies' clothing and for children about a year old, for cases of dire necessity.

Arrangements were made for the annual tag day to be held on June 3, and members were reminded of the bridge tea being held this afternoon at the home of Mrs. (Douglas) Wilson, in aid of the V. O. N. funds.

Donations were gratefully acknowledged as follows: Secretarial services, Mrs. Goff; nightgowns, St. Andrew's Y. W. M. ## LADY BARNARD WAS HOSTESS TO CHAPTER

**Lady Alderson Chapter Combined Business and Pleasure Yesterday**

The Lady Alderson Chapter met by the kind invitation of Lady Barnard at her home yesterday, when the regular business of the chapter was conducted. The first part of the afternoon and included the routine work and the report of the chapter's delegate to the Provincial annual meeting. Several out-of-town members were present. Miss Thompson was elected as a new member. The treasurer reported on the bank.

Mrs. Gars, Mrs. Anderson were appointed to the Ball Committee, and Mrs. Wallace Grime to the Concert Committee of the Scots Guards Band. The chapter endorsed a resolution from Provincial meeting to support the Mary R. Godehard fund, and as a beginning voted \$10 a year. Mrs. Pierpont reported on the National annual chapter meeting. The chapter was reminded of the following dates: May 18, Florence, the next chapter garden party at Hatley Park; May 23, Camosun card party at Mrs. Goulding Wilson's home; May 23, National Hospital Day; June 22, Alexandra Rose Day under Municipal Chapter.

The June meeting of the chapter will be advertised as the regular day is expected to be occupied entertaining the National visiting chapters. After the meeting, Lady Barnard presented to Mrs. H. G. Garrett, treasurer, on behalf of the chapter, a life membership in grateful recognition of three years' loyal and faithful service.

The rest of the afternoon was spent in strolling about the beautiful grounds, lovingly in their Spring radiance, and being entertained charmingly at tea by Lady Barnard. Mrs. Henry Croft, Mrs. Curtis Sampson, Mrs. David Miller were entertained at a dinner under the auspices of the British Columbia branch of the University of Toronto Alumni Association, at the Hotel Vancouver on Friday evening. Mrs. Thomson may obtain tickets for their wives or husbands from their college or faculty representatives on the branch executive committee, or from any member of the dinner committee, as follows: Dr. Wallace Wilson, chairman; Miss M. ## DOMINION AMUSEMENTS TO-DAY

Genuine bits of the London Limehouse district are seen in the early scenes of "Three Live Ghosts," a new Paramount picture which will be shown at the Dominion Theatre all this week. To those Americans who only know this quarter of London as it lives in the pages of Thomas Burke's stories, it will be interesting to see Limehouse as it really is. The celebrated Chinese quartet, which most tourists seem to imagine vaguely as a vast uncharted district of darkest London in reality only comprises the two thoroughfares of Limehouse Causeway and Pennyfields. One sees no dreamy looking Chinaman or flower-like girls, but only a number of yellow men in European clothes engaged in perfectly legitimate business. Possibly Mr. Burke, the films, and the American tourists who visit Limehouse in the expectation of seeing life as it is lived in the underworld, have unconsciously conspired in a successful effort to make London's Chinatown respectable—at least to the naked eye. And thus they will see it in "Three Live Ghosts"—as it really is.

**ROYAL VICTORIA**  
If genius is a capacity for taking pains, Penrod Schofield was it. He had an elaborate contraption rigged up with a buzzer under one of the steps leading to the second floor so that any one ascending the stairs raised the alarm. It was a convenient precaution because Penrod had a weakness for western thrillers and detective yarns of which the elder Mr. Schofield did not approve. Penrod read them after he had "hopped into bed." The approach of an intruder upon his privacy was always presaged by the buzzer, with the result that Penrod was always discovered reading a text book. Until one evening he forgot. But Marshall Neilan tells the incident in his screen version of Booth Tarkington's inimitable creation, "Penrod," the first National attraction which is playing at the Royal Victoria Theatre. Freckles Barry, who has the title role, has been proclaimed as the life image of the Indiana author's famous character.

