Saanich Boy Wins Vice-Regal Medal; Heads V. I. Pupils

Arthur Stonier Obtains Highest Number of Marks in High School Entrance Examinations For Greater Victoria; Donella Willing, of Langford, Also Is Awarded Medal in District.

WIN GOVERNOR-GENERAL'S MEDALS

- Pupils who won Governor-General's medals for heading their districts in the B. C. High School entrance examinations are: 1. Mildred May Townley, 885 marks, Kingsway West School, Burnaby District No. 4, comprising (North Vancouver City and the rural municipalities of Burnaby, Point Grey, Richmond, North Vancouver and South Vancouver).

Results of the High School entrance examinations for the Province were announced to-day by the Department of Education.

Of the 2,566 candidates who wrote, 1,306 were successful. Besides these, 2,689 pupils attending public schools of seven or more divisions were promoted on the recommendation of the principals. Names of recommended pupils published at the time of the closing of the schools in June are not given here.

A statement of marks obtained by candidates will be sent out to teachers and secretaries of school boards.

If at any centre no candidate was successful the name of the centre does not appear in the list. Arthur Stonier, won the Governor-General's medal for the Greater Victoria district and obtained the highest number of marks of any pupil on Vancouver Island.

Donella M. Willing, of Langford, won the Governor-General's medal for all Vancouver Island with the exception of the Greater Victoria district.

SOME WAR MEDALS IN PAWNSHOPS

Toronto Collectors Securing Badges of Heroism

Toronto, July 26.—The Globe this morning published the following in its news columns: "War medals issued to Canadian veterans for the Great War are already beginning to find their way into pawnshops and into the hands of collectors and stores which supply collectors in great numbers."

"In one downtown store there are to be seen several Distinguished Conductors' Medals, a number of Military Medals, Mons Stars, Victory Medals, General Service Medals and others. Even Mothers' Medals find a place."

"One veteran who received his medals not long ago, consisting of the Military Medal, the Victory Medal and General Service Medal, promptly took them to a store and received \$7 for them."

"In a good many cases the medals have been sold because the owners were in actual want and had nothing else of value to dispose of. In very few cases have the medals been redeemed and most of them have been sold outright. In place of remaining in the possession of the men who won them, they will become the property of collectors."

ST. JOHN PAPER IS SUSPENDED; PLANS NOT STATED

St. John, N. B., July 26.—H. V. McKinnon, publisher of the St. John Daily Standard, which has not appeared since last Friday, said last night that he had no announcement to make yet regarding the prospects for resumption.

LEAPED FROM PLANE AND WAS INJURED

Saskatoon, July 26.—"Daredevil" Mark Campbell, the oldest living aerial acrobat on the continent since Lieut. Omar Locklear's tragic death last year, will never leap from a plane again. An X-ray examination to-day showed that the ankle which he injured in a 2,000-foot parachute leap at the Saskatoon exhibition Friday is broken. The accident will leave him with a stiff ankle for life.

WANT LIQUOR

Quebec, July 26.—Chicotini has received its prohibition by-law, giving a majority of 26 to the supporters of the Quebec Liquor Act.

ALLIED COUNCIL SESSION AUG. 4

Silesian Problem Will Be Discussed in Paris

British Experts Already Are in France

London, July 26.—The Allied Supreme Council will meet in Paris August 4, according to an official announcement this morning. It is understood the session will be brief, dealing only with the Silesian question. Lord Curzon, Secretary for Foreign Affairs, and A. J. Balfour, Lord President of the Council, will represent Great Britain. It is improbable Mr. Lloyd George will be able to leave London.

The British expert who will examine the Silesian question before the meeting already have left for Paris.

The call for this meeting of the Supreme Council comes, to a degree, the differences between Great Britain and France over the procedure to be adopted in connection with the question of Upper Silesia, where the situation, owing to continued German and Polish rivalries in the disputed area, are said to be increasing threatening.

GREENFIELD AS ALBERTA PREMIER

Westlock Citizen Probable New Farmer Leader

Calgary, July 26.—It is practically a certainty that H. Greenfield, of Westlock, will become the leader of the new Farmers' Government of Alberta, owing to the fact that H. W. Wood, president of the United Farmers of Alberta, will not accept the nomination.

All the Farmer members-elect, with the exception of three, were present when a convention to select a Premier opened in Calgary this morning. This was in the nature of a caucus, and the proceedings are being conducted behind closed doors.

Shortly after the meeting opened, a resolution was passed requesting the presence of H. W. Wood and the members of the Executive of the U. F. A. Upon this announcement being made they immediately proceeded to the convention to select a Premier.

Mr. Wood and Mr. Greenfield were greeted with applause when they entered the room.

It is the general opinion that the conference will be in session all to-day and Wednesday.

Outside of the appointment of a Premier, several other matters are to receive attention, among them being selection of a Cabinet. Some of the members-elect interviewed before the conference opened gave it as their opinion that Cabinet would practically be selected by the members themselves, although the Premier-elect would have no little voice in the matter.

In order to make things as smooth as possible, it is probable that after a tentative selection has been made that a special committee will be appointed finally to deal with this matter.

SPANISH TROOPS FIGHT TRIBESMEN

Reported to Be Winning Battle in Morocco

Madrid, July 26.—Official messages from Morocco last night and early this morning assume a less alarming tone in telling of the recent fighting between Spanish troops and Moorish tribesmen in the Melilla area.

Spanish reinforcements under command of General Navarro have left Melilla for Sidiq, where a fierce battle is said to be progressing favorably for the Spaniards.

The last official communication issued from the Spanish War Office is that 25,000 Spanish troops were in the Melilla zone.

FORTHCOMING PICNICS

July 27—Equimalt picnic for children, Goldstream.

July 27—David Spencer, Ltd., employees, at Mayne Island.

July 27—Rotary Club, at Deep Bay.

July 28—Gordon's Picnic, at Deep Cove.

CONFERENCE ON PACIFIC MAY BE HELD IN CANADA

London, July 26.—The hope that the conference on Pacific and Far Eastern questions may be held in some other American city than Washington or in some Canadian city is expected to be expressed by two of the great powers invited to participate—Great Britain and Japan. It was authoritatively learned this evening.

Three Factions in City School Fight; But Board To Stand by "Clean Up"

With strong pressure being brought to bear upon them from three distinct factions of the public, City School Trustees will meet to-night to compel Dr. Alexander Robinson to leave his position as principal of the High School. When the School Board meets it will be faced by a large delegation of indignant citizens demanding the retention of Dr. Robinson in office, but the Trustees promise to stand firm in their former decision. They will insist on a "clean up" of the High School and the dismissal of the principal as a preliminary to the other reforms contemplated.

These facts developed to-day out of the widespread and rather involved agitation which has arisen as a result of the School Board's request for Dr. Robinson's resignation.

The conflicting factions. The three factions which are now struggling in the High School, Dr. Robinson's supporters, and the members of the School Board, are the School Trustees, the parents of High School students, and the members of the School Board.

The School Trustees intend to pay no attention to agitation in support of Dr. Robinson; Dr. Robinson's friends will meet in the Grand Hall to-night to hear his side of the present dispute, to demand the resignation of the School Board, and an investigation into the conduct of the School Board.

The next developments will take place to-night at the parents' meeting and the special session of the School Board. The Board will have before it a letter from Dr. Robinson in which he will reiterate his previous statement that he has no intention of resigning his position. The Trustees plan then to appoint a committee to investigate the conduct of the School Board.

It is intended to demote Dr. Robinson to a position on the staff, not to dismiss him altogether. It was stated to-day that the Board has no intention of attempting to break its salary contract with him before his expiration next Christmas. The plan is simply to change the administration of the High School.

Trustees questioned to-day were emphatic in their assertion that they would not be swayed from their former decision by the present campaign of Robinson supporters. They had undertaken to clean up the High School, and they intended to go through with it, they said. Dr. Robinson, they pointed out, was not the only member of the staff who was to be demoted. A general weeding-out process was contemplated, and it was provided for in the Board's formal resolution passed at its last meeting, they stated. In this respect the Trustees are in full accord with the parents, but they do not intend to precipitous or illegal action in the matter.

In spite of the strong pressure which Robinson supporters are bringing to bear on the principal (Concluded on page 4.)

MAURETANIA FIRE WAS PUT OUT

Southampton Firemen Busy For Twelve Hours

Southampton, Eng., July 26.—After a battle lasting more than twelve hours, the fire on board the Cunard liner Mauretania, which broke out as she was lying at her pier here yesterday afternoon, were finally conquered by the firemen arriving to-day, but not before the interior of the mammoth liner presented a sorry spectacle from fire and water.

The damage is not so extensive as was feared at first, but it is serious enough and considerable time will be required to put the big vessel into shape. Meanwhile the passengers booked to sail on the Mauretania will be transferred to other ships.

Fifty Cabins. The fire originated in a first-class cabin on the starboard side of the deck and fifty cabins on that deck extending across the ship and forward of the engine-room bulkhead for eighty feet were destroyed. The priceless carving wood panelling in the saloon for which the Mauretania was famous, is untouched except for a few scorched places.

The fire broke out anew several times during the night but finally was completely extinguished. Four firemen were sent to a hospital for treatment after inhaling smoke.

At 4 a. m. Southampton, Eng., July 26.—Fire which broke out yesterday in the steamship Mauretania, which was lying at her dock here was extinguished at four o'clock this morning. Decks C, D and E were completely destroyed and damaged.

