GOVERNMENT OF PAKISTAN

OFFICE OF THE CHIEF CONTROLLER OF IMPORTS AND EXPORTS

Rawalpindi, the 12th January, 1968.

PUBLIC NOTICE NO. 2(68)/IMPORT-R

(Import Trade Control)

The following Order made by the Central Government under Section 3 of the Imports and Exports (Control) Act, 1950 (XXXIX of 1950), and published in the Gazette of Pakistan, Extraordinary, by the Government of Pakistan Press, Karachi, is hereby published for general information.

(AFAZUDDIN AHMED)

Joint Controller

for Chief Controller of Imports and Exports.

**OFFICE OF THE CHIEF CONTROLLER OF IMPORTS AND EXPORTS.
(IMPORT TRADE CONTROL)**

ORDER

Rawalpindi, the 12th January, 1968.

S.R.O. 56 (K)/68.—In exercise of the powers conferred by sub-section (1) of section 3 of the Imports and Exports (Control) Act, 1950 (XXXIX of 1950), the Central Government is pleased to make the following order:—

1. (1) This Order may be called the Import Policy (January-June, 1968) Order.

(2) It shall remain in force until the thirtieth day of June, 1968.

2. In this Order, unless there is anything repugnant in the subject or context:—

- (a) "actual user" means a person, group of persons, institution, body or organisation to whom an import licence is issued by the licensing authority for the import of an item for the use of, or consumption by, such person, group, institution, body or organisation;
- (b) "Annex" means an annex to this Order;
- (c) "approved entitlement" means the half-yearly entitlement recognised by the licensing authority for the purpose of issuing import licences for raw materials and spare parts for machinery to an industrial consumer;
- (d) "category" means the half-yearly entitlement recognised by the licensing authority and shown in the Pass Books for the purpose of issuing import licences to an established commercial importer;

- (e) "commercial importer" means a firm, institution, body, organisation or person or group of persons registered as an importer under the Registration (Importers and Exporters) Order, 1952, to whom a regular category in a commodity has been assigned and notified on the basis of past performance in import trade;
- (f) "industrial consumer" means an industrial unit, establishment or undertaking which, being an actual user, is registered as an importer under the Registration (Importers and Exporters) Order, 1952; and
- (g) "licensing authority" means the Chief Controller of Imports and Exports and includes the Controllers of Imports and Exports and such other officers as may be authorised to issue licences under sub-section (2) of section 3 of the Imports and Exports (Control) Act, 1950 (XXXIX of 1950).
3. **Items for Import.**—Items permissible for import during January-June, 1968, are listed in Annex. I and are divided into three parts as given below:—
- (i) **Items on Free List.**—These items are listed in List I in the Annex. and can be imported without obtaining any import licence.
- (ii) **Items on Licensable List.** These items are listed in List II in the Annex. Licences for these items will issue on specific basis.
- (iii) **Items on Cash-cum-Bonus List.**—These items are listed in List III in the Annex. Licences for these items shall issue on surrender of bonus vouchers for 50 per cent. of the share or entitlement.
4. **Items on Bonus List.**—Items importable under the Export Bonus Scheme shall be such as may be notified by the Ministry of Commerce in this behalf.
5. **Banned items.**—Items not included in the Free List, Licensable List, Cash-cum-Bonus List or in the list of items importable under the Export Bonus Scheme shall not be available for import.
6. **Description of Items.**—Description of items in Annex I. is generic. Import of only such goods and commodities will be permissible as are covered by these items, except such goods and commodities as have been specifically excluded. A licence issued for generic items will not be valid for any specific item which has been excluded or may be excluded even if such exclusion is not specifically mentioned in the licence.
7. **Import of Second-hand Commodities.**—Unless otherwise specifically permitted second-hand, reconditioned goods or factory rejects will not be permissible for import.
8. **Industrial Items.**—Items meant exclusively for industrial consumers have been marked with an asterisk (*).
9. **Items earmarked for specified region.**—Where an item is meant for a particular region an indication to that effect has been given against the item.
10. **Import of explosives, Calcium carbide, Empty gas cylinders and gas in cylinders.**—Import of explosives, calcium carbide, empty gas cylinders and gas in cylinders shall be effected with the prior approval of Department of Explosives (Industries Division), Government of Pakistan.
11. **Import through Trading Corporation of Pakistan Limited.**—Import of such items as may be notified by the Ministry of Commerce from time to time shall be made through the Trading Corporation of Pakistan Limited. The eligible importers shall be required to place orders on the Corporation for these items in accordance with the procedure detailed in Ministry of Commerce Notification No. S.R.O. 17(R)/67, dated the 12th September, 1967 according to the basis announced.
12. **Source of Finance.**—Import will be allowed from cash, loan, credit and under barter arrangements and trade agreements.
13. **Source of Imports.**—(i) Imports under cash licences will be permissible from all countries except where otherwise specified. In case of Loan, Credit Barter or Trade Agreements, imports will be allowed only from the specified source as the case may be. No imports will, however, be permissible from Israel, South Africa and Rhodesia.
- (ii) Import of ferro-chrome made outside Rhodesia of material exported from Rhodesia will also not be permissible. All importers of ferro-chrome will have to furnish supplier's certificate to the Customs authorities at the time

