TO : HON. TETSU KATAYAMA,
PRIME MINISTER

FROM : MR. SADAJI ASANO,
PRESIDENT OF THE NAIGAI TRADING CO.,LTD.

SUBJECT: Reasons for Petitioning re Article VI of Law for Termination of Zaibatsu Family Control

I. Reason for Entering the Okura Shoji K.K.
(at present known as The Naigai Trading Co.,Ltd.)

I graduated from the Mechanical Engineering Dept. of the College of Engineering, Tohoku Imperial University in March 1913 as per the attached Curriculum Vitae and became a teacher of the School of Commerce & Industry in Niigata Prefecture and an official of Government Railways, and thence I entered Takata & Co. in April 1917. Takata & Co. at that time represented the Vilter Manufacturing Co., Milwaukee, Wis., U.S.A. as their sole agents in Japan. The products of the Vilter Mfg. Co. were imported by Takata & Co. in large quantities and were widely utilized in ice-making and refrigerating plants.

I, from the date of entering Takata & Co., managed and specialized in the work concerning the technique of this refrigerating industry. The Vilter Mfg. Co. requested Takata & Co. to send a well-qualified engineer for low temperature, ice-making and refrigerating industries, to be trained at their factories, and I was selected as the suitable engineer and sent to the United States in June 1922. I was actually trained at their factories as a practical engineer in this special field, and I returned to Japan in August 1923 after obtaining the training to the full. But Takata & Co. went into bankruptcy through the financial panic which took place in 1923; and therefore, the sole agency of The Vilter Mfg. Co. was transferred to Okura Shoji K.K. (Okura & Co.(Trading),Ltd.) on the condition that I, who mastered the technique of The Vilter Mfg. Co.'s products, was to be employed by the said Okura & Co. Thus I became an unofficial employee of Okura & Co.(Trading),Ltd. in July 1925 and from then I specialized in and managed the business in connection with the refrigerating industry. I formally became a staff member of the said company in June 1930 and further in June 1942 assumed the auditorship of the company.

As stated above, the sheer reason why I entered Okura & Co.(Trading),Ltd. was nothing but to transfer the sole agency of The Vilter Mfg. Co. along with my technique acquired at their factories.

II. Circumstances for Assuming the Official Petition

(a) Actual Circumstances for Assuming the Official Position

I assumed the position of auditorship in June 1942 and that of directorship in June 1943, under the actual conditions described as below:

I understand that I was recommended to the official position for the following reasons, namely, the prosperous business I brought about for The Vilter Mfg. Co. and the excellent services I rendered to them during 18 years after entering Okura & Co.(Trading),Ltd., and the absolute necessity of my remaining in the said company for the execution of the business of The Vilter Mfg. Co., and moreover, the fact that I was to resign from Okura & Co. in accordance with their Rules of Age-Limit (Staff members to be retired at the full age of 55 and officers at 60), etc. For these reasons I was recommended to the official position in May 1942 and I assumed the position of auditorship in June 1942 at the general meeting of the shareholders and then assumed the position of directorship in June 1943.

Although I occupied the above-mentioned position, my work, even after assuming the official position, remained entirely unchanged: I had my place in the Machinery Dept. devoting myself to the work concerning the business of The Vilter Mfg. Co. as well as to the business of heating and refrigerating plants.

(b) Formal Procedure for Assuming the Official Position

The Board of Directors of Okura & Co.(Trading),Ltd. used to determine the recommendation of officers and to report the condition of their recommendation to Baron Kihichiro Okura, President of Okura Mining Co.,Ltd., prior to the general meeting of the shareholders, as the latter company was the main shareholder of the former, asking him to appoint the officers at the general meeting of the shareholders.

As stated above, my assumption of the official position is entirely different from that of any other officer who was trained within the Okura Zaibatsu and assumed a directorship or auditorship after many years of services, and my real work remained just the same as that of the staff members.

For all these reasons, I consider it incorrect if I am recognized as an appointee of the Zaibatsu and hereby beg to apply for your approval on the fact that I am not an "appointee" of the Zaibatsu.

Furthermore, after the termination of the War a majority of the officers retired from Okura & Co.(Trading),Ltd. (at present known as The Naigai Trading Co.,Ltd.), but I, on the recommendation of the Labour Union, has remained in office up to the present, assuming the presidency of the said company in April 1947.

CERTIFICATE

February 4, 1948

The Labour Union of The Naigai Trading Company, Ltd. hereby certify that Mr. SADAJI ASANO was one of the fifteen (15) candidates nominated by the said union on January 22nd, 1947, as successors to the former executives of the company.