Saloon passengers who were scheduled to sail on the Mauretania (Concluded on page 13.)

SUDBURY ROUNDUP

Sudbury, Ont., July 26.—The crime wave which struck Sudbury a week ago reached a climax with five burglaries reported during the past few days. There were two shooting affrays when burglars entered private homes, and revolvers were brandished in other cases. The police made a round-up of all suspects and as a result eleven appeared in yesterday's police court. Five were ordered out of town, five drew "thirty days" and one other, who carried a loaded revolver, was remanded.

CHARGE AGAINST STOCK BROKERS

Grant, Whyte & Co., Assigns in Vancouver

Vancouver, July 26.—Warrants for the arrest of Grant and Whyte, principals in a firm of stock brokers whose assignment is announced, were issued this morning by the city police on the complaint of Sam Greer, a well-known old-timer of Vancouver. He is charging members of the firm with theft in connection with a transaction relating to twenty-five shares of C. P. R. stock which he had left with Grant, Whyte & Company for registration.

The firm of Grant, Whyte & Company, Ltd., stock brokers, with offices in this city and in Victoria, has assigned to J. Carter, authorized trustee under the Bankruptcy Act. The company started up here about two years ago and opened its Victoria office only June 1 this year.

Direct wires were maintained to the New York Stock Exchange and the Chicago Board of Trade and there were also connections with the Toronto Stock Exchange. The firm did a big business.

A meeting of creditors has been called for Friday, August 12, when a statement of the firm's assets and liabilities will be presented.

The partnership was composed of G. P. Grant and Alex Whyte, both of whom had had extensive brokerage experience.

No Statement. Mr. Carter was to-day unable to state what the assets and liabilities were and could not accordingly give any idea as to the position of the creditors.

Grant claimed this morning that all the creditors would be paid in full. The liabilities would not (Concluded on page 12.)

FARMERS MEET IN ONTARIO CAPITAL

Canadian Council of Agriculture in Session

Toronto, July 26.—An important meeting of the Canadian Council of Agriculture opened here this morning, and will continue to-day and to-morrow. Hon. T. A. Crerar, leader of the Progressive Party in the Dominion, is among the delegates.

One of the principal subjects which will come up for consideration is the program of the Council which was framed in November, 1918. The session this morning was occupied with organization work, chiefly preparation of a programme for this afternoon's and to-morrow's meetings.

A Change. It is not improbable that while the matter is not likely to come before the Council of Agriculture, conversations will take place during the visit of the Westerners to Toronto looking to a modification, as far as Federal contests are concerned, of the rule of the United Farmers of Ontario that only members of the U. F. O. can take an official part until the political workers become a candidate of the Progressive Party in the Federal arena.

As far as Alberta is concerned, it is not represented, the delegates being detained on account of business in connection with the recent election.

SAY ONLY PEOPLE SHOULD DECIDE CONSCRIPTION

Ottawa, July 26.—Power of the Government of Canada to enforce conscription without first consulting the people was objected to by the Hull Trades and Labor Council at a meeting in Hull last night, a motion was passed urging the Dominion Trades and Labor Congress, when it meets in Winnipeg next month, that that conscription be made unlawful in Canada until first approved by the voters by means of a referendum.

TURK LEADERS DRIVEN TO SIVAS

Kemal Government Forced by Greeks to Move

Turks Fleeing in Thousands Before Invaders

London, July 26.—The Turkish Nationalist Government, owing to the successful Greek advances in Asia Minor, has been obliged to move along with the Turkish Nationalist Assembly, to Sivas, according to Constantinople dispatches to the Exchange Telegraph Company.

Greek Report. Athens, July 26.—An announcement by the Greek official agency late yesterday, said the Turkish losses in killed and wounded, prisoners and missing amounted to seventy-five per cent of their entire fighting strength in Asia Minor.

The statement claims the Greeks have driven such a wedge into the Turkish Nationalist lines that the Kemalists, based at Angora, the capital, on the northern branch of the Bagdad railway, have been cut off from those at Konieh, on the main line of the railway 150 miles to the south.

Consolidated. "Having occupied Afium-Karabissar, Kutala, Esiki-Shehr and Bileglik, which now comprise our consolidated front, our troops in the northern sector and those of the southern sector have effected a junction and form a connected line," the statement added. "In the centre the enemy front has been broken up and troops at Angora have been separated from those at Konieh."

Gold Seized. Athens, July 26.—A naval statement issued by the Admiralty announced the capture of a steamship belonging to the Turkish Nationalists. Russian and Turkish gold to the amount of several thousand pounds was seized on board the vessel.

Villages Burned. Esiki-Shehr, Asia Minor, July 25.—The Greeks entered Esiki-Shehr headed by Prince Andrew, but did not stop there. They continued their pursuit of the retreating Turks into the open plains beyond the city. The Greek advance was made with the utmost rapidity. By night its path was lighted by scores of immense blazes all along the road and up the mountainside, consisting of burning villages which had been fired by the Greeks.

From Alergion in a radius of fifty miles around Esiki-Shehr few villages are left. Turkish prisoners say it is the purpose of Mustafa Kemal Pasha, who is now in this district, to leave the Greeks nothing but homeless refugees to feed.

Roads Choked. The roads are choked with fleeing Turkish refugees from the burning villages, making their way toward Trusa with nothing but hastily-gathered intimate belongings. They (Concluded on page 12.)

RAIN BENEFITS PRAIRIE CROPS

Manitoba and Saskatchewan Aided by Nature

Winnipeg, July 26.—(Canadian Press)—Rain is falling to-day over the greater part of Manitoba and Saskatchewan. In Alberta the weather is clear and cooler, but that province had some splendid showers during the week-end. Heavy rains during the night and continuing to-day are reported from most districts in Manitoba and in Saskatchewan. In fact, rain is falling from south of Moon Jaw to north of Saskatchewan and west to the vicinity of the Alberta border.

No rain had fallen at 9 o'clock this morning in the vicinity of Brandon, but the day was overcast and prospects were good for rain, which is badly needed in some localities.

Benefit. The general rain has come in time to be of vast benefit to the crops, which were beginning to suffer in many districts from lack of moisture. Grain which was threatening to ripen prematurely in the hot, dry weather will be held back to normal progress, and thereby improved in its yield. In fact, the rain will alleviate most of the evils which were causing some anxiety in considerable prairie areas.

New Prices in Beer To Benefit Settlers

New beer prices announced by the Liquor Board yesterday to become effective August 1 are aimed at benefiting residents in outlying districts of the Province, especially those who live a long distance from a brewery, it was explained at the Liquor Board offices to-day.

The new beer price list equalizes to a great extent the difference in the cost of beer in various parts of the Province. The price of \$20 a barrel in the cities is to be retained because part of the profit from city sales is to go to defray the freight on beer to outlying points and thus cut down the cost to the consumer in those districts.

Net Prices Cut. In some cases this equalizing of the cost of beer in brewery and non-brewery cities and absorbing part of the transportation costs has meant a reduction of around \$4 a barrel. The highest priced beer in the Province is now at Prince George, where after August 1 it will be down to \$23.50 a barrel.

Consumers in brewery as well as other cities are now able to get a reduction of 25 cents on each dozen of beer if they return the bottles. This will reduce the price of beer from \$2 a dozen to \$1.75 a dozen or from \$20 for a barrel of ten dozen pints to \$17.50.

The Government is now buying its beer at \$14 a barrel it was announced to-day. (Concluded on page 4.)

Japanese Ministry Will Have Share in Pacific Conference

Reply to Harding's Invitation Expected Soon in U. S. Capital; Foster Says Canadians' Views Will Be Heard in Washington.

Ottawa, July 26.—Even if Canada is not accorded representation at the Washington conference to consider disarmament the views of this country will be placed before the delegates. Sir George Foster, Acting Prime Minister, stated this morning that the voices of the Dominions "will be heard," if not directly, then through the representatives selected by Great Britain.

Tokyo, July 26.—The Japanese Cabinet has decided to accept participation in the proposed conference on Far Eastern problems, the Associated Press was informed to-day.

It is understood the Japanese answer will be forwarded to Washington in the near future.

UNIVERSITY WILL ASK ASSISTANCE

Will Request B.C. Government to Erect Buildings

Vancouver, July 26.—At a joint meeting last night of the Board of Governors and the Senate of the University of British Columbia, a delegation was appointed to interview the Provincial Government in an effort to have the means provided to erect more buildings to facilitate the work of the institution and to accommodate an increased enrollment of several hundred students.

Appointments. The following appointments were made at a meeting of the Board of Governors: M. J. Marshall, M. Sc., McGill, Ph. D., and M. I. T., was appointed Assistant Professor of Chemistry.

Miss Boller, Toronto, was appointed adviser of women and assistant to the Professor of English. Miss Boller is a graduate of Victoria University, Toronto, and Columbia University, and has had a wide experience as a teacher and in social service work in New York and Canada.

Professor J. K. Henry, of the Department of Engineering, tendered his resignation owing to ill-health.

NORTHCLIFFE FINDS NEW YORK NO "DRY" YET

New York, July 26.—Lord Northcliffe, who is enjoying the lure of the metropolis for a short while before resuming his trip toward the east, has joined the list of visiting personages who exhibit a sense of humor in discussing matters appertaining to the Eighteenth Amendment and its enforcement. Asked what he thought of prohibition, he said: "Take me to a place where there is prohibition and I'll tell you what I think about it. Which recalls that a Rumanian prince once visited New York asked: "When does prohibition begin?"

