BRANCH OF AMERICAN RED CROSS FOR NARBERTH BEING ORGANIZED

Eastern Main Line Branch Being Organized With Headquarters at Bryn Mawr—Mrs. Fletcher W. Stites is Local Chairman

At this time of international uncertainty, when our country is confronted with the necessity of equipping itself with means of defense and a proper protection for life and property, every American should welcome the opportunity to enroll in an organization whose aim and object is to bring about just such an equipment. Most of us are familiar in a general way with the work of the Red Cross. Its splendid achievements in great national calamities such as the San Francisco fire, the Ohio Valley floods, the Titanic and Eastland disasters, are matters of common knowledge. Thousands of families have been helped and kept together through its agency; suffering in a thousand forms has been relieved, and greater misery prevented.

An Eastern Main Line Branch of

the Red Cross is now being organized with headquarters at Bryn Mawr. For Narberth Mrs. Fletcher W. Stites is local chairman, and great interest is already being shown in the formation of a successful branch here. Every American is eligible to membership in the Red Cross, and payment of one dollar in the shape of annual dues and a little unselfish service, indicates active support of the Government in its humanitarian work. Classes in first aid and home nursing work will be formed by the Main Line Branch, and Mrs. Stites desires to have classes of from fifteen to twenty members each formed in Narberth. All of our people who may be interested are requested to hand their names to Mrs. Stites and secure full information regarding the local Red Cross work.

BIG TENNIS AFFAIR TO BE HELD MARCH 24

Dinner, Annual Business Meeting and Dance at Elm Hall

Attention, members of the Narberth Tennis Association:

Reserve Saturday night, March 24, for the annual meeting of the association, which will be accompanied by a dinner and dance, at Elm Hall.

The dinner will start at 7—and it will be a good one; the annual business meeting will begin at 8, and from 9 o'clock on, "the light fantastic," as they used to say back in the latter part of the Nineteenth Century!

No urging to attend this dinner-meeting-dance is needed for those who attended the dinner and dance and presentation of prizes at the end of the tennis season last fall. It was one of the most enjoyable affairs ever given in Narberth.

Plans for the evening of March 24 promise an even better time. The annual business meeting will be short but important. There are a number of subjects to come up for discussion that are of vital interest to all members of the association. It is hoped that every member will be present.

The ladies, of course, are expected and invited to be on hand for the whole affair—dinner, meeting and dance.

Every member should get in touch with W. J. Kirkpatrick, the secretary and treasurer, and make reservations for the dinner.

Remember, if you are a member of the Narberth Tennis Association, you are engaged for Saturday evening, March 24, at Elm Hall, beginning at 7 o'clock.

EXERCISES IN CELEBRATION OF WASHINGTON'S BIRTHDAY — MR. STITES SPEAKS TO SCHOOL

The exercises in celebration of Washington's Birthday were simple and brief. Each grade had a memory-gram ready, in most cases chosen from the sayings of Washington and in all cases patriotic. The first grade sang two songs for us and wore the little badges which they had made. Our distinguished visitors—among whom we were glad to see Mr. Ridge and Mr. McCarter—likewise wore badges which the first grade had made for them. The whole school sang patriotic American hymns.

Most of the time was given to Mr. Stites, who performed the somewhat difficult task of interesting all the audience, whose ages vary so widely. It was his purpose in speaking to teach the lesson of courage under adverse circumstances. With vivid illustration from the life of Washington and with well chosen phrase, Mr. Stites impressed upon us that quality of indomitable courage that made Washington "the father of his country."

The assembly period was closed with prayer by Mr. Koppel.

THE HOWARD CONTEST

The award in the Howard Contest advertised in the issue of Our Town of February 22 was made to Miss Mildred Chambley, 108 Grayling avenue, who was the first of the numerous contestants to provide the correct and complete lines in which the quotation used was contained. They are to be found in the second part of Pope's "Essay on Criticism" (lines 335 and 336 of the whole poem), as follows:

In words, as fashions, the same rule will hold;

Alike fantastic if too new or old;

Be not the first by whom the new are tried,

Nor yet the last to lay the old aside.

To lend an additional zest to the endeavor, the singular form of the verb was used in the third line (the first of the printed couplet), but the error was detected by practically all who participated.

