VOLUME III. NUMBER 38

NARBERTH, PA., THURSDAY, JUNE 28, 1917

PRICE TWO CENTS

PROGRAM FOR FOURTH OF JULY CELEBRATION

9 A. M.—Address by prominent speaker. Flag Raising at Fire House.
 9.30 A. M.—Parade Headed by Gladwyne Brass Band, Narberth Guard, Branch of Red Cross, Boy Scouts, School Children, G. A. R. Veterans, Base Ball Team, Narberth Fire Company. Parade forms at Fire House.
 10.30 A. M.—Base Ball Game—Narberth vs. Bon Air.
 3 P. M.—Base Ball Game—Narberth vs. R. G. Dun & Co.
 7.30 to 9.30 P. M.—Band Concert in front of fire House.
 Parade will cover in part the following streets:—On South Side, Narberth, Woodside, Elmwood, Merion Avenues; on North Side, Narberth, Woodbine, Iona, Windsor, Essex Avenues, disbanding at the School House in time for Ball Game.

The following Committee has been formed to canvass the Borough for funds to cover the expense of Brass Band, Flag Raising, etc., for July 4th Celebration: Messrs. Rose, White, Walzer, Leitich, Hess, Jones, Henry, Lacey, Saunders, McClellan, Wall, Muller, Noel and McAuliffe.

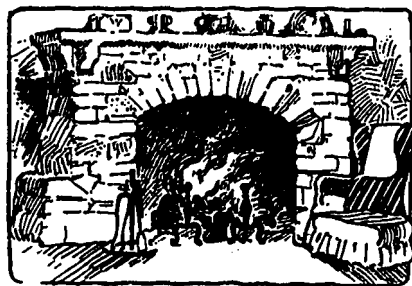

These gentlemen will solicit your financial support to cover expenses, and as we all realize the extra expense all families have been put to this year, it has been decided not to have the fire works display.

Give what you can, as all money collected over actual expenses, will be donated from the citizens of Narberth to the Narberth Unit of the Red Cross.

Respectfully,
EDWIN P. DOLD, Chairman.
WALTER COWIN, Treasurer.

All members of the G. A. R. residing in Narberth are invited to participate in the Parade; also the Ladies of the Narberth Unit of the Red Cross, all the Boy Scouts and School Children, Base Ball Team, Fire Company and Narberth Guard.

It is hoped the above named bodies will turn out its full membership and help make the day a big patriotic success. Cars will be provided for the G. A. R. Veterans.

 P. M., Narberth vs. R. G. Dunn & Co., at Narberth.

Narberth Workroom for Red Cross Work to be Opened in Y. M. C. A. Building.

Formal Opening of the Room on Thursday Afternoon, June 28th, To Be Addressed By Mrs. Charlton Yarnall

The Red Cross Headquarters are to be located in what is known as the Community Room of the Narberth Y. M. C. A., and will be opened every day for work, from 9.30 A. M. to 5.30 P. M., beginning Monday, July 2.

Every woman in Narberth is urged to be present on Thursday afternoon at four o'clock, to meet Mrs. Yarnall, who is at the head of the Main Line Branch.

It is evident that after the wonderful showing Narberth has made in her generous contributions of the last few days, that every one will be inspired to keep up the excellent reputation of our borough.

Narberth contributes \$13,500 To RED CROSS FUND

Mr. Percival Roberts made the generous contribution of \$10,000 on Tuesday, Mrs. Roberts having given \$1,000 the day before. The balance being subscribed by our loyal townsfolk.

GUYON W. GRAY

AN APPRECIATION

All hearts in Narberth were touched when word was received that the Great Reaper had gathered into his harvest our dear friend and comrade, Guyon W. Gray. It cannot be that Providence errs in the wisdom of the removal from us of our friends, and we receive this visitation of the Divine Hand with the submission that all is for the best. But our hearts are none the less sad when we recall the genial good nature and hearty comradeship which Guy Gray always displayed as he moved about among us. If any cause needed assistance, his heart and hand were not backward. If any celebration in the borough was planned, he could always be counted upon to give his best efforts to make the name of Narberth synonymous with success.

Although racked by pain and suffering he faced the grim specter of Death without fear, and his brave young life passed out only after a protracted struggle. Time will only serve to deepen the value and his word of cheer. As we lay him to rest there come vividly to our minds the words of Fitz-Green Halleck:

"Green be the sod above thee,
 Friend of my better days;
 None knew thee but to love thee,
 None named thee but to praise."
 One of His Many Friends.

JUNIOR RED CROSS FETE EARNs THIRTY DOLLARS

A very successful fete was held on Mr. Needham's lawn, on Thursday, June 14, when thirty dollars was raised for the benefit of the Red Cross by the Junior Unit of the Narberth Branch. Much credit and many thanks are here given to the following young women who were in charge: Misses Eleanor Brown, Frances Covert, Dorothy Wood, Katherine Gillis, Lillian Redifer, Helen Keim, Frances Keim, Frances Diamond, Edith Davis, Eleanor Hand, Emma Newburg, Emily Needham, Alice Maltby, Doris von Culin, Bethel Walters, Rose Ricklin, Georgianna Semel, Florence Simpson, Sarah Deitch, Mildred Chambley.

Two pretty girls dressed as Red Cross nurses stood at the door of the Episcopal Church on Sunday morning and received contributions for the Red Cross Fund.

