Railroad constructions are getting to be matters of great interest to Colorado. The Union Pacific passed neith of us because the line was longer and supposed to be easier of construction. In doing dition of criminals.

The Times says Reverdy Juneaus sequence to be easier of construction. In doing dition of criminals.

Coakling offered a resolution request.

Coakling offered a resolution are closed, must be accepted, though the snow falls it seldom me'ts away ull very late the ensuing season. Already storms have rendered the road almost impassable, and while the snow may be shoveled away it will drift in again as often as it is done, and making a large form constantly necessary. When the wind blows it will pile up in fifteen minutes what cannot be removed in hours. This difficulty has already been felt, and there are indications that the Central Pacific road, the one coming east from Culifornia, is disposed to take advantage of it and seek a subsidy to enable them to onme through on the line of the White or Bear, through the Middle Park and Berthoud pass to join the U. P., E. D. at Golden City or Denver, or perhaps in the Georgetown, Colorado. Office on Argentine Street. All business will receive carnest and prompt attention. valley of Clear Creek below Idaho. It have been introduced in the Legislature is certain that by such a route the read authorizing the Governor to arm a hunway. First, less snow fails. Second the may be committed, the expense to be country is further south and at the same paid by such county. is almost certain that for fuel they will be equal, as the best coal yet disbovered in Colorade is found on White river. The road, too, will have the advantage of coming the entire distance through pastoral, agricultural or mineral regions.

> That such a road will ultimately be greatly for our interest that it should be and if built, will-take all our trade and block house with powder underneath doubt of his sanity at that precise intravel, for we shaff find as short a route New York as by any other, and will New York as by any other, and will in Cross county. The militia are threat-

while the other passes, for almost its en-

turnish drinkable water.

hooves us to do all we can tor it. Califorms certainly will do so, for already the U. P. road is doing all in its powerto build up a town on Puget's Sound which shall be a tival to Sin Francisco, and is making surveys, &c., for a road which, connecting with the west end of theirs, INCORPORATED UNDER THE LAWS OF THE STATE Shall pass through Oregon to the new seaport. We need the soute, too, for the competition it will create. This work, Mixes-in Ten-Mile, Independent, and Cen- however, cannot be completed for several vears to come, and our immediate tellaute must be on that which is to connect us with Cheyenne, by which we hope to secure railway connection at an early day. It is reported that grading has breek resumed between Denver and Cheyenne, and that the whole work will be finished within a few weeks so that no delay need be feared from that source. Bullion Consolidated Mining The read from Golden to Denver will also be graded in like good time, and the contracts for grading this skie of Golden City are advertised to be let within thirty days. Had our county bonds voted been issue to fill this squapperlan of the maide for each single mile, they would have been vastly more serviceable. As it is, the company will be deliged to raise means from outside capital, but they give us the amurance that there will be no delay in the premises, and that the work will meet with no hindrance, all of which we trust is so. In that case the track will be laft a considerable distance into the mountains up Clear Creek within a

DAILY REGISTER. BATURDAY, DECRMER 19

> (From the Chimney Corner.) The Naughty Boy. "Ock, save us !" oriod Betty, "I'm most driv en wild; Would you stop here a moment maram please?

For the soul of me, malam, I can't ready the child.
While he keeps up such doin's as these, "I might better be curlis" a period/pine quill, de washing the face of a set, Than be dressn' of him—for he never keeps

Less I howld him by neck and by heel. General Agent for Colorado, "It's three blessed times since I put on his clothes.

clothes.

That he's wriggled right off o' the chair;

Not a morning ago he attacked my nose.

And it's twice te's been into my hair.

Lawrence Mt., Central.

A segram was his answer. His flushed little

Looked angrily up into mine:

"Ochurt" "Do I, Johnn I Where—show
me the place "
But his cry only changed to a whine. In a moment I found out the cause of the

trouble— Twee a nin, pricking deep in his side; And she, in her roughness, had bent the thing double---No wonder my darling had cried! Poor Johnsy! He subbed on my shoulder awhile.

Then hold up his mos to be kinsed: (Ulletty went hock to the Emeralst Isle, I know where she wouldn't be missed.) IRON & HARDWARE BUSINESS

The cloud soon passed over, and sunshine Shone out from his face everywhere;
And the outer-deer sumshine that streamed through the pane
Lit up all the gold of his bair.