The large number of responses received made plain two facts which should prove of more than passing interest to the community generally:

COMMUNITY CLUB NOTES

Various Notes of Interest—Lecture by Mrs. H. R. Cooke, Jr.

It was with a great deal of interest that the members of the Community Club listened to Mrs. H. R. Cooke, Jr., deliver her address on the interesting topic of the day, namely, "Capital Punishment." Its pros and cons brought out many points for discussion and was further discoursed by Mrs. Owen Phillips.

This meeting ends the class for public speaking and creative thought. Too much cannot be said in commendation of the able manner in which Mrs. Phillips has supervised these classes. Many subjects of wide interest have been treated and the minds of both speakers and listeners have been enlightened and awakened to the topics of the day.

Ways and means of increasing the piano fund were discussed and anyone wishing to contribute to this object may mail or send their donation to any member of the executive board of the Community Club. Your efforts will be appreciated.

A very genial hospitality was dispensed by the hostesses, Mrs. G. H. Schulte and Mrs. Carl Mattison.

Mrs. Imogene B. Oakley to Speak on "Civics" Before Members and Friends of the Community Club

Very opportune is the coming of Mrs. Imogene B. Oakley to talk to the ladies of Narberth on next Monday afternoon, March 12, at 2 o'clock in the Y. M. C. A.

Mrs. Oakley, whose business it is to form civic departments in the various clubs under the Federation of Women's Clubs, will come to us with suggestions and helpful hints.

The Community Club congratulates itself in being able to procure Mrs. Oakley at this propitious time, for with the coming days of spring we turn our attention to cleaning outside as well as inside. Mrs. H. R. Cooke, Jr., will act as chairman of this department.

Food Conditions—Past and Present—subject for afternoon of March 20.

The Women's Community Club will meet at its regular hour on the afternoon of March 20, at 3 o'clock. Mrs. W. S. Lee will present a subject of more than usual interest. The topic being, "Food Conditions—Past and Present." We are looking forward to this address with great eagerness. It appeals to all. Come and hear for yourselves. Mrs. E. Cockrill and Mrs. J. W. Joyce, acting as hostesses for the afternoon.

Any donations for the new piano for the Community Club, may be given to any member of the club or sent to Mrs. William M. Cameron, 112 Essex avenue.

On Monday, March 12, at 2 o'clock, there will be a special meeting of the Community Club in the club room, Y. M. C. A., at which time Mrs. Imogene B. Oakley will speak on Civics.

"Be Kind to Animals" as a motto for every school room in the United States, conspicuously displayed by teachers upon wall or blackboard, will go far towards inculcating a spirit of kindness to animals and educating humanely the boys and girls who are to be the future citizens of this great country.

1—The aptitude of Narberth students for literary research, an indication of the comprehensive nature of the studies pursued in our local institution—Narberth yields to none in matters educational.

2—The effectiveness of Our Town as an advertising medium, for the contest demonstrated beyond question that advertisements receive the attention and generous support of the subscribers. It is obvious that the co-operative spirit which influences the publication of Our Town is not neglected by its readers.

JOHN W. VANDERSLOOT TO SING AT THE Y. M. C. A. BIRTHDAY SOCIAL.

John W. Vandersloot, basso, who won his way into the hearts of all Narberthites who heard him sing at the musical recently given in Elm Hall by Mrs. F. G. Foote as a benefit to the Y. M. C. A., will sing several selections at the Y. M. C. A. Birthday Social to be held Thursday evening, March 8, at 8 o'clock, in the Community Room.

Mr. Vandersloot will not disappoint the most critical. His clear enunciation, pleasing quality of tone, great volume and his personality make him an artist who gives an unusual amount of satisfaction. When one goes away from a recital at which Mr. Vandersloot has sung, he feels that he has not squandered his time—that he has heard an uncommonly good artist.

All lovers of good music should plan to be on hand Thursday evening as a sign of appreciation of Mr. Vandersloot's willingness to sing for us again.

BIG SHOW

SUFFRAGE BROUGHT TO PENNSYLVANIA STATE LINE—INDIANA AND OHIO WOMEN CONGRATULATED.

