

## OPEN PART OF NEW WYNNEWOOD ROAD

### Autoists Delighted With New Concrete Roadway—Hope to Finish Job This Week

A section of the new concrete roadway on Wynnewood road, from the railroad tunnel to Woodside avenue, was opened to traffic last Saturday afternoon. And the autoists were quick to find it out.

All Sunday afternoon there was a steady stream of cars over the new road. Most of them, of course, did not make the discovery until they were on their way back to Philadelphia. But, when traveling east, they reached the railroad tunnel and saw that the "bars were down" and that instead of the "rocky road to Dublin" they were facing a veritable speedway, they looked as pleased and happy as a small boy on Christmas morning. It has been a long while since so much good nature and so many smiles have beamed on Wynnewood road.

The section of the new roadway opened saved the autoists the trip through the tunnel, along Haverford avenue to Narberth avenue and over the bridge.

The new road is finished as far as Merion avenue, leaving but one short square to Rockland avenue, which it is hoped will be completed by the end of this week. The entire road, however, will not be opened to traffic immediately, as sufficient time must be allowed for the concrete to become thoroughly hardened.

The new Wynnewood road will be the best advertisement Narberth has had in a long while.

### NEW MEMBERS AND SCHOLARS.

Large enthusiastic congregations greeted Dr. Munhall and the pastor last Sunday at the Methodist Church. In the morning the ritual of the Lord's Supper was greatly beautified and solemnized by the excellent singing of the chorus choir directed by Miss Prescott. Five adults were received into church membership; three by letter and two on profession of faith.

Eight new scholars joined the school. Four new teachers were added to the staff. Of these three are college graduates and all have had teaching experience. Mrs. A. W. Ward assumes charge of the primary department, with Mrs. Matthews and Miss Howenstine as assistants. Mr. H. R. Paige fills the new office of assistant secretary. All of the old teachers were on hand to welcome back their scholars. The school is thoroughly organized with modern methods and literature for effective work.

### DON'T FORGET!

The date: October 14th. Where, did you say? Why, in Smedley's office, Narberth and Haverford avenue. What for? An opportunity for you to buy some of that cake and pie that makes your mouth water.

And, kiddies, come early if you want some of the good candy for sale. Ladies, do not forget to stop and have a cup of delicious tea. Ladies' Aid Society, Church of the Evangel.

### NOTICE.

The Delta Sigma invite you to stop in the Community Club Room on Saturday afternoon from 1 until 6 and buy some homemade cake and candy.

## NARBERTH DEFEATS WAYNE, 7-2

Quite a large gathering of base ball enthusiasts braved the cool winds and watched the Narberth boys get revenge from the Wayne Suburbanites last Saturday on their home grounds.

Both sides were retired very easily in the first inning, but in the first half of the second the boroughites got busy and put five runs across, much to the delight of quite a goodly number from our home town. It was all done this way: Flick Stites and Fleck both singled and when Durbin's fly beyond short fell safe, Fleck was caught at second base. Durbin then stole second. Nig Koons then doubled to centerfield, scoring Stites and Bill Durbin. Simpson was safe at first on Ruser's error, he taking second, while Koons scored. Gibson was thrown out at first, advancing Simpson to third. Howes was safe at first when Ferguson muffed his fly. Howes made a dash for second, Weaver throwing the ball out to centerfield, Simpson scoring and Howes going on to third and when Brooke threw the ball over Weaver's head, Howes scored. Dick Wallace ended the inning by flying out to left field.

Narberth failed to score in the third inning and likewise Wayne, but in the fourth inning they scored two more runs when Koons led off with his second hit of the day and Simpson also singled. Ruser tried to get Simpson at second on Gibson's tap, but all hands were safe. Howes singled, scoring Koons. Wallace then sacrificed, scoring Simpson. Davis was hit by a pitched ball and the Wayne team then executed a double play on Stites' tap, catching Howes at third and then Bobby Gibson at home.

Up to this time the Wayne team did not have a semblance of a hit off Gibson, but in the fourth inning he eased up and they connected with his shoots for three singles, and Brookes was hit by a pitched ball, and the Wayne team executed a double steal, during which time they scored their only two runs of the game.

In the sixth inning Manager Singleton replaced Hallowell with Sturdevant, and while Narberth did nothing more, yet they did not fully try, but on the other hand kept the Wayne team from becoming dangerous. Nig Koons and Vernon Fleck led the boroughites in the hitting, each having two hits, while the pitching of Bobby Gibson was of high-class. He eased up after the Narberth team had secured a good lead for him, and only exerted himself when necessary, but it was seldom necessary.

The game next week will be with the West Philadelphia team on Narberth's grounds at 3 o'clock sharp, and should Narberth win this, they will then be tie with the Dun & Co. team for first place, and this will in all probability be played on the Narberth's grounds the following week. Watch Our Town next week for points of interest in connection with the Dun game.

## LYCEUM COURSE FOR COMMUNITY CLUB

### Programs Announced for Many Fine Evening Entertainments

In resuming the monthly meetings of The Community Club, the committee has planned events calculated not merely to entertain, but to instruct its many members. Of the eight meetings, four will be devoted to lectures on current topics of universal scope and interest, while the remaining four will be given over to high-class vaudeville entertainments. All the entertainers are professional and most of them have been one or more years on the Chautauqua course.

Friday, October 27, the opening meeting will be held in the community rooms of the Y. M. C. A. The speaker, Mr. T. B. Chamberlain, Secretary of the Civics and Equity League of Philadelphia, will talk on Civics and Equity, and if he sustains the reputation we have of him, his address will be well worth hearing. We in Narberth are particularly interested in Civics, and I am sure, from my personal knowledge of my fellow townfolk, in Equity as well; and so we should be glad to hear, and put into practice, any helpful information Mr. Chamberlain can give us on these two subjects, the correct practice of which is so essential to good citizenship.

A brief program for the season follows:

October 27—Lecture by J. B. Chamberlain, Secretary Civics and Equity League. Subject, "The Iniquity of Civilization."

