APPLICATION

Miyo Ueda

February 5, 1948.

To: The Hon. Tetsu Katayama
Prime Minister.

Sir:

Our company, Nihon Kogyo K.K.(Japan Mining Co., Ltd.) was designated as an affliated concern with Nissan Zaibatsu in compliance with the Law No.2 to Eliminate the Controlling Influence of Zaibatsu Families promulgated on January 7, 1948 and with the procedure Provisions of the Directive No.7 of the same Law promulgated by General Affair Board on the same date. Consequently I have come under the law as an officer of the Zaibatsu company concerned.

I hereby submit this application for your kind approval in accordance with Article 6 of the Law that I am not an officer of the Zaibatsu company concerned according to the reason stated in the separate sheets.

Reference of Application

February 5, 1948

To: The Hon. Tetsu Katayama,
Prime Minister

Sir:

I have been serving just as an engineer since I entered Kanto Acid & Soda Co.,Ltd. in Oct. 1912 after I graduated from the Applied Chemistry course of Tokyo Higher Engineering School in July 1909. In my career as an engineer I was elected as a director of Formosan Chemical Industrial Co.,Ltd. in may 1937 and then was promoted to a representative director of the same company in April 1938 and in November 1942 I was assumed a representative director of Korean Nissan Chemical Industrial Co., Ltd. My above-mentioned assumption ~~of~~ or election was never made as an affiliated membership with the Zaibatsu but just as an engineer simply because I devoted myself to the management in the technical phase of the company. I shall describe the reasons why I am not an affiliated member with the Zaibatsu as follows and hope you will realize this matter with your special consideration.

1. As to Article 6, Item 1, Paragraph 1 of the Law,

Formosan Chemical Industrial Co.,Ltd. was established for the purpose of manufacture of ammonium sulphate making use of natural gas sprung out of petroleum-wells which Nippon Mining Co.,Ltd. possessed at Shinchiku in Formosa.

At first all of the share-cirtificates of the company were owned by Nippon Chemical Industrial Co. (later Nissan Chemical Industrial Co.) and Nippon Mining Co. but afterwards they were transfered to Nissan Chemical Industrial Co. But the Formosan Chemical Industrial Co. had never received any controlling influence from them in the view points of its business and the history of the company.

The company was intended to be managed by its original plans independent from the business of Nippon Mining Co. and Nissan Chemical Industrial Co. But unfortunately the company could not receive a permission for bill of exchange and therefore could;not buy any machneries from foreign countries. Consequently the business remained merely in the process of plan, ~~and~~ not coming into effect until the termination of the war.

On the other hand, Korean Nissan Chemical Industrial Co., Ltd. was established to contribute to rice production in Korea because there was no superphosphate fertilizer plant in Korea in spite of its importance to her. Although the stocks of the company were owned by Nissan Chemical Industrial Co. and Nippon Mining Co., the company was managed by itself independent from the controlling influence both of Nissan Chemical Industrial Co. and Nippon Mining Co. The company offered its effort to the development of Korean agriculture rather in coperation with Korean Government.

2. As to Article 6, Item 1, Paragraph 2, the reason that I was appointed an officer of Formosan Chemical Industrial Co. and Korean Chemical Industrial Co. was only because I was an engineer, as I mentioned before. In Formosan Chemical Industrial Co., I engaged in the business of purchase of machineries and in Korean Chemical Industrial Co., I engaged in instruction of techniques. During the period through out of my service to these two companies my duties were limited so much that it may fairly be said that I did not touch the management of whole company, personnel affairs and finance affairs.

Yours faithfully

Application

February 5th, 1948.

To Mr. Tetsu Katayama,
Prime Minister.

Address: No. 145, 4-chome, Fukazawa-cho
Setagaya-ku, Tokyo Metropolis.

Applicant:

M. Ogasawara

Mitsukatsu Ogasawara

I respectfully submit this application, with the Reason for Application, its Appendices and the Questionnaire attached, pursuant to the provisions of Article 6, Paragraph 1, Item 2, and Article 7, Paragraph 1 of the Law for Termination of the Zaibatsu Family Control, and wish to be acknowledged that I am not a member of the Board with a Zaibatsu influence as defined in the Law.