At last Pennsylvania is in direct contact with actual suffrage, bills having been passed by the Indiana and Ohio Legislatures granting presidential suffrage to the women of those States. Telegrams of congratulation were sent by Pennsylvania suffragists, who feel particularly elated because in the past it has been the rule that States not having granted any suffrage to women follow rapidly the example of adjoining States.

Miss Helen C. Clark, secretary of the Pennsylvania Woman Suffrage Association, says: "It is no longer a question of the East and West so far as suffrage is concerned. Suffrage is now an established fact in the East, and Pennsylvania must certainly soon give heed to its rapid trend." Since 1917 three States have been added to the suffrage list—North Dakota, Indiana and Ohio, thus making fourteen States in all which have given the vote to their women.

DISPENSING DOG TAX

County Treasurer Wants to Hear from School Treasurers

County Treasurer George H. Andres announced Monday morning that he is ready to distribute among the school districts of the county the \$15,000 which he has on hand of dog tax collected during the years 1913, 1914 and 1915.

Checks will be sent to the treasurers of the various school districts in amounts proportionate with the amount of dog tax paid in the various districts.

Checks will be sent only when proper vouchers are received from the treasurers of the school districts. Therefore it is necessary that these treasurers notify the county treasurer.

ESSAY CONTEST FOR BOY SCOUTS

The American Humane Education Society offers three prizes, one of fifty dollars, one of thirty and one of twenty, to the Boy Scouts for the three best essays on the subject, "Our Animals—Their Sufferings—What We Owe Them—How We May Help Them."

All essays should be written on one side of the paper only, contain not over fifteen hundred words, and be mailed to reach the society's offices, 130 Longwood avenue, Boston, Mass., by May 1, 1917. Helpful and suggestive literature will be sent upon application.

EDITORIAL

Thanks for the many phone-call expressions from our readers concerning our last week's issue. Every one of them was encouraging, and we're going to try to improve our little paper with each issue.

Short local items are always interesting. You do not have to send us a quantity of them to be acceptable. We are thankful for every one, or two. A few items from many people will make Our Town a very newsy sheet indeed.

Occasionally copies of Our Town reach the post office so poorly addressed that our postmaster is unable to distribute them. If your paper does not reach you promptly, or if you do not receive it at times, let us know about it.

The manner in which the work at the Narberth post office is handled is certainly to be commended. Postmaster Haws and his assistants use every possible opportunity to give the residents of Narberth unsurpassed service, and considering the cramped facilities which are so evident, we are very fortunate with such excellent service.

If any one of us were to attempt to attend all of the various things that are planned for any one week, in our community, he would be kept very busy indeed.

Have you ever tried to figure out just how many of each day's and evening's hours are planned for some good cause?

We live in a busy community. The credit is due the residents, and it is well said, "the citizens make the town."

Someone asked us the other day if Our Town would consider a suggestion as to the betterment of our publication, as he thought, perhaps, that Our Town might consider him a "knocker" if he were to tell us that he thought one or two little changes here and there might be well. "Tell them to us right now. You are the first one, for a long time, who even stated that he had a suggestion to offer for the betterment of this paper." We want your suggestions, too. Just write them on a postal and send them to Our Town.

COMMUNICATIONS

To the Editor of Our Town.

I understand that one or more persons were displeased with the awards in the competition for best kept yards in Narberth, and that they had looked the town over pretty thoroughly through the season and had mentally placed the awards.

Now, these are just the people we want on the committee for next season. We want workers, as it is quite a job to give this matter justice, and few are willing to spare the time. Will you kindly invite them to communicate with me? We need volunteers, and I shall find a place for them on the committee.

Someone wondered what was meant by the personal element which was given consideration. This was where a member of the family very evidently devoted a lot of time or money to the care of the premises.

In such cases, where these two features came into competition, everything else being equal, the time spent was given first consideration, and in one case given the award that perhaps otherwise would have gone to another person.

A. E. Wohlert.

To the Editor of Our Town.

It would appear to the public at large, that a corporation of such shrewd business men as the Pennsylvania Railroad Company undoubtedly is, would be very backward about giving to its patrons, whose confidence they seem to value so highly, the reasons advanced for giving Merion a new station.

Precedence should certainly be given to the town that most needs the accommodation, as well as to the town that gives much actual business to the Railroad Company.

