Decisions of Interstate Commerce Commission, advance sheets. [Issued irregularly.] Subscription for the unbound sheets of one volume, \$1.50; foreign subscription, unbound, \$2.00; single copies, vary in price, but are usually 5¢ a copy.

These advance sheets are issued in six different series, as soon as rendered, for the convenience of those interested do not wish to wait until the completion of the volume before learning the decisions of the Commission. The series referred to are the finance decisions covering financial affairs of railroads, traffic decisions covering rates of various railroads, valuation decisions covering the valuation of physical property of various railroads, finance decisions of Motor Carrier Division covering financial affairs of motor carriers, traffic decisions of Motor Carrier Division covering rates of various motor carriers, and traffic decisions covering rates of various water carriers. In ordering a volume, either the advance sheets or the bound edition, be sure to specify whether you want railroad, finance, traffic, or valuation, motor carrier, finance or traffic, or water carrier, traffic. Single copies may be ordered by quoting the opinion number.

STATE OF NORTH DAKOTA

PUBLIC ADMINISTRATION

STATE DEPARTMENT OF HEALTH

23-0101. State Department of Health: Officers. The state department of health shall consist of a public health advisory council, a state health officer, directors of divisions, and the other employees of the department.

Source: R.C. 1895, s. 240; R.C. 1899, s. 240; R.C. 1905, s. 252; C.L. 1913, s. 397, am'd. S.L. 1923, c. 227, s. 1; 1925 Supp., s. 396d1, am'd. S.L. 1933, c. 189, s. 1.

23-0102. Public Health Advisory Council: Members; Terms of Office; Vacancies; Compensation; Officers; Meetings. The public health advisory council shall consist of the superintendent of public instruction, the attorney general, and three persons appointed by the governor. One of the appointive members shall be a woman, one shall be a physician who is a graduate of a regular medical school of class A standing, and one shall be a dentist who is a graduate of a regular dental school of class A standing. The term of office of each appointive member shall be six years, and the terms shall be so arranged that the term of one appointee, and of only one, shall expire on the first day of July in each odd numbered year. A person appointed to fill a vacancy arising before the expiration of a term of the council shall receive only their actual and necessary traveling expenses when engaged in the discharge of their official duties. The council shall choose one of its number as president, who shall serve for two years, and one of its number as secretary. The council shall meet in January and June of each year and at such other times as the council or its president may direct.

23-0103. Powers and Duties of the Public Health Advisory Council. The public health advisory council shall:

1. Fix, subject to the provisions of section 23-0102, the time and place of the meetings of the council;
2. Make rules and regulations for the government of the council and its officers and meetings;
3. Make and enforce all rules and regulations which may be required for the prevention, control, and cure of contagious, infectious, and malarial diseases or which may be required to carry out any of the provisions of this title.

4. Advise the state health officer and the directors of divisions in all matters pertaining to public health work and to the work of the various divisions of the state department of health;
5. Establish quarantines and isolate any person affected with any contagious or infectious disease;
6. Quarantine and isolate any animal necessary to protect the public health and notify the executive officer of the state livestock sanitary board to investigate the situation when the slaughtering of any such animal may be required;
7. Remove, or cause to be removed, any dead, decaying, or putrid body, or any decayed, putrid, or other substance which may endanger the public health;
8. Investigate complaints relating to the sale of, and condemn and cause to be destroyed, any impure or diseased article of food, and notify the state laboratories department of all such complaints;
9. Superintend the several boards of health in the counties, cities, villages, and town ships of this state; and
10. Make such rules and regulations, not inconsistent with the provisions of this title, as it may deem necessary to govern the preparation of dead bodies for burial or for transportation, to govern the burial where death was caused by an infectious or contagious disease, and to specify what classes of dead bodies may be transported and to govern the manner of such transportation.

The council may direct the state health officer to do or cause to be done, any or all of the things which may be required in the proper performance of the various duties placed upon the state department of health.

23-0307. Powers and Duties of County Superintendent of Public Health. The County superintendent of public health shall:

1. Exercise the powers of the county board of health under the supervision of such board, and of the state department of health throughout the county outside of the corporate limits of cities;
2. Supervise the village and township boards of health within his county;
3. Furnish, at the expense of the county board of health, to the clerk of each village and township and to each physician within his jurisdiction, proper blanks for reporting to him all contagious and infectious diseases, and he shall instruct such persons in the proper method of making the reports.
4. Execute by agents appointed by him the duties of any village or township board of health in his county which neglects or refuses to perform its duties or to execute the rules, order, or regulations of the county board of health;
5. Make sanitary inspections of such places as he deems advisable when he believes there is a probability that a dangerous disease exists within his jurisdiction, and take such action as he may deem necessary for the protection of the public health;
6. Send out circulars, if he deems the same necessary, permitting the use of the long distance telephone at the expense of the county board of health in cases of emergency;
7. Investigate, subject to the supervisory control of the state department of health, public water and ice supplies which are suspected of being infected, and cause them to be condemned when he finds it necessary;
8. Investigate public milk supplies, whenever he deems such investigation to be necessary, and prohibit the sale of unwholesome milk and dairy products;
9. Stop shipment of spoiled or unwholesome meat, the slaughtering of diseased animals, and the subsequent sale of the meat thereof;
10. Enforce cleanliness in schools, and inspect overcrowded, poorly ventilated, and insanitary schoolhouses and, when necessary, report cases of insanitary or unsafe school buildings to