TENNIS TOURNAMENT STARTS ON SATURDAY

Many Good Matches Anticipated

The annual Fourth of July tournament of the Narberth Tennis Association starts this Saturday afternoon at 2 o'clock, at the courts at Elmwood and Essex avenues. W. R. D. Hall, chairman of the Tournament Committee, reports that entries have been coming in rapidly in the last few days, and there is every indication that there will be plenty of spirited playing and many good matches.

Members who have not entered are urged to see Mr. Hall, or either of the other two members of the Tournament Committee, W. Cowin or W. J. Kirkpatrick. All entries must reach the committee by noon Friday. The entrance fee for each player is twenty-five cents.

The tournament will start Saturday afternoon, be continued all day Fourth of July—next Wednesday—and be concluded the following Saturday, July 7. On the Fourth all courts will be used for tournament matches, but on both Saturdays, some of the courts will be kept open for regular playing.

Only doubles matches will be played in this tournament, but local tennis enthusiasts who saw the doubles matches last year, particularly the finals in the annual tournament, will need no urging to be on hand this Saturday, the Fourth and the following Saturday.

TO FREE MONTGOMERY PIKE

Barring Opposition Within 30 Days, Tolls Will Go From Highway

Report has been made by Irvin P. Knipe, master, of the jury's finding recommending the freeing of Montgomery avenue, in Lower Merion, at a price of \$90,164. Unless appeal is made from this award by the county or by the pike owner, the Philadelphia, Bala and Bryn Mawr Turnpike Company, within thirty days, the pike will then be free of tolls.

This is one of the most traveled highways in suburban Philadelphia, and the abolishment of tolls will remove a heavy burden and annoyance.

B. T. WHITE.

To the Editor of Our Town:

An appeal has gone forth from the Glove and Waistcoat Society of 75 Chancery Lane, London, for old kid gloves.

These gloves are used in making mud proof jackets for soldiers and sailors, and what is more important gives employment to many poor women in London. Some 20,000 of these jackets were made last year. Save your old kid gloves, no matter how much worn or what color and send them to Mrs. W. L. Cooper, 33 Cricket avenue, Ardmore, or Phone 1358-J Ardmore, and you will be told where to leave them.

To the Editor of Our Town:

The housewives of the county can do their "bit" in the country's war by canning and preserving the great quantities of food that are usually wasted each year. Ordinarily there are large quantities of the perishable foods—fruits and vegetables—which are not consumed during the growing season.

There is hardly a vegetable growing in the garden that cannot be dried or canned and stored for winter use "Uncle Sam" expects every household to do their duty and fill the pantry with dried and canned products so that they need not draw on the public supply. We have been depending on the factory canned products in the past, but the expected shortage of tin containers may make this prohibitive.

The glass jar manufacturers are aware of this fact and are speeding up their production to try and take care of the situation. It will be well for consumers to buy their jars early so as to insure delivery. Dealers may note estimate correctly what the future demand will be and not have sufficient on hand when they will be needed. Better order now.

To help this movement as much as possible the Farm Bureau, with the assistance of a demonstrator in Domestic Science, will hold about twenty-five canning and drying demonstrations in the county from July 22 to August 15. There will be one in almost

every community. Announcement of the dates and places of holding these meetings will be made later. Any information or circulars on canning and drying will be gladly furnished by the Farm Bureau office.

A. K. Rothenberger,
 County Agriculturist.

To the Editor of Our Town:

Having read with interest the Cub's facetious mention of the proposed movement to elect a "Pooh Bah" to take care of public affairs in the borough and his recommendation to think it over, I cannot help but add my comment to what appears to me to be a very pertinent and valuable suggestion at this time.

Something similar to a commission form of government seems to be the intention. In view of the success of commission governments in other progressive communities, I unhesitatingly endorse the idea of adopting it locally. Experience has shown that increased efficiency and economy have resulted wherever the scheme has been tried and, as a property owner of Narberth, I am very much in favor of giving it a trial here.

This borough has grown into a community covering over 300 acres, containing 783 houses, with a population of 3100. The income from taxes for borough purposes is approximately \$23,000. This money is disbursed by council for the maintenance and upkeep of the borough. The members of council are busy men with the interests of the community at heart, who devote much of their spare time to the good of the "home town"—in spite of the criticism which is always visited upon anybody holding public office. Council meets but once a month. I doubt whether it can properly supervise the expenditure of this \$23,000, when it devotes only its spare time to the purpose. No matter how conscientiously council acts, I doubt whether the borough gets a 60-cent equivalent for every dollar spent other than that for sinking fund and interest on the bonded indebtedness. In this connection I would like to ask how many of your readers who spend \$23,000 a year in their business, would disburse this amount without a great deal more supervision than council is able to exercise over a similar amount without a great deal more supervision than council is able to exercise over a similar amount?

We have an attractive and growing town for which due credit must be given to the present as well as previous councils, but it seems to me that we could go ahead much faster and get more value for our money if one man could devote all of his time to the business of the borough. In that event there could be no shifting of responsibility. It would be no "thank you" job. This man would be paid for his work and good results would be expected of him and in the case of failure, he could be summarily removed and someone appointed to take his place.

I am anxious to read opinions from others on this subject so that it may be thoroughly threshed out.

Progressive.

