

Wikipedia / Wikimedia projects in Greece in

▶ **Secondary education**

▶ **Adult education**

2014 - 2015

Manos Kefalas – m_a_n_o_s_@hotmail.com

Responsible for **Wikipedia School** Project of Athens

SECONDARY EDUCATION

- ▶ Wikipedia **article writing** is used in a handful of Greek schools as a “**good learning practice**”
- ▶ A successful writing **school contest** has been run so far (25 schools part.)

ADULT EDUCATION

- ▶ **Wikipedia School for adults** is running **since May 2014** in Athens
- ▶ Adult Wikipedia education is **based on value for trainees**

LESSONS LEARNED

- ▷ **Voluntary** is **better** than obligatory
- ▷ **Duration** – only **a few sessions** are usually **not enough**
- ▷ **Recurrence** – **once a week** is **not enough**
- ▷ *Sustaining the learning group* (by **relating Wikipedia lessons to real life skills**) gives **better results**
- ▷ A **target** gives **better results** for students
