### THE RELIEF CORPS KENSINGTON CLUB CELEBRATE ANNIVERSARY WITH DINNER

It was truly a joyous and merry gathering of officers and members of the Kensington club who assembled in G. A. R. hall Thursday for an all-day meeting and to celebrate the first anniversary of the organization of this club.

At 1 o'clock a two-course chicken dinner was served, at which fifty ladies enjoyed the delicious menu served by Mrs. Julia Sanders, ably assisted by Mrs. William Harting, Mrs. Samuel A. Pollock, Mrs. William W. Dutton, Mrs. William Tiffany and Mrs. Jack Hammond.

Corsage bouquets of violets marked places for the dinner guests. Following the dinner, which was served in the banquet hall, an interesting program was rendered at intervals, during the afternoon, thus interspersing business with the musical and literary numbers.

Miss Phoebe Armstrong, pianiste, accompanied her equally talented sister, Miss Dorothy Armstrong, violinist, in two selections. Mrs. Juliana Hayes, secretary and treasurer, gave the annual report of the club, the number of meetings held, and when Mrs. Hayes announced that the receipts for the year had been one hundred dollars, there was much rejoicing among the members of this recently organized club.

Mrs. Margaret Jenkins, president, then exhibited the birthday cake, which had been made by Mrs. Edith Burk, upon which one taper arose, shedding its tiny light. As each lady enjoyed the delicious cake, she not only considered what had been accomplished by the combined efforts of the officers and members of the club, but what might be attained and each resolved to increase her efforts for the coming year.

Herbert Bruck and Don Danner sang a duet, "Tipperary," and responded to an encore, as did Miss Dorothy Danner and Miss Jessie Dutton, who gave a piano duet. Herbert Bruck, who is a manly lad of ten, gave a reading.

Mrs. Margaret Jenkins was unanimously re-elected president for the ensuing year. Mrs. Hattie Tiffany was chosen secretary and treasurer. Each lady who attended had been previously presented a small silk flag into which she was requested to place a penny for each of her birthdays, and then upon the first anniversary of the club to present this bag. Hence, Thursday there was much merriment when the contents of these bags were counted and greater pleasure when the total proceeds netted thirty-nine dollars, and still a number of birthday bags to be heard from.

Each lady requested that she be returned her birthday bag, for March 4, 1916, there will occur the second anniversary of this club, which has no motto, but which has the underlying principle of sisterly love and harmony, mingled with patriotism and love for their country, their flag and the noble defenders of their country.

After a two weeks' delightful visit among her friends and acquaintances at her former home in Buena Park, Mrs. Frank I. Marsh has returned to her home at 124 North Central avenue.

Miss Lucia DuPuis of Los Angeles visited Mrs. George Peck Thursday and also attended the meeting of the Kensington club at G. A. R. hall.

Mrs. Richard Tiffany and son Robert of Pasadena were the guests on Thursday of Mrs. William Tiffany of Tropico avenue.

### FLORAL PAGEANT TAKING FORM

The plans of the 1915 general committee for a children's floral pageant during the coming summer are well under way. Two parades and a pageant at the Stadium consisting of drills, musical numbers and special features form the skeleton of the idea. The school children from all over the county will be impressed into the service of art. This is but a small part of the entertainment planned for the crowds of visitors who will be brought to the coast this year by our great expositions. Lying as it does on the direct line between San Francisco and San Diego, and as the western terminus of many eastern railroads, Los Angeles is indeed the "gateway to the expositions," and in this capacity intends to play hostess to the world's fair tourists.

"But try, I urge—the trying shall suffice; the aim, if reached or not, makes great the life."—Robert Browning.

## NEW ASSOCIATION

### PARENTS AND TEACHERS IN DORAN STREET DISTRICT MEET TO ORGANIZE

About forty of the Doran street school mothers responded to the invitation sent out by Miss Lois Hatch, the principal of the school, yesterday afternoon. Each mother was "tagged" with her name, and introductions were numerous. The new building was inspected and admired, and the unusual pleasant features which characterize this modern school-house received much favorable comment.

