SUBJECT: Release of Enemy Surrendered Real Property

TO : Commanding Officer, 8023rd Composite Service Company  
APO 24 Unit 3  
ATTN: Regional Post Engineer

1. References:

a. Letter E 387.6, this headquarters, subject: "Release of Repairs Equipment", dated 6 May 1950.

b. Letter E 387.6, this headquarters, subject: "Release of Former Japanese Military and Naval Installations", dated 29 April 1950.

2. Reference 1a above, released all repairs equipment belonging to the 21st Naval Air Depot, Omura. Inclosure #4 to reference 1a above listed all equipment released at Shiota-machi, Saga Ken. This headquarters has no repairs equipment located in the Shiota area at present.

3. Reference 1b above, released all known land and buildings belonging to the 21st Naval Air Depot, Omura. Inclosure #3 to reference 1b above, released one (1) building at Shiota. However, it was discovered that two (2) other buildings in this area were not released. This headquarters hereby releases these two (2) buildings from repairs custody.

4. In reference to basic letter, there are no hangers in this area. It is the opinion of this headquarters that the ward building was incorrectly translated from Japanese to English.

SUBJECT: Release of Enemy Surrendered Real Property

TO: Commanding Officer  
Kyushu Civil Affairs Region  
APO 24 Unit 5

1. This headquarters is in receipt of Authority for Disposal (Engineer Provisional Form D-1) from headquarters, Eighth Army to release Enemy Surrendered real property consisting of two hangars and one frame warehouse-type barracks building located at Babashita, Shiota-machi, Fujitsu-gun, Saga-ken (Grid Coord 1310.86 - 1109.21). The above Authority for Disposal directs that execution of release of the property described is contingent upon securing written authority from your headquarters. Release execution will be held in abeyance in this office pending receipt of your written authority.

2. Request for release of the aforementioned real property was processed by this headquarters on the basis of letter, Saga Prefectural Government Commodities Section, dated 10 June 1950, subject: "Application for Release of Former Japanese Military Installation". The Japanese application mentions that the facilities were used for custody of reparations and that they were released from reparations objective in March 1950.
