## Q6 - How has contributing to Wiki Loves Africa changed your perspective?

How has contributing to Wiki Loves Africa changed your perspective?

It has changed to Make believe that in a properly scheduled ecosystem like the wikimedia one, everything can move very organised and coordinated

I have seen alot of African cultures that I don't know about. I l'm oportune to speak to people from different part of Africa with the advantage of wiki loves Africa.

Ma contribution à Wiki Loves m'a permis de mieux révéler l'Afrique dans toute ses dimensions de la vie.

Ça m'a permis de savoir qu'on peut contribuer à Wikimedia avec des photos

sur ma manière de voir les choses sur la bonne prises de photos beaucoup plus original

Plusieurs aspects : visibilité des pays, échanges entre professionnels des SIB, etc

Mieux admiré les paysages. Voir l'importance des habitants dans le paysage

Voir les architectures qui existent dans mon pays, surtout les constructions traditionnelles.

Introduce me to the world and I have even won third place a third place in the " Health and Wellness" compilation. I am grateful.

Ça m'a permis de développer mes capacités en photographie et d'aller au delà de ma zone de confort pour faire des images plus créatives.

Ce travail me permet d'avoir, au fil des années et des éditions, à travers les thèmes, d'avoir un regard différent sur les réalités de mon pays. Lorsque le concours est lancé, le thème de l'année attire et concentre mon attention. Je fais plus attention à tous les détails qui passaient inaperçus en temps normal dans mon quotidien.

Ce concours m'a aider à comprendre l'utilité des images qui sont sur Wiki common

Contributing to Wiki Loves Africa is to gather images that are helpful to Wikimedia projects, like Wikipedia.

je me suis engagé sur la photographie libre de droit

Contribution wiki loves Africa shaped the way I see Africa. I get to know and learn many things through the campaign. I get to collaborate and also see things with my eyes that get me exposed to the African world. It's indeed an eye opener.

It's made me appreciate the little things around me

It has given me the chance to be able to use media to participate in a general content contributor context

De ne jamais laisser filer une opportunité..

It has really changed my narrative of how I see photo or pictures. My pictures go a long way to help others.

I became more interested in documenting all situations and places

It helped shade more light on my country through photography

How has contributing to Wiki Loves Africa changed your perspective?

It's has given me an opportunity to tell the African story in a proper light.

This shows me how important the pictures I contribute go a long way to help others and it has also help me understand the impact of pictures and how they go a long way to help. So I have developed that passion and like and seriousness I'm taken all pictures.

