The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia  
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia  
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

\* 56 Geo. III. cap. 20.

### Constitution.

1st, The Society consists of a President, Five Vice-Presidents, Three Treasurers, Three Auditors, Twelve Directors, Two Secretaries, a Deputy Secretary, Two Chaplains, and an indefinite number of Members.

2nd, Persons qualified for being proposed Members are Natives of the Highlands of Scotland,—Sons, or Descendants of Highlanders,—Proprietors of Lands in the Highlands,—Individuals who have done signal service to that part of the Kingdom,—Officers of Highland Corps,—and Husbands of Highland Ladies.

3rd, Twenty persons, and no more, may be elected *Honorary* Members, without possessing any of the foregoing qualifications; and Highland Ladies who are Chiefs of their respective Clans, are eligible.

4th, The affairs of the Society are managed by a Committee, consisting of a President, Vice-Presidents, Treasurers, Auditors, Directors, Secretaries, and Deputy-Secretary, for the time being, and of all those Members who have served the Office of President, Vice-President, Treasurer, or Secretary.

5th, All business must be first submitted to, and determined on, by the Committee of Management, their proceedings being afterwards subject to be confirmed or rejected by a General Court.

6th, No Bye-Law, Rule, or Ordinance, can be binding, or have any force or effect, until the same shall have been agreed to at a General Court, and confirmed by the next succeeding General Court, whether Quarterly or Extraordinary (except in the event of the sum to be paid by Members on admission being reduced below the amount of Twelve Guineas, in which case the Resolution must be confirmed by the two next succeeding *regular* General Courts); and the same method must be observed in altering or repealing any such Bye-Law, Rule, or Ordinance.

7th, The Custody of the Common Seal, and the use and application thereof, can only be ordered and disposed of in a General Court.

8th, All Questions at any General Court, or Committee of Management, are to be decided by Vote; and in case of an equality of votes, the President, or Chairman, shall have the Casting Vote, except in the case of the election of Members, as hereafter mentioned.

### General Courts.

1st, A General Court of the Corporation shall be holden four times at least in every year ; that is to say, on the third Saturday in the month of February ; the twenty-first day of March ; the third Saturday in the month of April ; and the third Saturday in the month of May ; and in case the said twenty-first of March should happen to fall on a Sunday or Good Friday, then the said General Court shall be holden on the twenty-second ; and notice of each such General Court shall be given in two of the Public Newspapers, ten days at least before the holding of every such Court.

2nd, Whenever occasion shall require, a Special General Court shall be holden by order of the Committee, or upon the requisition of any Nine of the Members, signified in writing to any one of the Secretaries for the time being, and subscribed by such Members, the like notice thereof being given.

3rd, The President, or in his absence one or more of the Vice-Presidents, Treasurers, or Auditors, with any Seven or more Members of the said Corporation, of

whom Two at the least shall be Directors; or (in the absence of the President, all the Vice-Presidents, Treasurers, and Auditors) any Twenty or more of the Members of the said Corporation, of whom Three at the least shall be Directors, shall compose a General Court.

4th, The Four General Courts directed by the Act of Incorporation to be holden in each year, shall each be followed by a Dinner, which shall be considered a Public Meeting of the Society, and at which Visitors may be admitted. At each of those Meetings, so soon as a sufficient number of Members shall be present, the Court shall be opened, and the Business of the Day, if possible, disposed of before Dinner; but the whole or any part of such Business may, in the discretion of the Meeting, or as convenience shall dictate, be adjourned or deferred; and in the event of any Debate arising when Visitors are present, the President, or Chairman of the Meeting shall, in the exercise of his own discretion, and without any vote or discussion, have a power to adjourn the Question, and to give directions for summoning a Special General Court to decide the same; and all such General Courts (with the exception of that to be holden on the 21st of March) shall be imperatively closed at Eleven o'clock, P. M.

5th, At the General Court holden on the third Saturday in February, there shall be chosen, a President, Five Vice-Presidents, Three Treasurers, Three Auditors, Twelve Directors, Two Secretaries, One Deputy-Secretary, or Accountant, and Two Chaplains, to serve for the space of one year only, to commence from the 21st day of March then next ensuing; and in case any of the Offices aforesaid shall have become vacant by death, resignation or otherwise, another person shall be appointed by the Committee to serve in the place of such Officer, during the remainder of the term for which the person whose office shall have become vacant was chosen, and no longer.

