Our Dedication

While searching for a dedication
For this mem'ry book of ours,
My mind just wandered aimlessly,
And I wracked my brain for hours
To find a worthy subject,
That everyone could use;
One, that if once we find,
Is very hard to lose.

So, to the many students leaving
And the others left behind,
I chose our glowing FUTURE
Held dear in every mind.
Our past is also dear to us
With memories untold,
Of the many carefree moments spent,
That never can grow old.

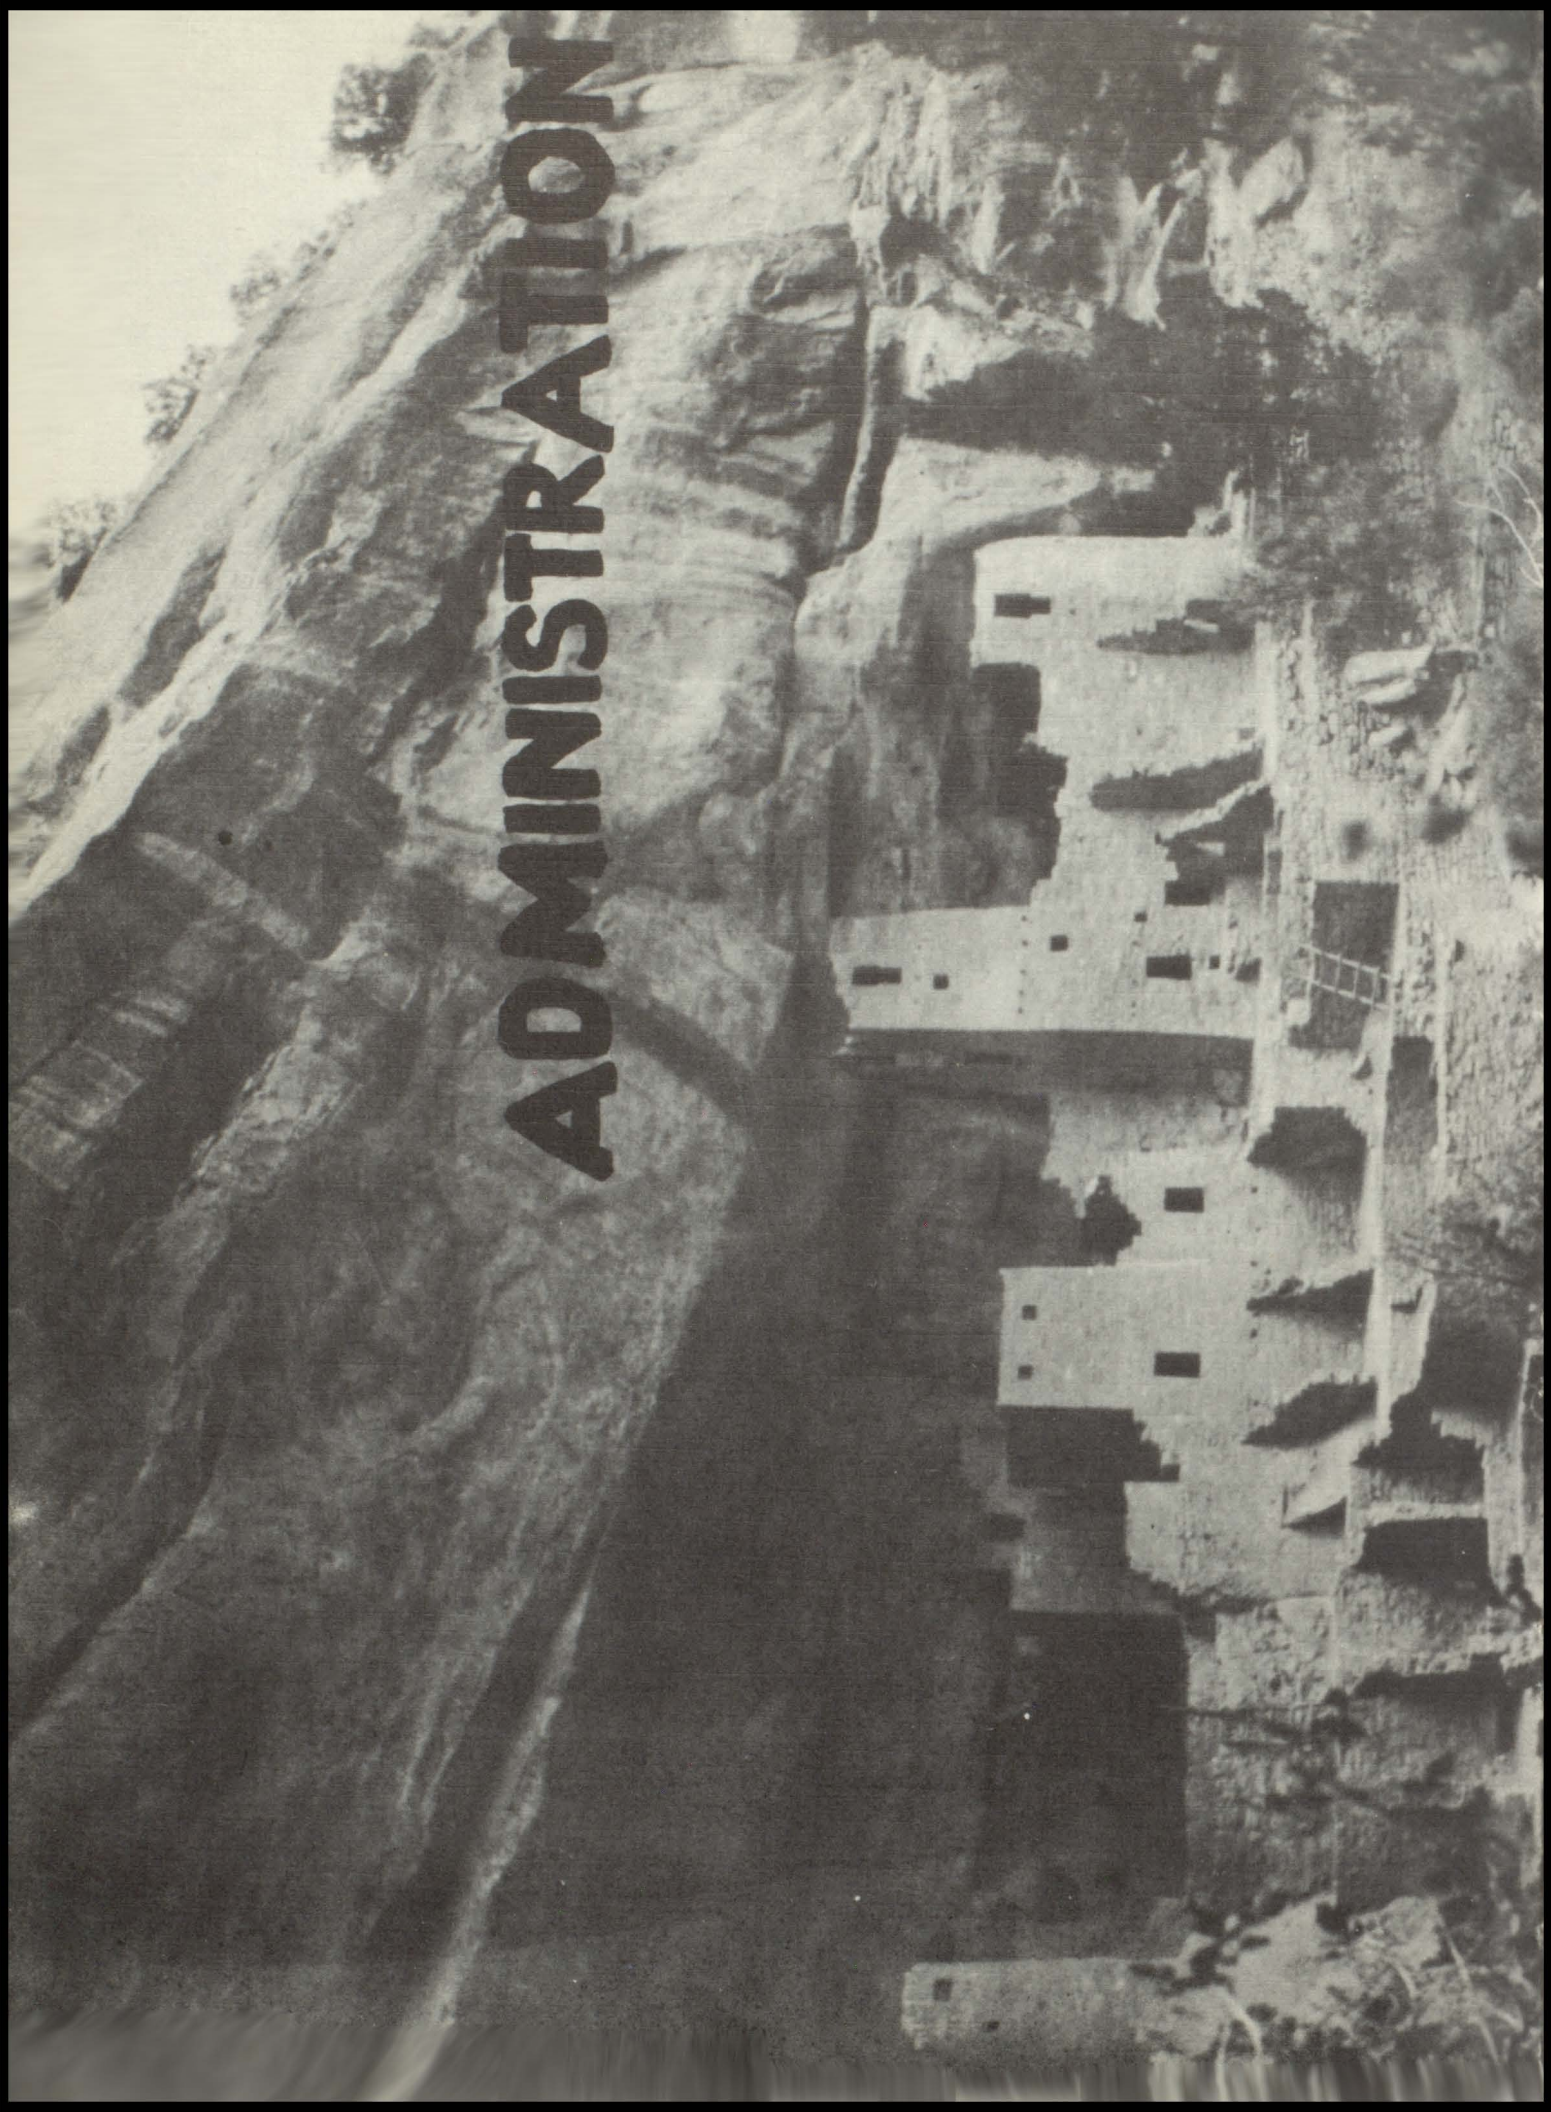

But think not of past sweet mem'ries,
Just open wide your door,
For what's left for us is the FUTURE
And not what has gone before.
Our FUTURE holds the treasures,
The hopes, and all the dreams.
And only we can make the molds
To build the best of schemes.

No matter what may come to you,
Or on what path you tread,
Forget your many failures,
Just find the goals ahead.
That's why I chose our FUTURE,
For it can never die.
It's up to you to reach your goal,
You students of Bayfield High.

Your Editor,
Hilda Peterson

OUR PATHWAY

We started our school in 1939, with Miss McDonald as our teacher. These people have come from the first through the twelfth in this school: Martin Landreth, Tommy Richards, Dwight Ward, Edward Percell, Kenneth McCoy, Frank Harris, and R. V. Cobb.