**VARIETY**

## DAUGHTER WAS WEAK AND NERVOUS

**Mother Gave Her Lydia E. Pinkham's Vegetable Compound with Happy Results**  
Cobourg, Ontario.—"Lydia E. Pinkham's Vegetable Compound" was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound and attend school regularly. "Mrs. John Toka, Ball St., Cobourg, Ontario.

Every mother who has a daughter suffering from such symptoms should give Lydia E. Pinkham's Vegetable Compound a trial. It is prepared from roots and herbs, and can be taken in safety by young and old. It has been used nearly fifty years, and many women owe their good health today to Lydia E. Pinkham's Vegetable Compound.

## PRINCESS

The stock company at the Princess will present an old favorite tonight when "Charley's Aunt" is given. This comedy has been written by the popular author of "Charley's Aunt" and many an author of to-day can thank "Charley's Aunt" for its royalties. It seems to be able to choose plays that have a popular appeal, as almost all lovers of the spoken drama have a fondness for the very funny role of attraction. Jack Phipps should give a capital performance of "Babs" as his work in the "Three Live Ghosts" has evidenced his ability along this line. Earl Moore and Harry Leland will play the other two college youths. Arthur Elton has been selected for the very funny role of Spettigue, and as he has played it before to success, he should prove a delight. The other members of the company all have congenial roles. A special matinee will be given on Saturday. Reservations for seats can now be made.

## CAPITOL

A great, fat, jolly moon that follows stage directions perfectly but doesn't draw any salary is one of the quaintest of actors in "Beauty's Worth," a Capitol picture. The Paramount picture, starring Marion Davies, "Beauty's Worth," directed by Robert G. Vignola, and now at the Capitol Theatre. The moon's appearance is in the first act of a charade performance given at a fashionable seaside hotel. He plays in the first episode in which Colonel (Marion Davies) comes with Harlequin. Mister Moon rises slowly, and as the two characters go through their love scene, he winks his eye, at the audience and purses his lips as if to say: "We know—you and I—we're on!"  
The settings in this interesting picture are the work of Joseph Urban. The story was written by Sophie Kerr and was adapted to the screen by Luther Reed.  
A cast of notable players admirably assisted Miss Davies. It includes: Forrest Stanley, June Elvidge, Truly Shattuck, Hallam Cooley, Antrim Short, Thomas Jefferson and John and Gordon Doolley.

## INDIAN RACES TO FEATURE EMPIRE DAY REGATTA HERE

Big Programme for Celebration May 24

Arrangements for a big regatta at the Gorge to form the leading feature of the Empire Day celebration here were made at a meeting of the regatta committee in the City Council Chamber last night, David Spencer presiding. Indian war canoe races will be one of the big items on the long programme planned. It was announced. Chief Roberts has promised the regatta committee that eight Indian tribes will compete, each with two war canoes of eleven paddles. The tribes represented in the races will be Valdez, Kuper Island, Malahat, South Saanich, West Coast, West Saanich, Cowichan and Westholme.

Invitations have been sent out by the committee to several American warships asking them to anchor in Esquimalt during the holiday. If this invitation is accepted, American sailors will compete with the local naval men in a number of competitions. An effort also is being made to bring B. C. University rowers over from Vancouver, and oarsmen from Seattle to compete with the J. B. A. rowers.  
A long programme of swimming and canoe races is planned. A number of novelty attractions also will be staged. High diving will be a feature of these competitions. The events will start at the Gorge at two o'clock, the barge with officials located near the City Park and the public bath house. A military band will play during the regatta.

## APPLY B. C. METHODS TO CUT WASTES IN INDIAN FORESTS

**Former B. C. Official Here to Secure Equipment for Punjab Mill**  
Applying British Columbia methods of logging to the forests of North Western India is the profession of J. Lafon, of Lahore, Punjab, who spent two days in Victoria this week. He left yesterday afternoon for the route to Kentucky to join his family.