The Act of June 1, 1911, P. L. 542, provides as follows:

Section 1. Be it enacted, etc., That it shall be unlawful for any person to set off, fire, or make use of, for the purpose of explosion, any firecracker over six inches in length, and any firecracker over three and one-half to six inches in length, over three-quarters of an inch in diameter, and any firecracker to the length of three and one-half inches in length, over one inch in diameter; or to set off, fire or explode, in any county in this Commonwealth, any firecrackers or fireworks containing picric acid or picrates, dynamite or other high explosive compound; or to explode any blank cartridge, pellet or tablet containing dynamite or other high explosive compound when used in pistols, hollow canes, or any toy for explosive purpose. Any one violating the provisions of this act shall, on conviction before any alderman, magistrate, or justice of the peace, be deemed guilty of disorderly conduct, and shall be fined not more than twenty-five dollars, and, in default of the payment of said fine, be imprisoned not more than ten days.

The Act of June 1, 1911, P. L. 554, provides as follows:

Section 1. Be it enacted, etc., That it shall be unlawful for any person or persons, member of any firm or any partnership, or any one in the employ of a corporation to sell or offer for sale in any county in this Common-

wealth, any firecracker or fireworks containing picric acid or picrates, dynamite or other high explosive compound.

Section 2. Nor shall it be lawful, under the provisions of this Act, for any person or persons, members of any firm or partnership, or the employes of any corporation to sell, offer or expose for sale any blank cartridge, pellet or tablet composed of dynamite or other high explosive compound to be used in pistols, hollow canes or any toy for explosive purposes.

Section 5. Any person or persons, member of any firm or partnership, or in the employ of a corporation, violating any of the provisions of this Act, shall, upon conviction thereof, be deemed guilty of a misdemeanor and be fined not more than five hundred dollars, or be imprisoned not more than six months, or both or either, within the discretion of the court.

The Act of May 6, 1915, P. L. 260, provides as follows:

Section 1. Be it enacted, etc., That on or after the first day of January, nineteen hundred and sixteen, it shall be unlawful to sell or expose for sale or buy or exchange, or give away, or have in possession any balloon, made or intended to contain fire for the purpose of ascension, or send up or cause to ascend any balloon containing in or about it any fire. This section does not apply to a balloon in which a human being ascends.

Section 2. Any person who violates any of the provisions of this Act shall be guilty of a misdemeanor, and on conviction thereof shall be sentenced to pay a fine not exceeding two hundred dollars, or to undergo an imprisonment not exceeding sixty days or both in the discretion of the court.

ONE ARMY THAT WILL INVADE NARBERTH, IF IT HAS NOT ALREADY DONE SO!

Far be it from us, oh, patriotic plowmen, to shed rain on the parade, but neither would we have your valorous efforts all in vain! And that is why we are well prepared with all the things which make short-shrift of garden pests and parasites: Paris Green, Arsenate Lead, Bordeaux Mixture, Weed-Killer, Lime-Sulphur Compound, etc., etc. Pretty well schooled we are, too, on the most effective means and measures—and immensely eager to see you get the most for your time and energy! NEW POST OFFICE CAN NOT LONGER BE DELAYED

General Station Improvement Should be Made at Once to Include Much Needed Facilities

STATEMENTS FROM POSTMASTER HAWS, HON. FLETCHER W. STITES, BURGESS HENRY AND PRESIDENT LOOS

Narberth has been promised a new post office for over a year, the government authorities having said "go to it" to Postmaster Haws when Narberth was raised to a second-class office.

During this time the staff of workers of our local office have patiently tolerated their crowded quarters, trying their best to serve well the ever-increasing group of patrons of the office who actually have to suffer in the effort to obtain their mail on arrival of late afternoon trains.

All these inconveniences and discomforts have been tolerated in the belief that the Pennsylvania Railroad would soon take steps to make the much-needed station improvements and that then the new post office could be included in this general improvement—to the advantage of the railroad.

For over twenty-five years Narberth has been a divided borough, although only one mile square in area, the only avenues open to those desiring to cross from the north to the south side being at either extreme of the geographical limits—Narberth and Wynnewood avenues. And then the bridge uniting North and South Narberth avenues is without a foot path. Essex avenue has, from the beginning, been closed by the railroad embankment.

A tunnel at this place is not just a convenience—it is a necessity. The inhabitants of Narberth have been patient these many years journeying to one extreme or the other of the borough to make pilgrimages to and from the parts of the borough divided by the railroad. They have been patient several years with the almost intolerable conditions at the post office.

This patience is nearing a breaking point. The Pennsylvania Railroad gets all our patronage; it has had it for over a quarter of a century; it has seen Elm station grow into the Narberth of to-day with its greatly increased civic interest and pride and has profited by the traffic—passenger and express and freight—that this gradual change has produced.

Narberth, proportionately, has done more for itself than some of its neighbors who have been favored by the railroad. Now, isn't it time Narberth got some attention?

Read what some of our active citizens and public officials believe:

From Postmaster Haws

Editor "Our Town":—Conditions at the post office are becoming actually unbearable. Facilities have been inadequate for two years or more; but to-day, try as we will, we can't give anywhere near the kind of service our patrons should have as a common right; never mind the kind of service we should like to give them.

There's no room in which to work; there's no room in which to store packages of the parcel post; there's no room in which to erect boxes for those who are clamoring for them; there's no room for those who have boxes to get to and from them without walking on the feet of the fellow "who's next;" and when the patrons line up for their mail, no one can buy stamps or deposit letters to be mailed without inconveniencing hundreds of others.

