Hon. O. C. Bosbyshell,
Supt. U. S. Mint
Philadelphia, Pa.

Dear Sir: - Yesterday I mailed to you a letter ordering a lot of Coins and enclosed N. Y. Exchange, (made payable to my order) for \$48.01 in payment thereof. I have an impression that when endorsing the draft I very carelessly omitted to sign my name to the same as I should have done. The draft (if my impression is correct) may not be collectable, and if so, please return it to me at once that I may add my name thereto. As I recollect it the Draft was made to A. S. Field although I am in the habit of signing my name in full "Alfred S. Field". Hoping my impression is erroneous so no return of the draft, ^{will be necessary} and to receive the coins ordered promptly per Express as directed in my letter I am

Yours Respectfully
Alfred S. Field,