To : Hon. Tetsu Katayama
Prime Minister

From : Mr. Sadaji Asano
President of The Naigai Trading Co.,Ltd.

Subject: Reason for Petitioning re Article VII of Law for Termination of Zaibatsu Family Control

With reference to the petition previously filed in accordance with Article VI of the above-mentioned law, I hereby beg to make further petition in pursuance of Article VII as follows:

1. I am not applicable at all to the following:
   a. Member of the Okura Family
   b. Married to any member of the Okura Family
   c. Parents, children, brothers and sisters of the Okura Family
   d. Married to any one under Item C.

II. When I assumed the official position in Okura Shoji K.K. translated in English as Okura & Co.(Trading),Ltd. (at present known as The Naigai Trading Co.,Ltd.) there was no definite arrangement which necessitated approval from the Okura Zaibatsu or from Okura Mining Co.,Ltd., which is a direct affiliated company of the Okura Zaibatsu.

The directorship or auditorship of Okura & Co.(Trading),Ltd. was decided according to the following procedure:

The Board of Directors used to select officers whom the company considered it worth while to appoint as directors or auditors from its own independent standpoint and to report the reason and circumstances of their recommendation to Baron Kichiichiro Okura, President of Okura Mining Co.,Ltd., prior to the general meeting of the shareholders of Okura & Co.(Trading), Ltd., as the former company was the main shareholders of the latter, asking him to simply appoint the selected officers at the said general meeting. Thus, I was recommended as the offic according to this procedure.

III. On June 5, 1942, I assumed the position of auditorship and further the position of directorship on June 7, 1943.

Even after assuming the official position, my work remained entirely unchanged as I devoted myself to all the business pertaining to the sales of heating and refrigerating plants manufactured by The Vilter Manufacturing Company, etc.

It is obvious, therefore, that I actually did not hold any authorizing or controlling power as a representative of Okura & Co.(Trading),Ltd. at present known as The Naigai Trading Co.,Ltd.

IV. I did not hold concurrently and jointly more than four officers' positions in the affiliated companies of the Okura Zaibatsu, as enumerated in the attached sheets III, IV and V concerning Regulation for the Enforcement of Law for Termination of Zaibatsu Family Control.

Certificate

This is to certify that Mr. Sadaji Asano was elected auditor on June 5, 1942, at the 61st regular general meeting of the shareholders of Okura & Co.(Trading),Ltd., with the reasons as stated below:-

The company procured the sole agency for the Vilter Manufacturing Company, Wisconsin, U.S.A., in 1923, and Mr. Sadaji Asano was in charge of all the business connected with the said manufacturing company, but in March 1943 he reached the company's age-limit and was to be discharged according to its regulations, the retirement age-limit being full 55 years. If this had been realized with the resultant discontinuation of the Vilter business, it would have meant the violation of the terms of sole agency the company entered into with the Vilter Manufacturing Company and further it would have hindered the execution of all the business of the said manufacturing company, and in order to overcome the difficulties he was elected an officer (the age-limit for officers being full 60 years), thus extending his term of service in executing all the business of the Vilter Manufacturing Company. During the period of 18 years after entering the company he devoted himself to the businessof the Vilter Manufacturing Company and contributed a great deal to the promotion and development of the Vilter business, and in recognition of his services rendered to the company, he was recommended as an officer unanimously by the Board of Directors and elected auditor at the general meeting of the shareholders of Okura & Co.(Trading),Ltd.

Then Chairman of the Board of Directors
of
Okura & Co.(Trading),Ltd.

I believe that I was recommended as the officer of the company on account of my experiences in business for many years as well as the services I rendered to the company, and accordingly I do not believe that I assumed the position of the officer who represented the interests of the Okura Zaibatsu.

TO : HON. TETSU KATAYAMA,
PRIME MINISTER

Misao Ueda

FROM : MR. ICHIRO HARA,
MANAGING DIRECTOR OF THE NAIGAI TRADING CO.,LTD.

SUBJECT: Reason for Petitioning re Article VII of Law for Termination of Zaibatsu Family Control

I. I am not applicable at all to the following:

(a) Member of the Okura Family

(b) Married to any member of the Okura Family

(c) The parents, children, brothers and sisters of the Okura Family

(d) Married to any in the above-mentioned item (c)

II. When I assumed the official position in Okura Shoji K.K. (Okura & Co.(Trading),Ltd.), at present known as The Naigai Trading Co.,Ltd., there was no definite arrangement which necessitated approval from the Okura Zaibatsu or from Okura Mining Co.,Ltd., which is a direct affiliated company of the Okura Zaibatsu.