of clearance that their imports are not affected by the ban. No clearance will be allowed unless the certificate is produced.

(iii) Iron and steel shipped to Pakistan from the following ports in Portuguese Africa will be subject to pre-shipment inspection arrangements:

- (1) Lourence Marques.
- (2) Vila de Jao Belo.
- (3) Inhambane.
- (4) Nova Sofala.
- (5) Beira.
- (6) Mozambique.
- (7) Porto Amelia.
- (8) Nacala.
- (9) Quelimane.

The pre-shipment inspection will be carried out at the mill's premises at suppliers cost by an internationally recognised agency. The inspection agency will be selected by the supplier himself with the previous approval of the Ministry of Commerce.

A supplier who wants to tranship iron and steel from any of the above ports will also be required to get the consignments inspected at the port of transhipment in the manner indicated above. The inspection report, in original, testifying that the goods imported are not of Rhodesian origin shall be produced at the time of clearance from the Customs.

(iv) If the import of an item is permissible under barter or loan only and any importer or industrial consumer entitled to import such items from barter or loan countries does not effect any imports under barter or loan he shall be liable to be deprived of future licences under cash.

14. **Imports under loan or credit.**—Imports under loan or credit will be subject to the conditions and formalities specified in Annex. II.

Minimum unit for individual contract has been specified under certain loans or credits. If the individual share of two or more importers falls below the prescribed minimum unit of contract, such importers shall group themselves for arranging import on joint basis.

15. **Adjustment.**—(i) Licences will be issued to industrial consumers and commercial importers after adjustment of any amount licensed in advance.

(ii) Clearance of imports in contravention of ITC or AID regulations will be refused or if allowed, it will be against surrender of bonus vouchers provided import of the item involved is not totally banned. This will be without prejudice to any action that may be taken under the Imports and Exports (Control) Act, 1950, or the Registration (Importers and Exporters) Order, 1952.

16. **Validity.**—(i) Import Licence will be valid for the period between the date of issue and the date of validity mentioned in the licence which would normally be six months subject to the condition that any shipment made from exporting country before the date of issue of the licence or before opening of letter of credit or after the expiry of the validity period would constitute a contravention of the ITC Regulations.

(ii) Letters of Credit under Free List will not be valid for more than six months.

17. **Revalidation of Licences.**—Extension of the validity of licence shall not be allowed except on the grounds of *force majeure* or in case where revalidation is permitted against the licensee's future share. The decision of the licensing authority in this respect shall be final.

18. **Presentation of Licence Form.**—(i) Commercial importers and industrial consumers wherever eligible will submit licence forms for authentication only through the scheduled banks nominated by them. Licence forms will be authenticated by the licensing authority and will be registered with the State Bank of Pakistan before delivery at the counter. Application for any amendment or revalidation should also be submitted by the licence holders through their nominated banks only.

(ii) Last date for receipt of licence forms shall be the 15th June, 1968.