After a social time in which the mothers became acquainted with each other and the teachers, they went to the pleasant auditorium, which is seated with folding chairs, and is light and airy, with a fine view westward. Mrs. Charles H. Toll, president of the Glendale Federation of Parent-Teacher associations, called the meeting to order. After explaining the objects for which the associations are formed, and telling the women of the broad organization of the work, which extends into international fields, Mrs. Toll proceeded to organize the association. A constitution was adopted, and the following officers were elected: president, Mrs. C. L. Chandler; vice-president, Mrs. A. A. Barton; secretary, Mrs. R. M. Brown; treasurer, Mrs. Homer Lockwood; historian, Mrs. F. B. Nay. As these women have been enthusiastic members of other local Parent-Teacher associations, and are familiar with the work, the circle is to be congratulated upon its choice of officers. The success of the organization is assured, with such an able body of women in charge.

Mr. Richardson D. White, supervising principal of the Glendale schools, was introduced and gave a very pleasing address of welcome to the new organization. He spoke of the help that the P.T.A. is to the schools and the mothers, in the increased watchfulness of the needs of the child in home, in school and in the community, and the better knowledge gained in meeting these needs. He said that the schools have the children about one-eighth of their childhood, and that the proper use of the remaining seven-eighths of the child's time is the responsibility of the parents and the community. The community, he thinks, has a distinct responsibility for a portion of the time, and for that reason and that an active child must have some outlet for his activities beside that furnished by a fifty-foot town lot, he thinks that every community of the size and conditions of Glendale should have a properly supervised playground.

Miss Hatch gave cordial greetings, and assured the parents of how glad she and her associate, Miss Collins, are to have the co-operation of the Parent-Teacher association of the Doran street school. She thanked the mothers present for their generous donation of cups and saucers and other articles useful in serving refreshments.

Then nearly all present joined the association, and expressed their active interest in and support of the new organization. After this, tea was served in the attractive primary room by Misses Hatch and Collins.

The next meeting will be held on Wednesday, April 7th, at 3 p. m. sharp, and the following meetings on the first Wednesday of each month thereafter.

### WHICH PRESIDENT?

"How is young John getting on at college?" asked the friend of the family.

"Very well, indeed," answered John's proud mother. "The president has about decided to let him stay on for the rest of the term."—Richmond Times-Dispatch.

"I Love You, California," is a California air with the California atmosphere.

## LARGE CROWDS

### BILLY SUNDAY HAS NOTHING ON BROWN AND CURRY AND GLENDALE

(By Publicity Com.)

Weekly program of the tabernacle meetings: Friday, school night. Saturday, "isms" night—"Mormonism, Eddyism, Russellism." Special service for women and girls Friday afternoon—"The Devil's Decoys."

Baraca banquet Friday at which Messrs. Brown and Curry will speak. Saturday, 10 a. m., organization of children's choir under Prof. Curry. Children's service Saturday afternoon at 2:30, at which children's chorus will sing for the first time. Thursday afternoon subject, "The Ideal Home."

It is simply marvelous the way people flock even afternoons to the Brown and Curry tabernacle. Audiences that would be record breakers under normal conditions in Glendale are the constant thing every afternoon. Truly wonders never cease and there is nothing like being shown in order to be convinced. Where now are the skeptics who doubted the possibility of holding afternoon services in Glendale? Brown and Curry under God have surely made good! The influence of the big meeting now in progress will ripple to the farthest shores of eternity.

Rev. Smith, the successful pastor of the Tropico Methodist church, led in prayer at the afternoon service. Evangelist Brown spoke on "Rest" taking as a text the last three verses of the 11th of John.

The Old Testament says: "Go!" the New says, "Come." The prophets of old denounced sin till the people became discouraged, Jesus came preaching hope, to the weary he said, "Come unto me and I will give you rest."

A church full of rest is an invitation to the lost to be saved. A successful salesman must have a good line of goods as well as a good line of talk. The preacher's samples speak louder than his sermons.

It is one thing to know Christ at the cross, another thing to know Christ as the one who saves from all worry. Most aches, pains and burdens are imaginary. Some folk are so poor that they have to borrow trouble. There are too many trouble machines. When you have done your dead level best go to bed and rest. Work is life, worry is death. God gives rest in real trouble.