November 24—Lecture by Irvin C. Williams, Deputy Commissioner of Forestry of Pennsylvania. Subject, "Conservation of National Resources."

December 29—Vaudeville. The Dietrics. Refined comedy.

January 12—Lecture by Chas. L. Swift, former member of State Legislature, at present Superintendent Anti-Saloon League. Subject, "Uncle Sam Wakes Up."

January 26—Lecture by Mrs. Imogen B. Oakley, Chairman of Civil Service Reform in the National Federation of Women's Clubs. Subject, "Public Housekeeping and the Abatement of Unnecessary Noises."

February 19—Vaudeville. The Imperial Russian Quartette. Talented musical artists.

March 20—Vaudeville. The Famous Suwanee River Quartette. Melodious harmony a la Ethiopian.

April 10—Lecture by Miss Marion Cook. Subject, "Greece and Italy," illustrated. A comprehensive review of man's earliest artistic efforts, as revealed in Crete the Island and on the Greek mainland.

Membership tickets can be purchased from any of the members of the Board of Managers of The Community Club, and the Y. M. C. A., or at the Y. M. C. A. office, at \$2 each, one ticket sufficing for each family.

The proceeds are for the exclusive benefit of the Y. M. C. A., and the patronage of every one interested in the welfare of this organization, as well as those who are anxious for wholesome entertainment right here in our town, is invited. Incidentally, the success of this plan will result in its adoption by the Y. M. C. A. to raise funds in subsequent years.

The members of the Board of Managers of The Community Club are: Mrs. W. M. Cameron, 112 Essex avenue; Mrs. Wm. Curtis Pollock, Jr., 407 Woodside avenue; Mrs. C. P. Fowler, 109 Windsor avenue; Mrs. Harry Hartley, 108 Forest avenue; Mrs. E. Hurth, 207 Merion avenue; Mrs. J. F. Donnelly, 18 Woodside avenue.

### TWO FINAL MATCHES.

The last two matches in the tournament were played during the past week. Mr. and Mrs. Alfred Miller Watts won the Consolation Mixed Doubles from Mrs. William Hubbard and Mr. Roy Williams, 6-1 and 6-2. Mrs. W. I. Dothard defeated Miss Ruth Diamond, 6-4 and 6-0, in the Consolation Ladies' Singles.

## A Word from the Editor

At the meeting of the Board of Managers of the Narberth Civic Association, held on Friday Evening, the matter pertaining to the editorship of "Our Town" for the new year, beginning October twelfth, was discussed. As no plans for a change in the editorial department could be readily consummated, I have decided, at the request of the Board of Managers, to continue the work as editor; and, therefore, earnestly solicit your support in sending in local news items.

I take this opportunity of thanking all who gave me their assistance during the year ending with this issue.

HARRY A. JACOBS, Editor

## DINNER TO END TENNIS SEASON

### Prizes to be Awarded Saturday Evening at Elm Hall

Members of the Narberth Tennis Association are looking forward with interest to the informal program arranged for Saturday evening at Elm Hall, when dinner will be served a the cups presented to the winners in the annual tournament, just finished. All members of the association are urged to attend, and this includes wives that are active members and those that are "related to club membership by marriage."

Besides the dinner and the presentation of the prizes, it is expected that a subject will come up for discussion that is of the utmost interest and importance to every member. And, furthermore, it will be a comparatively easy matter to remove the chairs and start a little dancing. So all and all it looks as though the tennis players were preparing a very enjoyable evening.

Mr. W. R. D. Hall, of the tournament committee, and author of that familiar quotation, "you have two more," will make the presentation speeches.

The dinner will start at 7 o'clock, and Mr. Andrew Greene and Mr. Ralph O. Hall, who have charge of the arrangements, are anxious that every member who has not already sent in acceptance, do so immediately.

### FROM THE SUNRISE KINGDOM.

Mrs. John L. Dearing, of Yokohama, Japan, will be the guest and speaker at the October meeting of the Mission Circle of the Baptist Church of the Evangel.

This will be an open meeting and all women of the town are invited to attend.

Those who heard Mrs. Dearing when she was here on her last furlough will want to hear her again, and those who have not heard her have a treat in store for them.

Rev. Dr. Dearing is the foreign minister of the First Baptist Church of Philadelphia, and he and Mrs. Dearing are now the guests of Rev. Dr. and Mrs. George H. Ferris, and of the First Baptist Church.

It is said that it is doubtful if there is a home anywhere in Asia through which have passed more men of note and more missionaries than theirs. They continually keep "open house" and Mrs. Dearing has nursed returning and worn out missionaries with everything, from contagious diseases to nervous prostration; and cordial greetings are extended to many as they enter the foreign field.

Mrs. Dearing teaches New Testament Greek to Japanese students, and will just come to hear her at half-past two Tuesday, October 17th, at the Baptist Church of the Evangel. A cordial welcome awaits each one. Tea will be served.

### OPENING OF SCHOOLS.

#### Superintendent Downs Gives Information for Parents.

The Lower Merion elementary and high schools opened with two regular sessions, Monday, October 2. All children who will be six years of age prior to April 1, 1917, may be admitted at that time, provided they present certificate of successful vaccination and a statement from the parent in which it is certified that they have not been absent from Lower Merion for the ten days prior to the date of enrollment. No children can be admitted to first grade, however, after Monday, October 16. All students must present certificates certifying to their residence in the township continuously ten days prior to the opening of school.

All buildings have been fumigated thoroughly and every possible precaution has been taken to safeguard children from infection.

All of the ninety-six teachers whose names and assignments were published some time ago, have reported, and all are at work this week in their respective buildings.

Parents should make every effort to enroll their children at once, as one month of the term has already been lost, owing to the quarantine regulations.

S. Edgar Downs, Superintendent.

### CLASSIFIED ADVERTISEMENTS

Two cents per word in advance; minimum ten words.

