Mr. Chas. Ziegler,  
Hershey Bank,  
Hershey, Penna.

Dear Sir,

Having been informed that Mr. Hershey is interested in the collection of early Americana, we are taking the liberty of writing you regarding a superb collection of Colonial and Continental paper money which Mr. Chapman collected over a period of years. It comprises the earliest notes back as far as 1690 and we believe it to be one of the most complete collections of its kind in existence.

If you are interested, we shall be very glad to give you more detailed information and shall be glad to show it to you.

Thanking you for your consideration and hoping for a reply, we are,

Yours very truly,