The directorship or auditorship of Okura & Co.(Trading), Ltd. was decided according to the following procedure. The Board of Directors used to determine the recommendation of officers and to report the condition of their recommendation to Baron Kihichiro Okura, President of Okura Mining Co.,Ltd., prior to the general meeting of the shareholders, as the latter company was the main shareholders of the former, asking him to appoint the officers at the general meeting of the shareholders. I was recommended as the officer according to this procedure. (Please refer to the attached copy of letter from Okura Mining Co.,Ltd. to the Political Dept. of the Central Liaison Office.)

III. In June 1945 I assumed the position of directorship and returned to Tokyo from Manchuria in July of the same year, and then from August I began to supervise business pertaining to each of the"Naikoku, Kizai and Toa" Departments. Therefore, I actually did not hold any authorizing or controlling power as a representation of Okura & Co.(Trading),Ltd. at present known as The Naigai Trading Co.,Ltd.

IV. As mentioned in the attached Personal Questionaire, I did not hold concurrently and jointly more than four officers' positions in the Zaibatsu companies of the Okura Zaibatsu.

The above statement is true and correct. In April 1917 I entered the Okura Gumi (The first name of the present Naigai Trading Co.,Ltd.), and ever since I have been serving in the said company, I believe that I was recommended as the officer of

the company on account of my experiences in business for many years as well as the services I rendered to the company, and accordingly I do not believe that I assumed the position of the officer who represented the interests of the Okura Zaibatsu.

TO: CENTRAL LIAISON OFFICE
POLITICAL DEPT.

FROM: The Okura Mining Co.,Ltd.

SUBJECT: Matters Concerning the Arrangement for the Assumption of Officer to Office.

The reply will be made in reference to the above as follows:

1. There was no previous approval obtained from the Zaibatsu or the Okura Mining Co.,Ltd. regarding the assumption of the position of official in the Okura Mining Co.,Ltd. or in the indirect affiliates.

2. Our Company and our indirect affiliates select their own officials from its independent standpoint alone and draw up its original plan, and only a formal report was made to the Zaibatsu in the case of our Company to our Company in the case of our indirect affiliate. Consequently it was then submitted at General meeting of Shareholders in the original form for the selection, which was the ordinary procedure. Accordingly, the selection of officials of the other associated companies was entirely resolued from the independent standpoint of each company.

Prime Minister

From : Mr. Ichiro Hara
Managing Director of The Naigai Trading Co.,Ltd.

Subject: Reasons for Petitioning re Article VI Par. 2 of Law for Termination of Zaibatsu Family Control

With reference to the petition filed in compliance with Article VII of the Law for the Termination of the Zaibatsu Family control, I hereby desire to submit to you further petition for obtaining your approval by explaining the reasons and actual circumstances concerning the assumption of office as an officer and the execution of duty as set forth under Article VI Par. 2, as follows:-

1. Reason for Assuming Office as an Officer of Okura & Co.(Trading), Ltd. of Manchuria.

After graduating from the Tokyo Higher Commercial School (the present Tokyo University of Commerce) in March 1917, I immediately entered Okura & Co.,Ltd. (the present Naigai Trading Company,Ltd.) and served in its Tokyo Head Office, and then I was transferred to Paris Branch Office after serving in the Yokohama Sub-Branch Office and again in the Tokyo Head Office. After returning to Japan I again served in the Head Office, and was appointed Chief of Domestic Supply Dept. in April 1935 and was chiefly engaged in the sales in Japan. In August 1942 I was recommended as Director by the Board of Directors of Okura & Co. (Trading), Ltd. of Manchuria, which was a sister company of the said Okura & Co.(Trading),Ltd. and I assumed the office in September 1942.

The reason of their recommendation is considered to have come of my business career of the past 25 years in Okura & Co. (Trading),Ltd. as well as my constant services rendered to the company for the promotion and development of business during that period, and there existed no other reason whatsoever.

After assuming office as Director in the said company I supervised all the practical business and devoted myself to the guidance and management of the same, and therefore, in reality I had no power or authorization of representing and controlling the company.

2. Reason for Assuming Office as an Officer of Okura & Co.(Trading), Ltd. (the present Naigai Trading Company,Ltd.)

On May 9, 1945, I was recommended as Director by the Board of Directors of Okura & Co.(Industries),Ltd. and, after resigning from my office in Okura & Co.(Trading),Ltd. of Manchuria, I assumed office as Director of Okura & Co.(Industries),Ltd. on June 5, 1945.

The reason of their recommendation is considered to have come of the fact that I was regarded as most suitable for succeeding to the office of director which was made vacant by the resignation

of Mr. Seiji Onoda, Director of the company, in recognition of my business career of long standing as well as my constant services rendered to the company for many years, and there existed no other reason whatsoever.