The fact that a few patrons or an association were in a position to pay for part of a station, does not enter into the question at all. The fact remains that no town is entitled to more privileges than the business or earnings of that place would warrant.

Residents of Narberth are entitled to more than the promises they have been getting, not because of their rating in Dun's or Bradstreet's, but because they are rightfully entitled to better accommodations, for the Narberth ticket sales warrant the company in giving Narberth what it needs. The spending of money for improvements should not be a matter of friendship, pull or sentiment.

George Rose.

To the Editor of Our Town.

Allow me, through the columns of Our Town, to express my sincere thanks to the Narberth Civic Association for having been awarded the beautiful Trophy Cup, District 6, for neatest and best kept garden. While the award was entirely unexpected, I am especially grateful to the judges who decided in my favor and will feel that it is a great incentive to work hard during the coming seasons.

Mrs. Alexander Easton.

To the Editor of Our Town.

The dead trees on Meeting House Lane may never fall down while anyone is passing; and, if they should, there is but little chance of them killing anyone, as the trunks appear to be only about two feet thick and the branches are few. At any rate the richest township in the country has plenty of money for indemnities, and the bereaved family would be well provided for.

THE SCHOOL BOARD'S NEW MEMBER

Editor "Our Town:"

It should be a source of great satisfaction to the parents of children attending the Narberth public schools to learn that a man of the type of Mr. Henry Rose will give of his time and talent to help guide the affairs of the local school district.

Mr. Rose is a man of wide sympathies and tolerant viewpoints. He has had one daughter graduate from the Narberth High School, entering Bryn Mawr with honors, and now has a son in the local school.

Mr. Rose really and truly believes that those who govern "derive all their just powers from the consent of the governed;" and, therefore, should prove a valuable spokesman in the councils of the School Board.

Give him encouragement by talking over the needs of the local school as you see them.

Progressive.

THE NERVE OF THE CUB

Editor of Our Town:

Shame on that old he-Cub and his fault finding about the way women dress "and still have the nerve to ask for the vote."

Suppose they do wear straw hats and slippers in the coldest month? How about the Young Nuts that wear B. V. D.'s and fur-lined overcoats "in the coldest month"—and would walk right up to the polls and vote just like they were perfectly normal human beings if election were held in January instead of November.

Why, gosh ding it, Cub, you ought to know better'n to start a suffrage argument on any such flimsy basis as straw hats and slippers. And you would, too, if you'd stop a minute and think of just a few of the ridiculous things men do—and still go on voting.

Of course B. V. D.'s and fur-lined coats have no more to do with a human's qualifications for voting than straw hats and slippers in the merry month of March, but, as Mr. Gilbert once said, it all helps to "point a moral and adorn a tale."

Next!

Sincerely,
 E. A. M.

FORTY-EIGHT JOIN THE METHODIST CHURCH

Notable Event in Narberth Church Life—Large Percentage Men and Young Men

The congregation that filled the "Little Church on the Hill" last Sunday morning witnessed one of the most remarkable events in local church history. Forty-eight men and women, young men and young women, boys and girls, standing three deep crowded about the chancel and amid tears of rejoicing and praise were received into membership by the pastor, the Rev. Christian G. Koppel.

The church has enjoyed many stirring scenes in recent years, but none have been more significant than that of last Sunday. Of the forty-eight, twenty-five were converts from the recent Evangelistic Campaign. Sixteen were received by letter and seven on profession of faith. Twenty-eight were men, young men and boys. One interesting group was a class of eight boys averaging sixteen years of age. The entire class of fourteen boys are now members of the church. Another group consisted of several of Narberth's most popular athletes. Another group of three young women completed an entire class who are now in the church. Three men engaged in educational work among the young in the community made another happy group of service in the kingdom.

The recent campaign conducted by the churches has been of untold blessing. The earnest work of Mr. Depler and his party in winning many to the cause of Christ shall never be forgotten. The community owes him a lasting debt of gratitude.

Mr. Koppel has been pastor of the church for two and a half years, and during that period the large majority of the present membership have been received by him. Beginning with less than sixty the present membership of two hundred and five taxes the capacity of the church. The growth of the Sunday school is another notable achievement of his pastorate. From ninety-nine the school has increased to two hundred and ninety-one and

That Soda Fountain! Maybe It Does and Maybe It Doesn't!