6th, The General Meeting to be holden on the 21st of March in each year, to celebrate the Anniversary of the glorious BATTLE OF ALEXANDRIA, is the established Anniversary Festival of the Society; and the expenses thereof shall be defrayed by issuing Tickets of Admission, at a price to be regulated by the Committee; when the same shall happen to fall on a Sunday, the meeting shall be held on the Monday following.

7th, A Subscription shall be opened in each season, to defray the expense of the Dinners following the three General Courts in the months of April, May, and

February ; the amount of the subscription to be fixed by the Committee of Directors.

8th, At every General Meeting of the Society, each Member may introduce one or more Visitors, paying for his or their Tickets, at the same rate as that fixed for non-subscribing Members ; but no person qualified for being proposed as a Member of the Society, shall be admitted as a Visitor oftener than once in the same year, unless he be a Candidate for admission.

9th, The reception and discussion of all Business being delegated to the Committee of Management ; subject to being reported to, and confirmed or rejected by, the General Court, no Business shall be proposed, discussed, or decided upon, at any General Court, excepting only the confirmation or rejection of the proceedings of the Committee, the Election of Officers, the disposal and application of the Common Seal, and the Proposition and Election of Members.

10th, As the preservation of the Garb of the Ancient Caledonians is one of the original and important objects of the Society, and as the general adoption thereof at Public Meetings would essentially tend to excite and preserve the National Spirit of Highlanders, which has

been so conspicuously and so honourably displayed on all occasions, and in all parts of the world ;—the Twelve Directors, and the Secretaries for the time being, are expected to appear in the Highland Garb at all General Courts ; and it is earnestly recommended to all other Members of the Society, and especially to the President, and other Officers, to assume the distinguishing Garb of Highlanders, at all the Public Meetings of the Corporation.

---

#### Committee of Management.

1st, A Meeting of the Committee of Management, (Five to be a quorum) shall be holden four times at least in every year, viz., on the first Saturday in the months of February, March, April, and May ; and whenever occasion shall require, a Special Meeting shall be holden by order of any General Court, or upon the requisition of the President, or any Two of the Vice-Presidents, or Treasurers, or of any Five Members, signified in writing to any one of the Secretaries, and subscribed by such Officers or Members ; and Notice of each such Meeting shall be given to every Member of the said Committee, five days at least before the holding of any such Meeting.

2nd, At the Annual Election of Officers, Four Members of the Committee of Directors for the preceding year shall be disqualified from being elected Members of the said Committee for the year ensuing; and those Four Members shall be such as, by reference to the Minutes, shall be found to have attended the smallest number of Meetings of the said Committee in the preceding year; and, after the lapse of one year, such Members shall again be eligible, and may be re-elected.

3rd, In order to obtain a regular attendance at the four regular Meetings of the Committee, they shall be followed by a Dinner; and for that purpose a Subscription shall be opened upon the Election of Officers in each year; each of the Twelve Directors shall, upon his Election, pay such amount as may be determined on, towards the expense of such Meetings, in full of all Charges and Demands attending the same; the other Officers of the Society, who are ex officio Members of the Committee, in their, or each of their option, may either subscribe or pay at each Meeting they may attend, such a sum as may be determined upon; and no further charge or expense shall be paid by any Officer of the Society attending the Meetings of the Committee; and all such Meetings shall be imperatively closed at Ten o'clock, P. M.

To avoid the expense of ordering Dinner for a greater number than is necessary, the Members of the Committee are required to intimate their intention of attending or not, by Letter to the Secretary, the day before each Meeting, at the latest; or in default shall pay Five Shillings. Any Member engaging to attend, and not doing so, shall pay Ten Shillings; Dinner to be on Table at Six precisely; and any Gentleman appearing after that hour to be fined Two Shillings and Sixpence. All Fines to be applied towards the general expenses of the Committee Meetings.

---

### **Election of Members.**

1st, Persons desirous of becoming Members of this Society, shall be proposed at one of the General or Special General Courts, or at any Meeting of the Committee, by one Member of the Corporation, and seconded by another, who shall insert in a Book kept for that purpose, the name, qualification, and place of abode of such person, together with their own names; and each of the persons so proposed shall be severally put in nomination at the next ensuing General, or Special

General Court; and the Members then present shall proceed to a Ballot; and such persons shall be declared duly elected as shall appear to be approved of by three parts in four of the Members balloting; and shall, before his admission, pay into the hands of one of the Treasurers of the Society, the sum of Twelve Guineas, as a Life-Subscription.

