Module 1: Listen to Learn

Take 10 min to think about your biggest accomplishment and challenge. Write your notes in the purple boxes below.

### Accomplishment

<table>
<thead>
<tr>
<th>Self Reflection</th>
<th>Share</th>
<th>Active Listening</th>
</tr>
</thead>
</table>
| **What is your proudest organizer accomplishment?**  
  *Why do you value this accomplishment?*  
  *What factors (people, context, skills, etc.) made this possible?* | **Introduce yourself, your community and your accomplishment.**  
  **Share 1-2 things you think is important to know about your community.**  
  **Share the factors that contributed to this success.** | **While your partner talks, listen for:**  
  *What are the key points that you hear?*  
  *What seems unique to the context or space that your partner works in?*  
  *What might you need to change to accomplish this in your context?* |

### Challenge

<table>
<thead>
<tr>
<th>Self Reflection</th>
<th>Share</th>
<th>Active Listening</th>
</tr>
</thead>
</table>
| **What is your biggest organizer challenge?**  
  *How have you tried to address or mitigate this problem?*  
  *What factors (people, context, skills, etc.) make this challenging?* | **Introduce your challenge and the aspects which make it difficult (context, lack of ____ , etc.)**  
  **Share what other possibilities might exist for you to address or overcome this challenge.** | **While your partner talks, listen for:**  
  *What do you hear is the root of the problem?*  
  *What seems unique to the context or space that your partner works in?* |
