"Shou d the fears entertained be realised, it could prove a serious inconvenience both to the unlike and to the mail contractors between this city and flow Orleans, as the mail steamboat, The Star in the West, intended for that route, must be detained until the siver opens; and owing to the diffi-calty of obtaining Boats of a suitable draft of water, daily transportation of the mail between the two places, would be deferred probably for some weeks "

Paleengers in the ship Creole, sailed from New-Palacengers in the ship Creole, sailed from New-rote on the 8d for N. Orleans:—Mr. James Mus-rove, P. Coj eland, H. Lawrence, John D. Water-man, Mr. Jaggw. Mr. Haynes, Mr. Andrews, Mr. H. Hant, Mr. W., E. Hunk, H. Harland, O. Mapes, Mr. Williams, Mrs. Soptield, M. Travers and lady, M. Cratchen, Mr. Bartlett, Mr. Moryan, Mr. Rose, Mr. Wiele, wife and child.

Congress. They are coming in hourly, and from so innediately establish themselve in their winter quarters, that it is impossible to funish an accurate statement. It may be enough to remark that more than balf the House of Representatives must be now in the city. The Southern members usually arrive in a body by the Norfolk Boat on the day previous to the continued the whole of the night, and the greatest extended the whole of the night. the Norfolk Boat on the day previous to the commencement of the session; and we have reason to think that when the election of Speaker shall come think that when the election of Speaker shall come on, there will not be twenty vacant seats. Many of the land we have a session to the land we have been determined not to pay a farmen of Boston have determined not to pay a farmen of the land we have been determined by the land w think that when the election of Speaker shall come on, there will not be twenty vacant seats. Many of the Eastern members have been delayed on the road by the inclemency of the weather, which has rendered it impossible for the Stram Boats in the Sound to make their regular trips with their accustomed speed and regularity. Val. Jour.

Com. BAINBRIDGE .- Among the enquiries which will be made in Congress at the approaching session, the friends of this veteran and distinguished officer will, we presume, ask for information as to the causes of his removal from active service.

LATEST FROM ENGLAND. BALTIMORE. December 2.

per prince real executors, community communities of the 15th, four days later than previous as

extracts from is.
The Reform trid continued to excite the most in.
The Reform trid continued to excite the most in tense interest, and the receipt of the intelligence of its rejection in the House of Lords was in most places followed up by numerously attended incetings, for the purpose of expressing the public sentiment in favour of Reform.
London, Oct. 14.—The Baris supers of Wed-

of the general feeling.

The Lord Mayor having presented the Address, his Majorty returned the following an-

your seyany and selectiment to my person and mas orwight forward on constitutional greaters, and of your confidence in my conattitutional advisers. You may be assured of my sincere desire to uphold and to improve the securities alforded by the Constitution for the

BRITISH HOUSE OF LORDS, October 12. Some business of little importance first occupied

the attention of the House.

Public excitement. - The lord Chancellor I rise to present a petition for Reform from Pe terhand, and am envious to take this opportuniy of stating what I intended to state ast night, n I what I consider it my bounded duty to state in the face of your Lordships and the country. not merely in my judicial authority as the firm Magiste to of the country, but as a memor? h & Mayesty's Government. I wish, I say, b state that one of the mot certain and sured

yesterday from Cowes, brings a Perstament parter of retarding Reform, particularly the per uf the 17th Occober, containing bondon dates of the 17th Company of the 17t copied the attention of the country, is a breach of the public serve. (Hear, hear.) In one word. course. The principes of an estimated complete of all of ors the most calculated to journal frequency confidence of all of ors the most calculated to journal frequency. pard the cause of Reform, is to resort to violent proceedings and the breach of the king's peace. (Here, hear.) Violent proceedings have, in disferent places, unfortunately been resorted to; but he was bound to state that every violation of the public peace in order to display zeal for the accomplishment of the measure, however, it might be intended, was certainly against Parliamentary Reform. The people, naturally, were mestay, and the Messager and Genetic dated yes, terday, arrived in this norming. The attention of the Parisians continues to be deverted from their own parage question by the important events occurring in England. The secept of a Polographic despite by Givernment, an Polographic despite by Givernment, and Polographic despite the first of a Polographic despite by Givernment, and proceed of the short normal traffic. of a Telegraphic destatch by Gavernment, an intermediate the majority on Lord Ebrington's monor medical the majority on the Paris Bourse, on Wedner, which is a fill founded on exactly similar pass—that a bill founded on exactly similar pass—that is bill founded on exactly similar pass—that it is in the bill to succeed. I relit them this majority of a short period; I relit them this majority of a short period; I relit them this majority of the majority of the passes of the determine the funds was the consequence. The determine the find was the consequence. The desermine the finds was the consequence. The the period of the peccage project was resumed in the find which has just been thrown out, shall, in the firm which of Deputies on Wednesday. The impression in Ports was, that the power to the period to the land. (Hear, hear.) I have deem the would be invested in the King, but that the selection must be made from ass of candidates to be presented by the Electoral Colleges.

Private letter brough by this express state the existence of a report that the affairs of Belgium and Holland had been satisfactorily arranged.

I and that it will be received in the spirit in which it was given.

I ord Wharneliffe—I am glad to hear from the Noble and learned Lord this admostion to

result from the Bill prepared by the Ministers. The Earl of Holdington expressed similar senreceive with satisfaction the expression of timents, adding, that when a measure of Reform visit keysity and attachment to my person and was brought forward on constitutional grounds