19. **Availability of Funds.**—Issue of licence and opening of letter of credit will depend on availability of funds.

20. **Claim for Licence.**—No claim for licence shall be entertained against the share admitted under the Review, Appeal and Revision Order, 1957, if the item or industry has been removed from the permissible list. Licences against and admitted appeal, review or revision will be issued in accordance with the licensing procedure in force at the time of issue of licence.

21. **Procedure of Imports.**—Import will be permissible only against irrevocable letters of credit. Import of books, journals and magazines and periodicals will, however, be permissible on sight Draft and Usance Bills basis also.

22. **Import at Competitive Rates.**—Imports shall be made at the most competitive rates. Importers may be required at any time to submit documents for scrutiny concerning prices paid by them. Those who are found to have indulged in any malpractice may, without prejudice to any action that may be taken under the imports & Exports (Control) Act, 1950, and the Registration (Importers and Exporters) Order, 1952, be required to surrender bonus vouchers. The decision of the Chief Controller of Imports and Exports in all such matters shall be final and binding.

23. **Interwing Movements.**—No interwing movement of imported goods except books, journals and magazines and goods on Bonus Import list for both the Provinces shall be permitted without prior clearance from the competent authority.

24. **Concession for Obtaining Licence for Lesser Value.**—Without prejudice to their future licence, commercial importers and industrial consumers will be permitted to present licence forms or open letter of credit under Free List for an amount less than their entitlement worked out on the basis of licensing factor or otherwise in accordance with this Order, but in such cases source of procurement, if any specified, will not be changed.

25. **Pre-Check of Prices.**—All imports of iron and steel mill material covered by Part I of I. T. C. Schedule are subject to pre-check of prices. Letter of credit for these items will be opened only after an importer has obtained pre-check price certificate from the Controller concerned.

26. **Import of Goods (Price Equalisation Surcharge) Act, 1967.**—Consignments of items which are subject to levy of price equalisation surcharge will be allowed clearance by Customs on production of receipted treasury challans showing deposit of the surcharge determined by the appropriate authorities.

27. **Indenting.**—Before processing of letters of credit, banks shall ensure that an invoice order or indent has been issued by an indenting agent duly registered as such with the licensing authority.

28. **Payment of Licence Fee.**—A receipted treasury challan (original) showing payment of fee in accordance with the schedule appended to the Ministry of Commerce Notification No. SRO 510 (K)/64, dated the 2nd July, 1964, on the face value of licence or on the value of letters of credit where no licence is required shall be submitted by the persons concerned to the scheduled bank at the time a letter of credit is opened. In cases where imports take place on basis other than letter of credit, the receipted treasury challan (original) showing payment of fee shall be submitted to the banks at the time of retirement of the documents.

29. **Registration Renewal Fee.**—A receipted treasury challan (original) showing payment of the amount renewal fee shall be submitted to the nominated bank by all registered importers. The bank concerned shall submit the treasury challan along with the pass book at the licensing counter for necessary endorsement. Those who fail to do the needful shall not be entitled to open letter of credit under Free List or to receive any licence.

30. **Items on Free List.**—(i) Import of items on the Free List shall be permissible without cover of import licence. Import shall not, however, be allowed by air freight unless prior approval is obtained from regional Controllers.

(ii) **Industrial Consumers.**—All industries shall be allowed to open letters of credit at 100% of their half yearly entitlement as recovered in their Pass Books.

All recognised units of the Pharmaceutical industry shall be eligible to open letters of credit for medicinal items of their requirements, subject to the approval of the Director-General, Health, Government of Pakistan.

Import of Nylon Twine (for Fishing industry) shall be confined to the following:—

- (a) Fishermen's Co-operative Society; and
- (b) Industrial Units having entitlement for this item.

(iii) **Commercial Importers.**—Commercial importers will be entitled to open letters of credit for the same items and the same amounts for which they opened letters of credit during July-December, 1967, subject to the monetary limits shown below against each item:—

Sl. No.	Item.	Minimum Unit. Rs.	Maximum Limit. Rs.