After assuming office as Director I supervised some of the businesses of the Domestic Supply Dept., the Dept. of Apparatus and Supplies, the Dept. of East Asia, etc., and the daily work or duty I took over was not so much different from the one I performed as an ordinary employee, and therefore, in reality I had no power or authorization of reprecenting and controlling the company.

As stated above, the reason of my assumption as an officer of the respective company comes only of the fact that I assumed office as an officer, as I was regarded as most suitable for the office and recommended as such, and speaking of the actual execution of my duties, I was engaged only in the practical business same as in case of an ordinary employee.

For such reasons, I beg to make my petition for your approval that I am an officer entirely unrelated to the Zaibatsu, inasmuch as it is unreasonable and unfitting to regard me as an officer belonging to the Zaibatsu.

APPLICATION

February 5, 1948.

To: The Hon. Tetsu Katayama,
Prime Minister.

Sir:

Our company, Nihon Kogyo K.K.(Japan Chemical Industrial Co., Ltd.) was designated as an affliated concern with Nissan Zaibatsu in compliance with the Law No.2 to Eliminate the Controlling Influence of Zaibatsu Families promulgated on January 7, 1948 and with the Procedure Provisions of the Directive No.7 of the same Law promulgated by General Affair Board on the same date. Consequently I have come under the law as an officer of the Zaibatsu company concerned.

I hereby submit this application for your kind approval in accordance with Article 6 of the Law that I am not an officer of the Zaibatsu company concerned according to the reason stated in the separate sheets.

Nihon Kogyo K.K.
Director & President
of Nihon Iwo K.K.

Reference of Application

February 5, 1948

To: The Hon. Tetsu Katayama,
Prime Minister.

Sir:

I had held my office as a director of Nihon Kogyo K.K. (Japan Mining Co.,Ltd.), the affiliated company with Nissan Zaibatsu and as a director of Korean Nissan Kagaku Kogyo K.K. (Nissan Chemical Industrial Co.,Ltd.), the associated company with the same Zaibatsu. At present I have retired from the positions abovementioned and I am holding the positions of president and director of Nihon Iwo K.K. (Japan Sulphur Co.,Ltd.) which is the subsidiary company of Manshu Toshi Shoken K.K. (Manchurian Investment and Securities Co.,Ltd.), the affiliated company with Nissan Zaibatsu. Since I am in the lineage of former Dai-Nippon Zinzo Hiryo K.K.(Dai-Nippon Artificial Fertilizer Co.,Ltd.), not in the lineage of Nissan Zaibatsu, I hereby submit this application together with documentary evidences for your approval that I am not an officer affiliated with the Zaibatsu in compliance with Article 6 and 7 of the Law to Eliminate the Controlling Influence of Zaibatsu Families.

1. Circumstances under which I was assumed a director of Nihon Mining Co.,Ltd. and also the circumstances during the period of my service:

As I mentioned in my own history I entered Kanto Sanso K.K. (Kanto Acid & Soda Co.,Ltd.) but the company was amalgamated by Dai-Nippon Artificial

Fertilizer Co.,Ltd. I served for twenty-five(25) years throughout the period of my service to these two Companies. When I was on the position of the chief of Engineering Department, during the period of my service, the company was amalgamated by Nihon Kagaku Kogyo K.K.(Japan Chemical Industrial Co.,Ltd.) and I was elected as a director and chief of Engineering Department in the new company as well as in the old company.

Later the company changed its name to Nissan Chemical Industrial Co.,Ltd.(different from the same named company at present) after seven years the company was amalgamated by Nihon Mining Co.,Ltd. on March 1, 1943. At the time of amalgamation I remained as an ordinary director of Nihon Mining Co. because I was free from the duties except working on the liaison business between Nihon Mining Co. and its subsidiary company where I was holding my office after I retired from the position of chief of Engineering Department in November 1942.

As to my assumption, I had no order from Mr. Gisuke Ayukawa or from Manchurian Investment and Securities Co.,Ltd. (refering to the Statement of Mr. Gisuke Ayukawa and the Certificate of Mr. Shojiro Koi).

The business I carried out in Nihon Mining Co. was same as the one in the former company. I retired from my office with the completion of the remaining business in January 1944, ten months after the latest amalgamation.

