FALL TRADE CATALOGUE

OF

BULBS, SEEDS AND

Florists' Supplies.

E. H. HUNT, 

79 Lake St., Chicago.

To Our Customers.....

WE desire to express our appreciation of the patronage bestowed upon us in the past. We shall endeavor to merit a continuance of the same, if PROMPT SERVICE, CAREFUL ATTENTION and FAIR TREATMENT has anything to do with it.

OUR stock of general FLORISTS' SUPPLIES is larger than ever before and is being added to continually, so that we are better prepared than ever before to fill your orders promptly with satisfactory stock.

OUR supply of FALL BULBS of our own importation from reliable growers, has been selected with special reference to the requirements of the Florists' Trade and great care has been taken to secure BEST QUALITY bulbs.

WE desire to call special attention to our strain of PANSY SEED new crop seed of which is now ready. As our seed last season was so very satisfactory, and we have every reason to believe that our present stock is equally as good, we think we can safely say that any one failing to try a package of our PANSY SEED, is missing a good thing.

OUR largely increased WHOLESALE CUT FLOWER business still has our constant and careful attention. Our supply during the coming season will be larger than ever, and judging from the success that has attended us in this department, it will be needed to meet the growing demand for Flowers of a house that sends out GOOD STOCK, WELL PACKED and SHIPPED ON TIME.

TERMS. All Cut Flower business is **Strictly Cash**. Bills in this department unpaid at first of the month are subject to sight draft after 10 days. On all goods in this list—to customers of approved credit, 30 days, net. Discount of 3 per cent. for cash in 10 days.

UNKNOWN correspondents will please send cash with their order; also references that future orders may have prompt attention.

PANSY.

Our strain of Pansy Seed is second to none. In every instance, so far as we know, the seed sent out by us last season was in every way satisfactory. We are selling to the same Florists' this season that bought of us last, which we would hardly be doing had our stock been unsatisfactory. We have not had time to manufacture any high sounding names for our mixtures yet, we may sometime, but the quality will not be improved thereby.

KEENAN'S IMPROVED FLORIST'S LETTER.

Fastener open for Use.

WE ARE CHICAGO AGENTS FOR THE KEENAN LETTER.

Fastener Closed for Shipping.

This Improved Letter is the neatest and most practical letter on the market, as well as the most durable, there being Absolutely no breakage. They are made of Chenille tightly wound on a metal frame, making a handsome and durable letter.

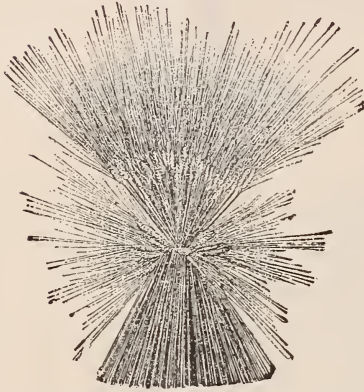

The most important feature is the fastener which is bent close to frame when not in use, for convenience in handling. It is easily bent out when wanted for use, and insures a perfectly secure letter which is adjusted to design in a moment.

The Universal Lawn Keeper.

Its use accomplishes more in one hour in keeping lawns free from weeds, than can be accomplished in a day by any other means. Made of one piece of Steel (casting), heavily tinned. When using hold the blade in a perpendicular position. Push it down beside the root, turn it half way around and withdraw, when the blade will contain the root with all its fibrous shoots, as shown in cut. Never sharpen any part but the end.

Each, 30c

The Champion Weeding Hook.

The best and the Cheapest.

Patented Dec. 10, 1891.

Made of one piece of best malleable iron, heavily tinned. No wooden handle to get loose after being wet. Always clean. Fits the hand. Indestructible.

Each, 10c.

∴ Wholesale Cut Flowers ∴

This department of our business is an important one, both to ourselves and to those needing flowers on short notice; and while we sometimes make mistakes, and can not always fill our orders, yet our list of customers is steadily increasing, and those who have tried us once, come again and keep calling on us. No better testimonial to our conduct of this part of our business do we need.

INSTRUCTIONS TO CUT FLOWER BUYERS.—READ THEM.

It is never necessary to use the words "send" or "express" in a telegram, as that is understood. The words "one," "two," "three," etc., can be used to represent hundreds, and "quarter" to mean twenty-five, or quarter of a hundred.

When possible, give leaving time **AT CHICAGO** of train on which flowers are wanted, giving the even hour without the fraction—for instance, if train leaves at 5:10 or 5:45, use simply "five."

In using our code, word your telegrams so they can be construed but one way. For instance, **DO NOT** write it this way: Eight hundred carnations, etc., as we would not know whether you wanted 800 carnations or only 100 sent on 8 o'clock train.

FLORAL DESIGNS filled to order for the trade on **SHORT NOTICE**. If customers telegraph the price in ordering floral designs we shall understand it to be the retail rate [unless otherwise stated], from which we allow a discount of 25 to 35 per cent.

TELEGRAPH CODE FOR FLOWERS.

We answer telegrams at purchaser's expense in all cases when we cannot fill the order, unless instructed to the contrary. See our code words for such cases.

Assume.—Do not answer if cannot fill order.

Abrogate.—In case you cannot fill order telegraph at once.

Anticipate.—Answer at once, stating whether you can or cannot fill order.

Ambition.—If you can only partially fill order, do so, and reply, stating what.

Admiral.—Order must be sent on train mentioned only.

Adjacent.—If cannot send on train mentioned, next one will do.

Affable.—Send prepaid by baggage master, if no express messenger on train.

Decorate.—If cannot send all on train mentioned, send all you can, and send balance on next train.

Admission.—This order is a substitute for my regular order.

Dancing.—If cannot fill exactly as specified, you may substitute according to your best judgment.

Ancestor.—This order is an addition to my regular order.

Durable.—These flowers are for funeral purposes, and colored flowers must not be substituted for white.

Affection.—Fill if possible, even at extra expense.

Fabricate.—Flowers ordered are to be reshipped to a distance, therefore buds must be cut specially close

Fortunate.—Select extra stock, and charge accordingly.

Devotion.—For cheap work, and can use second-class flowers if at reduced price.

Forgery.—This order countermands all previous orders.

Formation.—Add these items to the order which you already have, but in case first order is already shipped, cancel this addition.

Flamingo.—We are in a bad pinch; send us **SOMETHING** to help us out, even if of poor quality.

Flocking.—Have sent mail order; if not yet received, send following at once, and cancel mail order when received.

Foraging.—This order includes all items previously ordered and wanted for this date.

Superior.—Can use something especially fine, and am willing to pay accordingly.

Skip.—If you are out, buy for us, but only stock you know is O. K.

Skirmish.—If you are out, buy, if in Chicago. Get the best you can; we accept risk of getting "pickled" stock.

The Following Code Words We Use In Answering Orders. Space Left Blank To Be Filled In With Leaving Time of Train.

Fundamental.—Stock named in this telegram has been sent, and the balance, unless countermanded immediately by telegram, will be sent on _____

Opportunity.—Will ship order as we understand, leaving here _____

Actuate.—Cannot fill your order for train mentioned, but if not immediately countermanded by telegram will send _____