COURT UPHOLDS ANTI-ALIEN LAW OF WASHINGTON

Tacoma, July 26.—The Washington State anti-alien law passed at the last session of the State Legislature, was declared constitutional to-day in a decision filed in Federal Court.

Circuit Judge William B. Gilbert of Portland, and District Judges Edward E. Cushman, of Tacoma, and Jeremiah Neterer, of Seattle, joined in the decision that the law, which prohibits aliens to own or to lease land, and penalizes citizens who enter into leases with aliens, is not in contravention of the United States constitution, as was alleged by Frank R. Bannister, of Seattle, who sought an order restraining L. L. Thompson, Attorney-General of Washington, from enforcing the statute.

It is believed that the case will be carried up to the United States Supreme Court.

ADVERTISING FOR CHURCH MINISTERS

Mission Workers in Toronto Adopt New Method

Toronto, July 26.—The shortage of recruits for the ministry, and the mission field especially, is emphasized by the fact that an advertisement appears in a local paper for "three or four single, strong clergymen" to fill mission posts.

Advertising for ministers is an innovation which Toronto leaders of the big churches justify on the ground that the need of the Western provinces for clergymen is desperate. Theologians.

Paris, July 26.—The first world's congress of the Theosophical Society ever held concluded a four-day meeting here to-day. The congress, under the presidency of Mrs. Annie Besant, the writer, was devoted largely to discussion of the best method of educating the youth of the world.

Third-four. The delegates numbered 1,400.

SIGNED MARRIAGE PACT BEFORE JUDGE

New York, July 26.—The marriage by contract of Dr. Leslie Spier, Professor of Anthropology at the University of Washington, who is now teaching at the Columbia University Summer school, to Miss Erna Gunther, of Brooklyn, was announced to-day. The acknowledgment of their signatures to a marriage contract before Justice McCook, constituted the ceremony. Such marriages are legal under a New York statute.

RETAIL BOARD TO MEET AT DUNCAN

M. A. Macdonald, M.P.P., to Speak To-morrow

The B. C. Board of the Retail Merchants' Association of Canada is due to meet at Duncan to-morrow morning.

Messrs. W. W. Ballard and Mr. Bathurst will be among those representing this city. Vancouver will be represented by J. T. Crowder, president of the Vancouver branch; G. H. McRobbie, vice-president of the Dominion Council; M. A. Macdonald, K.C., M.P.P.; A. T. Bridgman, George S. Hougham, R. H. Fairley, D. H. Kent, Jas. E. McKenney, H. C. Neilson, T. S. McDowell, T. H. White, A. S. Whidden, J. Simpson, T. Helling, F. M. Gray, R. M. Millar, all from Vancouver, and a large number of delegates from New Westminster, North Vancouver, and up-country points.

The programme includes luncheon to-morrow, when Walter Paterson, manager of the Cowichan Creamery, will address the gathering on "Co-operation Between the Farmer and the Retailer." Following the business session of Wednesday afternoon, a scenic drive will be taken and at the dinner held at the evening M. A. Macdonald, M.P.P., will be the chief speaker, when he will take as his subject "Pacific Problems." On Thursday at the luncheon Hugh Savage, editor of The Cowichan Leader, will deliver an address, "The Country Newspaper and the Retailer." At the dinner held in the evening the speaker will be J. Y. Copeman, president of the Cowichan District United Farmers of B. C., "The Significance of the United Farmers' Movement." In the evening a concert has been arranged by the Cowichan Amateur Orchestral Society, to be followed by a dance.

Sessions will be held at the Odd Fellows Hall, Duncan.

BOUGHT BY JAPAN

Brockville, Ont., July 26.—Two animals of the renowned Avondale herd of Holstein Friesians owned by A. C. Hardy have been purchased by the Japanese Government for its experimental farms in the East.

British Parliament May Hold Ireland Session

London, July 26.—Austen Chamberlain, the Government leader, said in the House of Commons he hoped Parliament would progress by August 26, but he foreshadowed the possibility of it being summoned again in November or December to pass legislation necessary to give effect to an Irish settlement.

Belfast, July 26.—The Belfast Telegraph's Dublin correspondent says to-day he understands virtually all the members of the Dail Eireann (Irish Republican Parliament) who are in jail will be released at an early date. This British Government's proposals for a settlement of the Irish question, he has opportunity to meet and discuss the same.

Red Arrow Arrowroot Biscuits

Have you tried Arrowroot Biscuits? 44 National Varieties. Key met Moses and said, "What about that \$2,000 you owe me?" "Sh-sh," replied Moses. "I'm going to bankruptcy, and you shall be preferential creditor." Shortly afterwards they met again, and Moses told him that he had met his creditors. "Half of them won't know for three months that nothing is coming, and the other half will learn in six months that nothing is coming." "Yes," said Ike, with a hopeful but rather bewildered smile. "But where do I come in?" "Ain't you never satisfied?" replied Moses. "You're preferential creditor. I told you first." A Kansan sat on the beach at Atlantic City watching a fair and very fat bather disporting herself in the surf. He knew nothing of tides, and he did not notice that each succeeding wave came a little closer to his feet. At last an extra big wave washed over his shoe top. "Hey, there!" he yelled at the fair, fat bather. "Quit yer jumpin' up and down! Dye want to drown me?"

MANY RUSSIANS EATING ROOTS

Dispatch From Moscow Describes Famine Conditions

Riga, July 25.—An official Moscow wireline in Toronto. There describe in detail the horrors of famine and the consequent mass migration in search of food. The city of Saratov is like a gypsy camp, with its starving, emaciated and dying human beings. The peasants there have been subsisting on roots and ground bones of animals. In the German Volga commissariat the hunger began with the winter, and much suffering prevailed. In the Astrakhan government the people are subsisting on fish. The dispatch says similar conditions prevail in other cities. Any relief on a large scale from the outside, according to the experts, must be immediate, as navigation will be open only for a few months more. If relief is delayed, they assert, millions of persons will perish.

G. W. V. A. READY TO DISCUSS UNION

Ottawa, July 25.—The following statement was made by C. G. Macneil, Dominion secretary-treasurer of the Great War Veterans' Association, with regard to the criticism of a mass meeting of ex-service men in Toronto Saturday evening, to the effect that certain officials in Ottawa were opposing amalgamation of veterans' organizations: "There is no opposition in any quarter of the G. W. V. A. to the sentiment expressed at the mass meeting in Toronto. The unity of the G. W. V. A. has been the spirit animating all our principal activities during the present crisis. "Everything possible is being done preparatory to the Dominion convention in the early autumn, which alone can make any such far-reaching decision on behalf of this organization. To this assembly have been invited representatives of all known organizations of ex-service men in Canada. "Whatever the enthusiasm of the moment, for the sake of those whose interests we hold in trust, the foundation work of the past four years must not be abandoned. "Unity must be conceived in national terms, and cannot be accomplished by local sections. Unity forecasts harmony, and is not fostered by ill-informed criticism. We seek unity for the national benefit, and not for the purpose of political barter."

LIBERTY BONDS IN U. S. RETIRED

Washington, July 25.—Repayments of \$70,785,939 by Foreign Governments on the principal obligations of this country were used by the Treasury to retire \$73,933,306 face amount of Liberty Bonds during the last fiscal year, Secretary Mellon announced today. The foreign repayments, Mr. Mellon explained, included \$20,517,634 from the British Government on obligations in account of Pittman Silver.

SAN FRANCISCO STRIKE SCHEME

San Francisco, July 25.—The executive committee of the San Francisco Labor Council last night considered the request of the general conference committee of San Francisco Building Trades Union that the Council join in a general strike of labor here. It was announced the decision of the Labor Council committee would be made public at a Council meeting on Friday next. Officers of the Brotherhood of teamsters refused to endorse the general strike plan when approached, it was reported. A mass meeting has been called for Thursday next to form a special police force of 500 former service men, among union members, to assist the local police during the proposed strike.

TUBERCULOSIS COMMISSION IN SASKATCHEWAN

Regina, July 25.—Sheriff A. B. Cook, Dr. R. G. Ferguson, Fort Qu'Appelle, and J. F. Cairns, Saskatoon, have been named by the Provincial Government as a commission to study the tuberculosis situation in Saskatchewan. There were sixty-five of these taxpayers in the United States, paying an average of \$1,523,492 each, the average rate of tax being 64.87 per cent. The preliminary statistics do not show the taxes in classes above \$1,000,000, but the net income of individuals in the class from \$1,000,000 to \$1,500,000 is given as \$41,665,463.

CABLE EXTENSION

New York, July 25.—Extension of its cables from London to Antwerp, Belgium, thus bringing the United States into first-hand contact with Central Europe, was announced today by the Commercial Cable Company. An unexpected turn at the last moment was a demand by Representative Lehring, of Indianapolis, that the Alien Property Custodian be ordered to recover \$105,000 in gold taken from the Treasury a year or more ago and alleged to have been buried. He insisted that the evidence developed indicated that the gold was obtained from Government vaults for bribery purposes, and that if still buried, as a woman asserted, it ought to be dug up and put back in Government hands. The committee deferred action on the gold question until its report is presented to the House in about ten days.