Wiki love Africa is develop the Wikimedia movement in the future

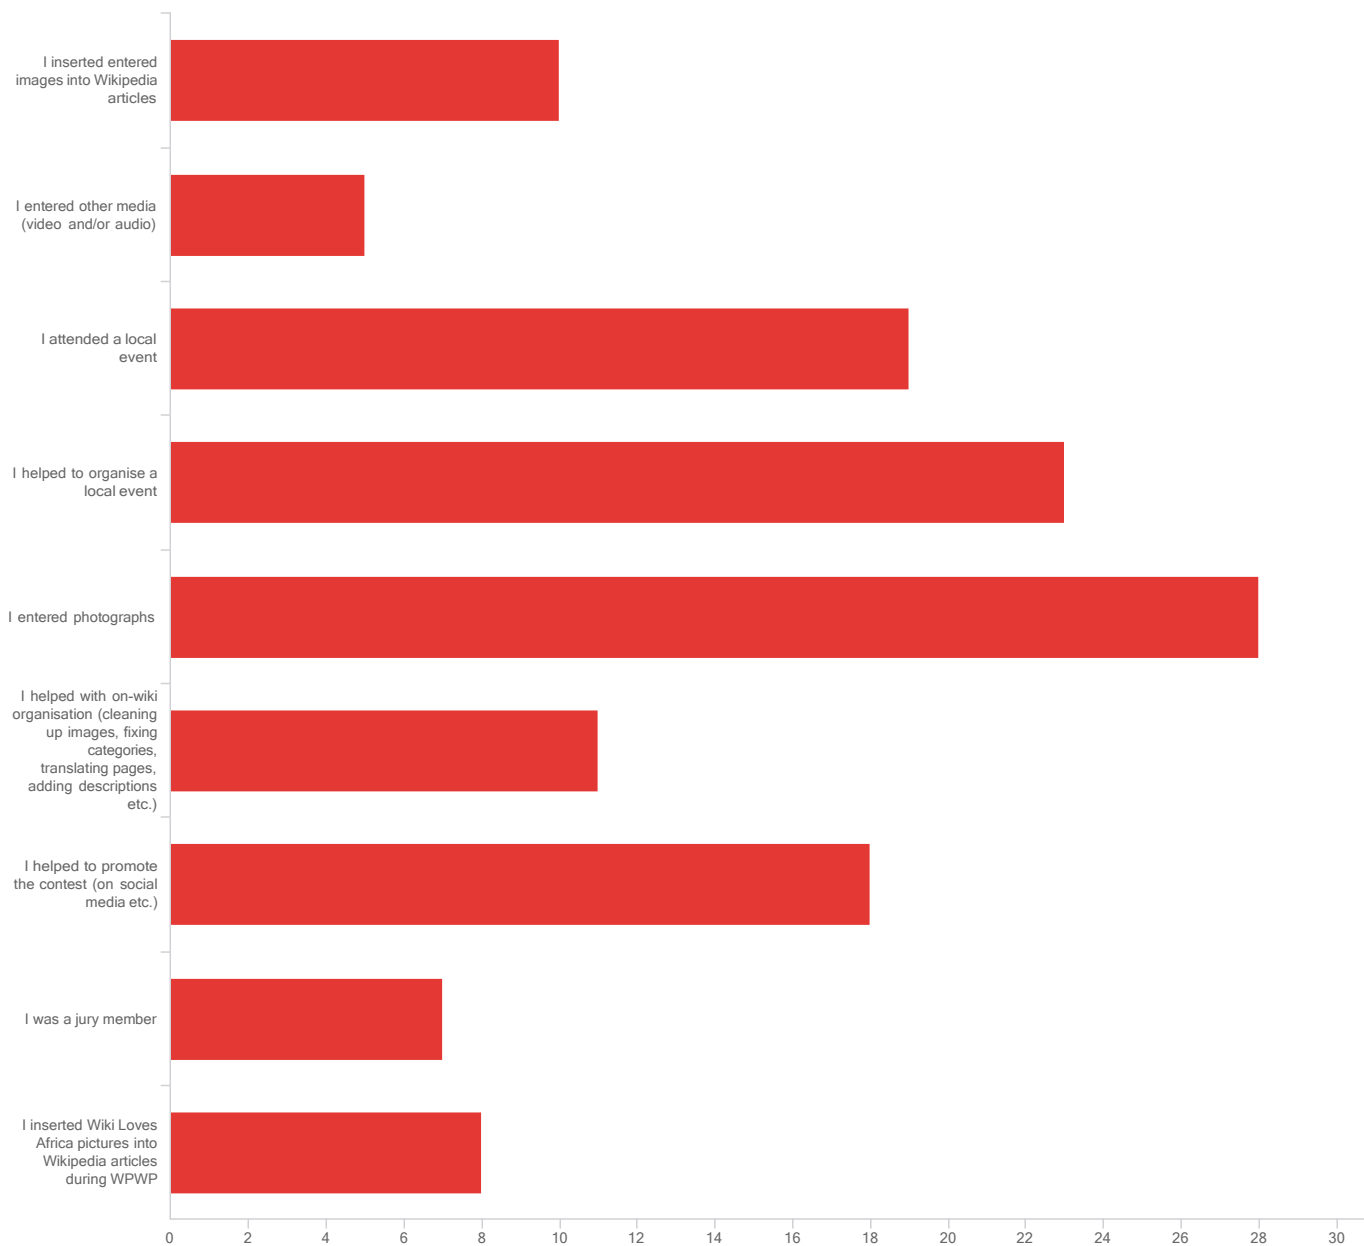

More knowledge about culture of fellow Africans

It has greatly changed my perception of Wikipedia in that it is just about uploading information but you can also join the fun of photography.

## Q10 - In 2023, what are the THREE POINTS TO IMPROVE in relation to the organisation of the contest?

In 2023, what are the THREE POINTS TO IMPROVE in relation to the organisati...

Funding, mentorship and innovation

La procédure de soumission, les lots, la communication globale du concours

Inclusion, diversity and information availability

formation des organisateurs des groupes locaux - Organisation des jury locaux- utilisation de la plateforme montage

Mettre les participants sur les même pieds d'égalité. Même appareil photo.

les subventions lors des ateliers les prix doivent être compétitives

La motivation et les prix

Période plus long pour la photographie, annoncé le projet plus tôt.

La qualité de notre jury local. L'image lauréate dans mon pays était hors sujet.

Qualité des prix, formation en photographie, qualité des images soumises

Augmenter le nombre de rencontres, donner une petite formation en photographie aux participants,

implication des villes de province, meilleure communication,

The process, the selection criteria, and finally the angles

awards for the winners as promised

Grants, contest participation and communication

Jury should include representative from all regions. Include Professional Photography Persons on Jury

1. Prize Money should be considered instead of shopping vouchers 2. Winners should get certificates and possibly glass awards 3. Consider having physical meets up for the winners to get their glass awards

None for now

1. The way the local jury select winning pictures. 2. The quality of pictures selected by the local organizers and the jury.

There are communities that have a lot of people but they don't have many volunteers who are now starting to get them. If wiki love Africa will start helping like this community then the Wikimedia movement will quickly progress in the whole community.

In 2023, what are the THREE POINTS TO IMPROVE in relation to the organisati...