And, meek as a famb when the tempest is whiring, and the shepberd is deaf to his bleat, Poor Johns y submitted to washing and cur-Till Setty proclaimed him "complete."

In "righting" each other,
(As Betty would say.)
If we find there's a bother.
That stands in the way—
Perhaps 'twould be well,
Helore crying "bin,"
and ranning to tell,
To look for the pin!

HASBY.

Mr. Nasby has a Bream Which Bees not Comfort his Beligious Acul but Which, on the Other lined, gives him Great Toesciness.

[From the Toledo Blade.1 Post Offic, Compadent X Roads, (Wich is in the State uv Kentucky), Nov. 23, 1808.

Last evenin I happened to pick up the nothern noospaper uv the Dimikratic per-suasien wich comes to this only to Deckin Pegram, into which wuz an article onto "The Fucher ov Democrisy. The able and dignified writer took the posishen that the only hope uv the Democrisy was in lettin the dead past bury its dead

was in lettin the dead past bury its dead — le sinkin all the ishoes uv the past ten years—in acknowledgin the siteoashen, and acceptin the results uv the war; in shaking out the fight the leaders, and puttin such men es Chase, Seward, John Quincy Adams, Jr., Evarts, Rosecrants, &c., to the front, and thus hevin infosed new life and new blood luto the organization it miles so on conkering and to CALL AND EXAMINE BEFORE PURCHASE! izashen it mite go on conkering and to conker. The article wuz a column and a half in

length, and its a weaknis uv mine that I can't read more than a column without going to sleep. Therefore, at the end of the column the paper dropt from my hand and I dropt off into a gentle slumber in my chair, and dreamed a dream.

In my dream before me lay the body of the column of the column the paper. POWDER. a man uv gigantic frame wich wuz a breathin his last. He had beed a power-Maving every facility for supplying the above marinelled brand, I am new prepared to SI 60 orders at abort notice, and on favorable terms.

ful yooth in his day, and hedn't the appearance uv bein very old in years, tho his hair wuz gray, his cheeks sunken and All Siese of Grain to suit the Trade—Glazed or Unglased.

Into nair waz gray, his cheeke staken and this form fritefully emactated. His age waz evidently the effect uv dissipation more than uv years—wikkienis hed did its perfeck work on him, and it waz plane that he waz a soner.

ton, Morrissey, Mrs, Cobb, Mrs. Perry, (between these two A. Johnson) and many more uv that stripe, who appeared to be endeavorin to resussitate the neerly defunct individyooal.
"Who is this rather bustid patrick?"

sked I uv one who appeared to be a

That's Dimocrisy," answered be, "he hez fought his larst fite, he hez fought his larst battle, no gong kin awake him to glory again. He is a gone up sucker."
At this pint the operators on the unfortunate suffer, gave up in dispair.
"I kin do nothin," sed Seymour, "that last excishin wuz his last. I shall his

me to my farm. "I knowed it wuz uselis," sed Vallan-digbam, "I shell leave Obio and go to New York, for anybody kin git to Con-gress from that city."

"I hin do no more," sed Veerhees, ahel quit politics and go to operatin in Eric stocks!" "Erie Stocks," remarked Mis. Parry, with horser in her classic countenance,

thank the Lord, I'm not so low us all At this pint a let uv hungry looking cuses, not so prominent at these others, demanded that the pashent be put into

new hands for troument, and to wund they called out the Cham, Struke, Ev-arts, Resecrance and John Quincy Adams, Jr., who hevin ne other place to stay wur a hangin on the outskirts uv the crowd. Promptly they examined the dyin cuss and proceeded to apply the

remedies.

"This is one thing that's killin him," children is sed. Chase, canterizin a hidjus ulcer marked." Blavery."