Mr. Lafon was formerly in the British Columbia Forest Service and left in 1917 to go to India. For three years, he told The Times yesterday, he was Government Forest Engineer for the Indian Government, and his experience took him all over the timber bearing portion of the Great Peninsula, from the teak forests of Burma to the spruce belts of the Himalayas.  
Last Fall his work concluded with the Central Government, and he is now engaged in an appointment for two years for the Punjab Government. It is proposed to apply modern methods to lumbering of soft woods in the Northern portion of the Province. Mr. Lafon has come to America to purchase machinery, which will be shipped from United States and Canada. The present situation of a tributary of the Indus. The logs will be handled as similarly as circumstances permit to the method adopted on this side, and the timber disposed of in Punjab.  
There is a great demand for lumber here, particularly that which will resist the ravages of the white ants, and so teak and deodar are particularly in demand. There is a heavy cut of cross-cut ties for railway work, and in fact for all classes of lumber. A forward consignment policy is carried on with the purpose of developing the natural lumber resources in the Himalayas, the Western Ghats, and Burma.  
Mr. Lafon stated that the character of the Indian forest greatly fluctuates with the extent of precipitation in the area where the timber was located. On the whole, however, the forest, which is mostly in the shape of a hill, and the operations could be carried on more effectively, he said.  
British Canadians who took Western forestry methods into the Old Country during the war will be interested to hear from Mr. Lafon that it will not be long before the forest of the Himalayas there will be a sawmill town very similar to many in this Province, equipped throughout with up-to-date machinery.  
Mr. Lafon will proceed to India in June.

**RHEUMATISM IS GONE AND NOW SHE FEELS FINE**  
Vancouver Business Woman Says She Tells Everybody How Tanlac Restored Her to the Most Perfect Health  
"I never dreamed a medicine could do so much for anyone in so short a time," is the statement of Mrs. Florence Swires, 40 Hastings Street, East Vancouver, B. C.  
"About a year ago my stomach commenced giving me trouble, and after this I had an operation, and I never could get back to my former strength. What little I ate soured on my stomach, and bloated me until my heart palpitated frightfully. Then I began having rheumatic pains in my left side and hip, and became so nervous I could not sleep.  
"I'm certainly glad I took Tanlac. It helped me from the start, and I am in the best of health now. Tanlac gets the credit. I never fail to tell everybody about it."  
Tanlac is sold by all good druggists.

## HEARTBURN A SEVERE CASE

Many people are troubled with heartburn who really do not realize just what it is.  
In cases of this trouble there is a gnawing and burning pain in the stomach attended by disturbed appetite and loss of weight, caused by great acidity of the stomach, and whenever too much food is taken, it is liable to ferment, and becomes extremely sour, causing heartburn. In such cases vomiting often occurs and what is thrown up is sour and sometimes bitter.  
The one way to get rid of heartburn is to keep your liver active by using MILBURN'S LAXA-LIVER PILLS and you will have no heartburn or other liver troubles such as constipation, jaundice, water brash, floating specks before the eyes, coated tongue, foul breath, etc.  
Miss Agnes Curving, Shaw Lake, Ont., writes: "I have had heartburn for a long time. There were gnawing and burning pains in my stomach, and then when I vomited there was a sour and bitter taste. I used two vials of Milburn's Laxa-Liver Pills, and they have cleared me of my heartburn. I don't think they can be truly said by any other medicine."  
Price, 25c. a vial at all dealers, or mailed direct on receipt of price by The F. Milburn Co., Limited, Toronto, Ont.

## THINKS TEACHERS SHOULD PROMOTE PUPILS WITHOUT WRITTEN TESTS

Dr. Adam Shortt told an audience assembled in the High School Auditorium last night under the auspices of the Parent-Teachers' Federation that he was not in favor of the examination system of promoting pupils. Teachers who knew their work, he said, should be able to tell, without the necessity of a formal examination, whether a student deserved promotion or not.  
The importance of good teachers was emphasized strongly in Dr. Shortt's address. The better the teachers the less would be needed in a school, he asserted. Good teachers required less equipment than poor ones, he added.  
Dr. Shortt warned parents not to expect miracles from the schools. They must remember that the schools could not make a genius out of every boy and girl. In fact, the pupil who showed real distaste for books, he affirmed, would be better doing some practical work such as farming.

leading stem being allowed to develop, as it served to expose the plants and fruit to the action of the sun and air for the purpose of bringing the fruit to early maturity. A rich sandy loam soil was the best for tomatoes, he stated. Too rich a soil tended to the growth of foliage, and not to fruit. As the tomato was a potash consuming plant, the fertilizers used should be especially rich in potash.  
After the conclusion of the speaker's remarks, an interesting discussion took place, many old growers taking part and giving experiences and helpful hints.