Any one of Brown's sermons is a Kimberly diamond mine. There is no bottom to his barrel. Neither does his barrel ever sound empty. Theological students would do well to follow one of the Brown and Curry campaigns from first to last. One of the prominent laywomen of Glendale who had the privilege of passing thru the famous Billy Sunday Pittsburgh campaign and who is a great Sunday booster remarked that for a voice and effective preaching Philadelphia has nothing on Glendale.

The regular reporter was unable to be present Thursday evening but since returning to Glendale those he has interviewed express the enthusiastic opinion that the sermon on "The Rich Fool" was simply wonderful. One able preacher remarked, "Troy, it was powerful. He surely knows how to drive home the nails." Well, they are all the "best ever" and what is even more to the point, the quickening of the saints and the salvation of sinners make the great effort worth while.

The Chamber of Commerce and Merchants' Association honored the noted evangelists with their presence. Glendale is populated on the whole by right thinking people. Tonight will be school night. Bring the live song book with the negro melodies. Mr. Curry sang twice yesterday. People are always disappointed when

## SCHOOL TRUSTEES IN REGULAR MEETING

### TEN-FOOT ALLEY—THREE-CENT OIL—WATER PIPE IS TO BE RETURNED—STOVES WILL DO AT PRESENT—FURNACE FOR CENTRAL AVENUE SCHOOL—TO ASCERTAIN PRICE OF PROPERTY IN THE SOUTHEAST PORTION OF GLENDALE—USUAL CLAIMS ALLOWED

The board of school trustees met at their office in the Intermediate school building Thursday evening, with all members present. The minutes of the two previous meetings were read and approved.

Mr. White was instructed to present a communication to the city council at their next meeting requesting them to accept a ten-foot alley on the north side of the recently acquired Third street school property in lieu of the ten-foot alley that now intersects said property, thereby throwing the Third street school property all in one body.

Trustee Todd was ordered to request Mr. A. M. Brooks to return a quantity of water pipe which he had removed from the school property.

The matter of installing a heating plant for the manual training school and domestic science room was up for discussion, but the board did not think it advisable to install a plant at this time and decided to heat the rooms with wood stoves for the balance of this term at least.

Mr. White was ordered to take the matter up with the Two Boys Oil company in regard to the price which they are charging the school board for fuel oil. The Two Boys Oil company have been charging the board four cents per gallon for No. 3 distillate, while other firms are wanting to furnish the same grade of oil for three cents per gallon.

Architect Westlake was ordered to

prepare plans and specifications for a heating plant for the new addition to the Central avenue school and ask for bids on same.

Trustee Todd was ordered to make a tour of inspection in the southeast part of the city in view of ascertaining what properties would be suitable for a school site in that section and to get prices on the different tracts and report the result of his findings at the next regular meeting.

In addition to the regular monthly salaries of the teachers, the following claims were allowed and ordered paid:

- Glendale Mill, \$7.65.
- Williams Dry Goods Co., 40c.
- Two Boys Oil Co., \$140.18.
- Glendale Paint & Paper Co., \$48.11.
- J. E. Aston, \$5.00.
- Glendale Hardware Co., \$5.85.
- Cornwall & Kelly, \$18.55.
- Phillips Transfer Co., \$1.25.
- Cunningham, Curtis & Welsh Co., \$29.40.
- Valley Tel. Supply Co., \$38.50.
- Sunset Phone Co., \$12.70.
- Home Tel. Co., \$1.65.
- O. Spencer, \$1.00.
- J. Acosta, \$46.00.
- Shaver Grocery Co., \$8.40.
- Grimes Stassforth Co., \$53.19.
- Glendale Electric Co., \$5.85.
- Glendale Evening News, \$20.60.
- Cornwall & Kelly, \$6.10.
- City of Glendale, \$100.
- J. W. Sunkes, 75c.
- So. Cal. Gas Co., \$8.00.
- Jones Book Store, \$2.46.

### GLENDALE-TROPICO POULTRY ASSOCIATION

The board of directors of the Glendale-Tropico Poultry and Pet Stock association met at the office of Dr. Royce on Thursday evening at seven o'clock. Minutes of the previous meeting read and approved.