GERMANY'S WAR LOSSES

Berlin, July 25.—Germany lost 1,732,333 men killed and 4,246,574 wounded from 1914 to 1918, according to a revised compilation of the German casualties during the war. In addition, 200,000 men are still reported missing. You are not a Republican in the U.S.A. unless you are a Republican in the U.S.A. ONTARIO LIBERTY LEAGUE AT WORK

Effort to Upset "Bone Dry" Legislation

Toronto, July 25.—Charles O'Donnell, organizer of the Ontario Citizens' Liberty League, announces that the League will carry on the fight for "bone dry" legislation by placing candidates in the field for the next Ontario provincial election. A local man, he said, would be entered upon the League banner in North Oxford to fill the seat made vacant by the death of J. A. Calder last week.

In United States. New York, July 25.—Two members of the British Parliament started today a first-hand investigation to ascertain how prohibition is working out in the United States. The two, Charles H. Sitch and John E. Davison, said they would report their findings to the Labor Party, of which they are members. Both took occasion to deny prediction of United States reformers that England would be dry within ten years, asserting there was little dry sentiment, at least in the Labor Party. The visitors will spend two weeks in New York and then will visit other cities and towns.

ALASKA MINERAL OUTPUT GROWS

Washington, July 25.—Alaskan mineral production for 1920 amounted to \$23,303,960, showing an advance of more than \$1,500,000 as compared with 1919, according to a summary issued by the Geological Survey. The gain in 1920, it is said, was due entirely to the increase in the copper output, which advanced from \$1,732,000 in 1919 to \$12,940,000, though only eight copper mines were operated in Alaska in 1920 as against eleven in 1919. Gold production, however, fell off more than \$1,000,000. Mineral production in Alaska during 1920 was given as follows: Gold, \$8,365,000; copper, \$12,960,000; silver, \$1,029,000; coal, \$355,000; tin, \$15,000; lead, \$1,940,000; platinum, \$160,000; petroleum, marble, gypsum and such minerals, \$266,000. The value of the total mineral output in the United States during the year of mining has been \$461,471,789, the survey said.

AMERICAN WRITERS MAY VISIT RUSSIA

Riga, Latvia, July 25.—The Russian Soviet Government is considering the question of admitting American journalists to Russia. The Soviet chief of the Soviet Legation abroad, telegraphed M. Ganetsky, the Soviet Minister here, saying a decision on the question probably would be reached soon.

EPIDEMIC OF DYSENTERY

It affects many people more in winter than in summer—in the one case it is due to improper eating—in the other, to congestion excited by cold. A small dose of good old Neroline repeats a couple of times usually removes the trouble very promptly. If there is pain, relief is almost immediate. For cramps, colic, stomachic, of indigestion, Neroline in sweetened water is certainly a wonder, 35c at all dealers. (Adv.)

U. S. TAXATION

Washington, July 25.—People in the United States who are making a million dollars or more net income are paying the government practically two-thirds of it in taxes, according to preliminary statistics for 1919. There were sixty-five of these taxpayers in the United States, paying an average of \$1,523,492 each, the average rate of tax being 64.87 per cent. The preliminary statistics do not show the taxes in classes above \$1,000,000, but the net income of individuals in the class from \$1,000,000 to \$1,500,000 is given as \$41,665,463.

BERGDOLL CASE

Washington, July 25.—The Bergdoll congressional investigation ended finally yesterday. An unexpected turn at the last moment was a demand by Representative Lehring, of Indianapolis, that the Alien Property Custodian be ordered to recover \$105,000 in gold taken from the Treasury a year or more ago and alleged to have been buried. He insisted that the evidence developed indicated that the gold was obtained from Government vaults for bribery purposes, and that if still buried, as a woman asserted, it ought to be dug up and put back in Government hands. AUTOMOBILE DEATHS IN TORONTO

Half-dozen in a Couple of Days

Toronto, July 25.—When backing his motor car last night, Myer Gorman ran over two little girls, Ray Cohen, aged four, and Cecile Cohen, aged six, killing Ray almost instantly and seriously injuring her sister. The police will await the outcome of the inquest on the little girl's body before proceeding against Gorman. Half a dozen fatal motor car accidents in Toronto in a couple of days have attracted attention. Addressing the jury last night which is to investigate the running down and killing of a street car railway employee yesterday morning for which Bruce Card, a broker, was arrested, Chief Coroner George W. Graham said: "The public is much worked up about these auto cases. They have been four deaths in the past sixteen hours. It is getting to a pass where our streets are no longer safe for pedestrians and nothing is being done. We are determined that this must stop."

"STREET OF FAKIRS" TO BE CLEANED UP

Berlin's "Street of Many Fakirs"—the section of the Friedrichstrasse between Unter den Linden and Koch str.—may soon lose the right to its exotic title, won by virtue of the varied and questionable commerce which thrives upon its sidewalks and crossings, for an agitation has been started to "clean it up," according to an Associated Press mail dispatch. Every article from jumping-jacks to fine Oriental rugs may be purchased from the vendors who infest the street, eternally crying their wares. The chief complaint against the character of the street, however, is that thieves use it continually as a "clearing place" to market their "haul." Not infrequently a ragged, unkempt man will offer most expensive imported fabrics for suiting, in odd bolt lots, at ridiculous figures. "Certain," has been the police verdict, "has been a crime on the street. It is difficult to fix the crime on the street vendor. WOOD GAS USED IN ENGLAND NOW

Gas made from old oak logs is now being supplied successfully to the inhabitants of Steyning in Sussex. Other towns in England are rapidly following suit. It is claimed that this wood gas has practically the same heating and lighting properties as coal gas, and its use means a saving of more than half a dollar per 1,000 cubic feet to the consumer. The Steyning gas works being threatened with closure owing to the prohibitive price of coal, about \$5 a ton, the carbonization of wood was resorted to as an experiment, with the result that wood gas has been definitely adopted as an alternative until the price of coal comes down. At Birmingham, old road paving blocks have been converted into wood gas with equally satisfactory results.

NEWS AND NOTES OF THE MINES

Rand Gold Output Smaller. Official figures now available indicate that the output of gold at the mines of the Rand in June was 678,490 fine ounces, compared with 657,766 fine ounces in May and 715,957 fine ounces in June of last year.

Lightning Peak

Lightning Peak is an active and busy camp, with development proceeding on many properties, and its share of strikes, according to Basil Crompton, owner of the Rampolla group, who was in Nelson a few days ago. Louis Scaia, owner of the Silver Spot, of the same famous peak of the Arrow Lakes district, bears testimony of Scaia's kind, says the Nelson News. The Rampolla group of five claims, for instance, on which 450 feet of crosscut tunnel has been driven since July 3 last year, is due to reach the big vein at additional depth within the next month, the tunnel being estimated to have only 25 to 35 feet to go to its objective. In the tunnel 100 feet above, the drift is in the ore shoot for 150 feet. The vein there is about six feet wide, and contains stringers up to 12 inches in width. Incidental to driving this crosscut, 30 feet from the portal a six-foot vein parallel to the main vein, was crossed in an ore shoot of milling ore, containing an eight-inch paystreak of silver, gold and copper. This was done under the foremanship of Mr. Scaia. Joining the Rampolla group is the Lomp, owned by Jim Raley and Walter Johnson. They have a fine vein, carrying lead, copper and gold. Some of their ore is high grade, but the most of it is of milling quality. Work was resumed last week by Williams on the famous Lightning Peak property, which he was under lease from the late Mr. Johnson. The company, representing Minneapolis capital. In addition to ore on the surface, and in the shaft by which it was originally developed, ore some 60 or 70 feet of it has been opened up in a drift on the vein which is intended to connect with the bottom of the shaft. The drift has about 350 feet to go to get to this point. Telkwa Coal. New camp buildings are being erected at the Betty coal mines at Telkwa and a full force of men is being put on in order to supply advance orders. New bunkers to handle the coal will have a capacity of 120 tons. Daily Varden. Work is to be resumed immediately at the Dolly Varden mine. The work will be concentrated on development, which has been allowed to run behind while the price of silver was high, and it is in London that shipping will be confined pretty much to ore mined incidental to development work and to some 3,000 tons of ore that was mined last year but not shipped. C. B. North, the manager, has been at the mine for some time, and the other officials have arrived. The railway, which was closed last December, is being put into repair, and trains will be running again shortly. Local Man Interested. At a meeting of the Reno Gold Mines, Ltd., held in Nelson Wednesday, development programs for the season was authorized, providing for further development of the Reno lead by two tunnels. Ten years' work has been done on the Reno group, which consists of five gold claims on Dominion mountain, in the Sheep creek camp, North

MOCK TRIAL ENDED IN DEATH

A party of young men returning from target practice at the rifle ranges of Oost-Capelle in Belgium met an old farmhand from a nearby dairy and decided to have a little fun with him. They installed a mock court martial in a field still riddled with shell holes and sentenced the old man to death for his failure to have a litre of wine in his possession, to go to his objective. In the tunnel fence, one of the youths commanded the old man to fall mortally wounded with a bullet through the head. One of the practical jokers had forgotten to remove the ball cartridge from his rifle.

FRONTIER RULES CARRIED TO EXTREME

Italian frontier restrictions were carried to an extreme when they prevented an Austrian fire brigade from crossing the Italian border to fight a blaze recently. "Some buildings on the Italian side of the Brenner Pass railway station caught fire and the Austrian town's firemen turned out. Italian gendarmes halted their view, and having none they were forced to watch the warehouses burn.