"This must come off," sed Evaris,
"This must come off," sed Evaris,

whippin out a knife and takin off a foul-smellin tu.sor, labelled "States Rices." "And I'll never consent to be seen with him of this is allowed to remain," sed Hosecrance, slashin out a caucer marked

"And this must come off of I hev may-thing to do with him," sed John Quincy Adams, Jeonyur, jerkin off a most fear-ful tumer marked "Repeedesshen." And so they went on one after another —ane pullts of this thing, another, that; this one burning out his sore, and allother that till they had pealed it to the bones. When they issue got the discard-parts off ther was notice left but the skeletops. It wus a vary genteel skeleten, ez c'éan uv floch ez though it hod been dissected by an enthousiastic class uv modikle stu-

They then commenced buildle uv it up. Cheer put on Ettel Hito muscle; Evarus stuffed Machani credit; in the hole Rapeo diashen hed made; Maccrance stiffened its back with loyalty—they fumigated it, and breathed into its nostrils, and wrappin it in the Star-Spangled Immed, birted It to his feet. It was ruther shaky on its plans but it breathed free, and was altogether a more promising and presentable bein then it had but for years. We were all rejoice, and yet we ween't so well pleased, after all He was gettin

stronger and stronger, but his appearance stronger and stronger, but his appearance wur a changing so that we didn't know him. There wuz a color dam to his cheeks, he lost his brootal lock, he alopt free, and he gave evidence av life and strength that wuz wonderful, "Thank the Lord," had the Blaim, he's strong enough to be ridden again!"

"Please Heaven!" sed Vallandigham "my troubles a or's for there's attensit

CENTRAL CITY BAKERY

"Please Heaven!" sed Vallandigham
"my troubles is oe'r, for there's strength
in Dispoorisy."

"Lel's mount," sed they in horus, and
forthwith Mentgemery Blair crept up ento his thighs, with the whole family en
his shoulders, each one uv which twisted
his leg about him with a deth grip. The
nawly rejouvenated giant staggered under this, but didn't fail. Mayor Monrée
and his Louisians crowd vaulted ontohis shoulders, the Woodses and Haffman his shoulders, the Woodses and Heffman and Valandigham and Voerhees and Brite and a thousand more uv the same style, and each loaded with his record.

"If ye will credit me, ma'am, wid his cryin' and kickin'.

He's brought tears to my eyes, ma'am, like if he wasn't so bad, ma'am, I konifar' be speakin'.

For I never was one to complain."

Thus ammoned. I went to the nursery door; There sat Master Johnny, sepout, and I said, as I lifted him up from the floor, as ekoor hold, "uv what yoose is Dimocrasy to me, onless I can carry these?" pintin to the niggers under his arm. "For God's sake," cried Chase, Sew-ard and Rosecranes, "far Ged's sake get

sy to me, onless I can carry these?" pintin to the niggers under his arm.
"Git off?" sed the Blairs, "ef Dimocrisy can't carry us inte pesishen wat do
we want uv it?" And they griped it so
close es almost to atrangle it.
"Git off?" sed the Woodses, "onless

we can ride it, uv wat use is Dimocrisy to us? And they all declined gittin offemphat

ically. "Very weil," sed Chase and his friends in despair, "very well. We're done. But look out."

Bearcely wus the words out uv their mouths when the poor grant gasped, his knees knocked together, his puls gave out, and he toppied over with a fearful crash, pilin the lead in one heteregenous III 6 66.

At this pint I awoke.

I had netrouble to interpret the dream.

It's troo that Dimecrisy can't carry the load that hez bin put onto it for years and it's also troe that we, the load, den't care a tinker's cuss about Dimocrisy enless it kin carry us. To make it strong enuff to stand alone, we hev to take offur it all its distinctive feechers and replace em with Ablishusum, and then uv was use is it to us? When Chase had meta-morphosed it so that it cood stand, it was percisely as weak es ever. Uv wat youes is an Ablishenized Dimperacy to an exslaveholder who wants his niggers agin?
Uv wat avail is a 1 ure Dimocrisy to the
gentlemen who desire officia in which
steelings is unlimited? Such a Dimocrisy is Ablishinism—and we might ez well go ever to it boldly, ez to remodel our party on that idea. Ef we sink the eld ishoos and the old ideas uv the party, we sink also, us who advocated them ideas, and made them ishoos; and ef we keep fight-ing it out on that line, wat is before us but defeat? Oh that I could see a gitamer uv lite! Oh that anuf of our prominent

but dereat y On that I could see a ginamer uv lite! Oh that enuff of our prominent leaders wood die to let us, the smaller ones, out from under their shadder! The fucher to me is dark and gleomy. PETROLEUM V. NASHY, P. M. (Wich is Postmaster.)