Something must be done and done early. People will be patient if there's a promise of a remedy, and I must soon get them this promise for a better post office.

EDWARD S. HAWS,
Postmaster.

From Hon. Fletcher W. Stites

Editor "Our Town":—The erection of a new station and the tunneling of Essex avenue is an urgent necessity if the healthy growth of Narberth is to be continued. If it is true that it is natural to measure the prosperity of a property owner by the appearance of his front door yard, the same remark can be made with equal force with reference to a city or town. The railroad station at Narberth furnishes little cause for pride when compared with the beautiful stations recently erected in other nearby towns. Every fair-minded person will, of course, realize that the Pennsylvania Railroad has many demands upon it and its financial burdens are not light. But it is to be hoped that the officers of the company will see their way clear to give our borough the boost that would follow upon the erection of a new station and the tunneling of Essex avenue.

The awkward and roundabout method required to go from one side of the borough to the other over the bridge at Narberth avenue is a handicap to trades people, as well as to every class of automobile and vehicle driver. A tunnel at Essex avenue would be a leap in the right direction in the effort to establish quick and direct communication between the two sides of the borough. This is an improvement that will add much to the proper development of the real estate values in the borough, particularly on the south side.

FLETCHER W. STITES,
State Representative.

From Burgess Henry

Editor "Our Town":—Sometime ago there was considerable discussion in your columns concerning the need of a new railroad station and also a tunnel at Essex avenue in order to furnish a more convenient thoroughfare between the north and south sides than is afforded by the present overhead bridge with its steep approaches and narrow roadway. At that time a petition, signed by a large number of citizens, was presented to the Pennsylvania Railroad requesting the making of these improvements. The fate of the petition is not known, but our failure to obtain the much needed improvements would afford some basis for the theory that it went the way of all good scrap paper in times of high prices and shortage of materials in the paper market. However, this may be, the subject is again brought to the front by the announcement of our post-

master that a new building must be provided at an early date. If such building is to be erected on railroad property, a logical plan of development of the whole would include the much desired new station and tunnel to be constructed at the same time. A re-opening of the campaign at this time would seem to be in order.

GEORGE M. HENRY,
Burgess.

From President Loos

Editor "Our Town":—The need in Narberth of a new railroad station and post office and tunnel under the railroad at Essex avenue is forced on our attention many times daily. From time to time these matters have been tentatively taken up with the authorities of the Pennsylvania Railroad, but without result.

The rapid growth of our population, which has more than trebled since 1900, until it is upwards of 3000, causes the utmost inconvenience to the postmaster and to the public. There are barely 125 square feet of room for the public in the post office, and the room for handling the mail is so small that it must be handled in another building at Christmas and other times of great congestion. This causes much loss of time and greatly increases the liability to error in distribution. The health of the postmaster and assistants is greatly jeopardized by the small air space in the poorly ventilated, dark room. This condition demands immediate remedy.

The shed on the south side of the track is entirely inadequate to accommodate the crowds in the rush hours, especially in inclement weather, and the separation of the north side from the south side is of the greatest inconvenience to our merchants in making deliveries.

Narberth is a most progressive town. Upwards of \$50,000 have been expended in reclaiming a waste tract of land and creating a beautiful park. We have splendid schools, churches, Young Men's Christian Association and other progressive organizations, and our roads are being brought up to a high standard of excellence. Everywhere there are evidences of improvement, except in the three particulars mentioned above.

The town is just as it was upwards of twenty-five years ago in regard to its station, post office and facilities for communication with the south side. We appeal to the Pennsylvania Railroad authorities to give these matters the serious and prompt attention they deserve. May we not expect at least as much consideration as is given to stations with much less population and communities that have done no more for local improvement?

A. J. LOOS,
President Narberth Civic Association.

COMMENCEMENT WEEK

(Continued from Third Page)

the gift. You have built a monument unto yourselves which will last throughout the years to come, and this beautiful gift will spur the directors in their efforts to further beautify and improve the school grounds.

"Your directors need all the light they can get for the faithful performance of their duties to this district, and in the future for at least twelve times a year, your light will guide them to their meeting place and be a reminder to them to put forth their best efforts for the school.

"On behalf of the Board of Directors and in the interest of the citizens of Narberth, I gratefully accept your generous gift with my sincere thanks for it."

Senior Farewell Party

On Saturday night the big week was brought to a happy close by the Senior Party. This is something new and novel. It replaces the Senior Dance given in Elm Hall in past years.

This was a real party—a happy, informal all get together crowd of directors, faculty, parents of the Seniors and members of the alumni.

Palms, rugs, tables, cozy chairs and orchestra occupied one end of the auditorium, and the other part was cleared for the young people who cared to step off the Paul Jones during the interims on the program. The faculty quartet entertained. Mr. Durbin, on behalf of the parents, spoke and then in his masterful way recited several selections. Miss Wilson and Miss Melchior further entertained for the faculty. Just what became of the school board soloist no one knows. There was an adjournment to the light posts, and the dazzle thereof evidently blinded the return path.

Refreshments were served to about one hundred and fifty persons.

At an early hour everybody said good night and quietly returned to their homes—tired after a week of school activities, but happy.

Valedictory

Mr. President, Ladies and Gentlemen: Although the valedictory has not been a customary part of our commencement program, the class of 1917 has requested this privilege that we might publicly express our appreciation of the countless efforts exerted by you in our behalf during the happy years, which we have spent in the Narberth schools. For you know, "A rose to the living is worth sumptuous wreaths to the dead."