U.S. CABINET TO BE REPRESENTED AT PRESS MEETING

Col. Lawson to Represent British Empire Press Union

Honolulu, Hawaii, July 26.—President Warren G. Harding, himself a newspaper man, may send a member of his cabinet to Honolulu next October to deliver the opening address at the sessions of the Press Congress of the World. Information to this effect has been received by Governor Wallace R. Farrington, chairman of the Hawaiian executive committee of the Congress, from Dr. Walter Williams, president of the Congress and dean of the school of journalism of the University of Missouri. Although Doctor Williams' advice is not official, it is planned to have a committee of representative journalists call at the White House soon and present the request to the President.

The state department has already sent to all countries with which the United States maintains diplomatic relations an official invitation to be represented at the Press Congress sessions. Doctor Williams, in a telegram to Governor Farrington, says that according to the present outlook the congress will be attended by between 400 and 500 representative journalists, and that many of them will bring with them other members of their families. The majority of the American delegation will probably be from the Mississippi Valley states. A solid special train from Chicago, and possibly from New York, to the Pacific Coast, for the accommodation of the delegates, is now practically assured, and a number of receptions en route are being arranged. The all-year tourist rate for the delegates has been decided upon by the transcontinental railroads, although this may be modified. Negotiations for chartering a special steamer to bring the delegates to Hawaii are progressing favorably, Doctor Williams says. He adds that intense interest in the congress is being shown both in the United States and in foreign countries, and that an excellent business programme is in course of preparation at Columbia, Mo.

The British Empire Press Union will send as its delegate Col. Edward Frederick Lawson, assistant managing director of the London Telegraph, and nephew and heir of Viscount Burnham, proprietor of the Telegraph.

A Honolulu plan for the entertainment of the delegates are going ahead rapidly, and people of all nationalities are co-operating to make the programme one of the finest ever arranged on the islands.

POPULAR PLAY AT

PANTAGES THEATRE

"Uncle Tom's Cabin" Includes
Number of Real Darkies

"Uncle Tom's Cabin," is a planta-
tion story so well known to young
and old that whenever the play, so
cleverly adapted from the book, is
staged, everybody seems to know
about it and nearly everybody goes
to see it, "for the sake of old times."
The play was produced at the Pan-
tages last night, the event having
been heralded by the march of a real
darkey band through the city streets
during the afternoon.

The company, which is under the
direction of Hoxie Green, has its own
orchestra. Two real Cuban hounds
are used in the play and all the usual
settings to the play are used on the
stage.

A departure is made, however, by
the visiting company in that the
tragic phase which forms the basis
of the story is almost over-balanced
by comedy introduced by way of
comic songs and other lively features.

There was a good attendance at
this afternoon's performance, the
children particularly being in evi-
dence, and the play will be repeated
again at the Pantages Theatre to-
night.

ROYAL VICTORIA

Lionel Barrymore, whose illus-
trious career has been marked by
a long chain of dramatic successes,
has achieved a new and brilliant
triumph on the screen.

In "The Great Adventure," which
opened an engagement at the Royal
Victoria Theatre yesterday, he is
seen in the most fascinating motion
picture vehicle that has ever been
given him.

"The Great Adventure" is a
comedy, adapted to the screen from
the famous play of the same name by
Arnold Bennett, and in it Barry-
more has the role of the eccentric
artist, pursued by a celebrity hunter
who seeks to marry him.

In order to escape her Priam Faril,
the artist played by Barrymore, hides
his identity by posing as his dead
valet, Faril "enjoys" the novel dis-
tinction of "attending his own fun-
eral" when the valet is buried in
Westminster Abbey.

How Faril subsequently meets and
marries the pretty young widow who
mistakes him for the dead valet with
whom she has been carrying on a
romantic correspondence through a
matrimonial agency; how he is forced
to paint and sell his pictures for a
son because of this deception; how
he worms his way out of the serious
difficulties which confronts him when
the deserted widow and two sons of
his dead valet turn up to demand
that he return him to them, and how
he saves the art dealer who has been
buying his pictures from going to
jail, constitute some of the most
engaging situations in the story.

And the masterful interpretation of
Barrymore has helped to make this
one of the most delightful photoplays
of the season.

Mr. Barrymore is ably supported
by the talented Doris Rankin, who
plays the role of the pretty widow
who marries the woman-fearing
artist. Others in the cast are:
Thomas Braddon, as the valet, Henry
Leek; Octavia Brooke, as the cele-
brity hunter; Ivo Dawson, Charles
Lane, Jed Prouty, E. J. Ratcliffe,
Marbeth Carr, Katherine Stewart,
Arthur Rankin and Paul Kelly.

The picture was produced by Whit-
man Bennett. Kenneth Webb was the
director, and the scenario was pre-
pared by Dorothy Farnum. "The
Great Adventure" is an Associated
First National release.

In addition to this fine feature a
Edgar comedy, and a Bruce Scenic
is also included on the programme.
As an added musical attraction
Emila McConnon, the well-known
Victoria soprano, will sing "Garden
of the Soul" and "Love's Song of
Roses."

Margherita D'Auria, soprano, the
famous Canadian singer of high
range and quality. She possesses a
great power of voice with the sweet-
ness of a bird. The press from
coast to coast speaks very highly of
her ability as a grand opera singer.
She is the daughter of Mr. D'Auria,
professor of the Canadian Conserva-
tory of Music, Toronto. Minneapolis
Tribune says: "Unequaled for her
range and tone." She comes with a
very elaborate programme of music
and charm.

A surgeon was called upon to oper-
ate on a negro mule driver, who had
come off second best in an encounter
with one of his team. The face was
badly lacerated, the bones broken,
and the poor fellow presented a pitia-
ble spectacle. Before placing him
upon the operating table, the usual
questions in regard to his name, age,
place of residence, and similar mat-
ters were asked. All went well
until the surgeon enquired if he was
married. "No, boss," was the reply;
"I'm not married. I tote you I done

PRINCESS

"The Wrong Mr. Wright" will open
to-morrow night at the Princess
Theatre and continue four days.
This dashing comedy is the last word
in fun, and the play is particularly
well suited to the elegant company. A
number of snappy songs and dances
will be interpolated, and the scenic
production will be all that it should
be.
The usual Wednesday night prize
of 35 will be given for the nearest
guess as to the correct number of
words spoken by Byron Aldern in
"Step Lively" last week; and there
will be a contest for the little
folks arranged for Saturday.
"The Wrong Mr. Wright" furnishes
excellent opportunity for every one
in the company to show their
finest talents, and from start to
finish there is never a dull moment.
Don't miss "Wrong Mr. Wright"
this week at the Princess.

COLUMBIA

Way up in the frozen stretches of
Alaska, nine-tenths of a man's law
rests in the barrel of a gun and the
flinty hardness of bare fists. Men
are made or unmade in a clash of
fists—a sudden "draw" on the frowns.
Cunning and trickery to them is the
weapon of the snake—and answered
only by the vehement spit of a well-
aimed shot. So when Mursh with
his Eastern polish and Wall Street
millions hit the Katvik trail to gain
control of the great salmon traps, he
found his cunning pitted against the
might and courage of the great
North. And the struggle that fol-
lowed, resounded with the crash of
mighty fists—vibrated with the un-
leashed passions of strong men
fighting for fortune and the love of
a woman. See Rex Beach's thrill-
ing drama of the North, "The Silver
Horde." It is a Goldwyn Picture, at
the Columbia to-day.

Royals Copped Wildest Lacrosse Game of Year

Vancouver Nosed Out in Darkness by 9-7—Plenty of Dash, Speed and Heavy Checking Marked the Encounter—Royal Well Ahead

Vancouver, July 26.—In the wildest and most exciting battle of the current season's rivalry for the possession of the world-famous Minto Cup, Westminster rattled through the Terminal Twelve at Athletic Park last evening to the tune of 9 goals to 7. Incidentally, it was the third consecutive victory for the Salmonbellies and gives them a commanding lead in the home stretch which the teams are now approaching.

Though the Royals were the bright lights who shone in the closing minutes of play when darkness had just approached and raised their way through the Terminal defence for two goals, the local prizes, with their dashing rushes and never-tiring pace were practically as good as theirs.

CAREY'S BRILLIANT WORK BEATS GIANTS

The Pittsburgh Centre-fielder Gathers in Eleven Flies, Equalling Record

New York, July 26.—In aiding Pittsburgh to win over New York yesterday in the only game played in the major leagues, Max Carey, Pirate centre fielder, equalled the major league fielding record by catching 11 flies hit by Giant batters, made two doubles, a single, scored half of his team's six runs and called it a day.

It was Carey's spectacular playing which was a material factor in Pitcher Babe Adams' second consecutive victory over New York. Any hopes that the Giants entertained of routing Pittsburgh from first place in the present series likewise were eliminated. The Pirates are now four games ahead with three to play.

MEUSEL IS TRANSFERRED

A transfer of Meusel, hard-hitting Philadelphia National outfielder, to the Giants, announced last night, adds another chapter to a series of exchanges between the New York and Philadelphia teams this season.

Another deal was the exchange of Monroe and Winters for Pitcher Casey and Casey Stengel.

G. Carpentier Hopes to Beat Jack Dempsey Within a Year

Paris, July 26.—Because high political authorities believe it would be "bad propaganda" to show a Frenchman knocked out, an unwritten agreement has been made whereby all motion picture theatres in France will refuse to handle the film of the Dempsey-Carpentier fight.

The films have been in Paris for a fortnight. The ostensible reason given by the theatres for refusing to show them is that the price asked by the producers was excessive. However, only \$40,000 was asked for the film rights covering the whole of France.

Georges Just Worn Out. The French boxing world is greeting Carpentier enthusiastically today. His admirers are most gratified over Francois Desamps' announcement that "Carpentier was not knocked out at all."