## Bays Prepare For Big Rowing Season

Boating Committee of J. B. A. A. Makes Plans For Immediate Start; Championship Crews Will Be Picked For N. P. A. A. O. Regatta; Oarsmen Will Figure In Two Regattas This Month; Want More Boats; Will Encourage Novices This Year

Active preparations are now being made by the J. B. A. A. for the opening of the rowing season, which has been retarded so much by the cold and miserable weather. The boats are now being renovated and prepared for a strenuous season. The prospects at present are that the flimsy craft will have one of their busiest seasons and will be afloat most of the time.

A meeting of the Boating Committee of the association was held last night and arrangements were made for inaugurating the Spring training, for holding two regattas this month and for a new system of training crews for the N. P. A. A. O. regatta, which is to be held this year at Portland, Ore.

### Can Anyone Accommodate?

The hint was also dropped at the meeting that the club would be indeed very grateful if any of the citizens overburdened with wealth would come to the assistance of the organization with donations to cover the expense of securing at least five more craft. In Vancouver a number of prominent citizens, several of whom took an active interest in the game in their palmier days, came forward and presented the club with boats with the result that the Mainland club is in great shape, having new craft not only for their racing crews but also for training their men.

The shells used by the Bays in racing are ten years old and while they have been kept in splendid condition the club would like to add to its equipment so as to take care of the many youngsters desirous of learning the game. What the club would like in the original gift are two four-oared lapstreaks, two double lapstreaks and one single shell.

Look After Novices.

The Bays intend to give greater attention to novices this year. They have made a concession in the membership fees which will allow members of the High School, Victoria College and the Fifth Regiment to come in for the Summer months. It is expected that in this manner many new oarsmen will be enrolled and as a result a greater wealth of material will be available from which to pick the championship crew.

On May 24 the Bays are arranging for additional training in connection with the regatta at the Gorge. Instead of providing the usual races between their club crews they are trying to secure a Vancouver four. Two four-oared lapstreak crews will be held, one between the J. B. A. A. and Vancouver and the other between the J. B. A. A. and the Fifth Regiment.

Spring Regatta May 27.

The annual Spring regatta of the J. B. A. A. will be held on Saturday, May 27, and the Fifth District Regatta will be at stake. This regatta will be of great interest to oarsmen as it will give the novices a chance to show their form. Besides the four-oared events there will be double singles and canoe events.

The N. P. A. A. O. regatta, the rowing classic of this part of the country, is set for the middle of July at Portland. This gives the Bays little better than two months to get their crews in shape. The club hopes to send its famous 140-pound crew, which won that event last year and came within an ace of copping the senior fours, as well as a junior four which will be entered in both the junior and senior fours. A couple of single and double scullers will also be sent South.

To Pick Crews at Once.

In the past the club has picked its crews for the N. P. A. A. O. shortly before the regatta. This year the Boating Committee will go over its material, pick the best men, put them in their places and train them together until the championships. If some stars should be developed in the remainder of the club who warrant consideration for the big crews a change will be made. A big effort, however, will be made to get the crews in shape for regatta so that the Bays may maintain their reputation as being the greatest point winners.

The Boating Committee will have one of its members on duty at the club-house each night so that oarsmen may be properly looked after and expert advice given to those who may need coaching.

## QUOTERS WILL PLAY MATCH WITH SIDNEY

There will be no games at the Willows on Saturday, as the club will make the trip to Sidney and play a tournament with the quot enthusiasts there, who are anxious to form a club. The games will start at 4.45. All players who can make the trip will be made welcome.

The club league will start early next week and entries will be closed on Saturday, May 6, and anyone wishing to take part is asked to hand in his name along with the entry money, 50c, to the committee.

