INSTRUCTIONS FOR USE OF FORM MGP 7
(Local reproduction of this form is not authorized)

1. This form will be used to release to the Japanese supplies and facilities procured by procurement demand.
2. The procurement release number assigned this release will be the same as was used on the demand for the supplies and facilities hereon with the following changes: Third group—A consecutive letter sequence for partial releases starting with the letter A for the first return (partial release). Illustration: KYTE-5 or KYTE-5-A.
3. Item numbers will correspond to those used on the procurement demand, whenever possible.
4. Specific description of supplies and facilities released will be as stated on the receipt.
5. If a single account code is not applicable to all items on the release, enter after each item described, the proper account code given in Incl 5**.
6. Detach the lower half of all except the last page, if more than one page is required.
7. A revaluation will be made of the supplies and facilities being released, calculated as given in Incl 6**. The original or previously reported value, the corrected or recalculated value, and the net change in value will be entered on all copies *except those given to the Japanese.*
8. Under "Remarks", include the following, if appropriate:
   a. Whether delivery of the released supplies and facilities is made by the Japanese or occupation force.
   b. Reference to attached statements, sketches, plot plans, maps, overlays and inventories.
9. Both representatives will sign all copies of the release and inventory.
10. List of papers in connection with release, number of copies and by whom prepared:

a. Procurement release, Form MGP 7	5 copies	Appropriate staff section
b. Plot and building plans	4 copies	Using unit
c. Inventory	4 copies	Using unit
d. Statement of discrepancies between inventories	4 copies	Using unit
e. Statement of alterations changing value	2 copies	Appropriate staff section

11. Distribution of papers and number of copies:

a. Central Records	1 copy	of 10a above.
b.* Military government unit	1 copy	of a, b, c, d and e
c. Appropriate staff section	1 copy	of a, b, c, d and e
d. Japanese Liaison Office	1 copy	of a, b, c and d
e. Japanese supplier	1 copy	of a
f. or Japanese property owner	1 copy	of a, b, c and d
g. or Japanese contractor	1 copy	of a

12. Partial releases will be prepared and distributed in the same manner.
13. Military Government unit will forward Central Records copy directly to Military Government Section, Headquarters Eighth Army, APO 343, attention Procurement Division.

* When release is received by a military government unit which did not prepare the demand, extra copies of each paper must be made for the files of the unit which prepared the demand. The location of the unit which prepared the demand can be ascertained from the prefix letters of the demand number.

** Inclosure references are to Eighth Army Operational Directive.

INSTRUCTIONS FOR USE OF FORM MGP 7

(Local reproduction of this form is not authorized)

1. This form will be used to release to the Japanese supplies and facilities procured by procurement demand.
2. The procurement release number assigned this release will be the same as was used on the demand for the supplies and facilities hereon with the following changes: Third group—A consecutive letter sequence for partial releases starting with the letter A for the first return (partial release). Illustration: KYTE-5 or KYTE-5-A.
3. Item numbers will correspond to those used on the procurement demand, whenever possible.
4. Specific description of supplies and facilities released will be as stated on the receipt.
5. If a single account code is not applicable to all items on the release, enter after each item described, the proper account code given in Incl 5**.
6. Detach the lower half of all except the last page, if more than one page is required.
7. A revaluation will be made of the supplies and facilities being released, calculated as given in Incl 6**. The original or previously reported value, the corrected or recalculated value, and the net change in value will be entered on all copies *except those given to the Japanese.*
8. Under "Remarks", include the following, if appropriate:
   a. Whether delivery of the released supplies and facilities is made by the Japanese or occupation force.
   b. Reference to attached statements, sketches, plot plans, maps, overlays and inventories.
9. Both representatives will sign all copies of the release and inventory.
10. List of papers in connection with release, number of copies and by whom prepared:

a. Procurement release, Form MGP 7	5 copies	Appropriate staff section
b. Plot and building plans	4 copies	Using unit
c. Inventory	4 copies	Using unit
d. Statement of discrepancies between inventories	4 copies	Using unit
e. Statement of alterations changing value	2 copies	Appropriate staff section

11. Distribution of papers and number of copies:

a. Central Records	1 copy	of 10a above
b.* Military government unit	1 copy	of a, b, c, d and e
c. Appropriate staff section	1 copy	of a, b, c, d and e
d. Japanese Liaison Office	1 copy	of a, b, c and d
e. Japanese supplier	1 copy	of a
f. or Japanese property owner	1 copy	of a, b, c and d
g. or Japanese contractor	1 copy	of a

12. Partial releases will be prepared and distributed in the same manner.
13. Military Government unit will forward Central Records copy directly to Military Government Section, Headquarters Eighth Army, APO 343, attention Procurement Division.

* When release is received by a military government unit which did not prepare the demand, extra copies of each paper must be made for the files of the unit which prepared the demand. The location of the unit which prepared the demand can be ascertained from the prefix letters of the demand number.

** Inclosure references are to Eighth Army Operational Directive.

DECLASSIFIED E.O. 12065 SECTION 3-402/NNDG NO. 17503

Mar. 28th, 1950.

FROM: Director of Kure Minesweeping Base, Hiroshima Maritime Safety HQ.

TO : Capt. N. D. Smith, Bomb Disposal Sect., BCOF Engr. Regt., Kure.

Subject: Disposal of Ex-Japanese Naval Practice Torpedo.

1) Fishing-boat "EBISU-MARU" caught a torpedo in its net while fishing at the point 8 miles west of Aoshima, Nagahama-cho, Kita-gun, Ehime Prefecture on Mar. 10th, 1950 and kept it safely mooring at the coast of Nagahama.

2) As a result of the investigation by our despatched officials, it was recognaized to be the ex-Japanese Naval Practice Torpedo without powder and quite safe, so we carried it back to Kure by our tug-boat and kept it landing on the north-side quay of No.4 Dock, the Harima Shipbuilding Works, Ltd., Kure Dock.

3) We hereby entreat you to permit us to dispose of the said torpedo into pieces of scrap by the Harima Shipbuilding Works, Ltd., Kure Dock under your supervision.

(THE END)

May be used for scrap

Capt. Smith.
