SUGAR LANDS FOR SALE.

TWO handsome tracts of land adjoining each other, one 31 arpents, the other 14 arpents

on the river, by 40 in depth, situated in the parish of Plaquemine, left bank of the river, distant about one mile from the plantation of Mr. Williams, and 30 miles from town.

The tract of 31 arpents is covered with wood down the river, furnishing good fuel as well as cypress. Of the tract of 14 arpents front, about 100 arpents cleared, and can be worked and cultivated immediately. The two united would form every handsome Sugar Estate.

The experience of many years shews that the sugar cane succeeds better in this parish than in any other part of Louisiana; that it yields better and in much less subject to frost. The rolling season is generally prolonged to the last days in January without inconvenience. There are now in this parish 22 Sugar Plantations, some of which have not more than from 20 to 30 working hands; and yet this parish during the present season will produce near eight millions pounds of sugar.

Seven steam boats are built or building for the purpose of towing vessels between the Babie and New-Orleans, which secures a good price for the fire wood and insures an important revenue from the uncleared land.

The above tracts of land will be sold together or separately as may suit purchasers, and a long credit will be given on proper security.

For further information, as well as for terms and price, apply to Mrs. A. Abat and Etienne Macary or to Mr. C. B. Dufau, in New-Orleans, or on the parish of Plaquemine.