## Beauties Who Reigned Supreme in Ladies' Basketball in British Columbia This Year

THE VICTORIA HIGH SCHOOL CHAMPIONS

The team which was selected this year to compete for civic and provincial ladies' basketball honors by the coaches of the Victoria High School was without doubt the strongest that has ever represented the school in its long career which is attested with many brilliant victories. After a very strenuous training period the "High" girls swept through three very important series without losing a single game. They have now closed their season and have nailed three championships in the hall of fame at their school. The championships are: the British Columbia open ladies' championship, the British Columbia High School ladies' championship and the Victoria and District ladies' championship.

It is doubtful if the Province has ever witnessed a faster or more splendidly-functioning machine. The school was fortunate in having the "veteran" combination of "Pinkey" Grubb, Florrie Gates and Muriel Daniels on hand, and to this was added the speedy youngsters Isobel Crawford, Dorothy Melville, Iola Worthington and Janet MacQueen, who have achieved great success on the basketball floor.

The record of the team speaks for itself. Their scoring mark for the season reached 328 points, while their various opponents only succeeded in scoring 166 points against them. The average score per game for the High girls was 23 points.

Muriel Daniels leads the scorers with a total of 134 points, Isobel Crawford lines up second with 82. "Pinkey" Grubb and Miss MacQueen filed 54 and 22 respectively, while Florrie Gates and D. Melville obtained 16 and 8.

The players in the picture, from left to right are: (Standing), Miss Iola Worthington, Miss Dorothy Melville; (middle row), Miss MacQueen, Miss Daniels (captain); (bottom row), Miss Grubb and Miss Isobel Crawford. The tall cup is emblematic of the B. C. High School championship and the smaller one of the City title.

## RABBIT PUNCHES AND KIDNEY BLOWS ARE BARRED BY HEADS

Trenton, N. J., May 3.—The state boxing commission yesterday outlawed the rabbit blow and kidney punch in New Jersey contests. The use of the rabbit blow was declared by the commissioners to be unsportsmanlike and brutal.

This left the Thistles in last place. Since then the Thistles have improved and won the Combination League, which included all Second Division teams and two other First Division elevens.

Cups Presented.

The cups won during the season were presented to the various league winners. Victoria Wests captured the First Division, the Sons of Canada the Second Division, the Saanich Thistles the Junior Division and the Saanich-Lorimer Cup, and the Thistles the Combination League. Medals will be presented to the players of the winning teams at a later meeting.

## FIRST GUEST DAY AT OAK BAY TO-MORROW

Visitors Will Have Opportunity to Try Their Skill Over Popular Links

To-morrow will be guest day at the Victoria Golf Club, pursuant of a resolution passed at the recent annual meeting of the club Thursday has been set aside as a day on which non-members may try their skill over the tricky course.

The exact wording of the amendment to the constitution is as follows:

1. That Thursday be the Guest Day unless it should fall on a public holiday in which case the committee will set another day.
2. That guests must be introduced by a member, and play with him, and the usual green fee of \$1.50 must be paid.
3. No member may introduce the name of a guest more than three times in one year.
4. That a member introducing a guest under this rule shall enter the name of his guest also his own name in a special register to be kept for this purpose.

## CANADA WILL HAVE BANNER GOLF YEAR

Two Hundred and Sixteen Courses Will Be Played Over; Others Building

Great Interest Being Taken Over Canadian Golf Championships

(By W. M. Tackaberry.)

Toronto, May 3.—Golf in Canada is going to have a greater play during the season at hand than ever before in its history. Some cities report that the number of players will nearly double that of last year. The long delayed advent of the public course in this country has perhaps done more than anything else to increase the number of enthusiasts so rapidly during the past three years. It is only recently that the idea of establishing golf courses where a person could go and play at a nominal cost has really taken root in Canada. Almost every community of any size is getting its golf club, if it already hasn't one, and with a nine-hole course if the eighteen is not possible at the start.

This rapid increase in the number of golf courses can have but one result, and that is a big increase in the number of really fine players, of which this fair Dominion can already boast of quite a few who have helped in no uncertain way to establish Canada's golf prestige in the United States, which next to the British Isles and ancient than any other country in the world. And with Canada taking its place as one of the foremost golfing centres its players are now in a position to not only take part in their own Canadian championships, but to go across to the U. S. A., yes, and even to England, and make healthy bids for the championships of those countries. It is estimated that there are now in Canada 216 golf courses with perhaps 18 or 20 more under construction.