Reason for Application

I was elected Director of the Mitsubishi Bank, Ltd. on October 30th, 1945 and was in the office until October 8th, 1946, the date when the Mitsubishi Company, Ltd. transferred the holding stocks of the Mitsubishi Bank, Ltd. to the Holding Company Liquidation Commission. I submit this request pursuant to the provisions of Article 6 and 7 of the Law for Termination of the Zaibatsu Family Control and wish to be acknowledged, by the following reasons, that I am not a member of the Board with Zaibatsu influence as defined in Article 3 of the said Law.

I. Reason for application pursuant to Article 6, Paragraph 1, Item 2.

a) Circumstances under which I assumed the position of a Director.

I entered the Mitsubishi Bank, Ltd. in 1921 and was promoted to Manager of the Head Office Business department in May, 1945. After the war was over, the main officials during the war and the officials representing the Mitsubishi interests resigned in accordance with the policy to eliminate the Zaibatsu influence, and to fill up the vacancy, I was selected as a Director of the Bank at the Fifty-Third Shareholders' Regular Meeting held on October 30th 1945 while retaining the post of Manager of the Head Office Business Department. At the Meeting, the Mitsubishi Zaibatsu families did not exercise their voting rights, while the Mitsubishi Company had entrusted the Bank with their rights, did not participate in the decisions of the Meeting, and left the decisions entirely to the discretion of the Bank.

By that time the policy of eliminating the Zaibatsu influence had already been clarified, and the decision had already been made that the Mitsubishi Zaibatsu families and the officials appointed by the Mitsubishi Company to represent the Zaibatsu interests should resign their respective posts and that the Mitsubishi Company would modify its Articles of Association and abandon the controlling power of the affiliates. Furthermore, the arrangement of the Mitsubishi Company to recommend the officials of its affiliates had been discarded and I did not obtain any recommendation or approval from either the Mitsubishi Zaibatsu families or the Mitsubishi Company when assuming the post of a Director. (Please refer Appendix I and II)

b) My actual functions as a Director.

The Director of the Mitsubishi Bank, Ltd. attends the Meeting of the Board of Directors but has no power to represent the Bank, nor is his authority expanded

merely because he was elected Director. For example, the maximum limit of a credit loan per account under the discretion of Manager of the Head Office Business Department was fixed at the small sum of ¥150,000-, regardless of the fact that the Manager in charge be a Director or not.

Until April 30th, 1946, when I was elected Managing Director, my duty had thus been that of an employee as Manager of the Head Office Business Department. My authority was very limited as mentioned above and I worked entirely by order of the President and Managing Directors when executing the important business matters. (Please refer Appendix III-V)

When I assumed the post of a Managing Director on April 30th, 1946, due steps had began to be taken to eliminate the Zaibatsu influence and, under the circumstances, it was unthinkable and practically impossible that I would pay special attention for protecting the Zaibatsu interests.

It should be mentioned, in this connection, that the Mitsubishi Bank, Ltd. amalgamated the One Hundredth Bank, Ltd. on April 1st, 1943, and started as a new Bank with a sole object of carrying through the mission to serve the people as a purely public financial institution. (Please refer Appendix VI)

II. Reason for application pursuant to Article 7, Paragraph 1.

1) I have no family relationship whatsoever with the Mitsubishi Zaibatsu or with persons on the same family register with them.

2) No arrangement existed that the previous approval be obtained from the Mitsubishi Zaibatsu of the Mitsubishi Company regarding assumption of the position of a director, and in fact I did not obtain any sort of approval. (Please refer Appendix I, II)

The Mitsubishi Zaibatsu had not been concerned with their employees' assumption of office as officials, and their policy was to have the Mitsubishi Company participate in the selection. The actual practice, however, was that the President of the Mitsubishi Company recommended only the Presidents of its affiliates and the election of other officials was left to the decisions of the respective companies. And this arrangement itself was abandoned on September 2nd, 1945.

Furthermore, by October 30th, 1945, when I assumed the post of a Director, the policy to eliminate the Zaibatsu influence in our country had been clarified by the post-surrender policy and other memorandums of SCAP, and it was decided that all the Mitsubishi Zaibatsu families and the officials of the Mitsubishi Company who represented the Mitsubishi interests would resign their respective posts in the Mitsubishi Company,

its affiliated and associate companies, and that the Mitsubishi Company would give up the control of its affiliates, modifying its Articles of Association. Under these circumstances, therefore, it is clear that I did not obtain the approval from either the Mitsubishi Zaibatsu families or the Mitsubishi Company.