**FOR SALE**—Massive quartered oak buffet, antique finish, 66 inches long; very reasonable. Mrs. H. J. Bub, 114 Essex avenue, Narberth. (52)

**MR. JACOBS CONSENTS TO RETAIN THE EDITORSHIP.**

We take great pleasure in announcing that Mr. Jacobs, who had expressed his intention of giving up the editorship of OUR TOWN, owing to pressure of other duties, has very generously consented to continue his services, conditioned on more regular support by the associate editors. Elsewhere we have expressed appreciation of his services during the past year, and we are much relieved by his agreement to continue, as with his experience, the paper is sure to grow in popularity and interest. We bespeak for him the cordial support of all the associate editors, and of anybody who has communications to make of interest to Narberth, or who will report local and personal news items.

Officers and Directors of the Narberth Civic Association.

Narberth is a suburban community of the progressive type. It has community problems not unlike hundreds of other small towns which surround the borders of metropolitan cities. Narberth is restless—is not content to allow its problems to go unsolved—and, through the efforts of several of its leading organizations, is trying hard to find the method that will solve its peculiar difficulties and point the way to other towns confronted by similar problems.

The civic consciousness of Narberth is awakened and the fire of enthusiastic local pride ever burns in the hearts of "Narberthites." And this spirit helps in creating new causes for pride in the "Year-Round Home Town."

**Specific Problems.**

Narberth's definite problems, however, are ever before its active citizens for a "new solution"—there's no definite program for community control or growth.

There's the borough administration problem, the school problem, the community center problem, the church problem, the athletic problem, the town paper problem, etc. Each of these particular questions periodically reaches a crisis and is thrashed out by a small unit of persons who have wrestled with the same problem for years. They overcome the situation temporarily and hopefully work on until another crisis stares them in the face—then they repeat their previous stereotyped performance.

Now, it seems to Our Town, that all this occurs with such regularity that there can be but one deduction—each activity is considered in an isolated way; not in its proper relation with all the other interests of the community.

**A Narberth Survey Committee?**

Our Town suggests that it's time to get together, to have representatives of every interest in our borough meet for the purpose of organizing a Narberth Survey Committee which will collect necessary funds to employ an expert director of surveys and to stir up active co-operation

ation to the end that a permanent, definite program for the proper conduct of our community life shall be carefully planned and pushed to fulfillment.

You ask what is a survey? Here's a brief definition from the pen of Mr. Shelby M. Harrison, director Department of Surveys and Exhibits, Russell Sage Foundation:

**Brief Definition of a Survey.**

To sum up the survey in a few sentences, it is an implement for more intelligent democracy, its chief features or characteristics being: the careful investigation, analysis, and interpretation of the facts of social problems; the recommendation and outlining of action based on the facts, and the acquainting and educating of the community not only to conditions found but to the corrective and preventive measures to be adopted. The survey lays, moreover, emphasis upon the importance of studying problems in their various community-wide relations and urges co-operative action on a community-wide basis. It deals with the whole district and endeavors to lead individuals to think in terms of the whole. It is the application of scientific method to the study and solution of social problems, which have specific geographical limits and bearings, plus such a spreading of its facts and recommendations as will make them, as far as possible, the common knowledge of the community and a force for intelligent co-ordinated action.

What do YOU think of the advisability of a Narberth Survey? Our Town will be glad to learn your viewpoint.

**LET'S ALL BE FAIR ABOUT THE COMMUNITY SIGN BOARDS**

Several of our citizens have called Our Town's attention to the fact that a number of signs announcing various community affairs have been torn from the Community Sign Boards on both sides of the railroad station, before the dates on which the affairs were scheduled.

It may have been that the people who removed the signs misread the dates and thought the affairs were passed. It is hoped that everyone having signs to place on the boards will, hereafter, be particular to note the dates on the notices already displayed and not remove any signs prematurely.

The sign boards were put up by the Civic Association for the use of every one in the borough and the only rule that must be followed is first come, first served. Surely there are not so many affairs going on in our town that there is not room for every notice.

With this issue, OUR TOWN closes the second year of its publication as the organ of the Narberth Civic Association. The officers and directors take this occasion to thank all those who have helped make it a success for it is undoubtedly a success, and is a welcome visitor in most of our homes. We wish particularly to thank Mr. Harry A. Jacobs, who assumed the burden of gathering contributions and arranging them in attractive form, and all of the associate editors who contributed articles and collected news items, and the advertisers who made its publication possible.

A word of explanation may be necessary to those who are not familiar with the history of this paper. Its publication was undertaken two years ago, to afford a medium for the Civic Association to give publicity to any movement favorable to the welfare of our community. Theoretically, every resident of Narberth is a member of the Civic Association; by our constitution, everybody is eligible. Membership costs only one dollar per annum and membership with a year's subscription of Our Town, one dollar and a half. The paper, however, is mailed to every family in the borough, whether they are regular subscribers or not, and many families do not contribute a penny to its support. The editor and associate editors contribute their services without charge.

During the year just expiring, the receipts from advertising and subscriptions have been just about enough to meet expenses, but sometimes Mr. Jacobs and Miss Mazie Simpson, treasurer of the paper, have been compelled to tide over cost of issue out of their own pockets, owing to delinquencies of subscribers and advertisers. We regret to say that there are now outstanding on the treasurer's books, advertising items aggregating over \$250, long overdue. If this were paid up, as it certainly should be, our editor and treasurer

would not be placed in the unpleasant position of advancing funds, or otherwise having the publication held up.

We may say that the printers require payment for each issue, before it is sent out; hence the necessity for all subscribers and advertisers to be prompt in their payments. In view of the fact that all of the work of getting out the paper is given gratuitously, we trust that all delinquents will remit to Miss Simpson at once, and henceforth be prompt in payment.

OUR TOWN has established a place in the community; it is gladly welcomed in most homes, affording, as it does a medium for the exchange of thought on topics connected with the good of the borough, for notices of meetings of our religious bodies and social and other organizations, and for recording local happenings and personal items of all kinds. We trust it will not only be heartily supported by the subscriptions of our residents and advertisements of our merchants, but by the active co-operation of all with the editors, in reporting anything of general local interest.