### Championship in East.

The dates for the Canadian championships have all been announced. The Canadian amateur play will be held over the beautiful Escanaba course at Hamilton during the week of June 19. The Canadian open will be at the Mount Bruno Club, Montreal, July 28 and 29. Toronto will be the scene of women golfers. The first week in June, the Ontario championship will be decided over the links of the Rosedale Club; the open championship will be staged at this early date in the week of September 11, followed the week of September 18 by the closed or Canadian championship at Lambton.

The Canadian amateur championship at Beaconsfield in 1920, which was won by Charlie Grier, of Montreal, was largely made memorable by the strong delegation of Westerners, and even at this early date information received from Winnipeg, Calgary and other points in the "wild and woolly" West give every reason to expect that this part of the championship will be finely represented at Hamilton. They will find the superb Ancaster course much to their liking, and should make a splendid showing.

On Tuesday, June 20, the championship will start and will then be continued right through to the finals on Saturday, June 24. There will be no other competitions as in the past, and moving the date back to Tuesday is much better than holding the championship at the end of August, as was the case at Winnipeg last season.

### Thomson to Play.

Frank Thomson, the brilliant young Toronto golfer who won the Canadian amateur last year, will of course be on hand at Ancaster to defend his title. But it is not certain whether Charlie Haque, of Calgary, who was runner-up last season, will be able to come East. When last heard from Mr. Haque was not quite certain whether he would be able to get away. It is in prospect in Chicago, will be able to come. He is a very fine golfer, and would stand a mighty good chance of annexing the honors he just missed last season. Willie I. Hunter, who is now present in Chicago, preparing to defend his title of British amateur champion at Prestwick, Scotland, in May, expects to be able to arrive back in America in time to play in the Canadian championship, and Tom Armour will also be an entrant. Charlie Grier, 1920 champion, and Billy McLuckie, 1919 winner, both of Montreal, will take part, though Grier did not defend his title last season at Winnipeg. Perhaps one of the strongest contenders for the championship from amongst our Canadian golfers will be W. J. Thompson, of Mississauga. He will certainly give brother Frank a great run for his money.

## MISS SAYWARD WINS MATCH AT OAK BAY

The ladies' monthly medal competition of the Victoria Golf Club played yesterday was won in the A class by Miss Sayward and in the B class by Miss Bruce.

The final match between the Captain's and Secretary's teams was won on Monday by the Captain's team by 15 points to 5. The individual members of the winning team will now compete in a knock-out competition for a prize.

## START TO ORGANIZE WESTERN GOLF BODY

Committee Appointed by Manitoba Association to Draft Constitution

Winnipeg, May 3.—Formation of a Western Canada Golf Association within the jurisdiction of the Royal Canadian Golf Association, was unanimously approved by the delegates attending the annual general meeting of the Manitoba Golf Association here last night.

First steps toward the organization of the proposed body were taken a committee of three being named to arrange for the drafting of a constitution, after ratification by the Provincial Association, will be submitted to governing bodies in Saskatchewan, Alberta and British Columbia for final approval and concerted action. The function of the new association, as outlined, will be the staging of an annual Western championship to be held in each of the affiliated Provinces in rotation.

## ENGLAND GETS SET UP FOR THE DERBY

Speculation is Rife Over Probable Winner; St. Louis is Favorite Now

London, May 3.—(C. P. Cable)—With the two classic races for three-year-olds that are run at Newmarket disposed of, considerable light has been thrown on three-year-old form and as a result of his easy win in the 2,000 Guineas at turf headquarters when he beat Pondaloo by three lengths and Capt. Cuttle by seven lengths, Lord Queensborough's bay colt St. Louis has been placed at the head of the betting for the third of the classic races, the Derby, at Epsom on May 31.