On April 30th, 1946, when I assumed the post of a Managing Director, due steps were taken to eliminate the Zaibatsu influence, and the controlling power of the Mitsubishi Zaibatsu families and the Mitsubishi Company had been further lessened. It is needless to state that I did not obtain their approval when assuming the post of a Managing Director.

3) I have never held any concurrent official position of other Mitsubishi Zaibatsu companies.

(Remarks)

Appendices (I) -- (VI)

APPENDIX -- I.

Regarding the Arrangement for Selecting Officials

January, 1948

1. In the selection of officials of the directly affiliated companies specified as "Bunkei-Kaisha" (called hereafter the Subsidiaries), the Mitsubishi Honsha enacted the following memorandum on May 27, 1941.

   "The directors and auditors of the Subsidiaries shall be recommended by the President of the Mitsubishi Honsha."

   Notwithstanding this memorandum, however, the Mitsubishi Honsha greatly esteemed the independence of the Subsidiaries and firmly observed the principle of leaving the selection of their officials to their own decisions.

   In actual practice:

   a) The Mitsubishi Honsha made recommendations when sending their own officials or staffs to the Subsidiaries as their directors or auditors.

   b) The President of the Mitsubishi Honsha gave previous approval when the President of the Subsidiary applied for it before assuming the position of President.

   Except in these two specified cases, it has been the usual custom to leave the selection of officials to the Subsidiaries themselves.

   The above-mentioned memorandum is different in nature from the arrangement regarding approval for the assumption of the position of officials under the provisions of Article 7 of the Law for the Termination of Zaibatsu Family Control. However, there existed no arrangement in writing except this memorandum, which is similar to that prescribed by the Law.

2. The Subsidiaries are companies designated as such by the Mitsubishi Honsha and placed under the direct "supervision and encouragement" of the Mitsubishi Honsha, as mentioned in the provisions of the Articles of Association which define the purposes of the Mitsubishi Honsha.

   At the termination of hostilities, the Subsidiaries of the Mitsubishi Honsha were the following:

   Mitsubishi Heavy-Industries, Limited.
   Mitsubishi Mining Company, Limited.
   Mitsubishi Warehouse Company, Limited.
   Mitsubishi Electric Manufacturing Company, Limited.
   Mitsubishi Chemical Industries Company, Limited.
   Mitsubishi Steel Manufacturing Company, Limited.
   Mitsubishi Oil Company, Limited.
   Mitsubishi Trading Company, Limited.
   The Mitsubishi Bank, Limited.
   Mitsubishi Trust Company, Limited.
   Mitsubishi Estate Company, Limited.

   However, the circumstances under which the Mitsubishi Honsha controlled each Subsidiary have varied according to the history, scale, capital relation, etc. of the respective Subsidiaries. Among the directly affiliated companies of the Mitsubishi Concern designated by the Law for the Termination of Zaibatsu Family Control, Mitsubishi Steamship Co., Ltd., Nippon Aluminium Co., Ltd. and Nippon Iron Construction Co., Ltd. are not Subsidiaries of the Mitsubishi Honsha. As far as the relation with the Mitsubishi Honsha is concerned, these three companies are quite different from the eleven companies mentioned above.

3. The Mitsubishi Honsha had no arrangement, written or unwritten, with regard to the recommendation of officials, except with the above-mentioned eleven Subsidiaries. Furthermore, except when the Mitsubishi Honsha recommended officials or staffs of the Mitsubishi Honsha as officials, the Mitsubishi Honsha have never recommended or approved officials.

4. At the Shareholders' Meeting held on November 1, 1945, the Mitsubishi Honsha deleted a part of the text with regard to the purposes of the Company in the Articles of Association, that is, "to supervise and encourage the Subsidiaries and to promote the development of the associated companies." The Mitsubishi Honsha thus wiped out its character as a parent company, and declared that it should be dissolved in the future; and at the same time the President, Vice-president and other main officials retired from their positions. All memorandums and other regulations with regard to the control of the Subsidiaries were cancelled officially on the same day. Previous to the Shareholders' Meeting, the Managing Director of the Mitsubishi Honsha called the Presidents of the Subsidiaries together and made a statement to that effect.