Desamps added that the French champion was simply "worn out" in the big fight. Georges himself in making a speech to a crowd of friends, said: "I hope to beat Dempsey within a year."

Herman Crowned Bantam Champion

Joe Lynch Unable to Hold Off Aggressive Little Italian and Lost His Title — Herman Took Thirteen of Fifteen Rounds — Pete's Supporters Greatly Pleased Over His Comeback — Fast Fight

New York, July 26.—Pete Herman, of New Orleans, regained the world's bantamweight championship last night, receiving the judges' decision over Joe Lynch, of New York, after a 15-round bout.

Herman, staging a sensational comeback, had the better of 13 rounds, one was even and the other went to Lynch.

Forced the Fight. The New Orleans boy forced the fight from the opening bell. He worked his right and left effectively, and Lynch's frequent sallies found him ready to receive them.

Lynch said he injured two fingers of his left hand in the fourth. Lynch is the third champion Herman has defeated this year. He knocked out Jimmy Wilde, English flyweight champion, in London last winter, and two weeks ago he floored Tom Higgins, the English bantamweight champion, in eleven rounds.

After the bout last night Herman's admirers carried him on their shoulders to his dressing room.

Before sparring into prominence as fighter, Herman was an Italian shoeblack in New Orleans, and Joe Lynch worked for a transfer company juggling baggage.

The fight by rounds follows: Round One. Herman landed a right to the jaw and they sparred. Lynch landed left to jaw, both fighting cautiously. Herman, working right in counter, landed a right to Lynch's jaw. Herman uppercut with a left to chin, followed by rights and lefts to body. Herman rocked Lynch with right to head and left to jaw. Lynch was in a muck at the bell. Herman's round.

Round Two. Lynch was short with left to head. Then he almost sent Herman down back quickly and sent several blows to head and body. Herman sent right to head and followed with several blows to body, while Lynch held behind the head. Round even.

Round Three. They exchanged rights and lefts to body. Herman caught Lynch with right hook to head. Herman sent three hard ones to body and Lynch followed with left to stomach. They were sparring at the bell. Herman's round.

Round Four. Lynch missed left and followed it with right to head. They exchanged rights and lefts to body. Herman sent stiff left to head and body. Herman sent hook right to jaw. Herman hooked right to jaw followed with fast lefts to body. Herman's round.

Round Five. Herman hooked left to jaw. They exchanged rights and lefts to body. Herman jabbed Herman and countered with right. They exchanged rights and lefts. Herman shook Lynch with left to jaw. Herman's round.

Round Six. Lynch jabbed right to head and took two short arm jabs in return. Herman jabbed Lynch repeatedly. They exchanged rights and lefts to face and body. Lynch jabbed Herman at the bell. Herman's round.

Round Seven. They fought fast. Lynch caught Herman with several right swings. Herman countered with left and right with right. They exchanged lefts and rights to jaw. Lynch sent hard left to head. Herman sent left and right to jaw. They exchanged lefts and rights to the body at bell. Herman's round.

Round Eight. Herman hooked left to jaw. Herman countered with left and right jabbed Herman and countered with right. They exchanged rights and lefts. Herman shook Lynch with left to jaw. Herman hooked right into a corner with heavy body blows. Herman's round.

Round Nine. Herman hooked Lynch with left to head and Herman sent hard lefts and right to jaw. Lynch reached Herman's jaw with three light left jabs. Lynch missed two left swings. Herman sent two lefts to jaw, following

ELKS FEDED OFF KNIGHTS' ATTACK

League Leader Snubbed Tailenders in Loosely Played Game of Baseball

Elks Will Have Lead Threatened to-morrow Night by Fast-going Politicians

Amateur League Standing. Elks 7, 2, 778. Knights 10, 3, 7, 300.

The Elks gained another lap in the Amateur Baseball League race by defeating the Knights of Columbus nine to seven in a loosely played game at the Stadium last night.

Woodhouse started on the mound for the Elks but could not settle down and after passing three men and hitting one, in the second inning, he retired in favor of Straith.

Straith got by nicely until the fourth when a hit, a couple of errors and a base on balls netted the Knights two runs. The Knights bunched four hits in the sixth and chased three more runs over the plate bringing their total to seven, but went down in short order during the course of the game, with the exception of Lalonde's double in the eighth and the eighth on two hits and a

Dunn's single to center in the ninth. Thirteen men left stranded on the bases proves the Knights' failure to connect safely when his meat runs. The Elks showed five runs across in the first three innings on three hits including a triple by Cobley. Various errors and wild pitches and two stolen bases by Jackson, were pre-empted with two more runs in the sixth when the Knights' defence weakened, and chased two more over the plate in the eighth and a couple of free passes, ending the scoring for the evening.

Nobel pitched good ball for the Knights but was turned down time after time by his team mates. The next game is scheduled for to-morrow evening when the Elks and Conservatives hook up.

Much Progress Made in Opening Day of Tennis

Sensational Tennis Is Played and Tournament Gives Promise of Producing Keenest Matches in History of This City

Considerable progress was made in the first day's play of the Pacific Northwest Sectionals Doubles, Singles and Junior Championships yesterday at the Willow courts, as well as in the British Columbia open championship. The class of tennis being played this year is of a high order. This is natural as the very best players of the Pacific Coast States of California, Oregon, Washington and the Province of British Columbia are all taking part.

Yesterday's play was "men's day" chiefly, and some excellent play was seen from 11 o'clock in the morning until 7 at night, the last match of the day being as thrilling as anyone could wish for. Marshall Allen, Seattle, defeated Marshall Scott, Tacoma, in four sets.

All the Pacific Northwest matches, singles and doubles, were five set matches, whereas only the finals of the B. C. singles and doubles are five set matches. It is therefore a certainty that at any time of the day from 10 o'clock till 7 o'clock visitors will be sure to find interesting and exciting tennis being played.

Many Matches to-morrow. To-morrow's schedule makes provision for over seventy matches, and some of them will be very keenly and closely contested.

Following is the complete results of yesterday's games: P. N. A. International Singles. Osland Hill (North Vancouver) defeated W. A. Goss (Portland), 6-2, 6-0, 6-2.

F. Cady (Spokane) defeated W. Taylor (Seattle), 6-4, 4-6, 11-11, 6-2, 6-4. Johansen (Laurel Club, Vancouver) defeated Mulder (Irvington Club, Portland), 6-4, 6-1, 6-1.

L. L. K. Verley (Vancouver) defeated G. Flye (Tacoma), 6-2, 6-0, 6-0. F. J. Marshall (Victoria) defeated Osland Hill (North Vancouver), 6-1, 6-8, 8-6, 5-0, retired.

Cardinal (Vancouver) defeated E. V. Young (North Vancouver), 6-1, 6-2, 6-3. Gordon (Victoria) defeated V. Murphy (Irvington Club, Portland), 6-0, 6-1, 6-1.

Allen (Seattle) defeated MacVeagh (Multnomah Club, Portland), 6-2, 7-5, 6-0. Allen (Seattle) defeated Scott (Tacoma), 8-6, 5-7, 6-2, 6-4.

Verley and Richards (Vancouver) defeated Hill and Young (North Vancouver), 6-4, 6-4. Allen and Taylor (Seattle) defeated Goss and MacVeagh (Multnomah Club, Portland), 6-4, 4-6, 6-1, 6-4.

Mulder and Murphy (Irvington Club, Portland), 6-0, 6-2, 6-0. Garrett and Vickers (Victoria) defeated McDougall and Johansen (Laurel Club, Vancouver), 9-7, 6-2, 7-5.

B. C. Championship Men's Singles. O'Halloran defeated Berrill, 6-4, 6-4. McCallum defeated G. Cunningham, 6-1, 6-3. V. Knox defeated J. Cunningham, 6-8, 6-2.

P. Bettens defeated G. W. McArthur, 6-0, 6-2. G. Dixon defeated H. C. Brown, 8-6, 6-4. W. Smith defeated W. N. Ingraham, 6-4, 1-6, 6-2.

Verley defeated Leslie, 6-4, 6-2. Gordon defeated Smith, 6-1, 6-0. Westwood defeated Harvey, 6-0, 6-0.

NEWS IN BRIEF

Ward H. Liberals.—A meeting of the Ward H. Liberals will be held at the Arcade Building this evening.

Summer School Play.—The students of the singing class at the Victoria Summer School are staging a one-act play, a series of folk songs and a rhythmic display in the auditorium of the Victoria High School on Saturday evening next at 8 o'clock.

G.W.V.A. Executive.—An important meeting of the executive of the Great War Veterans' Association will take place this evening at 8 o'clock in their headquarters on Bastion Street.

Exceeded the Limit.—Charged with having exceeded the speed limit under the traffic by-law, Arthur Tobin this morning pleaded guilty in the City Police Court and was fined \$10.

Fellowship Meeting.—Rev. F. Letts, of the Presbytery of Westminster, will be the speaker at the mid-week fellowship meeting at St. Paul's Presbyterian Church to-morrow evening at 7.30.

Naval G. W. V. A.—A meeting of the naval branch of the Great War Veterans' Association will be held on Friday evening at 8 o'clock in their headquarters, Bastion Street. Several pressing matters will be dealt with.

Harbor and Navigation.—The Chamber of Commerce yesterday authorized the following to act as a harbor and navigation committee: Lincoln Smith, Capt. W. H. Logan, N. A. Yarrow, George McGregor, G. A. Kirk and A. Gonnason.