In his latest betting, St. Louis is quoted at 4 to 1 against, with Sol Jell's Pondaloo dropping back from first choice to second choice, with odds of 9 to 1 against quoted. Sir Ernest Paget's Recco is quoted at 10 to 1 against, Lord Jersey's Stamp and Lord Woolavington's Capt. Cuttle are quoted at odds of 100 to 6 against. Lord Astor's Tamar, badly beaten in the 2,000 Guineas, is quoted at 20 to 1 against, as is also Sir Abe Bailey's Bucks Favour.

Another Favorite Drowned.

London, May 3.—(Canadian Press Cable)—The Chester Vase, the feature race of the opening day of the Spring meet at Ascot, brought about the downfall of another hot favorite, when Sir William Cooke's three-year-old combination colt Collabo-rator, winner of the Craven Stakes a few weeks ago and the free handicapper last October, finished last in a field of four.

Col. Joe's three-year-old bay colt Forder, quoted at 10 to 1 against, managed to beat out the second favorite, Lady Syd's four-year-old colt Brinklow, by three-quarters of a length for first place. D. R. Brown's four-year-old colt Gold-finder, the rank outsider, quoted at 33 to 1 against, beat the Combination colt by six lengths for the place. Collabo-rator was quoted at 11 to 4 on, with Brinklow, at 4 to 1 against.

## WORLD'S TEAM GOLF TITLE IS AT STAKE

Walker Cup Will Be to Golf What Davis Cup Is to Tennis; First Matches

New York, May 3.—The personnel of the committee which will name the team to compete for the Walker Cup, emblematic of the world's international team golf championship next September, was announced yesterday as follows:

Robert Gardiner, Chicago, chairman; W. C. Foxworth, Pittsburg, captain; G. D. Standish, Detroit, W. D. Vanderpool, Morristown, N.J., and Francis Olmsted, Boston.

Under the rules of the deed of gift, the trophy fills the same place in the golf world that the Davis Cup does in tennis. A team is to consist of four players and two substitutes and the competition is open to all nations of the world with governing golf body. No limitation was given as to what foreign team might be expected to play for the Walker Cup this season. Matches for the trophy, if held, are expected to be staged at Long Island, just before or just after the national amateur golf championship set for Brookline, Mass., September 4.

## LADIES BOWLING

**USE SULPHUR TO HEAL YOUR SKIN**  
 Broken Out Skin and Itching Eczema Helped Over Night.  
 For unsightly skin eruptions, rash or blotches on face, neck, arms or body, you do not have to wait for relief from torture or embarrassment. Declared a noted skin specialist. Apply a little Mentho-Sulphur and improvement shows next day. Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Mentho-Sulphur brings. Even fiery, itching eczema is dried right up. Get a small jar from any good drugist and use it like cold cream. (Adv.)

**START HEARING OF GAMING APPEAL**  
**Perry Case Comes Before County Judge**  
 W. A. Brethour, representing B. J. Perry and 35 Chinese, appeared in the County Court to-day before His Honor Judge Langman, to take an appeal against a recent police court conviction when the accused were each fined \$25 and costs for being found in a gaming house. The premises, under the Yuen Loy Club, on the east side of Fan Tan Alley, and on the ground floor, were raided by the police when Mr. Perry and the Chinese were arrested.  
 C. L. Harrison for the Crown took the preliminary objection to-day that the appellants had not given sufficient notice of appeal. The point was reserved, the appeal hearing continuing.

**MUCH BUSINESS COVERED BY THE ANNUAL MEETING**  
**Chamber of Commerce Members Plan for Future**  
 At the annual general meeting of the Victoria Chamber of Commerce, held in the headquarters, Arcade Block, last evening, the progress made by the body during the year was outlined. President J. H. Beatty presented a full report, coupled with a record of the activities of the Chamber for the period. The reports of the treasurer and auditors were presented; all being adopted.

Arising out of the discussion on the financial statements, it was suggested that a membership committee be appointed on a permanent basis. Frederick Landsberg was appointed chairman of a special committee to take care of members during the past year who have not met their subscription promises to date. A considerable amount of money, promised at the inception of the year, has yet to be redeemed, it was stated, and ways and means to assure the payment of this sum were discussed. Stirring tributes to the work of President J. H. Beatty and his directorate were expressed by the members, while the work of the Chamber, it was generally expressed, had far exceeded the highest expectations in regard to service given to the community it served. Plans for extension in rural membership were suggested, and attention is to be paid to the co-operation of farmer and consumer by means of joint meetings with open discussion. A marketing convention is to be staged, the first of a series of such meetings, on June, when these plans will be outlined in detail, it was said.