In answer to those who have occasionally criticized OUR TOWN unfavorably, we beg them to keep in mind that our publication differs from those that are established for personal profit. It is carried on by busy men and women, who can only give spare moments of their valuable time, and who should be credited for what they have accomplished, rather than criticized for short-comings. We invite our critics to help make our paper better!

Officers and Directors of the Civic Association.

To the Editor of Our Town:

You have solicited local items that might be of interest to your readers and, as my parents intends a journalistic career for me, I have decided to begin my apprenticeship by practicing on your valuable periodical.

Kennedy Duff has bought an automobile. Good Night, garden!

Will Carmit ditto. We know a Philadelphia church that will be minus a tenor on many a Sunday morning.

My father expects to buy a couple of tons of coal soon—if he has luck. Marion Hawes has gone to Wilson College. Jolly girl.

Fletcher Stites our next representative. That's a cinch.

Charlie Humphreys Sundayed under his machine.

What became of the Narberth Band?

The Dahlia King had a bad crop this year and looks glum. Never mind, Kink, better luck next year.

Do you know where Nutty Row is? I'll give you one clue. It is where the deep thinkers and hard workers live.

James MacMackin is preparing to build on Chestnut avenue between Narberth and Woodside.

Wynnewood road is about finished. Most of our local roads are in fine shape now.

Too bad Ed. Stokes is moving away.

Did any one ever get lost in the desert of Anthwyn Farms?

Navigation on Jacobs' Creek is closed for the season.

Justice and Grugan were fine in the doubles, yes?

Have you noticed the new post office?

Cub.

To the Editor of Our Town:

The opening of the public schools reminds us of the fact that we will in a few months be once more face to face with the problem of transporting children of the primary grades to the school buildings in all conditions of weather. It will be recalled on the various occasions when the question of location of the new building was up before the people, it was suggested that it was within the power of the School Board to make suitable arrangements for the transportation of children of the lower grades from parts of the borough distant from the school buildings, as, for instance, the south side of the railroad. There are times, though perhaps not very frequent, when parents hesitate to permit their young children to walk this distance. In the past it was possible to secure transportation when desired at a cost of ten cents each way, making twenty cents per day. This item is quite a serious matter where there are several small children in the same family.

The school code provides that "The Board of School Directors in any school district in this Commonwealth, out of the funds of the district, provide for the free transportation of any pupil to and from the public

schools." It thus appears to be within the province of the board to make provision for the transportation of pupils where there are circumstances requiring it. It may be conceded that a general system of free transportation would not be a proper expenditure of public funds. A walk to and from school, even from parts of the borough farthest from the school buildings, is beneficial to the child rather than otherwise. Even under bad weather conditions the walk home after school hours is not likely to prove injurious in view of the child's opportunity to change clothing after reaching home. But the trip to school in the morning through a cold rain or drifting snow is a more serious matter. Under such circumstances would the case not seem to be a proper one for the exercise by the board of its discretion in providing transportation for children living beyond certain prescribed limits, or at least to arrange to reduce the cost to the parents to five cents a ride?

One Who Voted for the School Loan.

**MAIN LINE BOWLING STARTS THIS FRIDAY**

**Narberth Will Have Two Teams in the League, Captained by Messrs. Savill and Ward**

With the advent of autumn the Main Line Bowling League has reorganized for the season of 1916-17 and the fact that the circuit has increased to six clubs illustrates the success of the league last season, and that the devotees of the great indoor sport will have still greater interest and enthusiasm through the coming season.

At the reorganization meeting the following executive committee was elected: President, Frank M. Harmon, of Bryn Mawr; first vice-president, Robt. G. Savill, of Narberth; second vice-president, Ralph R. Walt, of Wayne; secretary-treasurer, Chas. A. McCrea, of Berwyn.

The league circuit will be made up of the four clubs of last season. R. R. Walt will captain the Wayne Club, which captured the championship and the handsome silver trophy donated to the league by Mr. W. L. Austin, of Bryn Mawr, which has to be won three years to be held permanently by a club. Wayne, this season, will bowl on home alleys at the new Wayne Men's Club, playing under the jurisdiction of this organization. The Ardmore Y. M. C. A., the runner-up in the league, finishing two games behind the champions, will be captained by S. Clark. The Rosemont Men's Club team by David M. Ramsey. Narberth Y. M. C. A., principally through the local league last season, developed sufficient material, to enter two teams in the Main Line League this season. The Y. M. C. A. team will be captained by Robt. G. Savill, who holds an enviable record as a Knight of the Alleys and who captured one of the leading prizes for high score last season. The Narberth Rovers will be handled by Irvin T. Ward. The last named is one of the new teams in the circuit and the sixth team will be the Paoli Travelers under the management of George Mathias.

The schedule, as well as the circuit, has been enlarged, the opening games to be rolled on October 6, the teams rolling Friday evenings this season. Rosemont M. C. open with the champions at Wayne M. C.; Paoli Travelers at Narberth Y. M. C. A., and the Narberth Rovers at Ardmore Y. M. C. A. The season will continue till April. Silver trophies and handsome individual prizes will be offered to the players and teams excelling with highest scores.

**TEACHERS IN THE NARBERTH PUBLIC SCHOOL**

Several New Names on New Term's List—Mr. Melchior Supported by An Able Body of Teachers.

- Principal—William T. Melchior.
- Mathematics—Anna B. Sailor.
- French and German—Elizabeth Snyder.
- Sciences—D. Paul Rogers.
- Latin and Senior High School English—Grace Turner.
- Junior High School English—Jane W. Twining.
- History—Adeline W. Larzelere.
- Fifth Grade—Margaret E. Kemery.
- Fourth Grade—Adah C. Clayton.
- Third Grade—Ida Read.
- Second Grade—Anne L. Cooper.
- First Grade—Nellie M. Wetherill.
- Domestic Science—Anna E. Fryer.

**No Boy Would Go Wrong, If All Men Went Right**

**Every Father Should Go to Sunday School**

**Narberth Methodist Sunday School**

Meets Every Sunday 9.45

Music and Art—Helen M. Wilson.  
Public Speaking and Secretary—Mary S. Melchior.