Naturally we hope it returns a good, round direct profit. But we don't know—not sure at all—never did keep strict tabs on it. What we are certain it does do, however, is to afford us a great deal of satisfaction—a big measure of real pleasure! For, as Mirandy says, we are beholden to you—in more ways than one—and it's as little as we can do when we see to it that Narberth is no back-number when it comes to fountain-drinks and fountain-service. We strive for the choicest of the choice—one selection from this line and one from that—and always alert for something better than the best! Our chocolate, for instance, costs three times more than usual—and we had to ferret out the source of supply at that! Come in regularly for what your fancy dictates—be it hot or cold—and bring your visitors with you. It will be one of the incidental ways of proving to them that Narberth is a good place to come to—a good place to live in—And, if you will, the refreshments on such occasions will be on us!

Saturday night the gallery of the gymnasium floor of the association was crowded well nigh to its capacity when the Germantown Y. M. C. A., who claim the independent championship of Philadelphia, played the fast five of Narberth Y. M. C. A. Our boys did fine work, but were greatly handicapped by the fast passing of the Germantown men.

Well, well, well! Yep! That little team of midgets called the Narberth Juniors, put it all over the Ardmore Juniors last Friday, and, by-the-way, those Ardmore fellows claim the Junior Championship. Another game is to be played, so keep your eyes on the bulletin board and follow the team.

This team of Narberth Juniors the association is mighty proud to have under its roof and if all the other teams connected with the Y. M. had as much get-up-an-go-pep in them as this team in comparison to sizes, etc., the Narberth Association would be known all over the universe. Keep the good work up, boys.

Another pocket billiard tournament under way. Have you signed up yet? If not, better do so before the list is completed. Entry blank in men's game room.

Wanted

A young man to take care of cloak room of the Y. M. and also the library in connection therewith. Hours after school until 6 P. M. and 7 until 10 P. M. Plenty of time for study and for physical work. Chance to learn an excellent work. Apply in person to the secretary.

First you're called by a man who believes that gruffness and impatience bespeak the real man of business. From his introductory "hello" to his curt "good-bye" you've a growing resentment of his manner.

Then a second call! This man identifies himself at once, venturing a "good morning," perhaps. There's a note of geniality in his voice. Without overdoing it, he seems to hold out his hand to you.

SCHOOL NOTES
The girls' team made the Conshohocken girls their fifth victim by defeating them last Friday afternoon in the Y. M. C. A. gymnasium. The Conshohocken visitors put up a good fight, but not quite good enough to win, the final score being 33-19 in our favor. Our girls gave them a little encouragement in the first half—score 16-10, but simply walked all over them in the second. This makes the second time this year that they have beaten this team. The other game was won at Conshohocken by a score of 33-24 in our favor.

The line-up:
Nar. H. S. Consho. H. S.
H. Duff..... forward ...M. Albright

Junior Notes
Last Thursday the juniors held their class meeting at the home of Sydney Bolich.
No one imagined what talent the junior class possessed. The honorable Helen Duff delivered a thrilling oration on "Patriotism." A most inspiring solo was sung by Ruth Haws. Every one had a delightful time.
Wake up! Be on the lookout for the junior candy sale, March 21. The proceeds shall be given to the Athletic Association.

School Notes
Mr. Melchior last week attended the annual sessions of the National Council of Education and the Superintendence of Department of the National Educational Association.
We were so glad to see Mrs. Justice here on Monday. We also welcome Miss Davis, who will assist Mrs. Justice for some time.
After devotional exercises on Monday, Mr. Melchior occupied the remainder of the period to 9.10 by a brief sketch of his trip to the educational association, including the Gary Schools, Chicago University and Hull House, where he had a delightful hour with Miss Jane Adams' secretary and co-worker. He said he will arrange to give us several talks, one on phases of the educational sessions and one on the stock yards and meat markets and one on Hull House.

Mrs. Emerson L. Swift, who was the guest of Mrs. Geo. M. Henry, for the past two weeks, has returned to her home in Fredericksburg, Virginia.

CUB'S WEEKLY LETTER

To the Editor of Our Town.
When you assigned to me the task of reporting the meeting of the Fire Company, I didn't realize what an interesting job was in store.