2nd, In case it shall be the unanimous desire of the Members present at such Election, that the Ballot should be dispensed with, and that the Person then in nomination should be elected a Member of the Society, such person so elected, shall be deemed and taken to have been elected by Ballot, and shall be admitted a Member, on payment of the sum aforesaid.

---

### **Financial Department.**

1st, One-fifth of each future Life-Subscription shall be appropriated to the Hall Fund; the remaining sum to be added to the Permanent Funds of the Society: the Interest of which only shall be applicable to general purposes. Donations in aid of that Fund will be

carried to that separate Account, and registered in the Names of the respective Donors.

2nd, In the beginning of every year, the Treasurers shall produce, for the information of the Society, an Account of the Income and Expenditure of the preceding year, duly audited; an Account of the Life-Subscription collected, the portions thereof added to the Capital, and to the Hall Fund respectively, and the Donations made to the latter as a separate Account, with a General Statement of the Funds of the Corporation.

### The Club.

“The Highland Society Club,” although distinct from the Corporation as an Institution, is so closely allied to it in principle, that the Rules and List of Members of the Club shall be appended to these Regulations for the information of all Members of the Society and of the Branches abroad.

### Establishment of Branches.

1st, For more effectually promoting the objects of the Society, and that the Natives of Scotland in general, and of the Highlands in particular, and those connected with Scotland by alliance, friendship, or otherwise, may cultivate an attachment to each other, and to their Parent Land, wherever they may happen to reside; Branches of the Society may be established in any of the British Settlements, and in any Foreign Country, where any number of Scotchmen are settled, by Commissions subscribed by the President and Secretary, and addressed to those who are the most likely to take a pride and pleasure in being connected with this Society, authorizing them to form such Branches, and to constitute them on principles the best calculated to promote its objects, under the peculiar circumstances of each place.

2nd, To every such Branch, an Account of the Origin and Progress of the Society, the objects for which it was constituted, and the Rules by which it is governed will be transmitted, with such other information or

papers as may, from time to time, be circulated among the Members.

3rd, Gentlemen admitted into the several Branches Abroad, on subscribing to the Rules, and contributing at once to the Fund of the Parent Society, the full Subscription of Twelve Guineas each, or Six Guineas Abroad, and Six Guineas additional on their arrival in London, shall become Members of the Society in London, and receive a Diploma accordingly.

# HIGHLAND SOCIETY OF CANADA,

INSTITUTED 10TH NOVEMBER, 1818,

*By virtue of a Commission from the High'land Society of London.*

## The Objects.

Preserving the Martial Spirit, Language, Dress, Music, and  
Antiquities of the Ancient Caledonians;

Rescuing from Oblivion the valuable Remains of Celtic  
Literature;

The Establishment and Support of Schools in the High-  
lands of Scotland, and in other parts of the British  
Empire;

Relieving Distressed Highlanders, at a distance from their  
Native Homes; and

Promoting the Improvement and General Welfare of the  
Northern Parts of the Kingdom, and of the Highland settle-  
ments in Canada.

### Constitution of the Society.

1st.—The Governor-General of British North America, for the time being, to be respectfully requested to become Chief.

2nd. — The Society to consist of a President, three Vice-Presidents, one Treasurer, two Auditors, twelve Directors, one Secretary, and an indefinite number of Members.

3rd.—Persons eligible to be proposed Members of the Society shall be Highlanders and their descendants; individuals who have rendered essential service to Highlanders; Officers of Highland Corps, Regular or Militia, and Husbands of Highland Ladies.

4th.—Twelve persons, and no more, may be elected Honorary Members, without possessing any of the qualifications mentioned in the foregoing rule.

5th.—The affairs of the Society to be managed by a Committee, consisting of the President, Treasurer, Auditors, Directors, and Secretary, for the time being,

three of whom shall form a quorum for the transaction of business.

6th.--All business proposed for the consideration of the Society, shall first be discussed and determined on by the Committee of Management, which shall always meet previous to any General Court; but whose proceedings must be approved of by the next General Court before they shall be binding, or have effect.

7th. — All questions upon the proceedings of the Society, at any General Court or Committee of Management, shall be decided by vote; and in case of an equality of votes, the President, or Chairman, to have the casting vote, save and except in the election of Members, as hereafter mentioned.