**A MOTHER'S OPINION OF NARBERTH SCHOOLS**

Over a week ago we came to the vicinity of Narberth as a small family of four. Owing to the fact, however, that my two small boys are just ready to enter school, my whole attention and interest have been turned to the various educational institutions in and around this district. After investigating the situation and talking with strangers as well as acquaintances, I decided to enter my boys of six and eight at the Narberth Public School. Hence Friday, September 29th, found me standing in line before the office door of the principal, waiting for the enrollment of my children.

The first feature of importance with which I met was the fact that my errand, previously considered to be a strictly business one, was transformed into a very friendly visit. After spending an hour in the office, I felt that I had come into personal touch with not only the principal but even a number of his teaching force. One teacher cordially invited me to visit her room; another offered to call on me in a week or two to talk over the work and progress of my boys; others seemed pleased to take their time to show me over the entire building. Indeed, it is partly due to this friendliness, good will and interest on the part of all whom I met, that I am inclined to write these few lines.

The element of greatest interest to me, however, was the fact that throughout the school the faculty and student body there seemed to be a striking feeling of homelikeness. A visitor surely cannot but see that one of the aims of the school authorities has been to have and hold a close connection between the home and the school. This atmosphere is symbolized by the pictures on the walls, the window boxes on the sills, the valuable and interesting stories on the book shelves and many other similarly attractive items. Nowhere, comparatively speaking, have I observed so much of the home spirit and homelike surrounding as there seems to be in this school.

Furthermore it might be worth while to add that although Friday was the first day of school, new building operations were being carried on, amidst the commotion of painters, masons, plumbers, heaters, excavators, and so forth, everything seemed to be exceptionally well systematized and in good running order. For awhile I could not account for the excellent results obtained under such unusually trying circumstances, but upon investigation of the matter I learned that both teachers and principal had been carefully planning and faithfully working over school problems early and late for days before the actual opening; and in addition that the school board had been giving their time and efforts for the good of school during all the summer months. It is to these men that I believe we as a community owe a great debt. In few communities have school boards sacrificed so much as, I understand, these men have.

I am proud to have my boys start in a school which promises so much, especially along the practical lines of life. As for myself, I hope to do my part in helping my boys support the Narberth School.

**UNCLAIMED LETTERS AT NARBERTH POST OFFICE.**

- Miss Lillian Coates, Mrs. W. J. Caldwell, Miss Lue Ellar Dembey, 3, Mr. Allen Haldman, Miss Rose Kelley, Mr. Wm. Muller, Miss Mary Tolan, Mrs. E. Wiley, Miss B. Wiseman.
- E. S. Haws, Postmaster.

**News of the Churches**

**EVANGEL BAPTIST CHURCH.**

Rev. J. Gordan, D. D., Acting Pastor.

**Sunday services:**

10.30 A. M.—Bible School and church will hold a Combined Rally Day service. A very interesting program has been prepared and we expect every member of both church and Sunday School to make a special effort to be present. Dr. Gordon's subject will be "Light-houses."

7.45—Evening worship. Subject, "Some Believed and Some Did Not Believe."

Wednesday evening, October 4, prayer and praise service at 8 o'clock. Let us start the fall prayer service by living up to our motto. Every member present.

**METHODIST EPISCOPAL CHURCH**

"The Little Church on the Hill"

Rev. C. G. Koppel, Pastor.

**Sunday services:**

9.45. Sunday school. Trained and experienced teachers for every class and department.

Men's Bible Class taught by the Rev. M. E. Bartholomew, of the National Bible Institute.

11.00. Morning worship. Sermon by the Rev. Bishop Thomas B. Neely, D. D., LL. D. Bishop Neely is the noted historian of the Board of Bishops of the Methodist Episcopal Church. Chorus choir and organ.

7.00. Epworth League. Leader, Miss Helen Cole.

7.45. Happy Sunday evening. Gospel song service. Hearty congregational singing. Chorus choir directed by Miss Prescott, with Miss Wentz at the organ. The pastor will preach.

**THE PRESBYTERIAN CHURCH.**

Rev. John Van Ness, Minister.

The meetings appointed for next Sunday are as follows:

10 A. M. Sunday school. A place and a welcome for all. Four Bible classes.

11 A. M. Public worship. During this meeting the Sacrament of the Lord's Supper will be celebrated and a public welcome extended to the new members of the church.

7 P. M. Meeting of the newly organized Christian Endeavor Society. All young people cordially invited. Leader, Miss Dorothy M. Beatty.

8 P. M. Evening worship with sermon by the pastor, subject, "Gideon's Revival."

**Church Notes.**

Rev. Walter Rue Murray, pastor of the Holmesburg Presbyterian Church of Philadelphia, will be the speaker at the Preparatory Meeting on Wednesday evening of this week.

At the largely attended prayer meeting of last Wednesday evening a branch of the Pocket Testament League was organized in this church. Already about twenty-five have become members.

The young people of this church have organized a Christian Endeavor Society which will meet each Sunday evening at 7 o'clock.

Miss Helen Wilson and Mr. Horace Entriken are expected to sing at the hour of morning and evening worship next Sunday.

**ALL SAINTS' P. E. CHURCH.**

Rev. Andrew S. Burke, Rector.

The services at All Saints' P. E. Church, Montgomery and Wynnewood avenues, for next Sunday, are as follows:

8.00 A. M. Holy Communion.

9.45 A. M. Sunday School.

11.00 o'clock. Morning prayer and sermon.

4.00 o'clock. Evening prayer.

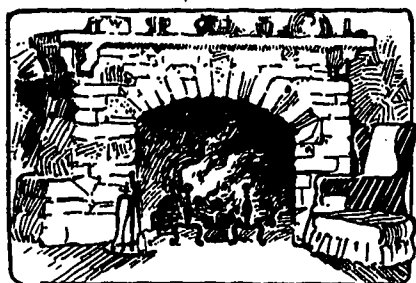

Be sure and attend the Sunday school at 9.45 next Sunday morning. This notice is for the teachers, scholars and any who may desire to attend.

