ion on the 18th of March instatit.

id, a determination in shet body, to by the tariff on the

lous fredomy.-Among the favorable changes that ent sections of our rapidly spreading city, hone are more wident thin the improve-ments, which, within the last eighteen months, have sprung ow the railroad. The lethargy that had so long been hype-word for this section of the city, has at length been aken off; intelligence and enterprize have taken possession of the pleasure mardens, and turned them into maris for stores erected—and wharves built, with a repidity possible to the cities of the west only. The friends of the regard prespects of the city trainificant this spirit of enterrise will not be unstrung; and we feel that it offinet, while he advantages of a broad and liberal competition are daig more apparent. The increase, in the value of reporty within the precincts of the improvements, will indice the hillierte apathetick, to give up to commerce the villas and gardens, no longer fitted for the seclusion of rethe very dust that flies from the neighboring streets, will sicken their skrubbery, and the bustle of busi-

new Orienne building company, besides nonly enterprising individuals, are now busy in the same cause. As a convicating proof of the successful efforts of the former, we publish a report, printed by order of the board of directors, in a case in the value of the press property can be board of size of the successful efforts of the successful efforts of the successful efforts of the stockholders. The great increase in the value of the press property can be board of size of the proof. The Jumaica Control press is a country residence when purchased. But destablishing the cutton press, building stockholders, making convenient the cutton press, building stockholders, with one of two providents. Since the date of the report, the subscription board in the proof of the press, have produced these processes are subscribed for, by the original stockholders, with one or two published reports of the tests and section of the sact, and in the prospections. The capital of the company is new one milling the company, addressed to the facilitation of business, send of Directors of the Leves fitsem Cotten press.

EEPOUT

Of the Beard of Directors of the Leves fitsem Cotten Press that stock of the coupany has been self at rates, far from the stance can only be arrived to the subscribed for the coupany has been self at rates, far from the stance on any local control of the coupany has been self at rates, far from the stance of the protein the property of the self-coupany produced the protein the section of this act, and in the protein the public peace, a proclamation in delegant profess with the elibes proclamation in the profession of the protein the public peace, a proclamation in delegant profess with the elibes proclamation in the profession of the protein the public peace, a proclamation in delegant profess with the elibes proclamation in the profession of the section of this act, and in the profession of the protein the profession of the protein the profession, and to prove to bring the officers under the prover to bring the off pally to produce this change; and we understand that the me building company, besides many enterprizing

stance can only be attributed to the want of information on the part of the stockholders, they have thought proper for the litterest of the stockholders, and in justice to the institu-tion, to applient certain disinterested persons, not stockhold-ers, and easywing the highest consideration of their fellow-citions, to value the property belonging to the company. The decements, which are the result of the attention gi-ves to this important subject, by the said appraisers, and certified before a magistrate, afferd to the beard a pleasure, which he doubt will be equally felt by the stockholder, since it permits to lay before thous, a spatement showing a

genus pitch.

A singular animal was seen to day in one of the senator's seets. After reconnecting him to some time through special sees, speciales, and pocket telescopes, he was discovered to be the late minister to Russia—John Rambelph; of Ramble. How he gat into the seet no one could divine:

b. t. there he sat, looking more like a being of another world then of the seet no one. In a there are and, nothing more little a being of another world than of this, or at any rate botter fitted for some other than for this. He was som very near to Mr. Calhoun—or rati-ir, Mr. Calhoun was seen very near to him, and when the Rossnike mondazipt approached the ear of the southorn senator with his lips, there were some who, remembering the hatrier which he had home to the senator, trembled less the should usual the reserved nights of the honorable senator by lating of his set. No outrage many er, was perpetrated, and while people were calculating the chances, the animal disapptared as suddenly and strangely, as he carries

Mission to France.—It has been for some time a settled point of public belief (says the New York American,) that point of public belief (says the New Xork American, Manual the Secretary of State, Mr. Livingston, was to be the successor of Mr. Rivos at the Court of France. It seems that the Transaction of the Secretary of State, State of Secretary minister is to be sent, and that Luaver Harris, long Cor sul-General at St. Petersburg, has been nominated to th Sounte as Charge d'Affain to France.

Pennsylvania Lean.—The Secretary of the common-wealth of Pennsylvania, has issued proposals for a loan of \$2,661,044, for internal improvement purposes. The inte-rest on the loan to be paid half yearly, and the principal to be reimbursed any time after the year 1858. Proposals to be received at his effice, at Harrisburg, until the 28th of Maych.

all Theatrical Church and Aghting Purson.—In a neighboring church in S. Carolina their preacher secently, on a Sabbath day too, told his congregation, the was preaching politics not eligical that he would rather come down from the sacred place, where he was standing, and fight with them [is the cause of nullification] than dispense the bread of everlasting life. His audience clapped their hands, stampe of and shouted as in a theatre.—Georgia Courier.