**Paid Up Membership.**  
 It was reported that 215 fully paid up members were on the list for this year to date, and that many others were expected to join that class. Some reference was made to the general business depression, it being stated that the work of the Chamber was of all the more value to the community at such a stage. Chambers of Commerce throughout the length and breadth of the Dominion were reporting the same depression, stated Mr. Beatty. Warm appreciation of the work of the Industrial Committee, the Historic Features Committee, Amusement Centre Committee, Rural Development Group, and other units of the Chamber was expressed by the president, who pointed to much that had been accomplished by the energetic committee of the Chamber.

**Mr. French's Lecture.**  
 At the conclusion of the business session an instructive address was given by C. H. French, Manager of the Fur Department, of the Bay Company, with excellent lantern slides to illustrate his remarks. Much of the early history of the Company in Victoria was reviewed, and its original landmarks were pointed out. The speaker gave an outline of the first farms on this island, many of which are known by the same name to this day. Victoria as a city was not called Camosun at any time, he said, that name applying only to the harbor as far as the Railway Bridge. At one time the city was called Port Victoria, but the "Port" had been dropped. The Company founded its post here, owing to the prospective withdrawal from United States territory, from the Vancouver, Washington post, the site of this city being selected as a post in 1842, and established the following year. The first Johnson Street Bridge was constructed in 1855 and lasted for one year before being pulled down, he said. The first street car was an affair of five logs lashed together and thrown across the chasm, with planks on top. Mr. French added, in concluding the talk, that he had acquired after some tuition, and the massacre of some imported Indians from the East, who were originally intended to teach the local natives how to trap fur-bearing animals. A hearty vote of thanks was tendered to the speaker at the conclusion of his address.

**MORTGAGE TO BE BURNED**  
 After Ten Years' Effort Hampshire Road Church Free of Debt.  
 The members and friends of the Hampshire Road Methodist Church decided that the church this evening at 8 o'clock to witness the burning of the mortgage, which for a number of years has been the ceremony which they have looked forward to.  
 Owing to the leading part taken by the Ladies' Aid in accomplishing this task, two of the charter members of this society—Mrs. Nichols and Mrs. German—will perform the actual deed.  
 The chairman of the evening will be the pastor, Rev. W. C. Frank, and Dr. Sippell, chairman of Victoria district, and other Methodist ministers in the city will be on the platform.  
 Reports will be given by the secretaries and leaders of the different sections of the church as follows: General Board, H. L. Briggs; Sunday School, J. Collett; Ladies' Aid, A. C. G. T. Mrs. G. Bowers; Missionary Society, Mrs. S. Ormiston; Y. P. S. C. E., Elwood McNeill; Mission Band, Mrs. J. Johnson, and Trull Rangers, Rev. W. C. Frank.  
 A short musical programme will be given, after which refreshments will be served by the ladies of the church.

**CHINESE DRIVER HURT**  
 Shortly before noon to-day the driver of a Chinese vegetable wagon was thrown heavily, when his rig collided with a Fort Street car. The accident took place at the corner of Fort and Quadra Streets, the injured man being removed in the police ambulance to the station for first aid, and medical attention. Beyond abrasions and a scalp wound, that bled profusely the victim of the accident was not seriously injured.

HELP OUR CLASSIFIED ADS TO DO THE BEST

MUTT AND JEFF

I'LL SHOW MUTT HE CAN'T TRIFLE WITH ME! I'LL SETTLE OUR DISPUTE IN COURT!

AFTER ACTING AS MUTT'S VALGT FOR A WEEK DID YOU PRESENT HIM A BILL FOR YOUR SERVICES?

AND WHAT DID HE SAY?

HE TOLD ME TO GO TO THE DEVIL!

AND WHAT DID YOU DO THEN?

THEN I CAME TO SEE YOU!