   As the dissolution of the Zaibatsu is one of the most important occupation policies based on the Potsdam Declaration, General Headquarters and the Japanese Government have issued various statements, directives and memorandums on the subject since the Occupation of Japan on September 2, 1945. As a result, the control function of the Mitsubishi Honsha as a parent company was completely suspended immediately after the Occupation, that is, long before the Shareholders' Meeting mentioned above. The memorandum regarding the selection of officials of the Subsidiaries has, therefore, been abolished practically since then.

5. As far as can be gathered by the Mitsubishi Honsha, there has never been any memorandum similar to Honsha's, regarding the selection of officials, between the Subsidiaries and their affiliated or associated companies. Whether the Subsidiary recommended or acknowledged officials of its affiliated or associated companies has to be proved in individual cases.

I hereby certify the above statement to be true and correct in every detail.

For the Mitsubishi Honsha,
Toshio Ishiguro (Signed)
Liquidator.

APPENDIX - II

Certificate

Circumstances under which Mr. Mitsuketsu Ogasawara was elected Director of the Mitsubishi Bank Limited at the Shareholders' Regular Meeting of the said Bank of October 30th, 1945 were as follows.

Soon after the Occupation of Japan on September 2nd, 1945, the Mitsubishi Zaibatsu realized that its dissolution was inevitable due to the fact that the democratization of the Japanese economy was clearly mentioned in the United States Initial Post-Surrender Policy for Japan.

The dissolution of the Zaibatsu had, therefore, been under discussion between the Japanese Government and the Mitsubishi Honsha, and the conclusion was reached that the following measures would be taken as a first step.

(1) The text in the Mitsubishi Honsha's Articles of Association which concerns with the controlling function of its affiliates is to be deleted.

(2) The Mitsubishi Zaibatsu family shall resign the official post of the Mitsubishi concerns, and the officials of the Mitsubishi Honsha shall resign their respective concurrent official posts in its affiliates and associated companies.

The resolution to modify the Articles of Association was carried at the Shareholders' General Meeting of the Mitsubishi Honsha on November 1st 1945 and the Chairman, Mr. K. Funada, announced at the Meeting the dissolution of the Mitsubishi Honsha. Also, the officers with zaibatsu influence had one after the other resigned their respective posts in the affiliates.

Based upon the basic policy already decided, the following officials of the Mitsubishi Honsha resigned their concurrent official posts in the Mitsubishi Bank at the Shareholders' General Meeting of the Bank on October 30th, 1945.

President-Takeo Kato (Director of the Mitsubishi Honsha)
Director-Hikoyata Iwasaki (Vice-President of the Mitsubishi Honsha)
Director-Kazuo Funada (Director-General of the Mitsubishi Honsha)
Director-Munebumi Yamamuro (Director of the Mitsubishi Honsha)

Mr. Zensaku Sekine, Vice-President of the Bank, also resigned at the Meeting together with two other Directors, namely, Mr. Shohei Mimura and Mr. Kaya Goto, who retired, upon the completion of their tenures of office, to make way for their juniors.

To fill up these many vacant posts, I conferred with the then managing directors of the Bank about the selection of officials who would be qualified for representing the public financial institution liberated from the control of the Mitsubishi Zaibatsu and the Mitsubishi Honsha.

As a result, Mr. Toshikata Okubo and Mr. Kunizo Hara were selected as Directors from among men of learning, and Mr. Chuzaburo Arima as an Auditor. As successors of Mr. Shonei Mimura and Mr. Kaya Goto, who had been the staffs of the Bank holding the concurrent posts of Directors, we all agreed, complying with the general wishes of the Bank employees, to select at the Meeting Mr. Mitsukatsu Ogasawara, the oldest member of the old Mitsubishi Bank staff, and Mr. Kenjiro Murase, also the oldest member of the old One Hundredth Bank staff, as Directors.

The selection of Mr. Mitsukatsu Ogasawara as a Director was made under the above-mentioned circumstances without conferring in advance either with the Mitsubishi Zaibatsu or with the Mitsubishi Honsha, and his selection was made without any intention of having him represent their interests.

I, Takeo Kato, do hereby certify that the above is true and correct in every detail.

APPENDIX -- III.

Certificate

Actual functions of Mr. Mitsukatsu Ogasawara since he was elected Director of the Mitsubishi Bank Limited on October 30th, 1945 were as follows.