First, gentlemen of the School Board: Few citizens realize the many

hours that you have spent without remuneration for the boys and girls of Narberth. Perhaps even we do not know, but let me assure you as we go from this school we will ever hold in memory your sincere devotion to the work to which you have been entrusted.

Now honored members of the faculty with whom we have lived for four years: It is with deepest regret that we must say good-bye to you. In speaking for this our class I take this opportunity to thank you from the bottom of my heart for your ever ready help, your unfailing encouragement and the many extra hours of your time, which you so willingly have given us. You have considered us not as a class, but as individuals and we thank you.

To you, student body: I want to say that we shall long remember your pleasant companionship. Although perhaps we are not leaving behind us a record of scholarship we do hope that we leave one of deportment with all which that word may mean. Where we have done well, remember it; where we have erred, try to forget it.

Parents and friends: At this the culmination of our school course we wish also to pay tribute to you, for were it not for your help and influence we might not be here to-night.

Last of all devolves on me the farewell to you dear classmates: For four years we have worked in school life together. Many and happy have been our times of meeting, but this is our last "farewell" as pupils. When it was first my pleasure to enter the Narberth schools we were strangers, but gradually we came to add comradeship to mere acquaintance and then to expand that comradeship to true friendship. It is with joy that I review the happy years spent with you, full of difficulties surmounted together and pleasures enjoyed together.

Now has come the moment to say farewell to all. Farewell, and with this word I link its full significance. May it be well with you one and all.

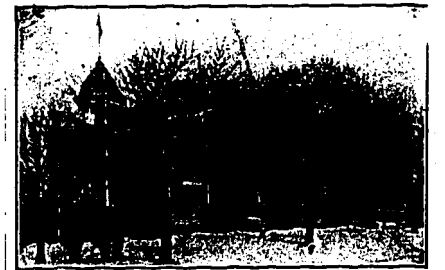

Now, we pledge our hand, our minds and our hearts to this our school. Farewell!

SCHOOL NOTES

The school heartily tenders its vote of thanks to John Albrecht for the large number of first class potted plants, presented to the school during Commencement Week.

Two of the addresses of Commencement Week that made a great impression upon the students were those of President McCarter when he, in behalf of the board, received the gift of the senior Class and the other was the wholesome common sense advice given by William Durbin at Senior Chapel, to the student body.

Class Day, so unique in its make-up was full of pep and ginger. Every number was par excellence. For details see full account under Commencement Week in this issue.

In the school office there are many articles lost by pupils and visitors. We shall be glad if any one interested, call at the school office this week and claim anything belonging to them.

How is this for a perfect record of attendance, three full years without an absence, a tardiness or an early dismissal? Annette Melchior holds this record. The same record for one year is held by Elbert Maltby, of the first grade; Edith Maltby, of the third, and Ralph Beatty of the High School.

It is always fine to see so many old residents return to greet teachers and pupils. This week many have come. Some have returned almost daily.

This Monday and Tuesday were busy days at school for the faculty. We saw some members slip up the hill early as 7.30 and others wended their way home at 6 P. M. But we peeped in on them in the afternoon and found them happily whistling, singing, but working—too busy to talk to us. Every teacher leaving is going to leave records, texts, outlines, equipment and supplies in first class order for their successors. That's Narberth spirit.

Pupils who failed to report for their final report slips may do so on Friday morning, at which time Mr. Melchior will be in the school office.

School Editor.

Seven Teachers Leave Narberth

"Where are the teachers? Why do they leave?" Questions asked daily. For answers ask Cupid. The arrow has done fatal work in Narberth schools. It has had five victims.

The following leave for "Secret Service": Misses Melchior, Kemery, McCarter, Twining and Read.

Miss Wilson, goes to Spring City, where she has accepted a position. Mr. Rogers will probably go to Washington, D. C., to engage in chemical work under the government.

The teachers that we shall welcome to our midst next fall are:

- Miss Louise Baynton, of Vassar, English Department.
- Miss J. June Cross, of Syracuse University, Music and Drawing.
- Miss Anna L. Swartz, Mount Holyoke, Sciences.
- Miss Maud M. Guthrie, Elementary Department.
- Miss Elvive C. Wright, Elementary Department.

The latter two are normal graduates of several years' experience.

Miss Ella H. Snively, Miss Rosa K. Sample and Miss Margaret Duncon, Elementary Department. Normal graduates of one year's experience.

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy" manuscripts—must reach the editor by 6 P. M. Monday each week.

Commencement Week

A happy vacation to all! After the heat and excitement of Commencement Week a few cool days for rest and reflection will be most welcome. It was a gay week—full of the joy of completed endeavor and tinged with the sadness of parting.

Baccalaureate Sermon

The Commencement Week began formally on Sunday evening, June 17, when the baccalaureate sermon was preached by the Rev. C. G. Koppel, in the Methodist Church, to a large and sympathetic gathering of students, faculty and friends of the school. A full account of this service was given in last week's issue.

Work and Play

The first four days of the week were devoted to final examinations, which were late this year on account of delay in opening school last fall. The dates of the more frivolous happenings of the week were arranged so as not to interfere with this work. In spite of the strenuous combination of work and play, plus measles and chicken pox, the results of the examinations are in most cases quite satisfactory.