Case Remanded.—On the charge of failing to report an automobile accident, the Kirk Coal Company was summoned in Police Court and the hearing was stood over by Magistrate Jay until to-morrow, a plea of not guilty being entered.

Granted Divorce.—An application for a divorce was made in St. Louis, Mo., in June by Mrs. Grace McCrossan, wife of George E. McCrossan, of Vancouver, and was granted, the plaintiff also being given the right to use her maiden name, Miss Grace C. Lalande.

A Serious Charge.—A serious charge was laid against a young man named Samuel James Brown in the Spanish Police Court this morning. No evidence was taken and accused entered no plea as Magistrate Jay considered it advisable that he should have the assistance of counsel.

Vagabonds Sentenced.—The three men, Robert Broadhead, Joseph Ryan and William Tricoll, who pleaded guilty in the City Police Court yesterday morning to the charge of vagrancy, were this morning sentenced to one month's hard labor by Magistrate Jay.

Army and Navy Veterans.—A special meeting of the Ladies' Auxiliary to the Army and Navy Veterans will be held in the Hamley Building on Tuesday evening at 8 o'clock for the purpose of discussing the letter received in connection with the soldier graves and to finish up the business of the silver.

Guild of Health.—Rev. T. E. Rowe will recommence his lectures on Sunday afternoon from 10.30 to 12 o'clock in the Cathedral. The Guild librarian will be at the schoolroom during those hours.

Memorial Tablet.—Pedestrians passing Fletcher Bros' music store this morning were attracted by the handsome brass memorial tablet, on exhibition in the main window. The tablet is the handwork of George Crowther and perpetuates the memory of Corporal Hamish Maitland-Dougall and Lieut. George Maitland-Dougall, of Duncan, who were killed in action during the great war.

Appeals for Better Collection.—The promoters of the band concert by the Great War Veterans' Association band on Sunday afternoon next at Harbor Park trust there will be more strenuous support to the collection than was the case on the last occasion. They are anxious that band concerts should be given on the beach, but as a matter of fact the financial support forthcoming on the previous occasion was only one half the actual expenditure.

V. A. S. C. Regatta.—The officers and members of the Victoria Amateur Swimming Club wish to express their sincere thanks to the officials who contributed so much to the success of the regatta at the George on Saturday last, and to the following donors of prizes: Macey-Abell Co., Fletcher Bros., Fyvie Bros., Hibben & Co., H. C. E. R. Co., Little & Taylor, Victoria Stationery Co., Messrs. W. L. McIntosh, W. R. Ryan, Polite, W. W. Stott, Bird, Barrett, Miss Winterbottom and anonymous friends.

GRAND MASTER VISITS LODGES

Judge Swanson Meets Local Odd Fellows

The members of the Independent Order of Odd Fellows of this city gathered at the hall, Douglas Street last evening to welcome the Grand Master of this Province, Judge J. D. Swanson, who resides at Kamloops.

The members of Colfax Rebekah Lodge were invited to be present and attended in numbers.

In responding to the toast, "The Grand Lodge of British Columbia," the Grand Master gave an outline of the principles of Odd Fellowship and its connection with Christianity and things spiritual. He referred to his first trip to Victoria twenty-six years ago, when he formed a favorable impression of this city which had been strengthened after his visit to the Observatory, the Sunken Gardens and other sights of the surrounding territory. He concluded his speech by telling some very amusing stories.

Mrs. Minnie Dempster, P. P., responded to the toast, "The Rebekah Assembly," reporting that section of the order in a flourishing condition. She caused some amusement by telling how recently while she had been recuperating from a broken arm, the Grand Master had written her saying if she was looking for sympathy she might find it in the dictionary.

The Relay Cup, which was won by Victoria Lodge No. 1, was presented by the chairman of the evening, Bro. J. Gardner, to the Captain of that team, Bro. Emsley Yeo. Also cuff links were presented to each member of the team by the lodge.

The Tur-of-Tur Cup which was won by Columbia Lodge, No. 2, was presented to Bro. T. Burgess, in the absence of the captain, Bro. Farquhar. Bro. Burgess being noble grand of Columbia Lodge.

Speeches were listened to from F. McConnell, D. D. G. M., and F. Davey, Grand Secretary, and Bro. John Dobbie rendered vocal selections.

MRS. PANKHURST CHARM'S CLUB

Open and Forceful Address to Kiwanians To-day

Before the Kiwanis Club members at the regular noon-day luncheon to-day Mrs. Pankhurst delivered a striking address which by its clear cut message and plain-spoken forcefulness won for her an ovation that eclipsed even the tremendous reception with which she was greeted in rising to speak.

Introduced by J. W. Spencer the speaker stated in opening that it was the second time she had the privilege of addressing Kiwanis Clubs, the first being the Edmonton Kiwanis Club on her tour west through Canada.

"I am glad of the opportunity of expressing what women more and more are thinking as to the desirability of men and women getting together to co-operate on an issue, not concerning women alone, but both men and women. I feel that to-day is a straw showing that the tide is turning towards the days of closer co-operation on this subject.

"I have been for very many years interested in the social point of view, and I think I can speak for the viewpoint of women with great understanding on this subject. I think Kiwanis Clubs are doing a great service to women and men by making such opportunities as to-day. I want to say a few words on what might be called the obscure title "Social Hygiene."

"I prefer the term Public Health—for we all know what that means, even if we do not know how to gain it and keep it.

"There is a danger that we may come to give too limited a meaning to the words, social hygiene—I want to speak on public health from the broadest possible sense. I remember the time when women in ill-health were considered to possess all the virtues to the highest degree, and it was thought that being an invalid was one way of elevating all the private virtues. Now we realize that an invalid noted for her idealism would have been even more effective if perfectly healthy in body, and would rise to even greater heights.

"The really good people are healthy people, and good health is necessary for the moral health of the individual and the community. So in dealing with public health we must not narrow the words down to dealing with the terrible series of diseases. There is the greatest work of prevention that I hope to enlist the help of such organizations of men as the Kiwanis clubs—for unless men and women get together and co-operate to this end for the entire elimination of the terrible series of diseases—no solution will be found.

"I have been addressing audiences throughout Canada from the East to the West, and everywhere was accorded every assistance and facility. The first meeting I addressed that was composed of men alone was at Edmonton where I spoke to the Kiwanis Club there, and so to-day I feel that this is a similar privilege of addressing men alone.

"I am now addressing you on the eve of a tour of your beautiful island, and am glad to have been accorded the privilege. I want to put before you the women's point of view in this matter. It goes so deep in human life, this terrible series of diseases that we will never get to a successful conclusion of the business unless we get men and women co-operating alike for the sake of the children.

"The Woman's Viewpoint."

"I think the women's point of view is that they think more for the children than for themselves (their portion in life is self-sacrifice and sacrifice has been). I believe that if we can translate our feeling for the children to the men in asking for co-operation, that that will be the best way. There must be a real searching of hearts on the part of all to settle this great problem. Disease that is infectious and contagious is inseparable from public morals.

"Men have been trying for many years to minimize the danger from their own point of view, and they

Winnipeg Pacer Sets Up New Mile Canadian Record For Half Mile Track.

Winnipeg, July 25.—Creating a new Canadian record for the fastest three heats ever paced on a half mile track in Canada, Dan McDonald's Winnipeg pacer, Phil Patch, captured the free-for-all race, the feature of the closing day of the local meet here Saturday afternoon.

The Winnipeg speed merchant paced the first heat in 2.06 1/2, the second in 2.07 1/2 and the third in 2.08.

Pat Pointer, of Lacombe, and Main Direct, of Calgary, the three fastest pacers in Western Canada, came down the stretch and only at the wire was Patch able to win by a nose, with the other two finishing in the order named. Second money went to Pointer and third to Main Direct.

The five furlongs went to Hillsdale, of Lacombe, in good style, while Toostmaster grabbed off second money.

Professor Budlong Puts Tanlac to Test

PROF. C. J. BUDLONG, Manchester, N. H.

"It's an actual fact, I'm in good health for the first time in thirty years and I owe my present splendid condition to Tanlac and nothing else," was the emphatic statement of Prof. C. J. Budlong, well-known and highly respected citizen of Manchester, N. H., residing at 42 School street. "Practically all my life I had had rheumatism, and when I say rheumatism I mean every word of it. It was all over my body and especially bad in my feet and legs and there were times when I couldn't get from my bed to my chair without help. And from the time I was a boy I couldn't sit down and eat a good meal without being in misery afterwards and I would have terrible pains around my heart and frequent attacks of palpitation and dizziness. "I had a stubborn case of constipation, was troubled awfully with

blinding headaches and hardly knew what sleep was. My suffering had almost made a complete nervous wreck of me and I was so weak I wasn't worth a nickel as far as work was concerned. I thought my troubles had a life-long grip on me and was about as discouraged as a man ever gets. "Well, before I had finished my first bottle of Tanlac I realized it was different from anything I ever tried. It suited my case exactly. And now for almost the first time since I can remember I can eat anything I want and digest it. I haven't an ache or a pain and have gained fifteen pounds in weight. I just feel good all over and am full of life and energy these days. Everywhere I go I talk Tanlac. It hasn't an equal." Tanlac is sold in Victoria by Duncan G. Campbell and leading druggists everywhere. (Adv.)