The session started off very quietly, hardly anybody saying a word, the majority of us sitting around as though we were deaf and dumb and waiting for somebody to start something. The chairman wanted to know whether he was attending a wake or what. All of a sudden, the sleepers woke up, however. That efficient fireman and fount of wisdom, Charley Noel, was reading off the monthly bills and mentioned one for fifty gallons of gasoline. This quantity had been consumed in about four days, although the apparatus had been out but once in that time for about three hours. A local watch dog of the treasury (who, by the way, doesn't own an auto) immediately became curious and tried to institute a leak inquiry. It was remarkable how ignorant everybody was of the disappearance of that fifty gallons of gas, and those members who drive autos were suspiciously eager to get the matter over with and pass on to the next item of business. Wouldn't you think they would be most interested in investigating a matter of this kind? I didn't quite get Bill Cummer when he said, "I buy mine," but his remark ended the matter anyway.

Then along came a complaint against the janitor. It seems he gets \$10 a month and a bed next to the furnace, for which he shows his lack of appreciation by failing to keep the building scrupulously clean. As a consequence, when our local society holds their periodical soirees, all dolled up in their Sunday clothes, including clean shaves, they get their white gloves dirty when they have to open or close the windows. It was pointed out that the service given by Elm Hall was not equal to that of the Bellevue or the Ritz and, according to rumor, a threat has been made by our society leaders to abandon Elm Hall next season in favor of its city competitors.

While this discussion was going on, the chair fell asleep and that was the signal for the Steam Roller to get in its fine work. The Dictator was at the wheel. Constitution and by-laws were quickly flattened out and, almost before we knew it, those members of the Board of Trustees who were present were chucked out. That was tough on them, because they had good paying jobs and no work. One of the trustees had held the office fifteen years and hated to lose it. As a mark of appreciation of his services, a vote of thanks was tendered him, but I'm not quite so sure of that.

The next discussion was based on a speech made by Fletcher Stites at the firemen's dinner a few weeks ago, in which Fletcher said something about standing the costs of some improvement or other to the building. One member said, according to his recollection, Representative Stites had offered to build an entirely new fire house and equip it. Another member contended that our local pride had made no such offer, but on the contrary had suggested matching any member of the company for the price of a new pinocle deck. Of course, I couldn't make head nor tail of this.

Finally Swan Neck Savill presented the company with a horse collar, forgetting that we were using horseless apparatus.

As a windup, our Fire Chief and Political Genius was asked how it happened that the Pensauken, N. J., Fire Company, was seen speeding along Wynnewood road two weeks ago last Sunday. He couldn't answer with authority, but assumed they had heard of the Wynnewood fire and had taken a week to get there.

You ought to go to one of those meetings, Mr. Editor, and see the Steam Roller for yourself.

Something to Think About.

Under the title "Attention, Married Booze Fighters," the following pithy paragraph appears in the Bulletin of the University of Arizona Bureau of Mines. It speaks for itself and nothing we could add would render it more interesting:

"To the married man who thinks he cannot get along without his drinks, the following is suggested as a solution to the bondage of his habit: First—Start a saloon in your own house. Second—Be the only customer, and you'll have no license to

pay. Give your wife \$2 to buy a gallon of whisky, and remember, there are 69 drinks in one gallon. Third—Buy your drinks from no one but your wife, and by the time the first gallon is gone she will have \$8 to put in the bank and \$2 to start business again. Fourth—Should you live ten years and continue to buy booze from her, and then die with snakes in your boots, she will have money enough to bury you decently, educate your children, buy a house and lot, marry a decent man and quit thinking about you."

Apropos of the notice that Mr. and Mrs. Arthur Coal had joined the Hod-carriers of America, I have a letter from that little team objecting to their being scuttled in the public eye. Coal is so expensive nowadays that even a scuttle of it in the public eye would be valuable.

I asked twelve people to name the two United States Senators from Pennsylvania and received only three correct replies. I then asked the same twelve for the name of our Congressmen and four answers were right. Such is fame! Take care, Fletcher—some men work for years for a deservedly good reputation—then mix up in politics and lose it in a day. And how about you, Hank Rose? Are you looking for trouble?

"Cub."

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