The treasurer reported a balance of \$27.55 now in the treasury, but for lack of time to prepare it at this time, a full detailed report of receipts and expenditures will be made by Treasurer Oliver at the next meeting.

The membership committee reported a paid-up membership of forty-three members and the list still growing. On account of too much other urgent business and being unable to give as much attention to the duties of secretary as is needed to make a success of it, Walter M. Ross tendered his resignation as secretary of the association. Mr. Ross' resignation was accepted with the understanding that he still remain on the board of directors.

Dr. C. D. Ludke was chosen to fill the vacancy.

Dr. J. Irwin Royce, who constitutes the committee on entertainment, announced that he had secured the services of R. V. Moore and would have others on hand at the next monthly meeting of the association, which will be held in the city hall of Tropico on March 18th at 8 p. m. All are invited.

The singing evangelist puts off on somebody else. Curry (Indian mixture of spices) twice a day tastes all right to the thousands interested in the big meeting. And the splendid chorus seems never to have enough. "I simply enjoy it," remarked one young man. The great chorus has made a tremendous hit and Glendale, Tropico and Casa Verdugo are proud of the local talent. Better remember to get together after the revival and don't fail to keep the orchestra hitched up.

Let the children remember their chorus Saturday morning at 10 o'clock and the children's meeting at 2:30 in the afternoon. O, what a time it will be! Curry just loves youngsters like girls relish candy.

## MELROSE INDICTED

### PROMINENT PEOPLE OF TROPICO SIGN BOND OF FORMER BURBANK JUSTICE

The many Glendale and Tropico friends of former Judge George C. Melrose were shocked and surprised to learn he had been indicted yesterday for misappropriating a part of the funds accruing from his office as Justice of the Peace of Burbank township, and falsifying records.

Mr. Melrose had been Justice of Burbank township for two terms, or eight years, being succeeded by Judge Harry M. Miller on January 1 of this year. Mr. Melrose had resided in Tropico about twenty years and enjoyed the confidence and respect of the people of the community.

Attorneys Veitch and Richardson have been retained to defend Mr. Melrose. A number of people in this vicinity asked the privilege of going bond for Mr. Melrose and the following names were approved by Judge Jackson: B. W. Richardson, Dan Campbell, John Logan, W. H. Bullis, J. J. Burke, Robert Levine, Mrs. Ella Ayres and Mrs. Anna Jennings. Bond was fixed in the sum of \$2500.

### MISS BUTTON HOSTESS

Mrs. Coral Harrison Sloan's Shakespeare class had a most interesting session at the home of the secretary, Miss Rosemary Button of 1307 West First street, this week. This was one of the much anticipated open sessions of the class, each member being permitted to bring one friend, and the rooms were comfortably filled. Mrs. Sloan gave an extraordinary interpretative lecture on the first three acts of the play Hamlet, impersonating each character as she read, while the audience sat charmed and delighted with the insight thus given them of the wonderful drama. The two remaining acts will be read by Mrs. Sloan at some future open session of the class, but the date has not as yet been decided upon.

### NORTH GLENDALE

Mrs. J. E. McKeever of 421 North Brand boulevard with her mother, Mrs. Margaret Glenn, Mrs. J. Caves, Mrs. D. F. Cook, Mrs. Donald McDaniels, Mrs. H. Oswald of Glendale and Mrs. Muff of Los Angeles, formed a merry party who enjoyed the matinee at the Majestic theatre last Wednesday afternoon, seeing "Everywoman," and report a most delightful afternoon's entertainment.

Mrs. M. N. Barnett who is spending some time at Newhall, where she is the guest of her brother, Mr. H. C. Needham on his extensive ranch, was in North Glendale yesterday calling upon oldtime friends and neighbors.

Mrs. H. G. McDougall and little son Master Frank Robert, of 1305 Burchett, with her mother Mrs. Agnes Powell, and sister Mrs. K. E. Nash, were luncheon guests of Mr. McDougall's parents at their home 1056 West Temple street, Los Angeles, last Wednesday.

Miss Clara Swales of Chicago arrived here last Thursday afternoon and is now the guest of her sister, Mrs. Richard A. Siple of 1473 Sycamore avenue. Miss Swales stopped enroute, and visited the fair in San Francisco. It is anticipated by the relatives of the young lady that she will reside here permanently.