SAY VANCOUVER GETS MORE THAN SHARE

Liberals Here Form Club to Bring More Patronage to Victoria

Aggressive Liberals of Victoria, claiming that too many Government offices are being moved to Vancouver and that the Mainland is getting more than its share of Government appointments because of the activities of Vancouver Liberal members, last night formed a Progressive Liberal Club at a meeting of presidents, secretaries and members of the Liberal ward organizations.

Capt. M. Harbord, who was elected president, announced that the Club will immediately set out to get Victoria the recognition it deserves as the capital city of the Province. Other officers are: First vice-president, F. R. Carlow; secretary, Pat O'Hara.

Neighbor—"I hear you had an actor employed on your farm." Farmer—"Yes, and he's a fairly good actor, too. Why, I thought he was working the last week he was here."

Premier Visits Squamish With Chief Engineer Proctor

Premier Oliver returned to his office Monday from the Mainland, where with Chief Engineer Proctor, of the Department of Railways, he inspected the terminal wharf of the Pacific Great Eastern at Squamish, which was again damaged last week by the flooding of the river.

The Premier explained that the wrecking of the wharf was caused by the under-securing. As a result of the visit of the Premier and the Chief Engineer, it has been decided to shorten the wharf as the only practical way of avoiding further heavy costs through flooding. The Premier explained that this will decrease the size of the terminal wharf by 120 feet square.

GO TO CONVENTION

G. R. Naden to Deliver Address at Vernon Prepared by Minister of Lands

G. R. Naden, Deputy Minister of Lands, left last night for Vernon to attend the Western Canadian Irrigation convention at Vernon, which will run from Wednesday until the end of the week. Mr. Naden will deliver the feature address of the convention on the irrigation situation in British Columbia. This address was prepared by the Hon. T. D. Pattullo, Minister of Lands, but he is not able to deliver it as he is now on the Atlantic on his way to England. Lieutenant-Governor Nichol left last night for Vernon to open the convention. A number of Government officials and experts are also leaving for the convention.

It was a play at a village hall. In the first act the villain informed the gaping audience that he would sandwich the innocent hero and kidnap the lovely heroine—which he promptly did. In the second act he tore some planking out of a bridge across a chasm and the luckless heroine fell into the abyss. In the third act he tied her across railway lines, and she just escaped the midnight express. In the fourth act, he set fire to her residence, burning it to the ground. In the fifth act he abducted the girl and tried to make love to her. She shrieked from his embraces. "Why do you fear me, darling?" he asked.

ESQUIMALT KIDDIES PICNIC TO-MORROW

Grand Affair Arranged to Take Place at Goldstream; Need Motor Cars

"If you haven't got a ticket you do not get a ride," exclaimed one of the Esquimalt Merchant's committee this morning when discussing the picnic which the merchants have arranged for the children of Goldstream and which will take place at Goldstream to-morrow. So much interest has been displayed in the affair that the merchants are beginning to think they have stirred up a hornet's nest, and that there will be a heap of trouble before they get through with it, because all the adults in the municipality have got it into their heads that they are to be classed with the youngsters too, and that they will be given a free motor car ride to and from the picnic grounds.

"This is absolutely not the case," cried one of the promoters, almost with tears in his eyes. "We would be very glad to have the old folks, but if they want to go to the picnic they will have to find their own way there and back. This is a kiddie affair and we need all the motor cars we have got for them, and such parents as must of necessity go along on account of the youth of the children." The merchants were very careful from the first to emphasize the fact mentioned above, and took pains to arrange that only those who applied for and obtained tickets before a certain date could be accommodated in the cars that have been kindly offered for the outing. Parents will have to go by morning train and return by the afternoon train, or arrange for their own motor transportation if they wish to take in the affair.

Where They Leave

Three points of departure have been set by the committee, and all ticket holders must be at either one of these places in time for the cars to pull out at 9 o'clock to-morrow morning. These are: Corner Admiral's and Esquimalt Roads; corner Head Street and Esquimalt Road; Burieth Grocery, Craigflower Road.

Shortly after arrival at the picnic grounds the picknickers will take luncheon and at 3 o'clock Reeve Lockley will declare the programme of sports open. Picknickers will take their own baskets and cups, and tea will be furnished free on the grounds by the merchants, the Esquimalt Women's Institute having kindly undertaken to look after this feature. All baskets must be checked at the points of departure, where helpers will be on hand to attend to this work.

The programme of sports arranged includes 13 splendid events, and three prizes will be given in each event. A band will be on hand to enliven the proceedings.

Requests For Cars

One thing that the Esquimalt merchants do not want to fall short on is motor cars. Eight hundred and fifty tickets have been taken up, and that assures that a large number of cars are required to carry the kiddies to the picnic grounds. An appeal is made to those who are anxious to help the youngsters enjoy this outing, to prefer their services in this regard by telephoning 4718.

CHOLERA INFANTUM THE FATAL DISEASE OF CHILDREN

Mothers should look well after their young ones during the hot Summer months as this is the time of year when this Summer complaint is most prevalent. It begins with a profuse diarrhoea, the stomach becomes irritated, vomiting and purging set in, and the matter ejected from the stomach has a bilious appearance; the child rapidly loses flesh and is soon reduced to great languor and prostration which in a great many cases terminates fatally. To quickly offset the vomiting, purging and diarrhoea.

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

should be administered. Mrs. Charles Kretlow, Wideview, Sask., writes:—"I have used Dr. Fowler's Extract of Wild Strawberry for Summer complaint. I think it saved my little girl's life one time as she was so bad I thought she was going to die. A friend advised me about 'Dr. Fowler's,' so I got a bottle and it helped her right away." Don't endanger your child's health by accepting a substitute, but get the genuine "Dr. Fowler's," price 50c a bottle; put up only by The T. Millburn Co., Limited, Toronto, Ont. (Adv.)

WANT MORE MEN ON THE PRAIRIE

More men are needed on the prairies to harvest the Fall crops, according to a telegram received yesterday afternoon by Mayor Porter from Alderman W. J. Sargent, city delegate to the annual convention of the Union of Canadian Municipalities. "Wheat cutting will not be general in Saskatchewan for three weeks," stated Ald. Sargent in his telegram, "but men should not delay that long. There will be good crops in Saskatchewan and Manitoba, and encourage all able-bodied men now out of work to come to the prairies. Work will continue until November, wages running from \$4 to \$7 a day, with board. Biggar and Melville are the best districts." The Mayor will forward this information to the Economic Council. He will receive additional information from Alderman Sargent in a letter which was mailed at Winnipeg this week.

NERVES ALL GONE TO PIECES

"Fruit-a-tives" Conquered Nervous Prostration

R. R. No. 4, Gilbert Plains, Man. "In the year 1910, I had Nervous Prostration in its worst form; dropping from 170 to 115 pounds. "The doctors had no hope of my recovery, and every medicine I tried proved useless until a friend induced me to take 'Fruit-a-tives.' "I began to mend almost at once and never had such good health as I have enjoyed the past eight years. I am never without 'Fruit-a-tives' in the house." JAS. S. DELGATT, 56c. a box, \$ for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa. (Adv.)

SOME SPEAKERS FOR CONVENTION

Notable Men For Life Underwriters' Meeting Here

The fifteenth annual convention of the Life Underwriters' Association of Canada will be held in Victoria for three days next month. It is anticipated there will be in the neighborhood of 500 delegates from all parts of Canada, including visitors from the States, and every effort will be made to make the meeting a success. It will be the first time a life insurance gathering of this kind has been held west of the Rockies. The visitors will be royally entertained in Vancouver on the way to the island and insurance men throughout the Mainland are co-operating with those on Vancouver Island in preparing the programme. Headquarters for the convention will be the Empress Hotel. The opening sessions will be taken up with addresses of welcome by Premier Oliver, Mayor R. J. Porter, and the president of the Life Underwriters' Association of Victoria, the annual address of the president, D. J. Shortly, of Toronto, and an address by B. C. Nicholas, president of the Victoria Canadian Club. Other speakers of welcome by Premier Oliver, Mayor R. J. Porter, and the president of the Life Underwriters' Association of Canada; A. S. "Hallo, old man, haven't seen you here for a long time." "No. You haven't been playing much lately?" "Er—no." "By the way, what is your handicap now?" "My wife."

PIMPLES AND RASH ON FACE

And Neck, Burned and Itched. Cuticura Healed.

"I had pimples and a sort of rash on my face and neck. They would burn and itch and when I scratched would become red and scaly and peel off. It was hard for me to sleep and I decided to go to a doctor. "I heard of Cuticura Soap and Ointment and used them. My face began to get smooth and stopped itching and burning, and when I had used the Cuticura Soap and Ointment for about a month I was healed." (Signed) Miss Cora Lim, R. F. D. 2, Blackfoot, Idaho, Feb. 23, 1920. Use Cuticura for all toilet purposes. Soap, 15c. Ointment, 10c. Sold everywhere. Cuticura Soap shows without using.

ARION CLUB SELECTS OFFICERS FOR CURRENT YEAR

The officers of the Arion Club, elected at the meeting last evening, are: Honorary president, F. E. Fatt; honorary conductor, E. Howard Russell; assistant conductor, Herbert Kent; honorary secretary, L. W. Hall; treasurer, H. W. Whitmore. A Scottish boy and an English boy were boxing. At the outset the Scottish boy proved superior, and punished the English boy severely. But presently, after a few rounds, the Scottish boy became cautious. He defended himself instead of attacking, and allowed his nimble opponent to rain blows upon him rather than move out of the way. "What's the matter, Sandy?" cried his father. "Jump about a bit." "I can't!" replied Sandy stolidly. "I'm standing on a caxpence."
