WIKIDATA LAB XXIII

WIKI-EDUCATION AND DATA LITERACY

This training aims to share resources and capabilities for the integration of Wikidata and other Wikimedia projects, in particular Wikipedia.

In this event, part of the Wikidata Lab series, there will be a presentation and a sequence of pratical activities on stategies and uses of Wikidata in education, especially for data literacy.

The event is aimed at training the community of editors of Wikimedia projects. The presentation and coordination of the training will be performed by the wikimedian Shani Evenstein, in english.

Please, if you are interested in participating in the event please register on the registration page. There is no registration fee. Limited vacancies.

Local: Online.
**Date:** 05/21/2020 (Thursday) 13:00 to 19:00. UTC