Alumni Night

On Tuesday night the Alumni Association entertained the Senior Class and other guests with "High Class Movies," producing a feature play entitled, "Love Triumphant, or the Charmed Cow." The show was original in theme and treatment and most entertaining. After the play, the retiring president, Miss Ruth Prescott, introduced the new president, Miss Mildred Justice, and the evening ended with an informal dance and refreshments.

Class Day

On Wednesday afternoon the graduating class held its Class Day exercises in Assembly Hall. The president of the class, Virginia Downes, welcomed the guests charmingly and introduced her classmates in their turn. The Class History was given by Margaret Eyre, who has been a member of the class since its beginning. She was followed by William Durbin, who gave sage advice to the Juniors. His words of admonition were received with emotion, and, it is to be hoped, will be taken to heart by the coming Seniors.

Elizabeth Speakman then presented appropriate gifts to her classmates with a very clever speech explaining the fitness of each gift. It is too bad Elizabeth did not give anything to herself—after her performance at Class day, we suggest a laurel wreath to crown her poetic genius. The Faculty was next advised of its faults and shortcomings by Eleanor Ward. As a result Narberth expects to have next year a wiser and better body of teachers. To Roy Perry Redifer fell the sad task of willing away the wit and beauty of the class. After thus disposing of its past the class looked to the future through the prophetic eyes of Leslie Smith, and all were delighted to find themselves famous and of service to the world according to their talents.

1917's Gift

After the singing of the Class Song, written by Elizabeth Speakman and Virginia Downes, the guests were in-

ited down to the lawn for a continuation of the exercises. Here the Class Ivy was planted by Virginia Downes and the gift of the class presented to the school. This is a beautiful gateway at the main entrance to the school. There are two graceful posts carved with "Class 1917," and supporting handsome lamps and a lasting memorial to the class, but also supplies a practical and much-needed light on a dark street. The gift was accepted by President McCarter, who expressed the gratitude of both the Board of Directors and the town. Mr. McCarter's acceptance speech will be found elsewhere in this issue.

Senior Chapel

On Thursday morning at the regular time for opening school the Seniors conducted the devotional exercises. Each member had a part in the services, which though short were impressive and significant of the part the Assembly exercises hold in the life of the school.

Athletic Prizes

Thursday afternoon the auditorium was the scene of quite a different kind of meeting. The whole school assembled for the announcement of the winners in the Field Day Sports, and the distribution of N's, cups and medals. Mr. Emmett presented the prizes. President McCarter, through the principal sent his regrets at his necessitated absence and his heartiest congratulations to all the lucky ones. Mr. Melchior then presented Mr. Emmett with the official N amid the roaring applause of the student body. At the close of the awards, the school gave a hearty cheer for Mr. Emmett, the physical director, who has finished his first year with great success in every line of his work. The meeting then gave a rising vote of thanks to the Board of Education for their assistance and encouragement in the athletic work of the year, and another vote of thanks to President McCarter for the personal interest and loyalty he has shown this year.

Junior-Sophomore Party

The members of the Junior and Sophomore Classes gave a farewell party to the Seniors on Thursday evening. No other guests were invited except the High School Faculty. The program was quite informal—different persons being called on to do "stunts" and all responding nobly to the call. The faculty gave an impromptu performance of "Uncle Tom's Cabin," which was greeted with enthusiastic applause. There was also some very delightful singing and a warmly contested spelling bee. The prizes for "excellence" were silk flags of the United States and her Allies.

The Last Day

At the final chapel exercises of the year on Friday morning many of the parents and friends were present. Every class took part in the exercises, either with a memory gem or song, in which she made a plea for the Red Cross, saying that even little folks could help in some way, and that everybody's help was needed. Mr. Melchior read the names of those who had a perfect record in attendance for the year. This means no tardiness (excused or unexcused), no absence,

and no early dismissal. This list of honor is as follows:

- First grade—Elbert Maltby.
- Third grade—Edith Maltby.
- Fourth grade—Annette Melchior.
- High school (tenth grade)—Ralph Beatty.

Annette Melchior's record is perfect for three years.

At 11.30 the school came together again to be formally dismissed for the year. Mr. Melchior read the list of teachers who will not return next year, and the list of new teachers who have been appointed. There were brief farewell speeches by Miss Melchior, Mr. Rogers, Miss Reed and Miss Kemery. Carroll Downes spoke for last year's class and Sydney Trotter for the Juniors, who then sang "Good-bye" to those who are leaving. George Rose and Elizabeth Miller, of the Class of 1919, bade farewell to the Faculty and the Seniors and after a verse of the "Home Going Song" the school year was declared ended.

No one present could help feel the close friendship between principal, teachers and pupils and the Alumni. Mr. Melchior's short address to the students, his tribute to his loyal faculty and his sister, who has been his private secretary and school secretary were full of the spirit with which he works with his faculty. The same spirit that prompted his words of farewell to the seven members of the faculty who will not return, will

heartily welcome the nine new members who will report next fall to join the happy hard-working band.

Commencement

The evening for Commencement was fine—for once, no rain.

The auditorium was this year decorated with palms and cut flowers, a departure from the past year, when there were bowers of calamus and daisies, or honeysuckle. The palms were loaned by Mr. Hopper and Mr. Albrecht. The effect was beautiful. The artistic rostrum always lends itself well to decoration.