Mr. and Mrs. E. H. McMahan of 1016 Fairview avenue are entertaining as their house guest Mrs. McMahan's sister-in-law, Mrs. Rolla Duncan of Helena, Montana. Mr. Duncan is expected to arrive here in a few days and together the two families will visit the San Francisco exposition and other points of interest in the northern part of the state before they return home.

### PARENT-TEACHER ASS'N MEETS

A very splendid meeting of the Colorado boulevard Parent-Teacher association was held in the school building Thursday afternoon. The speaker for the afternoon was Dr. C. Irving Mills, D. D., of Glendale. His subject was "How shall we protect our boys and girls morally?" An interesting discussion by the mothers present followed, after which tea was served by the following ladies: Mrs. E. R. Naudain, Mrs. F. C. Ayers and Mrs. W. E. Halstead.

### DR. WEST PURCHASES THE WHITE STORE

Ed Clouthier sold the White Store to Dr. West of Glendale, the new owner taking possession of the business today. Dr. West has secured the services of Mr. C. E. Price, who will manage the store. Mr. Clouthier may engage in some other line of business in Glendale, although at present he has no definite plans.

### VOCAL LESSONS

Miss Clementina Landmann, late student (instrumental, violin and piano) of the Sphor Conservatory of Music, Gotha, Germany; professional vocal pupil of Graham Reed, New York City, and also soprano of the Church of the Atonement, Tenafly, N. J., is prepared to receive a limited number of VOCAL pupils at her studio, 305 1/2 South Louise street, Glendale. Voice trial free. Terms on application. Available for concerts, receptions and church engagements. Telephone Sunset 350W. 169125

### PERSONALS

Mrs. R. G. Payne and daughter, Miss Frances Payne, and sister, Miss Bingham, were dinner guests Thursday evening at the home of Mrs. M. C. Patterson of Riverdale drive.

Mr. A. W. Martin of 441 Pacific avenue has begun the erection of a five-room bungalow on his lot at 455 Pacific, where he formerly had his fine Hymalaya blackberry patch.

Mrs. A. Lucas Smith of 305 North Adams street entertained for Mr. Smith with a dinner for his old friend, Judge Hewitt of Des Moines, Iowa, and Mr. Supree of Glendale on Tuesday evening.

Mr. and Mrs. L. G. Rogers of Detroit, Mich., who have been spending the winter in Los Angeles, were the recent all-day guests at the home of Mr. and Mrs. W. B. Gaylord of 134 East First street.

On Tuesday of this week Mrs. C. F. Parker of 227 Central avenue entertained Mrs. Norman Manerey and Mrs. Lulu Baker of Los Angeles for luncheon, the ladies coming out early in the morning and spending the day in Glendale.

Miss Evelyn Cornell of Los Angeles was a guest of Mrs. Chas. H. Retts of 415 North Brand boulevard, Tropic, recently. On Tuesday Mr. and Mrs. Retts entertained Mr. and Mrs. R. H. Seehorn of Los Angeles at dinner.

Mr. A. W. Martin of 441 Pacific avenue had his Ford auto stolen a few days ago from Eighth and Olive streets, Los Angeles. He had it locked with one of the latest "burglar proof" fastenings, but it went, just the same.

Mrs. Mary Bollom and children, Mr. and Mrs. Rhen, who have lived at the corner of Park avenue and Brand boulevard for years, have purchased a bungalow on Glendale avenue, near Blanche, and expect to move to their new home soon.

Mrs. C. D. Roach of 1428 Lomita avenue will be among the Glendale people who will attend the joint recital on Saturday afternoon of Alma Gluck and Zimballist. This recital is a treat long anticipated by music lovers of Los Angeles and vicinity.

Little Chauncey Pitcher, son of Mrs. Sara Pitcher of 102 East Second street, while playing at school last Friday, fell over a bench and broke his arm near the shoulder. The break is causing a good deal of trouble and he is still in great pain, although the doctors say it is doing all right. As soon as Chauncey is well enough his mother will take him to San Francisco for a few days.