Miss Jacobson taught us all we learned in the second grade. Remember when Tommy had to sit on the teacher's lap? Jimmy Mohney from Silverton joined us this year, and Billy Jones came from Alamosa.

In the third grade Mrs. Shields taught us. It was an uneventful year.

I guess we really were mean in the fourth grade. That year we learned the art of shooting spit wads. Mrs. Sapp was our teacher. We had four new pupils this year. They were Melba Cundiff from Missouri Center, Helen Brown from Ignacio, Earl Cable from Falfa, and Nina Squires from Breen.

Boy, weren't we big in the fifth grade! We went upstairs, and had parties too. Mrs. Ostwald was our teacher. Charles Goff from Tiffany and Ruth Arnold from Moss enrolled this year.

In the sixth grade we were divided. Eight were in six "A" and the others were in six "B". Mrs. Worrall taught six "A" and Mrs. Ostwald six "B". Kenneth Campbell from Mason, Alice Sanchez from Yellowjacket, and Paul Denton from Walsenburg joined us this year.

Mrs. Smith helped us through the seventh grade. We made \$97 raffling a basket of food. This went for playground equipment. Hilda Peterson enrolled from Marvel, Sheila Pilon from Albuquerque, Melvin Johnson from Wisconsin, Donnie Parks from Oregon, Lyndall Martin from Palisade, and Herman Prather from Clovis, were here part of the year only. Bill Jones went to Durango.

Now for the eighth grade and graduation! Mrs. Morris gave us good enough grades to graduate with. Victor Neuenschwander and Hilda Peterson tied for Valedictorian. Victor Neuenschwander came here from California, Agnes Geisler from Denver and returned.

We went through the ninth grade with a bad reputation. We hope we have improved, teachers. We had a rough time the night of our initiation. Mr. O'Toole was our sponsor. Sam Hollar, Melvin Haga, and James Mobley enrolled from Moss. Jack Steele came here from Columbus, Nadine Smart from Pargin, and Josephine Peeler from Red Mesa. Ruth Amole went to Aztec.

When we were sophomores it was our turn to "dish it out" to the "freshies". Mr. Evans was our ball playing sponsor. We had two new pupils, Arthur Kinsman from Fountain, and Dick Lee from Durango. Paul Denton went to Durango. Josephine Peeler went to Farmington.

Our junior year our play, "Faith, Hope, and Flarity," was a high success. The next thing was our annual Junior-Senior Prom which gave everyone a very good time. Mrs. Peterson was our sponsor. We had three new pupils this year. They were Carol Rowse from Ignacio, Carol Maine from California, Billy Jones from Durango. Carol Maine left at the end of the year to California, and Alice Sanchez went to Ignacio.

At last our final year is here and the final step is almost taken. We had our play, "Here Comes Charlie", early in the year so we could see if we had enough money to take a sneak. James Mobley joined the Air Force and Billy Jones went to Durango. Still to come is the Junior-Senior Prom, which all the seniors can sit back and enjoy. Sometime before the end of the year, will be the senior trip, Senior Day at Fort Lewis and various affairs which give us "Senioritis". May 11, Baccalaureate will be held in the gym. And most important will be May 15, the day we will receive our diplomas.

I hereby bequeath

Our Futures

As Kenneth McCoy, Senior class president in 1952, gazes into the crystal ball, the haze slowly clears away, and he sees that old "Father Time" has moved his calendar up to 1962. One of the first scenes that meets his eye is a new-fangled helicopter, owned by millionaire Melvin Haga, and flown by his ever-faithful pilot, Kenneth Campbell, who is also foreman of the Lunsford Dude Ranch in New Mexico (which is strictly for single girls).