Any Episcopalians who have not become affiliated with any other church are requested to deposit their letters at All Saints'. The rector will be very glad to call upon strangers or any newcomers to this section.

Church busses leave Wynnewood and Narberth stations at 10.40 on Sunday mornings.

**SPECIAL.**

Do not forget the Home Bake on the afternoon of October 14. at the Y. M. C. A. Community Club Room.

**THE FIRESIDE**

Betty Baxter's Gossip.

Snappy weather.

Schools have opened for the season.

Mr. N. H. Litchfield and family are home.

Miss Bertha Redifer goes to State College this week.

Mr. Jas. Causlin is the guest of Mr. and Mrs. Carroll Downes.

Miss Estelle Cohic leaves for Wyoming Seminary next week.

Mr. Henry Mansfield was visiting friends in Narberth on Sunday.

Mr. and Mrs. Jas. Witherow have returned from Sioux City, Iowa.

Don't forget the luncheon at the community rooms, on October 10.

Mr. and Mrs. Harry Bradley are occupying their new home on Essex avenue.

Mr. and Mrs. H. R. Hillegas, of Elmwood avenue, are in South Bend, Indiana.

Mr. and Mrs. Robert Coleman have just returned from a sojourn at the Poconos.

Mr. Samuel Whitmeyer, Merion avenue, will move with his family to Scranton.

Mr. and Mrs. Henry B. Loos have moved into their home at 507 Haverford avenue.

Mrs. Harry Bradley has returned from an extended visit to her father's home in Michigan.

A large number of our own base ball enthusiasts attended the Narberth-Wayne game at Wayne, on Saturday.

Mr. and Mrs. J. A. Scott and family have returned from Ocean City where they have been spending the summer.

Mr. and Mrs. Leonidas D. Sutherland arrived home Sunday after spending the summer at Seaside Park, N. J.

Mr. and Mrs. W. E. Waters and Miss Mollie Lynch have returned from two weeks at the shore.

Mr. and Mrs. W. G. McDowell and family have returned to their home on Montgomery avenue.

School opened with an enrollment of 393. The enrollment was curtailed by the epidemic of paralysis.

Mr. and Mrs. Frank M. Calvert, of 109 Merion avenue, will soon leave for Swarthmore, where Mr. Calvert has recently bought a house.

Be sure and help the girls of the Delta Sigma at their home bake, October 14. Some of them make good fudge and sea foam. Try it.

Ladies—If you are a member of the gymnasium, we expect to see you on opening day. If you wish to become a member, see Mrs. E. Hurth.

Miss Elizabeth Mowers, of Merchantville, returned home last Saturday after having spent the summer with her aunt, Mrs. Harry A. Jacobs.

Others leaving for college this week are: George Smith to Iowa University, Chester Smith to Delaware State College and G. Jacoby to State College.

Haverford College opened last Thursday with the largest freshman class in its history; more than sixty young men having qualified for entrance to the institution.

An advertiser writes us as follows: "Please discontinue classified advertisement for space to rent in garage, on Dudley avenue. The ad. brought quick results. Thanks."

Letters testamentary have been granted in the estate of Frances L. Pritchard, Narberth, to Merion Title & Trust Company. Estate to daughter for life and at her death to granddaughter.

Dr. W. M. Cameron has fitted up a most up-to-date office in the Arcade Building, to take care of his large and increasing practice. The location is very central, and the move is progressive, to say the least.

Miss Ffannery, formerly a teacher in the Lower Merion Public Schools, has been appointed to a lucrative position in a private school at Merion. This school is conducted under the auspices of the Merion Civic Association.

Narberth extends a welcome to Mr. John Klingler, Jr., who recently bought the property, 503 Haverford avenue, from Mr. A. C. Shand. Mr. and Mrs. Klingler have expressed themselves as very much pleased with their new home.

Frank Haimbach and Sons, of Black road, Narberth will shortly establish a milk route. They have a herd of first-class cows, tubercular tested by State Commissioner, and will serve high-class milk to their customers.

Shirley road, a private drive, has been treated by the Highway Maintenance Co. with tarvia, by the Finley Process. This was necessitated, owing to the road having been badly cut up by drivers of cars and teams, who used it as a detour to escape the holes and ruts on Haverford avenue.

Several of the graduates of the Narberth High School have left for various colleges, among them Carroll Downes, who has gone to Dartmouth; Marian Hawes, to Wilson College at Chambersburg; Hilda Smedley to Sargent School, Boston, and Estelle Cohic to Wyoming Seminary, Wilkes-Barre.

Among the newcomers to Narberth are Mr. and Mrs. Brinkley Turner, who have taken a residence on Dudley avenue. Mr. Turner, who is a Haverford graduate, is with the Girard Trust Company of Philadelphia, and Mrs. Turner, who will be remembered by her many Main Line friends as Miss Willie Bond Savage, was a student at Bryn Mawr College.

A Civil Service examination for a clerk in the Narberth Post Office will be held Saturday, October 14, in Room 400 Post Office Building, Philadelphia. Application blanks and information regarding this examination may be obtained at the Narberth Post Office from Miss Helen Kernan, local secretary. Male or female applicants, over eighteen years of age, are eligible.

We note that two wastepaper cans have made their appearance recently, one on the sidewalk between Fielder's drug store and Davis' store, and the other near the entrance to the Post Office. Here's hoping that the absent-minded persons who open letters and drop the envelopes on the sidewalks will make use of them. The cans are of generous proportions and bear the name "Narberth Civic Association."

Achsah M. Wentz, the talented young organist of the Methodist Episcopal Church, is one of four students of the Kinder Organ School, Philadelphia, who have been selected by the director of the school, Ralph Kinder, to give a recital on the splendid three manual organ in Estey Hall, Philadelphia, on the evening of October 26. Miss Wentz will play Fantasia in F by West and Le Cygne (The Swan) by Saint Saens.

