Miss E. Carlson

Tokyo-To 3 June 3 June

Conference with Director of Nurses, Tokyo University Hospital.

Chief Nurse, Miss Hashimoto has been given an office. She wants help from Civ. Affairs in re-organizing nursing service. Plans to start nursing care on 2 wards in near future. Position of Evening & Night supervisors will be filled by Head Nurse on rotatory plan. A 4 months in service training course for head nurses will be started soon. Miss Carlson suggested that head nurses should be acquainted with their responsibility for clinical practice of students, and at a meeting of head nurses a Civ. Aff. nurse could explain this to head nurse and supervisors.

The chief nurse is encounting the usual difficulties in a University Hospital that of each service being administered by the Department head.