As that picture fades away, a new one takes its place. Kenneth can't believe his eyes, --- for television has finally reached Bayfield, and look who is on the air. On Kenneth's favorite station (Clint, Texas), are two young ladies that Kenny went to school with---Nina Squires and Hilda Peterson, who are both advertising the "Hollywood 400 Club". It is owned by Martin Landreth, Jimmy Mohnney, and R. V. Cobb, who spend most of their time at the pool hall and let the girls support them. By the way, the pool hall is owned by Frank Harris and Sons.

The picture changes a little, and Mr. McCoy finds himself on the main boulevard of Bayfield, where several new businesses have been added. Kenneth almost bumps into a young man that he soon recognizes as a former classmate. It's Dwight Ward, but no wonder that Kenneth didn't recognize him, as Dwight is just emerging from Helen Brown's combined Beauty Salon and Saloon. He has just had Helen give him his monthly "toni". She really is doing a wonderful business in both parts of her shop, and all the girls come in before having their pictures sent to the "400 Club."

As he walks on down the street, Kenneth sees a newsboy, whose face seems familiar. Well, I'll be darned, it's Victor Neuenschwander and he's still got all that lung-power that he used so much in BHS. Kenny decides to help out an old classmate, so he buys a paper to be polite, but the minute he looks at it, he is glad he bought it. Take a look at those headlines! "Jet Ace, Sam Hollar, shoots down his 20th mig over Russia!" And look over here in the sports section! "Famous athlete, Edward Percell wins mile sprint in the World Olympics" Kenneth can't resist taking a look at the funnies before going on. It doesn't surprise him any to see that they have changed in the past ten years, but he didn't expect Tommy Richards and Sons to take the place of the "Captain and the Kids", and Melba Cundiff to take the place of "Little Iodine"! Back to the front page again, Kenneth sees that Carol Rowse is in the Navy Nurses Corps and is stationed in Honolulu. Kenneth reads the church notes. In the first column is a picture of Arthur Kinsman, founder and pastor of the Free-Methodist Church at Spring Creek Dance Hall. This way he gets a lot of new members that are left over from the dance on Saturday night.

"Well, that's that", thinks Kenneth, and starts to throw the paper away, but before he has a chance to, a young man runs up and begs him to give the paper to him. Kenneth immediately recognizes the man as Earl Cable. Earl explains that he has just built a new cafe and needs the newspaper for wallpaper. While Earl and Kenneth are still talking, another '52 graduate approaches in a bright red convertible. It's Charles Goff, who has taken the place of Dr. Koplowitz, the famous eye-doctor in Durango. In his spare time, Charles takes out all the beauty operators in Helen Brown's shop. "Well", Kenneth decides, "I guess it's time that I go to work". You see Kenneth is the town Marshall, and he has to watch out for these young helicopter drivers: Skipper Stock, Eddie Hoxie, Johnny Cundiff, and Vance McVicker. On Sunday night they generally take their girls, Marty Knickerbocker, Alice Carmack, Shirley S. and Leah Ray Bredahl to the show in Colorado Springs. Well, Kenneth, thanks for showing us the future, but to tell the truth, do you really think this will all come true?

Our CARNIVAL

this year was another big success. The net profit was \$949.40. One of the big attractions of the evening was the group of hostesses consisting of Rena, Mary Joyce, Rosemary, and Charlotte. The clowns, Jimmy M., Billy J., Tommy R., and R.V., also provided some very fine entertainment. The sales from raffle tickets brought in the most money, \$248.64. The dance brought in \$133.28. Bingo brought in the large sum of \$197.35. The business people from Bayfield, Ignacio, and Durango were responsible for the many beautiful prizes.

“HERE COMES

Charlie”

PRESENTED
December 14, 1951

Larry Elliot, a young broker is engaged to imperious Vivian Smythe-Kersey, and is further hen-ridden by a snobbish aunt. His troubles are complicated when he becomes the guardian of Charlie, the child of an old Ozarkian who has saved his life. Uncle Aleck arrived with Charlie, who proves to be a decided surprise. This was a farce-comedy tempered by heart interest and a touch of pathos. Not the least important was Shadrack, Meshak, Abednego (the pet goldfish).