A rare treat is in store for those women who are fortunate enough to attend the luncheon to be given by the Woman's Community Club in their room at the Y. M. C. A., on Tuesday, October 10, at 1.30. Mrs. Richard J. Hamilton, president of the Ardmore Woman's Club, and Mrs. Leondis Beck, president of the County Federation of Women's Clubs, are both to be there, and will give interesting after luncheon talks. Every Narberth woman should avail herself of this splendid opportunity.

**WHO HAS THE BEST KEPT YARD IN YOUR NEIGHBORHOOD?**

At one of the meetings of the Civic Association in the spring, it was decided to offer some prizes to encourage those that were interested in well-kept gardens as well as for some sort of an inducement to those who were not interested in well-kept premises to beautify their lots. The committee in charge bought \$84 worth of cups and will be ready to award the prizes within a week, but it seems to be difficult to get over the whole town without missing someone or other, and the suggestion is hereby made that the residents of Narberth are invited to select and name the premises that are in their opinion the most attractive as seen from the street. The committee will then give special attention to the properties that are so mentioned.

Whether or not it is possible to do so this season, it may be problematical; but the committee thinks it quite feasible to proceed along this line, and feel sure that when these prizes are to be awarded next season, some such system should be adopted. The residents should be the jury and the committeemen of three appointed to be the judges; as under some such system all the lots, no matter where they are located, will be in the competition and get consideration. As it is now, the judges appointed feel they may have missed someone entitled to a place or at least consideration. No collections for the cash prizes have been made yet, but the amount has practically been pledged.

**NEXT WEEK'S GAME WITH THE WEST PHILA. TRAVELERS**

The game next week with the West Philadelphia team is the one which Narberth won (or thought they had won) on the 4th of July morning. This game was protested by the West Philadelphia team, and they won their protest, which made the game next week necessary. The game is scheduled to be called precisely at three o'clock.

Manager Walzer does not expect anything but a victory on Saturday. The following week R. G. Dun Co. will be our visitors. Full details of this game have not been arranged, but will be announced at the game this coming Saturday. Remember the time is 3 o'clock sharp. Be on hand to root.

"Our Boys"—Business Men's  
Gym Class—"Date Bureau"—  
Bowling—Community Bible  
Study Class

**"Our Boys."**

We want to take this opportunity to express our sincere thanks to all who have so generously contributed to the fund for the promotion of our boys' work.

The rain last Friday evening prevented practically all the committees from soliciting, and the street you are on may not have been canvassed. Be prepared, the boys are not through yet. We are thankful to say that we have already collected \$75, with only \$25 to go to reach our goal.

If for any reason you have accidentally been missed and care to contribute, phone or see Secretary Hampton. Other details later.

**Business Men's Gym Class.**

Where—Y. M. C. A. Gym.  
When—Next Friday evening, October 6, 8 P. M.

**Who—Business Men.**

Come—you'll never regret it. If you were in last year's class, you need no further information. If you were not, bring an old pair of trousers and "sneakers" and you'll reserve every Friday evening this year. Don't come to look on, come to get into the game.

**Stop, Look and Listen.**

Don't allow yourself to go back to that grumpy, grouchy stage of long facedness, indigestion and dyspepsia. Don't go back to that anemic pale-faced condition with no blood to color your skin.

Isn't it worth time and money to be at your best?

Get in with a live, jolly bunch where health, life and sociability reign.

Exercise to touch that weak spot in your anatomy.

Activities to touch the satisfaction spot of every man may be had in our Business Men's Class. Come and see for yourself.

**"Date Bureau."**

We have already started our "Date Bureau." You may know the mean-

ing of this term, but in case you don't here is the explanation: We have at the Y. M. C. A. a book in which we keep the record of all coming events not only pertaining to the Y. M. C. A. but everything in Narberth.

We have asked the co-operation of all organizations and if we fail to get hearty co-operation, this enterprise, which should be a wonderful benefit to all, is a failure.

If you are planning a social event at your home, call up the Y. M. C. A., Narberth 694 W, and find out if there is any other event scheduled for that night. If not, you are safe and we will make mention of your affair for that evening. Don't overlook this, it may save you of a very embarrassing situation some evening.

We do this for your good. At your service. Again let us emphasize, this movement can be a real asset to a community, but only with the hearty co-operation of all.

**Bowling.**

Our bowling alleys are in first-class condition. Come in and give them a trial. They look like new.

**Community Bible Study Class.**

Don't forget Tuesday nights. Dr. H. S. Tillis, leader. Come, you will enjoy the class. Everybody is welcome.

**NARBROOK A RENDEZVOUS**

Narbrook Park is a mighty popular place these fine autumn Sundays. Now that it is nearing completion, it grows more and more attractive. This fact acts like a magnet on our citizens and their week-end guests. They all go for "a stroll through the park." Last Sunday eighty-two different persons were counted while the writer walked around the center open space of the park.

The grading in the open space is progressing in a satisfactory manner and the "circle" and the grass plots alongside the cement walks are showing up quite green as a result of recent seeding.

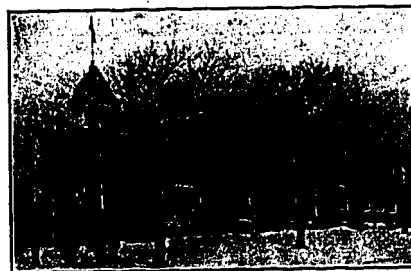

Mr. Wohlert has made an extensive planting of evergreens on his east side lot and Messrs. Artman and Shand have made attractive and unusual plantings about their houses on the west side.

The Harris house at the Windsor avenue entrance is now occupied. Several new houses are promised for the near future.

**HOME BAKE.**

Place—Y. M. C. A. Building.  
Time—Saturday afternoon, October 14th.

By Whom—Delta Sigma.  
For the Benefit of the Public School.

**NARBERTH SCHOOL NOTES**

By Members of Faculty, Students and Parents

After the prolonged vacation, we assembled on Friday, September 29, for the opening of school. Much of the work, which must usually be accomplished after school has opened, was already completed. Children, for instance, whose courses had not been determined at the close of last year, were interviewed in their homes so that the big high school and grade roster could be made out. When Friday came, we were ready to receive the children, to send them to their respective classes and to assign them lessons.

