18060- Crossing at Bridgeville creamery

Mr. E. M. Rine,
Superintendent

Dear Sir:

Enclosures respectfully referred to you. Please
return.

I wish you would kindly take up with signal engineer
Smith and arrange for the protection of the crossing referred
to and in the manner stated at his early convenience.

Yours truly,

C-S

General Superintendent

Mr. J. M. Roseberry,
Att. for the Committee,
Belevidere, N. J.

Dear Sir:

I have your letter of April 4th relative to protection of crossing at Bridgeville creamery. The matter has been duly considered and referred to our chief engineer for his attention. Do you not think the alarm crossing bell which we use very successfully at many points will answer the purpose?

Yours truly,

C-S

General Superintendent

Mr. L. Bush,

Chief Engineer.

Dear Sir:

The enclosed correspondence explains itself and refers to protection for crossing near creamery at Bridgeville. Please note suggestion of superintendent Rine that signal bells be installed. Will you kindly have the situation looked over and necessary protection provided, advising me what is done, and oblige,

Yours truly,

General Superintendent.

Mr. E. M. Rine,
Superintendent.

Dear Sir:

Please note enclosure from Joseph M. Roseberry, counselor at law, Belvidere, relative to alleged dangerous crossing at Bridgeville. Has this subject been brought to your attention, and what are your recommendations ?

Yours truly,

General Superintendent.