---

### General Courts.

1st.—A General Court of the Society shall be holden at least three times a year; that is to say, on the third Monday in December; on the second Wednesday in January, and on the eighteenth day of June; and in case the eighteenth day of June should fall upon

a Sunday, then, and in that case, it shall be holden on the nineteenth, the day immediately following.

2d.—When occasion shall require, a Special General Court may be holden by order of a majority of the Committee; or upon the written requisition of any five Members of the Society, addressed to any of the Office-Bearers or Directors, giving five days' notice of such meeting; but a General Court convened on any notice, shall be considered a regular Court of the Society.

3rd.—The President, one or more Vice Presidents, the Treasurer, Secretary, with six members, or, in the absence of the President, Vice Presidents, Treasurer, and Secretary,—eight members, one of whom shall be a Director, shall form a General Court.

4th.—The President, Vice Presidents, Treasurer, Auditors, Directors, and Secretary, shall be elected annually at the General Court on the third Monday in December, and they shall continue in office until the third Monday in December following, inclusive.

5th.—The General Court to be holden on the 18th of June in each year, being intended to celebrate the Anniversary of the glorious battle of Waterloo,

shall be considered the Anniversary festival of the Society: and the expenses thereof shall be defrayed by issuing tickets of admission at a price not to exceed Fifteen Shillings.

6th.—Every Member residing within the Eastern District who does not intend to be present at the Anniversary festival on the eighteenth day of June, shall signify such his intention to the Secretary, and enclose his annual subscription, post paid, or by private conveyance, at least a fortnight before that day; and thus save the expense of ordering dinner for a greater number than is necessary; otherwise he shall be subject to pay a fine of Five Shillings, as the Committee, taking it for granted that he intends to be present, will order dinner for him.

7th.—The General Court to be holden on the second Wednesday in January, shall be followed by the Annual Ball, the expenses of which are to be defrayed in like manner as above.

8th.—As the general adoption of the Garb of the ancient Caledonians, at the General Courts of the Society, would tend to excite and preserve the national spirit of Highlanders, which has been so conspicuously and honourably displayed in all parts of the world; it is

earnestly recommended to all Members, to whom it may be convenient, to appear at the several General Courts of the Society in the Highland Dress; and all Members of the Society are directed to wear a plaid of whatever Tartan they may please, at every General Court.

---

#### Election of Members.

1st.—Persons desirous of becoming Members of the Society, shall be proposed at one of the General Courts of the same, and elected by a ballot; and such person shall be excluded as shall appear to have had three black balls placed against his name.

2nd.—All Members of the Parent Society shall, on their arrival in Canada, (if they desire it,) be considered Members of this Branch during their residence in Canada, paying the annual subscription of Five Shillings.

3rd.—In case it shall be the unanimous desire of the Members present, at any election of Members, that the ballot should be dispensed with, and that the person

then in nomination should be elected a Member of the Society, such person so elected, shall be deemed and taken to have been elected by ballot, and shall be admitted a Member.

---

### *Financial Department.*

1st.—Every Member shall pay a yearly subscription of Five Shillings, or in lieu thereof a life-subscription of Three Pounds, and every Member on his admission shall pay the sum of Five Shillings as an entrance fee.

2nd.—The interest only of the Life-Subscriptions shall be applicable to the purposes of the Society.

3rd.—The Auditors are to receive and audit all Accounts, and to give orders for the payment of such as they approve of, on the Treasurer, who shall pay them in the order in which they are presented; they are likewise to examine the Treasurer's Books at least once in every year.

4th.—There shall be three Solicitors to the Society, who shall reside within the Eastern District.

### **Establishment of Branches.**

For more effectually promoting the objects of the Society, and that Highlanders and their descendants, and those connected with Scotland by alliance, friendship, or otherwise, may cultivate an attachment to each other and to their Parent land, wherever they may happen to reside; Branches of the Society shall be established wherever any number of Scotchmen are settled in Canada, by directions to those who are most likely to take a pride and pleasure in being connected with this Society, authorizing them to form such Branches, at the head of which they shall be placed by this Society as Vice Presidents, and to constitute them on principles the best calculated to promote the objects of the Society, under the peculiar circumstances of each place.

---

### **Reports.**

All proceedings of this Society to be reported regularly to the Parent Society.
