Deposition of Captain Gun, Chun

THE MILITARY COMMISSION

(Appointed to hear the case of United States
vs Kingoro Fukuda)

Deposition of Captain Gun, Chun in the matter of United States of America vs Kingoro Fukuda at Sugamo Prison, Tokyo, 9 October 1946, before Major M. L. Gross, Presiding Officer

Time Meeting Began: 10:15 A.M.

By Mr. Sinn for the Prosecution - Sir, may it be noted in the record that on the 23rd of September 1946, I conferred with Mr. Hirayabashi, counsel for Mr. Kingoro Fukuda, the accused in this case. At that time Mr. Hirayabashi consented to have a deposition taken of Captain Gun, Chun. It was mutually agreed between Mr. Hirayabashi and me that the deposition should be taken at Sugamo Prison on the 9th day of October 1946. Mr. Hirayabashi and Major Phillips appeared. Major Phillips claimed that this was the first time he knew that a deposition would take place and, therefore, objected to it. I requested that he and Mr. Hirayabashi remain and state their objections to Major Gross, the Presiding Officer. They declined and departed. I submit, Sir, that in view of the previous consent of Mr. Hirayabashi, the Defense has had ample notice of this deposition and that they have not been prejudiced in any respect. I, therefore, request that we proceed and take the deposition of the witness in spite of absence of counsel for the accused.

By Major Gross - At Sugamo Prison on the 9th of October 1946 at 10:15 A.M. Major Phillips, War Crimes Defense Section, and Mr. Hirayabashi, Defense Counsel for Kingoro Fukuda, appeared in the matter of taking a deposition.

Major Phillips stated that he had not previously been informed that a deposition was to be taken and was under the impression that he was to be present at an interrogation. He objected to the taking of the deposition and stated that arrangements for the deposition should have been between the Prosecution and Major Phillips rather than between the Prosecution and Mr. Hirayabashi. He withdrew from the room, taking Mr. Hirayabashi with him. Presiding Officer suggested that in view of the fact that Defense raised objection that an affidavit be taken in place of the deposition. Mr. Sinn stated that in view of the consent of the Defense Counsel and the fact that they had appeared here as pre-arranged for the taking of a deposition that it should be taken regardless of the withdrawal of Major Phillips and Mr. Hirayabashi. Presiding Officer finds that Mr. Hirayabashi was informed and presented himself for the taking of a deposition. A court of proper jurisdiction will have to determine whether statement to be taken is to be classified as an affidavit or a deposition.

By Mr. Sinn - At this time I should like to have the interpreter sworn in by the Presiding Officer.

By Major Gross - Raise your right hand. You, Wing-Li Young, swear that you will truly interpret in the case now in hearing, so help you God.

Ans. I do.

By Mr. Sinn - May the record state, Sir, that the deposition will support the allegation of the fourth specification of the case of the United States of America vs Kingoro Fukuda.

By Mr. Sinn - May the witness be sworn in at this time.

By Major Gross to Interpreter - Ask him to rise, and raise his right hand.

By Major Gross - You are sworn to speak the truth honestly and conscientiously, concealing nothing and adding nothing whatsoever. Ans. I do.

By Major Gross - Do you feel that your conscience is bound by the oath you have taken?

Ans. Yes, I have sworn with my conscience.

By Mr. Sinn - Captain Gun, are you a member of the Chinese Army? Ans. Yes.

Ans. I was sent to Peiping and from there to Japan.

By Mr. Sinn - In what camp in Japan were you a Prisoner of War? Ans. I was kept at Hanaoka, Akita-ken, Akita Prefecture.

Ans. I came to the camp on the 8th day of August 1944.

By Mr. Sinn - Did you remain at this camp till the end of hostilities? Ans. Yes, I was there.

By Mr. Sinn - At this camp did you know a fellow Chinese Prisoner by the name of Tin Bun Wong.

Ans. Yes, I know.

By Mr. Sinn - Did you know him in June 1945? Ans. Yes, I knew him.

By Mr. Sinn - Did you have occasion to beat Tin Bun Wong in June 1945? Ans. Yes, I had.

By Mr. Sinn - Do you know whether Tin Bun Wong was a Prisoner of War or a civilian?

Ans. He used to be a civilian but as he was a member of Self Defense Group of this town, the Japanese Army captured him as Prisoner of War.

By Mr. Sinn - Did the Japanese Army compel Tin Bun Wong to come to Japan?
Ans. Yes, he was forced to come to Japan.

By Mr. Sinn - Now Captain Gun, will you relate the incident surrounding the beating of Tin Bun Wong?

Ans. Tin Bun Wong had to work very hard and had not enough food to eat so he escaped but soon was captured again and then Japanese ordered me to beat him. The first time I struck him 40 times on his buttocks. After that the Japanese told me that it was not enough so I had to strike him again 20 times and then Tin Bun Wong became unconscious. The second time I beat him on the buttocks and thighs. After three or four days he died.

By Mr. Sinn - Captain Gun, you refer to a Japanese who ordered you to beat Wong. What is the name of that Japanese?

Ans. Kingoro Fukuda.

By Mr. Sinn - What was Fukuda's position in this camp?
Ans. He was a guard there.

By Mr. Sinn - When did Fukuda order you to beat Wong? Ans. It was in the middle part of June 1945.

By Mr. Sinn - Was it on the same day that you beat Wong?
Ans. I don't remember the date exactly but it was in the middle part of June 1945.

By Mr. Sinn - Yes, but was it the same day? Ans. Yes.

By Mr. Sinn - Who was present when Fukuda ordered you to beat Wong? Ans. Besides him Ise Obata was present and also Himori.

By Mr. Sinn - Were there any Chinese present when Fukuda ordered you to beat Wong?

Ans. Almost 900 Chinese prisoners of war were present.

By Mr. Sinn - Did all these 900 Chinese hear Fukuda order you to strike Wong?

Ans. I received his order in his office, so no Chinese did hear him order me.

By Mr. Sinn - Was Fukuda present while you were beating Wong? Ans. Yes, he was present.

By Mr. Sinn - Why did you obey Fukuda's order to beat Wong?
Ans. Because we Chinese had to obey what the Japanese ordered us to do.

By Mr. Sinn - What instrument did you use with which to beat Wong? Ans. I used a wooden stick.

By Mr. Sinn - How long was it?
Ans. It was about a meter long and about 4 inches thick.

By Mr. Sinn - Did you see Wong on the days following the beating?

By Mr. Sinn - Will you describe his condition? Ans. He was lying in bed in a condition of unconsciousness. On the third day he was dying and on the fourth day he was dead.

By Mr. Sinn - What caused his death, Captain Gun? Ans. The beating caused his death.

By Mr. Sinn - Sir, I have no further questions.

By Major Gross - Since there are no further questions, this hearing is