2. Circumstances under which I was assumed a director of Korean Nissan Chemical Industrial Co.,Ltd. and also the Circumstances during the period of my service:

Korean Nissan Chemical Industrial Co.,Ltd. was planned for the purpose of manufacture of artificial fertilizer in Korea when I was in Dai-Nippon Artificial Fertilizer Co. and was established in 1940 when I was in former Nissan Chemical Industrial Co.,Ltd. in order to co-operate with Nihon Mining Co. to make use of Iron Pyrite which the refinary of that company had, located at Chinnampo. Since the company was established in 1940 I worked on the establishment of factory and its production as a nominal director of the company with the relationship to former Nissan Chemical Industrial Co.

I am furnished with all the providences to stipulate the non-affiliated members with Zaibatsu in each item of Article 7 of the Law, namely.

a. I am not a member of Nissan Zaibatsu Family.

b. At the time of my assumption in 1940, I was holding my office in former Nissan Chemical Industrial Co. and had no influence to the affiliated companies with Nissan Zaibatsu.

c. I do not come under this provision because I was a nominal director.

d. I have never held more than four(4) positions of the affiliated company with Nissan Zaibatsu at the same time. I wish you would refer to my business history

3. Relationship between Manchurian Investment & Securities Co.,Ltd. and Nihon Sulphur Co.,Ltd:

Circumstances under which I was assumed the president of Nihon Sulphur Co.,Ltd:

a. Nihon Sulphur Co. was designated as a subsidiary company of Manchurian Investment & Securities Co., Ltd. in 1946 in compliance with Article 1 of the Imperial Ordinance 569 because the latter owned 29% of stocks to the total stocks of the former.

b. The reason why Manchurian Investment & Securities Co. owned so many stocks of Nihon Sulphur Co. was that all the stocks of the subsidiary companies of former Nissan Chemical Industrial Co, except those of fertilizer companies, were transfered to Manchurian Investment & Securities Co. and Nihon Sulphur Co. was one of its subsidiary companies.

Manchurian Investment & Security Co. had no other right than the one as a stock holder to the management of Nihon Sulphur Co. as well as to personnel affairs, business and capitals.

I was a director and auditor of Nihon Sulphur Co. since 1922 and was elected as the president in view of the circumstances in the company at that time. It was before Manchurian Investment Co. became a stock holder of the company and before the assumption of a director of Nihon Mining Co. Therefore I did not receive any orders from the two companies.(refering to the certificates of Manchurian Investment & Sucurities Co., Nihon Sulphur Co., etc.)

Under the reasons I mentioned above I had no intimate relationship with Nissan Zaibatsu and was on the position in Nihon Mining Co. affiliated with the same Zaibatsu just for a

short time. And after I retired from that position, I was offered the present position in Nihon Sulphur which had no actual relation with Nissan Zaibatsu.

I hereby furnish you, for your consideration with the facts that I am not a membership of Zaibatsu family.

Yours faithfully

Masaji Hayashi

TASTIMONIAL

Having been designated as a Zaibatsu under Law No.2 1948, I hereby certify the veracity of the following statements concerning the control of personnel exercised by me over the Nippon Mining Co.,Ltd. (hereafter termed Nippon Mining).

Although there existed no written agreement between Nippon Mining and myself stipulating control over personnel, until the liquidation of the Nissan Industrial Co.,Ltd. on 27th December 1937. I actually demanded previous approval for the appointments of the principal directors of Nippon Mining, in the capacity of a member of the Board of Directors. However, taking advantage of the liquidation of the Nissan Industrial Co.,Ltd. and the establishment of the Manchuria Heavy Industries Co.,Ltd., in the later part of 1937, from this date onwards I discarded control over the various affiliated companies in Japan Proper. Thus my control over personnel was also discontinued.

Moreover, I have voiced this intention in public, needless to mention that such was also the strong desire of the Manchurian Government at that time.

Consequently my retention of the post of chairman and concurrently Director of Nippon Mining after 1937 until April 1941 and my subsequent appointment as councillor were only appointments of an honorary nature. Not only that, but I had actually no chance to attend the meetings of the Board of Directors. Thus I have not been able to exert influence in matters of personnel in these capacities.

However, It is true that I have been consulted and on some occasions have been asked to make recommendations only when the Board of Directors failed to make its selection of a candidate to fill an important executive post or when the company sought for some outsider to fill the vacant post of director. Only in such cases have I expressed my views.

Therefore, I can say for certain that I have never designated or recommended any director other than the principal executive officers, or any former employee of Nippon Mining conferred this post through regular meritorious promotion.

Again, the shares of Nippon Mining owned in my personal name, never exceeded 0.03% of the total number of shares of the company.

The directors and office bearers of Nippon Mining whom I have definitely designated or recommended are listed in the attached sheet.

Thus, I assert the fact that the approval for the appointments of the following directors have not been asked of me nor have I given such.