Long before half past eight on Friday morning pupils began to arrive. They were glad to see each other and the teachers and were much interested in the alterations of the building. It was rather remarkable, more especially for the younger students, with what quietness and ease they fell into the new way of living.

The ready adjustment to new conditions was perhaps noticeable in the halls where there was very little confusion. When the bell for assembly rang, the pupils filed in orderly fashion through the halls to their new places in the assembly room. The assembly exercises were short but pleasant, and Mr. McCarter was present to welcome us again to the school. We began and ended the day with a feeling of real satisfaction.

On Friday, the opening day of school, seven members of the class of 1916 were present, representing the alumni association. Also several members who are leaving for other schools visited. The work which is being done upon the buildings is so great an improvement that much comment was made upon it by the graduates. The High School is now separated into its respective classes which saves much confusion, and much more individual work can be done besides conserving energy and time. The two new rooms which have been constructed in the front of the building give the advantage of class rooms to the High School. The Alumni is much interested in the construction and remodeling that is being done on the school buildings. (Signed) An Alumnus.

**Where Are the Members of 1916?**

At present if we go to Dartmouth College on a visit we might see Carroll Downes, president of last year's graduating class, hard at work in his desire to become one of America's prominent lawyers; also in the New England states we find Hilda Smedley in the Sargent School of Physical Education at Cambridge, Mass. On the way home we will stop at Kingston, Pa., and find Estelle Cohic studying at Wyoming Seminary. However, before we return let us run out to Chambersburg. There, knee-deep, in studies is Marian Haws taking a college course at Wilson College. We hate to leave her, but we must return and visit the rest of our class. In going through the University of Pennsylvania whom should we find but Charles Howard McCarter, Jr., one of the coming architects of our city. In leaving the 'varsity and going to our station whom should be run across, but Madelyn McCoy, who soon to receive a degree at Coomb's Conservatory of Music. She was on her way to Bank's Business College to see how Marian Trotter was enjoying her work there. But now we are home and with us are Agnes, Rose and Jean Justice, who are attending Bryn Mawr College, and Augusta Witherow, who is taking a post graduate course at Narberth High waiting to return to Cornell to resume her course in music next summer. And last, but not least, is Franklin Foster, who has a position in Philadelphia now, but expects to attend a medical college next year. A Member of the Class of '16.

On Monday, October 2, the lunch room was opened to the faculty and student body. This addition to our school, which was started as an experiment last year, has proved a de-

cid success. The large majority of the students buy their lunch each day. Mrs. Justice, who originated the idea, is now in charge, and sets before us a most appetizing menu. These menus consist of soup and roll for five cents. Soup such as tomato, split pea, cream of celery, etc.; macaroni and cheese and roll, five cents, or creamed beef on toast, five cents, etc. Sandwiches: Ham, five cents; lettuce, five cents; cheese, four cents; buttered roll, two cents; bottle of milk, three cents; cocoa, three cents; crackers and ice cream at stated intervals. Owing to the present increase in prices it may be necessary to increase these prices.

The faculty and pupils appreciate this addition to our school, not to mention the relief to the mothers to know that their children are having a hot nourishing lunch.

**Faculty Member.**

The system of "promotion by subjects" rather than by grades has long been advocated by educators as more fair to the child. It is being practiced quite successfully in many large High Schools, but the difficulty of making out a working schedule has been almost prohibitive in the smaller schools, where there is no division of classes. The Narberth High School attempted it last year on a small scale and adopted it this year as a definite policy, though there are still some few cases which cannot be made to fit into the scheme. In general, the advantage of such a system is that a pupil who is weak along a certain line need not be retarded in his whole course, but may carry his other studies to a successful finish, and at the same time repeat the subject in which he has failed. The pupil who has lost time through illness or other necessary absence, may on his return concentrate on two or three studies, pass them off, and make up his other work in the following year without the discouragement of repeating the whole year's work. The plan offers no particular advantage to the pupil of average or more than average strength, but to the handicapped pupil it gives encouragement and "another chance."

**Faculty.**

**SALES BY CALDWELL & CO.**

Caldwell & Co. report the following recent real estate sales in Narberth: No. 136 Merion avenue for James McMackin to Joseph H. Nash, of Narberth. No. 209 Greyling avenue for the estate of Mary L. Cooper, deceased, to Mrs. Josephine R. Du Bosq, of Lower Merion Township. No. 103 Rockland avenue for Wm. T. Harris to Alexander B. Gillfillan, of Radnor, Pa. No. 222 Essex avenue for Charles V. Noel to Horace C. Opdyke, of Narberth.

**NARBERTH DEFEATS WAYNE 7-2.**

(Continued from First Page)  
runs—Narberth, 7; Wayne, 2. Bases on balls—Gibson, 2. Left on bases—Narberth, 3; Wayne, 4. First base on errors—Narberth, 3; Wayne, 1. Struck out—By Gibson, 9; by Hollowell, 1; Sturdevant, 5. Hit by pitched ball—Davis, Brooke. Umpires—Ferguson and Jones. Time of game—1.20. Scorer—Earl F. Smith.

**Base Ball Pick Ups.**

Fleck made a one-handed stop and great throw to the plate in the fourth inning.

The second inning took the pep out of the Wayne team.

Wallace picked them up out of the dirt at first.

Fleck and Koons played a brilliant part in the game.

Note:—Next Saturday's game commences precisely at 3 P. M.

Big game coming the following week with R. G. Dun & Co. See Our Town next week for all the particulars.

Bobby Gibson pitched a splendid game.

Sturdevant smiles with every pitch. Buck Weaver's throwing arm was off.

The Wayne team lost its "understanding" in the second inning. Howes scored one of Narberth's runs on three successive errors.

Bill Durbin was robbed of a hit by Fleck being caught at second. Two umpires again.

**HOME BAKE.**

On October the 14th, the Delta Sigma Sorority will give a home bake. Please reserve this date. Further notice of this will be given next week.