Mrs. C. F. Parker attended the all-day business and social meeting of the Sunshine society held on Thursday at the Seminole apartments in Los Angeles. The president of the society lives at these apartments and the meetings are held in the large social hall. A great deal of business was gotten through in the forenoon and many reports read of work that had been done and is being done in the way of charity, and after the business session the time was very enjoyably spent in social intercourse.

Mr. and Mrs. Sherman Gibbons of Los Angeles were all-day guests recently of Mr. and Mrs. T. W. Preston of 725 Adams street.

Miss Mary Goss of Chicago, who has been spending some time on her orange ranch near San Diego, was up to spend the week-end with her cousin, Mrs. T. W. Preston, of 725 Adams street.

Mrs. Theodore F. Peirce of 709 South Central avenue, who has been very ill in a Los Angeles hospital, returned home on Sunday and is doing nicely now. Mrs. Peirce's friends are glad to welcome her and the little daughter she brings with her back to Glendale.

Mr. Emanuel Claypool of Marshall, Ill., who is touring the Pacific coast, dropped in at Kilborn & Peters' store Thursday to see his old friend and fellow townsman, O. L. Kilborn. Mr. Claypool said that Glendale is the most beautiful and business looking city he has yet seen in California. He is so in love with it that if he can arrange his extensive property interests in Illinois, he will make Glendale his home.

### JUNIORS WIN DEBATING CHAMPIONSHIP

Great enthusiasm was shown by the high school students Thursday afternoon when the final class contest was held between the juniors and freshmen. Last Friday the juniors had triumphed over the seniors, and the freshmen over the sophomores. Now came the finish, for the freshmen were determined to put up a good fight.

The subject was military training in high schools. The debate was a simultaneous one, with two sets of debaters and judges. In the assembly hall Frank Bridgeford and Joseph Maier, juniors, advocated military drill, with Harlan Durand and Thos. C. White, freshmen, opposing. The judges were Dr. D. W. Hunt, Miss Margaret Knepper and Mr. Frank Morris.

In the science lecture room Herbert Scheuner and Roland Dimick, freshmen, supported military drill, with Howard Stickney and Katherine Green, juniors, opposed. Mr. Ezra Parker, Miss Helen Darsie and Miss Katherine Turner judged.

The junior total was 384%, the freshmen, 350%.

The presidents of the two classes—Miss Carol Willisford, junior, and Lawrence Davis, freshman, acted as chairmen for the occasion.

Inter-class debating will now become an annual event in the Glendale high school and the class of 1916 is first to place their numerals on the artistic banner for this activity.

## CALL A MASS MEETING TONIGHT

Decide to stop all waste, extravagance and inefficiency in the home. Take the whole family in confidence, as it were; have a little "mass meeting" in your home. Consult each member's likes and dislikes and resolve to run your household on a more business-like basis. Look over your living expenses, and check your grocery and meat bills. Compare the prices charged by your grocer and butcher with the items in this ad, and put the **Recall on your Butcher and Grocer** if the price and the quality of the food sold you are not right.

Without doubt you spend more money for food than for any other article. Be fair to yourself by spending this money where it will go farthest. Put this store's Slogan to the test tomorrow by making us prove what we say when we advertise "**Better Meats and Groceries for Less Money at Robinson's.**"

### VISITORS, YOU ARE WELCOME!

Los Angeles, with generous arms wide-stretched, hails the incoming tourist hosts and bids them a cordial welcome to the Golden State. This is California's year. Here, in the midst of peace and plenty, far removed from the war zone, the opening of the Panama canal is being celebrated by the holding of two expositions, one at San Francisco and the other at San Diego.

Low rates granted by the trans-continental railroads are now in effect from all points in the East and Middle West, and the result is that thousands of people are headed this way to join the throngs already enjoying life at its best beside the Sunset Sea. Occupying what may, to use a war term, be called a strategic position between the two exposition cities, Los Angeles is in a peculiarly enviable situation. It catches the visitors "both coming and going."

Naturally attractive, this city has set itself out to please everyone that comes to it to enjoy a period of delight within its borders, be that period long or short. Many of those who have come here, or are coming here, with plans to remain but a few days will, one is convinced, become such willing victims to the Southland's charms that they will decide to cast their lots with us as so large a number of easterners have done before them.—L. A. Times.