After his assumption of office as a director of the Mitsubishi Bank Limited on October 30th, 1945 until he was elected Managing Director of the Bank on April 30th, 1946, his actual functions were not beyond those of the head of its Head Office Business Department. As a director, he merely attended the Regular Board Meeting once a month without uttering a word to lead the Meeting and the actual authority vested him with was no more than that of an employee as manager of the Head Office Business Department.

The important management policy of the Bank was entirely decided by the Managing Directors Board which was consisted of the Directors having the authority to represent the Bank.

I, Kenkichi Takagi, do hereby certify that the above is true and correct in every detail.

APPENDIX -- VIa.

The Public Statement of the Amalgamation of the Mitsubishi Bank, Ltd. and the One Hundredth Bank, Ltd.

(Appeared in the Asahi Newspaper of Dec. 30th, 1942)

In view of the gravity of the situation and with a view to facilitate the smoother financing, our banks have decided to amalgamate, start anew as a purely national and public organization, display efficiency of our management by renovating the Board members and internal banking structures, encourage national savings so as to raise funds for war expenses and for industrial expansion, and thus expect to do our best to fulfil the national aims.

The Mitsubishi Bank

The One-Hundredth Bank.

APPENDIX -- VIb

Statement on Big Four Banks Amalgamation by Mr. Yuki, Governor of the Bank of Japan.

(Appeared in Asahi Newspaper, on December 30, 1942)

The four Banks have all respectable end time-honored history and played leading roles in financial circles as prominent Big Banks in Japan.

It is needless to say that they have rendered distinguished services and they were expected to make further development.

The reason they have resolved at this time to amalgamate is considered entirely to meet the grave critical situation and fulfil the national aims with the spirit of bearing joint responsibility of the fellow Banks.

I pay my respect for their broad vision and courageous decisions and in view of the great responsibility stored for them in future, I sincerely hope that they would do their best to accomplish their objects.

(Remarks)

The four Banks mentioned here refer to

The Dai Ichi Bank, Ltd.
The Mitsui Bank, Ltd.

The Mitsubishi Bank, Ltd.
The One Hundredth Bank, Ltd.

The Dai Ichi Bank, Ltd. and the Mitsui Bank, Ltd. merged and became the Teikoku Bank, Ltd., while the Mitsubishi Bank, Ltd. amalgamated the One Hundredth Bank, Ltd, and retained the name of the former Bank.

(Addenaum)

Certificate

It has been the principle of the Mitsubishi affiliates that they get the Mitsubishi Honsha's approval when deciding the amount of their officers' remunerations.

Since April 1943, however, when the Mitsubishi Bank, Ltd. amalgamated the One Hundredth Bank, Ltd., the remuneration of the Mitsubishi Bank officials has been decided entirely at the discretion of the Bank without reference to the standard fixed by the Mitsubishi Honsha. Moreover, since October 22nd, 1945, when the basic policy of dissolving the Mitsubishi Zaibatsu was determined, the Mitsubishi Honsha have never been concerned about their remunerations.

Therefore, when Mr. Mitsukatsu Ogasawara was elected Director at the Shareholders' Meeting of October 30th, 1945, his remuneration was decided without any sort of reference whatsoever to the Mitsubishi Honsha.

I certify that the above is true and correct.

Subject : Application for approval regarding a non-zaibatsu officer.

To : Mr. Tetsu Katayama, Prime Minister.

Applicant: 1. Name, Masataka Ogino.
2. Occupation, Managing Director, the Teikoku Bank, Ltd.
3. Present Address, No. 31, Kitazawa 2-chōme, Setagaya-ku, Tokyo Metropolis.

1. Outline of application.

While I was appointed on April 1, 1943 a director of the Teikoku Bank, Ltd., a zaibatsu indirect affiliate, stipulated in the Law for Eliminating the Controlling Influence of Zaibatsu Families, I hereby beg to apply for your approval in accordance with Par. 1, Article VII of the same Law so that I should not be regarded as a Zaibatsu-related officer for the following reasons:

2. Reasons of application.

A) I am neither the one who belongs to the Mitsuis, nor a spouse, father, child, brother or sister of their family members, nor a spouse of those mentioned above.