Promptly at 8 P. M. (and that is nothing new for Narberth schools) the chorus entered, soon followed by the Board of Education and the Class.

The girls were tastefully dressed and carried modest bouquets. How much better than the gaudy display of the average high school commencement of many colors!

The following was the program, including a short but touching talk to the Seniors, preparatory to his presenting the Class to the president, and also a farewell word by President McCarter. The audience here were face to face with a board that works with its faculty, with a president who has his heart in his work. Mr. McCarter took the opportunity to express his appreciation of the faithful services of everyone including Mr. Bowman, the janitor.

As usual, one of the big features of the evening was the music by the

girls of the High School, under the direction of Miss Wilson.

A departure from the usual program was the inclusion of a short salutatory by Margaret Eyre and a valedictory by Virginia Downes. The girls spoke well, and their words counted.

Program

MISS MAUD WETHERILL'S SCHOOL CLOSES

Only those fortunate enough to be present at the closing exercises of Miss Maud Wetherill's school can appreciate the wonderful progress made by her pupils in the past year.

The number of songs and recitations they had memorized was astonishing their graceful Egyptian exercises charming and for nearly two hours those six children entertained the audience in a way most gratifying to their teacher who had worked so hard all winter to bring about these results.

Fourth of July Tennis Tournament Being Arranged

A Fourth of July tennis tournament is being arranged by the Narberth Tennis Association. Only doubles will be played.

The matches will start Saturday afternoon, June 30, will be continued all day Fourth of July, and the finals will be played Saturday, July 7.

All members are invited to enter, and to see any member of the Tournament Committee or any of the officers for details. There will also be an announcement of particulars on the Bulletin Board at the courts.

NOTICE TO ALL PERSONS OWNING OR HARBORING UNLICENSED DOGS

In compliance with the Act of June 3rd, 1915, notice is hereby given, that after June 23rd, 1917, the Commissioners of Montgomery county will call upon the constables of the county or State Constabulary, to kill all dogs in the county of Montgomery, not wearing license tags, regardless of whose property they may be, (6-21.)

Roy A. Hatfield,
Harmon Y. Bready,
William Warner Harper,
County Commissioners.

PRIMARY ELECTION

In odd numbered years, like 1917, the fall primary elections will be held on the third Wednesday in September, instead of the first Tuesday, as heretofore. A bill to this effect has just passed the Legislature.

CONTRIBUTORS, NOTICE!

For the past two and a half years the following item has appeared, with a few exceptions, in every week's issue:

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

And still many of our good contributors who help so much toward making Our Town a success, continue to mail their "copy"—manuscript—on Tuesday, and even sometimes on Wednesday—the very day on which this paper is mailed. It is imperative that all items must be in the editor's hands on Monday evening, as hereafter all items received after the specified time will not appear in the current week's issue, thereby in most instances making the "copy" stale news for the following week.

THE FIRESIDE

(Continued from First Page)

A union service of the churches was held on the lawn at Narberth and Woodbine avenues with an attendance of 180. Rev. Chris. G. Koppel, of the Methodist Church, presided. Rev. John Van W. Ness, of the Presbyterian Church, read the scriptures and the Rev. Avery S. Demmy, of the Baptist Church, preached the sermon.

The first outdoor service of the Union twilight meetings will be held on Sunday evening, July 1, and will be in charge of Rev. Chris. G. Koppel, of the Methodist Church. A hearty welcome, together with good preaching, and singing awaits you all. The time, 6.30; the place, corner of Narberth and Woodbine avenues.

Through some mistake in advertising "by invitation only" for the Class Day exercises at the Public School on Wednesday there were very few present. It seemed such a pity, as it was one of the most interesting Class Days ever held in the Narberth Public School. Seven bright girls and boys entertained their friends with various speeches.

The next union prayer meeting will be held on June 27 at the Baptist Church with the Rev. Avery S. Demmy presiding. Due to the fact that this particular Wednesday is July 4, it has been decided to advance the services for this particular evening to July 11, when the services will be held in the Baptist Church in charge of Rev. John W. Van Ness.

Donations will be gladly received at this time toward the procuring of a Victrola for the lobby of the Y. M. C. A. If you have an old machine which is still in running condition and would care to donate same, you may rest assured that there will be a bit more noise in the lobby these hot days and the boys will certainly enjoy it, too. "Do your bit and help now."

The first of a series of silver teas to benefit the Y. M. C. A. was given by Mrs. Alex. Chamberley, on Thursday of last week, and proved to be decidedly successful, both socially and financially. Those contributing were Mrs. C. L. Smith, Mrs. S. Dickey, Mrs. E. Odell, Mrs. A. A. Chalkler, Mrs. A. H. Wilson, Mrs. D. A. Stickney, Mrs. N. E. Smedley, Miss Mildred Chamberley, Mrs. Cockrill, Mrs. J. W. McAuliffe, Mrs. C. E. Kreamer, Mrs. Thomas Trotter, Mrs. J. F. Smith, Mrs. P. B. Krout, Mrs. John Roberts and Mrs. Schlecht.

The Arcade Theatre, Narberth, is featuring some very high class photo plays every Tuesday, Friday and Saturday evening. The following program is interesting, and it is very evident that good movies are very near us, and should be well patronized: Friday, June 29—"Somewhere in Grenada." 5th episode of "Pearl of the Army." Added attraction, "The Wages of Sin."
Saturday, June 30—Special program of exceptionally fine pictures, with popular stars.
Tuesday, July 3—Miss Alice Joyce and Harry T. Morey in "Whom the Gods Destroy," by Cyrus Townsend Brady.

