10th December 1893

To Colonel Probyshell
 Superintendent of the Mint:

My dear Sir:

I am in receipt of ~~two~~ letters from Mr Woodside dated Dec. 8th and Dec. 9th, in regard to the Columbian Medal. In his letter of Dec 9th he asks me to go to Philadelphia to confer with the officials at the Mint, about the panel to be placed on the reverse. I regret that

it is impossible for me to leave New York at present, but in any event I believe it would be for more advantageous if Mr Barber could arrange to come here on Monday or Tuesday, as the

work is now being completed in my studio, and any necessary change could be made at once, which would be impracticable were I in Philadelphia without either my tools or models.

The design for the panel will be ready to forward to you on Monday ^{noon} ~~night~~, but it would undoubtedly save time if Mr Barber would kindly come on and see it here.

I am, my dear Sir,

Very sincerely yours
Augustus Handley
