Four red square seals are arranged around a central white seal impression. The central seal is a large square impression in white ink, containing stylized archaic Chinese characters in seal script. The four red seals are smaller and also contain archaic characters. The top-left seal is oriented vertically, the top-right seal is oriented horizontally, the bottom-left seal is oriented vertically, and the bottom-right seal is oriented horizontally.

子琴鈞劄

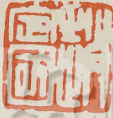

Four red square seals are arranged around a central white square containing stylized Chinese characters in seal script. The characters are arranged in two columns, reading from right to left: 上海圖書館藏 (Shanghai Library Collection). The four red seals are positioned at the corners of the white square: top-left, top-right, bottom-left, and bottom-right. Each seal contains characters in seal script, likely identifying the collector or the library.

Seal script characters, likely a title or name, centered on the page. The characters are arranged in two vertical columns, with the right column reading from top to bottom and the left column reading from bottom to top. The characters are highly stylized and difficult to decipher without specialized knowledge.
