

GI'S & VETS MARCH FOR PEACE

CALLING ALL GI'S! ALL ACTIVE DUTY SERVICEMEN! JOIN THE GI AND VETS MARCH FOR PEACE!

There comes a time when men are faced with forces that are diametrically opposed to the basic ideals of humanity. War is one of those forces. For war is opposed to humanity. There are no ideals after death.

Do you support legitimized murder of individuals and whole peoples? If not, support the cause of peace.

For too long our thoughts have traveled only the path of talk. It is now time for those who are concerned to unite, to stand up and strike out for what they believe is right.

GI'S AND VETERANS WILL MARCH FOR PEACE. GI'S AND VETERANS OPPOSED TO THIS UNJUST AND CRUEL WAR, WILL VOICE THEIR CONCERN IN A SANE AND DEMOCRATIC MANNER.

It is time to tell the military and the general public that we are alarmed by the direction the United States is pursuing in the course of history. It is our responsibility as citizens of this country not to let the United States destroy itself. And the time is now.