B) The Teikoku Bank was established on April 1, 1943 as a result of amalgamation of the Dai-Ichi Bank and the Mitsui Bank, and then consolidated itself with the Jugo Bank on August 1, 1944 to have the present status. At the time of establishment, the Mitsuis, the large stockholders, renounced their right of voicing. Consequently, the Bank was independent of the Mitsui Holding Co. and never under their control, operating the business and personnel affairs on its own independent basis. Concerning appointment of its officers, there never existed not only written arrangements requiring approval of the Mitsui Holding Co., but also facts of having received approval therof. Accordingly, I was elected to a director merely by a resolution of the general stockholders' meeting. Also in view of the reason that, I had been the staff of the Dai-Ichi Bank (a non-zaibatsu concern) before the establishment of the Teikoku Bank, I was accorded the post in the latter after the amalgamation. Needless to say, never have I represented the Mitsui's interest. (Ref. the certificate attached.)

C) When I occupied the post of a plain director of the Bank during the period from April 1, 1943 to Sept. 2, 1945, I had, in fact, neither the same authority or controlling powers as those vested in managing directors nor the exceeding ones thereto. (Refer to the attached Certificate and Explanations of Paragraph 10 of Individual Examination Paper.)

D) Since April 1, 1943 up to now, I have never held concurrently any officer's post of other Mitsui affiliates. (Refer to Certificate attached).

3. List of appendix.

A) 1 copy of Individual Examination Paper.

B) 1 copy of Explanations of Paragraph 10 of Individual Examination Paper.

C) 1 copy of certificate concerning Officer's Post and other posts concurrently held.

D) 1 copy of certificate concerning officer's authority.

February 2nd, 1948.

Masataka Ogino,
the applicant.

Subject : Application for approval regarding a non-zaibatsu officer.

To : Mr. Tetsu Katayama, Prime Minister.

Applicant: 1. Name, Shunjiro Otsubo.
2. Occupation, Managing Director, the Teikoku Bank, Ltd.
3. Present Address, No. 140, Matsubaracho 4-chōme, Setagaya-ku, Tokyo Metropolis.

1. Outline of application.

While I was appointed on Aug. 1, 1944 a director of the Teikoku Bank, Ltd., a zaibatsu indirect affiliate, stipulated in the Law for Eliminating the Controlling Influence of Zaibatsu Families, I hereby beg to apply for your approval in accordance with Par. 1, Article VII of the same Law so that I should not be regarded as a Zaibatsu-related officer for the following reasons:

2. Reasons of application.

A) I am neither the one who belongs to the Mitsuis, nor a spouse, father, child, brother or sister of their family members, nor a spouse of those mentioned above.

B) The Teikoku Bank was established on April 1, 1943 as a result of amalgamation of the Dai-Ichi Bank and the Mitsui Bank, and then consolidated itself with the Jugo Bank on Aug. 1, 1944 to have the present status. At the time of establishment, the Mitsuis, the large stockholders, renounced their right of voicing. Consequently, the Bank was independent of the Mitsui Holding Co. and never under their control, operating the business and personnel affairs on its own independent basis. Concerning appointment of its officers, there never existed not only written arrangements requiring approval of the Mitsui Holding Co., but also facts of having received approval thereof. Accordingly, I was elected to a director merely by a resolution of the general stockholders' meeting. Also in view of the reason that, I had been a director of the Jugo Bank (a non-zaibatsu concern) before it was amalgamated with the Teikoku Bank, I was accorded the post in the latter after the amalgamation. Needless to say, never have I represented the Mitsui's interest. (Ref. the certificate attached.)

C) When I occupied the post of a plain director of the Bank during the period from Aug. 1, 1944 to Sept. 2, 1945, I had, in fact, neither the same authority or controlling powers as those vested in managing directors nor the exceeding ones thereto. (Refer to the attached Certificate and Explanations of Paragraph 10 of Individual Examination Paper.)

D) Since Aug. 1, 1944 up to now, I have never held concurrently any officer's post of other Mitsui affiliates. (Refer to Certificate attached).

3. List of appendix.

A) 1 copy of Individual Examination Paper.

B) 1 copy of Explanations of Paragraph 10 of Individual Examination Paper.

C) 1 copy of certificate concerning Officer's Post and other posts concurrently held.

D) 1 copy of certificate concerning officer's authority.

February 2nd, 1948.

Shunjiro Ohtsubo

Shunjiro Ohtsubo,
the applicant.