POWERS AND DUTIES OF LOCAL BOARDS OF HEALTH

23-0501. Powers and Duties of the Local Board of Health. The county, city, township, and village boards of health shall be known as local boards of health, and each board shall have the following powers and duties within its jurisdiction:

1. To employ such persons as may be necessary to carry into effect the regulations established by it and the provisions of this title;
2. To inquire into all nuisances, sources of filth, and causes of sickness, and make such regulations regarding the same as are necessary for the public health and safety, but the regulations of the township board of health shall be temporary, and such board, immediately upon taking such action, shall report the same to the county superintendent of public health, who shall give the board specific instructions or take such action as he deems necessary for the protection of public health;
3. To adopt such quarantine and sanitary measures as are necessary when an infectious or contagious disease exists in its jurisdiction;
4. To provide such necessities of life as in its judgment shall be needed for the maintenance, welfare, and comfort of persons afflicted with contagious and infectious diseases;
5. To enter into and examine at any time all buildings, lots, and places of any description within its jurisdiction for the purpose of ascertaining the conditions thereof insofar as public health may be affected; and
6. To make such rules and regulations as are necessary and proper for the preservation of public health and safety.

23-0502. County Board of Health; Additional Powers. The county board of health, subject to the supervisory control of the state department of health and the state health officer, shall have the following additional powers within the county, and outside of the corporate limits of any city:

PUBLIC HEALTH LAWS

15

1. To supervise all matters relating to the preservation of the life and health of the people of the county, including the supervision of public water supplies and sewerage systems;
2. To isolate, kill, or remove any animal affected with a contagious or infectious disease when such animal is a menace to the health of human beings; and
3. To make and enforce orders in local matters when an emergency exists, or when the local board of health has neglected or refused to act with promptness or efficiency, or when the local board has not been established.

23-0504. Abatement and Removal of Nuisance, Source of Filth, and Cause of Sickness; Costs Charged Against Property. When it is necessary for the protection of the public health to abate or remove any nuisance, source of filth, or cause of sickness found on private property, the local board of health shall cause a notice to be served on the owner or occupant thereof requiring him to remove the same at his own expense within a reasonable time, not to exceed twenty-four hours. If the owner or occupant refuses or neglects to comply with such notice or if the nuisance, source of filth, or cause of sickness exists on the property of nonresident owners or upon property the owners of which cannot be found, the board of health shall cause the nuisance, source of filth, or cause of sickness to be removed or destroyed under its direction, at the expense of the county, city, village, or township, as the case may be, but such expense shall be charged against the lots, pieces, or parcels of land upon which the work was done.

23-0505. Assessment of Costs for Removal of Nuisance Against Property: How Made. In a city the cost of the removal or destruction of a nuisance, source of filth, or cause of sickness by the local board of health shall be assessed against the property by the city engineer, or, in a city having no city engineer, by the street commissioner, who shall return the assessment and file it in the office of the city auditor. The city auditor shall cause the amount of the assessment, together with a notice of the time when and place where the governing body will meet to consider the approval thereof, to be published in one issue of the official newspaper of the city at least ten days prior to the meeting of the governing body at which the approval of the assessment will be considered. In a village, town-

23-0507. Expenses of Local Boards of Health: How Audited and Paid. Expenses incurred by a local board of health in carrying into effect the provisions of this title and in providing for the care and maintenance of persons afflicted with contagious and infectious disease shall be audited and allowed by the board incurring the same and certified for payment in the manner following:

1. In the case of a township or village board of health, such expenses shall be certified to the township or village clerk and by him paid out of the general fund of the township or village, as the case may be; and
2. In the case of a county or city board of health or of a health commissioner, such expenses shall be certified to the governing body of the county or city for payment out of the general fund of the county or city, as the case may be, in the same manner as other expenses against the same are paid.

of the local board of health to the county auditor. The statement shall contain the date upon which the claim was allowed, to whom it was allowed, for what purpose it was allowed, and the amount allowed, and an itemized statement of the expenses incurred. Upon receipt of the statement, the county auditor shall refer the same to the county board of health, and if approved by the county board of health, the county auditor shall issue his warrant upon the county treasurer, payable out of the general fund of the county, for the amount allowed by such township, village, or city. The warrant shall be made payable to the treasurer of the township, village, or city, as the case may be.

23-0706. Contagious or Infectious Diseases: Power of Local Board of Health to Quarantine. Whenever it shall come to the knowledge of a local board of health that a case of a contagious or infectious disease exists within its jurisdiction, the board immediately shall examine the facts of the case and adopt such quarantine and sanitary measures as in its judgment tend to prevent the spread of such disease. The board immediately may cause any person infected with such disease to be removed to a separate house if, in the opinion of the health officer or county superintendent of public health, such person can be removed without danger to his health. If the infected person cannot be removed without danger to his health, the local board shall make such quarantine regulations as it deems proper with reference to the house within which such infected person is, and may cause the persons in the neighborhood to be removed, and may take such other measures as it deems necessary for the safety of the inhabitants within its jurisdiction.

23-0707. Venereal Diseases: Additional Powers and Duties of Health Officers. The state health officer, and each county and city health officer within his jurisdiction, when necessary for the protection of public health, shall:

1. Make examination of any person reasonably suspected of being infected with venereal disease and detain such person until the results of the examination are known;
2. Require any person infected with venereal disease to report for treatment to a reputable physician and to continue such treatment until he is cured or to submit to treatment provided at public expense until he is cured;
3. Investigate sources of infection of venereal disease; and
4. Cooperate with the proper officials whose duty it is to enforce laws directed against prostitution, and otherwise to use every proper means for the repression of prostitution.