### GOLDEN GATE ONCE MOUTH OF GREAT RIVER

Few people in viewing the bay of San Francisco think of it as other than a magnificent land-locked harbor about which has grown the commercial metropolis of the Pacific coast of the United States. Yet this harbor did not always exist, according to a report on the geology of the region recently published by the United States geological survey, for at one time through the depression now occupied by the bay ran a great river that drained the Sacramento and the San Joaquin valleys.

This river probably flowed between the Tiburon Peninsula and Angel Island, and then through the gorge of the Golden Gate, where at present the greatest depth of water is over 400 feet. After the river valley was formed the coast slowly sank and the ocean entered through the Golden Gate, flooded the valley and formed the present bay. Thus the valley occupied by the bay is really not so very different from Santa Clara and Santa Rosa valleys, and should the Pacific coast sink a few hundred feet lower, those fertile valleys would form great additions to the present bay.

But the change from a river valley to a bay happened very slowly, for even great earthquakes as a rule do not move large areas of the earth over a few inches, and it is likely to be thousands of years before the outlines of the present bay are greatly changed by nature.

The region is particularly interesting, for it is one of the newest parts of our continent. Some of the rocks belong to the geologic period known as the Jurassic, but many of them are much younger and were laid down on the floor of the ocean long after the Appalachian mountains were formed. Although these rocks are relatively young, yet they are hundreds of thousands of years old and have been raised out of the sea and tilted until in places they stand nearly on end. The forces that have raised these rocks and have folded and broken them are still active, yet their effects are so gradually accomplished that for the most part they are unappreciable in a generation or even in several centuries. Sometimes, however, their effect is more apparent, as for instance, when they cause earthquakes.

Earthquakes are due to slight movements along what geologists call "faults," which are really broken places in the earth's crust where the rocks on one side of the break or crack move past those on the other side. Some of these faults may be traced for miles—not, of course, as open cracks, for to anyone but a close observer the rocks seem as unbroken in most places along the fault lines as they do in any other part of the region.

The different faults in the region about San Francisco are carefully mapped in this report. Most of these breaks are fortunately old, and it is to be hoped that movement along them has ceased, but two are alive, and along one of these occurred the movements that resulted in the disaster of April, 1906. These active faults are described in the report, and the fact is pointed out that although slight shocks may occur frequently, only once in several generations are serious earthquakes to be expected. A very interesting feature of the report is the discussion of the effect of earthquakes upon the construction of buildings, roads, tunnels, pipe lines and the like. It shows that buildings constructed on made land are much more seriously affected than those whose foundations rest upon rock.

The geologic report, which is known as the San Francisco folio, is one unit of a geologic map that the United States geological survey is preparing. This folio contains topographic, geologic and structural maps of five rectangular areas known as quadrangles, which embrace the San Francisco and Marin peninsulas, San Francisco bay and the east shore almost as far as Mount Diablo. In the text accompanying the maps the character of the different rocks is described in detail and the mineral

deposits of economic value are pointed out. The folio also contains a number of half-tone views of features that are of geologic interest, including one showing clearly the trace of the fault along which occurred the earthquake of 1906. This folio (No. 193 of the Geologic Atlas of the United States) is sold by the United States geological survey at 75 cents a copy.

It does not take much to get a crowd together, even in a self respecting, dignified American city like Glendale. Only today a couple of dentist fakirs, with a small sized delivery truck and an infant calloper on which they were "executing" our national hymn as I passed by, had a crowd of onlookers and admirers (?) which would have done justice to a political meeting; and, after haran-

going for about ten minutes, were ready to demonstrate how really painless the operation of pulling teeth could be made. Up until the time when I left, no one had "bit," but there would doubtless be some one willing to ascend the wagon, place himself in the chair, and allow himself to be made the subject of our "painless" friends. Let us hope that he did not suffer for his precocity.

"Earth's crammed with heaven and every common bush affire with God; but only he who sees takes off his shoes."—Robert Browning.

The man who wants to know must admit he doesn't know.

Let's remember the kind acts of others, but forget our own.