A farewell party was given to Miss Helen M. Wilson last Wednesday evening by the elite of Narberth at the Cooke mansion on Narberth avenue. Those present were Misses Nellie Cooke, Sydney Bolich, Dorothy Durbin, Edith Humphreys, Ruth Haws, Helen Wilson, Margaret Eyre and Helen Daff; Rev. U. S. Kno, Lieut. George, of the U. S. N.; The Duke of Essex, Capt. Holmes, Hon. Bosch, of

Philadelphia; Dr. Biddle, Mr. Snede and Mr. Grando. All present had a lovely time. The guests indulged in an exciting game of hide-and-seek, after which heavy refreshments were served. The evening ended with dancing and dish washing.

NARBERTH SCHOOL ATHLETICS

The athletic season of Narberth Public Schools for 1917 is ended. All in all, we have had a very successful year. We have not won all our games, but we have played hard for each one and more boys and girls have participated than ever before.

A brief summary of the results is as follows:

Girls' Basket Ball—Played 10, won 6
Girls' Tennis team—Played 3, won 3
Boys' Basket Ball—Played 19, won 11.

Boys' Base Ball—Played 5, won 3.

The following girls won their letters: Elizabeth Miesen, Helen Duff, Edith Humphreys, Leila Anderson, Ruth Haws and Sydney Bolich in basket ball.

Edith Humphreys, Helen Duff, Eleanor Eyer and Doris Von Culin in tennis.

Leslie Smith, William Durbin, Perry Redifer, John Dickie, in basket ball.

William Durbin, John Dickie, Quincy Yowell, K. Walton, L. Smith and Sydney Trotter, in base ball.

For the coming year, Kenneth Walton was elected captain of the basket ball team and George Rose, manager.

Thursday was Trophy Day, at which time the letters were given out. At this time also the spring sports medals were distributed. The Seniors for the third successive year won the cup for the highest number of points; they having obtained 25 points to 21 of the Juniors. The Freshmen girls won their cup by 16 points, beating the Juniors by 2 points.

William Durbin had the highest individual score, but having won the medal two years, he kindly gave it to the next highest man, Sydney Trotter.

In the grades, the seventh won a cup from the sixth and eighth, and the fifth class won the banner for the second year.

Warren Speakman and Ben Yowel each received a bronze medal for high scores in their classes.

Thus ends our athletic year, but with two month's vacation we are coming back with some good things for the boys and girls of Narberth in the coming year.

FOR YOU AND ME

The local Board of Health has received a communication from the State Health Department, which points out the need of an energetic clean up in all localities, in order to assist in the controlling of any possible epidemic of infantile paralysis that may occur this summer. There were 2000 cases in Pennsylvania between July 1, 1916, and the end of the year, with 500 deaths. The fatalities might have been much greater had not the citizens adopted the measures suggested by the State authorities and it is urged that no effort be spared to repeat, or rather redouble, those measures this season.

Space does not allow us to print the full text of the Harrisburg communication, but the following extracts should be carefully noted by every resident of the borough and followed to the letter. The Board of Health is instructed to enforce these rules:

Stables—in Towns and Villages
Manure must not be allowed to accumulate in open piles. The daily contents should be placed in pits or bins tightly covered or thoroughly fly screened.

It must be removed once a week from the first day of May until the last day of November.

Stables must be cleansed daily.

Garbage
Garbage when kept must be placed in covered containers. The containers must be scrubbed clean with the liberal use of soap and water before refilling.

It must be collected at least three times a week from May 1 until November 1; the balance of the year it must be removed often enough to permit the container being kept closed.

Rubbish and Ashes
Rubbish, and ashes mixed with rubbish, must be collected regularly and disposed of in such a way as not to cause a nuisance.

House Cleaning
All vermin, such as lice, bedbugs, roaches, flies, mosquitoes, rats and mice should be exterminated.

Kennels, boxes and cages used by household pets should be frequently

cleansed and disinfected, including floors, carpets, etc., used by them.

Cellars should be kept clean at all times; this includes the floors, walls and ceilings. Cellars should be kept dry. Cellars should have the windows as well as all other openings for ventilation, etc., fly-screened.

All houses should be thoroughly screened by the end of April and the screens kept in good condition until cold weather, or when insect life has ceased its activities.

General

Surface drainage of kitchen, 'aundry and bath waste water should not be permitted unless it is sprinkled over a large surface, where it will not reach a stream, and never to such an extent as to sour the ground.

Where no sewer system is available, separate cess pools had better be built to receive this waste water.

Streams must not be used for the dumping of sewage, garbage, ashes or rubbish of any kind.

Pools of stagnant water or any mosquito breeding places should be drained.

Water barrels, cisterns, etc., should be covered or screened.

All highways should be treated so as to keep down dust.

Street gutters should be frequently flushed out and kept free from accumulations of rubbish.

Ground where manure or garbage has stood or where made foul by surface drainage should be cleaned and treated with unslaked lime.

Foodstuffs exposed for sale must be protected from flies, dirt and domestic animals, and where exposed for sale on sidewalks they must be elevated above the pavement at least 24 inches.

It would be well during the coming

summer that children under sixteen years of age should not be allowed to congregate unnecessarily in public places.

- The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
- As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
